# Cómo escaneo los códigos QR?

Written by QR Code Generator PRO  
Updated over a week ago

1. Antes de escanear su código QR, verifique que su celular tiene el código QR *reader app* instalada. Si no, bájela de donde tiene su celular las aplicaciones.

*Como bajar gratis su QR Código*, vaya a las aplicaciones en su celular, y busque por QR Reader, QR Scanner o QR Code Reader. La mayoría de los Códigos de lectura son gratis cuando los baja y cualquiera que escoga leerá el código que lo llevará a contestar el cuestionario de salud.

Nota a aquellos celulares con iOS 11 o más actuales y casi todos los celulares Android ya tienen el código QR incluido en el aparato.

2. Escaneé el código QR abriendo la Cámara o la app y enfoque hacia el código con la cámara como si fuera a tomar una foto. Usted verá el Código aparecer en la pantalla de su celular, haga clic.

Si el código QR es legible, el código o acción ocurrirá automáticamente.

Quizás tenga que hacer su cámara accesible para leer, y usted puede hacer esto manualmente buscando el QR en su manual de ajustes.

## **RICHARDSON INDEPENDENT SCHOOL DISTRICT**

### **MISSION**

The mission of the Richardson Independent School District is to ensure that ALL connect, learn, grow, and succeed through relevant and personalized learning experiences distinguished by -

- A welcoming and accepting climate;

2. We will be unrelenting in our pursuit of excellence.
3. We will treat all people with dignity and respect.
4. We will seek input from all stakeholders.
5. We will honor tradition but not allow it to hold us back.
6. We will operate with persistence and integrity.
7. We will practice responsible stewardship of all of our resources.

## **BOARD OF TRUSTEES RICHARDSON INDEPENDENT SCHOOL DISTRICT**

### **Procedures for Public Comments During Board Meetings**

The Board of Trustees of the Richardson Independent School District welcomes members of the public to its meetings. The Board offers a Public Comment Section during its meetings to provide opportunities for members of the public to convey information to the Board.

The Board adopted the following procedures concerning public comments to facilitate the efficient operation of meetings:

#### **Public Comment Section.**

- The Board of Trustees will include a Public Comment Section on the posted Agenda for each meeting. The Board holds regular monthly business meetings each month of the year, excluding July. Business meetings typically are scheduled for the first Monday of the month. The Board schedules work sessions to address topics of study or as other needs arise. The Board reserves the third Monday of each month for work sessions, but they also may be scheduled at any other time when a need arises. The Board reserves the right to schedule or reschedule meetings as necessary to meet the operational needs of the District. A written Agenda is posted for each Board meeting at least 72 hours before the meeting is scheduled.
- The Public Comment Section ordinarily will be called just prior to the first business item on the Agenda. However, the Board delegates to the Board President the discretion to evaluate the number of Public Comment Cards submitted at each meeting and to defer comments related to non-Agenda topics to the end of the meeting if he/she determines such action is advisable to allow the Board to proceed in an efficient and timely manner to address items on the Agenda.

#### **Speaker Topics.**

- Regular Business Meetings. Speakers may comment on specific Agenda items as well as matters not on the posted Agenda during the Public Comment Section at regular business meetings.
- Work Sessions or Other Called Meetings. Speakers may comment only on specific agenda items during the Public Comment Section at work sessions and other called meetings.

#### **Public Comment Cards.**

- Persons wishing to address the Board must complete a Public Comment card. Public Comment cards are located in the foyer of the Auditorium in the Administration Building before scheduled meetings. (If the Board schedules a meeting at another location, Public Comment cards will be available in a conspicuous location at the meeting site.) A staff member typically will be present to receive Public Comment cards.
- Completed cards must be placed in the designated box no later than the posted time for the meeting to begin, usually 6:00 p.m. RISD will not accept Public Comment cards after the Board President calls the meeting to order. In addition to identifying information, each

speaker must indicate the specific agenda item about which he or she wishes to comment and/or identify the non-Agenda topic of the comments.

- Written Materials. A speaker who wishes to provide written materials to the Board of Trustees must attach at least nine (9) copies of the materials to the completed Public Comment card. Staff will provide a copy of the materials to the trustees before the speaker is called. The speaker may not distribute materials when he or she is called to speak.

- Time.

- Each speaker is limited to a total of three minutes and a speaker may not use time of another speaker to extend his or her comment period. *Note:* A speaker who addresses the Board through a translator will have six minutes to present comments to ensure that non-English speakers receive the same opportunity to address the Board.

- Staff will set a three-minute digital timer for each speaker. The speaker shall end his or her comments when the timer expires. Any speaker who fails to stop speaking and yield the podium at the end of his or her allotted time is considered out of order and may be escorted from the podium and/or asked to leave the meeting.

- Single comment. A speaker may complete one Public Comment Card for each meeting.

- Protocol for Speakers.

- The Board Secretary will call the name of each speaker who has submitted a public comment card and state the topic(s) on which the individual has registered to speak.

- Each speaker should approach the podium when his or her name is called. An adjustable microphone is affixed to the podium in the Auditorium. The speaker should clearly state his or her name and the school or school(s) the speaker's children attend or have attended before beginning to comment.

- The Board will not engage in dialogue with a speaker. Specific factual information or reference to an existing policy may be furnished in response to inquiries or statements. The Board cannot deliberate or make a decision on any subject that is not on the Agenda.

- The public comment period is not the appropriate forum for presentation of formal complaints. RISD maintains a formal grievance policy to address complaints. The Board will only consider complaints that remain unresolved after they have been addressed through proper administrative channels and when they have been placed on the Agenda.

- Remarks or other conduct that disrupt the meeting are considered out of order and will not be allowed.

- Consent for Online Publication. RISD may audio and video record its meetings. A person who chooses to speak during the Public Comment Section is consenting to the online audio/video publication of his or her comments.

# What is MAP?

## Measures of Academic Progress

MAP Growth is a nationally norm referenced, computer adapted assessment that pinpoints what a student is ready to learn right now.

# What are the key features of MAP?

## Measures Growth Over Time

- Given three times a year
- Uses an equal interval scale (RIT)
- Provides growth projectiles for goal setting

## Adapts to Each Student

- Offers unique, appropriately challenging tests for each student
- Not limited by grade level
- Provides detailed reports on student strengths and areas for support

# What information does MAP provide?

## **Informs Instruction**

- Pinpoints skills that each student is ready to learn today
- Identifies areas of strengths and concerns
- Guides differentiation and flexible grouping

## **Supports Continuous Improvement**

- Provides information about college and career readiness
- Provides projections aligned with state assessments, SAT, and ACT

# How long is the MAP Growth assessment?

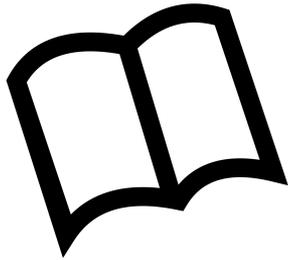

- Assessments are not timed, and students may take **as much time as they need** to complete them.
- Most students take **less than an hour** to complete a MAP Growth assessment.
- MAP Growth for Kindergarten - 2nd grade are typically shorter.

# Which assessments will RISD use?

# What is an RIT Scale?

## Ready for Instruction Today

### **Rasch Unit (range from 100-350):**

- Is the same regardless of the age or grade of the student
- Is useful for measuring growth over time
- Reflects the student's academic knowledge, skills, and abilities

# Growth Over Time

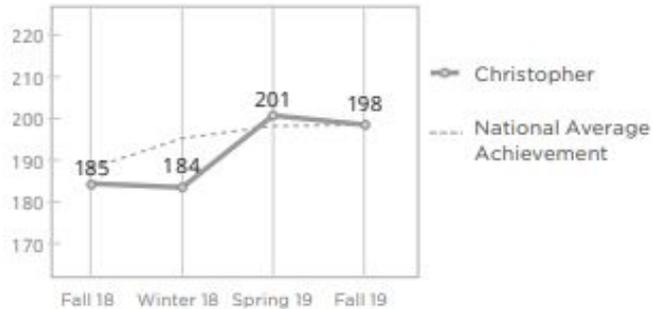

**MAP Growth** reveals how much growth has occurred between testing events and, when combined with our norms, shows projected proficiency.

Educators can track growth through the school year and over multiple years.

**BOARD OF TRUSTEES  
Richardson Independent School District  
Richardson, Texas**

**Date:** September 21, 2020

**Department:** Superintendent

**Submitted by:** Dr. Jeannie Stone

## **INFORMATION / ACTION ITEM**

**TOPIC:** Student Performance Goals and Board and Superintendent Constraints

**BACKGROUND INFORMATION:**

Over the last several months, the Board of Trustees and Superintendent have studied student performance trends to inform the Board in developing appropriate metrics to monitor student performance and success in RISD. Through the course of its work, the Board developed Board goals designed to support continuous improvement and success for all students. Each goal contains an imbedded equity goal and progress monitoring objectives. The Board and Superintendent also have identified specific constraints that they will observe to support goal attainment.

**SUPERINTENDENT'S RECOMMENDATION:**

The Superintendent recommends that the Board of Trustees of Richardson Independent School District approve the attached Board goals and constraints to support continuous improvement and success for all students.

**PROPOSED RESOLUTION**

**WHEREAS**, the Board of Trustees of the Richardson Independent School District has studied student performance data to identify those areas of strong performance and areas in need of improvement; and

**WHEREAS**, the Board is committed to monitoring student performance to support continuous success for all students; and

**WHEREAS**, the Board and Superintendent have worked over the last several months to develop goals to support its monitoring of student performance and success; and

**WHEREAS**, the Board and Superintendent have developed constraints that each will observe to further support goal attainment; and

**WHEREAS**, purposeful monitoring of student performance to support the success of all students supports the Board's Strategic Objectives, including the objective that all students will maximize their intellect and skills to create their own futures;

**THEREFORE, BE IT RESOLVED**, that the Board of Trustees of the Richardson Independent School District adopts the attached student performance goals and Board and Superintendent Constraints.

5. The Board shall not forego an annual review of Board Policy - Section B: Local Governance.

# Richardson Independent School District 2021 Legislative Priorities

The Richardson ISD Board of Trustees supports legislation that places students, staff and academic achievement as a top priority. To that end, House Bill 3 made significant steps in providing the necessary funding for RISD to achieve student academic goals that include: early childhood literacy; early childhood math achievement; Algebra I competency prior to high school; college, career and military readiness, and increasing the graduation rate. RISD Trustees calls upon the 87<sup>th</sup> legislature to maintain the promises of HB 3 by continuing to fund the landmark legislation so that student progress and academic success can continue.

## **SCHOOL FINANCE**

- Provide sustainable funding for House Bill 3 in order to achieve academic goals.
- Maintain the State's overall percentage share of funding.
- Provide maximum flexibility to districts by removing or reducing spending requirements on the use of appropriated funds.

## **DISASTER RESPONSE**

- Use STAAR to measure student progress but eliminate school and district ratings for the school year in which a disaster declaration has occurred.
- Extend the hold harmless provisions for student attendance for the entire 2020-2021 school year.
- Remove spending requirements to allow districts maximum flexibility to cover disaster expenses.
- Dedicate Federal funds, specifically named for disaster relief for public school districts, to public schools without supplanting state public education spending.

## **STUDENTS**

- Increase state funding and resources for mental health so that schools can provide effective services and support for students.
- Improve funding to meet the needs of Special Education students and consider the variety of student needs (slight to severe).

## **SCHOOL SAFETY**

- Fully-fund capital and operating expenses for school safety measures so that school districts can afford needed safety equipment/tools and personnel to protect students and staff.

## **EQUITY DIVERSITY AND INCLUSION**

- RISD Trustees call on the legislature to eliminate all systems and practices that perpetuate historical inequities and present disparities that could negatively impact the ability of students and families to participate in the Texas public education system. Trustees support legislation that brings about awareness, education and equitable treatment of all students, educators and administrators in Texas public schools.
