BOARD OF TRUSTEES RICHARDSON INDEPENDENT SCHOOL DISTRICT

Procedures for Public Comments During Board Meetings

The Board of Trustees of the Richardson Independent School District welcomes members of the public to its meetings. The purpose of meetings is to allow trustees to conduct the business of the District. Although Board meetings are held in public, they are not public meetings and the public does not have a right to participate except as provided by the Board. The Board offers a limited open forum at meetings through its Public Comment Sections to provide opportunities for members of the public to convey information to the Board.

The Board adopted the following procedures concerning public comments to facilitate the efficient operation of meetings:

Public Comment Section

- The Board of Trustees will include a Public Comment Section on the posted Agenda for each meeting. The Board holds regular monthly business meetings each month of the year, excluding July. Business meetings typically are scheduled for the first Thursday of the month. The Board schedules work sessions to address topics of study or as other needs arise. The Board reserves the third Thursday of each month for work sessions, but they also may be scheduled at any other time when a need arises. The Board reserves the right to schedule or reschedule meetings as necessary to meet the operational needs of the District. A written Agenda is posted for each Board meeting at least 72 hours before the meeting is scheduled. If an Emergency Meeting is authorized, an agenda will be posted at least one hour before the meeting is scheduled.

The Public Comment Section for agenda-related topics ordinarily will be placed on the Agenda just prior to the first business item on the Agenda. Where appropriate for efficient meeting management, the section for comments related to non-agenda topics may be placed on the Agenda after other action and information items. A speaker who attempts to address a non-agenda related topic during any period reserved for agenda-related topics is engaging in disruptive behavior. The speaker must stop his or her comments when directed.

- When necessary for effective meeting management, to accommodate large numbers of individuals wishing to address the Board at a meeting, or when otherwise advisable to accommodate specific circumstances, the Board delegates to the presiding officer the authority to make adjustments to these public comment procedures. Such adjustments may include, without limitation, adjusting when public comment will occur during a meeting, reordering agenda items, deferring public comment on non-agenda items, continuing an agenda item to a later meeting, temporarily revising public comment procedures as necessary if a meeting is conducted via videoconference, providing expanded opportunity for public comment, or establishing an overall time limit for public comments and adjusting the time allotted to each speaker.

Speaker Topics

- Regular Business Meetings. Speakers may comment on specific Agenda items, as well as matters not on the posted Agenda (i.e. non-agenda items), during the Public Comment Section at regular business meetings.
- Work Sessions or Other Called Meetings. Speakers may comment only on specific agenda items during the Public Comment Section at work sessions and other called meetings.
- Public Hearings. When RISD gives notice of a public hearing, speakers may complete a separate online public comment form for the public hearing. Speakers may only comment on the specific topic noticed for the public hearing. All other rules noted herein apply to comments during a public hearing.

Public Comment Form

- Persons wishing to address the Board must complete an online Public Comment form by signing up at the designated registration form link on the District's website beginning when the meeting agenda is posted through 12:00 p.m. on the day of the meeting. RISD will not accept submissions after 12:00pm on the posted meeting date. Persons wishing to speak must complete the designated registration form in full and be present at the meeting to make his/her own comments during the designated time for Public Comment to be eligible to speak. Any registered speaker who is absent from the meeting at the time for Public Comment forfeits the opportunity to address the Board at that meeting.
- In addition to identifying information, each speaker must indicate the specific Agenda item about which he or she wishes to comment and/or identify the non-Agenda topic of the comments.
- If RISD gives notice of a public hearing, it will provide a separate designated registration form link on the District's website for the public hearing that persons who wish to speak must complete. Individuals will be able to register beginning when the meeting agenda for

the public hearing is posted through 12:00 p.m. on the day of the meeting. RISD will not accept comment cards after 12:00pm on the posted meeting date.

- Persons who do not have access to a computer to complete the Public Comment form online may contact the Board Office at 469-593-0403 for assistance. The online form is required to be completed by no later than 12:00 pm on the day of the posted meeting.

Written Materials

- A speaker who wishes to provide written materials to the Board of Trustees must bring at least nine (9) copies of the materials to the Board meeting. A copy of the materials will be provided to the trustees before the speaker is called. The speaker may not distribute materials when he or she is called to speak.

Time

- Each speaker is limited to a total of three* minutes and a speaker may not use time of another speaker to extend his or her comment period. Note: A speaker who addresses the Board through a translator will have six* minutes to present comments to ensure that non-English speakers receive the same opportunity to address the Board.
- Staff will set a three*-minute digital timer for each speaker. The speaker shall end his or her comments when the timer expires. Any speaker who fails to stop speaking and yield the podium at the end of his or her allotted time is considered out of order and may be escorted from the podium and/or asked to leave the meeting.
(*Unless the comment period has been limited as provided herein.)

Single comment

- A speaker may complete one online Public Comment form for each meeting. A speaker who comments during a public hearing is not ineligible to speak during the regular public comment period.

Protocol for Speakers

- The Board Secretary will call the name of each speaker who has submitted a public comment card and state the topic(s) on which the individual has registered to speak.
- Each speaker should approach the podium when his or her name is called. An adjustable microphone is affixed to the podium in the Auditorium. The speaker should clearly state his or her name and the school or school(s) the speaker's children attend or have attended before beginning to comment.
- The Board will not engage in dialogue with a speaker. Specific factual information or reference to an existing policy may be furnished in response to inquiries or statements. The Board cannot deliberate or make a decision on any subject that is not on the Agenda.
- The public comment period is not the appropriate forum for presentation of formal complaints. RISD maintains a formal grievance policy to address complaints. The Board will only consider formal complaints that remain unresolved after they have been addressed through proper administrative channels and when they have been placed on the Agenda. Attacks of a personal nature against Board members, RISD staff, students, or other citizens by name or unique title will not be allowed or tolerated. Speakers who wish to make a complaint regarding an employee should comply with the appropriate complaint policy. (DGBA – Employee Complaints; FNG – Student/Parent Complaints; GF – Public Complaints). Complaint policies are available on the RISD website.
- Remarks or other conduct that disrupt the meeting are considered out of order and will not be allowed. Visitors and staff must listen quietly and respectfully during the public comment section whether they agree or disagree with a speaker's message. It is not appropriate for staff or visitors to clap, cheer, boo, display banners, or otherwise engage in disruptive conduct. Persons who disrupt the meeting will be cautioned to observe meeting rules. Persons who persist in disrupting the meeting may be removed from the meeting.

Consent for Online Publication

RISD may audio and video record its meetings. A person who chooses to speak during the Public Comment Section is consenting to the online audio/video publication of his or her comments.

Reasonable Accommodation and Translation

Persons desiring to make a public comment who need reasonable accommodations of a disability or who require a language translator should contact the Board office at 469-593-0403 in advance of the meeting to request assistance.

JUNTA DIRECTIVA DISTRITO ESCOLAR INDEPENDIENTE DE RICHARDSON

Procedimientos para los comentarios del público durante las reuniones de la Junta Directiva

La Junta Directiva del Distrito Escolar Independiente de Richardson da la bienvenida a los miembros del público a sus reuniones. El propósito de las reuniones es permitir a los miembros de la Junta conducir los negocios del Distrito. Aunque las reuniones de la Junta Directiva se celebran en público, no son reuniones públicas y el público no tiene derecho a participar, salvo lo dispuesto por la Junta. La Junta ofrece un foro abierto limitado en las reuniones a través de su Sección de Comentarios Públicos para proporcionar oportunidades a los miembros del público para transmitir información a la Junta.

La Junta Directiva adoptó los siguientes procedimientos relativos a los comentarios del público para facilitar el funcionamiento eficiente de las reuniones:

Sección de comentarios del público

- La Junta Directiva incluirá una sección de comentarios del público en el orden del día de cada reunión. La Junta celebra reuniones mensuales de trabajo todos los meses del año, excepto julio. Las reuniones de trabajo suelen celebrarse el primer jueves de cada mes. La Junta Directiva programa sesiones de trabajo para tratar temas de estudio o cuando surgen otras necesidades. La Junta se reserva el tercer jueves de cada mes para las sesiones de trabajo, pero también pueden programarse en cualquier otro momento cuando surja una necesidad. La Junta se reserva el derecho de programar o reprogramar las reuniones según sea necesario para satisfacer las necesidades operativas del Distrito. Se publica una agenda por escrito para cada reunión de la Junta Directiva al menos 72 horas antes de su realización. Si se autoriza una reunión de emergencia, se publicará una agenda al menos una hora antes de la fecha de la reunión.

La sección de comentarios del público para los temas relacionados con la agenda se incluirá normalmente en la agenda justo antes del primer punto de la misma. Cuando sea conveniente para una gestión eficaz de la reunión, la sección de comentarios relacionados con temas no incluidos en la agenda podrá incluirse después de otros puntos de acción e información. Un orador que intente abordar un tema no relacionado con la agenda durante cualquier período reservado para los temas relacionados con la agenda está incurriendo en un comportamiento perturbador. El orador deberá interrumpir sus comentarios cuando se le indique.

- Cuando sea necesario para la gestión eficaz de la reunión, para dar cabida a un gran número de personas que deseen dirigirse a la Junta en una reunión, o cuando sea aconsejable para adaptarse a circunstancias específicas, la Junta delega en el presidente la autoridad para hacer ajustes a estos procedimientos de comentarios del público. Dichos ajustes pueden incluir, sin limitación, la adaptación del momento en que se producirán los comentarios del público durante una reunión, la reordenación de los puntos del orden del día, el aplazamiento de los comentarios del público sobre los puntos no incluidos en el orden del día, la continuación de un punto del orden del día para una reunión posterior, la revisión temporal de los procedimientos de comentarios del público según sea necesario si una reunión se lleva a cabo a través de videoconferencia, la ampliación de las oportunidades para los comentarios del público, o el establecimiento de un límite de tiempo general para los comentarios del público y el ajuste del tiempo asignado a cada orador.

Temas de los oradores

- Reuniones ordinarias de trabajo. Los oradores podrán hacer comentarios sobre puntos específicos de la agenda, así como sobre asuntos que no figuren en la agenda (es decir, puntos no incluidos en la agenda), durante la sección de comentarios del público en las reuniones ordinarias de trabajo.
- Sesiones de trabajo u otras reuniones convocadas. Los oradores sólo pueden comentar puntos específicos de la agenda durante la sección de comentarios del público en las sesiones de trabajo y otras reuniones convocadas.
- Audiencias públicas. Cuando RISD notifica una audiencia pública, los oradores pueden completar un formulario de comentarios públicos en línea separado para la audiencia pública. Los oradores sólo pueden hacer comentarios sobre el tema específico anunciado para la audiencia pública. Todas las demás normas indicadas aquí se aplican a los comentarios durante una audiencia pública.

Formulario de comentarios públicos

- Las personas que deseen dirigirse a la Junta deben llenar un formulario de comentarios públicos en línea inscribiéndose en el enlace del formulario de registro designado en la página web del Distrito a partir del momento en que se publique la agenda de la reunión y hasta las 12:00 p.m. del día de la reunión. RISD no aceptará presentaciones después de las 12:00 p.m. de la fecha de la reunión publicada. Las personas que deseen hacer uso de la palabra deben completar el formulario de registro designado en su totalidad y estar presentes en la reunión para hacer sus propios comentarios durante el tiempo designado para los Comentarios Públicos para tener derecho a hablar. Cualquier orador registrado que se ausente de la reunión a la hora de los Comentarios Públicos perderá la oportunidad de dirigirse a la Junta en esa reunión.
- Además de la información de identificación, cada orador debe indicar el punto específico del orden del día sobre el que desea

comentar y/o identificar el tema no incluido en el orden del día de los comentarios.

- Si RISD avisa de la celebración de una audiencia pública, proporcionará un enlace a un formulario de registro designado por separado en el sitio web del Distrito para la audiencia pública que las personas que deseen intervenir deberán rellenar. Las personas podrán inscribirse a partir del momento en que se publique el orden del día de la audiencia pública hasta las 12:00 horas del día de la reunión. El RISD no aceptará tarjetas de comentarios después de las 12:00 p.m. de la fecha de la reunión anunciada.
- Las personas que no tengan acceso a una computadora para completar el formulario de comentarios públicos en línea pueden comunicarse con la Oficina de la Junta al 469-593-0403 para obtener ayuda. El formulario en línea debe completarse antes de las 12:00 p.m. del día de la reunión publicada.

Materiales escritos

Un orador que desee proporcionar materiales escritos a la Junta Directiva debe traer al menos nueve (9) copias de los materiales a la reunión de la Junta. Se proporcionará una copia de los materiales a los miembros de la Junta antes de que el orador sea convocado. El orador no podrá distribuir materiales cuando sea llamado a hablar.

Tiempo

- Cada orador está limitado a un total de tres* minutos y un orador no puede utilizar el tiempo de otro orador para extender su período de comentarios. Nota: Un orador que se dirija a la Junta a través de un traductor dispondrá de seis* minutos para presentar sus comentarios a fin de garantizar que las personas que no hablan inglés tengan la misma oportunidad de dirigirse a la Junta.

- El personal pondrá un reloj digital de tres* minutos para cada orador. El orador terminará sus comentarios cuando el tiempo expire. Cualquier orador que no deje de hablar y ceda el podio al final de su tiempo asignado se considerará fuera de lugar y podrá ser escoltado del podio y/o se le pedirá que abandone la reunión.

(*A menos que el período de comentarios se haya limitado según lo dispuesto en el presente documento).

Un solo comentario

Un orador puede completar un formulario de comentarios públicos en línea para cada reunión. Un orador que comente durante una audiencia pública no podrá intervenir durante el periodo de comentarios públicos regular.

Protocolo para los oradores

- La secretaria de la Junta llamará por su nombre a cada orador que haya presentado una tarjeta de comentarios públicos e indicará el tema o temas sobre los que se ha inscrito para hablar.
- Cada orador deberá acercarse al podio cuando se diga su nombre. En el podio del Auditorio hay un micrófono ajustable. El orador debe decir claramente su nombre y la escuela o escuelas a las que asisten o han asistido sus hijos/as antes de comenzar a comentar.
- La Junta no entablará un diálogo con el orador. En respuesta a las preguntas o declaraciones, se puede proporcionar información específica sobre los hechos o hacer referencia a una política existente. La Junta no puede deliberar ni tomar una decisión sobre ningún tema que no figure en la agenda.
- El período de comentarios públicos no es el foro apropiado para la presentación de quejas formales. El RISD mantiene una política de quejas formales para atenderlas. La Junta sólo considerará las quejas formales que queden sin resolver después de que se hayan abordado a través de los canales administrativos adecuados y cuando se hayan incluido en el orden del día. No se permitirán ni tolerarán los ataques de carácter personal contra los miembros de la Junta, el personal de RISD, los estudiantes u otros ciudadanos por su nombre o título. Los oradores que deseen presentar una queja sobre un empleado deberán cumplir con la política de quejas correspondiente. (DGBA - Quejas de empleados; FNG - Quejas de estudiantes/padres; GF - Quejas del público). Las políticas de quejas están disponibles en la página web de RISD.
- Los comentarios u otras conductas que perturben la reunión se consideran fuera de lugar y no se permitirán. Los visitantes y el personal deben escuchar en silencio y con respeto durante la sección de comentarios del público, tanto si están de acuerdo como si no lo están con el mensaje del orador. No es apropiado que el personal o los visitantes aplaudan, chiflen, abucheen, muestren pancartas o adopten cualquier otra conducta perturbadora. Las personas que perturben la reunión serán amonestadas para que respeten las normas de la misma. Las personas que persistan en perturbar la reunión podrán ser expulsadas de la misma.

Consentimiento para la publicación en línea

RISD puede grabar sus reuniones en audio y video. Una persona que elija hablar durante la Sección de Comentarios Públicos está consintiendo la publicación en línea de sus comentarios en audio y video.

Acomodación razonable e interpretación

Las personas que deseen hacer un comentario público y que necesiten adaptaciones razonables de una discapacidad o que requieran un traductor de idiomas deben ponerse en contacto con la oficina de la Junta al 469-593-0403 antes de la reunión para solicitar asistencia.

Kelsey Karcher, Director of Advanced Learning Programs, provided a presentation that outlined the district's compliance with Texas House Bill 1605. This state-led initiative ensures that all selected High Quality Instructional Materials (HQIM) are fully aligned with TEKS/ELPS standards. Ms. Karcher stated that this process involved central committees that followed an extensive evaluation by content areas. This year there were specific adoptions that aligned with the district's "North Star Goal". Key recommendations included the following:

- RLA (K-5)- HMH Into Reading/Arriba La Lectura
- Math (K-5): Bluebonnet Learning
- Math (6-Alg 1): SAVVAS

Ms. Karcher stated that the next steps would include securing Board certification, finalizing material orders, and launching training and implementation for all staff.

Instructional
Materials Update

Dr. Chris Goodson presented an annual HR report to the Board. Dr. Goodson provided data that demonstrated that the strategies for recruitment and retention of high-quality staff allowed for student academic growth. Dr. Goodson stated that there was significant progress in reduction to teacher turnover, while maintaining a highly competitive compensation plan. He also stated that the HR department will focus on "Grow Your Own" residency programs, and streamline application processes to allow for a robust and diverse talent pipeline. Dr. Goodson provided the following key information during his presentation:

- Teacher turnover dropped from 17.4% in 23-24, to 11.54% in 25-26
- Top Tier Pay - RISD ranks 1st in DFW metroplex for teacher salaries in the 20, 25 and 30 year experience levels
- Incentive Growth -participation in the Teacher Incentive Allotment expanded to 28 campuses
- Employee Support - Acute Care Clinic, Mental Wellness Clinics, CLA's
- Next steps include leveraging LASO grants for teacher residencies, onboarding training to help with retention, and developing support programs.

The board followed with comments and questions and thanked Dr. Goodson for the HR update he provided.

HR Report Update

At 7:54 p.m. Mr. Poteet announced that the Board would take a break.

Break

Dr. Melissa Heller, Assistant Superintendent of Strategy and Engagement, and Mrs. Sandra Verduzco provided a presentation to the board regarding a "strategic pivot" in marketing to address declining enrollment and increased competition in surrounding districts, charter and private schools. They emphasized the need of going from informing the public to "targeted" information and selling the district while using a professional agency. Dr. Heller and Mrs.

Verduzco provided key information and data to the board as follows:

- Strategy that will be used- "RISD is the ONE" campaign
- Strategic Targeted Audiences - Recruitment of new families, Retention of current students, and Recovery of students that left
- Multi-Channel Engagement Approach - Social media ads, mailers, events, etc.
- Why partnering with an agency matters- Compliance, buying power, funnel strategy
- The ROI Model: Enrollment = Revenue, enrolling 75 new students would cover the cost of the campaign
- Implementation timeline

The board thanked Dr. Heller and Mrs. Verduzco for the information presented and provided feedback.

Marketing &

TOPIC: Budget Status Report – 2025-2026 Annual Budget

BACKGROUND INFORMATION

In compliance with the Texas Education Code and also with TEA Financial Accounting and Reporting Budgeting Module, the expenditure budget for the District must be approved by the Board of Trustees. The annual budget includes Funds 199 (Operating), 240 (Child Nutrition), and 599 (Debt Service) and is adopted by function and object series as prescribed by the Budgeting Module.

Richardson Independent School District
Richardson, Texas

Date: April 2, 2026
Department: Operations
Submitted by: Mike Jasso, Assistant Superintendent- Operations

ACTION ITEM

TOPIC: Authorization to Negotiate and Enter into a Contract for Program Management Services

BACKGROUND INFORMATION

With the approval of the 2025 Bond Program, the size and complexity of this program will require simultaneous planning, design, and construction of multiple projects over several years.

While district staff will continue to oversee bond implementation, the scale of the program necessitates supplemental resources to support effective coordination, scheduling, budgeting, reporting, and overall project oversight. Program management services provide specialized expertise in managing large capital programs and will assist the district in maintaining timelines, controlling costs, coordinating stakeholders, and ensuring transparency and accountability throughout the life of the assigned projects.

Engaging program management services will help the district successfully deliver the voter-approved projects while allowing staff to maintain focus on daily operations and other district priorities.

As such, the Purchasing Department issued a Request for Qualifications on January 28, 2026. Qualifications were received on February 12, 2026. The evaluation committee conducted first-round interviews with the top four highest ranking firms. Based on the results of the first-round interviews, the evaluation committee then conducted second-round interviews with the top two ranking firms. The evaluation/interview committee included the Assistant Superintendent of Operations, Senior Executive Director of Operations, Executive Director of Planning, Design, and Construction, and the Director of Bond Program Management. Representatives from the Purchasing Department also attended first and second-round interviews.

SUPERINTENDENT’S RECOMMENDATION:

The Superintendent recommends that the Board of Trustees of the Richardson Independent School District authorizes the Administration to negotiate and enter into contracts for program management services as described in Schedule A to provide supplemental support for assigned projects. If negotiations are not successful, the district will move to the next ranked vendor as described in Schedule A until a successful agreement is reached.

PROPOSED RESOLUTION

WHEREAS, the Board of Trustees consistent with the requirement to maintain proper contract compliance; and

WHEREAS, in accordance with Texas Education Code, Section 44.031, the district has reviewed qualification submissions and ranked vendor submissions; and

WHEREAS, continued negotiations are needed to complete the agreement;

THEREFORE, BE IT RESOLVED, that the Board of Trustees of the Richardson Independent School District hereby authorizes the Administration to negotiate and enter into contracts for program management services as described in Schedule A to provide supplemental support for assigned projects. If negotiations are not successful, the district will move to the next ranked vendor as described in Schedule A until a successful agreement is reached.

BACKGROUND INFORMATION:

Every school district and charter school must certify annually to the State Board of Education and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education. Certification is accomplished by completing the Allotment and TEKS Certification form which asks the district to indicate the instructional materials it has adopted or plans to adopt for the 2026-2027 school year for each grade level and core subject. The TEA certification form accompanies this action item

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board of Trustees approve the 2026-2027 Certification of Provision of Instructional Materials Survey.

Survey Prewrite Form

2026–27 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code \(TEC\) §31.1011](#) local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this

requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prework Form:** The prework form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prework form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prework Form and upload the signature page.
 - The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

The 2026–27 Certification of Provision of Instructional Materials process requires:

- The completion of the Certification 2026–27 Prework Form,
- Ratification by the local school system’s board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload the last page of the ratified Certification 2026–27 Prework Form.

TEA recommends that local school systems complete the prework form and survey by **May 1, 2026**. The prework form and survey can be found on the [Certification of Provision of Instructional Materials](#) web page.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification process **is required** to regain access to allotment funds when EMAT reopens.

Prework Form for the Certification of Provision of Instructional Materials Survey 2026–27 | 4
Certification 2026–27 Survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prework Form:** Print the fillable Certification 2026–27 Prework Form on the [Certification of Provision of Instructional Materials](#) web page.
2. **Gather information:** The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prework Form:** Complete the prework form by hand or digitally.
4. **Schedule and obtain needed signatures:** Coordinate placement of the Certification 2026–27 Prework Form on the agenda of an open, publicly noticed board meeting and secure

formal ratification by the local school system's board of trustees or governing body.

5. **Submit Certification 2026–27 Survey:** Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the last page of the signed and ratified Certification 2026–27 Pework Form from step 4.

The survey will be open for submissions beginning Tuesday, February 17, 2026, and will be located on the [Certification of Provision of Instructional Materials](#) web page.

Terminology

- **Scope and Sequence:** A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.
- **Full-subject materials** (often referred to as Tier one or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for

supplementation.

- **Supplemental materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.
- **SBOE-Approved Instructional Materials:** SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE Approved Instructional Materials Entitlement as outlined in Section 48.307.
- **State-Adopted Instructional Materials:** state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

Qualtrics Survey and Pework Form Guidance

Please note that the format of the Certification 2026–27 Pework Form **will not** match the appearance of the official Certification 2026–27 Qualtrics Survey. While the **questions are identical**, this form uses **open-ended text boxes** for responses. In the survey, the questions will be presented with **drop-down menus** containing predefined answer choices.

To help support completion of the Certification 2026–27 Pework Form accurately—and to ensure responses align with the options that will appear in the survey—an [additional resource](#) is provided. The Certification of Provision of Instructional Materials Resource List provides all the instructional materials that will appear in the survey’s questions with drop-down menus.

Please ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, you will be asked to manually enter the publisher and product name(s).

It is highly recommended to refer to [this resource](#) while completing this prework form.

Instructional Materials Procurement Reminder

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

ACTION ITEM

TOPIC: Report of Administrative Write-offs of 2005 Real Property Taxes and 2021 Personal Property Taxes.

BACKGROUND INFORMATION

Section 33.05(a)1 of the Texas Property Tax Code states that Personal Property may not be seized and a suit may not be filed to collect a tax on personal property that has been delinquent more than four years or real property that has been delinquent more than 20 years.

Section 33.05(c) states that the collector for a taxing unit shall cancel and remove from the delinquent tax roll a tax on personal property that has been delinquent for more than 10 years and real property that has been delinquent for more than 20 years if there is no pending litigation concerning the delinquent taxes at the time of the cancellation and removal.

Removing the Real Property accounts from 2005 and the 2021 Personal Property accounts from the tax roll will allow the District to save the cost of printing statements as well as the cost of postage. There are currently 32 Real Property accounts from 2005 still due for \$ 35,288.06 in tax levy and 1,214 Personal Property accounts still due for the 2021 tax year for a total of \$ 453,197.11 in tax levy. The Tax Assessor Collector shall continue to accept payments on these accounts when and if received.

SUPERINTENDENT'S RECOMMENDATION

The Superintendent recommends that the Board authorize the Tax Office to removal Real Property accounts from 2005 and previous years and the 2021 Personal Property accounts from the deliquent tax roll.

RESOLUTION

WHEREAS, Section 33.05(a)1 of the Texas Property Tax Code states that Personal Property may not be seized and a suit may not be filed to collect a tax on personal property that has been delinquent more than four years or real property that has been delinquent more than 20 years; and,

WHEREAS, Section 33.05(c) states that the collector for a taxing unit shall cancel and remove from the delinquent tax roll a tax on personal property that has been delinquent for more than 10 years and real property that has been delinquent for more than 20 years if there is no pending litigation concerning the delinquent taxes at the time of the cancellation and removal; and,

WHEREAS, Removing the Real Property accounts from 2005 and previous years and the 2021 Personal Property accounts from the tax roll will allow the District to save the cost of printing statements as well as the cost of postage. There are currently 32 Real Property accounts from 2005 still due for \$35,288.06 in tax levy and 1214 Personal Property accounts still due for the 2021 tax year for \$ 453,197.11 in tax levy. The Tax Assessor Collector shall continue to accept payments on these accounts when and if received.

THEREFORE, BE IT RESOLVED, by the Board of Trustees of the Richardson Independent School District that the Tax Assessor Collector is hereby authorized to remove from the computer files the Real Property accounts from 2005 and the 2021 Personal Property accounts listed on the Detailed Delinquent Tax Roll in order to save the cost of printing statements on same, as well as postage, but the Tax Assessor Collector shall continue to accept payments thereon when and if received.

RE: Write-off of 2021 and prior Personal Property Taxes
Write-off of Real Property Taxes Over 20 Years

Dear Mr. Pate:

I have reviewed the enclosed accounts and recommend that it would be in the District's best interest if these were written off the tax roll. They are uncollectible for various reasons: neither taxpayer nor property can be located, taxes are beyond the Statute of Limitations, and/or the corporate owner of the personal property has completed Bankruptcy and there were insufficient assets to pay the taxes.

If you have any questions or need anything further, please call.

Sincerely,

PERDUE, BRANDON, FIELDER,
COLLINS & MOTT, LLP

Elena Fernandez

Date: April 2, 2026
Department: Operations
Submitted by: Mike Jasso, Assistant Superintendent- Operations

ACTION ITEM

TOPIC: Consider Approval of a Backflow Release with the City of Dallas for the new Westwood Middle School

BACKGROUND INFORMATION

As a requirement of the transformation construction project at the new Westwood Middle School, the City of Dallas has requested a backflow release resolution be executed between the city and district due to the required installation of a new sanitary sewer lift station on said property. District staff has reviewed the City of Dallas request and determined that granting of the backflow release will not interfere with the district's ability to access or maintain the property.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board of Trustees of the Richardson Independent School District approve the backflow release to the City of Dallas as described in the resolution for the new Westwood Middle School.

PROPOSED RESOLUTION

WHEREAS, the City of Dallas has requested that the district grant a backflow release at the new Westwood Middle School as a part of the new installation of a sanitary sewer lift station; and

WHEREAS, staff has reviewed the backflow release request and determined that granting of the requested release will not interfere with the district's ability to access or maintain the property; and

WHEREAS, the Board finds that granting the requested backflow release serves a public purpose;

THEREFORE, BE IT RESOLVED, that the Board of Trustees of the Richardson Independent School District grants to the City of Dallas a backflow release as described in the resolution for the new Westwood Middle School.

Approved this 19th day of February 2026, by the Richardson ISD Board of Trustees.

TOPIC: Revision to Policy BDAA (LOCAL) – Officers and Officials: Duties and Requirements of Board Officers

BACKGROUND INFORMATION:

Staff regularly review local policies to ensure they conform to District needs, applicable law, and best practices. TOPIC: Revision to Policy FFG (LOCAL) – Student Welfare: Child Abuse and Neglect

BACKGROUND INFORMATION:

Staff regularly review local policies to ensure they conform to District needs, applicable law, and best practices. The recommendation is to revise FFG (LOCAL) – Student Welfare: Child Abuse and Neglect to address legislative changes from the 89th Legislative Session, specifically Senate Bill 571.

PROPOSED RECOMMENDATION:

The following proposed revision to Local Policy is submitted for the Board’s review:

Policy FFG (LOCAL) – Student Welfare: Child Abuse and Neglect

The recommended policy revision to Policy FFG (LOCAL) – Student Welfare: Child Abuse and Neglect is to address legislative changes from the 89th Legislative Session, specifically Senate Bill 571. The recommended change at Reporting Child Abuse or Neglect reflects that Senate Bill 571 requires reporting within 24 hours of learning of the facts giving rise to suspicion of abuse or neglect of a child. The revision to item 1 at “Making a Report” also comes from Senate Bill 571 and reflects that the law enforcement agency must meet the definition established by law.

**Program to Address
Child Sexual Abuse,
Trafficking, and
Maltreatment**

The District's program to address child sexual abuse, trafficking, and other maltreatment of children, as included in the District improvement plan and the student handbook, shall include:

1. Methods for increasing staff, student, and parent awareness regarding these issues, including prevention techniques and knowledge of likely warning signs indicating that a child may be a victim;
2. Age-appropriate, research-based antivictimization programs for students;
3. Actions that a child who is a victim should take to obtain assistance and intervention; and
4. Available counseling options for affected students.

Training

The District shall provide training to employees as required by law and District policy. Training shall address techniques to prevent and recognize sexual abuse, trafficking, and all other maltreatment of children, including children with significant cognitive disabilities. [See DMA]

[See BBD for Board member training requirements and BJCB for Superintendent continuing education requirements.]

**Reporting Child
Abuse and Neglect**

Any person who has reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 4824 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has reasonable cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

A person is required to make a report if the person has reasonable cause to believe that an adult was a victim of abuse or neglect as a

child and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of [educator_misconduct](#) with a student, see FFF.]

Oral Reports

As required by law, an oral report made to the Texas Department of Family and Protective Services (DFPS) is recorded.

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A ~~state or local~~ law enforcement agency, [as defined in law](#);
2. The Child Protective Services (CPS) division of DFPS at 800-252-5400 or the [Texas Abuse Hotline website](#)¹;
3. A local CPS office; or
4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility. As defined by law, a person responsible for the care, custody, or welfare of a child includes school personnel and volunteers and day-care workers. [See FFG(LEGAL)]

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus principal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

In accordance with law, an individual must provide their name and telephone number when making a report. If the individual making the report is a school employee, agent, or contractor, they must also provide their business address and profession.

Confidentiality

The identity of a person making a report of suspected child abuse or neglect shall be kept confidential and disclosed only in accordance with the law and the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

**Failing to Report
Suspected Child
Abuse or Neglect**

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;
2. Violates the law and may be subject to legal penalties, including criminal sanctions for knowingly failing to make a required report;
3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
4. May have his or her certification from the State Board for Educator Certification suspended, revoked, or canceled in accordance with 19 Administrative Code Chapter 249.

It is a criminal offense to coerce someone into suppressing or failing to report child abuse or neglect.

**Responsibilities
Regarding
Investigations**

In accordance with law, District officials shall be prohibited from:

1. Denying an investigator's request to interview a child at school in connection with an investigation of child abuse or neglect;
2. Requiring that a parent or school employee be present during the interview; or
3. Coercing someone into suppressing or failing to report child abuse or neglect.

District personnel shall cooperate fully and without parental consent, if necessary, with an investigation of reported child abuse or neglect. [See GKA]
