- Superintendent must attend TSL Kick-Off training and attend TSL Learning Lab

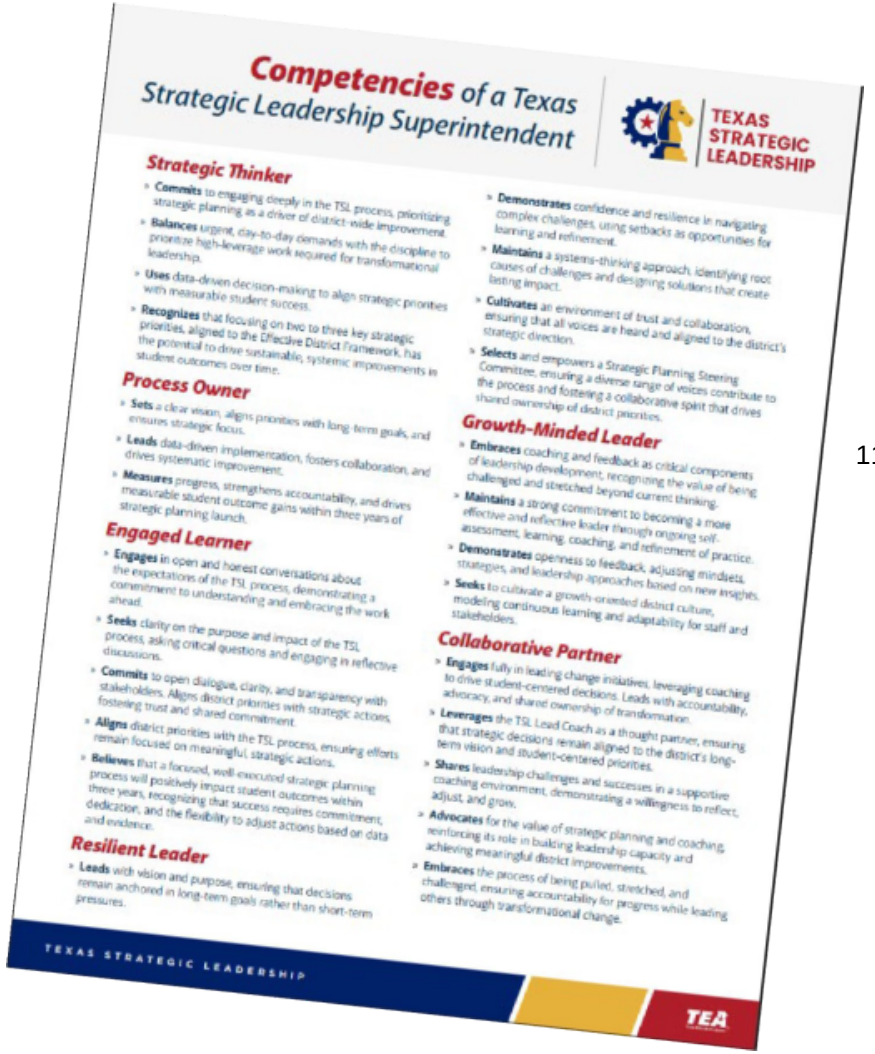
Superintendents must:

- Have strong leadership….
- Reflective
- Vulnerable
- Make Bold Decisions
- Move with great urgency

TSL Superintendent and LEA Criteria for Engagement

Superintendent Criteria

- Committed to achieving ambitious student outcomes within the next 3 years of TSL supports
- Ability to influence and invest others in the change vision, facilitate effective change management, and take committed action with a sense of urgency
- Willingness to prioritize and focus on high-leverage strategies such as HQIM, instructional leadership, CCMP, talent pipelines, strategic compensation
- Working relationship with the board who will be involved in the appropriate ways to understand and support the adoption and implementation of the strategic plan
- Ability to clear their own time and their team's time to focus on TSL Strategic Planning even when barriers exist



TSL Board Criteria for Engagement

Board of Trustees Criteria

- Committed to supporting the superintendents plan for accomplishing the vision and meeting the goals as part of a commitment to the long-term success for all learners.
- Resolves to set ambitious and aggressive student goals for the district that are continuously progress monitored as part of an informed-decision making process for resource allocation.
- Empower the superintendent to implement bold actions for educational excellence while also recognizing that district operations, such as finance and facilities, require an academic alignment.
- A willingness to engage in continuing education at board workshop and training opportunities to build effective governance practices to strategically support district operations, initiative engagement, goal progress, and accountability.

Core Ideas of TSL

District leaders must be systems thinkers. District leadership must deeply understand the district systems producing the current student experience

Everyone needs a coach. Superintendents deserve customized, highly effective executive coaching

Today's superintendency demands courageous, strategic leadership. Amid the challenges of the role, our superintendents must sustain ruthless clarity and persistence focused on what is most important for dramatically improving student outcomes

Effective District Framework Impact Model

If we believe a strong student experience is the core driver of student outcomes…

- Student Outcomes
- Student Experience
- Aligned Campus Systems
- Aligned District Systems
- Effective Governance

…then we must "backward design" and align all critical systems to our envisioned student experience

I. Vision and Goals

The board ensures creation of a shared vision and locally developed, measurable goals that improve student outcomes and provide support for opportunities and experiences. The board:

- Keeps the district focus on the well-being of all children
- Adopts a shared vision that incorporates input from the community to reflect local aspirations as well as present and future needs for all children **Pillar#4: Advocacy & Engagement**
- Ensures that the vision aligns with the state's mission, objectives, and goals for education established by law or rule
- Adopts a reasonable number of specific, quantifiable, research-based, and time-bound goals that align with state law, are developed with community input, and support the vision to improve student outcomes
- Embraces, supports, and fulfills the vision that all students receive what they need to learn, thrive, and grow, including resources, opportunities, and experiences
- Uses the vision and goals to drive all deliberations, decisions, and actions **Pillar#5: Synergy & Teamwork**

Vision Statement and Goals

A board shall adopt a vision statement and comprehensive goals for the district and the superintendent. *Education Code 11.1511(b)(2)*

Public Education Mission, Goals, and Objectives

The mission of the Texas public education system is to ensure that all Texas children have access to a quality education that enables them to achieve their full potential and fully participate now and in the future in the social, economic, and educational opportunities in our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of Texas and for the preservation of the liberties and rights of Texas citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child.

Objectives

The objectives of public education are:

Objective 1: Parents will be full partners with educators in the education of their children.

Objective 2: Students will be encouraged and challenged to meet their full educational potential.

Objective 3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a diploma.

Objective 4: A well-balanced and appropriate curriculum will be provided to all students. Through that curriculum, students will be prepared to succeed in a variety of postsecondary activities, including employment and enrollment in institutions of higher education.

Objective 5: Educators shall cultivate in students an informed American patriotism and lead students in a close study of the founding documents of the United States and Texas. The purpose of this objective is to:

1. Increase students' knowledge of the deepest and noblest purposes of the United States and Texas;
2. Enhance students' intellectual independence so that students may become thoughtful, informed citizens who have an appreciation for the fundamental democratic principles of our state and national heritage; and
3. Guide students toward understanding and productively functioning in a free enterprise society.

21

Objective 6: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective 7: Texas students will demonstrate exemplary performance in comparison to national and international standards.

Objective 8: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective 9: Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.

Objective 10: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Objective 11: The State Board of Education, TEA, and the commissioner shall assist school districts and charter schools in providing career and technology education to students.

Goals

The academic goals of public education are to serve as a foundation for a well-balanced and appropriate education. The students in the public education system will demonstrate exemplary performance in:

Goal 1: The reading and writing of the English language.

Goal 2: The understanding of mathematics.

Goal 3: The understanding of science.

Goal 4: The understanding of social studies.

Student Outcome Goals

HB-3 Goals

School boards are required to adopt goals for **Grade 3 Math**, **Grade 3 Reading**, and **CCMR**.

Student outcome goals must have the following key components. . .

Population	• Specific student population by assessment or instrument (e.g., grade level, relevant student groups, campuses, assessment/instrument)
Baseline	• Current metric at starting month and year
Target	• Target metric at 5-year marker
Deadline	• Month and year by which district aims to achieve target metric

. . . and meet the following quality criteria

Ambitious	• Will challenge the district and require adult behavior change
Priority	• Are the district's first priority for resource allocation
Influenceable	• Are influenceable by the superintendent and leadership team

SUBJECT: SB 13 - School Library Materials

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

On June 20, 2025, Texas Governor Greg Abbott signed Senate Bill 13 (SB 13) relating to school library material acquisition, reconsideration, and collection development into law. The effective date is September 1, 2025. SB 13 requires school boards to adopt a policy for the acquisition of library materials before the first day of the 2025-2026 school year. The policy, as stated in SB 13, will require the board to approve all library materials that have been donated to or that are to be procured by a school library in the district, make a list of library materials that have been donated to or that are proposed to be procured by a school library accessible for review by the public for at least 30 days before final approval, approve or reject the list of library materials that have been donated to or that are proposed to be procured by a school library in an open meeting, and ensure compliance the library standards set forth in SB 13.

ADMINISTRATIVE CONSIDERATIONS

The Texas Education Agency (TEA) will release a model acquisition policy for guidance in August; however, a release date has not been provided.

SUBJECT: Medical and Pharmacy Stop Loss Insurance

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

Stop-loss insurance is a critical part of the self-funded health insurance plan for Mission Consolidated Independent School District (MCISD).

Stop-loss insurance is a financial safety net for MCISD. Since MCISD pays for employees' medical claims directly (rather than paying fixed premiums to an insurance company), stop-loss insurance protects the district from very high or unexpected medical costs.

ADMINISTRATIVE CONSIDERATIONS

Mission CISD has secured stop loss insurance for its self-funded medical plan through Liberty Mutual Insurance for the annual policy period ending October 1, 2025. The current specific stop loss premium rate is $45.21 per employee per month (PEPM) with a specific deductible of $250,000. Additionally, the aggregate stop loss premium is $2.29 PEPM.

To ensure the best value for stop-loss coverage, MCISD has issued a request for bids.

FUNDING SOURCE AND AMOUNT

Estimated Expense $1,129,900

Fund 753 Health Insurance Fund

RECOMMENDATION

The District's insurance consultant will present a recommendation at the Regular Board Meeting on August 13, 2025.

Analysis and Recommendation

Based on our analysis, we recommend retaining the current stop-loss levels to ensure financial stability and predictable risk exposure. Among the options evaluated, we recommend awarding RFP#455-26-0 Medical and Pharmacy Stop Loss Insurance to **Pan American Life Insurance Company through SA Benefits.** This option strikes an optimal balance of cost-effective premiums and current deductible levels.

Rationale for Selection

Cost Efficiency: Option 2 offers a projected annual premium savings of $2,589.
Risk Management: Retains existing stop-loss levels, ensuring continuity of risk exposure and stability.

SUBJECT: Approval of Innovative Courses eligible for State Elective Credit

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

Annually, the Texas Education Agency updates the TEA "List of Approved Innovative Courses", which allows districts to offer state-approved innovative courses to enable students to master knowledge, skills, and competencies not included in the essential knowledge and skills of the required curriculum. Use of these courses must be approved by the local board of trustees. Administration is requesting approval to offer the attached innovative courses for the 2025-2026 school year.

List of Approved Innovative Courses 2025–2026

The following is a list of approved innovative courses for the 2025–2026 school year. School districts and open-enrollment charter schools wishing to offer innovative courses must have the approval of their board of trustees and implement the course as written (19 Texas Administrative Code (TAC) §74.27(a)(7)). Innovative courses may only be used to meet state elective credit and are not approved to meet any other requirement for graduation (19 TAC 74.11(h)).

For questions related to innovative courses, please submit a curriculum help desk ticket on the TEA website.

SUBJECT: Approval of Interlocal Agreement with South Texas College for Dual Credit Partnership and Tuition 2025-2026

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

The District offers college opportunities in partnership with South Texas College to our high school students for dual credit programs which include Mission Collegiate High School, Mission Career Tech Early College (Mission High School), Mission High School P-TECH, Mission Veterans Memorial Early College High School, STC Dual Credit Academies, and dual enrollment courses as part of the district's comprehensive high schools. The major initiative of these programs is to promote a college-going district and college graduation culture. The District recognizes South Texas College as its Higher Education partner.

In accordance with Texas Administrative Code Title:19 Chapter 4, Subchapter D, Rule 4.84 Section (a), for any dual credit partnership between a secondary school and a public college, an agreement must be approved by the governing boards or designated authorities (e.g., principal and chief academic officer) of both the public school district or private secondary school and the public college prior to the offering of such courses. The partnership between Mission CISD and South Texas College has been in existence since the early 2000s.

Administration is requesting board approval for interlocal agreements with South Texas College for Mission Collegiate High School, Mission Career Tech Early College (Mission High School), Mission Veterans Memorial Early College High School, STC Dual Credit Academies, and dual enrollment courses as part of the district's comprehensive high schools.

ADMINISTRATIVE CONSIDERATIONS

The parties are authorized by the Interlocal Cooperation Act, Texas Government Code Chapter 791 to enter into cooperative agreements with other local government entities of the State of Texas for the purpose of fulfilling and implementing their respective public and governmental purposes, needs, objectives, and programs. According to this Code, an Interlocal contract must be authorized by the governing body.

This contract is under legal review.

FUNDING SOURCE AND AMOUNT:

General Fund using various State Fund Foundation Program Budgets: Special Education, College Career and Military Ready, respective campus and departmental budgets, and Career Technology Education estimated at $650,000

RECOMMENDATION:

Approval of Interlocal Agreement with South Texas College for Dual Credit Partnership and Tuition 2025-2026.

Mission CISD

Dear Dr. Valdez,

For over 25 years, the South Texas College Dual Credit Program continues to be a national model in providing high quality and innovate educational opportunities and college services to high school students in Hidalgo and Starr counties. Our Dual Credit Program offers students unique and incredible opportunities for access to higher education and workforce training. These students then successfully transition into a postsecondary education setting or entrance into the competitive workforce sector.

Over the years, the success of the program has been a collaborative effort of partnership and commitment to student success by South Texas College and your district. Through the identification of critical needs and opportunities, the program continues to meet the academic rigor and standards of excellence required, and has served as a tool for developing college readiness and provided students with a clear pathway to college. Through our partnership, we continue to strengthen the framework of the program to better lead students to the successful completion of their academic goals.

Enclosed is an electronic copy of the 2025-2026 Dual Credit Programs Interlocal Agreement between South Texas College and Mission CISD. This Interlocal Agreement is the contract that encompasses all dual credit programs, including Designated High Schools and the Academies Program as required by the Texas Higher Education Coordinating Board (THECB).

Please print and sign two copies of the agreement. Upon execution of the agreement, you may contact Nicole Garcia, Administrative Assistant for Dual Credit Programs at (956) 872-3520 or via email at ngarcia4@southtexascollege.edu. She will coordinate pick up of the interlocal agreement.

I thank you for your continued support of our partnership and dedication to the success of the program.

Respectfully,

Dr. Ricardo J. Solis
President

Interlocal Agreement
South Texas College Dual Credit Programs

SOUTH TEXAS COLLEGE (herein called the "College") and **Mission CISD** (herein called the "School District") enter into the following Interlocal Agreement (IA), and for the terms of which WITNESS THE FOLLOWING:

TERM
This IA shall be in effect from August 18, 2025 to August 18, 2026, and posted during this term on the College's and School District's respective internet websites.

OVERVIEW
The College is committed to serving the students and communities of South Texas through collaborative work with school districts in the College's service area. A major initiative promoting a college-going and college graduation culture is the **South Texas College Dual Credit Programs**, which complies with the rules set forth by the State of Texas (TAC Title:19 Chapter 4, Subchapter D, Rule § 4.84) for dual credit partnerships between secondary schools and Texas public colleges to offer dual credit to qualified students; therefore,

1) **IA PURPOSE**
The purpose of this IA is to outline the roles and responsibilities of the College and the School District that participate in the Dual Credit Programs. This IA is the agreement that encompasses all programs and initiatives under the Dual Credit Programs as required by the Texas Higher Education Coordinating Board (THECB). An additional IA is required by the Texas Education Agency for Early College High Schools and P-TECH Schools.

2) **RECOGNITION OF HIGHER EDUCATION PARTNER**
The School District, when reporting and publicizing high school *students' completion* of dual credit **courses**, **degrees**, or **certificates**, will recognize South Texas College. Furthermore, when the School District advertises and/or publicizes, including but not limited to, designations, awards received, tuition saved, and articles written in social media, television commercials and print ads for dual credit, the School District will recognize South Texas College as its Higher Education partner. The following statement must be included in all the School District's publications and/or advertisements in regard to the Dual Credit Programs:

"[ISD name] saves families hundreds of thousands of dollars in tuition and fees by collaborating with South Texas College, our Higher Education partner, to offer college credit hours and college certificates and degrees."

In addition, the School District shall adhere to the format and style of all advertising, marketing, reporting, and publicity materials, which includes billboards, print ads, and television commercials, as set forth in the College's ***Branding, Marketing, and Advertising Guidelines for South Texas College Dual Credit Programs*** at https://admin.southtexascollege.edu/pr/dual-credit-marketing.html (see Exhibit B for Sample Recognition). Failure to follow this provision will result in a non-compliance notification as stated in Section 12 of this document.

STC Board Approved
May 27, 2025

Board Workshop: August 6, 2025
Board Meeting: August 13, 2025

3) ACADEMIC POLICIES & PROCEDURES

Academic policies and procedures applicable to regular college courses and students will also apply to dual credit courses and dual credit students. A degree plan with a defined sequence of courses will be available through Degree Works for all dual credit students.

The School District acknowledges that the College is in the process of replacing its existing Board Policies. As the existing Policies are retired and replaced, the College shall notify the School District and provide a copy of the replacement policy. If necessary, the College and the School District will modify this IA to incorporate the new policies.

a) *Eligible Courses*

Academic courses offered by the College for dual credit are developed based on the guidelines published in the Academic Course Guide Manual. Workforce courses are developed based on the guidelines published in the Workforce Education Course Manual. The College does not offer kinesiology, guided studies, competency-based or developmental courses for dual credit.

b) *Faculty Qualification, Selection, Supervision, and Evaluation*

The College has established an approval process for selecting and/or approving qualified School District faculty (those approved will herein be called "Dual Credit Faculty") to teach dual credit course(s). Each approved Dual Credit Faculty will be supervised by the College's respective department chair or designee and be evaluated and monitored to ensure the quality of instruction and compliance with the College's policies and procedures in accordance with the standards established by the State of Texas and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). For a comprehensive view of the Faculty Credentials and Qualification, Selection, Supervision, and Evaluation process, refer to the ***Dual Credit Programs Instructional and Quality Standards Manual.***

i. The School District will collaborate with the College to ensure that the School District instructor applying to teach in the Dual Credit Programs meets the credential requirements as stated in the College's ***Board TASB Policy DBA— Employment Requirements and Restrictions: Credentials and Records*** which includes the criteria used by the College to determine teaching eligibility.

ii. The College will ensure that College Faculty requested to teach dual credit courses at the School District sites have met acceptable national criminal background checks.

iii. School District faculty approved as Dual Credit Faculty must be cleared by the College's Office of Human Resources to teach any dual credit courses.

iv. Dual Credit Faculty will submit all required reporting documents such as rosters, learning outcome results, syllabi/section outlines, and grades by the deadlines set by the College.

v. New Dual Credit Faculty approved for the upcoming academic year must satisfactorily complete the LMS Fundamentals and Academic Continuity Certifications offered through the College's Digital Learning Department, prior to teaching dual credit courses.

vi. College and Dual Credit Faculty teaching dual credit courses are required to check their class rosters during the first week of classes by accessing Starfish through JagNet to make sure that all students attending the class are enrolled in the dual credit course and are required to refer any students not on the roster to the appropriate School District counselor and the Dual Credit Scheduling and Enrollment Services Department. Any student not

listed on the roster by the 12th day of class (Census Day) will not be enrolled in the dual credit course.

vii. New Dual Credit Faculty approved for the upcoming academic year must satisfactorily complete the *DELTA Online Academy* course offered through the College's Teaching and Learning Center during the first semester teaching dual credit courses. Dual Credit Faculty not completing this Academy will not be allowed to continue teaching the following academic year. This Academy focuses on relevant College policies, and procedures, resources, faculty responsibilities, and maintaining a college environment in the classroom. The *DELTA Online Academy* course includes required training on Title IX and related Texas laws, and covers topics including but not limited to mandatory reporting duties, sexual harassment under federal and state law, and prevention techniques.

viii. The School District will allow release time from School District duties for all Dual Credit Faculty to attend required College departmental meetings, discipline and course-specific College professional development training, and the two Dual Credit professional development days organized by the College held on the Saturday before each full semester begins. The department chairs will provide the meeting schedule to the Dual Credit Faculty before the beginning of the semester so that the Dual Credit Faculty can coordinate their teaching responsibilities at the high school to attend the required department meetings.

ix. The School District will allow release time from School District duties for all high school librarians to attend no more than two required library summits organized by the College and held on weekdays during the school year.

x. College and Dual Credit Faculty teaching college-level courses are expected to communicate with students who need academic assistance and direct them to the appropriate College or School District support services. The College provides students access to college resources and support services at no cost.

xi. The School District will forward any concerns regarding Dual Credit Faculty or College Faculty teaching the college-level course to the College Department Chair for investigation. To address and resolve the concerns, a meeting shall take place between the College Department Chair (and/or designee) and the School District Principal (and/or other designated high school administrator) to discuss the issues and reach a decision that is mutually agreeable.

xii. The Dual Credit Faculty or College Faculty assigned to teach a dual credit course is charged with the duties and responsibilities as the instructor of record. In cases where the course is a Distance Learning course taught at the partner school, as stated in ***Board TASB Policy EBA — Alternate Methods of Instruction: Distance Education,*** an instructor is an individual responsible for delivering course content and who meets the qualifications for instruction established by an institution's accrediting agency. Online students shall be informed that they are able to access the online course at any time, not only during a designated time at the high school.

xiii. Texas House Bill 3979 and Senate Bill 3 (87th Legislature), **which relate to civic instruction and instruction policies in public schools in the state**, do not apply to community colleges or to dual credit students, as long as the curriculum being taught is the College's curriculum. This is the case even if the College curriculum is taught by a high school teacher in their capacity as a Dual Credit Faculty member.

xiv. This IA recognizes the unique and sometimes challenging position of Dual Credit Faculty. Nevertheless, although Dual Credit Faculty are full-time employees of the School District where they teach College courses(s), Dual Credit Faculty shall follow all applicable College policies during dual credit instructional time. Accordingly, Dual Credit Faculty are expected to fulfill their responsibilities as Dual Credit Faculty while also complying with the expectations and policies of their School District and Principal.

xv. Expectations of Dual Credit Faculty when teaching a college-level course for the College:

- College-Level Course Work: The rigor of college-level coursework often requires additional time outside of class for students to meet course learning objectives and outcomes. Dual Credit Faculty should not decrease the amount of out-of-class work assigned to students enrolled in Dual Credit course(s).
- Issuing of College Grade: Dual Credit Faculty should not inflate the college letter grade, which might differ from the high school numeric grade.
- Contact Hours Pertaining to Dual Credit Students: Just as Dual Credit Faculty are expected to meet the required number of contact hours per semester, students enrolled in dual credit courses are required to maintain regular and punctual attendance in classes and laboratories. In accordance with ***Board TASB Policy FC — Attendance***, the College shall develop and include in its official bulletins, catalogs, and other appropriate publications a statement regarding its policies and procedures for all excused absences. The student is responsible for communicating with faculty members concerning any absence. The student may be required to present evidence to support an absence, and make–up work for class absences will be permitted only as specified by the faculty in the course syllabus.
- Dual Credit Faculty shall treat students equally and should not use unreasonable measures to help a particular student who, in the estimation of the Dual Credit Faculty member, is failing the course due to the student's classroom performance, lack of participation and/or excessive student absences.

c) *Location, Facilities, Teaching Environment, and College Courses*
Dual credit courses will be held at approved instructional sites in accordance with SACSCOC standards and College policies.

i. Facilities
The School District will work with the College to ensure that the School District's facilities meet the expectations and criteria required for college classes and are appropriate for college-level instruction by the first day of class including the following:

- School District will ensure that College Faculty and dual credit students have appropriate access to all available instructional facilities, resources, and essential technology;
- School District will permit access to the College's electronic learning resources and school library spaces when the course is taught at the School District;
- School District offering science or Career and Technical courses will meet all applicable laboratory safety standards and obtain and install all material/equipment required to meet such standards prior to the first-class day. School District will ensure proper maintenance of all lab material/equipment that is used for the College courses offered by the School District in a manner that complies with the College's program requirement; and
- School District will permit the College to perform safety audits and inspections in dual credit classrooms and laboratories.

ii. Teaching Environment

The School District will ensure that the classroom environment is conducive to college-level learning by:

- Designating a classroom for the dual credit classes;
- Displaying the signs provided by the College outside of the classroom that indicate "College Course is in Session";
- Assuring no unnecessary interruptions take place in the College dual credit class while in session, such as removing dual credit students to participate in high school activities or making announcements except for official business or emergencies and minimizing interruptions for official announcements; and
- Enforcing the faculty members' student attendance requirements as stated in the course syllabus and as supported by ***Board TASB Policy FC — Attendance***.

iii. College Courses

Faculty teaching dual credit courses must use the College's approved Learning Management System. The College maintains security measures to protect faculty and students while learning in an online environment. More detailed information on Dual Credit Programs - Distance Learning Security Measures can be accessed at the following link: https://www.southtexascollege.edu/dual/dual-policies.html.

iv. Course Delivery

The School District will ensure that all dual credit courses taught by Dual Credit Faculty are conducted through face-to-face instruction. Only in circumstances, when a State of Emergency is activated, may a Dual Credit Faculty be approved to conduct online instruction to adhere to the College's Instructional Contingency Plan, using the College's Learning Management System.

d) *Course Curriculum, Instruction, and Grading*

School Districts that participate in the Dual Credit Programs at the College will comply with procedures and guidelines as published in the ***Dual Credit Programs Principal Agreement*** and the ***Dual Credit Programs Instructional and Quality Standards Manual***, including the following:

i. Academic Instructional Calendar

Dual credit classes will follow the College Academic Calendar. Exceptions may be arranged through collaboration between the College and the School District. When the requested exception involves the Final Exam Schedule for full semester classes, the College Department Chair and Division Dean will be involved in any decision. The College requires that the Division Dean approve any exception. Notification of conflicts between mandatory State testing and final exams must be made well in advance of final exams. College courses and exams should take reasonable priority over School District activities.

ii. Monitoring Instruction

The School District will work with the College so College personnel will have the opportunity to monitor the quality of instruction in compliance with the College course syllabus and the standards established by the State of Texas, SACSCOC, and the School District.

iii. Books and Supplemental Materials

The School District will provide textbooks for each registered student, along with

equipment, and supplemental materials required for the cohort (S sections) classes. The College will consider the use of free open educational resources or low-cost educational resources in courses offered under the program for the School District. College-approved textbooks purchased by the School District as required for a college course are allowed to be used for four (4) years. Chairs may request a change of textbooks earlier than four (4) years, if the textbooks are for technology-based courses or with reasonable justification. Required textbooks and materials shall be available to each registered student on the first-class day. Exceptions must be discussed with the Associate Vice President of Dual Credit Programs and the Department Chair.

iv. Transportation

The School District will provide transportation to dual credit students in accordance with State law and School District rules and procedures. Students enrolled in dual credit courses at the College may be transported by the School District.

v. Grading Procedures

All Dual Credit Faculty will follow the College Grading System as stated in the College's ***Board TASB Policy EGA — Academic Achievement: Grading and Credit,*** as well as related procedures set forth by the College.

vi. Submission of College Grade

The primary responsibility for assigning College grades in a dual credit course belongs to the faculty member. Therefore, and in the absence of compelling evidence of discrimination, differential treatment, or procedural irregularities, the judgment of the faculty member responsible for the course must remain determinant. College and School District officials will not unreasonably interfere with the faculty member's authority to assign College grades. The final course grade submitted for the College will be a letter grade. A numeric grade based on a standard 100-point scale will be provided by STC Faculty, upon the School District's request. Such request must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week. The final course grade recorded for the College will be a letter grade and for the high school a numeric grade that may differ from the College letter grade.

vii. Grade Appeal

The School District will direct students to follow the College's Grade Appeal process. An electronic copy of these documents may be accessed on the Academic Affairs Department webpage at the following link:https://academicaffairs.southtexascollege.edu/grade_appeals/

viii. Reporting Required: Critical Student Performance Information

The College has developed guidelines for sharing critical student performance information when needed for high school reporting.

STC Faculty

- Will only provide the School District with final course numeric grades, based on a standard 100-point scale upon the School District's request. Such requests must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's finals exams week.
- Will not be required to submit a midterm course grade.
- Will provide the following Starfish Early Alert Surveys:
    - Fall 2025 and Spring 2026: First Week Attendance Verification, and two Progress Surveys (Weeks 5-6 & Weeks 11-12)
    - Summer 2026: First Week Attendance Verification, and one Progress

Survey (Week 3)

Dual Credit Faculty

- Will comply with the guidelines relating to reporting requirements and responsibilities of the Dual Credit Faculty regarding parental inquiries, progress reports, and disciplinary matters which are found in the ***Dual Credit Programs Instructional and Quality Standards Manual*.**

ix. Dual Credit Policies

This IA is subject to the following policies:

i. ***Board Policy #3230: Dual Credit Programs with Partnering School Districts***

ii. ***Board Policy #3232: Dual Credit Student Eligibility Requirements***

iii. ***Board TASB Policy EGA: Academic Achievement – Grading and Credit***

iv. ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships***

4) STUDENT ENROLLMENT & SUPPORT SERVICES

a) *Student Eligibility*

The College requires the School District to follow all College enrollment procedures and guidelines for dual credit students. All procedures and guidelines are outlined in the College's ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/manuals.html

All students must meet dual credit admissions and eligibility requirements as outlined by the THECB laws and regulations, the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule § 4.85, and as stated in the College's ***Board TASB Policy FB: Admissions.*** The School District will work with the College to make certain that all dual credit students are enrolled by the first day of class to help ensure student success and to comply with the College Dual Credit Programs Admission and Registration Timeline. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/timelines.html

High school students are eligible to participate in the Dual Credit Programs upon meeting the Texas Success Initiative (TSI) Assessment benchmark score requirements established by the THECB and the College dual credit course pre-requisites as published in the College's ***Dual Credit Programs Enrollment and Support Services Manual***.

Dual credit students must comply with the College's Academic Progress Standards as outlined in ***Board TASB Policy EGA: Academic Achievement – Grading and Credit*** and ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships.***

b) *Collaboration and Outreach Efforts*

The College provides informational sessions for students and parents regarding dual credit opportunities, benefits, costs, and resources. Sessions are available throughout the academic year upon request by the School District. The College also disseminates the most current dual credit information regarding enrollment, resources, and requirements for the program on the College's dual credit website.

c) *Non-Degree Seeking*

For the academic year, participating districts may choose to pilot the non-degree seeking option at high school sites. Dual credit students selecting the non-degree seeking major may enroll in up to 15 credit hours of dual credit courses without fulfilling Texas Success Initiative (TSI) standards. Non-degree seeking students may not enroll in more than two dual credit courses per semester. Additionally, non-degree seeking dual credit students are not eligible to enroll in Regular (Non-S) sections.

Districts are encouraged to establish and implement internal screening requirements, while also recommending courses from the designated instructional plan. Additionally, Dual Credit Programs advisors are required to meet with non-degree seeking students before they complete the maximum of 15 credit hours.

d) *Degree seeking Course Load*

Degree seeking dual credit students may not enroll in college-level courses until the Spring semester of their 9th grade, and are then limited to no more than two (2) dual credit courses for that semester from an approved list of recommended courses. All 10th grade students will be limited to two (2) dual credit courses per Fall and Spring semester. All 11th and 12th grade students should not exceed four (4) dual credit courses per Fall and Spring semesters**.** Summer session enrollment is limited to two (2) dual credit courses for Summer Term I/III and two (2) dual credit courses for Summer Term II.

Dual credit students shall be limited to courses within their declared major and corresponding degree plan. Students who declare a major leading to a Career Technical Education (CTE) certificate or Associate degree, may also enroll in academic dual credit courses, limited to English 1301, Mathematics/Natural Science Electives, Humanities Electives, Social and Behavioral Electives, and other Associate of Applied Science (AAS) Electives needed to complete their Certificate and/or AAS degree, while not exceeding the limitation on dual credit courses per semester described below. Students may attempt a maximum of 68 credit hours, with the exception of students pursuing the Associate of Science in Mathematics, Associate of Science in Engineering and Associate of Science in Pre-Pharmacy. Course loads in excess of 68 credit hour maximum shall require approval by the Academic Affairs and Economic Development Division Designee. The Dual Credit Programs is subject to all applicable College policies and procedures.

e) *Non-S Section Enrollment*

Students who want to enroll in non-dual credit section(s) must be approved by the Academic Affairs and Economic Development Division Designee. Students can only be enrolled into courses within their current declared major. Any student approved to enroll in a non-dual credit section(s) will not be assessed the independent student tuition and fee rates based on the Board Approved Tuition & Fee Schedule. Dual credit students who do not receive approval to enroll in a non-dual credit section(s), may still enroll, but will be assessed the independent student tuition and fee based on the Board Approved Tuition & Fee table.

Non-S section requests for 10 or more students in the same course type during the same semester will require an "S" section to be created by the College. Criteria for "Non-S" section designation are available on the Dual Credit Programs website, which includes the eligibility of enrollment of only 11th and 12th graders.

f) *Student Composition of Class*

As outlined in the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule 4.85, the School District may not enroll both dual credit and non-dual credit students in the same section unless the development of a high school credit-only class is not financially viable for the high school and only under one of the following conditions:

i. If the course is required for completion under State Board of Education High School graduation requirements, and the School District is otherwise unable to offer such a course.

ii. If the high school credit-only students are College Board Advanced Placement or International Baccalaureate students.

iii. If the course is a career and technology/college workforce education course and the high school credit-only students are eligible to earn articulated college credits.

Dual Credit Sections
Dual credit sections assigned to an STC Faculty and/or Dual Credit Faculty must have a minimum of ten (10) students enrolled in Academic sections and seven (7) in Career Technical Education sections. Dual credit sections with fewer than the minimum enrollment will be canceled by the advertised semester deadline. Dual Credit Programs will work with the School District to determine options to combine dual credit courses with partnering School District's approval, if available.

g) *Advising*
The College and the School District offer college advising services for dual credit students and the College offers a College Advising Training Program for High School District Counselors.

The College offers advising services for dual credit students regarding transferability and applicability to baccalaureate degree plans of all college credits offered and earned.

In active collaboration with the College, the School District shall take whatever actions deemed reasonably necessary by the College to fully comply with the advising mandates delineated in TX SB 25 (2019) and TX SB 1324 (2019), which collectively address measures public institutions of higher education must take to facilitate successful transfer, academic progress, and timely graduation through, among other things, the filing of degree plans at certain milestones and the publication of course sequences. The College and the School District shall also take necessary actions to ensure compliance with any and all advising requirements of TX SB 1277 (2021), including but not limited to designating at least one employee from either institution to provide academic advising to any student who enrolls in a dual credit course before beginning the course.

h) *Pathways Alignment*
The College provides a comprehensive guide to the alignment of High School endorsements, dual credit courses, post-secondary pathways, credentials at the institution, and industry certifications.

h) *Counseling and Student Accommodations*
The College and the School District will adhere to Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (ADA), and the ADA Amendments Act of 2008.

The School District will be responsible for implementing policies and procedures to enable students to identify disability needs and to provide academic accommodations for dual credit students. If the class is taught at the high school by a Dual Credit Faculty, the School District's high school will be

responsible to provide the academic accommodations. If the class is taught by STC Faculty at the high school, the College Counselor will coordinate academic accommodations with the high school's Special Education Counselor. Students are not eligible to receive and/or otherwise utilize Individual Education Plans (IEP's) in Dual Credit courses. All procedures and guidelines are outlined in the College ***Dual Credit Programs Enrollment and Support Services Manual***.

i) *Student Complaints*

The College's Grievance and/or Complaint procedures for handling student complaints regarding college courses are applicable to all students, including those enrolled in dual credit courses. Dual credit students who would like to submit reports or complaints shall adhere to **Board TASB Policy *FLD — Student Rights and Responsibilities: Student Complaints*** and follow the relevant processes and procedures detailed in the College's ***Student Handbook*** and/or ***Employee Handbook***, depending on whether the report or complaint relates to another College student or a College employee. Generally, students should report complaints relating to a Dual Credit course to the College. If the student chooses to report to the School District, the School District shall promptly report the matter to the College. The College shall be responsible for implementing the College's Grievance and/or Complaint procedures only if the College has jurisdiction to do so, including, but not limited to, jurisdiction over the educational program or activity, the complainant, and the respondent.

Student reports and complaints alleging sex-based discrimination, harassment, domestic violence, dating violence, stalking, or other sexual misconduct which targets a student in a Dual Credit course will be handled by the College in accordance with the policy and procedures outlined in ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence***. A student may report a grievance or complaint at the following link: https://www.southtexascollege.edu/report/index.html.

j) Student Conduct

All students, including dual credit students, are subject to discipline and appropriate sanctions ranging from verbal or written warning to suspension and expulsion from the College and all related programming, under the College's ***Student Handbook*** and ***Code of Student Conduct***. The ***Code of Student Conduct*** is an articulation of the College's commitment to maintaining an environment that recognizes and supports the rights of its students, while providing a guide for defining behaviors the College considers inappropriate. Procedures, including a list of violations, potential sanctions, and a list of individual rights for each student, are listed in the College's ***Student Handbook***, Chapter 2, ***Code of Student Conduct***. Dual credit students who receive a sanction of suspension or expulsion from the College must be removed from the college course and placed in a high school credit course or a traditional high school setting by the School District and, in accordance with Texas State law, shall have a transcript notation of suspension or expulsion placed on their official record. On request by the student, the College may remove the notation from the official transcript. Further, the College reserves the right to refer cases to the Behavioral Intervention Team for review and threat assessment. An electronic copy of this ***Student Handbook*** and ***Code of Conduct*** may be accessed on following link: https://www.southtexascollege.edu/pdf/student_code_of_conduct.pdf

k) *Transcription of Credit*

The College and the School District will enter and record into their respective transcripts all credits earned for dual credit courses for both college credit and high school credit upon the student completion of the requirements each course.

l) *Commencement Ceremonies*

To become eligible to participate in the College Commencement Ceremonies held in May, December, or at such time determined by the Board of Trustees, dual credit students must be enrolled

in all final coursework for their declared program and all coursework must be completed at the end of the semester of graduation. Dual Credit students who are eligible to participate cannot defer participation to a later Commencement Ceremony date, except when a State of Emergency is activated. The College Registrar is the Graduation Determination Official and has the final authority to determine dual credit eligibility for graduation and ceremony participation. Dual credit students must meet all graduation requirements as outlined in College Policy to be eligible for graduation and participation in the Commencement Ceremonies.

5) FINANCIAL SUPPORT SERVICES

a) *Faculty Stipend*

School District instructors approved by the College to be Dual Credit Faculty and approved to teach college level courses will be paid a stipend by the College per class, per semester, as outlined in the College ***Dual Credit Programs Instructional and Quality Standards Manual.***

b) *Tuition & Fees*

The School District will be charged tuition and fees as outlined in *Exhibit A:* ***Board Approved Dual Credit Students Sponsored by Partnering School Districts Tuition and Fees FY 2025-2026.*** The College's Board of Trustees reserves the right to adjust tuition and fees as deemed necessary during the year.

c) *Invoicing*

The College will invoice the School District that sponsors the student for the applicable charges, in accordance with the ***Board Approved Dual Credit Students Sponsored by Partnering School Districts Tuition and Fees FY 2025-2026***, as approved by the College Board of Trustees (see Exhibit A).

d) *Faculty Charges*

When the College provides the faculty for a dual credit course, including courses given via distance learning, the School District is responsible for the mileage and faculty cost as stipulated in the Dual Credit Course Agreement (DCCA). If the School District cancels a dual credit course with an assigned College Faculty after August 8, 2025 (Fall semester), January 9, 2026 (Spring semester), May 22, 2026 (Summer I/III semester), and June 19, 2026 (Summer II semester), a Late Dual Credit Section Cancellation Fee will be assessed.

This agreement is outlined in the ***Dual Credit Programs Instructional and Quality Standards Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/manuals.html.

6) DATA SHARING

FERPA allows protected student data to be exchanged between the College and School District for students that are dually enrolled without requiring the consent of either the parents or the student under § 99.34. If the student is under 18, the parents still retain the right under FERPA to inspect and review any education records maintained by the School District, including records that the College disclosed. The College and the School District are expected to meet FERPA requirements to maintain the privacy of student data.

The School District agrees to provide directory information for all 11th and 12th grade students enrolled in the district for recruitment purposes. The School District will provide an electronic secure file to the Director of Valley Promise for Traditional students by the end of September. The file will include student names, school emails, home phone numbers, and home addresses.

The College will provide data reports to the School District via standard reports as per identified timelines. These reports have been developed in an effort to provide the required data in a timely manner to our partners with a signed IA.

The School District shall provide a primary and secondary contact, at the District and at each high school, to receive data via a secure process from the College. These contacts will be responsible for distributing data securely within their assigned area and within FERPA guidelines. Any data received from the College shall not be shared outside the School District without prior authorization from the College.

The School District may request data outside of the scheduled report distribution schedule provided:

- An IA has been executed and is active between the School District and the College. The data request is submitted, at minimum, three (3) business days prior to the requested delivery date

PLEASE NOTE: Requests are **NOT** guaranteed to be delivered by the requested delivery date and may be delayed depending on the data team's existing request volume. Requests will be prioritized depending on identified need.

The School District may submit an e-mail request for reports to: dcdatarequest@southtexascollege.edu.

7) HUMAN RESOURCES DEPARTMENT, DATA PRIVACY & SHARING AGREEMENT

The School District will collaborate with the College to ensure that all School District faculty applying to teach in the Dual Credit Programs meet the credential requirements as stated in the ***Board TASB Policy DBA — Employment Requirements and Restrictions: Credentials and Records,*** and submit all required documents for the approval/hiring process to the Human Resources Department as well as agree to full information sharing in the event of an investigation of a personnel matter regarding Dual Credit Faculty.

Any non-academic incidents or complaints against Dual Credit Faculty teaching a college course is must be reported to the College's Office of Human Resources to the attention of the Director and/or Employee Relations Officers for investigation.

8) TITLE IX OF THE EDUCATION AMENDMENTS 1972

The School District will comply with Title IX of the Education Amendments 1972 (20 U.S.C. § 1681 et seq.) and its implementing regulations as stated in the ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence*** and the School District Title IX policy in resolving incidents and complaints.

Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et. seq.), and it's implementing regulations, 34 C.F.R. Part 107 (Title IX) state: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

Title IX resources, policies, and procedures, including the names and contact information of the Title IX Coordinator and any Title IX Deputy Coordinators for the College are located at the following link: https://www.southtexascollege.edu/about/notices/title-ix.html.

Together with the execution of this IA, the School District will, by completing Exhibit C hereto, designate a specific School District official **who is trained to investigate and address matters relating to Title IX and civil rights issues including, but not limited to, Title VI and Title VII of the Civil Rights Act** to serve as the authorized liaison with the College's Title IX Coordinator.

Pursuant to the following protocol, the School District official and the College representative(s) will work in a collaborative and timely manner to share any and all information necessary in the event of an claims, complaints, reports or investigations arising under Section 8 of this IA (see Exhibit C).

Title IX Protocol

a) The College and the School District acknowledge that jurisdiction over incidents falling within Title IX can be difficult to determine with respect to Dual Credit Programs, and sometimes jurisdiction is shared by both parties. This protocol is agreed to by the College and the School District to establish clarity and coordination with a set of consistent guidelines for each to follow. The general principle is one of establishing a nexus, and determining which party has the strongest nexus to the alleged misconduct, or whether a nexus reasonably exists with respect to the jurisdiction of both parties, in which case jurisdiction exists for both and in most cases will result in collaborative investigations and separate resolutions in accordance with the policies of each party. In all collaborative processes, the parties agree to share investigation-related information with each other to the extent permitted by law.

b) In any complaint where the law permits, the College and the School District agree to share information about the outcome of the complaint with the other party to the extent the outcome impacts the other party or its students/employees.

c) In any circumstance where the parties agree to do so, or where the respondent dual credit student or employee is arguably under the jurisdiction of both parties (regardless of who controls the venue), investigations can be conducted jointly with (at least) one representative from each party. The results of the investigation (one joint investigation report encompassing the policies of both parties) will be made available to both parties, with appropriate redactions as necessary. The parties may then each use the results of the investigation to pursue their own independent resolutions of the complaint. Where investigation procedures of the parties differ substantially, it may be impossible for a collaborative investigation to comply with both, in which case separate investigations should be conducted.

d) Where one party controls the venue of the alleged misconduct and the respondent is a student or employee of that same party, that party shall normally have primary jurisdiction over the complaint.

e) Where a party controls the venue in which the complainant is its student/employee and the respondent is the student or employee of another party, the complainant will have the right to file a complaint within the other party's grievance process. The party in which the complainant is enrolled is responsible for providing supportive measures to the complainant.

f) Where a party provides only instruction/credit for a course, and is not otherwise involved in any way in an act of misconduct, that party shall have no responsibility under this protocol except as policy otherwise requires (e.g., mandated reporting responsibilities)

g) Where a party controls only the venue of a course, and is not otherwise involved in any way in an act of misconduct, that party will review any needed remedial measures related to the safety of the venue and implement them accordingly.

h) Control:
   i. A party who controls the venue and the instruction, provides an employee for instruction,

and provides credit for the course controls that course.

ii. A party who provides instruction in the venue of the other party does not control that venue.

i) Each party's employees are expected/encouraged to participate as witnesses in any resolution process, as necessary.

j) Student:

iii. A student enrolled in a dual-credit/early college course is a student of both parties, regardless of which party has the primary relationship with the student.

iv. Any party's policies and procedures will explicitly be made applicable to its students, including those who are dual-enrolled/participating in early college.

k) Imposing consequences on a respondent by two parties is appropriate when the student is enrolled within the educational program of both parties, though the parties can agree that only one party will enforce its policies and procedures in a given situation. In such situations, the parties may agree that the party with the primary relationship to the student will take the lead and/or enforce its policies and procedures, or that the party in whose program the incident took place will normally have primary jurisdiction.

l) Each course should clearly designate which party's educational program the course is part of, and/or whether more than one party is the sponsor/provider of a course.

9) NON-DISCRIMINATION

The College prohibits discrimination, including harassment and sexual misconduct, against any employee, applicant for employment, student, or applicant for admission on the basis of any protected class or any other basis prohibited by law. Protected classes at the College include race, color, national origin, religion, age, sex, sexual orientation, gender, gender identity, physical or mental disability, genetic information, veteran status, or any other basis prohibited by law.

Discrimination is defined as prohibited conduct directed at an employee or student on the basis of race, color, national origin, religion, age, sex, including pregnancy and parental status, sexual orientation, gender, gender identity, physical or mental disability, genetic information, veteran status, or any other basis prohibited by law, that adversely affects the employee's employment or that adversely affects the student.

For more information, please visit ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence.***

10) PREGNANT AND PARENTING SERVICES

The College is committed to creating and maintaining an inclusive and accessible learning environment for all students. Title IX prohibits discrimination on the basis of sex – including pregnancy, parenting and all related conditions – in educational programs and activities that receive federal funding. In addition, pregnant and parenting students who are enrolled at public institutions of higher education are entitled to the protections set forth in the Texas Education Code including Sections 51.982 & 51.983.

11) INTERLOCAL AGREEMENT (IA)

This IA may be amended by mutual written agreement of both parties.

The College and the School District reserve the right to terminate this IA by notice from either party in accordance with this IA or by operation of law. The College or the School District may terminate the IA no fewer than ninety (90) days prior to the end of the semester during which notice was given. To be effective, notice must be submitted in writing, signed by the College President or the School District Superintendent and personally delivered to the other party to this IA.

12) NOTIFICATION OF NON—COMPLIANCE AND TERMINATION OF AGREEMENT

If a party fails to comply with any provision of this IA, the other party may issue a Notification of Non-Compliance (Notice). The Notice shall be in writing and shall describe in detail the nature of the alleged non-compliance. The Notice will be provided to the College President or to the School District Superintendent for review and action. Failure to correct any condition of non-compliance within ten (10) business days following receipt of the Notice may, at the option of the party which sent the Notice, result in termination of this IA at the end of the semester during which the Notice was sent. Any provision in this IA which requires performance by either party after the termination of this IA including, without limitation, confidentiality obligations, limitations of liability, and exclusions of damages, and any other provision or partial provision that by its nature would reasonably extend beyond the termination of this IA, shall be and remain enforceable after such termination of this IA for any reason whatsoever.

Interlocal Agreement

South Texas College
Mission CISD – Mission High School Pathways in Technology Early College High School (P-TECH)

SOUTH TEXAS COLLEGE (herein called the "College") and **Mission CISD** (herein called the "School District") enter into the following Interlocal Agreement (IA), and for the terms of which WITNESS THE FOLLOWING:

TERM
This IA shall be in effect from August 18, 2025 to August 18, 2026, and posted during this term on the College's and School District's respective internet websites.

IA PURPOSE
The purpose of this IA is to outline the roles and responsibilities of the College and the School District that participate in Dual Credit Programs Designated High Schools. The IA references Texas Education Agency requirement of the House Bill 1638: Statewide Dual Credit Goals (herein called the "G1-4"). An additional Dual Credit Programs IA is required by the Texas Higher Education Coordinating Board (THECB).

PREAMBLE
WHEREAS the parties to this IA desire to establish **Mission High School P-TECH** ("**P-TECH School**"), serving grades 9-12, and provide dual enrollment for academic dual credit college courses for high school students free of charge. The student population of the **P-TECH School** will be composed of underserved and underrepresented high school students (grades 9-12); consisting of students who are at-risk, economically disadvantaged, first-generation college goers, English learners, and students with disabilities. Potential students for the **P-TECH School** may be screened and selected through the use of a lottery system that encourages and considers applications from all students. All students will have an equal opportunity for acceptance, regardless of background or academic performance.

WHEREAS P-TECH Schools are small schools with enrollments between 400-500 or fewer students (100-125 students per grade cohort) which provide students the opportunity to earn both a high school diploma and up to two years of transferable college credits (60), certificate level degree, an associate's degree, and/or at least 60 credit hours towards a baccalaureate degree during grades 9-12. and;

WHEREAS P-TECH Schools prepare this population of high school students for successful career and educational futures through a full integration of high school, college, high demand/high skill career preparation, improved academic performance, and increase high school and college/university completion rates;

WHEREAS both **P-TECH School** and the College are willing and able to participate in the facilitation of this program to benefit the students they both seek to assist.

NOW, THEREFORE**,** in consideration of the covenants, and conditions and provisions set forth herein, the parties hereto agree as follows:

1) **STATEMENT OF GENERAL DUTIES AND OBLIGATIONS**

a) The P-TECH School established under this agreement will be governed by state and federal laws and regulations, school district, and college policies and requirements. The School District shall apply to the Texas Education Agency for the establishment and approval of a P-TECH School designation. Prior to the yearly designation renewal submission to TEA, the School District shall notify the College of any additional Institution of Higher Education partnership(s).

b) A Leadership Team comprised of members of the district and the college will meet regularly as mutually agreed to by both parties to plan and make decisions about the design and fidelity of the implementation of the P-TECH High School Benchmarks. The team will work collaboratively to meet established benchmarks in: (1) School Design, (2) Target Population, (3) Strategic Alliances, (4) Curriculum, Instruction and Assessment, (5) Work Based Learning, and (6) Student Support. As the school moves through the implementation process and scales up to serve grades 9-12, new topics will be addressed to include, but not limited to community partnerships, dual credit, student support systems and expanding the college culture. The Leadership Team will also address issues of sustainability such as regularly reviewing the IA, discussing budget and cost arrangements, planning for leadership change in the School District and the College if it applies and expanding and enhancing the partnership.

2) ACADEMIC POLICIES & PROCEDURES

Academic policies and procedures applicable to regular college courses and students will also apply to dual credit courses and dual credit students. A degree plan with a defined sequence of courses will be available through Degree Works for all dual credit students.

The School District acknowledges that the College is in the process of replacing its existing Board Policies. As the existing Policies are retired and replaced, the College shall notify the School District and provide a copy of the replacement policy. If necessary, the College and the School District will modify this IA to incorporate the new policies.

a) Faculty Qualification, Selection, Supervision, and Evaluation

The College has established an approval process for selecting and/or approving qualified School District faculty (those approved will herein be called "Dual Credit Faculty") to teach dual credit course(s). Each approved Dual Credit Faculty will be supervised by the College's respective department chair or designee and be evaluated and monitored to ensure the quality of instruction and compliance with the College's policies and procedures in accordance with the standards established by the State of Texas and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). The School District will provide and be responsible for the evaluation and assessment of Dual Credit Faculty for high school credit-only courses conducted at the **P-TECH School**. For a comprehensive view of the Faculty Credentials and Qualification, Selection, Supervision, and Evaluation process, refer to the ***Dual Credit Programs Instructional and Quality Standards Manual - Academic Affairs Division.***

b) Professional Development

P-TECH School and the College shall provide opportunities for Dual Credit Faculty to collaborate through planning, teaching, and professional development. The School District will allow release time from School District duties for all Dual Credit Faculty to attend required College departmental meetings, discipline and course-specific College professional development training, and the two Dual Credit professional development days organized by the College held on the Saturday before each full semester begins. The department chairs will provide the meeting schedule to the Dual Credit Faculty before the beginning of the semester,

so that the Dual Credit Faculty can coordinate with their teaching responsibilities at the high school to attend the required meetings. **P-TECH School** will provide common planning time for Dual Credit Faculty.

3) LOCATION, FACILITIES, COSTS AND TRANSPORTATION

Dual credit courses will be held at approved instructional sites in accordance with SACSCOC standards and College policies.

The Designated Texas Education Agency high school site, **Mission High School P-TECH** is located at: **1802 Cleo Dawson St., Mission, TX 78572**

a) Facilities

The School District will work with the College to ensure that the School District's facilities meet the expectations and criteria required for college classes and are appropriate for college-level instruction by the first day of class including the following:

- School District will ensure that College Faculty and dual credit students have appropriate access to all available instructional facilities, resources, and essential technology;
- School District will permit access to the College's electronic learning resources and school library spaces when the course is taught at the School District;
- School District offering science or Career and Technical courses will meet all applicable laboratory safety standards and obtain and install all material/equipment required to meet such standards prior to the first-class day. School District will ensure proper maintenance of all lab material/equipment that is used for the College courses offered by the School District in a manner that complies with the College's program requirement; and
- School District will permit the College to perform safety audits and inspections in dual credit classrooms and laboratories.

b) School District instructors approved by the College to be Dual Credit Faculty and approved to teach college level courses will be paid a stipend by the College per class, per semester, as outlined in the College ***Dual Credit Programs Instructional and Quality Standards Manual.***

c) Tuition and Fees (G1)

The College waives student tuition for dual credit "S" section college courses. College provides students access to college resources, and support services at no cost. The School District will be charged tuition and fees as outlined in ***Board Approved Dual Credit Students Sponsored by Partnering School Districts Tuition and Fees FY 2025-2026***.

d) Eligibility of Students for Financial Assistance

P-TECH School students are eligible for financial assistance for courses taken outside of the course offerings at **P-TECH School**. Tuition is waived when students enroll in dual credit "S" section courses within their selected degree plans. Dual Credit "S" section courses can be taken during a regular (fall or spring) semester or summer and may include non-traditional offerings such as distance learning courses. Enrollment in courses outside of the student's selected degree plan is prohibited by the College.

e) Faculty Charges

When the College provides the faculty for a dual credit course, including courses given via distance learning, the School District is responsible for the mileage and faculty cost as

stipulated in the Dual Credit Course Agreement (DCCA). If the School District cancels a dual credit course with an assigned College Faculty after August 8, 2025 (Fall semester), January 9, 2026 (Spring semester), May 22, 2026 (Summer I/III semester), and June 19, 2026 (Summer II semester), a Late Dual Credit Section Cancellation Fee will be assessed.

f) Transportation

The School District will provide transportation to students enrolled at **P-TECH School** in accordance with State law and School District rules and procedures. The School District will also provide transportation for all **P-TECH School** field trips and project-based learning activities. Students enrolled in dual credit courses at the College may be transported by the School District.

4) COURSE CURRICULUM, INSTRUCTION, AND GRADING

School Districts that participate in the Dual Credit Programs Designated High Schools at the College will comply with procedures and guidelines as published in the ***Dual Credit Programs Principal Agreement*** and the ***Dual Credit Programs Instructional and Quality Standards Manual***, including the following:

a) Academic Instructional Calendar

Dual credit classes will follow the College Academic Calendar. Exceptions may be arranged through collaboration between the College and the School District. When the requested exception involves the Final Exam Schedule for full semester classes, the College Department Chair and Division Dean will be involved in any decision. The College requires that the Division Dean approve any exception. Notification of conflicts between mandatory State testing and final exams must be made well in advance of final exams. College courses and exams should take reasonable priority over School District activities.

b) Course of Study

The **P-TECH SCHOOL** and the College shall provide a course of study that enables a participating student to receive a high school diploma and either a certificate level degree, an associate's degree or 60 semester hours that are transferable and applicable towards a baccalaureate degree during grades 9-12. **P-TECH School** students will receive an academic degree plan upon the completion of a career and program of study interest inventory. During a student's senior year, or after completion of the Core Curriculum, courses for field of study programs can be completed according to the College's suggestion of course sequencing. Such courses shall have been evaluated and approved through the official College curriculum approval process and shall be taught at the College level. The College does not offer kinesiology, guided studies, competency-based or developmental courses for dual credit.

c) Curriculum Alignment (G4)

The **P-TECH School** and College shall provide a rigorous course of study that enables a participating student to receive a high school diploma and complete the Texas Higher Education Coordinating Board's (THECB) core curriculum as defined by the Texas Administrative Code (TAC 4.28), certificate level degree, an associate's degree or at least 60 credit hours towards a baccalaureate degree during grades 9-12. The **P-TECH School** will provide students with academic, social, and emotional support during their course of study. The College will regularly update the **P-TECH School** counselor and principal regarding College curricular changes. **P-TECH School** is responsible for ensuring that state course requirements for high school graduation are fulfilled. The **P-TECH School** and

College will establish a course equivalency crosswalk and will be updated as required. The College's Catalog identifies the number of credits that may be earned for each college course offered at **P-TECH School**.

d) Books and Supplemental Materials

The School District will provide textbooks for each registered student, along with equipment, and supplemental materials required for the cohort (S sections) classes. The College will consider the use of free open educational resources or low-cost educational resources in courses offered under the program for the School District. College-approved textbooks purchased by the School District as required for a college course are allowed to be used for four (4) years. Chairs may request a change of textbooks earlier than four (4) years, if the textbooks are for technology-based courses or with reasonable justification. Required textbooks and materials shall be available to each registered student on the first-class day. Exceptions must be discussed with the Associate Vice President of Dual Credit Programs and the Department Chair.

e) Grading Periods and Policies

Faculty will follow the College Grading System as stated in the College's ***Board TASB Policy EGA — Academic Achievement: Grading and Credit***, as well as the grading criteria in the department approved syllabus. **P-TECH School** students will be informed by the instructor of academic progress/grade status prior to the Last Day to Drop/Withdraw at the College. P-TECH SCHOOL students struggling to maintain a passing grade will be advised by the instructor or the high school counselor to withdraw from the college course in order to avoid future problems related to admissions, financial aid, and scholarships. Withdrawal from the college course does not result in a withdrawal from the high school course. **P-TECH School** personnel are responsible for advising dual credit students concerning academic progress in the high school component of the course.

f) Reporting Required: Critical Student Performance Information

The College has developed guidelines for sharing critical student performance information when needed for high school reporting.

STC Faculty

- Will only provide the School District with final course numeric grades, based on a standard 100-point scale upon the School District's request. Such requests must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week.
- Will not be required to submit a midterm course grade.
- Will provide the following Starfish Early Alert Surveys:
    - Fall 2025 and Spring 2026: First Week Attendance Verification, and two Progress Surveys (Weeks 5-6 & Weeks 11-12)
    - Summer 2026: First Week Attendance Verification, and one Progress Survey (Week 3)

Dual Credit Faculty

- Will comply with the guidelines relating to reporting requirements and responsibilities of the Dual Credit Faculty regarding parental inquiries, progress reports, and disciplinary matters which are found in the ***Dual Credit Programs Instructional and Quality Standards Manual*.**

g) Submission of College Grade

The primary responsibility for assigning College grades in a dual credit course belongs to the faculty member. Therefore, in the absence of compelling evidence of discrimination,

differential treatment, or procedural irregularities, the decision of the faculty member responsible for the course shall be final. College and School District officials will not unreasonably interfere with the faculty member's authority to assign College grades. The final course grade submitted for the College will be a letter grade. A numeric grade based on a standard 100-point scale will be provided by STC Faculty,-upon the School District's request. Such request must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week. The final course grade recorded for the College will be a letter grade and for the high school a numeric grade that may differ from the College letter grade.

5) **DUAL CREDIT POLICIES**

This IA is subject to the following policies:

i. ***Board Policy #3230 Dual Credit Programs with Partnering School Districts***

ii. ***Board Policy #3232 Dual Credit Student Eligibility Requirements***

iii. ***Board TASB Policy EGA: Academic Achievement – Grading and Credit***

iv. ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships***

6) **STUDENT ENROLLMENT AND SUPPORT SERVICES**

Upon mutual agreement, the College will assist with enrollment at least once per semester for all students who are qualified and wish to enroll in academic dual credit courses. **P-TECH School** students must meet the same requirements and pre-requisites as all College students for college classes. Academic placement is based on the College adopted TSI scores. **P-TECH School** students are required to meet TSI requirements when changes to the exemption scores occur at the State or College level to comply with policy.

a) Student Eligibility

The College requires the School District to follow all College enrollment procedures and guidelines for dual credit students. All procedures and guidelines are outlined in the College's ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/manuals.html.

All students must meet dual credit admissions and eligibility requirements as outlined by the THECB laws and regulations, the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule § 4.85, and as stated in the College's ***Board TASB Policy FB: Admissions.*** The School District will work with the College to make certain all dual credit students are enrolled by the first day of class to help ensure student success and to comply with the College Dual Credit Programs Admission and Registration Timeline. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/index.html.

High school students are eligible to participate in the Dual Credit Programs upon meeting the Texas Success Initiative (TSI) Assessment benchmark scores established by the THECB and the College dual credit course pre-requisites as published in the College's ***Dual Credit Programs Enrollment and Support Services Manual***.

Dual credit students must comply with the College's Academic Progress Standards as outlined in ***Board TASB Policy EGA: Academic Achievement – Grading and Credit*** and ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships***

b) *Non-Degree Seeking*

For the academic year, participating districts may choose to pilot the non-degree seeking option at high school sites. Dual credit students selecting the non-degree seeking major may enroll in up to 15 credit hours of dual credit courses without fulfilling Texas Success Initiative (TSI) standards. Non-degree seeking students may not enroll in more than two dual credit courses per semester. Additionally, non-degree seeking dual credit students are not eligible to enroll in Regular (Non-S) sections.

Districts are encouraged to establish and implement internal screening requirements, while also recommending courses from the designated instructional plan. Additionally, Dual Credit Programs advisors are required to meet with non-degree seeking students before they complete the maximum of 15 credit hours.

c) *Degree seeking Course Load*

Degree seeking dual credit students may not enroll in college-level courses until the Spring semester of their 9th grade, and are then limited to no more than two (2) dual credit courses for that semester from an approved list of recommended courses. All 10th grade students will be limited to two (2) dual credit courses per Fall and Spring semester. All 11th and 12th grade students should not exceed four (4) dual credit courses per Fall and Spring semesters**.** Summer session enrollment is limited to two (2) dual credit courses for Summer Term I/III and two (2) dual credit courses for Summer Term II.

Dual credit students shall be limited to courses within their declared major and corresponding degree plan. Students who declare a major leading to a Career Technical Education (CTE) certificate or Associate degree, may also enroll in academic dual credit courses, limited to English 1301, Mathematics/Natural Science Electives, Humanities Electives, Social and Behavioral Electives, and other Associate of Applied Science (AAS) Electives needed to complete their Certificate and/or AAS degree, while not exceeding the limitation on dual credit courses per semester described below. Students may attempt a maximum of 68 credit hours, with the exception of students pursuing the Associate of Science in Mathematics, Associate of Science in Engineering and Associate of Science in Pre-Pharmacy. Course loads in excess of 68 credit hour maximum shall require approval by the Academic Affairs and Economic Development Division Designee. The Dual Credit Programs is subject to all applicable College policies and procedures.

d) *Non-S Section Enrollment*

Students who want to enroll in non-dual credit section(s) must be approved by the Academic Affairs and Economic Development Division Designee. Students can only be enrolled into courses within their current declared major. Any student approved to enroll in a non-dual credit section(s) will not be assessed the independent student tuition and fee rates based on the Board Approved Tuition & Fee Schedule. Dual credit students who do not receive approval to enroll in a non-dual credit section(s), may still enroll, but will be assessed the independent student tuition and fee based on the Board Approved Tuition & Fee table.

Non-S section requests for 10 or more students in the same course type during the same semester will require an "S" section to be created by the College. Criteria for "Non-S" section

designation are available on the Dual Credit Programs website, which includes the eligibility of enrollment of only 11th and 12th graders.

e) *Dual Credit Sections*
Dual credit sections assigned to an STC Faculty and/or Dual Credit Faculty must have a minimum of ten (10) students enrolled in Academic sections and seven (7) in Career Technical Education sections. Dual credit sections with fewer than the minimum enrollment will be canceled by the advertised semester deadline. Dual Credit Programs will work with the School District to determine options to combine dual credit courses with partnering School District's approval, if available.

f) *Contingency of Enrollment*
Enrollment in dual credit courses is contingent upon **P-TECH School** students' maintaining scholastic progress standards as outlined in the College's Academic Catalog. The **P-TECH School** principal's office and counseling center, working with the College's Dual Credit Programs will maintain a schedule of courses that will be offered to every cohort class for planning and advising and share information regarding student enrollment.

g) *Student Attendance Policies*
P-TECH School students are required to maintain regular and punctual attendance in class and laboratories to meet the required number of contact hours per semester. Therefore, absences, dismissal of classes, and early release (except in emergency or inclement weather or when related to state-mandated assessment days), are in violation of the contract between **P-TECH School**, the College, and the Texas Higher Education Coordinating Board (THECB).

h) Student Composition of Class
As outlined in the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule 4.85, the school district may not enroll both dual credit and non-dual credit students in the same section unless the development of a high school credit-only class is not financially viable for the high school and only under one of the following conditions:

i. If the course is required for completion under State Board of Education High School graduation requirements, and the school is otherwise unable to offer such a course.

ii. If the high school credit-only students are College Board Advanced Placement or International Baccalaureate students.

iii. If the course is a career and technology/college workforce education course and the high
school credit-only students are eligible to earn articulated college credits.

i) Collaboration and Outreach Efforts (G1)
The College provides informational sessions for students and parents regarding dual credit opportunities, benefits, cost, and resources. Sessions are available throughout the academic year upon request by the School District. The College disseminates the most current dual credit information regarding enrollment, resources, and requirements for the program the College's dual credit website.

j) Advising (G3)

The College and the School District offer college advising services for dual credit students and the College offers a College Advising Training Program for High School District Counselors.

i. Advising responsibilities by the College and School District are delineated below:
- Plan, schedule and offer advising and student support throughout the academic year;
- Offer orientations and advising sessions that increase student's college knowledge and resources for new and continuing dual credit students;
- Serve as the designated college support services staff for advising dual credit students.

ii. The School District will provide the following services and resources:
- Provide facilities such as classrooms, computer labs, auditoriums or settings that will allow for the College to provide one-to-one advising, online advising or group type advising;
- Provide equipment such as computer technology to facilitate advising or meetings.
- Include and invite additional high school staff or district administration to participate or attend scheduled meetings, trainings or sessions.

In active collaboration with the College, the School District shall take whatever actions deemed reasonably necessary by the College to fully comply with the advising mandates delineated in TX SB 25 (2019) and TX SB 1324 (2019), which collectively address measures public institutions of higher education must take to facilitate successful transfer, academic progress, and timely graduation through, among other things, the filing of degree plans at certain milestones and the publication of course sequences. The College and the School District shall also take necessary actions to ensure compliance with any and all advising requirements of TX SB 1277 (2021), including but not limited to designating at least one employee from either institution to provide academic advising to any student who enrolls in a dual credit course before beginning the course.

k) Advising Students on Transferability and Applicability (G3)
The College will provide advising opportunities to students as to the transferability and applicability to baccalaureate degree plans of all college credit offered and earned.

l) Counseling and Student Accommodations
The College and the School District will adhere to Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (ADA), and the ADA Amendments Act of 2008.

The School District will be responsible for implementing policies and procedures to enable students to identify disability needs and to provide academic accommodations for dual credit students. If the class is taught at the high school by a Dual Credit Faculty, the School District's high school will be responsible to provide the academic accommodations. If the class is taught by a STC Faculty at the high school, the College Counselor will coordinate academic accommodations with the high school's Special Education Counselor. Students are not eligible to receive and/or otherwise utilize Individual Education Plans (IEP's) in Dual Credit courses. All procedures and guidelines are outlined in the College ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/index.html.

m) Pathways Alignment (G2)
The College provides a comprehensive guide to the alignment of High School endorsements, dual credit courses, post-secondary pathways, credentials at the institution, and industry certifications.

n) Transcription of Credit
The College and the School District will enter and record into their respective transcripts all credits earned for dual credit courses for both college credit and high school credit upon the student completion of the requirements for each course.

o) Commencement Ceremonies
To become eligible to participate in the College Commencement Ceremonies held in May, December, or at such time determined by the Board of Trustees, dual credit students must be enrolled in all final coursework for their declared program and all coursework must be completed at the end of the semester of graduation. Dual Credit students who are eligible to participate cannot defer participation to a later Commencement Ceremony date. The College Registrar is the Graduation Determination Official and has the final authority to determine dual credit eligibility for graduation and ceremony participation. Dual credit students must meet all graduation requirements as outlined in College Policy to be eligible for graduation and participation in the Commencement Ceremonies.

p) Student Conduct
All students, including dual credit students, are subject to discipline and appropriate sanctions ranging from verbal or written warning to suspension and expulsion from the College and all related programming, under the College's Student Handbook and Code of Student Conduct. The Code of Student Conduct is an articulation of the College's commitment to maintaining an environment that recognizes and supports the rights of its students, while providing a guide for defining behaviors the College considers inappropriate. Procedures, including a list of violations, potential sanctions, and a list of individual rights for each student, are listed in the College's Student Handbook, Chapter 2, Code of Student Conduct. Dual credit students who receive a sanction of suspension or expulsion from the College must be removed from the college course and placed in a high school credit course or a traditional high school setting by the School District and, in accordance with Texas State law, shall have a transcript notation of suspension or expulsion placed on their official record. On request by the student, the College may remove the notation from the official transcript. Further, the College reserves the right to refer cases to the Behavioral Intervention Team for review and threat assessment. An electronic copy of this Student Handbook and Code of Conduct may be accessed on following link:
https://www.southtexascollege.edu/pdf/student_code_of_conduct.pdf

q) *Student Complaints*
The College's Grievance and/or Complaint procedures for handling student complaints regarding college courses are applicable to all students, including those enrolled in dual credit courses. Dual credit students who would like to submit reports or complaints shall adhere to **Board TASB Policy *FLD — Student Rights and Responsibilities: Student Complaints*** and follow the relevant processes and procedures detailed in the College's ***Student Handbook*** and/or ***Employee Handbook***, depending on whether the report or complaint relates to another College student or a College employee. Generally, students should report complaints relating to a Dual Credit course to the College. If the student chooses to report to the School District, the School District shall promptly report the matter to the College. The College shall be responsible for implementing the College's Grievance

and/or Complaint procedures only if the College has jurisdiction to do so, including, but not limited to, jurisdiction over the educational program or activity, the complainant, and the respondent.

Student reports and complaints alleging sex-based discrimination, harassment, domestic violence, dating violence, stalking, or other sexual misconduct which targets a student in a Dual Credit course will be handled by the College in accordance with the policy and procedures outlined in ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence***. A student may report a grievance or complaint at the following link: https://www.southtexascollege.edu/report/index.html.

7) DATA SHARING

FERPA allows protected student data to be exchanged between the College and School District for students that are dually enrolled without requiring the consent of either the parents or the student under § 99.34. If the student is under 18, the parents still retain the right under FERPA to inspect and review any education records maintained by the School District, including records that the College disclosed. The College and the School District are expected to meet FERPA requirements to maintain the privacy of student data.

The College will provide data reports to the School District via standard reports as per identified timelines. These reports have been developed in an effort to provide required data in a timely manner to our partners with a signed (IA). The School District shall provide a primary and secondary contact, at the School District and at each high school, to receive data via a secure process from the College. These contacts will be responsible for distributing data securely within their assigned area and within FERPA guidelines. Any student level data received from the College shall not be shared outside the School District without prior authorization from the College.

The College partners may request data outside of the scheduled report distribution schedule provided:

- An (IA) has been executed and is active between the partner organization and the College
- The data request is submitted, at minimum, three (3) business days prior to the requested delivery date

PLEASE NOTE: Requests are **NOT** guaranteed to be delivered by the requested delivery date and may be delayed depending on the data team's existing request volume. Requests will be prioritized depending on identified need.

Partners may submit an e-mail request for reports to: dcdatarequest@southtexascollege.edu

8) RECOGNITION OF HIGHER EDUCATION PARTNER

The School District, when reporting and publicizing high school *students' completion* of dual credit **hours earned, number of courses completed, course types**, **degrees**, or **certificates**, will recognize all Higher Education partners, including South Texas College. Furthermore, when the School District advertises and/or publicizes including but not limited to, designations, awards received, tuition saved, and articles written in social media, television commercials and print ads for dual credit, the School District will recognize South Texas College as its Higher Education partner. The following statement must be included in all the School District's publications and/or advertisements in regards to the Dual Credit Programs:

"[ISD name] saves families hundreds of thousands of dollars in tuition and fees by collaborating

with South Texas College, our Higher Education partner, to offer college credit hours and college certificates and degrees.

In addition, the School District shall adhere to the format and style of all advertising, marketing, reporting, and publicity materials, which includes billboards, print ads, and television commercials, as set forth in the College's ***Branding, Marketing, and Advertising Guidelines for South Texas College Dual Credit Programs*** at https://admin.southtexascollege.edu/pr/dual-credit-marketing.html (see Exhibit A for Sample Recognition). Failure to follow this provision will result in a non-compliance notification as stated in Section 9 of this document.

9) ADMINISTRATION OF STATEWIDE INSTRUMENTS

P-TECH SCHOOL shall comply with State Board of Education rules regarding administration of the assessment instruments as required by Subchapter B, Chapter 39. In addition **P-TECH School** will administer a Texas Success Initiative (TSI) college placement exam to all incoming ninth (9^{th}) graders to assess college readiness and to enable students to begin college courses based on their performance as soon as students are able and ready. Subsequent dates for TSI college placement exams will be scheduled and provided by **P-TECH School.**

10) PROVISIONS FOR REVIEWING DATA FOR PROGRAM IMPROVEMENTS

School District and the College shall develop a plan for the evaluation of the Program to be completed each year based on the collection and review of data.

11) TITLE IX OF THE EDUCATION AMENDMENTS 1972

The School District will comply with Title IX of the Education Amendments 1972 (20 U.S.C. § 1681 et seq.) and its implementing regulations as stated in the College's ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence*** and the School District Title IX policy in resolving incidents and complaints. An electronic copy of the College's Board Policy may be accessed on following link: https://admin.southtexascollege.edu/president/policies/pdf/4000/4216.pdf.

Title IX of the Education Amendments of 1972 (20 U.S.C. s1681 et seq) and it's implementing regulations, 34 C.F.R. Part 107 (Title IX) state: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

Title IX resources, policies, and procedures, including the names and contact information of the Title IX Coordinator and any Title IX Deputy Coordinators for the College are located at the following link: https://www.southtexascollege.edu/about/notices/title-ix.html.

Together with the execution of this IA, the School District will, by completing Exhibit C hereto, designate a specific School District official **who is trained to investigate and address matters relating to Title IX and civil rights issues, including but not limited to Title VI and Title VII of the Civil Rights Act,** to serve as the authorized liaison with the South Texas College Office of Human Resources and/or the Title IX Coordinator.

Pursuant to the following protocol, the School District and the College will work in a collaborative and timely manner in connection with any claims or investigations arising under Section 8 of the South Texas College Dual Credit Programs IA, Exhibit C.

Title IX Protocol

a) The College and the School District acknowledge that jurisdiction over incidents falling within Title IX can be difficult to determine with respect to Dual Credit Programs, and sometimes jurisdiction is shared by both parties. This protocol is agreed to by the College and the School District to establish clarity and coordination with a set of consistent guidelines for each to follow. The general principle is one of establishing a nexus, and determining which party has the strongest nexus to the alleged misconduct, or whether a nexus reasonably exists with respect to the jurisdiction of both parties, in which case jurisdiction exists for both and in most cases will result in collaborative investigations and separate resolutions in accordance with the policies of each party. In all collaborative processes, the parties agree to share investigation-related information with each other to the extent permitted by law.

b) In any complaint where the law permits, the College and the School District agree to share information about the outcome of the complaint with the other party to the extent the outcome impacts the other party or its students/employees.

c) In any circumstance where the parties agree to do so, or where the respondent dual credit student or employee is arguably under the jurisdiction of both parties (regardless of who controls the venue), investigations can be conducted jointly with (at least) one representative from each party. The results of the investigation (one joint investigation report encompassing the policies of both parties) will be made available to both parties, with appropriate redactions as necessary. The parties may then each use the results of the investigation to pursue their own independent resolutions of the complaint. Where investigation procedures of the parties differ substantially, it may be impossible for a collaborative investigation to comply with both, in which case separate investigations should be conducted.

d) Where one party controls the venue of the alleged misconduct and the respondent is a student or employee of that same party, that party shall normally have primary jurisdiction over the complaint.

e) Where a party controls the venue in which the complainant is its student/employee and the respondent is the student or employee of another party, the complainant will have the right to file a complaint within the other party's grievance process. The party in which the complainant is enrolled is responsible for providing supportive measures to the complainant.

f) Where a party provides only instruction/credit for a course, and is not otherwise involved in any way in an act of misconduct, that party shall have no responsibility under this protocol except as policy otherwise requires (e.g., mandated reporting responsibilities).

g) Where a party controls only the venue of a course, and is not otherwise involved in any way in an act of misconduct, that party will review any needed remedial measures related to the safety of the venue and implement them accordingly.

h) Control:
    i. A party who controls the venue and the instruction, provides an employee for instruction, and provides credit for the course controls that course.
    ii. A party who provides instruction in the venue of the other party does not control that venue.

i) Each party's employees are expected/encouraged to participate as witnesses in any resolution process, as necessary.

j) Student:
   i. A student enrolled in a dual-credit/early college course is a student of both parties, regardless of which party has the primary relationship with the student.
   ii. Any party's policies and procedures will explicitly be made applicable to its students, including those who are dual-enrolled/participating in early college.

k) Imposing consequences on a respondent by two parties is appropriate when the student is enrolled within the educational program of both parties, though the parties can agree that only one party will enforce its policies and procedures in a given situation. In such situations, the parties may agree that the party with the primary relationship to the student will take the lead and/or enforce its policies and procedures, or that the party in whose program the incident took place will normally have primary jurisdiction.

l) Each course should clearly designate which party's educational program the course is part of, and/or whether more than one party is the sponsor/provider of a course.

12) PREGNANT AND PARENTING SERVICES

The College is committed to creating and maintaining an inclusive and accessible learning environment for all students. Title IX prohibits discrimination on the basis of sex – including pregnancy, parenting and all related conditions – in educational programs and activities that receive federal funding. In addition, pregnant and parenting students who are enrolled at public institutions of higher education are entitled to the protections set forth in the Texas Education Code including Sections 51.982 & 51.983.

For detailed information please visit the Pregnant and Parenting website at:
https://studentservices.southtexascollege.edu/disability/parenting.html

The South Texas College Pregnant and Parenting Liaison Officer is as follows:

Director of Counseling and Student Accessibility Services
Pecan Campus, K 2.900
McAllen, TX 78501
Phone: 956-872-2140
Email: santaep@southtexascollege.edu

For more information, please visit ***Board TASB Policy FAA (Local) — Equal Educational Opportunity: Pregnant and Parenting Students.***

13) NON-DISCRIMINATION

The College prohibits discrimination, including harassment, and sexual misconduct against any employee, applicant for employment, student or applicant for admission on the basis of any protected class or any other basis prohibited by law. Protected classes at the College include: race, color, national origin, religion, age, sex, sexual orientation, gender, gender identity, physical or mental disability, genetic information, veteran status or any other basis prohibited by law.

Discrimination is defined as prohibited conduct directed at an employee or student on the basis of race, color, national origin, religion, age, sex, including pregnancy and parental status, sexual orientation, gender, gender identity, physical or mental disability, genetic information, veteran status, or any other basis prohibited by law, that adversely affects the employee's employment or that adversely affects the student.

For more information, please visit ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence***.

14) DISCONTINUATION OF OPERATIONS

Should the School District or College elect to discontinue the operation of the **P-TECH School**, the provisions for serving the students will include the following:

a) Notification of the discontinuation of the operation should be communicated immediately to the partnering high school and College administration.
b) Based on the College's assessment, the last accepted cohort may be allowed to continue as designated until students phase out of the 12th grade.

While in the process of discontinuing operation, the Designated High School may not enroll any additional students in the designated program in grades that have been phased out. In addition, while the designated school is in the process of discontinuing operation, the designated program must continue to meet all of the required design elements and provide full support for all students enrolled in the designated program as mandated by the Texas Education Agency and other regulating partners such as Educate Texas.

15) INTERLOCAL AGREEMENT(IA)

This IA may be amended by mutual written agreement of both parties.

The College and the School District reserve the right to terminate this IA, by notice from either party in accordance with this IA or by operation of law. The College or the School District may terminate the IA no fewer than ninety (90) days prior to end of the semester during which notice was given. To be effective, notice must be submitted in writing, signed by the College President or the School District Superintendent and personally delivered to the other party to this IA.

16) NOTIFICATIONS OF NON-COMPLIANCE AND TERMINIATION OF AGREEMENT

If a party fail to comply with any provision of this IA, the other party may issue a Notification of Non-Compliance (Notice). The Notice shall be in writing and shall describe in detail the nature of the alleged non-compliance. The Notice will be provided to the College President or to the School District Superintendent for review and action. Failure to correct any condition of non-compliance within ten (10) business days following receipt of the Notice may, at the option of the party which sent the Notice, result in termination of this IA at the end of the semester during which the Notice was sent. Any provision in this IA which requires performance by either party after the termination of this IA including, without limitation, confidentiality obligations, limitations of liability, and exclusions of damages, and any other provision or partial provision that by its nature would reasonably extend beyond the termination of this IA, shall be and remain enforceable after such termination of this IA for any reason whatsoever.

IN WITNESS THEREOF, the parties have duly approved this Interlocal Agreement, executed in duplicate originals on this ____ day of _____, 2025.

SOUTH TEXAS COLLEGE

Interlocal Agreement

South Texas College

Mission CISD – Mission Veterans Memorial Early College High School

SOUTH TEXAS COLLEGE (herein called the "College") and **Mission CISD** (herein called the "School District") enter into the following Interlocal Agreement (IA), and for the terms of which WITNESS THE FOLLOWING:

TERM
This IA shall be in effect from August 18, 2025 to August 18, 2026, and posted during this term on the College's and School District's respective internet websites.

IA PURPOSE
The purpose of this IA is to outline the roles and responsibilities of the College and the School District that participate in Dual Credit Programs Designated High Schools. The IA references Texas Education Agency requirement of the House Bill 1638: Statewide Dual Credit Goals (herein called the "G1-4"). An additional Dual Credit Programs IA is required by the Texas Higher Education Coordinating Board (THECB).

PREAMBLE
WHEREAS the parties to this IA desire to establish **Mission Veterans Memorial Early College High School** ("**Early College High School**"), serving grades 9-12, and provide dual enrollment for academic dual credit college courses for high school students free of charge. The student population of the **Early College High School** will be composed of underserved and underrepresented high school students (grades 9-12); consisting of students who are at-risk, economically disadvantaged, first-generation college goers, English learners, and students with disabilities. Potential students for the **Early College High School** may be screened and selected through the use of a lottery system that encourages and considers applications from all students. All students will have an equal opportunity for acceptance, regardless of background or academic performance.

WHEREAS Early College High Schools are small schools with enrollments between 400-500 or fewer students (100-125 students per grade cohort) which provide students the opportunity to earn both a high school diploma and up to two years of transferable college credits (60), certificate level degree, an associate's degree, and/or at least 60 credit hours towards a baccalaureate degree during grades 9-12. and;

WHEREAS Early College High Schools prepare this population of high school students for successful career and educational futures through a full integration of high school, college, high demand/high skill career preparation, improved academic performance, and increase high school and college/university completion rates;

WHEREAS both **Early College High School** and the College are willing and able to participate in the facilitation of this program to benefit the students they both seek to assist.

NOW, THEREFORE**,** in consideration of the covenants, and conditions and provisions set forth herein, the parties hereto agree as follows:

1) STATEMENT OF GENERAL DUTIES AND OBLIGATIONS

a) The Early College High School established under this agreement will be governed by state and federal laws and regulations, school district, and college policies and requirements. The School District shall apply to the Texas Education Agency (TEA) for the establishment and approval of an Early College High School designation. Prior to the yearly designation renewal submission to TEA, the School District shall notify the College of any additional Institution of Higher Education partnership(s), which may impact the continuance of this agreement.

b) A Leadership Team comprised of members of the School District and the College will meet regularly as mutually agreed to by both parties to plan and make decisions about the design and fidelity of the implementation of the Early College High School Benchmarks. The team will work collaboratively to meet established benchmarks in: (1) Target Population, (2) Partnership Agreement, (3) P-16 Leadership Initiatives, (4) Curriculum and Support, (5) Academic Rigor and Readiness, and (6) School Design. As the school moves through the implementation process and scales up to serve grades 9-12th new topics will be addressed to include, but not limited to community partnerships, dual credit, student support systems and expanding the college culture. The Leadership Team will also address issues of sustainability such as regularly reviewing the IA, discussing budget and cost arrangements, planning for leadership change in the School District and the College if it applies and expanding and enhancing the partnership.

2) ACADEMIC POLICIES & PROCEDURES

Academic policies and procedures applicable to regular college courses and students will also apply to dual credit courses and dual credit students. A degree plan with a defined sequence of courses will be available through Degree Works for all dual credit students.

The School District acknowledges that the College is in the process of replacing its existing Board Policies. As the existing Policies are retired and replaced, the College shall notify the School District and provide a copy of the replacement policy. If necessary, the College and the School District will modify this IA to incorporate the new policies.

a) Faculty Qualification, Selection, Supervision, and Evaluation

The College has established an approval process for selecting and/or approving qualified School District faculty (those approved will herein be called "Dual Credit Faculty") to teach dual credit course(s). Each approved Dual Credit Faculty will be supervised by the College's respective department chair or designee and be evaluated and monitored to ensure the quality of instruction and compliance with the College's policies and procedures in accordance with the standards established by the State of Texas and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). The School District will provide and be responsible for the evaluation and assessment of Dual Credit Faculty for high school credit-only courses conducted at the **Early College High School.** For a comprehensive view of the Faculty Credentials and Qualification, Selection, Supervision, and Evaluation process, refer to the ***Dual Credit Programs Instructional and Quality Standards Manual - Academic Affairs Division.***

b) Professional Development

Early College High School and the College shall provide opportunities for Dual Credit Faculty to collaborate through planning, teaching, and professional development. The School District will allow release time from School District duties for all Dual Credit Faculty to attend required College departmental meetings, discipline and course-specific College professional development training, and the two Dual Credit professional development days organized by the College held on the Saturday before each full semester begins. The

department chairs will provide the meeting schedule to the Dual Credit Faculty before the beginning of the semester, so that the Dual Credit Faculty can coordinate with their teaching responsibilities at the high school to attend the required meetings. **Early College High School** will provide common planning time for Dual Credit Faculty.

3) LOCATION, FACILITIES, COSTS AND TRANSPORTATION

Dual credit courses will be held at approved instructional sites in accordance with SACSCOC standards and College policies.

The Designated Texas Education Agency high school site, **Mission Veterans Memorial Early College High School** is located at: **700 E. Mile 2 Rd. Mission, TX 78574**

a) Facilities

The School District will work with the College to ensure that the School District's facilities meet the expectations and criteria required for college classes and are appropriate for college-level instruction by the first day of class including the following:

- School District will ensure that College Faculty and dual credit students have appropriate access to all available instructional facilities, resources, and essential technology;
- School District will permit access to the College's electronic learning resources and school library spaces when the course is taught at the School District;
- School District offering science or Career and Technical courses will meet all applicable laboratory safety standards and obtain and install all material/equipment required to meet such standards prior to the first-class day. School District will ensure proper maintenance of all lab material/equipment that is used for the College courses offered by the School District in a manner that complies with the College's program requirement; and
- School District will permit the College to perform safety audits and inspections in dual credit classrooms and laboratories.

b) School District instructors approved by the College to be Dual Credit Faculty and approved to teach college level courses will be paid a stipend by the College per class, per semester, as outlined in the College ***Dual Credit Programs Instructional and Quality Standards Manual.***

c) Tuition and Fees (G1)

The College waives student tuition for dual credit "S" section college courses. College provides students access to college resources, and support services at no cost. The School District will be charged tuition and fees as outlined in ***Board Approved Dual Credit Students Sponsored by Partnering School Districts Tuition and Fees FY 2025-2026***.

d) Eligibility of Students for Financial Assistance

Early College High School students are eligible for financial assistance for courses taken outside of the course offerings at **Early College High School**. Tuition is waived when students enroll in dual credit "S" section courses within their selected degree plans. Dual Credit "S" section courses can be taken during a regular (fall or spring) semester or summer and may include non-traditional offerings such as distance learning courses. Enrollment in courses outside of the student's selected degree plan is prohibited by the College.

e) Faculty Charges

When the College provides the faculty for a dual credit course, including courses given via distance learning, the School District is responsible for the mileage and faculty cost as

stipulated in the Dual Credit Course Agreement (DCCA). If the School District cancels a dual credit course with an assigned College Faculty after August 8, 2025 (Fall semester), January 9, 2026 (Spring semester), May 22, 2026 (Summer I/III semester), and June 19, 2026 (Summer II semester), a Late Dual Credit Section Cancellation Fee will be assessed.

f) Transportation

The School District will provide transportation to students enrolled at **Early College High School** in accordance with State law and School District rules and procedures. The School District will also provide transportation for all **Early College High School** field trips and project-based learning activities. Students enrolled in dual credit courses at the College may be transported by the School District.

4) COURSE CURRICULUM, INSTRUCTION, AND GRADING

School Districts that participate in the Dual Credit Programs Designated High Schools at the College will comply with procedures and guidelines as published in the ***Dual Credit Programs Principal Agreement*** and the ***Dual Credit Programs Instructional and Quality Standards Manual***, including the following:

a) Academic Instructional Calendar

Dual credit classes will follow the College Academic Calendar. Exceptions may be arranged through collaboration between the College and the School District. When the requested exception involves the Final Exam Schedule for full semester classes, the College Department Chair and Division Dean will be involved in any decision. The College requires that the Division Dean approve any exception. Notification of conflicts between mandatory State testing and final exams must be made well in advance of final exams. College courses and exams should take reasonable priority over School District activities.

b) Course of Study

The **Early College High School** and the College shall provide a course of study that enables a participating student to receive a high school diploma and either a certificate level degree, an associate's degree or 60 semester hours that are transferable and applicable towards a baccalaureate degree during grades 9-12. **Early College High School** students will receive an academic degree plan upon the completion of a career and program of study interest inventory. During a student's senior year, or after completion of the Core Curriculum, courses for field of study programs can be completed according to the College's suggestion of course sequencing. Such courses shall have been evaluated and approved through the official College curriculum approval process and shall be taught at the College level. The College does not offer kinesiology, guided studies, competency-based or developmental courses for dual credit.

c) Curriculum Alignment (G4)

The **Early College High School** and College shall provide a rigorous course of study that enables a participating student to receive a high school diploma and complete the Texas Higher Education Coordinating Board's (THECB) core curriculum as defined by the Texas Administrative Code (TAC 4.28), certificate level degree, an associate's degree or at least 60 credit hours towards a baccalaureate degree during grades 9-12. The **Early College High School** will provide students with academic, social, and emotional support during their course of study. The College will regularly update the **Early College High School** counselor and principal regarding College curricular changes. **Early College High School** is responsible for ensuring that state course requirements for high school graduation are fulfilled. The **Early College High School** and College will establish a course equivalency crosswalk and will be

updated as required. The College's Catalog identifies the number of credits that may be earned for each college course offered at **Early College High School.**

d) Books and Supplemental Materials
The School District will provide textbooks for each registered student, along with equipment, and supplemental materials required for the cohort (S sections) classes. The College will consider the use of free open educational resources or low-cost educational resources in courses offered under the program for the School District. College-approved textbooks purchased by the School District as required for a college course are allowed to be used for four (4) years. Chairs may request a change of textbooks earlier than four (4) years, if the textbooks are for technology-based courses or with reasonable justification. Required textbooks and materials shall be available to each registered student on the first-class day. Exceptions must be discussed with the Associate Vice President for Dual Credit Programs and the Department Chair.

e) Grading Periods and Policies
Faculty will follow the College Grading System as stated in the College's ***Board TASB Policy EGA — Academic Achievement: Grading and Credit***, as well as the grading criteria in the department approved syllabus. **Early College High School** students will be informed by the instructor of academic progress/grade status prior to the Last Day to Drop/Withdraw at the College. **Early College High School** students struggling to maintain a passing grade will be advised by the instructor or the high school counselor to withdraw from the college course in order to avoid future problems related to admissions, financial aid, and scholarships. Withdrawal from the college course does not result in a withdrawal from the high school course. **Early College High School** personnel are responsible for advising dual credit students concerning academic progress in the high school component of the course.

f) Reporting Required: Critical Student Performance Information
The College has developed guidelines for sharing critical student performance information when needed for high school reporting.

STC Faculty

- Will only provide the School District with final course numeric grades, based on a standard 100-point scale upon the School District's request. Such requests must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week.
- Will not be required to submit a midterm course grade.
- Will provide the following Starfish Early Alert Surveys:
    - Fall 2025 and Spring 2026: First Week Attendance Verification, and two Progress Surveys (Weeks 5-6 & Weeks 11-12)
    - Summer 2026: First Week Attendance Verification, and one Progress Survey (Week 3)

Dual Credit Faculty

- Will comply with the guidelines relating to reporting requirements and responsibilities of the Dual Credit Faculty regarding parental inquiries, progress reports, and disciplinary matters which are found in the ***Dual Credit Programs Instructional and Quality Standards Manual*.**

g) Submission of College Grade
The primary responsibility for assigning College grades in a dual credit course belongs to the faculty member. Therefore, in the absence of compelling evidence of discrimination, differential treatment, or procedural irregularities, the decision of the faculty member

responsible for the course shall be final. College and School District officials will not unreasonably interfere with the faculty member's authority to assign College grades. The final course grade submitted for the College will be a letter grade. A numeric grade based on a standard 100-point scale will be provided by STC Faculty,-upon the School District's request. Such request must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week. The final course grade recorded for the College will be a letter grade and for the high school a numeric grade that may differ from the College letter grade.

5) **DUAL CREDIT POLICIES**

This IA is subject to the following policies:

i. ***Board Policy #3230 Dual Credit Programs with Partnering School Districts***

ii. ***Board Policy #3232 Dual Credit Student Eligibility Requirements***

iii. ***Board TASB Policy EGA: Academic Achievement — Grading and Credit***

iv. ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships***

6) **STUDENT ENROLLMENT AND SUPPORT SERVICES**

Upon mutual agreement, the College will assist with enrollment at least once per semester for all students who are qualified and wish to enroll in academic dual credit courses. **Early College High School** students must meet the same requirements and pre-requisites as all College students for college classes. Academic placement is based on the College adopted TSI scores. **Early College High School** students are required to meet TSI requirements when changes to the exemption scores occur at the State or College level to comply with policy.

a) Student Eligibility

The College requires the School District to follow all College enrollment procedures and guidelines for dual credit students. All procedures and guidelines are outlined in the College's ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/manuals.html.

All students must meet dual credit admissions and eligibility requirements as outlined by the THECB laws and regulations, the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule § 4.85, and as stated in the College's ***Board TASB Policy FB: Admissions.*** The School District will work with the College to make certain all dual credit students are enrolled by the first day of class to help ensure student success and to comply with the College Dual Credit Programs Admission and Registration Timeline. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/index.html.

High school students are eligible to participate in the Dual Credit Programs upon meeting the Texas Success Initiative (TSI) Assessment benchmark scores established by the THECB and the College dual credit course pre-requisites as published in the College's ***Dual Credit Programs Enrollment and Support Services Manual***.

Dual credit students must comply with the College's Academic Progress Standards as outlined in ***Board TASB Policy EGA: Academic Achievement – Grading and Credit*** and ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships.***

b) *Non-Degree Seeking*

For the academic year, participating districts may choose to pilot the non-degree seeking option at high school sites. Dual credit students selecting the non-degree seeking major may enroll in up to 15 credit hours of dual credit courses without fulfilling Texas Success Initiative (TSI) standards. Non-degree seeking students may not enroll in more than two dual credit courses per semester. Additionally, non-degree seeking dual credit students are not eligible to enroll in Regular (Non-S) sections.

Districts are encouraged to establish and implement internal screening requirements, while also recommending courses from the designated instructional plan. Additionally, Dual Credit Programs advisors are required to meet with non-degree seeking students before they complete the maximum of 15 credit hours.

c) *Degree seeking Course Load*

Degree seeking dual credit students may not enroll in college-level courses until the Spring semester of their 9th grade, and are then limited to no more than two (2) dual credit courses for that semester from an approved list of recommended courses. All 10th grade students will be limited to two (2) dual credit courses per Fall and Spring semester. All 11th and 12th grade students should not exceed four (4) dual credit courses per Fall and Spring semesters**.** Summer session enrollment is limited to two (2) dual credit courses for Summer Term I/III and two (2) dual credit courses for Summer Term II.

Dual credit students shall be limited to courses within their declared major and corresponding degree plan. Students who declare a major leading to a Career Technical Education (CTE) certificate or Associate degree, may also enroll in academic dual credit courses, limited to English 1301, Mathematics/Natural Science Electives, Humanities Electives, Social and Behavioral Electives, and other Associate of Applied Science (AAS) Electives needed to complete their Certificate and/or AAS degree, while not exceeding the limitation on dual credit courses per semester described below. Students may attempt a maximum of 68 credit hours, with the exception of students pursuing the Associate of Science in Mathematics, Associate of Science in Engineering and Associate of Science in Pre-Pharmacy. Course loads in excess of 68 credit hour maximum shall require approval by the Academic Affairs and Economic Development Division Designee. The Dual Credit Programs is subject to all applicable College policies and procedures.

d) *Non-S Section Enrollment*

Students who want to enroll in non-dual credit section(s) must be approved by the Academic Affairs and Economic Development Division Designee. Students can only be enrolled into courses within their current declared major. Any student approved to enroll in a non-dual credit section(s) will not be assessed the independent student tuition and fee rates based on the Board Approved Tuition & Fee Schedule. Dual credit students who do not receive approval to enroll in a non-dual credit section(s), may still enroll, but will be assessed the independent student tuition and fee based on the Board Approved Tuition & Fee table.

Non-S section requests for 10 or more students in the same course type during the same semester will require an “S” section to be created by the College. Criteria for “Non-S” section designation are available on the Dual Credit Programs website, which includes the eligibility of enrollment of only 11th and 12th graders.

e) *Dual Credit Sections*
Dual credit sections assigned to an STC Faculty and/or Dual Credit Faculty must have a minimum of ten (10) students enrolled in Academic sections and seven (7) in Career Technical Education sections. Dual credit sections with fewer than the minimum enrollment will be canceled by the advertised semester deadline. Dual Credit Programs will work with the School District to determine options to combine dual credit courses with partnering School District's approval, if available.

f) *Contingency of Enrollment*
Enrollment in dual credit courses is contingent upon **Early College High School** students' maintaining scholastic progress standards as outlined in the College's Academic Catalog. The **Early College High School** principal's office and counseling center, working with the College's Dual Credit Programs will maintain a schedule of courses that will be offered to every cohort class for planning and advising and share information regarding student enrollment.

g) *Student Attendance Policies*
Early College High School students are required to maintain regular and punctual attendance in class and laboratories to meet the required number of contact hours per semester. Therefore, absences, dismissal of classes, and early release (except in emergency or inclement weather or when related to state-mandated assessment days), are in violation of the contract between **Early College High School**, the College, and the Texas Higher Education Coordinating Board (THECB).

h) Student Composition of Class
As outlined in the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule 4.85, the school district may not enroll both dual credit and non-dual credit students in the same section unless the development of a high school credit-only class is not financially viable for the high school and only under one of the following conditions:

i. If the course is required for completion under State Board of Education High School graduation requirements, and the school is otherwise unable to offer such a course.

ii. If the high school credit-only students are College Board Advanced Placement or International Baccalaureate students.

iii. If the course is a career and technology/college workforce education course and the high school credit-only students are eligible to earn articulated college credits.

i) Collaboration and Outreach Efforts (G1)
The College provides informational sessions for students and parents regarding dual credit opportunities, benefits, cost, and resources. Sessions are available throughout the academic year upon request by the School District. The College disseminates the most current dual credit information regarding enrollment, resources, and requirements for the program the College's dual credit website.

j) Advising (G3)
The College and the School District offer college advising services for dual credit students and the College offers a College Advising Training Program for High School District Counselors.

i. Advising responsibilities by the College and School District are delineated below:
- Plan, schedule and offer advising and student support throughout the academic year;
- Offer orientations and advising sessions that increase student's college knowledge and resources for new and continuing dual credit students;
- Serve as the designated college support services staff for advising dual credit students.

ii. The School District will provide the following services and resources:
- Provide facilities such as classrooms, computer labs, auditoriums or settings that will allow for the College to provide one-to-one advising, online advising or group type advising;
- Provide equipment such as computer technology to facilitate advising or meetings.
- Include and invite additional high school staff or district administration to participate or attend scheduled meetings, trainings or sessions.

In active collaboration with the College, the School District shall take whatever actions deemed reasonably necessary by the College to fully comply with the advising mandates delineated in TX SB 25 (2019) and TX SB 1324 (2019), which collectively address measures public institutions of higher education must take to facilitate successful transfer, academic progress, and timely graduation through, among other things, the filing of degree plans at certain milestones and the publication of course sequences. The College and the School District shall also take necessary actions to ensure compliance with any and all advising requirements of TX SB 1277 (2021), including but not limited to designating at least one employee from either institution to provide academic advising to any student who enrolls in a dual credit course before beginning the course.

k) Advising Students on Transferability and Applicability (G3)
The College will provide advising opportunities to students as to the transferability and applicability to baccalaureate degree plans of all college credit offered and earned.

l) Counseling and Student Accommodations
The College and the School District will adhere to Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (ADA), and the ADA Amendments Act of 2008.

The School District will be responsible for implementing policies and procedures to enable students to identify disability needs and to provide academic accommodations for dual credit students. If the class is taught at the high school by a Dual Credit Faculty, the School District's high school will be responsible to provide the academic accommodations. If the class is taught by a STC Faculty at the high school, the College Counselor will coordinate academic accommodations with the high school's Special Education Counselor. Students are not eligible to receive and/or otherwise utilize Individual Education Plans (IEP's) in Dual Credit courses. All procedures and guidelines are outlined in the College ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/index.html.

m) Pathways Alignment (G2)
The College provides a comprehensive guide to the alignment of High School endorsements, dual credit courses, post-secondary pathways, credentials at the institution, and industry certifications.

n) Transcription of Credit

The College and the School District will enter and record into their respective transcripts all credits earned for dual credit courses for both college credit and high school credit upon the student completion of the requirements for each course.

o) Commencement Ceremonies

To become eligible to participate in the College Commencement Ceremonies held in May, December, or at such time determined by the Board of Trustees, dual credit students must be enrolled in all final coursework for their declared program and all coursework must be completed at the end of the semester of graduation. Dual Credit students who are eligible to participate cannot defer participation to a later Commencement Ceremony date. The College Registrar is the Graduation Determination Official and has the final authority to determine dual credit eligibility for graduation and ceremony participation. Dual credit students must meet all graduation requirements as outlined in College Policy to be eligible for graduation and participation in the Commencement Ceremonies.

p) Student Conduct

All students, including dual credit students, are subject to discipline and appropriate sanctions ranging from verbal or written warning to suspension and expulsion from the College and all related programming, under the College's Student Handbook and Code of Student Conduct. The Code of Student Conduct is an articulation of the College's commitment to maintaining an environment that recognizes and supports the rights of its students, while providing a guide for defining behaviors the College considers inappropriate. Procedures, including a list of violations, potential sanctions, and a list of individual rights for each student, are listed in the College's Student Handbook, Chapter 2, Code of Student Conduct. Dual credit students who receive a sanction of suspension or expulsion from the College must be removed from the college course and placed in a high school credit course or a traditional high school setting by the School District and, in accordance with Texas State law, shall have a transcript notation of suspension or expulsion placed on their official record. On request by the student, the College may remove the notation from the official transcript. Further, the College reserves the right to refer cases to the Behavioral Intervention Team for review and threat assessment. An electronic copy of this Student Handbook and Code of Conduct may be accessed on following link:
https://www.southtexascollege.edu/pdf/student_code_of_conduct.pdf

q) *Student Complaints*

The College's Grievance and/or Complaint procedures for handling student complaints regarding college courses are applicable to all students, including those enrolled in dual credit courses. Dual credit students who would like to submit reports or complaints shall adhere to **Board TASB Policy *FLD — Student Rights and Responsibilities: Student Complaints*** and follow the relevant processes and procedures detailed in the College's ***Student Handbook*** and/or ***Employee Handbook***, depending on whether the report or complaint relates to another College student or a College employee. Generally, students should report complaints relating to a Dual Credit course to the College. If the student chooses to report to the School District, the School District shall promptly report the matter to the College. The College shall be responsible for implementing the College's Grievance and/or Complaint procedures only if the College has jurisdiction to do so, including, but not limited to, jurisdiction over the educational program or activity, the complainant, and the respondent.

Student reports and complaints alleging sex-based discrimination, harassment, domestic violence, dating violence, stalking, or other sexual misconduct which targets a student in a Dual Credit course will be handled by the College in accordance with the policy and procedures outlined in ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence***. A student may report a grievance or complaint at the following link: https://www.southtexascollege.edu/report/index.html.

7) DATA SHARING

FERPA allows protected student data to be exchanged between the College and School District for students that are dually enrolled without requiring the consent of either the parents or the student under § 99.34. If the student is under 18, the parents still retain the right under FERPA to inspect and review any education records maintained by the School District, including records that the College disclosed. The College and the School District are expected to meet FERPA requirements to maintain the privacy of student data.

The College will provide data reports to the School District via standard reports as per identified timelines. These reports have been developed in an effort to provide required data in a timely manner to our partners with a signed (IA). The School District shall provide a primary and secondary contact, at the School District and at each high school, to receive data via a secure process from the College. These contacts will be responsible for distributing data securely within their assigned area and within FERPA guidelines. Any student level data received from the College shall not be shared outside the School District without prior authorization from the College.

The College partners may request data outside of the scheduled report distribution schedule provided:

- An (IA) has been executed and is active between the partner organization and the College
- The data request is submitted, at minimum, three (3) business days prior to the requested delivery date

PLEASE NOTE: Requests are **NOT** guaranteed to be delivered by the requested delivery date and may be delayed depending on the data team's existing request volume. Requests will be prioritized depending on identified need.

Partners may submit an e-mail request for reports to: dcdatarequest@southtexascollege.edu

8) RECOGNITION OF HIGHER EDUCATION PARTNER

The School District, when reporting and publicizing high school *students' completion* of dual credit **hours earned, number of courses completed, course types**, **degrees**, or **certificates**, will recognize all Higher Education partners, including South Texas College. Furthermore, when the School District advertises and/or publicizes including but not limited to, designations, awards received, tuition saved, and articles written in social media, television commercials and print ads for dual credit, the School District will recognize South Texas College as its Higher Education partner. The following statement must be included in all the School District's publications and/or advertisements in regard to the Dual Credit Programs:

"[ISD name] saves families hundreds of thousands of dollars in tuition and fees by collaborating with South Texas College, our Higher Education partner, to offer college credit hours and college certificates and degrees.

In addition, the School District shall adhere to the format and style of all advertising, marketing,

reporting, and publicity materials, which includes billboards, print ads, and television commercials, as set forth in the College's ***Branding, Marketing, and Advertising Guidelines for South Texas College Dual Credit Programs*** at https://admin.southtexascollege.edu/pr/dual-credit-marketing.html (see Exhibit A for Sample Recognition). Failure to follow this provision will result in a non-compliance notification as stated in Section 9 of this document.

9) ADMINISTRATION OF STATEWIDE INSTRUMENTS

Early College High School shall comply with State Board of Education rules regarding administration of the assessment instruments as required by Subchapter B, Chapter 39. In addition **Early College High School** will administer a Texas Success Initiative (TSI) college placement exam to all incoming ninth (9^{th}) graders to assess college readiness and to enable students to begin college courses based on their performance as soon as students are able and ready. Subsequent dates for TSI college placement exams will be scheduled and provided by **Early College High School.**

10) PROVISIONS FOR REVIEWING DATA FOR PROGRAM IMPROVEMENTS

School District and the College shall develop a plan for the evaluation of the Program to be completed each year based on the collection and review of data.

11) TITLE IX OF THE EDUCATION AMENDMENTS 1972

The School District will comply with Title IX of the Education Amendments 1972 (20 U.S.C. § 1681 et seq.) and its implementing regulations as stated in the College's ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence*** and the School District Title IX policy in resolving incidents and complaints. An electronic copy of the College's Board Policy may be accessed on following link: https://admin.southtexascollege.edu/president/policies/pdf/4000/4216.pdf.

Title IX of the Education Amendments of 1972 (20 U.S.C. s1681 et seq) and it's implementing regulations, 34 C.F.R. Part 107 (Title IX) state: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

Title IX resources, policies, and procedures, including the names and contact information of the Title IX Coordinator and any Title IX Deputy Coordinators for the College are located at the following link: https://www.southtexascollege.edu/about/notices/title-ix.html.

Together with the execution of this IA, the School District will, by completing Exhibit C hereto, designate a specific School District official **who is trained to investigate and address matters relating to Title IX and civil rights issues, including but not limited to Title VI and Title VII of the Civil Rights Act,** to serve as the authorized liaison with the South Texas College Office of Human Resources and/or the Title IX Coordinator.

Pursuant to the following protocol, the School District and the College will work in a collaborative and timely manner in connection with any claims or investigations arising under Section 8 of the South Texas College Dual Credit Programs IA, Exhibit C.

Title IX Protocol

a) The College and the School District acknowledge that jurisdiction over incidents falling within Title IX can be difficult to determine with respect to Dual Credit Programs, and sometimes jurisdiction is shared by both parties. This protocol is agreed

to by the College and the School District to establish clarity and coordination with a set of consistent guidelines for each to follow. The general principle is one of establishing a nexus, and determining which party has the strongest nexus to the alleged misconduct, or whether a nexus reasonably exists with respect to the jurisdiction of both parties, in which case jurisdiction exists for both and in most cases will result in collaborative investigations and separate resolutions in accordance with the policies of each party. In all collaborative processes, the parties agree to share investigation-related information with each other to the extent permitted by law.

b) In any complaint where the law permits, the College and the School District agree to share information about the outcome of the complaint with the other party to the extent the outcome impacts the other party or its students/employees.

c) In any circumstance where the parties agree to do so, or where the respondent dual credit student or employee is arguably under the jurisdiction of both parties (regardless of who controls the venue), investigations can be conducted jointly with (at least) one representative from each party. The results of the investigation (one joint investigation report encompassing the policies of both parties) will be made available to both parties, with appropriate redactions as necessary. The parties may then each use the results of the investigation to pursue their own independent resolutions of the complaint. Where investigation procedures of the parties differ substantially, it may be impossible for a collaborative investigation to comply with both, in which case separate investigations should be conducted.

d) Where one party controls the venue of the alleged misconduct and the respondent is a student or employee of that same party, that party shall normally have primary jurisdiction over the complaint.

e) Where a party controls the venue in which the complainant is its student/employee and the respondent is the student or employee of another party, the complainant will have the right to file a complaint within the other party's grievance process. The party in which the complainant is enrolled is responsible for providing supportive measures to the complainant.

f) Where a party provides only instruction/credit for a course, and is not otherwise involved in any way in an act of misconduct, that party shall have no responsibility under this protocol except as policy otherwise requires (e.g., mandated reporting responsibilities).

g) Where a party controls only the venue of a course, and is not otherwise involved in any way in an act of misconduct, that party will review any needed remedial measures related to the safety of the venue and implement them accordingly.

h) Control:
    i. A party who controls the venue and the instruction, provides an employee for instruction, and provides credit for the course controls that course.
    ii. A party who provides instruction in the venue of the other party does not control that venue.

i) Each party's employees are expected/encouraged to participate as witnesses in any resolution process, as necessary.

j) Student:
   i. A student enrolled in a dual-credit/early college course is a student of both parties, regardless of which party has the primary relationship with the student.
   ii. Any party's policies and procedures will explicitly be made applicable to its students, including those who are dual-enrolled/participating in early college.

k) Imposing consequences on a respondent by two parties is appropriate when the student is enrolled within the educational program of both parties, though the parties can agree that only one party will enforce its policies and procedures in a given situation. In such situations, the parties may agree that the party with the primary relationship to the student will take the lead and/or enforce its policies and procedures, or that the party in whose program the incident took place will normally have primary jurisdiction.

l) Each course should clearly designate which party's educational program the course is part of, and/or whether more than one party is the sponsor/provider of a course.

12) PREGNANT AND PARENTING SERVICES

The College is committed to creating and maintaining an inclusive and accessible learning environment for all students. Title IX prohibits discrimination on the basis of sex – including pregnancy, parenting and all related conditions – in educational programs and activities that receive federal funding. In addition, pregnant and parenting students who are enrolled at public institutions of higher education are entitled to the protections set forth in the Texas Education Code including Sections 51.982 & 51.983.

For detailed information please visit the Pregnant and Parenting website at:
https://studentservices.southtexascollege.edu/disability/parenting.html

The South Texas College Pregnant and Parenting Liaison Officer is as follows:
Santa Elisa Peña, M. Ed., LPC-S
Director of Counseling and Student Accessibility Services
Pecan Campus, K 2.900
McAllen, TX 78501
Phone: 956-872-2140
Email: santaep@southtexascollege.edu

For more information, please visit ***Board TASB Policy FAA (Local) — Equal Educational Opportunity: Pregnant and Parenting Students.***

13) NON-DISCRIMINATION

The College prohibits discrimination, including harassment, and sexual misconduct against any employee, applicant for employment, student or applicant for admission on the basis of any protected class or any other basis prohibited by law. Protected classes at the College include: race, color, national origin, religion, age, sex, sexual orientation, gender, gender identity, physical or mental disability, genetic information, veteran status or any other basis prohibited by law.

Discrimination is defined as prohibited conduct directed at an employee or student on the basis of race, color, national origin, religion, age, sex, including pregnancy and parental status, sexual

orientation, gender, gender identity, physical or mental disability, genetic information, veteran status, or any other basis prohibited by law, that adversely affects the employee's employment or that adversely affects the student.

For more information, please visit ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence.***

14) DISCONTINUATION OF OPERATIONS

Should the School District or College elect to discontinue the operation of the **Early College High School**, the provisions for serving the students will include the following:

a) Notification of the discontinuation of the operation should be communicated immediately to the partnering high school and College administration.
b) Based on the College's assessment, the last accepted cohort may be allowed to continue as designated until students phase out of the 12th grade.

While in the process of discontinuing operation, the Designated High School may not enroll any additional students in the designated program in grades that have been phased out. In addition, while the designated school is in the process of discontinuing operation, the designated program must continue to meet all of the required design elements and provide full support for all students enrolled in the designated program as mandated by the Texas Education Agency and other regulating partners such as Educate Texas.

15) INTERLOCAL AGREEMENT(IA)

This IA may be amended by mutual written agreement of both parties.

The College and the School District reserve the right to terminate this IA, by notice from either party in accordance with this IA or by operation of law. The College or the School District may terminate the IA no fewer than ninety (90) days prior to end of the semester during which notice was given. To be effective, notice must be submitted in writing, signed by the College President or the School District Superintendent and personally delivered to the other party to this IA.

16) NOTIFICATIONS OF NON-COMPLIANCE AND TERMINIATION OF AGREEMENT

If a party fail to comply with any provision of this IA, the other party may issue a Notification of Non-Compliance (Notice). The Notice shall be in writing and shall describe in detail the nature of the alleged non-compliance. The Notice will be provided to the College President or to the School District Superintendent for review and action. Failure to correct any condition of non-compliance within ten (10) business days following receipt of the Notice may, at the option of the party which sent the Notice, result in termination of this IA at the end of the semester during which the Notice was sent. Any provision in this IA which requires performance by either party after the termination of this IA including, without limitation, confidentiality obligations, limitations of liability, and exclusions of damages, and any other provision or partial provision that by its nature would reasonably extend beyond the termination of this IA, shall be and remain enforceable after such termination of this IA for any reason whatsoever.

IN WITNESS THEREOF, the parties have duly approved this Interlocal Agreement, executed in duplicate originals on this ____ day of _____, 2025.

SOUTH TEXAS COLLEGE

Interlocal Agreement

South Texas College

Mission CISD – Mission Collegiate High School

SOUTH TEXAS COLLEGE (herein called the "College") and **Mission CISD** (herein called the "School District") enter into the following Interlocal Agreement (IA), and for the terms of which WITNESS THE FOLLOWING:

TERM
This IA shall be in effect from August 18, 2025 to August 18, 2026, and posted during this term on the College's and School District's respective internet websites.

IA PURPOSE
The purpose of this IA is to outline the roles and responsibilities of the College and the School District that participate in Dual Credit Programs Designated High Schools. The IA references Texas Education Agency requirement of the House Bill 1638: Statewide Dual Credit Goals (herein called the "G1-4"). An additional Dual Credit Programs IA is required by the Texas Higher Education Coordinating Board (THECB).

PREAMBLE
WHEREAS the parties to this IA desire to establish **Mission Collegiate High School** ("**Early College High School**"), serving grades 9-12, and provide dual enrollment for academic dual credit college courses for high school students free of charge. The student population of the **Early College High School** will be composed of underserved and underrepresented high school students (grades 9-12); consisting of students who are at-risk, economically disadvantaged, first-generation college goers, English learners, and students with disabilities. Potential students for the **Early College High School** may be screened and selected through the use of a lottery system that encourages and considers applications from all students. All students will have an equal opportunity for acceptance, regardless of background or academic performance.

WHEREAS Early College High Schools are small schools with enrollments between 400-500 or fewer students (100-125 students per grade cohort) which provide students the opportunity to earn both a high school diploma and up to two years of transferable college credits (60), certificate level degree, an associate's degree, and/or at least 60 credit hours towards a baccalaureate degree during grades 9-12. and;

WHEREAS Early College High Schools prepare this population of high school students for successful career and educational futures through a full integration of high school, college, high demand/high skill career preparation, improved academic performance, and increase high school and college/university completion rates;

WHEREAS both **Early College High School** and the College are willing and able to participate in the facilitation of this program to benefit the students they both seek to assist.

NOW, THEREFORE**,** in consideration of the covenants, and conditions and provisions set forth herein, the parties hereto agree as follows:

1) STATEMENT OF GENERAL DUTIES AND OBLIGATIONS

a) The Early College High School established under this agreement will be governed by state and federal laws and regulations, school district, and college policies and requirements. The School District shall apply to the Texas Education Agency (TEA) for the establishment and approval of an Early College High School designation. Prior to the yearly designation renewal submission to TEA, the School District shall notify the College of any additional Institution of Higher Education partnership(s), which may impact the continuance of this agreement.

b) A Leadership Team comprised of members of the School District and the College will meet regularly as mutually agreed to by both parties to plan and make decisions about the design and fidelity of the implementation of the Early College High School Benchmarks. The team will work collaboratively to meet established benchmarks in: (1) Target Population, (2) Partnership Agreement, (3) P-16 Leadership Initiatives, (4) Curriculum and Support, (5) Academic Rigor and Readiness, and (6) School Design. As the school moves through the implementation process and scales up to serve grades 9-12th new topics will be addressed to include, but not limited to community partnerships, dual credit, student support systems and expanding the college culture. The Leadership Team will also address issues of sustainability such as regularly reviewing the IA, discussing budget and cost arrangements, planning for leadership change in the School District and the College if it applies and expanding and enhancing the partnership.

2) ACADEMIC POLICIES & PROCEDURES

Academic policies and procedures applicable to regular college courses and students will also apply to dual credit courses and dual credit students. A degree plan with a defined sequence of courses will be available through Degree Works for all dual credit students.

The School District acknowledges that the College is in the process of replacing its existing Board Policies. As the existing Policies are retired and replaced, the College shall notify the School District and provide a copy of the replacement policy. If necessary, the College and the School District will modify this IA to incorporate the new policies.

a) Faculty Qualification, Selection, Supervision, and Evaluation

The College has established an approval process for selecting and/or approving qualified School District faculty (those approved will herein be called "Dual Credit Faculty") to teach dual credit course(s). Each approved Dual Credit Faculty will be supervised by the College's respective department chair or designee and be evaluated and monitored to ensure the quality of instruction and compliance with the College's policies and procedures in accordance with the standards established by the State of Texas and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). The School District will provide and be responsible for the evaluation and assessment of Dual Credit Faculty for high school credit-only courses conducted at the **Early College High School.** For a comprehensive view of the Faculty Credentials and Qualification, Selection, Supervision, and Evaluation process, refer to the ***Dual Credit Programs Instructional and Quality Standards Manual - Academic Affairs Division.***

b) Professional Development

Early College High School and the College shall provide opportunities for Dual Credit Faculty to collaborate through planning, teaching, and professional development. The School District will allow release time from School District duties for all Dual Credit Faculty to attend required College departmental meetings, discipline and course-specific College professional development training, and the two Dual Credit professional development days organized by the College held on the Saturday before each full semester begins. The

department chairs will provide the meeting schedule to the Dual Credit Faculty before the beginning of the semester, so that the Dual Credit Faculty can coordinate with their teaching responsibilities at the high school to attend the required meetings. **Early College High School** will provide common planning time for Dual Credit Faculty.

3) LOCATION, FACILITIES, COSTS AND TRANSPORTATION

Dual credit courses will be held at approved instructional sites in accordance with SACSCOC standards and College policies.

The Designated Texas Education Agency high school site, **Mission Collegiate High School** is located at: **605 S. Los Ebanos Blvd. Alton, TX 78573**

a) Facilities

The School District will work with the College to ensure that the School District's facilities meet the expectations and criteria required for college classes and are appropriate for college-level instruction by the first day of class including the following:

- School District will ensure that College Faculty and dual credit students have appropriate access to all available instructional facilities, resources, and essential technology;
- School District will permit access to the College's electronic learning resources and school library spaces when the course is taught at the School District;
- School District offering science or Career and Technical courses will meet all applicable laboratory safety standards and obtain and install all material/equipment required to meet such standards prior to the first-class day. School District will ensure proper maintenance of all lab material/equipment that is used for the College courses offered by the School District in a manner that complies with the College's program requirement; and
- School District will permit the College to perform safety audits and inspections in dual credit classrooms and laboratories.

b) School District instructors approved by the College to be Dual Credit Faculty and approved to teach college level courses will be paid a stipend by the College per class, per semester, as outlined in the College ***Dual Credit Programs Instructional and Quality Standards Manual.***

c) Tuition and Fees (G1)

The College waives student tuition for dual credit "S" section college courses. College provides students access to college resources, and support services at no cost. The School District will be charged tuition and fees as outlined in ***Board Approved Dual Credit Students Sponsored by Partnering School Districts Tuition and Fees FY 2025-2026***.

d) Eligibility of Students for Financial Assistance

Early College High School students are eligible for financial assistance for courses taken outside of the course offerings at **Early College High School**. Tuition is waived when students enroll in dual credit "S" section courses within their selected degree plans. Dual Credit "S" section courses can be taken during a regular (fall or spring) semester or summer and may include non-traditional offerings such as distance learning courses. Enrollment in courses outside of the student's selected degree plan is prohibited by the College.

e) Faculty Charges

When the College provides the faculty for a dual credit course, including courses given via distance learning, the School District is responsible for the mileage and faculty cost as

stipulated in the Dual Credit Course Agreement (DCCA). If the School District cancels a dual credit course with an assigned College Faculty after August 8, 2025 (Fall semester), January 9, 2026 (Spring semester), May 22, 2026 (Summer I/III semester), and June 19, 2026 (Summer II semester), a Late Dual Credit Section Cancellation Fee will be assessed.

f) Transportation

The School District will provide transportation to students enrolled at **Early College High School** in accordance with State law and School District rules and procedures. The School District will also provide transportation for all **Early College High School** field trips and project-based learning activities. Students enrolled in dual credit courses at the College may be transported by the School District.

4) COURSE CURRICULUM, INSTRUCTION, AND GRADING

School Districts that participate in the Dual Credit Programs Designated High Schools at the College will comply with procedures and guidelines as published in the ***Dual Credit Programs Principal Agreement*** and the ***Dual Credit Programs Instructional and Quality Standards Manual***, including the following:

a) Academic Instructional Calendar

Dual credit classes will follow the College Academic Calendar. Exceptions may be arranged through collaboration between the College and the School District. When the requested exception involves the Final Exam Schedule for full semester classes, the College Department Chair and Division Dean will be involved in any decision. The College requires that the Division Dean approve any exception. Notification of conflicts between mandatory State testing and final exams must be made well in advance of final exams. College courses and exams should take reasonable priority over School District activities.

b) Course of Study

The **Early College High School** and the College shall provide a course of study that enables a participating student to receive a high school diploma and either a certificate level degree, an associate's degree or 60 semester hours that are transferable and applicable towards a baccalaureate degree during grades 9-12. **Early College High School** students will receive an academic degree plan upon the completion of a career and program of study interest inventory. During a student's senior year, or after completion of the Core Curriculum, courses for field of study programs can be completed according to the College's suggestion of course sequencing. Such courses shall have been evaluated and approved through the official College curriculum approval process and shall be taught at the College level. The College does not offer kinesiology, guided studies, competency-based or developmental courses for dual credit.

c) Curriculum Alignment (G4)

The **Early College High School** and College shall provide a rigorous course of study that enables a participating student to receive a high school diploma and complete the Texas Higher Education Coordinating Board's (THECB) core curriculum as defined by the Texas Administrative Code (TAC 4.28), certificate level degree, an associate's degree or at least 60 credit hours towards a baccalaureate degree during grades 9-12. The **Early College High School** will provide students with academic, social, and emotional support during their course of study. The College will regularly update the **Early College High School** counselor and principal regarding College curricular changes. **Early College High School** is responsible for ensuring that state course requirements for high school graduation are fulfilled. The **Early College High School** and College will establish a course equivalency crosswalk and will be

updated as required. The College's Catalog identifies the number of credits that may be earned for each college course offered at **Early College High School.**

d) Books and Supplemental Materials
The School District will provide textbooks for each registered student, along with equipment, and supplemental materials required for the cohort (S sections) classes. The College will consider the use of free open educational resources or low-cost educational resources in courses offered under the program for the School District. College-approved textbooks purchased by the School District as required for a college course are allowed to be used for four (4) years. Chairs may request a change of textbooks earlier than four (4) years, if the textbooks are for technology-based courses or with reasonable justification. Required textbooks and materials shall be available to each registered student on the first-class day. Exceptions must be discussed with the Associate Vice President for Dual Credit Programs and the Department Chair.

e) Grading Periods and Policies
Faculty will follow the College Grading System as stated in the College's ***Board TASB Policy EGA — Academic Achievement: Grading and Credit***, as well as the grading criteria in the department approved syllabus. **Early College High School** students will be informed by the instructor of academic progress/grade status prior to the Last Day to Drop/Withdraw at the College. **Early College High School** students struggling to maintain a passing grade will be advised by the instructor or the high school counselor to withdraw from the college course in order to avoid future problems related to admissions, financial aid, and scholarships. Withdrawal from the college course does not result in a withdrawal from the high school course. **Early College High School** personnel are responsible for advising dual credit students concerning academic progress in the high school component of the course.

f) Reporting Required: Critical Student Performance Information
The College has developed guidelines for sharing critical student performance information when needed for high school reporting.

STC Faculty

- Will only provide the School District with final course numeric grades, based on a standard 100-point scale upon the School District's request. Such requests must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week.
- Will not be required to submit a midterm course grade.
- Will provide the following Starfish Early Alert Surveys:
    - Fall 2025 and Spring 2026: First Week Attendance Verification, and two Progress Surveys (Weeks 5-6 & Weeks 11-12)
    - Summer 2026: First Week Attendance Verification, and one Progress Survey (Week 3)

Dual Credit Faculty

- Will comply with the guidelines relating to reporting requirements and responsibilities of the Dual Credit Faculty regarding parental inquiries, progress reports, and disciplinary matters which are found in the ***Dual Credit Programs Instructional and Quality Standards Manual*.**

g) Submission of College Grade
The primary responsibility for assigning College grades in a dual credit course belongs to the faculty member. Therefore, in the absence of compelling evidence of discrimination, differential treatment, or procedural irregularities, the decision of the faculty member

responsible for the course shall be final. College and School District officials will not unreasonably interfere with the faculty member's authority to assign College grades. The final course grade submitted for the College will be a letter grade. A numeric grade based on a standard 100-point scale will be provided by STC Faculty,-upon the School District's request. Such request must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week. The final course grade recorded for the College will be a letter grade and for the high school a numeric grade that may differ from the College letter grade.

5) **DUAL CREDIT POLICIES**

This IA is subject to the following policies:

i. ***Board Policy #3230 Dual Credit Programs with Partnering School Districts***

ii. ***Board Policy #3232 Dual Credit Student Eligibility Requirements***

iii. ***Board TASB Policy EGA: Academic Achievement — Grading and Credit***

iv. ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships***

6) **STUDENT ENROLLMENT AND SUPPORT SERVICES**

Upon mutual agreement, the College will assist with enrollment at least once per semester for all students who are qualified and wish to enroll in academic dual credit courses. **Early College High School** students must meet the same requirements and pre-requisites as all College students for college classes. Academic placement is based on the College adopted TSI scores. **Early College High School** students are required to meet TSI requirements when changes to the exemption scores occur at the State or College level to comply with policy.

a) Student Eligibility

The College requires the School District to follow all College enrollment procedures and guidelines for dual credit students. All procedures and guidelines are outlined in the College's ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/manuals.html.

All students must meet dual credit admissions and eligibility requirements as outlined by the THECB laws and regulations, the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule § 4.85, and as stated in the College's ***Board TASB Policy FB: Admissions.*** The School District will work with the College to make certain all dual credit students are enrolled by the first day of class to help ensure student success and to comply with the College Dual Credit Programs Admission and Registration Timeline. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/index.html.

High school students are eligible to participate in the Dual Credit Programs upon meeting the Texas Success Initiative (TSI) Assessment benchmark scores established by the THECB and the College dual credit course pre-requisites as published in the College's ***Dual Credit Programs Enrollment and Support Services Manual***.

Dual credit students must comply with the College's Academic Progress Standards as outlined in ***Board TASB Policy EGA: Academic Achievement – Grading and Credit*** and ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships.***

b) *Non-Degree Seeking*

For the academic year, participating districts may choose to pilot the non-degree seeking option at high school sites. Dual credit students selecting the non-degree seeking major may enroll in up to 15 credit hours of dual credit courses without fulfilling Texas Success Initiative (TSI) standards. Non-degree seeking students may not enroll in more than two dual credit courses per semester. Additionally, non-degree seeking dual credit students are not eligible to enroll in Regular (Non-S) sections.

Districts are encouraged to establish and implement internal screening requirements, while also recommending courses from the designated instructional plan. Additionally, Dual Credit Programs advisors are required to meet with non-degree seeking students before they complete the maximum of 15 credit hours.

c) *Degree seeking Course Load*

Degree seeking dual credit students may not enroll in college-level courses until the Spring semester of their 9th grade, and are then limited to no more than two (2) dual credit courses for that semester from an approved list of recommended courses. All 10th grade students will be limited to two (2) dual credit courses per Fall and Spring semester. All 11th and 12th grade students should not exceed four (4) dual credit courses per Fall and Spring semesters**.** Summer session enrollment is limited to two (2) dual credit courses for Summer Term I/III and two (2) dual credit courses for Summer Term II.

Dual credit students shall be limited to courses within their declared major and corresponding degree plan. Students who declare a major leading to a Career Technical Education (CTE) certificate or Associate degree, may also enroll in academic dual credit courses, limited to English 1301, Mathematics/Natural Science Electives, Humanities Electives, Social and Behavioral Electives, and other Associate of Applied Science (AAS) Electives needed to complete their Certificate and/or AAS degree, while not exceeding the limitation on dual credit courses per semester described below. Students may attempt a maximum of 68 credit hours, with the exception of students pursuing the Associate of Science in Mathematics, Associate of Science in Engineering and Associate of Science in Pre-Pharmacy. Course loads in excess of 68 credit hour maximum shall require approval by the Academic Affairs and Economic Development Division Designee. The Dual Credit Programs is subject to all applicable College policies and procedures.

d) *Non-S Section Enrollment*

Students who want to enroll in non-dual credit section(s) must be approved by the Academic Affairs and Economic Development Division Designee. Students can only be enrolled into courses within their current declared major. Any student approved to enroll in a non-dual credit section(s) will not be assessed the independent student tuition and fee rates based on the Board Approved Tuition & Fee Schedule. Dual credit students who do not receive approval to enroll in a non-dual credit section(s), may still enroll, but will be assessed the independent student tuition and fee based on the Board Approved Tuition & Fee table.

Non-S section requests for 10 or more students in the same course type during the same semester will require an “S” section to be created by the College. Criteria for “Non-S” section designation are available on the Dual Credit Programs website, which includes the eligibility of enrollment of only 11th and 12th graders.

e) *Dual Credit Sections*
Dual credit sections assigned to an STC Faculty and/or Dual Credit Faculty must have a minimum of ten (10) students enrolled in Academic sections and seven (7) in Career Technical Education sections. Dual credit sections with fewer than the minimum enrollment will be canceled by the advertised semester deadline. Dual Credit Programs will work with the School District to determine options to combine dual credit courses with partnering School District's approval, if available.

f) *Contingency of Enrollment*
Enrollment in dual credit courses is contingent upon **Early College High School** students' maintaining scholastic progress standards as outlined in the College's Academic Catalog. The **Early College High School** principal's office and counseling center, working with the College's Dual Credit Programs will maintain a schedule of courses that will be offered to every cohort class for planning and advising and share information regarding student enrollment.

g) *Student Attendance Policies*
Early College High School students are required to maintain regular and punctual attendance in class and laboratories to meet the required number of contact hours per semester. Therefore, absences, dismissal of classes, and early release (except in emergency or inclement weather or when related to state-mandated assessment days), are in violation of the contract between **Early College High School**, the College, and the Texas Higher Education Coordinating Board (THECB).

h) Student Composition of Class
As outlined in the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule 4.85, the school district may not enroll both dual credit and non-dual credit students in the same section unless the development of a high school credit-only class is not financially viable for the high school and only under one of the following conditions:

i. If the course is required for completion under State Board of Education High School graduation requirements, and the school is otherwise unable to offer such a course.

ii. If the high school credit-only students are College Board Advanced Placement or International Baccalaureate students.

iii. If the course is a career and technology/college workforce education course and the high school credit-only students are eligible to earn articulated college credits.

i) Collaboration and Outreach Efforts (G1)
The College provides informational sessions for students and parents regarding dual credit opportunities, benefits, cost, and resources. Sessions are available throughout the academic year upon request by the School District. The College disseminates the most current dual credit information regarding enrollment, resources, and requirements for the program the College's dual credit website.

j) Advising (G3)
The College and the School District offer college advising services for dual credit students and the College offers a College Advising Training Program for High School District Counselors.

i. Advising responsibilities by the College and School District are delineated below:
- Plan, schedule and offer advising and student support throughout the academic year;
- Offer orientations and advising sessions that increase student's college knowledge and resources for new and continuing dual credit students;
- Serve as the designated college support services staff for advising dual credit students.

ii. The School District will provide the following services and resources:
- Provide facilities such as classrooms, computer labs, auditoriums or settings that will allow for the College to provide one-to-one advising, online advising or group type advising;
- Provide equipment such as computer technology to facilitate advising or meetings.
- Include and invite additional high school staff or district administration to participate or attend scheduled meetings, trainings or sessions.

In active collaboration with the College, the School District shall take whatever actions deemed reasonably necessary by the College to fully comply with the advising mandates delineated in TX SB 25 (2019) and TX SB 1324 (2019), which collectively address measures public institutions of higher education must take to facilitate successful transfer, academic progress, and timely graduation through, among other things, the filing of degree plans at certain milestones and the publication of course sequences. The College and the School District shall also take necessary actions to ensure compliance with any and all advising requirements of TX SB 1277 (2021), including but not limited to designating at least one employee from either institution to provide academic advising to any student who enrolls in a dual credit course before beginning the course.

k) Advising Students on Transferability and Applicability (G3)
The College will provide advising opportunities to students as to the transferability and applicability to baccalaureate degree plans of all college credit offered and earned.

l) Counseling and Student Accommodations
The College and the School District will adhere to Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (ADA), and the ADA Amendments Act of 2008.

The School District will be responsible for implementing policies and procedures to enable students to identify disability needs and to provide academic accommodations for dual credit students. If the class is taught at the high school by a Dual Credit Faculty, the School District's high school will be responsible to provide the academic accommodations. If the class is taught by a STC Faculty at the high school, the College Counselor will coordinate academic accommodations with the high school's Special Education Counselor. Students are not eligible to receive and/or otherwise utilize Individual Education Plans (IEP's) in Dual Credit courses. All procedures and guidelines are outlined in the College ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/index.html.

m) Pathways Alignment (G2)
The College provides a comprehensive guide to the alignment of High School endorsements, dual credit courses, post-secondary pathways, credentials at the institution, and industry certifications.

n) Transcription of Credit

The College and the School District will enter and record into their respective transcripts all credits earned for dual credit courses for both college credit and high school credit upon the student completion of the requirements for each course.

o) Commencement Ceremonies

To become eligible to participate in the College Commencement Ceremonies held in May, December, or at such time determined by the Board of Trustees, dual credit students must be enrolled in all final coursework for their declared program and all coursework must be completed at the end of the semester of graduation. Dual Credit students who are eligible to participate cannot defer participation to a later Commencement Ceremony date. The College Registrar is the Graduation Determination Official and has the final authority to determine dual credit eligibility for graduation and ceremony participation. Dual credit students must meet all graduation requirements as outlined in College Policy to be eligible for graduation and participation in the Commencement Ceremonies.

p) Student Conduct

All students, including dual credit students, are subject to discipline and appropriate sanctions ranging from verbal or written warning to suspension and expulsion from the College and all related programming, under the College's Student Handbook and Code of Student Conduct. The Code of Student Conduct is an articulation of the College's commitment to maintaining an environment that recognizes and supports the rights of its students, while providing a guide for defining behaviors the College considers inappropriate. Procedures, including a list of violations, potential sanctions, and a list of individual rights for each student, are listed in the College's Student Handbook, Chapter 2, Code of Student Conduct. Dual credit students who receive a sanction of suspension or expulsion from the College must be removed from the college course and placed in a high school credit course or a traditional high school setting by the School District and, in accordance with Texas State law, shall have a transcript notation of suspension or expulsion placed on their official record. On request by the student, the College may remove the notation from the official transcript. Further, the College reserves the right to refer cases to the Behavioral Intervention Team for review and threat assessment. An electronic copy of this Student Handbook and Code of Conduct may be accessed on following link:
https://www.southtexascollege.edu/pdf/student_code_of_conduct.pdf

q) *Student Complaints*

The College's Grievance and/or Complaint procedures for handling student complaints regarding college courses are applicable to all students, including those enrolled in dual credit courses. Dual credit students who would like to submit reports or complaints shall adhere to **Board TASB Policy *FLD — Student Rights and Responsibilities: Student Complaints*** and follow the relevant processes and procedures detailed in the College's ***Student Handbook*** and/or ***Employee Handbook***, depending on whether the report or complaint relates to another College student or a College employee. Generally, students should report complaints relating to a Dual Credit course to the College. If the student chooses to report to the School District, the School District shall promptly report the matter to the College. The College shall be responsible for implementing the College's Grievance and/or Complaint procedures only if the College has jurisdiction to do so, including, but not limited to, jurisdiction over the educational program or activity, the complainant, and the respondent.

Student reports and complaints alleging sex-based discrimination, harassment, domestic violence, dating violence, stalking, or other sexual misconduct which targets a student in a Dual Credit course will be handled by the College in accordance with the policy and procedures outlined in ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence***. A student may report a grievance or complaint at the following link: https://www.southtexascollege.edu/report/index.html.

7) DATA SHARING

FERPA allows protected student data to be exchanged between the College and School District for students that are dually enrolled without requiring the consent of either the parents or the student under § 99.34. If the student is under 18, the parents still retain the right under FERPA to inspect and review any education records maintained by the School District, including records that the College disclosed. The College and the School District are expected to meet FERPA requirements to maintain the privacy of student data.

The College will provide data reports to the School District via standard reports as per identified timelines. These reports have been developed in an effort to provide required data in a timely manner to our partners with a signed (IA). The School District shall provide a primary and secondary contact, at the School District and at each high school, to receive data via a secure process from the College. These contacts will be responsible for distributing data securely within their assigned area and within FERPA guidelines. Any student level data received from the College shall not be shared outside the School District without prior authorization from the College.

The College partners may request data outside of the scheduled report distribution schedule provided:

- An (IA) has been executed and is active between the partner organization and the College
- The data request is submitted, at minimum, three (3) business days prior to the requested delivery date

PLEASE NOTE: Requests are **NOT** guaranteed to be delivered by the requested delivery date and may be delayed depending on the data team's existing request volume. Requests will be prioritized depending on identified need.

Partners may submit an e-mail request for reports to: dcdatarequest@southtexascollege.edu

8) RECOGNITION OF HIGHER EDUCATION PARTNER

The School District, when reporting and publicizing high school *students' completion* of dual credit **hours earned, number of courses completed, course types**, **degrees**, or **certificates**, will recognize all Higher Education partners, including South Texas College. Furthermore, when the School District advertises and/or publicizes including but not limited to, designations, awards received, tuition saved, and articles written in social media, television commercials and print ads for dual credit, the School District will recognize South Texas College as its Higher Education partner. The following statement must be included in all the School District's publications and/or advertisements in regard to the Dual Credit Programs:

"[ISD name] saves families hundreds of thousands of dollars in tuition and fees by collaborating with South Texas College, our Higher Education partner, to offer college credit hours and college certificates and degrees.

In addition, the School District shall adhere to the format and style of all advertising, marketing,

reporting, and publicity materials, which includes billboards, print ads, and television commercials, as set forth in the College's ***Branding, Marketing, and Advertising Guidelines for South Texas College Dual Credit Programs*** at https://admin.southtexascollege.edu/pr/dual-credit-marketing.html (see Exhibit A for Sample Recognition). Failure to follow this provision will result in a non-compliance notification as stated in Section 9 of this document.

9) ADMINISTRATION OF STATEWIDE INSTRUMENTS

Early College High School shall comply with State Board of Education rules regarding administration of the assessment instruments as required by Subchapter B, Chapter 39. In addition **Early College High School** will administer a Texas Success Initiative (TSI) college placement exam to all incoming ninth (9^{th}) graders to assess college readiness and to enable students to begin college courses based on their performance as soon as students are able and ready. Subsequent dates for TSI college placement exams will be scheduled and provided by **Early College High School.**

10) PROVISIONS FOR REVIEWING DATA FOR PROGRAM IMPROVEMENTS

School District and the College shall develop a plan for the evaluation of the Program to be completed each year based on the collection and review of data.

11) TITLE IX OF THE EDUCATION AMENDMENTS 1972

The School District will comply with Title IX of the Education Amendments 1972 (20 U.S.C. § 1681 et seq.) and its implementing regulations as stated in the College's ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence*** and the School District Title IX policy in resolving incidents and complaints. An electronic copy of the College's Board Policy may be accessed on following link: https://admin.southtexascollege.edu/president/policies/pdf/4000/4216.pdf.

Title IX of the Education Amendments of 1972 (20 U.S.C. s1681 et seq) and it's implementing regulations, 34 C.F.R. Part 107 (Title IX) state: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

Title IX resources, policies, and procedures, including the names and contact information of the Title IX Coordinator and any Title IX Deputy Coordinators for the College are located at the following link: https://www.southtexascollege.edu/about/notices/title-ix.html.

Together with the execution of this IA, the School District will, by completing Exhibit C hereto, designate a specific School District official **who is trained to investigate and address matters relating to Title IX and civil rights issues, including but not limited to Title VI and Title VII of the Civil Rights Act,** to serve as the authorized liaison with the South Texas College Office of Human Resources and/or the Title IX Coordinator.

Pursuant to the following protocol, the School District and the College will work in a collaborative and timely manner in connection with any claims or investigations arising under Section 8 of the South Texas College Dual Credit Programs IA, Exhibit C.

Title IX Protocol

a) The College and the School District acknowledge that jurisdiction over incidents falling within Title IX can be difficult to determine with respect to Dual Credit Programs, and sometimes jurisdiction is shared by both parties. This protocol is agreed

to by the College and the School District to establish clarity and coordination with a set of consistent guidelines for each to follow. The general principle is one of establishing a nexus, and determining which party has the strongest nexus to the alleged misconduct, or whether a nexus reasonably exists with respect to the jurisdiction of both parties, in which case jurisdiction exists for both and in most cases will result in collaborative investigations and separate resolutions in accordance with the policies of each party. In all collaborative processes, the parties agree to share investigation-related information with each other to the extent permitted by law.

b) In any complaint where the law permits, the College and the School District agree to share information about the outcome of the complaint with the other party to the extent the outcome impacts the other party or its students/employees.

c) In any circumstance where the parties agree to do so, or where the respondent dual credit student or employee is arguably under the jurisdiction of both parties (regardless of who controls the venue), investigations can be conducted jointly with (at least) one representative from each party. The results of the investigation (one joint investigation report encompassing the policies of both parties) will be made available to both parties, with appropriate redactions as necessary. The parties may then each use the results of the investigation to pursue their own independent resolutions of the complaint. Where investigation procedures of the parties differ substantially, it may be impossible for a collaborative investigation to comply with both, in which case separate investigations should be conducted.

d) Where one party controls the venue of the alleged misconduct and the respondent is a student or employee of that same party, that party shall normally have primary jurisdiction over the complaint.

e) Where a party controls the venue in which the complainant is its student/employee and the respondent is the student or employee of another party, the complainant will have the right to file a complaint within the other party's grievance process. The party in which the complainant is enrolled is responsible for providing supportive measures to the complainant.

f) Where a party provides only instruction/credit for a course, and is not otherwise involved in any way in an act of misconduct, that party shall have no responsibility under this protocol except as policy otherwise requires (e.g., mandated reporting responsibilities).

g) Where a party controls only the venue of a course, and is not otherwise involved in any way in an act of misconduct, that party will review any needed remedial measures related to the safety of the venue and implement them accordingly.

h) Control:
    i. A party who controls the venue and the instruction, provides an employee for instruction, and provides credit for the course controls that course.
    ii. A party who provides instruction in the venue of the other party does not control that venue.

i) Each party's employees are expected/encouraged to participate as witnesses in any resolution process, as necessary.

j) Student:
   i. A student enrolled in a dual-credit/early college course is a student of both parties, regardless of which party has the primary relationship with the student.
   ii. Any party's policies and procedures will explicitly be made applicable to its students, including those who are dual-enrolled/participating in early college.

k) Imposing consequences on a respondent by two parties is appropriate when the student is enrolled within the educational program of both parties, though the parties can agree that only one party will enforce its policies and procedures in a given situation. In such situations, the parties may agree that the party with the primary relationship to the student will take the lead and/or enforce its policies and procedures, or that the party in whose program the incident took place will normally have primary jurisdiction.

l) Each course should clearly designate which party's educational program the course is part of, and/or whether more than one party is the sponsor/provider of a course.

12) PREGNANT AND PARENTING SERVICES

The College is committed to creating and maintaining an inclusive and accessible learning environment for all students. Title IX prohibits discrimination on the basis of sex – including pregnancy, parenting and all related conditions – in educational programs and activities that receive federal funding. In addition, pregnant and parenting students who are enrolled at public institutions of higher education are entitled to the protections set forth in the Texas Education Code including Sections 51.982 & 51.983.

For detailed information please visit the Pregnant and Parenting website at:

13) NON-DISCRIMINATION

The College prohibits discrimination, including harassment, and sexual misconduct against any employee, applicant for employment, student or applicant for admission on the basis of any protected class or any other basis prohibited by law. Protected classes at the College include: race, color, national origin, religion, age, sex, sexual orientation, gender, gender identity, physical or mental disability, genetic information, veteran status or any other basis prohibited by law.

Discrimination is defined as prohibited conduct directed at an employee or student on the basis of race, color, national origin, religion, age, sex, including pregnancy and parental status, sexual

orientation, gender, gender identity, physical or mental disability, genetic information, veteran status, or any other basis prohibited by law, that adversely affects the employee's employment or that adversely affects the student.

For more information, please visit ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence.***

14) DISCONTINUATION OF OPERATIONS

Should the School District or College elect to discontinue the operation of the **Early College High School**, the provisions for serving the students will include the following:

a) Notification of the discontinuation of the operation should be communicated immediately to the partnering high school and College administration.
b) Based on the College's assessment, the last accepted cohort may be allowed to continue as designated until students phase out of the 12th grade.

While in the process of discontinuing operation, the Designated High School may not enroll any additional students in the designated program in grades that have been phased out. In addition, while the designated school is in the process of discontinuing operation, the designated program must continue to meet all of the required design elements and provide full support for all students enrolled in the designated program as mandated by the Texas Education Agency and other regulating partners such as Educate Texas.

15) INTERLOCAL AGREEMENT(IA)

This IA may be amended by mutual written agreement of both parties.

The College and the School District reserve the right to terminate this IA, by notice from either party in accordance with this IA or by operation of law. The College or the School District may terminate the IA no fewer than ninety (90) days prior to end of the semester during which notice was given. To be effective, notice must be submitted in writing, signed by the College President or the School District Superintendent and personally delivered to the other party to this IA.

16) NOTIFICATIONS OF NON-COMPLIANCE AND TERMINIATION OF AGREEMENT

If a party fail to comply with any provision of this IA, the other party may issue a Notification of Non-Compliance (Notice). The Notice shall be in writing and shall describe in detail the nature of the alleged non-compliance. The Notice will be provided to the College President or to the School District Superintendent for review and action. Failure to correct any condition of non-compliance within ten (10) business days following receipt of the Notice may, at the option of the party which sent the Notice, result in termination of this IA at the end of the semester during which the Notice was sent. Any provision in this IA which requires performance by either party after the termination of this IA including, without limitation, confidentiality obligations, limitations of liability, and exclusions of damages, and any other provision or partial provision that by its nature would reasonably extend beyond the termination of this IA, shall be and remain enforceable after such termination of this IA for any reason whatsoever.

IN WITNESS THEREOF, the parties have duly approved this Interlocal Agreement, executed in duplicate originals on this ____ day of _____, 2025.

SOUTH TEXAS COLLEGE

Interlocal Agreement

South Texas College

Mission CISD – Mission Career Tech Early College

SOUTH TEXAS COLLEGE (herein called the "College") and **Mission CISD** (herein called the "School District") enter into the following Interlocal Agreement (IA), and for the terms of which WITNESS THE FOLLOWING:

TERM
This IA shall be in effect from August 18, 2025 to August 18, 2026, and posted during this term on the College's and School District's respective internet websites.

IA PURPOSE
The purpose of this IA is to outline the roles and responsibilities of the College and the School District that participate in Dual Credit Programs Designated High Schools. The IA references Texas Education Agency requirement of the House Bill 1638: Statewide Dual Credit Goals (herein called the "G1-4"). An additional Dual Credit Programs IA is required by the Texas Higher Education Coordinating Board (THECB).

PREAMBLE
WHEREAS the parties to this IA desire to establish **Mission Career Tech Early College** ("**Early College High School**"), serving grades 9-12, and provide dual enrollment for academic dual credit college courses for high school students free of charge. The student population of the **Early College High School** will be composed of underserved and underrepresented high school students (grades 9-12); consisting of students who are at-risk, economically disadvantaged, first-generation college goers, English learners, and students with disabilities. Potential students for the **Early College High School** may be screened and selected through the use of a lottery system that encourages and considers applications from all students. All students will have an equal opportunity for acceptance, regardless of background or academic performance.

WHEREAS Early College High Schools are small schools with enrollments between 400-500 or fewer students (100-125 students per grade cohort) which provide students the opportunity to earn both a high school diploma and up to two years of transferable college credits (60), certificate level degree, an associate's degree, and/or at least 60 credit hours towards a baccalaureate degree during grades 9-12. and;

WHEREAS Early College High Schools prepare this population of high school students for successful career and educational futures through a full integration of high school, college, high demand/high skill career preparation, improved academic performance, and increase high school and college/university completion rates;

WHEREAS both **Early College High School** and the College are willing and able to participate in the facilitation of this program to benefit the students they both seek to assist.

NOW, THEREFORE**,** in consideration of the covenants, and conditions and provisions set forth herein, the parties hereto agree as follows:

1) STATEMENT OF GENERAL DUTIES AND OBLIGATIONS

a) The Early College High School established under this agreement will be governed by state and federal laws and regulations, school district, and college policies and requirements. The School District shall apply to the Texas Education Agency (TEA) for the establishment and approval of an Early College High School designation. Prior to the yearly designation renewal submission to TEA, the School District shall notify the College of any additional Institution of Higher Education partnership(s), which may impact the continuance of this agreement.

b) A Leadership Team comprised of members of the School District and the College will meet regularly as mutually agreed to by both parties to plan and make decisions about the design and fidelity of the implementation of the Early College High School Benchmarks. The team will work collaboratively to meet established benchmarks in: (1) Target Population, (2) Partnership Agreement, (3) P-16 Leadership Initiatives, (4) Curriculum and Support, (5) Academic Rigor and Readiness, and (6) School Design. As the school moves through the implementation process and scales up to serve grades 9-12th new topics will be addressed to include, but not limited to community partnerships, dual credit, student support systems and expanding the college culture. The Leadership Team will also address issues of sustainability such as regularly reviewing the IA, discussing budget and cost arrangements, planning for leadership change in the School District and the College if it applies and expanding and enhancing the partnership.

2) ACADEMIC POLICIES & PROCEDURES

Academic policies and procedures applicable to regular college courses and students will also apply to dual credit courses and dual credit students. A degree plan with a defined sequence of courses will be available through Degree Works for all dual credit students.

The School District acknowledges that the College is in the process of replacing its existing Board Policies. As the existing Policies are retired and replaced, the College shall notify the School District and provide a copy of the replacement policy. If necessary, the College and the School District will modify this IA to incorporate the new policies.

a) Faculty Qualification, Selection, Supervision, and Evaluation

The College has established an approval process for selecting and/or approving qualified School District faculty (those approved will herein be called "Dual Credit Faculty") to teach dual credit course(s). Each approved Dual Credit Faculty will be supervised by the College's respective department chair or designee and be evaluated and monitored to ensure the quality of instruction and compliance with the College's policies and procedures in accordance with the standards established by the State of Texas and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). The School District will provide and be responsible for the evaluation and assessment of Dual Credit Faculty for high school credit-only courses conducted at the **Early College High School.** For a comprehensive view of the Faculty Credentials and Qualification, Selection, Supervision, and Evaluation process, refer to the ***Dual Credit Programs Instructional and Quality Standards Manual - Academic Affairs Division.***

b) Professional Development

Early College High School and the College shall provide opportunities for Dual Credit Faculty to collaborate through planning, teaching, and professional development. The School District will allow release time from School District duties for all Dual Credit Faculty to attend required College departmental meetings, discipline and course-specific College professional development training, and the two Dual Credit professional development days organized by the College held on the Saturday before each full semester begins. The

department chairs will provide the meeting schedule to the Dual Credit Faculty before the beginning of the semester, so that the Dual Credit Faculty can coordinate with their teaching responsibilities at the high school to attend the required meetings. **Early College High School** will provide common planning time for Dual Credit Faculty.

3) LOCATION, FACILITIES, COSTS AND TRANSPORTATION

Dual credit courses will be held at approved instructional sites in accordance with SACSCOC standards and College policies.

The Designated Texas Education Agency high school site, **Mission Career Tech Early College** is located at: **1802 Cleo Dawson, Mission, TX 78572**

a) Facilities

The School District will work with the College to ensure that the School District's facilities meet the expectations and criteria required for college classes and are appropriate for college-level instruction by the first day of class including the following:

- School District will ensure that College Faculty and dual credit students have appropriate access to all available instructional facilities, resources, and essential technology;
- School District will permit access to the College's electronic learning resources and school library spaces when the course is taught at the School District;
- School District offering science or Career and Technical courses will meet all applicable laboratory safety standards and obtain and install all material/equipment required to meet such standards prior to the first-class day. School District will ensure proper maintenance of all lab material/equipment that is used for the College courses offered by the School District in a manner that complies with the College's program requirement; and
- School District will permit the College to perform safety audits and inspections in dual credit classrooms and laboratories.

b) School District instructors approved by the College to be Dual Credit Faculty and approved to teach college level courses will be paid a stipend by the College per class, per semester, as outlined in the College ***Dual Credit Programs Instructional and Quality Standards Manual.***

c) Tuition and Fees (G1)

The College waives student tuition for dual credit "S" section college courses. College provides students access to college resources, and support services at no cost. The School District will be charged tuition and fees as outlined in ***Board Approved Dual Credit Students Sponsored by Partnering School Districts Tuition and Fees FY 2025-2026***.

d) Eligibility of Students for Financial Assistance

Early College High School students are eligible for financial assistance for courses taken outside of the course offerings at **Early College High School**. Tuition is waived when students enroll in dual credit "S" section courses within their selected degree plans. Dual Credit "S" section courses can be taken during a regular (fall or spring) semester or summer and may include non-traditional offerings such as distance learning courses. Enrollment in courses outside of the student's selected degree plan is prohibited by the College.

e) Faculty Charges

When the College provides the faculty for a dual credit course, including courses given via distance learning, the School District is responsible for the mileage and faculty cost as

stipulated in the Dual Credit Course Agreement (DCCA). If the School District cancels a dual credit course with an assigned College Faculty after August 8, 2025 (Fall semester), January 9, 2026 (Spring semester), May 22, 2026 (Summer I/III semester), and June 19, 2026 (Summer II semester), a Late Dual Credit Section Cancellation Fee will be assessed.

f) Transportation

The School District will provide transportation to students enrolled at **Early College High School** in accordance with State law and School District rules and procedures. The School District will also provide transportation for all **Early College High School** field trips and project-based learning activities. Students enrolled in dual credit courses at the College may be transported by the School District.

4) COURSE CURRICULUM, INSTRUCTION, AND GRADING

School Districts that participate in the Dual Credit Programs Designated High Schools at the College will comply with procedures and guidelines as published in the ***Dual Credit Programs Principal Agreement*** and the ***Dual Credit Programs Instructional and Quality Standards Manual***, including the following:

a) Academic Instructional Calendar

Dual credit classes will follow the College Academic Calendar. Exceptions may be arranged through collaboration between the College and the School District. When the requested exception involves the Final Exam Schedule for full semester classes, the College Department Chair and Division Dean will be involved in any decision. The College requires that the Division Dean approve any exception. Notification of conflicts between mandatory State testing and final exams must be made well in advance of final exams. College courses and exams should take reasonable priority over School District activities.

b) Course of Study

The **Early College High School** and the College shall provide a course of study that enables a participating student to receive a high school diploma and either a certificate level degree, an associate's degree or 60 semester hours that are transferable and applicable towards a baccalaureate degree during grades 9-12. **Early College High School** students will receive an academic degree plan upon the completion of a career and program of study interest inventory. During a student's senior year, or after completion of the Core Curriculum, courses for field of study programs can be completed according to the College's suggestion of course sequencing. Such courses shall have been evaluated and approved through the official College curriculum approval process and shall be taught at the College level. The College does not offer kinesiology, guided studies, competency-based or developmental courses for dual credit.

c) Curriculum Alignment (G4)

The **Early College High School** and College shall provide a rigorous course of study that enables a participating student to receive a high school diploma and complete the Texas Higher Education Coordinating Board's (THECB) core curriculum as defined by the Texas Administrative Code (TAC 4.28), certificate level degree, an associate's degree or at least 60 credit hours towards a baccalaureate degree during grades 9-12. The **Early College High School** will provide students with academic, social, and emotional support during their course of study. The College will regularly update the **Early College High School** counselor and principal regarding College curricular changes. **Early College High School** is responsible for ensuring that state course requirements for high school graduation are fulfilled. The **Early College High School** and College will establish a course equivalency crosswalk and will be

updated as required. The College's Catalog identifies the number of credits that may be earned for each college course offered at **Early College High School.**

d) Books and Supplemental Materials
The School District will provide textbooks for each registered student, along with equipment, and supplemental materials required for the cohort (S sections) classes. The College will consider the use of free open educational resources or low-cost educational resources in courses offered under the program for the School District. College-approved textbooks purchased by the School District as required for a college course are allowed to be used for four (4) years. Chairs may request a change of textbooks earlier than four (4) years, if the textbooks are for technology-based courses or with reasonable justification. Required textbooks and materials shall be available to each registered student on the first-class day. Exceptions must be discussed with the Associate Vice President for Dual Credit Programs and the Department Chair.

e) Grading Periods and Policies
Faculty will follow the College Grading System as stated in the College's ***Board TASB Policy EGA — Academic Achievement: Grading and Credit***, as well as the grading criteria in the department approved syllabus. **Early College High School** students will be informed by the instructor of academic progress/grade status prior to the Last Day to Drop/Withdraw at the College. **Early College High School** students struggling to maintain a passing grade will be advised by the instructor or the high school counselor to withdraw from the college course in order to avoid future problems related to admissions, financial aid, and scholarships. Withdrawal from the college course does not result in a withdrawal from the high school course. **Early College High School** personnel are responsible for advising dual credit students concerning academic progress in the high school component of the course.

f) Reporting Required: Critical Student Performance Information
The College has developed guidelines for sharing critical student performance information when needed for high school reporting.

STC Faculty

- Will only provide the School District with final course numeric grades, based on a standard 100-point scale upon the School District's request. Such requests must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week.
- Will not be required to submit a midterm course grade.
- Will provide the following Starfish Early Alert Surveys:
    - Fall 2025 and Spring 2026: First Week Attendance Verification, and two Progress Surveys (Weeks 5-6 & Weeks 11-12)
    - Summer 2026: First Week Attendance Verification, and one Progress Survey (Week 3)

Dual Credit Faculty

- Will comply with the guidelines relating to reporting requirements and responsibilities of the Dual Credit Faculty regarding parental inquiries, progress reports, and disciplinary matters which are found in the ***Dual Credit Programs Instructional and Quality Standards Manual*.**

g) Submission of College Grade
The primary responsibility for assigning College grades in a dual credit course belongs to the faculty member. Therefore, in the absence of compelling evidence of discrimination, differential treatment, or procedural irregularities, the decision of the faculty member

responsible for the course shall be final. College and School District officials will not unreasonably interfere with the faculty member's authority to assign College grades. The final course grade submitted for the College will be a letter grade. A numeric grade based on a standard 100-point scale will be provided by STC Faculty,-upon the School District's request. Such request must be submitted by the School District to the STC Faculty by the Friday before the beginning of the College's final exams week. The final course grade recorded for the College will be a letter grade and for the high school a numeric grade that may differ from the College letter grade.

5) **DUAL CREDIT POLICIES**

This IA is subject to the following policies:

i. ***Board Policy #3230 Dual Credit Programs with Partnering School Districts***

ii. ***Board Policy #3232 Dual Credit Student Eligibility Requirements***

iii. ***Board TASB Policy EGA: Academic Achievement — Grading and Credit***

iv. ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships***

6) **STUDENT ENROLLMENT AND SUPPORT SERVICES**

Upon mutual agreement, the College will assist with enrollment at least once per semester for all students who are qualified and wish to enroll in academic dual credit courses. **Early College High School** students must meet the same requirements and pre-requisites as all College students for college classes. Academic placement is based on the College adopted TSI scores. **Early College High School** students are required to meet TSI requirements when changes to the exemption scores occur at the State or College level to comply with policy.

a) Student Eligibility

The College requires the School District to follow all College enrollment procedures and guidelines for dual credit students. All procedures and guidelines are outlined in the College's ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/manuals.html.

All students must meet dual credit admissions and eligibility requirements as outlined by the THECB laws and regulations, the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule § 4.85, and as stated in the College's ***Board TASB Policy FB: Admissions.*** The School District will work with the College to make certain all dual credit students are enrolled by the first day of class to help ensure student success and to comply with the College Dual Credit Programs Admission and Registration Timeline. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/index.html.

High school students are eligible to participate in the Dual Credit Programs upon meeting the Texas Success Initiative (TSI) Assessment benchmark scores established by the THECB and the College dual credit course pre-requisites as published in the College's ***Dual Credit Programs Enrollment and Support Services Manual***.

Dual credit students must comply with the College's Academic Progress Standards as outlined in ***Board TASB Policy EGA: Academic Achievement – Grading and Credit*** and ***Board TASB FEA (Local) Financing Education – Financial Aid and Scholarships.***

b) *Non-Degree Seeking*

For the academic year, participating districts may choose to pilot the non-degree seeking option at high school sites. Dual credit students selecting the non-degree seeking major may enroll in up to 15 credit hours of dual credit courses without fulfilling Texas Success Initiative (TSI) standards. Non-degree seeking students may not enroll in more than two dual credit courses per semester. Additionally, non-degree seeking dual credit students are not eligible to enroll in Regular (Non-S) sections.

Districts are encouraged to establish and implement internal screening requirements, while also recommending courses from the designated instructional plan. Additionally, Dual Credit Programs advisors are required to meet with non-degree seeking students before they complete the maximum of 15 credit hours.

c) *Degree seeking Course Load*

Degree seeking dual credit students may not enroll in college-level courses until the Spring semester of their 9th grade, and are then limited to no more than two (2) dual credit courses for that semester from an approved list of recommended courses. All 10th grade students will be limited to two (2) dual credit courses per Fall and Spring semester. All 11th and 12th grade students should not exceed four (4) dual credit courses per Fall and Spring semesters**.** Summer session enrollment is limited to two (2) dual credit courses for Summer Term I/III and two (2) dual credit courses for Summer Term II.

Dual credit students shall be limited to courses within their declared major and corresponding degree plan. Students who declare a major leading to a Career Technical Education (CTE) certificate or Associate degree, may also enroll in academic dual credit courses, limited to English 1301, Mathematics/Natural Science Electives, Humanities Electives, Social and Behavioral Electives, and other Associate of Applied Science (AAS) Electives needed to complete their Certificate and/or AAS degree, while not exceeding the limitation on dual credit courses per semester described below. Students may attempt a maximum of 68 credit hours, with the exception of students pursuing the Associate of Science in Mathematics, Associate of Science in Engineering and Associate of Science in Pre-Pharmacy. Course loads in excess of 68 credit hour maximum shall require approval by the Academic Affairs and Economic Development Division Designee. The Dual Credit Programs is subject to all applicable College policies and procedures.

d) *Non-S Section Enrollment*

Students who want to enroll in non-dual credit section(s) must be approved by the Academic Affairs and Economic Development Division Designee. Students can only be enrolled into courses within their current declared major. Any student approved to enroll in a non-dual credit section(s) will not be assessed the independent student tuition and fee rates based on the Board Approved Tuition & Fee Schedule. Dual credit students who do not receive approval to enroll in a non-dual credit section(s), may still enroll, but will be assessed the independent student tuition and fee based on the Board Approved Tuition & Fee table.

Non-S section requests for 10 or more students in the same course type during the same semester will require an “S” section to be created by the College. Criteria for “Non-S” section designation are available on the Dual Credit Programs website, which includes the eligibility of enrollment of only 11th and 12th graders.

e) *Dual Credit Sections*
Dual credit sections assigned to an STC Faculty and/or Dual Credit Faculty must have a minimum of ten (10) students enrolled in Academic sections and seven (7) in Career Technical Education sections. Dual credit sections with fewer than the minimum enrollment will be canceled by the advertised semester deadline. Dual Credit Programs will work with the School District to determine options to combine dual credit courses with partnering School District's approval, if available.

f) *Contingency of Enrollment*
Enrollment in dual credit courses is contingent upon **Early College High School** students' maintaining scholastic progress standards as outlined in the College's Academic Catalog. The **Early College High School** principal's office and counseling center, working with the College's Dual Credit Programs will maintain a schedule of courses that will be offered to every cohort class for planning and advising and share information regarding student enrollment.

g) *Student Attendance Policies*
Early College High School students are required to maintain regular and punctual attendance in class and laboratories to meet the required number of contact hours per semester. Therefore, absences, dismissal of classes, and early release (except in emergency or inclement weather or when related to state-mandated assessment days), are in violation of the contract between **Early College High School**, the College, and the Texas Higher Education Coordinating Board (THECB).

h) Student Composition of Class
As outlined in the Texas Administrative Code, Title 19, Part 1, Chapter 4, Subchapter D, Rule 4.85, the school district may not enroll both dual credit and non-dual credit students in the same section unless the development of a high school credit-only class is not financially viable for the high school and only under one of the following conditions:

i. If the course is required for completion under State Board of Education High School graduation requirements, and the school is otherwise unable to offer such a course.

ii. If the high school credit-only students are College Board Advanced Placement or International Baccalaureate students.

iii. If the course is a career and technology/college workforce education course and the high school credit-only students are eligible to earn articulated college credits.

i) Collaboration and Outreach Efforts (G1)
The College provides informational sessions for students and parents regarding dual credit opportunities, benefits, cost, and resources. Sessions are available throughout the academic year upon request by the School District. The College disseminates the most current dual credit information regarding enrollment, resources, and requirements for the program the College's dual credit website.

j) Advising (G3)
The College and the School District offer college advising services for dual credit students and the College offers a College Advising Training Program for High School District Counselors.

i. Advising responsibilities by the College and School District are delineated below:
- Plan, schedule and offer advising and student support throughout the academic year;
- Offer orientations and advising sessions that increase student's college knowledge and resources for new and continuing dual credit students;
- Serve as the designated college support services staff for advising dual credit students.

ii. The School District will provide the following services and resources:
- Provide facilities such as classrooms, computer labs, auditoriums or settings that will allow for the College to provide one-to-one advising, online advising or group type advising;
- Provide equipment such as computer technology to facilitate advising or meetings.
- Include and invite additional high school staff or district administration to participate or attend scheduled meetings, trainings or sessions.

In active collaboration with the College, the School District shall take whatever actions deemed reasonably necessary by the College to fully comply with the advising mandates delineated in TX SB 25 (2019) and TX SB 1324 (2019), which collectively address measures public institutions of higher education must take to facilitate successful transfer, academic progress, and timely graduation through, among other things, the filing of degree plans at certain milestones and the publication of course sequences. The College and the School District shall also take necessary actions to ensure compliance with any and all advising requirements of TX SB 1277 (2021), including but not limited to designating at least one employee from either institution to provide academic advising to any student who enrolls in a dual credit course before beginning the course.

k) Advising Students on Transferability and Applicability (G3)
The College will provide advising opportunities to students as to the transferability and applicability to baccalaureate degree plans of all college credit offered and earned.

l) Counseling and Student Accommodations
The College and the School District will adhere to Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 (ADA), and the ADA Amendments Act of 2008.

The School District will be responsible for implementing policies and procedures to enable students to identify disability needs and to provide academic accommodations for dual credit students. If the class is taught at the high school by a Dual Credit Faculty, the School District's high school will be responsible to provide the academic accommodations. If the class is taught by a STC Faculty at the high school, the College Counselor will coordinate academic accommodations with the high school's Special Education Counselor. Students are not eligible to receive and/or otherwise utilize Individual Education Plans (IEP's) in Dual Credit courses. All procedures and guidelines are outlined in the College ***Dual Credit Programs Enrollment and Support Services Manual***. An electronic copy of this document may be accessed on the Dual Credit Programs webpage at the following link: https://www.southtexascollege.edu/dual/index.html.

m) Pathways Alignment (G2)
The College provides a comprehensive guide to the alignment of High School endorsements, dual credit courses, post-secondary pathways, credentials at the institution, and industry certifications.

n) Transcription of Credit

The College and the School District will enter and record into their respective transcripts all credits earned for dual credit courses for both college credit and high school credit upon the student completion of the requirements for each course.

o) Commencement Ceremonies

To become eligible to participate in the College Commencement Ceremonies held in May, December, or at such time determined by the Board of Trustees, dual credit students must be enrolled in all final coursework for their declared program and all coursework must be completed at the end of the semester of graduation. Dual Credit students who are eligible to participate cannot defer participation to a later Commencement Ceremony date. The College Registrar is the Graduation Determination Official and has the final authority to determine dual credit eligibility for graduation and ceremony participation. Dual credit students must meet all graduation requirements as outlined in College Policy to be eligible for graduation and participation in the Commencement Ceremonies.

p) Student Conduct

All students, including dual credit students, are subject to discipline and appropriate sanctions ranging from verbal or written warning to suspension and expulsion from the College and all related programming, under the College's Student Handbook and Code of Student Conduct. The Code of Student Conduct is an articulation of the College's commitment to maintaining an environment that recognizes and supports the rights of its students, while providing a guide for defining behaviors the College considers inappropriate. Procedures, including a list of violations, potential sanctions, and a list of individual rights for each student, are listed in the College's Student Handbook, Chapter 2, Code of Student Conduct. Dual credit students who receive a sanction of suspension or expulsion from the College must be removed from the college course and placed in a high school credit course or a traditional high school setting by the School District and, in accordance with Texas State law, shall have a transcript notation of suspension or expulsion placed on their official record. On request by the student, the College may remove the notation from the official transcript. Further, the College reserves the right to refer cases to the Behavioral Intervention Team for review and threat assessment. An electronic copy of this Student Handbook and Code of Conduct may be accessed on following link:
https://www.southtexascollege.edu/pdf/student_code_of_conduct.pdf

q) *Student Complaints*

The College's Grievance and/or Complaint procedures for handling student complaints regarding college courses are applicable to all students, including those enrolled in dual credit courses. Dual credit students who would like to submit reports or complaints shall adhere to **Board TASB Policy *FLD — Student Rights and Responsibilities: Student Complaints*** and follow the relevant processes and procedures detailed in the College's ***Student Handbook*** and/or ***Employee Handbook***, depending on whether the report or complaint relates to another College student or a College employee. Generally, students should report complaints relating to a Dual Credit course to the College. If the student chooses to report to the School District, the School District shall promptly report the matter to the College. The College shall be responsible for implementing the College's Grievance and/or Complaint procedures only if the College has jurisdiction to do so, including, but not limited to, jurisdiction over the educational program or activity, the complainant, and the respondent.

Student reports and complaints alleging sex-based discrimination, harassment, domestic violence, dating violence, stalking, or other sexual misconduct which targets a student in a Dual Credit course will be handled by the College in accordance with the policy and procedures outlined in ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence***. A student may report a grievance or complaint at the following link: https://www.southtexascollege.edu/report/index.html.

7) DATA SHARING

FERPA allows protected student data to be exchanged between the College and School District for students that are dually enrolled without requiring the consent of either the parents or the student under § 99.34. If the student is under 18, the parents still retain the right under FERPA to inspect and review any education records maintained by the School District, including records that the College disclosed. The College and the School District are expected to meet FERPA requirements to maintain the privacy of student data.

The College will provide data reports to the School District via standard reports as per identified timelines. These reports have been developed in an effort to provide required data in a timely manner to our partners with a signed (IA). The School District shall provide a primary and secondary contact, at the School District and at each high school, to receive data via a secure process from the College. These contacts will be responsible for distributing data securely within their assigned area and within FERPA guidelines. Any student level data received from the College shall not be shared outside the School District without prior authorization from the College.

The College partners may request data outside of the scheduled report distribution schedule provided:

- An (IA) has been executed and is active between the partner organization and the College
- The data request is submitted, at minimum, three (3) business days prior to the requested delivery date

PLEASE NOTE: Requests are **NOT** guaranteed to be delivered by the requested delivery date and may be delayed depending on the data team's existing request volume. Requests will be prioritized depending on identified need.

Partners may submit an e-mail request for reports to: dcdatarequest@southtexascollege.edu

8) RECOGNITION OF HIGHER EDUCATION PARTNER

The School District, when reporting and publicizing high school *students' completion* of dual credit **hours earned, number of courses completed, course types**, **degrees**, or **certificates**, will recognize all Higher Education partners, including South Texas College. Furthermore, when the School District advertises and/or publicizes including but not limited to, designations, awards received, tuition saved, and articles written in social media, television commercials and print ads for dual credit, the School District will recognize South Texas College as its Higher Education partner. The following statement must be included in all the School District's publications and/or advertisements in regard to the Dual Credit Programs:

"[ISD name] saves families hundreds of thousands of dollars in tuition and fees by collaborating with South Texas College, our Higher Education partner, to offer college credit hours and college certificates and degrees.

In addition, the School District shall adhere to the format and style of all advertising, marketing,

reporting, and publicity materials, which includes billboards, print ads, and television commercials, as set forth in the College's ***Branding, Marketing, and Advertising Guidelines for South Texas College Dual Credit Programs*** at https://admin.southtexascollege.edu/pr/dual-credit-marketing.html (see Exhibit A for Sample Recognition). Failure to follow this provision will result in a non-compliance notification as stated in Section 9 of this document.

9) ADMINISTRATION OF STATEWIDE INSTRUMENTS

Early College High School shall comply with State Board of Education rules regarding administration of the assessment instruments as required by Subchapter B, Chapter 39. In addition **Early College High School** will administer a Texas Success Initiative (TSI) college placement exam to all incoming ninth (9^{th}) graders to assess college readiness and to enable students to begin college courses based on their performance as soon as students are able and ready. Subsequent dates for TSI college placement exams will be scheduled and provided by **Early College High School.**

10) PROVISIONS FOR REVIEWING DATA FOR PROGRAM IMPROVEMENTS

School District and the College shall develop a plan for the evaluation of the Program to be completed each year based on the collection and review of data.

11) TITLE IX OF THE EDUCATION AMENDMENTS 1972

The School District will comply with Title IX of the Education Amendments 1972 (20 U.S.C. § 1681 et seq.) and its implementing regulations as stated in the College's ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence*** and the School District Title IX policy in resolving incidents and complaints. An electronic copy of the College's Board Policy may be accessed on following link: https://admin.southtexascollege.edu/president/policies/pdf/4000/4216.pdf.

Title IX of the Education Amendments of 1972 (20 U.S.C. s1681 et seq) and it's implementing regulations, 34 C.F.R. Part 107 (Title IX) state: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

Title IX resources, policies, and procedures, including the names and contact information of the Title IX Coordinator and any Title IX Deputy Coordinators for the College are located at the following link: https://www.southtexascollege.edu/about/notices/title-ix.html.

Together with the execution of this IA, the School District will, by completing Exhibit C hereto, designate a specific School District official **who is trained to investigate and address matters relating to Title IX and civil rights issues, including but not limited to Title VI and Title VII of the Civil Rights Act,** to serve as the authorized liaison with the South Texas College Office of Human Resources and/or the Title IX Coordinator.

Pursuant to the following protocol, the School District and the College will work in a collaborative and timely manner in connection with any claims or investigations arising under Section 8 of the South Texas College Dual Credit Programs IA, Exhibit C.

Title IX Protocol

a) The College and the School District acknowledge that jurisdiction over incidents falling within Title IX can be difficult to determine with respect to Dual Credit Programs, and sometimes jurisdiction is shared by both parties. This protocol is agreed

to by the College and the School District to establish clarity and coordination with a set of consistent guidelines for each to follow. The general principle is one of establishing a nexus, and determining which party has the strongest nexus to the alleged misconduct, or whether a nexus reasonably exists with respect to the jurisdiction of both parties, in which case jurisdiction exists for both and in most cases will result in collaborative investigations and separate resolutions in accordance with the policies of each party. In all collaborative processes, the parties agree to share investigation-related information with each other to the extent permitted by law.

b) In any complaint where the law permits, the College and the School District agree to share information about the outcome of the complaint with the other party to the extent the outcome impacts the other party or its students/employees.

c) In any circumstance where the parties agree to do so, or where the respondent dual credit student or employee is arguably under the jurisdiction of both parties (regardless of who controls the venue), investigations can be conducted jointly with (at least) one representative from each party. The results of the investigation (one joint investigation report encompassing the policies of both parties) will be made available to both parties, with appropriate redactions as necessary. The parties may then each use the results of the investigation to pursue their own independent resolutions of the complaint. Where investigation procedures of the parties differ substantially, it may be impossible for a collaborative investigation to comply with both, in which case separate investigations should be conducted.

d) Where one party controls the venue of the alleged misconduct and the respondent is a student or employee of that same party, that party shall normally have primary jurisdiction over the complaint.

e) Where a party controls the venue in which the complainant is its student/employee and the respondent is the student or employee of another party, the complainant will have the right to file a complaint within the other party's grievance process. The party in which the complainant is enrolled is responsible for providing supportive measures to the complainant.

f) Where a party provides only instruction/credit for a course, and is not otherwise involved in any way in an act of misconduct, that party shall have no responsibility under this protocol except as policy otherwise requires (e.g., mandated reporting responsibilities).

g) Where a party controls only the venue of a course, and is not otherwise involved in any way in an act of misconduct, that party will review any needed remedial measures related to the safety of the venue and implement them accordingly.

h) Control:
    i. A party who controls the venue and the instruction, provides an employee for instruction, and provides credit for the course controls that course.
    ii. A party who provides instruction in the venue of the other party does not control that venue.

i) Each party's employees are expected/encouraged to participate as witnesses in any resolution process, as necessary.

j) Student:
   i. A student enrolled in a dual-credit/early college course is a student of both parties, regardless of which party has the primary relationship with the student.
   ii. Any party's policies and procedures will explicitly be made applicable to its students, including those who are dual-enrolled/participating in early college.

k) Imposing consequences on a respondent by two parties is appropriate when the student is enrolled within the educational program of both parties, though the parties can agree that only one party will enforce its policies and procedures in a given situation. In such situations, the parties may agree that the party with the primary relationship to the student will take the lead and/or enforce its policies and procedures, or that the party in whose program the incident took place will normally have primary jurisdiction.

l) Each course should clearly designate which party's educational program the course is part of, and/or whether more than one party is the sponsor/provider of a course.

12) PREGNANT AND PARENTING SERVICES

The College is committed to creating and maintaining an inclusive and accessible learning environment for all students. Title IX prohibits discrimination on the basis of sex – including pregnancy, parenting and all related conditions – in educational programs and activities that receive federal funding. In addition, pregnant and parenting students who are enrolled at public institutions of higher education are entitled to the protections set forth in the Texas Education Code including Sections 51.982 & 51.983.

For detailed information please visit the Pregnant and Parenting website at:
https://studentservices.southtexascollege.edu/disability/parenting.html

Email: santaep@southtexascollege.edu

For more information, please visit ***Board TASB Policy FAA (Local) — Equal Educational Opportunity: Pregnant and Parenting Students.***

13) NON-DISCRIMINATION

The College prohibits discrimination, including harassment, and sexual misconduct against any employee, applicant for employment, student or applicant for admission on the basis of any protected class or any other basis prohibited by law. Protected classes at the College include: race, color, national origin, religion, age, sex, sexual orientation, gender, gender identity, physical or mental disability, genetic information, veteran status or any other basis prohibited by law.

Discrimination is defined as prohibited conduct directed at an employee or student on the basis of race, color, national origin, religion, age, sex, including pregnancy and parental status, sexual

orientation, gender, gender identity, physical or mental disability, genetic information, veteran status, or any other basis prohibited by law, that adversely affects the employee's employment or that adversely affects the student.

For more information, please visit ***Board TASB Policy FFDA — Freedom from Discrimination, Harassment, and Retaliation: Sex and Sexual Violence.***

14) DISCONTINUATION OF OPERATIONS

Should the School District or College elect to discontinue the operation of the **Early College High School**, the provisions for serving the students will include the following:

a) Notification of the discontinuation of the operation should be communicated immediately to the partnering high school and College administration.
b) Based on the College's assessment, the last accepted cohort may be allowed to continue as designated until students phase out of the 12th grade.

While in the process of discontinuing operation, the Designated High School may not enroll any additional students in the designated program in grades that have been phased out. In addition, while the designated school is in the process of discontinuing operation, the designated program must continue to meet all of the required design elements and provide full support for all students enrolled in the designated program as mandated by the Texas Education Agency and other regulating partners such as Educate Texas.

15) INTERLOCAL AGREEMENT(IA)

This IA may be amended by mutual written agreement of both parties.

The College and the School District reserve the right to terminate this IA, by notice from either party in accordance with this IA or by operation of law. The College or the School District may terminate the IA no fewer than ninety (90) days prior to end of the semester during which notice was given. To be effective, notice must be submitted in writing, signed by the College President or the School District Superintendent and personally delivered to the other party to this IA.

16) NOTIFICATIONS OF NON-COMPLIANCE AND TERMINIATION OF AGREEMENT

If a party fail to comply with any provision of this IA, the other party may issue a Notification of Non-Compliance (Notice). The Notice shall be in writing and shall describe in detail the nature of the alleged non-compliance. The Notice will be provided to the College President or to the School District Superintendent for review and action. Failure to correct any condition of non-compliance within ten (10) business days following receipt of the Notice may, at the option of the party which sent the Notice, result in termination of this IA at the end of the semester during which the Notice was sent. Any provision in this IA which requires performance by either party after the termination of this IA including, without limitation, confidentiality obligations, limitations of liability, and exclusions of damages, and any other provision or partial provision that by its nature would reasonably extend beyond the termination of this IA, shall be and remain enforceable after such termination of this IA for any reason whatsoever.

IN WITNESS THEREOF, the parties have duly approved this Interlocal Agreement, executed in duplicate originals on this ____ day of _____, 2025.

SUBJECT: Approval of Purchase of College Readiness and Success Program

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

As part of the district's College Readiness Program, Mission CISD has been administering the PSAT 8/9 to all 8th graders, the PSAT/NMSQT to all 10th and 11th graders, and the SAT during the school day to 11th graders, rather than on only designated Saturdays.

Participating in SAT School Day provides the opportunity for all students to take a college entrance exam, while assisting with SAT participation for designation distinctions in English language arts and math.

PSAT 8/9 for 1100 8th Graders:	$13,090.00
PSAT/NMSQT for 2300 10th/11th Graders:	$35,190.00
SAT School Day test for 1,100 11th Graders:	$45,100.00
College Board Adjustment	-$25,010.00
	$68,370.00

As part of House Bill 3 from the 86th Legislature, the state will provide a one-time reimbursement to school systems for the cost of administering one college preparation assessment, in this case, the SAT School Day. This funding is advanced to district annually in the fall Foundation School Program funding, and later, TEA reconciles these funds for the April settle-up. After this occurs, the actual cost to MCISD for the College Readiness and Success Program is going to be $23,270.

ADMINISTRATIVE CONSIDERATIONS

College Board's College Readiness and Success Program will be purchased as a Sole Source Purchase. As per Texas Educational Code 44.031(j) a Sole Source Purchase would be exempt from complying with TEC 44.031(a) requiring an approved purchasing method for contracts valued at $50,000 or more.

DATE:	**June 26, 2025**
SUBJECT:	**2024-2025 College Preparation Assessments: TSIA Reimbursement (Survey Closes on September 30, 2025)**
CATEGORY:	**Funding Implications**
NEXT STEPS:	**Share information with program and business staff**

This letter provides important updated information relevant to House Bill 3 (HB 3) from the 86th Legislature, which permits the state to provide a one-time reimbursement to school systems for the cost of administering one college preparation assessment (SAT, ACT or TSIA) per eligible student.

Estimated funding for this college preparation assessment reimbursement is advanced to districts annually in the fall Foundation School Program (FSP) funding. Each year, TEA later reconciles these funds for April settle-up. For the 2024-2025 school year, the eligible students are as follows:

- Seniors who take either the SAT, ACT or TSIA from September 1, 2024 – July 31, 2025.
- Juniors who take either the SAT, ACT or TSIA from January 1, 2025 – July 31, 2025.

Note: August 2024 test administrations will be submitted and considered in the 2024-2025 process.

SAT and ACT school-day participants are automatically considered for reimbursement. TEA has a separate request process for districts who would like to request reimbursement for the SAT and ACT national day testing. If multiple records of a student are reported, TEA will reimburse the highest cost exam per eligible student. If multiple records of a student are reported from several districts, the first district will be considered.

If the TSIA is the highest-cost exam for a student for which the district paid and would like reimbursement, then the district must request reimbursement from the agency using the process outlined in this document.

A request for reimbursement does not guarantee reimbursement will be administered. After receiving all requests for TSIA and SAT/ACT, TEA will validate requests and reconcile funding accordingly. TEA recommends that school systems retain all backup documentation on district policies, decisions and payments in the event of an audit.

Only one file per district will be accepted. TEA will not accept individual campus requests.

The survey can be complete by utilizing the Texas Success Initiative Assessment (TSIA) Reimbursement Qualtrics survey.

Note: The above information applies to reimbursements for the 2024-25 school year. HB 2 (89th Legislature) has changed this reimbursement funding structure moving forward. Beginning with the 2025-2026 school year, school districts will be reimbursed for the SAT/ACT and also reimbursed for the TSIA, if a student takes both.

Additionally, a nationally-recognized career readiness assessment instrument will be added to the list of assessments that a 12th grade student may choose from and for which school districts may obtain reimbursement. Somewhat related, school systems will also gain eligibility for a reimbursement of two successfully completed Industry Based Certification examinations per student, up from one. More information regarding the additional reimbursement opportunities will be communicated later this calendar year.

SUBJECT: Approval of Purchase of Renaissance-Accelerated Reader and Star Reading Program

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

Renaissance Learning is an online suite that provides the district with both the Accelerated Reader and Star Reading Assessment. Star Reading assessment provides a system for tracking students' personal reading levels throughout the year. Accelerated Reader is a monitoring system that encourages independent reading practices while providing a comprehensive reading program that provides data and helps teachers monitor student growth, as well as set personal reading goals for each student. Students receive direct and systematic instruction in phonemic awareness, phonics skills, and comprehensive strategy. Renaissance Learning generates reports to help teachers monitor each student's data, guides students to appropriate books and target instruction for their skill level. The reports provide feedback such as a student's Zone of Proximal Development, student interest level, and growth in correlation to reading comprehension. Campuses use the program's point system as a motivational tool for students to read independently.

ADMINISTRATIVE CONSIDERATIONS

The purchase will be made using BuyBoard inter-local purchase co-op. Using an inter-local purchase co-op complies with purchase requirements of TEC 44.031a(5) and local board policy requiring an approved purchasing method for contracts valued at $50,000 or more.

Pricing has been compared to recent prior similar purchases and recommends approval of purchase.

SUBJECT: Approval of Interlocal Agreement with Region One Education Service Center

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

The District has long-standing participation with Region One Education Service Center services. The District participates in the Purchasing Cooperative specifically for the Library Services and Media Cooperative, the PEIMS Cooperative, and Child Nutrition Program – South Texas Cooperative. Computer Software Programs purchased through Region One include Eduphoria Premium Suite Edition, Learning Resources Integration Workshops, and OnData Suite. The District is also a member of the Distance Learning Consortium.

The District also receives special service projects for the school year through a Local Assessment Fee in the following areas: Leadership Support such as the Regional Advisory Council of Superintendents; Superintendent's Leadership Academy; Instructional Leadership capacity building, guidance, technical assistance and training among others through Region One Curriculum Advisory Council, Finance Advisory Council, and Purchasing Advisory Council among others. Other service projects include Operations Support such as Human Resources meetings, PEIMS reviews, and data desegregation reports. In the Technical Support area, the District receives consulting services, staff development, and other region-wide special projects.

ADMINISTRATIVE CONSIDERATIONS

The parties are authorized by the Interlocal Cooperation Act, Texas Government Code Chapter 791 to enter into cooperative agreements with other local government entities of the State of Texas for the purpose of fulfilling and implementing their respective public and governmental purposes, needs, objectives, and programs.

Dear Dr. Criselda C. Valdez

The Region One Education Service Center appreciates your district's participation in the Library Services and Instructional Resources Virtual Library Cooperative. We impact student achievement by providing high-quality instructional resources and services that help students develop twenty-first century skills. In addition, district and charter schools realize financial benefits from volume purchasing discounts provided through cooperative membership.

The Region One ESC Library Services and Instructional Resources Cooperative District/Charter Commitment Form for 2025-2026 is enclosed. Membership in the Region One ESC Library Services and Instructional Resources Cooperative delivers numerous instructional resources/services to your campuses. (See Attachment A) The list of resource subscriptions is listed on Attachment A.

The cost of cooperative membership will be $3.38 per student enrollment for the 2025-2026 school year. The enclosed Cost Benefits Analysis indicates district level savings. The new Innovative Library Professional Development package is included in the commitment total. Cost benefit analysis is enclosed for the professional development package.

Please return the enclosed District/Charter Commitment Form to Region One Education Service Center, ATTN: Library Services and Instructional Resources Cooperative before **August 4, 2025**. Thank you for your assistance.

SUBJECT: Approval of Purchase of Supplemental K-8 Science Resource Program

PRESENTER: Cynthia Wilson, Assistant Superintendent of Curriculum and Instruction

BACKGROUND INFORMATION

The district has been using Edusmart as a supplemental science resource in elementary since 2019. Secondary began using it in 2023 in 6th-8th grades. Edusmart is an online software program, which is aligned to the Texas Essential Knowledge and Skills (TEKS). This interactive student-centered supplemental resource provides students the opportunity to learn/reinforce science concepts through varied methods such as videos, simulated labs, vocabulary development and internalization so students develop critical thinking skills, engage in scientific decision-making and problem solving while mastering science Texas Essential Knowledge and Skills (TEKS). Lab kits will also help supplement adoption hands-on activities.

Board Workshop: August 6, 2025
Board Meeting: August 13, 2025

SUBJECT: Approval of Out-of-State Travels for Special Invitation, Recognition, or National Competition for Mission CISD Students

PRESENTER: Cynthia Wilson, Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

Many Mission CISD students competing in Career and Technical Education (CTE), Fine Arts, Destination Imagination (DI), and other academic related competitions have the opportunity to travel out-of-state due to advancement from local to state to out-of-state competitions. In addition, Gear Up oftentimes selects students to travel out-of-state for college visits. All out-of-state travel for students requires board approval. In many instances, advancement to state and national competition occurs very quickly with a limited amount of time to make travel arrangements and pay registration fees.

District-wide, students in Destination Imagination compete and advance to Globals, which is out-of-state. Mission High School, Veterans Memorial High School and Mission Collegiate High School have CTE students competing in the following clubs/organizations:

DECA (Distributive Education Careers of America)
BPA (Business Professionals of America)
HOSA (Health Occupation Students of America) FBLA (Future Business Leaders of America) Skills USA (VICA)
FFA (Ag Science Organization)
TAFE (Texas Association of Future Educators)
Robotics (STEM; FRC and FTC)
Chess Teams

From September 2025 to July 2026, CTE clubs/organizations, Fine Arts, DI, and possibly other academic events will provide opportunities for Mission CISD students to receive special invitations, be recognized or compete in regional/state/national competitions. Since many of the national competitions are out-of-state, Transforming Teaching and Learning is requesting pre-approval by the board for these travels so needed registration fees and travel arrangements may be made in a timely manner for qualifying students from our various clubs/organizations. Some clubs/organizations require payment as much as a month in advance which will place our students at a disadvantage of not competing should the deadline arrive before board approval may be secured.

Securing pre-travel board approval will ensure that necessary travel arrangements, including registration fees and lodging for students receiving special invitation, recognition or advancing to national competition are able to be submitted by pre-determined deadlines.

As per Mission CISD FMG (LOCAL) policy, Board approval is required for any out-of-state school-sponsored trip.

SUBJECT: Approval of Final Completion, Less Betterment Fund Allowance, Less Liquidated Damages, and Final Payment for the Mission CISD District-Wide Roofing Repairs for the Mission CISD Central Office Building – EGV Architects

PRESENTER: Rick Rivera, Assistant Superintendent for Operations

BACKGROUND INFORMATION

Due to a severe hailstorm that occurred on April 21, 2023, and a severe windstorm that occurred on April 28, 2023, many of our campus and support services buildings were damaged to different extents. The District utilized the Job Ordering Contract to remediate and/or repair damage to District property that needed immediate repairs.

The Risk Management Department, along with the Business and Finance Department, immediately contacted our insurance carrier, Property Casualty Alliance of Texas, and have continued to work with them on our claims. Sedgwick Adjusters mobilized several adjusters and conducted inspections on all district buildings, climbing on top of all buildings and inspecting roofs and equipment mounted on the roofs.

Ms. Sylvia Cruz and Mr. Garcia have continued to work on the claims reimbursement in order to begin the repairs. Damage from both storms varied from very minor to major roof damage. At the maintenance department, part of the roof structure was completely torn away.

Estimated reimbursement per event:

Hail Storm April 21, 2023:	$7,694,374.83
Wind Storm April 28, 2023:	$1,033,003.78
Deductible #1:	$ (100,000.00)
Deductible #2	$ (100,000.00)
Est. Reimbursement:	$8,527,379.00

Administration has been working closely with the insurance adjuster for an assessment of the damage to the roofs and other structures at campuses and several departments for the needed repairs, thus we present the approval of Project, Proposed Budget, and Request for Qualifications (RFQ's) for Professional Design Services for the Mission CISD Districtwide Roofing Repairs.

Repairs will be prioritized by safety and by damage, not all projects may require extensive or outside vendor repairs, and not all projects listed may be able to be completed with the estimated total claims reimbursement funds.

If approved by the Board of Trustees, the Purchasing Department will proceed with advertisements for this project. Request for Qualifications (RFQ's) will be advertised for professional design services, and Administration will schedule presentations to the Board for the selection. A ranking criteria will also need to be reviewed and approved.

Administration will use Competitive Sealed Proposals (CSPs) as the procurement method as approved by the Board of Trustees in the February 2021 Board of Trustees meeting. This method was approved as the primary default method for projects.

The Board of Trustees must take the necessary action in accordance with the Texas

Education Code 44.035, which consisted of the selection/designation of an architect and/or engineer to prepare construction documents for this project. The engineer and/or architect selected or designated will have full responsibility for complying with the Texas Engineering

Practice Act (Article 3271a, Vernon's Texas Civil Statues) or Chapter 478, Acts of the 45th Legislature, Regular Session, 1937 (Article 249a, Vernon's Texas Civil Statues) as applicable.

If the engineer or architect is not a full-time employee of the District, the Board must select the engineer or architect on the basis of demonstrated competence and qualifications as provided by Section 2254.004, Government Code. The selected architect/engineer, along with preparing construction documents, will be required to provide MCISD with an estimated project budget.

The preliminary timeline is to advertise for RFQ's on or about October, with presentations to the Board of Trustees for evaluation and ranking in November, with possible selection and approval to enter into a design contract in December. The amount of the design contract for this project will exceed the Board approved On-call threshold, thus a request for RFQ's.

Note: Due to the number of roof projects that may need to be designed and the need for a quick turn-around for required designs for the repairs, Administration may present to the Board of Trustees a recommendation of more than one design team. Roof projects may be divided into design packages.

Note: As per the Finance department "Wind and Hail Storm" insurance presentation at the Workshop, any listed project that indicates "Replace" indicates that the roof is a "Total Loss" and is to be replaced, and if not, that building is un-insurable. Should the roof be older than the year 2010, we would only receive the depreciation value. For any roof that is within a total reimbursement amount and not budgeted for that amount, the district will receive full reimbursement. Reimbursements are to include other fees as architect/engineering fees, any over-time fees, and any costs required to meet new building codes.

At the Regular Board of Trustees meeting held on September 13, 2023, the Board approved the Project, Proposed Budget, Request for Qualifications (RFQ's) for Professional Design Services, and Ranking Criteria for the Mission CISD Districtwide Roofing Repairs.

Advertisements in the local newspapers were posted on October 04, 2023, and October 11, 2023. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. The submission of RFQ's was on October 19, 2023, and seven (7) proposals were received. The Administration ranking team reviewed and pre-ranked the RFQ's on October 23, 2023, at 2 p.m.. After the review, Administration will then recommend the top two firms to be reviewed and ranked in order of selection. The ranking team consisted of Mr. Adrian Hernandez, Maintenance Director, Mr. Leandro Ochoa, Maintenance Coordinator, Mr. Adan Rivera, Assistant Maintenance Coordinator, Mr. Ricardo Rivera, Assistant Superintendent for Operations, and Ms. Daisy Cuevas, Purchasing Specialist, who served as the facilitator.

Administration will be presenting Approval to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQ's) for Professional Design Services for the Mission CISD Districtwide Roofing Repairs.

Note: The Board may select one or two firms for this project.

At the Regular Board of Trustees meeting held on November 08, 2023, the Board approved EGV Architects and Raba Kistner for Professional Design Services for the Mission CISD Districtwide Roofing Repairs.

As per the insurance adjuster inspections, approximately seventy-two (72) roof structures have been deemed to be replaced. Fifty-one (51) are both campus and district building roofs, and twenty-one (21) are portable building composition shingle roofs.

Due to the large number of roof projects and the need to have them repaired as quickly as possible Administration presented and the Board of Trustees approved to divide the projects with the two top-ranked design professionals, EGV Architects and Raba Kistner.

At the Regular Board of Trustees meeting held on December 13, 2023, the Board approved that the Administration continue to negotiate the Best and Final Offer (BAFO) for Professional Design Services for the Mission CISD Districtwide Roofing Repairs with EGV Architects and Raba Kistner.

At the Regular Board of Trustees meeting held on February 21, 2024, the Board approved EGV Architects 6.5% construction cost fee for design and project administration, and Administration added two additional roof projects to his original listing. The additions are the Maintenance building and the Annex building. Thus, the Administration requested to amend the contract for EGV Architects for the Mission CISD districtwide roofing repairs projects.

At this same meeting, Administration advised the Board of Trustees that after continuous negotiation efforts with Raba Kistner and with the assistance of our Legal Counsel, we were unable to come into a contract agreement, and negotiations were ceased. Administration presented to enter into negotiations with the next two highest ranked firms, being Amtech Solutions and Armko Industries Inc.. The remaining roof projects will be divided between the two firms if an agreement is reached.

Project negotiation meetings were held on February 22, 2024, one meeting was with Mr. James Robbins and Ms. Chloe Gohr from Amtech Solutions. On February 26, 2024, a meeting was held with Mr. Travis Jones from Armko Industries Inc., Mr. Leandro Ochoa, and Mr. Adrian Hernandez from MCISD conducted negotiations.

Armko was allowed an opportunity to review their initial BAFO, however, they remained at their initial proposal of 6.5% of construction cost.

The Board of Trustees has the option to accept each separate BAFO, to decline the offer(s), and direct Administration to enter into negotiations with the next firm(s), or to reject all offer(s) and re-advertise the project using the same specifications. If approved, Administration will work with our legal counsel to write and execute the contracts so that the design team(s) can begin as soon as possible.

At the Regular Board of Trustees meeting held on March 20, 2024, the Board approved Amtech Solutions Best and Final Offer (BAFO) of 6.25 % of the Construction cost for the remaining roof projects.

At this same meeting, EGV Architects' temporary design for the Annex and Central Office was

placed on hold since the final designs would be presented in April's Board meeting.

EGV Architects and Administration continued to meet on the design for the Annex and Central Office. EGV Architects presented the Construction Documents for the Mission CISD Central Office and Annex buildings. If approved, we will continue to move forward to advertise and possibly award the project. Since this is the final roof design, no temporary roofing is required.

Since the design was not as complicated, the schematic and final designs have been combined in the approval presentation.

As per meetings with Administration and the Insurance Carrier, any costs above and beyond their estimated cost proposals will be covered. Estimated costs do not include any and all professional design fees and will be covered separately.

Project negotiations were held on May 10, 2024, with Ms. Leticia Barcenas from American Contracting USA, Inc., Mr. Adrian Hernandez, and Mr. Leandro Ochoa from MCISD. American Contracting USA, Inc. presented their Best and Final Offer (BAFO) of $1,454,000.00 for the Central Office and $1,088,000.00 for the Annex, or the option with Alternate #1 is $1,265,000.00 for the Central Office and $965,000.00 for the Annex. An additional $10,000.00 discount will be given if they are awarded both projects.

The Board of Trustees has the option to accept the BAFO, to decline the offer(s), and direct Administration to enter into negotiations with the next firm(s), or to reject all offer(s) and re-advertise the project using the same specifications.

If approved, Administration will work with our legal counsel to write and execute the contracts so that the design team and firm can begin immediately.

At the Special Board meeting held on June 05, 2024, the Board approved American Contracting USA, Inc. Best and Final Offer for both the Central Office and Annex.

American Contracting USA, - BAFO
$1,454,000.00 for the Central Office with Alternate #1 is $1,265,000.00 with 180 construction days. A Notice to Proceed was set forth on November 05, 2024, with substantial completion on May 04, 2025.

$1,088,000.00 for the Annex with Alternate #1 $965,000.00 with 150 construction days. A Notice to Proceed was set forth on February 16, 2025, with substantial completion on July 16, 2025.

At the Regular Board of Trustees meeting held on January 22, 2025, the Board approved Change Order #1 for 10 delay days for the Mission CISD District-wide Roofing Repairs for the Mission CISD Central Office. If approved, the new substantial completion date is May 14, 2025.

At the Regular Board of Trustees meeting held on February 12, 2025, the Board approved Change Order #2 for eight (8) delay days for the Mission CISD District-wide Roofing Repairs for the Mission CISD Central Office. If approved, the new substantial completion date is May 22, 2025.

At the Regular Board of Trustees meeting held on April 09, 2025, the Board approved the following three items: Construction Change Directive (CCD) #1 for the Mission CISD District-Wide Roofing Repairs for the Mission CISD Annex Building – EGV Architects

CCD#1 - On February 10th, American Contracting conducted an inspection on all the roofs of the Annex with Justin Cruz of Tremco. On roof E, American Contracting opened an area of 2x3' and found that the decking was completely deteriorated. The area they opened also had a large hole that was covered with plywood. Upon finding the corrosion, they opened up more areas. American Contracting believes most of the decking needs to be replaced. The allowance includes 100 sq ft of metal deck replacement. American Contracting is requesting to replace 704 sq ft of decking.

Allowance:	$75,000.00
CCD#1:	$10,872.00
Allowance Balance:	$64,128.00

Approval of Change Order #1 for two (2) Delay Days for the Mission CISD District-Wide Roofing Repairs for the Mission CISD Annex Building, the new substantial completion date is July 18, 2025.

Approval of Change Order #3 for three (3) Delay Days the Mission CISD District-Wide Roofing Repairs for the Mission CISD Central Office Building, the new substantial completion date is May 25, 2025.

At the Regular Board of Trustees meeting held on May 14, 2025, the Board approved the following items. SUBJECT: Approval of Change Order #4 for Delay Days for the Mission CISD District-Wide Roofing Repairs for the Mission CISD Annex Building – EGV Architects

PRESENTER: Rick Rivera, Assistant Superintendent for Operations

BACKGROUND INFORMATION

Due to a severe hailstorm that occurred on April 21, 2023, and a severe windstorm that occurred on April 28, 2023, many of our campus and support services buildings were damaged to different extents. The District utilized the Job Ordering Contract to remediate and/or repair damage to District property that needed immediate repairs.

The Risk Management Department, along with the Business and Finance Department, immediately contacted our insurance carrier, Property Casualty Alliance of Texas, and have continued to work with them on our claims. Sedgwick Adjusters mobilized several adjusters and conducted inspections on all district buildings, climbing on top of all buildings and inspecting roofs and equipment mounted on the roofs.

Ms. Sylvia Cruz and Mr. Garcia have continued to work on the claims reimbursement in order to begin the repairs. Damage from both storms varied from very minor to major roof damage. At the maintenance department, part of the roof structure was completely torn away.

Estimated reimbursement per event:

Hail Storm April 21, 2023:	$7,694,374.83
Wind Storm April 28, 2023:	$1,033,003.78
Deductible #1:	$ (100,000.00)
Deductible #2	$ (100,000.00)
Est. Reimbursement:	$8,527,379.00

Administration has been working closely with the insurance adjuster for an assessment of the damage to the roofs and other structures at campuses and several departments for the needed repairs, thus we present the approval of Project, Proposed Budget, and Request for Qualifications (RFQ's) for Professional Design Services for the Mission CISD Districtwide Roofing Repairs.

Repairs will be prioritized by safety and by damage, not all projects may require extensive or outside vendor repairs, and not all projects listed may be able to be completed with the estimated total claims reimbursement funds.

If approved by the Board of Trustees, the Purchasing Department will proceed with advertisements for this project. Request for Qualifications (RFQ's) will be advertised for professional design services, and Administration will schedule presentations to the Board for the selection. A ranking criteria will also need to be reviewed and approved.

Administration will use Competitive Sealed Proposals (CSPs) as the procurement method as approved by the Board of Trustees in the February 2021 Board of Trustees meeting. This method was approved as the primary default method for projects.

The Board of Trustees must take the necessary action in accordance with the Texas

Education Code 44.035, which consisted of the selection/designation of an architect and/or engineer to prepare construction documents for this project. The engineer and/or architect selected or designated will have full responsibility for complying with the Texas Engineering Practice Act (Article 3271a, Vernon's Texas Civil Statues) or Chapter 478, Acts of the 45th

Legislature, Regular Session, 1937 (Article 249a, Vernon's Texas Civil Statues) as applicable.

If the engineer or architect is not a full-time employee of the District, the Board must select the engineer or architect on the basis of demonstrated competence and qualifications as provided by Section 2254.004, Government Code. The selected architect/engineer, along with preparing construction documents, will be required to provide MCISD with an estimated project budget.

The preliminary timeline is to advertise for RFQ's on or about October, with presentations to the Board of Trustees for evaluation and ranking in November, with possible selection and approval to enter into a design contract in December. The amount of the design contract for this project will exceed the Board approved On-call threshold, thus a request for RFQ's.

Note: Due to the number of roof projects that may need to be designed and the need for a quick turn-around for required designs for the repairs, Administration may present to the Board of Trustees a recommendation of more than one design team. Roof projects may be divided into design packages.

Note: As per the Finance department "Wind and Hail Storm" insurance presentation at the Workshop, any listed project that indicates "Replace" indicates that the roof is a "Total Loss" and is to be replaced, and if not, that building is un-insurable. Should the roof be older than the year 2010, we would only receive the depreciation value. For any roof that is within a total reimbursement amount and not budgeted for that amount, the district will receive full reimbursement. Reimbursements are to include other fees as architect/engineering fees, any over-time fees, and any costs required to meet new building codes.

At the Regular Board of Trustees meeting held on September 13, 2023, the Board approved the Project, Proposed Budget, Request for Qualifications (RFQ's) for Professional Design Services, and Ranking Criteria for the Mission CISD Districtwide Roofing Repairs.

Advertisements in the local newspapers were posted on October 04, 2023, and October 11, 2023. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. The submission of RFQ's was on October 19, 2023, and seven (7) proposals were received. The Administration ranking team reviewed and pre-ranked the RFQ's on October 23, 2023, at 2 p.m.. After the review, Administration will then recommend the top two firms to be reviewed and ranked in order of selection. The ranking team consisted of Mr. Adrian Hernandez, Maintenance Director, Mr. Leandro Ochoa, Maintenance Coordinator, Mr. Adan Rivera, Assistant Maintenance Coordinator, Mr. Ricardo Rivera, Assistant Superintendent for Operations, and Ms. Daisy Cuevas, Purchasing Specialist, who served as the facilitator.

Administration will be presenting Approval to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQ's) for Professional Design Services for the Mission CISD Districtwide Roofing Repairs.

Note: The Board may select one or two firms for this project.

Project negotiations were held on May 10, 2024, with Ms. Leticia Barcenas from American Contracting USA, Inc., Mr. Adrian Hernandez, and Mr. Leandro Ochoa from MCISD. American Contracting USA, Inc. presented their Best and Final Offer (BAFO) of $1,454,000.00 for the Central Office and $1,088,000.00 for the Annex, or the option with Alternate #1 is $1,265,000.00 for the Central Office and $965,000.00 for the Annex. An additional $10,000.00 discount will be given if they are awarded both projects.

The Board of Trustees has the option to accept the BAFO, to decline the offer(s), and direct Administration to enter into negotiations with the next firm(s), or to reject all offer(s) and re-advertise the project using the same specifications.

If approved, Administration will work with our legal counsel to write and execute the contracts so that the design team and firm can begin immediately.

At the Special Board meeting held on June 05, 2024, the Board approved American Contracting USA, Inc. Best and Final Offer for both the Central Office and Annex.

American Contracting USA, - BAFO
$1,454,000.00 for the Central Office with Alternate #1 is $1,265,000.00 with 180 construction days. A Notice to Proceed was set forth on November 05, 2024, with substantial completion on May 04, 2025.

At the Regular Board of Trustees meeting held on February 12, 2025, the Board approved Change Order #2 for eight (8) delay days for the Mission CISD District-wide Roofing Repairs for the Mission CISD Central Office. If approved, the new substantial completion date is May 22, 2025.

At the Regular Board of Trustees meeting held on April 09, 2025, the Board approved the following three items: Construction Change Directive (CCD) #1 for the Mission CISD District-Wide Roofing Repairs for the Mission CISD Annex Building – EGV Architects

CCD#1 - On February 10th, American Contracting conducted an inspection on all the roofs of the Annex with Justin Cruz of Tremco. On roof E, American Contracting opened an area of 2x3' and found that the decking was completely deteriorated. The area they opened also had a large hole that was covered with plywood. Upon finding the corrosion, they opened up more areas. American Contracting believes most of the decking needs to be replaced. The allowance includes 100 sq ft of metal deck replacement. American Contracting is requesting to replace 704 sq ft of decking.

Allowance:	$75,000.00
CCD#1:	$10,872.00
Allowance Balance:	$64,128.00

Approval of Change Order #1 for two (2) Delay Days for the Mission CISD District-Wide Roofing Repairs for the Mission CISD Annex Building, the new substantial completion date is July 18, 2025.

Approval of Change Order #3 for three (3) Delay Days the Mission CISD District-Wide Roofing Repairs for the Mission CISD Central Office Building, the new substantial completion date is May 25, 2025.

Contingency Allowance to be credited back in the amount of $75,000.00.

Note: Substantial Completion is the stage in the progress of the Work when the
Work or designated portion thereof is sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the Work for its intended use.

Pending:
Final Completion, Less Betterment Fund Allowance, Less Liquidated Damages, and Final Payment for the Mission CISD District-Wide Roofing Repairs for the Mission CISD Central Office Building.

ADMINISTRATIVE CONSIDERATIONS

EGV Architects and American Contracting are requesting twenty-six (26) delay days due to the weather. Thus, they present Approval of Change Order #4 for the Mission CISD District-Wide Roofing Repairs for the Mission CISD Annex Building. If approved, the new substantial completion date is August 24, 2025.

FUNDING SOURCE

General Funds – Insurance Claim

Preliminary estimated insurance company reimbursement:
Central Office: $480,052.79
Annex: $48,078.05

Total Estimated Project Insurance Reimbursement: $8,527,379.00 (at this time)

As per the insurance adjuster's inspections, approximately 72 roof structures have been deemed to be replaced. Fifty-one (51) are both campus and district building roofs, and twenty-one (21) are portable building shingle roofs.

As per the insurance adjuster, the reimbursement amount is just a preliminary estimate and will be adjusted accordingly as final costs are received. Professional design fees will also be reimbursed.

SUBJECT: Approval of Construction Change Directive (CCD)#1 for Delay Days for the Mission CISD Facility Enhancement (SAFE) Project Package #2 – CG5 Architect

PRESENTER: Rick Rivera, Assistant Superintendent for Operations

BACKGROUND INFORMATION

The Texas School Safety Center requires new school safety standards and Mission CISD was awarded a Safety and Facilities Enhancement (SAFE) Grant which allows for additional funding for safety and facilities enhancement. This safety project will address the prevention of school violence and create secure learning environments and other safety enhancements districtwide. This project will support a range of activities and strategic use of funds aimed at fortifying the security infrastructure within Mission CISD schools. Key elements of the SAFE Grant include the purchase of fencing materials, emergency egress gates, anti-scaling devices, fence posts, safety measures for windows and doors, and silent panic alert technology along with other Texas Education Agency (TEA) approved school safety standards. The implementation of these safety measures aligns with the district's commitment to creating a secure and conducive learning environment for students and staff within Mission CISD.

Administration has been gathering information on the school safety grants, thus we present the Project, Proposed Budget, and Request for Qualifications (RFQ's) for Professional Design Services for the Mission CISD Safety & Facilities Enhancement Project.

If approved by the Board of Trustees the Purchasing department will proceed with advertisements for this project. Request for Qualifications (RFQ's) will be advertised for professional design services and Administration will schedule presentations to the Board for the selection. A ranking criterion will also need to be reviewed and approved.

Administration will use Competitive Sealed Proposals (CSPs) as the procurement method as approved by the Board of Trustees in the February 2021 Board of Trustees meeting. This method was approved as the primary default method for projects.

The Board of Trustees must take the necessary action in accordance with Texas Education Code 44.035 which consisted of the selection/designation of an architect and/or engineer to prepare construction documents for this project. The engineer and/or architect selected or designated will have full responsibility for complying with the Texas Engineering Practice Act (Article 3271a, Vernon's Texas Civil Statues) or Chapter 478, Acts of the 45th Legislature, Regular Session, 1937 (Article 249a, Vernon's Texas Civil Statues) as applicable.

If the engineer or architect is not a full-time employee of the District, the Board must select the engineer or architect on the basis of demonstrated competence and qualifications as provided by Section 2254.004, Government Code. The selected architect/engineer along with preparing construction documents will be required to provide MCISD with an estimated project budget.

The preliminary timeline is to advertise for RFQ's on or about February, with presentations to the Board of Trustees for evaluation and ranking in March with possible selection and approval to enter into a design contract in April. The amount of the design contract for this project will exceed the Board approved On-call threshold, thus request for RFQ's.

At the Regular Board of Trustees meeting held on January 24, 2024, the Board approved the Project, Proposed Budget, Request for Qualifications (RFQ's) for Professional Design Services, and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project.

Advertisements in local newspapers were posted from March 6, 2024, through March 21, 2024. No firms submitted any proposals during this initial time period. Administration extended the advertisement for an additional week. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. The submission of RFQ's was due on March 28, 2024, for proposals to be received. The Administration ranking team reviewed and pre-ranked the single RFQ on April 2, 2024, at 2 p.m.. After the review, Administration will then recommend the top firm to be reviewed and ranked in order of selection. The ranking team consisted of Mr. Adrian Hernandez, Maintenance Director, Mr. Leandro Ochoa, Maintenance Coordinator, Mr. Martin Castaneda Director for Safety and Security, and Ms. Anabel Garza, Purchasing Coordinator who will serve as the facilitator.

Administration presented Approval to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQ's) for the Professional Design Services, and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project. Only one firm submitted an RFQ for this SAFE project.

At the Regular Board of Trustees meeting held on April 10, 2024, the Board approved to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQs) for the Professional Design Services and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project. Only one firm submitted an RFQ for this SAFE project. CG5 Architects was the firm approved to enter into negotiations.

Project negotiations were held on April 11, 2024, April 18, 2024, and April 22, 2024, with Mr. Charlie Garcia from CG5 Architects, Mr. Ricardo Rivera, Mr. Adrian Hernandez, Mr. Joel Garcia, and Mr. Martin Castaneda from MCISD.

At the Regular Board of Trustees meeting held on May 08, 2024, the Board approved the Best and Final Offer (BAFO) for Professional Design Services for the Mission CISD Safety & Facilities Enhancement Project. CG5 Architects best and final offer (BAFO) of 7.50% of the construction cost and $3,500.00 per campus visit, evaluation, and report was approved.

The Board of Trustees had the option to accept this BAFO, or to decline the offer and to direct Administration to re-advertise the project using the same specifications.

Administration will work with our legal counsel to write and execute the contract so that the firm can begin as soon as possible.

At the Regular Board of Trustees meeting held on September 11, 2024, the Board tabled the Construction Documents for the Mission CISD Safety & Facilities Enhancement Project (Fencing) for bid package #1. The Board of Trustees directed Administration to have the design team look into different options of fencing other than chainlink fencing for those areas that have a direct visual to streets.

At this meeting, CG5 Architects presented that he continues to work on the remaining fencing projects and anticipates submitting those for approval at the October meetings.

Administration is working with CG5 Architects on packaging projects in groups of 3 – 5 and

not wait until all are complete so that we can expedite the projects as quickly as designs are ready. By packaging, it will allow for more contractors to submit proposals because it will allow smaller firms to compete. Smaller firms also may not have the bonding capacity to submit for all so by packaging it may allow them that capability to submit proposals.

At the meeting, CG5 Architects, for the first time, presented a Summary of Estimated Costs with Options 1-4 on the fencing for package #1. Options #1 & #2 are designed for chain link fencing.

Option #1 is to continue using the same system as has been done which is of extending the current 6' fencing and adding an additional 2' of fabric material.

Option #2 is to extend the fence posts the additional 2' needed and remove the existing fabric material and install new full 8' material. Mr. Garcia stated that either of these options was well below the grant budget for all the remaining campuses. The remaining campuses being addressed are eighteen (18).

Options #3 & #4 are installing a design fence fabric material with a combination of new 8' chainlink fencing fabric material.

Option #3 is providing new 8' fabric material at street sides and extended 8' fencing with new fabric material at sides and back sides.

Option #4 is providing new 8' aluminum picket fencing at street sides and extended 8' fencing with new fabric material at sides and back sides.

Mr. Garcia presented that options #3 & #4 would not be within the grant budget and exceed by over $1 million dollars. After discussing the current options and estimated costs Mr. Garcia stated that he will work on an Option #2.5 that may incorporate the others and maybe within budget. We will meet with Mr. Garcia and present this at the Regular Board Meeting.

Currently Administration is presenting to proceed with Bid Package #1 only and should an option be approved we will proceed to advertise for competitive sealed proposals. As per Mr. Garcia, the remaining packages of #2 - #4 are ready and these will be presented in November.

There was a possible concern that by extending the current 6' fence and adding the additional 2' portion that the existing support poles would not handle the additional weight. This is the system that was designed and installed by the previous grant and is being completed currently. Mr. Jose Rios, Project Architect for Sam Garcia Architects, the architect of record for the current fencing was in the audience and addressed this concern. Mr. Rios stated that all the corner support posts were replaced and any others that were deemed as possibly weak were also replaced as part of the project design and scope of work. Mr. Rios stated that there should be no issues with any fencing supports or weight.

If approved we will continue to move forward and work with our Purchasing department to advertise for competitive sealed proposals and continue with the process of selecting a contractor for consideration and approval as per our procurement process for package #1.

At the Regular Board of Trustees meeting held on October 09, 2024, the Board approved

Construction Documents and Fencing Options for the Mission CISD Safety & Facilities Enhancement Project (Fencing) – Bid Package #1(Leal, Castro, O'Grady, Pearson

Elementary and K.White Jr. High with Option 4A.

At the Regular Board of Trustess meeting held on November 13, 2024, the Board approved Construction Documents and Fencing Options for the Mission CISD Safety & Facilities Enhancement Project (Fencing) – Bid Package #2 - #4.

Schematic Design:
Rough sketches that develop a feasible conceptual design of the project.

Construction Documents:
Communicating the design intent through further refinement of the written and graphic representation of all building materials, components, and equipment that can be quantified and useful to contractors.

For Bid Package # 1 advertisements were posted from October 23, 2024, through October 30, 2024. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. A pre-proposal meeting was held on October 23, 2024 with only one vendor in attendance. The submission of CSP's were due on November 7, 2024, at 2:00 p.m. with no proposals being submitted.

For Bid Package #1 – #4 advertisements were posted from November 20, 2024, through November 27, 2024. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. A pre-proposal meeting was held on December 2, 2024 with two vendors attending. The submission of CSP's were due on December 4, 2024, at 2:00 p.m.. The Administration ranking team will review and pre-rank the CSP's. After the review, Administration will then recommend the top firms to be reviewed and ranked in order of selection. Due to the unavailability of Maintenance Staff for the ranking, the ranking team consisted of Mr. Martin Castaneda, Ms. Dora Garcia, Mr. Ricardo Rivera, with Mr. Daniel Carmona and Ms. Anabel Garza who served as the facilitators.

At the Regular Board of Trustees meeting held on December 18, 2024, the Board approved to Enter Into Negotiations in the Order of Ranking for the Mission CISD Safety & Facilities Enhancement Project Bid Package #1 - #4 (Fencing).

Bid Package #1, #3 and #4 – Excellent Fence

Bid Package #2 – SLR Building Contractors

The Board also approved amending the contract for CG5 Architects due to the TEA Intruder Detection Auditors (IDA's) Safety Regulations. CG5 Architects will be asked to provide additional design work to include the installation of 8' high gates at every overhead door at any of the districts outside gyms that require it. As per legal suggestion, this amendment can be done as a change order for CG5.

Initial negotiations were held on December 20, 2024, for Bid Packages #1, #3, and #4 with Ms. Veroncia DeAnda from Excellent Fence, Mr. Adan Rivera, Mr. Leandro Ochoa, Mr. Ricardo Rivera and Mr. Daniel Carmona from MCISD. The firms have presented their best and final offer (BAFO).

2. BAFO Bid Package No 2 Alternate No 1: $444,535.00
3. BAFO Bid Package No 2 Grand Total: $1,744,535.00
4. BAFO Bid Package No 2 Days of Completion: 145 days

The Board of Trustees has the option to accept each separate BAFO, to decline the offer(s), and direct Administration to enter into negotiations with the next firm(s), or to reject all offer(s) and re-advertise the project using the same specifications.

Administration will work with our legal counsel to write and execute the contracts so that the contractors can begin as soon as possible.

At the Board Workshop Meeting, Administration presented a comprehensive grant worksheet with the Cycle 1 & 2 safety grants received, project and amounts expended, proposed projects, deadlines, and estimated balances.

Options for fencing projects were presented on a Safety Grant Work Sheet with costs and remaining balances. Option 4 was recommended, which would construct mandated 8' tall chain link campus perimeter fencing and 8' tall decorative fencing in front and sides of campuses that face a street. This option allowed for an estimated grant balance that would allow the district to purchase a new phone system with an emergency push button away from all other phone buttons, thus limiting the accidental calling for emergency services/false alarms. This option would also allow for any balance left to be applied to cover safety and security payroll costs that are currently being paid by district general funds.

Option 4 also reduced each project bid package contingency fund from $50,000.00 each to $10,000.00 each.

Administration will work with CG5 Architects on the design for the elementary gym gates and Mission Collegiate High School pavilion fencing. This will be advertised as a separate fencing project and will use competitive sealed proposals as the procurement method, as in the previous approved fencing projects.

At the Regular Board of Trustees meeting held on January 22, 2025, the Board approved the Best and Final Offer (BAFO) for the Mission CISD Safety & Facilities Enhancement Project Bid Package #1 - 4 (Fencing) (Option 4).

BAFO Bid Package No 1 RE-BID Base Bid: $758,419.00 with Contingency $10,000.00
BAFO Bid Package No 3 Base Bid: $495,734.00 with Contingency $10,000.00
BAFO Bid Package No 4 Base Bid: $431,809.00 with Contingency $10,000.00
With 150 days of construction days. A Notice to Proceed was set forth on March 5, 2025, with substantial completion on August 1, 2025.

Bid Package No. 2 – SLR Building Contractors
BAFO Bid Package No 2 Base Bid: $1,260,000.00 with Contingency $10,000
With 145 days of construction days. A Notice to Proceed was set forth on February 24, 2025, with substantial completion on July 18, 2025.

ADMINISTRATIVE CONSIDERATIONS

CG5 Architects and SLR Building Contractors are requesting five (5) delay days due to the weather. Thus, they present Approval of Construction Change Directive (CCD)#1 for Delay Days for the Mission CISD Facility Enhancement (SAFE) Project Package #2. If approved, the new substantial completion date is July 23, 2025.

Note: A final walk-through is still pending for the project.

FUNDING SOURCE

General Funds
Safety & Facilities Enhancement (SAFE) Grant Cycle 1 - $4,768,797.00
Safety & Facilities Enhancement (SAFE) Grant Cycle 2 - $524,062.00

Note: The SAFE Grant incorporates different safety initiatives that have been approved including and not limited to fencing, window film, cameras, safety technology, etc. This particular project CG5 Architects will incorporate those safety initiatives that would pertain to his professional design services and his project total amount would reflect that.

The Business Office will submit a SAFE Grant Project amendment to transfer as much money as needed to complete the district-wide fencing project, as some money was initially allocated to other projects.

Any safety fencing and window film project amount not covered by the first grant would be transferred to the SAFE Grant for completion.

The Contractor is hereby directed to make the following change(s) in this Contract:

We are formally requesting an extension of five (5) calendar days to our project schedule due to extreme weather conditions experienced on March 25 – March 27, 2025. The torrential rainfall significantly impacted our work areas, rendering them inaccessible and preventing work from progressing as planned.
Additionally, the aftermath of the storm has left debris, fallen trees, and branches across the site, requiring extensive cleanup and remedial efforts. This unforeseen condition has further delayed our ability to resume normal construction operations. Given these circumstances, we request an adjustment to the project timeline to account for the lost time and necessary recovery efforts. Please let us know how you would like to proceed with this request.

SUBJECT: Approval of Construction Change Directive (CCD)#1 & #2 for Delay Days for the Mission CISD Facility Enhancement (SAFE) Project Packages #1,3 & 4 – CG5 Architect

PRESENTER: Rick Rivera, Assistant Superintendent for Operations

BACKGROUND INFORMATION

The Texas School Safety Center requires new school safety standards, and Mission CISD was awarded a Safety and Facilities Enhancement (SAFE) Grant, which allows for additional funding for safety and facilities enhancement. This safety project will address the prevention of school violence and create secure learning environments and other safety enhancements districtwide. This project will support a range of activities and strategic use of funds aimed at fortifying the security infrastructure within Mission CISD schools. Key elements of the SAFE Grant include the purchase of fencing materials, emergency egress gates, anti-scaling devices, fence posts, safety measures for windows and doors, and silent panic alert technology along with other Texas Education Agency (TEA) approved school safety standards. The implementation of these safety measures aligns with the district's commitment to creating a secure and conducive learning environment for students and staff within Mission CISD.

Administration has been gathering information on the school safety grants; thus, we present the Project, Proposed Budget, and Request for Qualifications (RFQ's) for Professional Design Services for the Mission CISD Safety & Facilities Enhancement Project.

If approved by the Board of Trustees, the Purchasing department will proceed with advertisements for this project. Request for Qualifications (RFQ's) will be advertised for professional design services, and Administration will schedule presentations to the Board for the selection. A ranking criterion will also need to be reviewed and approved.

Administration will use Competitive Sealed Proposals (CSPs) as the procurement method as approved by the Board of Trustees in the February 2021 Board of Trustees meeting. This method was approved as the primary default method for projects.

The Board of Trustees must take the necessary action in accordance with Texas Education Code 44.035, which consisted of the selection/designation of an architect and/or engineer to prepare construction documents for this project. The engineer and/or architect selected or designated will have full responsibility for complying with the Texas Engineering Practice Act (Article 3271a, Vernon's Texas Civil Statues) or Chapter 478, Acts of the 45th Legislature, Regular Session, 1937 (Article 249a, Vernon's Texas Civil Statues) as applicable.

If the engineer or architect is not a full-time employee of the District, the Board must select the engineer or architect on the basis of demonstrated competence and qualifications as provided by Section 2254.004, Government Code. The selected architect/engineer, along with preparing construction documents, will be required to provide MCISD with an estimated project budget.

The preliminary timeline is to advertise for RFQ's on or about February, with presentations to the Board of Trustees for evaluation and ranking in March, with possible selection and approval to enter into a design contract in April. The amount of the design contract for this project will exceed the Board approved On-call threshold; thus request for RFQ's.

At the Regular Board of Trustees meeting held on January 24, 2024, the Board approved the Project, Proposed Budget, Request for Qualifications (RFQ's) for Professional Design Services, and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project.

Advertisements in local newspapers were posted from March 6, 2024, through March 21, 2024. No firms submitted any proposals during this initial time period. Administration extended the advertisement for an additional week. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. The submission of RFQ's was due on March 28, 2024, for proposals to be received. The Administration ranking team reviewed and pre-ranked the single RFQ on April 2, 2024, at 2 p.m.. After the review, Administration will then recommend the top firm to be reviewed and ranked in order of selection. The ranking team consisted of Mr. Adrian Hernandez, Maintenance Director, Mr. Leandro Ochoa, Maintenance Coordinator, Mr. Martin Castaneda, Director for Safety and Security, and Ms. Anabel Garza, Purchasing Coordinator, who will serve as the facilitator.

Administration presented Approval to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQ's) for the Professional Design Services, and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project. Only one firm submitted an RFQ for this SAFE project.

Firms	**Points**
CG5 Architects	90.0

At the Regular Board of Trustees meeting held on April 10, 2024, the Board approved to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQs) for the Professional Design Services and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project. Only one firm submitted an RFQ for this SAFE project. CG5 Architects was the firm approved to enter into negotiations.

Project negotiations were held on April 11, 2024, April 18, 2024, and April 22, 2024, with Mr. Charlie Garcia from CG5 Architects, Mr. Ricardo Rivera, Mr. Adrian Hernandez, Mr. Joel Garcia, and Mr. Martin Castaneda from MCISD.

At the Regular Board of Trustees meeting held on May 08, 2024, the Board approved the Best and Final Offer (BAFO) for Professional Design Services for the Mission CISD Safety & Facilities Enhancement Project. CG5 Architects best and final offer (BAFO) of 7.50% of the construction cost and $3,500.00 per campus visit, evaluation, and report was approved.

The Board of Trustees had the option to accept this BAFO, or to decline the offer and to direct Administration to re-advertise the project using the same specifications.

Administration will work with our legal counsel to write and execute the contract so that the firm can begin as soon as possible.

At the Regular Board of Trustees meeting held on September 11, 2024, the Board tabled the Construction Documents for the Mission CISD Safety & Facilities Enhancement Project (Fencing) for bid package #1. The Board of Trustees directed Administration to have the design team look into different options of fencing other than chainlink fencing for those areas that have a direct visual to streets.

At this meeting, CG5 Architects presented that he continues to work on the remaining fencing projects and anticipates submitting those for approval at the October meetings.

Administration is working with CG5 Architects on packaging projects in groups of 3 – 5 and

not waiting until all are complete so that we can expedite the projects as quickly as designs are ready. By packaging, it will allow for more contractors to submit proposals because it will allow smaller firms to compete. Smaller firms also may not have the bonding capacity to submit for all, so by packaging it may allow them that capability to submit proposals.

At the meeting, CG5 Architects, for the first time, presented a Summary of Estimated Costs with Options 1-4 on the fencing for package #1. Options #1 & #2 are designed for chain link fencing.

Option #1 is to continue using the same system as has been done, which is of extending the current 6' fencing and adding an additional 2' of fabric material.

Option #2 is to extend the fence posts the additional 2' needed and remove the existing fabric material and install new full 8' material. Mr. Garcia stated that either of these options was well below the grant budget for all the remaining campuses. The remaining campuses being addressed are eighteen (18).

Options #3 & #4 are installing a design fence fabric material with a combination of new 8' chainlink fencing fabric material.

Option #3 is providing new 8' fabric material at street sides and extended 8' fencing with new fabric material at sides and back sides.

Option #4 is providing new 8' aluminum picket fencing at street sides and extended 8' fencing with new fabric material at sides and back sides.

Mr. Garcia presented that options #3 & #4 would not be within the grant budget and would exceed by over $1 million dollars. After discussing the current options and estimated costs, Mr. Garcia stated that he will work on an Option #2.5 that may incorporate the others and maybe be within budget. We will meet with Mr. Garcia and present this at the Regular Board Meeting.

Currently, Administration is presenting to proceed with Bid Package #1 only and should an option be approved we will proceed to advertise for competitive sealed proposals. As per Mr. Garcia, the remaining packages of #2 - #4 are ready and these will be presented in November.

There was a possible concern that by extending the current 6' fence and adding the additional 2' portion that the existing support poles would not handle the additional weight. This is the system that was designed and installed by the previous grant and is being completed currently. Mr. Jose Rios, Project Architect for Sam Garcia Architects, the architect of record for the current fencing, was in the audience and addressed this concern. Mr. Rios stated that all the corner support posts were replaced, and any others that were deemed as possibly weak were also replaced as part of the project design and scope of work. Mr. Rios stated that there should be no issues with any fencing supports or weight.

If approved, we will continue to move forward and work with our Purchasing department to advertise for competitive sealed proposals and continue with the process of selecting a contractor for consideration and approval as per our procurement process for package #1.

At the Regular Board of Trustees meeting held on October 09, 2024, the Board approved.

Enhancement Project (Fencing) – Bid Package #1(Leal, Castro, O'Grady, Pearson Elementary and K.White Jr. High with Option 4A.

At the Regular Board of Trustees meeting held on November 13, 2024, the Board approved Construction Documents and Fencing Options for the Mission CISD Safety & Facilities Enhancement Project (Fencing) – Bid Package #2 - #4.

Schematic Design:
Rough sketches that develop a feasible conceptual design of the project.

Construction Documents:
Communicating the design intent through further refinement of the written and graphic representation of all building materials, components, and equipment that can be quantified and useful to contractors.

For Bid Package # 1, advertisements were posted from October 23, 2024, through October 30, 2024. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. A pre-proposal meeting was held on October 23, 2024, with only one vendor in attendance. The submission of CSP's were due on November 7, 2024, at 2:00 p.m., with no proposals being submitted.

For Bid Package #1 – #4, advertisements were posted from November 20, 2024, through November 27, 2024. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. A pre-proposal meeting was held on December 2, 2024, with two vendors attending. The submission of CSP's were due on December 4, 2024, at 2:00 p.m.. The Administration ranking team will review and pre-rank the CSP's. After the review, Administration will then recommend the top firms to be reviewed and ranked in order of selection. Due to the unavailability of Maintenance Staff for the ranking, the ranking team consisted of Mr. Martin Castaneda, Ms. Dora Garcia, Mr. Ricardo Rivera, with Mr. Daniel Carmona and Ms. Anabel Garza who served as the facilitators.

At the Regular Board of Trustees meeting held on December 18, 2024, the Board approved to Enter Into Negotiations in the Order of Ranking for the Mission CISD Safety & Facilities Enhancement Project Bid Package #1 - #4 (Fencing).

Bid Package #1, #3 and #4 – Excellent Fence

Bid Package #2 – SLR Building Contractors

The Board also approved amending the contract for CG5 Architects due to the TEA Intruder Detection Auditors (IDAs) Safety Regulations. CG5 Architects will be asked to provide additional design work to include the installation of 8' high gates at every overhead door at any of the districts outside gyms that require it. As per legal suggestion, this amendment can be done as a change order for CG5.

Initial negotiations were held on December 20, 2024, for Bid Packages #1, #3, and #4 with Ms. Veroncia DeAnda from Excellent Fence, Mr. Adan Rivera, Mr. Leandro Ochoa, Mr. Ricardo Rivera, and Mr. Daniel Carmona from MCISD. The firms have presented their best and final offer (BAFO).

BAFO Bid Package No 4 Days of Completion: 150 days

Initial negotiations were held on December 20, 2024, for Bid Package #2 with Mr. Gilberto Renteria III from SLR Building Contractors, Mr. Adan Rivera, Mr. Leandro Ochoa, Mr. Ricardo Rivera, and Mr. Daniel Carmona from MCISD. The firm has presented its best and final offer (BAFO).

Bid Package No 2 – SLR Building Contractors

1. BAFO Bid Package No 2 Base Bid: $1,300,000.00 (Contingency Allowance of $50,000 included)
2. BAFO Bid Package No 2 Alternate No 1: $444,535.00
3. BAFO Bid Package No 2 Grand Total: $1,744,535.00
4. BAFO Bid Package No 2 Days of Completion: 145 days

The Board of Trustees has the option to accept each separate BAFO, to decline the offer(s), and direct Administration to enter into negotiations with the next firm(s), or to reject all offer(s) and re-advertise the project using the same specifications.

Administration will work with our legal counsel to write and execute the contracts so that the contractors can begin as soon as possible.

At the Board Workshop Meeting, Administration presented a comprehensive grant worksheet with the Cycle 1 & 2 safety grants received, project and amounts expended, proposed projects, deadlines, and estimated balances.

Options for fencing projects were presented on a Safety Grant Work Sheet with costs and remaining balances. Option 4 was recommended, which would construct mandated 8’ tall chain link campus perimeter fencing and 8’ tall decorative fencing in front and sides of campuses that face a street. This option allowed for an estimated grant balance that would allow the district to purchase a new phone system with an emergency push button away from all other phone buttons, thus limiting the accidental calling for emergency services/false alarms. This option would also allow for any balance left to be applied to cover safety and security payroll costs that are currently being paid by district general funds.

Option 4 also reduced each project bid package contingency fund from $50,000.00 each to $10,000.00 each.

Administration will work with CG5 Architects on the design for the elementary gym gates and Mission Collegiate High School pavilion fencing. This will be advertised as a separate fencing project and will use competitive sealed proposals as the procurement method, as in the previous approved fencing projects.

At the Regular Board of Trustees meeting held on January 22, 2025, the Board approved the Best and Final Offer (BAFO) for the Mission CISD Safety & Facilities Enhancement Project Bid Package #1 - 4 (Fencing) (Option 4).

Bid Package No. 1,3 & 4 - Excellent Fence
BAFO Bid Package No 1 RE-BID Base Bid: $758,419.00 with Contingency $10,000.00
BAFO Bid Package No 3 Base Bid: $495,734.00 with Contingency $10,000.00
BAFO Bid Package No 4 Base Bid: $431,809.00 with Contingency $10,000.00
With 150 days of construction days. A Notice to Proceed was set forth on March 5, 2025, with substantial completion on August 1, 2025.

Bid Package No. 2 – SLR Building Contractors
BAFO Bid Package No 2 Base Bid: $1,260,000.00 with Contingency $10,000
With 145 days of construction days. A Notice to Proceed was set forth on February 24, 2025, with substantial completion on July 18, 2025.

Pending:
Approval of Construction Change Directive (CCD)#01 for Delay Day for the Mission CISD Facility Enhancement (SAFE) Project Package #2.

ADMINISTRATIVE CONSIDERATIONS
CG5 Architects and Excellent Fence are requesting CCD#1 for eighteen (18) delay days due to the weather and CCD #2 for thirty delay days due to material delay; therefore, they are presenting Approval of Construction Change Directive (CCD) #1 & #2 for Delay Days for the Mission CISD Facility Enhancement (SAFE) Project Package #1, 3, and 4. If approved, the new substantial completion date is September 18, 2025.

FUNDING SOURCE
General Funds
Safety & Facilities Enhancement (SAFE) Grant Cycle 1 - $4,768,797.00
Safety & Facilities Enhancement (SAFE) Grant Cycle 2 - $524,062.00

Note: The SAFE Grant incorporates different safety initiatives that have been approved, including and not limited to fencing, window film, cameras, safety technology, etc. This particular project, CG5 Architects will incorporate those safety initiatives that would pertain to his professional design services, and his project total amount would reflect that.

The Business Office will submit a SAFE Grant Project amendment to transfer as much money as needed to complete the district-wide fencing project, as some money was initially allocated to other projects.

Any safety fencing and window film project amount not covered by the first grant would be transferred to the SAFE Grant for completion.

RECOMMENDATION
This agenda item was presented at the Board of Trustees Workshop on Wednesday, August 6, 2025.

The Administration presents Approval of Construction Change Directive (CCD) #1 & #2 for Delay Days for the Mission CISD Facility Enhancement (SAFE) Project Packages #1, 3, and 4.

Re: PO - Mission Schools

Veronica,
I am writing in regard to a production delay on the Mission Schools orders. Unfortunately, due to our recent paint line maintenance our delays have been extended by another week. We were unable to paint many items needed to complete the production of your material. As of today, completion of this material has been delayed for 28 days. We now expect to paint these materials next week. Shipment and delivery would be estimated for the week of July 28th. This will add approximately 12 - 15 days in delays. We will contact you once we have arranged a carrier and have an exact delivery date available.

I apologize for the further delays and inconvenience this has caused.

Sincerely,

Jennifer Ali

SUBJECT: Approval of Construction Documents for the Mission CISD Facility Enhancement (SAFE) Project for the TEA Intruder Detection Auditors (IDA's) Safety Regulations Gym Gates – CG5 Architect

PRESENTER: Rick Rivera, Assistant Superintendent for Operations

BACKGROUND INFORMATION

The Texas School Safety Center requires new school safety standards and Mission CISD was awarded a Safety and Facilities Enhancement (SAFE) Grant which allows for additional funding for safety and facilities enhancement. This safety project will address the prevention of school violence and create secure learning environments and other safety enhancements districtwide. This project will support a range of activities and strategic use of funds aimed at fortifying the security infrastructure within Mission CISD schools. Key elements of the SAFE Grant include the purchase of fencing materials, emergency egress gates, anti-scaling devices, fence posts, safety measures for windows and doors, and silent panic alert technology along with other Texas Education Agency (TEA) approved school safety standards. The implementation of these safety measures aligns with the district's commitment to creating a secure and conducive learning environment for students and staff within Mission CISD.

Administration has been gathering information on the school safety grants, thus we present the Project, Proposed Budget, and Request for Qualifications (RFQ's) for Professional Design Services for the Mission CISD Safety & Facilities Enhancement Project.

If approved by the Board of Trustees the Purchasing department will proceed with advertisements for this project. Request for Qualifications (RFQ's) will be advertised for professional design services and Administration will schedule presentations to the Board for the selection. A ranking criterion will also need to be reviewed and approved.

Administration will use Competitive Sealed Proposals (CSPs) as the procurement method as approved by the Board of Trustees in the February 2021 Board of Trustees meeting. This method was approved as the primary default method for projects.

The Board of Trustees must take the necessary action in accordance with Texas Education Code 44.035 which consisted of the selection/designation of an architect and/or engineer to prepare construction documents for this project. The engineer and/or architect selected or designated will have full responsibility for complying with the Texas Engineering Practice Act (Article 3271a, Vernon's Texas Civil Statues) or Chapter 478, Acts of the 45th Legislature, Regular Session, 1937 (Article 249a, Vernon's Texas Civil Statues) as applicable.

If the engineer or architect is not a full-time employee of the District, the Board must select the engineer or architect on the basis of demonstrated competence and qualifications as provided by Section 2254.004, Government Code. The selected architect/engineer along with preparing construction documents will be required to provide MCISD with an estimated project budget.

The preliminary timeline is to advertise for RFQ's on or about February, with presentations to the Board of Trustees for evaluation and ranking in March with possible selection and approval to enter into a design contract in April. The amount of the design contract for this project will exceed the Board approved On-call threshold, thus request for RFQ's.

At the Regular Board of Trustees meeting held on January 24, 2024, the Board approved

the Project, Proposed Budget, Request for Qualifications (RFQ's) for Professional Design Services, and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project.

Advertisements in local newspapers were posted from March 6, 2024, through March 21, 2024. No firms submitted any proposals during this initial time period. Administration extended the advertisement for an additional week. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. The submission of RFQ's was due on March 28, 2024, for proposals to be received. The Administration ranking team reviewed and pre-ranked the single RFQ on April 2, 2024, at 2 p.m.. After the review, Administration will then recommend the top firm to be reviewed and ranked in order of selection. The ranking team consisted of Mr. Adrian Hernandez, Maintenance Director, Mr. Leandro Ochoa, Maintenance Coordinator, Mr. Martin Castaneda Director for Safety and Security, and Ms. Anabel Garza, Purchasing Coordinator who will serve as the facilitator.

Administration presented Approval to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQ's) for the Professional Design Services, and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project. Only one firm submitted an RFQ for this SAFE project.

At the Regular Board of Trustees meeting held on April 10, 2024, the Board approved to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQs) for the Professional Design Services and Ranking Criteria for the Mission CISD Safety & Facilities Enhancement Project. Only one firm submitted an RFQ for this SAFE project. CG5 Architects was the firm approved to enter into negotiations.

Project negotiations were held on April 11, 2024, April 18, 2024, and April 22, 2024, with Mr. Charlie Garcia from CG5 Architects, Mr. Ricardo Rivera, Mr. Adrian Hernandez, Mr. Joel Garcia, and Mr. Martin Castaneda from MCISD.

At the Regular Board of Trustees meeting held on May 08, 2024, the Board approved the Best and Final Offer (BAFO) for Professional Design Services for the Mission CISD Safety & Facilities Enhancement Project. CG5 Architects best and final offer (BAFO) of 7.50% of the construction cost and $3,500.00 per campus visit, evaluation, and report was approved.

The Board of Trustees had the option to accept this BAFO, or to decline the offer and to direct Administration to re-advertise the project using the same specifications.

Administration will work with our legal counsel to write and execute the contract so that the firm can begin as soon as possible.

At the Regular Board of Trustees meeting held on September 11, 2024, the Board tabled the Construction Documents for the Mission CISD Safety & Facilities Enhancement Project (Fencing) for bid package #1. The Board of Trustees directed Administration to have the design team look into different options of fencing other than chainlink fencing for those areas that have a direct visual to streets.

At this meeting, CG5 Architects presented that he continues to work on the remaining fencing projects and anticipates submitting those for approval at the October meetings.

Administration is working with CG5 Architects on packaging projects in groups of 3 – 5 and not wait until all are complete so that we can expedite the projects as quickly as designs are ready. By packaging, it will allow for more contractors to submit proposals because it will allow smaller firms to compete. Smaller firms also may not have the bonding capacity to submit for all so by packaging it may allow them that capability to submit proposals.

At the meeting, CG5 Architects, for the first time, presented a Summary of Estimated Costs with Options 1-4 on the fencing for package #1. Options #1 & #2 are designed for chain link fencing.

Option #1 is to continue using the same system as has been done which is of extending the current 6' fencing and adding an additional 2' of fabric material.

Option #2 is to extend the fence posts the additional 2' needed and remove the existing fabric material and install new full 8' material. Mr. Garcia stated that either of these options was well below the grant budget for all the remaining campuses. The remaining campuses being addressed are eighteen (18).

Options #3 & #4 are installing a design fence fabric material with a combination of new 8' chainlink fencing fabric material.

Option #3 is providing new 8' fabric material at street sides and extended 8' fencing with new fabric material at sides and back sides.

Option #4 is providing new 8' aluminum picket fencing at street sides and extended 8' fencing with new fabric material at sides and back sides.

Mr. Garcia presented that options #3 & #4 would not be within the grant budget and exceed by over $1 million dollars. After discussing the current options and estimated costs Mr. Garcia stated that he will work on an Option #2.5 that may incorporate the others and maybe within budget. We will meet with Mr. Garcia and present this at the Regular Board Meeting.

Currently Administration is presenting to proceed with Bid Package #1 only and should an option be approved we will proceed to advertise for competitive sealed proposals. As per Mr. Garcia, the remaining packages of #2 - #4 are ready and these will be presented in November.

There was a possible concern that by extending the current 6' fence and adding the additional 2' portion that the existing support poles would not handle the additional weight. This is the system that was designed and installed by the previous grant and is being completed currently. Mr. Jose Rios, Project Architect for Sam Garcia Architects, the architect of record for the current fencing was in the audience and addressed this concern. Mr. Rios stated that all the corner support posts were replaced and any others that were deemed as possibly weak were also replaced as part of the project design and scope of work. Mr. Rios stated that there should be no issues with any fencing supports or weight.

If approved we will continue to move forward and work with our Purchasing department to advertise for competitive sealed proposals and continue with the process of selecting a contractor for consideration and approval as per our procurement process for package #1.

At the Regular Board of Trustees meeting held on October 09, 2024, the Board approved

Construction Documents and Fencing Options for the Mission CISD Safety & Facilities Enhancement Project (Fencing) – Bid Package #1(Leal, Castro, O'Grady, Pearson Elementary and K.White Jr. High with Option 4A.

At the Regular Board of Trustess meeting held on November 13, 2024, the Board approved Construction Documents and Fencing Options for the Mission CISD Safety & Facilities Enhancement Project (Fencing) – Bid Package #2 - #4.

Schematic Design:
Rough sketches that develop a feasible conceptual design of the project.

Construction Documents:
Communicating the design intent through further refinement of the written and graphic representation of all building materials, components, and equipment that can be quantified and useful to contractors.

For Bid Package # 1 advertisements were posted from October 23, 2024, through October 30, 2024. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. A pre-proposal meeting was held on October 23, 2024 with only one vendor in attendance. The submission of CSP's were due on November 7, 2024, at 2:00 p.m. with no proposals being submitted.

For Bid Package #1 – #4 advertisements were posted from November 20, 2024, through November 27, 2024. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. A pre-proposal meeting was held on December 2, 2024 with two vendors attending. The submission of CSP's were due on December 4, 2024, at 2:00 p.m.. The Administration ranking team will review and pre-rank the CSP's. After the review, Administration will then recommend the top firms to be reviewed and ranked in order of selection. Due to the unavailability of Maintenance Staff for the ranking, the ranking team consisted of Mr. Martin Castaneda, Ms. Dora Garcia, Mr. Ricardo Rivera, with Mr. Daniel Carmona and Ms. Anabel Garza who served as the facilitators.

At the Regular Board of Trustees meeting held on December 18, 2024, the Board approved to Enter Into Negotiations in the Order of Ranking for the Mission CISD Safety & Facilities Enhancement Project Bid Package #1 - #4 (Fencing).

Bid Package #1, #3 and #4 – Excellent Fence

Bid Package #2 – SLR Building Contractors

The Board also approved amending the contract for CG5 Architects due to the TEA Intruder Detection Auditors (IDA's) Safety Regulations. CG5 Architects will be asked to provide additional design work to include the installation of 8' high gates at every overhead door at any of the districts outside gyms that require it. As per legal suggestion, this amendment can be done as a change order for CG5.

Initial negotiations were held on December 20, 2024, for Bid Packages #1, #3, and #4 with Ms. Veroncia DeAnda from Excellent Fence, Mr. Adan Rivera, Mr. Leandro Ochoa, Mr. Ricardo Rivera and Mr. Daniel Carmona from MCISD. The firms have presented their best and final offer (BAFO).

Bid Package No 1 – Excellent Fence

1. BAFO Bid Package No 1 RE-BID Base Bid: $758,419.00

Initial negotiations were held on December 20, 2024, for Bid Package #2 with Mr. Gilberto Renteria III from SLR Building Contractors, Mr. Adan Rivera, Mr. Leandro Ochoa, Mr. Ricardo Rivera, and Mr. Daniel Carmona from MCISD. The firm has presented its best and final offer (BAFO).

Bid Package No 2 – SLR Building Contractors

1. BAFO Bid Package No 2 Base Bid: $1,300,000.00 (Contingency Allowance of $50,000 included)
2. BAFO Bid Package No 2 Alternate No 1: $444,535.00
3. BAFO Bid Package No 2 Grand Total: $1,744,535.00
4. BAFO Bid Package No 2 Days of Completion: 145 days

The Board of Trustees has the option to accept each separate BAFO, to decline the offer(s), and direct Administration to enter into negotiations with the next firm(s), or to reject all offer(s) and re-advertise the project using the same specifications.

Administration will work with our legal counsel to write and execute the contracts so that the contractors can begin as soon as possible.

At the Board Workshop Meeting, Administration presented a comprehensive grant worksheet with the Cycle 1 & 2 safety grants received, project and amounts expended, proposed projects, deadlines, and estimated balances.

Options for fencing projects were presented on a Safety Grant Work Sheet with costs and remaining balances. Option 4 was recommended, which would construct mandated 8’ tall chain link campus perimeter fencing and 8’ tall decorative fencing in front and sides of campuses that face a street. This option allowed for an estimated grant balance that would allow the district to purchase a new phone system with an emergency push button away from all other phone buttons, thus limiting the accidental calling for emergency services/false alarms. This option would also allow for any balance left to be applied to cover safety and security payroll costs that are currently being paid by district general funds.

Option 4 also reduced each project bid package contingency fund from $50,000.00 each to $10,000.00 each.

Administration will work with CG5 Architects on the design for the elementary gym gates and Mission Collegiate High School pavilion fencing. This will be advertised as a separate fencing project and will use competitive sealed proposals as the procurement method, as in the previous approved fencing projects.

At the Regular Board of Trustees meeting held on January 22, 2025, the Board approved the Best and Final Offer (BAFO) for the Mission CISD Safety & Facilities Enhancement Project Bid Package #1 - 4 (Fencing) (Option 4).

Bid Package No. 1,3 & 4 - Excellent Fence
BAFO Bid Package No 1 RE-BID Base Bid: $758,419.00 with Contingency $10,000.00
BAFO Bid Package No 3 Base Bid: $495,734.00 with Contingency $10,000.00

BAFO Bid Package No 4 Base Bid: $431,809.00 with Contingency $10,000.00
With 150 days of construction days. A Notice to Proceed was set forth on March 5, 2025, with substantial completion on August 1, 2025.

Bid Package No. 2 – SLR Building Contractors
BAFO Bid Package No 2 Base Bid: $1,260,000.00 with Contingency $10,000
With 145 days of construction days. A Notice to Proceed was set forth on February 24, 2025, with substantial completion on July 18, 2025.

Pending:
Approval of Construction Change Directive (CCD)#01 for Delay Days for the Mission CISD Facility Enhancement (SAFE) Project Package #2.

Approval of Change Order #1 for Delay Days for Delay Days for the Mission CISD Facility Enhancement (SAFE) Project Package #1,3 & 4.

ADMINISTRATIVE CONSIDERATIONS
CG5 Architects and Administration continue to meet on the designs. CG5 Architects present Construction Documents for the Mission CISD Facility Enhancement (SAFE) Project for the TEA Intruder Detection Auditors (IDA's) Safety Regulations for the Gym Gates. CG5 Architects is to present an updated estimated construction cost.

These additional gym gates were presented at the December 18, 2024, Regular Board of Trustees Meeting. These additional gate projects will be advertised using competitive sealed proposals to allow other vendors the opportunity to bid for the work.

The scope of work is to install 8' tall chain link fencing and gates at each elementary gym garage door opening. At Mission Collegiate High School, since it's a completely open-air pavilion, it will have chain link fencing surrounding it.

Schematic Design:
Rough sketches that develop a feasible conceptual design of the project.

Construction Documents:
Communicating the design intent through further refinement of the written and graphic representation of all building materials, components, and equipment that can be quantified and useful to contractors.

FUNDING SOURCE
General Funds
Safety & Facilities Enhancement (SAFE) Grant Cycle 1 - $4,768,797.00
Safety & Facilities Enhancement (SAFE) Grant Cycle 2 - $524,062.00

Note: The SAFE Grant incorporates different safety initiatives that have been approved including and not limited to fencing, window film, cameras, safety technology, etc. This particular project CG5 Architects will incorporate those safety initiatives that would pertain to his professional design services and his project total amount would reflect that.

The Business Office will submit a SAFE Grant Project amendment to transfer as much money as needed to complete the district-wide fencing project, as some money was initially allocated to other projects.

Any safety fencing and window film project amount not covered by the first grant would be

transferred to the SAFE Grant for completion.

RECOMMENDATION

This agenda item was presented at the Board of Trustees Workshop on Wednesday, August 6, 2025.

SUBJECT: Approval of Best and Final Offer (BAFO) for the Mission CISD Jose "Joe Correa Jr. Agricultural Science Lab Construction Project – PBK Architects

PRESENTER: Rick Rivera, Assistant Superintendent for Operations
Jorge Flores, Director for Career and Technical Education

BACKGROUND INFORMATION

In May of 2008, a successful construction bond election was concluded for a total amount of $59,000,000.00. In August of 2008, the Texas Education Agency (TEA) approved the District's application for the Instructional Facilities Allotment (IFA) program.

During the district-wide needs assessment for 2006 and 2008, bond construction and renovation projects were identified and subsequently ranked by priority. The projects selected by this process were funded and completed. There continued to be a need district-wide for improvements that were not funded by either the 2006 or 2008 bonds.

On Saturday, March 24, 2012, a Facilities Committee Bond Workshop was held to consider projects utilizing the remaining funds from the proposed new elementary school, which no longer was to be built.

At the Facilities Committee meeting held on April 11, 2012, one of the projects discussed for possible Board recommendation was the renovation and construction of the Agricultural Science Facility.

At the Regular Board of Trustees meeting held on Wednesday, April 18, 2012, the Board approved PBK Architects for administrative construction services for the renovations at the Agricultural Science Facility. At this same meeting, the Board approved a total budget of $700,000.00 for the renovations.

The new facility will provide additional holding pens for goats, sheep, pigs, hogs, and steers with wash racks, sand pits, lighting, and a parking area. If the budget allows, a possible show arena, classroom, office, concession area, etc., may be built. The Agricultural Science Facility would be utilized by the district's agricultural and FFA programs.

At the Facilities Committee meeting held on Wednesday, December 05, 2012, PBK presented preliminary drawings of potential renovations and additions to the site, along with preliminary drawings of a new MCISD driveway and parking area. Discussed at the meeting were possible budget constraints, particularly what the Agricultural instructors at both high schools are initially recommending. Possibly, only a driveway and parking area may be able to be constructed with the current budget.

At the Regular Board of Trustees meeting held on Wednesday, January 23, 2013, the Board considered and approved PBK Architects for a master plan design assessment for the agricultural science facilities renovation project. At this same Board of Trustees meeting, the Board decided to proceed to only fund the driveway and parking area at this time.

At the Facilities Committee meeting held on May 07, 2014, Committee Members reviewed two options for a master plan for the Agricultural Science Facility. After numerous design meetings with the Agricultural Instructors from both MHS and VMHS, PBK Architects presented a master plan. The master plan incorporated those recommended suggestions into two designs. One design is to construct one large facility to be shared by both schools. The second design is for individual facilities. The plan consists of individual hog, pig, goat,

lamb, and steer pens, with storage rooms, classrooms, concession stands, wash racks, an arena, loading shoots, and parking lots. To proceed with the project, the Board of Trustees must approve the construction project, approve an estimated total construction budget, approve the procurement method, and select an architect for the full design, development, and administration. The Facilities Committee tabled this project due to the probability that the master plan would be over budget.

The administration continued to meet with MHS and VMHS Agricultural Instructors, along with PBK Architects, on the master plan and has agreed to a conceptual preliminary design that will be suitable for both instructors and campuses. The next phase of this project is requesting consideration and approval for the construction of a new Agricultural Science Facility and a proposed budget.

At the Special Board of Trustees Meeting held on Wednesday, October 01, 2014, the Board approved the construction of a new Ag Facility and Budget.

At the Regular Board of Trustees Meeting held on Wednesday, March 11, 2015, the Board approved "Final" designs. PBK Architects will proceed to complete construction documents. The construction of the driveway and parking lot is under a separate budget and contract. Mr. Javier Hinojosa, Civil Engineering, is under contract for this portion of the work.

At the Special Board of Trustees meeting held on Wednesday, August 26, 2015, the Board approved entering into a contract with D. Wilson Construction.

General Funds	
Construction Budget:	$2,750,000.00
Total Construction Budget:	$3,500,000.00
Wilson Const. BAFO:	$2,607,000.00

Project final completion: 08/20/2016

At the Regular Board of Trustees Meeting held on November 11, 2020, the Board was informed that discussions with the previous Administration were held concerning what to do with the old agricultural farm. Discussions centered on the that the old farm was in bad shape structurally and aesthetically and needed to be torn down since we now had built a new facility for both campuses. Discussions then were held on trying to keep some of the structure, pour concrete flooring, install tables, and make this into a picnic area. This did not occur and was not a priority project.

Recently, parents and students continue to use these old facilities. Upon inspecting the conditions and makeshift electrical and power installations, we declared that this area was not safe, and the maintenance department proceeded to disconnect all electrical power to these buildings due to a potential fire and electrical hazard.

The question has now been asked, what are we to do with these old structures, thus, this presentation to the Board of Trustees. Current pictures are attached to show the conditions of the buildings. A consideration is that the center structure is demolished due to its poor condition. With work and funding, possibly the west and east structures may be salvaged for temporary holding pen(s) during livestock shows at the new facility. The other structure may be converted into a picnic area. Work that would need to be done is: (not all-inclusive)

- Demolition of at least one structure

- Removal of old electrical, plumbing, and camera devices
- Sandblasting of the structures
- Preparing and painting the structures
- Concrete flooring
- New installation of electrical, plumbing, and camera/security systems
- Possible repairs of pens
- Civil work
- Does not include any roofing work

Administration recommends Consideration and Approval of the Project and Proposed Budget for the Demolition of the Old Agricultural Science Barns Project.

Due to the increasing number of animal science projects for both Mission High School and Veterans Memorial High School, the CTE department is requesting to increase the number of animal pens at the current facility. The plan is for the current hog and goat/lamb pens to be split into two pens, allowing additional project animals. This project will be a turn-key construction project to include the additional electrical outlets and water troughs needed. Due to the nature of the project, design engineering will be required. PBK Architects was the original design team for the Agricultural Science Barn.

At the Regular Board of Trustees meeting held on August 11, 2021, the Board approved the project, proposed the budget, and utilized the on-call professional services for the Additional Animal Pens for the Agricultural Science Barns Project – PBK Architects. PBK Architects estimated project cost is $50,000.00

At the Regular Board of Trustees meeting held on February 09, 2022, the Board approved the Schematic Design for the Additional Animal Pens for the Agricultural Science Barns Project – PBK Architects. Designs have been reviewed and approved by staff.

<u>Schematic Design:</u>
Rough sketches that develop a feasible conceptual design of the project.

<u>Construction Documents:</u>
Communicating the design intent through further refinement of the written and graphic representation of all building materials, components, and equipment that can be quantified and useful to contractors.

At the Regular Board meeting held on April 13, 2022, the Board approved the Final Design for the Additional Animal Pens for the Agricultural Science Barns Project.

Existing animal pens – 48 pens
Additional animal pens – 28 pens
Total animal pens: 76 pens

Advertisements in the local newspapers were posted on May 11, 2022, and May 23, 2022. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. The bid opening was on June 9, 2022, and received two (2) proposals were received. The Administration Ranking Team reviewed the rankings on June 21, 2022, they were ranked using the approved criteria.

At the Regular Board of Trustees meeting held on Wednesday, August 10, 2022, the Board approved Consideration and Approval of Rankings and Enter Into Negotiations in the Order

of Ranking for the Additional Animal Pens for the Agricultural Science Barns Project – 8/A Builders.

Firm	Proposal	Pts.
8/A Builders	$66,000.00	93.7
G&G Contractors	$259,800.00	67.0

A virtual project negotiations meeting was held on August 15, 2022, with Mr. Adan Rivera, Mr. Adrian Hernandez from MCISD, and Mr. Arnoldo Ochoa. from 8/A Builders. During the negotiations, 8/A Builders presented as their Best and Final Offer (BAFO) $75,000.00 with an increase of $9,000.00 from their initial proposal of $66,000.00 with 84 days of construction time from the notice to proceed (NTP).

The Board of Trustees has the option to accept this BAFO, to decline the offer and direct Administration to enter into negotiations with the next contractor, or to reject all offers and re-advertise the project using the same specifications and design, or direct the engineer to re-design the project.

If approved, the Administration will work with our legal counsel to write and execute the contract so that the contractor can begin as soon as possible.

At the Regular Board Meeting held on Wednesday, September 21, 2022, the Board approved Consideration and Approval to Accept the Best and Final Offer (BAFO) for the Additional Animal Pens for the Agricultural Science Barns Project.

8/A Builders $75,000.00 with 84 days of construction time from notice to proceed (NTP). Notice to proceed (NTP) was to be issued on Monday, October 17, 2022, with a Substantial Completion date of January 9, 2023.

At the meeting on Wednesday, October 12, 2022, Mission CISD, 8/A Builders, and PBK Architects discussed the notice to proceed (NTP) timing for the commencement of the construction of additional pens at the Joe Correa Ag Farm. It was previously discussed the NTP to be either Friday, October 07, 2022 or Monday, October 17th, however, in review of the timing commencing the project now would not be in the best interest of our students and their projects due to many projects already in their pens and new projects arriving weekly and the RGV Livestock Show being in March.

In the meeting, MCISD offered two options, one of which was to terminate the contract entirely or to keep the contract, and PBK would then issue a change order now with a new notice to proceed date of March 26, 2023, as was the date given by Mr. Sergio Pena, CTE Director. By this date, Mr. Pena is to have parents and students vacant the facility of all projects from the pens. As per the meeting, there may possibly be a few steers still being housed on the south end of the building, and this should not be an issue. This option of delaying the project until March of 2023 was accepted by 8/A Builders. This was presented at the Regular Board of Trustees meeting held on Wednesday, October 12, 2022.

PBK Architects will submit a change order reflecting the change of notice to proceed. Also discussed was that any current expenses that have been incurred to date may be invoiced through the standard pay application process, and they will be reviewed and processed for

payment if approved. Furthermore, it was discussed that due to the continuous rising costs of materials and possible delays, all materials needed for this project should be purchased now and stored, and can be invoiced for payment. The original NTP was to be in October,

so materials should have already been ordered and likely stored. we are not anticipating change orders for the cost of material increases. Only the Board of Trustees can approve change orders for additional time or additional costs. Due to the current use of the building by the CATE/FFA Program, an extension time of two hundred forty-five (245) days is requested.

At the Regular Board of Trustees meeting held on November 09, 2022, the Board approved, Change Order #1 for Delay Days for the Additional Animal Pens for the Agricultural Science Barns Project. If approved, the new construction start date is March 27, 2023, and the new substantial completion date will be June 19, 2023.

At the Regular Board of Trustees meeting held on May 10, 2023, the Board approved, Consideration, and Approval of Substantial Completion of the Additional Animal Pens for the Jose "Joe" Correa Jr. Agricultural Science Lab Project.

Note: Substantial Completion is the stage in the progress of the Work when the Work or designated portion thereof is sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the Work for its intended use.

At the Regular Board meeting held on June 21, 2023, the Board approved Final Completion, Less Betterment Fund Allowance, Less Liquidated Damages, and Final Payment for the Jose "Joe" Correa Jr. Agricultural Science Lab Project. The project was completed on time with all punch list items completed. This project has no liquidated damages, and the owner's contingency balance is to be credited back for the amount of $10,000.00.

The Career and Technical Education Program (CTE), is proposing two additional construction projects at the Jose "Joe" Correa Jr. Agricultural Science Lab Facility.

Electrical

During the initial construction of Jose Correa Agricultural Farm, electrical plugs for fans were not installed on the southside of the farm. This was not done because the number of animals at the time did not merit the need for such. The growing interest has now changed the number of animal projects and needs at the farm. We have added new steer pens, and this requires upgrades to the electrical infrastructure. The electrical circuits at the agricultural farm are being overloaded by students attempting to cool animals in this area. Electrical extension cords are used to run electricity for fans. These overload current circuits and cause the electrical breakers to shut off very frequently. This is caused by current wires overheating from the overloaded circuit. Some of the potential risks of this

are an electrical fire, student safety by all the extension cords run, and the safety of animals at the farm. Funding for this project will be from general funds.

Bird Control

The open structure at the farm, nesting areas, and the food fed to student project animals have invited some unwanted birds to the FFA farm. We are looking to remedy the situation by adding bird prevention methods, of spikes and/or mesh. The main problem is pigeons, but there are other types of birds that nest in the facility. Birds carry a great deal of diseases that have caused the demise of several student projects in the past. The birds' fecal matter is being swept in animal pens. Furthermore, birds swim in drinking water troughs, which results in project animal illnesses. The project animals develop diarrhea, and may also result in coccidiosis. These conditions counter-effect the steady progression of fattening the animal for shows. Bird fecal matter is left on corral rails. These bird types of diseases are known to also be transmitted to humans, causing a safety issue for students. Funding for this project will be from general funds.

On October 10, 2023, Mr. Gerardo Gonzalez, CTE Director, met with the campuses Agricultural Instructors at the facility to discuss their needs and a plan if this agenda was to be approved. The Instructors asked for the electrical outlets for the south steer pens and the temporary pens located in the south center areas. They also have requested that wire mesh be installed on the exterior perimeter of the building. The mesh will extend from the top of the exterior wall to the roof to cover all open areas. The purpose is to try to prevent any birds from entering the areas with animal projects. Wire mesh will also be used to cover the door and other openings for the prevention of birds. As per the meeting, the dates available for work to be done will be from March 25th – July 21st, 2024.

Teacher commitments:

All teachers have agreed to teach their students and make themselves and students responsible for keeping doors closed. This will be done as a classroom lesson that includes maintaining to the best possible the farm area. The lessons will emphasize the expectations on how to secure doors so that birds are kept out of the facility as much as possible. If the electrical project extends after these dates, Teachers will move any animals away from areas where work is being done to allow for the completion of the electrical project.

The Board of Trustees must take the necessary action in accordance with Texas Education Code 44.035, which consisted of the selection/designation of an architect and/or engineer to prepare construction documents for this project. The engineer and/or architect selected or designated will have full responsibility for complying with the Texas Engineering Practice Act (Article 3271a, Vernon's Texas Civil Statues) or Chapter 478, Acts of the 45th Legislature, Regular Session, 1937 (Article 249a, Vernon's Texas Civil Statues) as applicable.

If the engineer or architect is not a full-time employee of the District, the Board must select the engineer or architect on the basis of demonstrated competence and qualifications as provided by Section 2254.004, Government Code. The selected architect/engineer, along with preparing construction documents, will be required to provide MCISD with an estimated project budget.

Administration will use Competitive Sealed Proposals (CSPs) as the procurement method, as approved by the Board of Trustees in the February 2021 Board of Trustees meeting. This method was approved as the primary default method for projects.

At the Regular Board of Trustees meeting held on November 08, 2023, the Board approved Consideration and Approval of the Project, Proposed Budget, and Utilize the On-call Professional Services of PBK Architect for the Mission CISD Jose “Joe” Correa Jr. Agricultural Science Lab Construction Project.

PBK Architects, Campus Administration, respective Campus Agricultural Instructors, Mr. Gerardo Gonzalez-CTE Director, and Administration have continued to meet on the design as per the scope of work and budget approved by the Board of Trustees.

On Wednesday, May 22, 2024, a meeting was held with each respective H.S. Ag Instructor(s) and an Asst. Principal (Principals were not available), along with Mr. Adrian, Mr. Gonzalez, PBK MEP Engineer Mr. Joe Dahr, and myself, to finalize the plans and specifications in preparation to advertise for contractors. VMHS was in agreement with Option I which consisted of the bird screen and those electrical improvements and additions that both H.S. had originally requested. This scope of work was what was originally asked for by both H.S. and was presented and approved by the Board of Trustees with a budget of $103,000.00, which included design fees. The design fee is $35,000.00, which leaves a balance of $68,000.00 for construction. With preliminary estimates from PBK, we will be a little short on the funding; however, we will not know until we receive actual proposals. Option I was designed with the input from both campuses.

After meeting with VMHS and they approved Option I, we proceeded to MHS and met with them for their possible final approval. While discussing the project and Option I, they are requesting additional work to be done at the Ag facility, which was not in the original request and not in the scope of work being designed by PBK. In addition to the bird screen and the electrical outlets they initially requested, they are requesting:

- That the most recent electrical outlets installed when we added the additional animal pens (May 2023) be raised at approximately a six-foot height level. These most recent outlets are on top of the masonry walls, which are at about 42” from the ground. They are requesting for all of them to be mounted higher because, at this level, they state that the animals are chewing on the heat lamp and fan cords that they each install. They request that all of this be raised so the animals do not chew on the cords; however, this entails designing and building a metal structure to mount the outlets and strong enough to sustain the weight of whatever they plug in, such as the heaters and fans, plus the design and cost of moving the electrical outlets higher

- MHS states that the 9’ high exterior brick walls are too high to allow sufficient air circulation into the building and that the animals may get sick or even die due to not enough air ventilation at ground level. They are requesting that fans be installed throughout the facility at ground level, which will entail more electrical work, or that air vents be installed into the masonry walls all around the facility to possibly provide air ventilation at ground level. More structural design work and cost will be required.

At this MHS meeting, it was communicated that the original scope of work that was requested and the budget that the Board approved was what PBK Architects was contracted to design, and that due to these additional requests, the project cannot move forward.

Only the Board of Trustees has the authorization to approve a change of scope of work, and only the Board can approve a change in the project budget. PBK Architects are not

authorized to design or work outside the scope of work and the estimated established project budget; thus, they have been directed to cease design work until further direction.

Cost estimates for the additional work suggested will not be known until a more definite request is discussed and engineering and design work is done.

The additional requested work will require changing the scope of work and budget, thus, the presentation to Change Scope of Work and Budget for the Mission CISD Jose “Joe” Correa Jr. Agricultural Science Lab Construction Project.

The Board of Trustees had the option to approve the recommendations or direct PBK Architects and Administration to proceed as per the original scope of work and estimated budget.

Campus Administration, CTE Department, and respective Agricultural Instructors have been given the approval to bring in animal projects into the facility. Should the project begin, contractors will work collaboratively with the Instructors on temporarily relocating animal projects within the facility as needed.

Note: Prior to the Board meeting, visits was conducted to other Ag Facilities and communications was scheduled with field experts concerning the additional requests. Information was presented at the meeting.

At the Regular Board of Trustees meeting held on June 19, 2024, the Board approved to proceed with the original scoop of work and budget for the Mission CISD Jose “Joe” Correa Jr. Agricultural Science Lab Construction Project.

At the Regular Board of Trustees meeting held on December 18, 2024, the Board approved Construction Documents for the Mission CISD Jose “Joe” Correa Jr. Agricultural Science Lab Construction Project. Mr. Gerardo Gonzalez, CTE Director, has reviewed and approved the designs. PBK Architects presented an updated estimated construction cost.

Schematic Design:
Rough sketches that develop a feasible conceptual design of the project.

Construction Documents:
Communicating the design intent through further refinement of the written and graphic representation of all building materials, components, and equipment that can be quantified and useful to contractors.

Advertisements were posted from January 08, 2025, through January 23, 2025. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. A pre-proposal meeting was held on January 16, 2025. The submission of CSPs were due on January 23, 2025, at 2:00 p.m., with four (4) proposals submitted. The Administration ranking team reviewed and pre-ranked the CSP’s. After the review, Administration will then recommend the top firms to be reviewed and ranked in order of selection. The ranking team consisted of Mr. Adrian Hernandez, Mr. Leandro Ochoa, and Mr. Ricardo Rivera, with Mr. Daniel Carmona and Ms. Anabel Garza who served as the facilitators.

Pre-ranking of proposals by Administration is merely a district process to pre-check if all requested documents and information in the request for proposals (RFP) was submitted. The pre-ranking of proposals is strictly unofficial. The Board of Trustees has the option to accept Administrations ranking or has the option to re-rank.

At the Board of Trustees Workshop on Wednesday, February 05, 2025, Administration presented Consideration and Approval to Enter Into Negotiations in the Order of Ranking for the General Construction Services and Ranking Criteria for the Mission CISD Jose "Joe Correa Jr. Agricultural Science Lab Construction Project.

Company	**Base Bid**	**Days**	**Points**
Calidad Const.	$90,000.00	50	85
8/A Builder	$94,800.00	60	84
SKOE Lite	$148,273.00	60	54
Urbe 21	$97,914.18	75	43

After reviewing the rankings and the closeness of the point totals, my office and Administration decided to once again reconvene the ranking team to review the vendor packets and review them for accuracy.

Initially, Mr. Adrian Hernandez reviewed one vendor packet, Mr. Leandro Ochoa reviewed one vendor packet, and I reviewed two vendor packets. Mr. Carmona and Ms. Garza were just the facilitators of the process and did not rank.

On Friday, February 7, 2025, Mr. Hernandez, Mr. Ochoa, and myself reviewed the vendor packets once again, with each of us evaluating all four packets. Mr. Carmona, Ms. Garza, and Ms. Sylvia Cruz were the facilitators.

Once the review was completed, the individual totals were then averaged for each vendor. As you will see as per the attachment and the rankings below, there were some changes in the ranking score per each question, which did change the final rankings, this was unintentional and an honest oversight and has been corrected for the February's Regular Board of Trustees Meeting.

Company	**Base Bid**	**Days**	**Points**
8/A Builder	$94,800.00	60	94
Calidad Const.	$90,000.00	50	74
SKOE Lite	$148,273.00	60	54
Urbe 21	$97,914.18	75	43

Upon discussing this with the group and the process, the Business & Finance Office, in conjunction with the Purchasing Department, will make recommended adjustments to the process along with recommendations to make the ranking form simpler and more objective allowing the vendors to submit a more comprehensive package of what we are requiring while also making it simpler for those ranking. The Purchasing Department will make the

recommended changes to the form and have our legal counsel review them. The Purchasing Department will then submit the revised form for Board approval.

Another recommendation is to follow the process of all ranking participants reviewing and ranking each package, and then averaging each individual score for a total score. The Business & Finance Department, along with the Purchasing Department, are reviewing the

ranking sheet for possible changes, along with improving the entire process to avoid any future oversights.

The attachments will be the first Bid Tabulation Sheet, the first Bid Ranking Sheet, and the initial individual ranking sheets. Also attached will be the final reviewed package.

At the Regular Board meeting held on February 12, 2025, the administration recommends to table this item.

At the Regular Board meeting held on April 9, 2025, the Board approved the new procurement bid evaluation process refinements. Additionally, transitioning from paper-based evaluations to electronic evaluations through the Bonfire software.

Advertisements were posted from May 7, 2025, through May 14, 2025. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. A pre-proposal meeting was held on May 15, 2025. The submission of CSPs was due on May 22, 2025, at 2:00 p.m.. The Administration ranking team will review and pre-rank the CSPs. After the review, Administration will then recommend the top firms to be reviewed and ranked in order of selection.

ADMINISTRATIVE CONSIDERATIONS

Initial negotiations were held on June 23, 2025 with Mr. Arnold Ochoa from 8/A Builder, Mr. Epigmenio Gonzalez, Mr. Leandro Ochoa, and Mr. Adan Rivera from MCISD. The firm has presented its best and final offer (BAFO) with no change to its original offer.

The Board of Trustees has the option to accept the BAFO, to decline the offer(s), and direct Administration to enter into negotiations with the next firm(s), or to reject all offer(s) and re-advertise the project using the same specifications.

If approved, Administration will work with our legal counsel to write and execute the contracts so that the contractor can begin as soon as possible.

Best and Final Offer

RE: **MCISD Jose " Joe " Correa Jr. Agricultural Science Lab Construction – Bird Control and Electrical Upgrades Project**

Dear Mr. Rivera and MCISD Team,

On behalf of 8/A Builders, LLC, we are pleased to submit our Best and Final Offer for the **MCISD Jose "Joe " Correa Jr. Agricultural Science Lab Construction – Bird Control and Electrical Upgrades Project**. This proposal is based on the previously submitted Re-Bid dated May 22nd, 2025, with a total of one hundred four thousand eight hundred dollars and zero cents ($104,800.00).

We are grateful for the opportunity to work with Mission CISD on this project and are confident in our ability to deliver high-quality results within the required timeframe.

Thank you for your time and consideration. Please do not hesitate to contact us should you need any additional information. We look forward to the possibility of working together.

SUBJECT: Approval of Change of Scope of Work and Budget for the Mission CISD Discus/Shot Put at VMHS - PBK Architect

PRESENTER: Rick Rivera, Assistant Superintendent for Operations

BACKGROUND INFORMATION

MCISD engaged PBK Architects for on-call professional services to conduct an assessment. On April 4, 2024, PBK Architects submitted an assessment report regarding the Mission CISD VMHS discus netting system. The recommendations include demolishing the existing concrete pad and fencing and installing a new concrete pad that incorporates pole footing and netting.

The Board of Trustees must take the necessary action in accordance with Texas Education Code 44.035, which consisted of the selection/designation of an architect and/or engineer to prepare construction documents for this project. The engineer and/or architect selected or designated will have full responsibility for complying with the Texas Engineering Practice Act (Article 3271a, Vernon's Texas Civil Statues) or Chapter 478, Acts of the 45th Legislature, Regular Session, 1937 (Article 249a, Vernon's Texas Civil Statues) as applicable.

If the engineer or architect is not a full-time employee of the District, the Board must select the engineer or architect on the basis of demonstrated competence and qualifications as provided by Section 2254.004, Government Code. The selected architect/engineer, along with preparing construction documents, will be required to provide MCISD with an estimated project budget.

The Administration will utilize the prior on-call professional services agreement for the project that conducted the assessment.

Administration will not use the primary default method delivery of Competitive Sealed Proposals (CSPs) as the procurement method as approved by the Board of Trustees in the January 2021 Board of Trustees meeting. The procurement delivery method will be Job Order Contracting (JOC's). This method may be used for smaller projects.

At the Regular Board of Trustees meeting held on February 12, 2025, the Board approved the Project, Proposed Budget, and Procurement Method for the Mission CISD Discus/Shot Put at VMHS.

The request for JOC proposals was made on May 18, 2025, with one response. Celso Gonzalez Construction, Inc., with a base proposal of $31,750.00 and 21 construction days.

ADMINISTRATIVE CONSIDERATIONS

The MCISD Athletic Department has requested a change in the location of the discus placement at the VMHS athletic field with additional concrete work to be done. Thus, they present for Approval of Change of Scope Work and Budget for the Mission CISD Discus/Shot Put at VMHS.

Estimated cost for the changes is $3,000.00 and would be taken from the contingency of the project.

SUBJECT: Approval of Records Destruction

PRESENTER: Valerie Marie Uresti, Coordinator Fixed Assets/Warehouse/Textbooks /Records
Ricardo Rivera, Assistant Superintendent for Operations

BACKGROUND INFORMATION

According to the Retention period, it means the minimum time that must pass after the creation, recording, or receipt of a record, or the fulfillment of certain actions associated with a record, before it is eligible for destruction. *Local Gov't Code 201.003(16)*

In accordance with Board Policy Local Gov't Code 202.001, the local government record may be destroyed if:

1) The record is listed on a valid records control schedule and either its retention period has expired or it has been microfilmed or electronically stored in accordance with local requirements.
2) The record appears on a list of obsolete results as provided by Local Code 203.02244
3) The record is not listed on a records retention schedule issued by TSLAC and the district provides notice to TSLAC at least 10 days before destroying the record required by Government Code 441.163 (See District Duties)
4) A court issues an expunction order for the destruction of obliteration of the records, pursuant to state law and
5) The records are defined exempt from scheduling or filing requirements or listed as exempt in a records retention schedule issued by TSLAC

ADMINISTRATIVE CONSIDERATION

Any records that meet the Retention Period are brought forward to the Board for approval of destruction.

FUNDING SOURCE / AMOUNT

SUBJECT: Approval of First Reading of Board Policy Changes, Including TASB-Policy Update 125, Affecting Local Policies:

BDAA(LOCAL) - Officers and Officials Duties and Requirements of Board Officers
BDB(LOCAL) - Board Internal Organization Board Committees
BDF(LOCAL) - Board Internal Organization Advisory Committees
EI(LOCAL) - Academic Achievement
FDE(LOCAL) - Admissions School Safety Transfers
FEC(LOCAL) - Attendance Attendance for Credit

PRESENTER: Dimitra Trejo – Director of PR and Marketing at Mission CISD

BACKGROUND INFORMATION
As a part of our TASB Policy Service, the District gets localized policy updates throughout the year that are generally based upon changes in law, case rulings, or TEA rulings. Update 125 includes revisions to legal policies based on legislative and regulatory changes. Changes include:

BDAA(LOCAL) - Officers and Officials Duties and Requirements of Board Officers
BDB(LOCAL) - Board Internal Organization Board Committees
BDF(LOCAL) - Board Internal Organization Advisory Committees
EI(LOCAL) - Academic Achievement
FDE(LOCAL) - Admissions School Safety Transfers
FEC(LOCAL) - Attendance Attendance for Credit

The (LOCAL) policies included for consideration here, have been reviewed by administration and the district's legal counsel.

ADMINISTRATIVE CONSIDERATIONS
Items included for presentation reflect appropriate changes to drafts sent by TASB based upon input from legal counsel and administration.

Administrative practice has been to provide the policy review as a part of the Board Workshop with a request that the agenda item is approved for inclusion on the consent agenda for the regular board meeting.

This is being presented for a first reading at the Board of Trustees Workshop on 8/6/2025.

(LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue font: new text.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

Note: While the annotation software competently identifies simple changes, large or complicated changes — as in an extensive rewrite — may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

1. Act in the capacity and perform the duties of the President of the Board in the event of the absence or incapacity of the President.
2. Become President only upon being elected to the position.

Secretary

The Secretary of the Board shall:

1. Ensure that an accurate record is kept of the proceedings of each Board meeting.
2. Ensure that notices of Board meetings are posted and sent as required by law.
3. In the absence of the President and Vice President, call the meeting to order and act as presiding officer.
4. Sign or countersign documents as directed by action of the Board.

~~Special Committees~~

~~The President shall appoint members to special~~

Note: For advisory committees ~~created by the Board to fulfill specific assignments, unless otherwise provided~~ that include staff, parents, community members, or students, see BDF.

Board Committees

For purposes of this policy, a Board committee is a committee composed only of current Board members.

Formation of a Board committee shall be by Board action. ~~These committees may include District personnel~~When establishing a Board committee, the Board action shall, at a minimum, specify the:

- Number of Board members on the committee;
- Process to appoint Board members to the committee;
- Term of committee membership; and~~ citizens. The function of committees~~
- Responsibilities of the committee.

A Board committee shall be fact-finding, deliberative, and advisory, ~~but not administrative. Special~~and shall make recommendations in the areas of their responsibility. Board committees shall report their findings and recommendations to the Board and shall ~~be dissolved upon completion of the assigned task or vote of the Board~~not assume administrative duties or responsibilities.

~~The President of the Board and the Superintendent shall be ex officio members of all Board committees, unless otherwise provided by Board action.~~

Transacting Business

~~Committees may transact business only within the specific authority granted~~Unless specified by the Board~~. To be binding, all such business~~, a Board committee shall not have final decision-making authority. Board committee recommendations must be reported to the Board at ~~the next~~a regular or special meeting~~ for approval and entry into the minutes as a public record.~~. The Board shall not accept a Board committee's recommendation without due consideration of the matter.

Dissolution

A Board committee shall be dissolved upon Board action.

Note: For committees composed only of current Board members, see BDB.

Advisory Committees

For purposes of this policy, an advisory committee is a committee composed primarily of District staff, parents, other community members, and/or students. An advisory committee may also include Board members in numbers less than a quorum of the Board.

Formation of an advisory committee shall be by Board action. When establishing an advisory committee, the Board action shall, at a minimum, specify the:

- Number of members on the committee;
- Process to appoint members to the committee;
- Term of committee membership; and
- Responsibilities of the committee.

An advisory committee shall be fact-finding, deliberative, and advisory and shall not assume administrative duties or responsibilities. Advisory committees shall report their findings and recommendations to the Board.

Transacting Business

An advisory committee may transact business only within the specific authority granted by the Board. To be binding, all such committee recommendations must be reported to the Board at a regular or special meeting for approval and entry into the minutes as a public record.

Dissolution

An advisory committee shall be dissolved upon completion of the assigned task or Board action.

Certificate of Coursework Completion

The District shall issue a certificate of coursework completion to a student who has successfully completed state and local credit requirements for graduation but has failed to meet all applicable state testing requirements. [See EIF, FMH]

Partial Credit

When a student earns a passing grade in only half of a course and the ~~combined grade for~~average of both halves is lower than 70, the District shall award the student credit for the half with the passing grade.

Safe Schools Data

The Superintendent shall ensure that the District complies with Texas Education Agency (TEA) guidelines for the collection and maintenance of data regarding:

1. Mandatory expellable offenses committed at school or at a school-related or school-sponsored activity, on or off school property [see FOD]; and

2. Any student who becomes a victim of one of the following violent criminal offenses~~, as defined by the Penal Code,~~ while on the premises of the school the student attends or while attending a school-sponsored or school-related activity, on or off school property:

   a. Attempted murder;

   b. Indecency with a child;

   c. Aggravated kidnapping;

   d. Aggravated assault on someone other than a District employee or volunteer;

   e. Sexual assault or aggravated sexual assault against someone other than a District employee or volunteer;

   f. Aggravated robbery; ~~or~~

   g. Continuous sexual abuse of a young child or disabled individual; or

   ~~g.~~h. Bullying.

School Safety Transfers

The parent of a student who becomes a victim of a violent criminal offense as described in the state guidance for unsafe school choice options or who is assigned to a campus identified by TEA as persistently dangerous shall be offered a transfer to a safe public or charter school within the District.

For each transfer requested, the District shall explore transfer options, as appropriate. Options may include a transfer agreement with another school district.

From a Persistently Dangerous School

The parent of a student attending a school identified as persistently dangerous shall be provided notification of his or her right to request a transfer. Notification shall occur at least 14 days prior to the start of the school year or, for a student enrolling subsequently, upon the student's enrollment.

The parent must submit to the Superintendent an application for transfer. The Superintendent shall complete the transfer prior to the

beginning of the school year, if applicable, or within 14 calendar days of the request for a subsequently enrolling student.

Any transfer arranged for a student from a campus identified by TEA as persistently dangerous shall be renewed so long as the campus from which the student transferred retains that designation.

The District shall maintain, in accordance with the District's record retention schedule, documentation of notification to parents of the transfer option, transfer applications submitted, and action taken.

For a Victim of a Violent Criminal Offense

Within 14 calendar days after a violent criminal offense described above occurs in or on the premises of the school the student attends or while attending a school-sponsored or school-related activity, on or off school property, the District shall notify the parent of a student who is a victim of the offense of the parent's right to request a transfer. The parent must submit to the Superintendent an application for transfer. The Superintendent shall approve or disapprove the request within 14 calendar days of its submission.

Any transfer arranged for a student who was a victim of a violent crime as described above shall be renewed so long as the threat to the student exists at the campus to which the student would typically be assigned.

For each offense, the District shall maintain for at least five years documentation of the nature and date of the offense, notification to the parent of the transfer option, transfer applications submitted, action taken, and other relevant information regarding the offense.

Additional Transfer Options

In circumstances described by Education Code 25.0341, a parent of a student who has been the victim of a sexual assault, regardless of whether the offense occurred on or off school property, may request a transfer of the parent's child or the student assailant from the same campus.

[For other transfer provisions, see also FDA and FDB.]

~~This policy shall apply to a student who has not been in attendance for 90 percent of the days the class is offered.~~

Absences Considered

Except as otherwise provided by law, all absences incurred while enrolled in the District shall be considered in determining whether a student has ~~attended~~ been in attendance for 90 percent of the ~~required percentage of~~ days ~~under this policy~~the class is offered.

Attendance Committees

The Board ~~shall establish~~ authorizes the establishment of an attendance committee or as many attendance committees as necessary for efficient implementation of ~~Education Code 25.092~~state law.

The Superintendent ~~shall~~is authorized to make the specific appointments in accordance with legal requirements.

Parental Notice of Excessive Absences

A student and the student's parent or guardian shall be given written notice prior to and at such time when a student's attendance in any class drops below 90 percent of the days the class is offered.

Methods for Regaining Credit or Awarding a Final Grade

When a student's attendance drops below 90 percent but remains at least at 75 percent of the days the class is offered, the student may earn credit for the class or a final grade by completing a plan approved by the principal. This plan must provide for the student to meet the instructional requirements of the class as determined by the principal.

If the student fails to successfully complete the plan, or when a student's attendance drops below 75 percent of the days the class is offered, the student, parent, or representative may request award of credit or a final grade by submitting a written petition to the appropriate attendance committee.

~~Petitions~~A petition for credit or a final grade may be filed ~~at any time the student receives notice but, in any event, no later than 30 days after the last day of classes.~~

in accordance with administrative regulations. The attendance committee shall review the student's entire attendance record and the reasons for absences and shall determine whether to award credit or a final grade. ~~The~~[See Imposing Conditions for Awarding Credit or a Final Grade, below]

Regardless of whether a petition is filed, the attendance committee may also~~, whether a petition is filed or not,~~ review the records of all students whose attendance drops below 90 percent of the days the class is offered.

A student who has lost credit or has not received a final grade because of excessive absences may regain credit or be awarded a final grade by fulfilling the requirements established by the attendance committee.

Personal Illness

The principal or attendance committee may require verification from a health-care provider in accordance with administrative regulations as a condition of classifying an absence for personal illness as one for which there are extenuating circumstances.

Best Interest Standard

In reaching consensus regarding a student's absences and how the student can be awarded credit or a final grade, the attendance committee shall attempt to ensure that its decision is in the best interest of the student. The Superintendent shall develop administrative regulations to document the attendance committee's decision.

Guidelines on Extenuating Circumstances

The attendance committee shall consider whether a student has mastered the essential knowledge and skills and maintained passing grades in the course or subject.

When makeup work is completed satisfactorily, the attendance committee shall consider extracurricular absences and other excused absences as days of attendance for award of credit or a final grade. [See FEA]

The attendance committee shall consider whether the reasons for the absences were out of the parent's or student's control and whether documentation for the absence is acceptable.

The student or parent shall be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit or be awarded a final grade.

Imposing Conditions for Awarding Credit or a Final Grade

The attendance committee or principal, as applicable, is not required to assign a student to attend a specified program for an amount of time equivalent to the student's absences (i.e., "seat time").

The attendance committee or principal, as applicable, shall consider the student's unique circumstances and, if necessary, shall impose other conditions for awarding credit or a final grade that permit the student to meet the instructional requirements of the class ~~rather than assigning a student to attend a specified program for an amount of time equivalent to the student's absences.~~. Conditions may include:

1. Maintaining attendance standards for the rest of the semester.
2. Completing additional assignments, as specified by the committee or teacher.

3. Attending tutorial sessions as scheduled.
4. Completing other instructional programs, as specified by the committee.
5. Taking an examination to earn credit. [See EHDB]

In all cases, the student must earn a passing grade in order to receive credit.

Appeal Process

A parent or student may appeal the decision of the attendance committee in accordance with FNG(LOCAL).

SUBJECT: Approval of Texas Senate Bill 401: UIL Eligibility for Homeschool Students-Policy Update FD(LOCAL) and FM(LOCAL)

PRESENTER: Tom Lee, Mission CISD Athletic Director

BACKGROUND INFORMATION

Senate Bill 401, passed during the 89th Texas Legislative Session, requires public school districts to allow eligible homeschool students in grades 6-12 to participate in UIL extracurricular activities, including athletics, fine arts, and academic competitions, if they meet the following standard eligibility requirements

- Reside within the attendance zone of the participating campus;
- Meet all UIL eligibility criteria (e.g., age, grade, academic standing;
- Provide proof of academic progress instead of public-school coursework;
- Submit a notice of intent to participate before the start of the activity or season,

unless the school district or charter school adopts a policy to decline participation.

ADMINISTRATIVE CONSIDERATIONS

Recommendation to update Board Policy FD(LOCAL) and FM(LOCAL) to state that a student enrolled in a private school, including homeschool, shall not be eligible for concurrent enrollment in the District nor participation in curricular or extracurricular activities

FUNDING SOURCE AND AMOUNT

None

RECOMMENDATION

District administration recommends that the Board approve to Opt-out of Senate Bill 401 for students enrolled in private school, including homeschool, an opportunity to participate in curricular or extracurricular activities in Mission CISD, and to update Board Policy FD(LOCAL) and FM(LOCAL) to reflect as such. As per the bill, a resolution will be presented to the board for review and approval.

The student's parent, legal guardian, or other person having lawful control shall annually complete registration forms. A student who has reached age 18 shall be permitted to complete these forms.

Proof of Residency

In accordance with administrative regulations, the parent, guardian, or other person having lawful control of the student under order of a court shall present proof of residency. The District may investigate stated residency as necessary.

Minor Living Apart

Person Standing in Parental Relation

A minor student residing in the District but whose parent, guardian, or other person having lawful control under a court order does not reside in the District shall present a power of attorney or an authorization agreement as provided in Chapter 34 of the Family Code assigning responsibility for the student in all school-related matters to an adult resident of the District.

Misconduct

A minor student living apart who has engaged in misconduct that results in any of the consequences found in Education Code 25.001(d) shall not be permitted to attend a District school.

Exceptions

Based on an individual student's circumstance, the Superintendent shall have authority to grant exceptions to the requirement for a power of attorney or authorization agreement and to the exclusion for misconduct.

Extracurricular Activities

The Superintendent shall determine whether a minor student living apart is present in the District for the primary purpose of participating in extracurricular activities.

Transfer Students

A student who is under an expulsion order from another school district and who seeks admission to a District school shall be properly enrolled; however, in all instances the District shall honor the expulsion order of the previous district, and the student shall be expelled by the District until such expulsion period has ended.

Students Not Enrolled

A student enrolled in a private school, including a homeschool, shall not be eligible for concurrent enrollment in the District nor for participation in curricular or extracurricular activities. [See EEL and FM]

Nonresident Student in Grandparent's After-School Care

The parent and grandparent of a nonresident student requesting admission under Education Code 25.001(b)(9) shall provide to the

Superintendent the required information on the grandparent's residency and complete a form provided by the District describing the extent of after-school care to be provided by the grandparent.

The Superintendent shall have authority to approve or deny such admissions requests in accordance with criteria approved by the Board.

"Accredited" Defined

For the purposes of this policy, "accredited" shall be defined as accreditation by TEA, an equivalent agency from another state, or an accrediting association recognized by the commissioner of education.

Grade-Level Placement

Accredited Schools

The parent, guardian, or other person having lawful control of a student enrolling in a District school from an accredited public, private, or parochial school shall provide evidence of the prior schooling outside the District. The student shall be placed initially at the grade level reached elsewhere, pending observation by the classroom teacher, guidance personnel, and the principal. On the basis of these observations and results of tests that may be administered by appropriate District personnel, the principal shall determine the final grade placement.

Nonaccredited Schools

A student enrolling in a District school from a nonaccredited public, private, or parochial school, including a homeschool, shall be placed initially at the discretion of the principal, pending observation by classroom teachers, guidance personnel, and the principal. Criteria for placement may include:

1. Scores on achievement tests, which may be administered by appropriate District personnel.
2. Recommendation of the sending school.
3. Prior academic record.
4. Chronological age and social and emotional development of the student.
5. Other criteria deemed appropriate by the principal.

Transfer of Credit

Accredited Texas Public Schools

Credit toward state graduation requirements earned in an accredited public school district in Texas shall be transferable and recognized by the District.

Other Accredited or Nonaccredited Schools

Before recognizing credit in a course earned in an accredited nonpublic school, an accredited school outside of Texas, or a nonaccredited school, appropriate personnel shall evaluate a student's records and transcript. The District may require the student to demonstrate mastery of the content or use alternative methods to verify course content for the award of credit.

Transition Assistance

In accordance with law, when a student who is identified as homeless or in substitute care enrolls in the District, the District shall assess the student's available records and other relevant information to ensure credit, including proportionate credit, is awarded appropriately for all subjects and courses taken prior to enrollment.

[See EI]

Withdrawal

A parent or guardian wishing to withdraw a minor student shall present a signed statement that includes the reason for the withdrawal. A student who is 18 or older may submit a withdrawal statement without a parent's or guardian's signature.

[For District withdrawal of students no longer in attendance, see FEA(LOCAL).]

PROPOSED REVISIONS

Extracurricular Activities

Absences

The District shall make no distinction between absences for UIL activities and absences for other extracurricular activities approved by the Board. A student shall be allowed in a school year a maximum of ten extracurricular absences not related to post-district competition, a maximum of five absences for post-district competition prior to state, and a maximum of two absences for state competition.

4-H and Junior FFA Activities

4-H-related activities under the direction of a county extension agent and Junior FFA activities shall be considered Board-approved activities for the purpose of attendance.

Attendance by a student at 4-H- and Junior FFA-related activities that occur during the instructional day shall be approved at the discretion of the campus principal or designee, based upon the student's academic, attendance, and disciplinary records.

Participation with a Medical Condition

A student who has or who develops a medical condition that might affect the student's ability to participate fully in an extracurricular activity requiring significant physical activity, including but not limited to athletics, cheerleading, drill team, dance team, flag team, and marching band, shall provide a statement from a physician that includes any recommended limitations or restrictions on the student's participation in the activity. The District shall comply with reasonable restrictions or limitations established by the student's physician, regardless of the student's or parent's wishes. [See FFAA(LOCAL)]

[For eligibility of a private school student, including a homeschool student, to participate in extracurricular activities, see FD(LOCAL).]

Use of District Facilities

School-sponsored student groups may use District facilities with prior approval of the appropriate administrator. Other student groups may use District facilities in accordance with policy FNAB.

RESOLUTION OF THE BOARD OF TRUSTEES OF MISSION CONSOLIDATED INDEPENDENT SCHOOL DISTRICT OPTING OUT OF ALLOWING HOMESCHOOL STUDENTS TO PARTICIPATE IN UIL EXTRACURRICULAR ACTIVITIES

(as authorized by Senate Bill 401, 89th Texas Legislature, Regular Session, 2025)

WHEREAS

1. Senate Bill 401, enacted by the 89th Texas Legislature and signed by Governor Greg Abbott on June 20, 2025, amended Texas Education Code § 33.0832 to make homeschool participation in University Interscholastic League ("UIL") activities mandatory unless a school district affirmatively opts out;
2. Under UIL implementation guidance, a district that elects to opt out for the 2025-2026 school year must adopt a resolution no later than September 1, 2025;
3. Coach Thomas Lee, the District's Director of Athletics, presented data and a recommendation at the Board Workshop on August 6, 2025, advising that Mission CISD should exercise its statutory right to opt out; and
4. The Board of Trustees finds that opting out is in the best interest of Mission CISD students and programs.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. **Opt-Out Election.** Pursuant to Texas Education Code § 33.0832(c-2), the Board of Trustees hereby declines to grant non-enrolled (homeschooled) students the opportunity to participate in UIL activities sponsored by Mission CISD.
2. **Notice to UIL.** The Superintendent, or designee, shall provide written notice of this action to UIL no later than September 1, 2025, and take all other actions necessary to implement this Resolution.
3. **Future Review.** The Board reserves the right to reconsider this decision in future years. Any change in status shall be acted on by August 1 of the applicable year, as required by UIL.
4. **Effective Date**. This Resolution takes effect immediately upon its adoption.

Adopted this ___ day of _____, 2025, by a vote of _____ "ayes" and _____ "nays."

SUBJECT: Approval of 2025-2026 Texas Teacher Evaluation and Support System (T-TESS) Appraisal Timeline

PRESENTER: Edilberto Flores, Assistant Superintendent for Human Resources & Support Services

BACKGROUND INFORMATION

Board Policy DNA(LEGAL) states that the District shall establish a calendar for appraisal. Board Policy Manual Update 105 identified a new appraisal system for teachers known as the Texas Teacher Evaluation and Support System (T-TESS). The appraisal period for each teacher must include all of the days of a teacher's contract. The calendar shall:

1. Exclude observations in the two weeks after the day of completion of the T-TESS orientation in the school years when an orientation is required; and
2. Indicate a period for end-of-year conferences that ends no later than 15 working days before the last day of instruction for students.

Observations during the appraisal period must be conducted during the required days of instruction for students during one school year.

ADMINISTRATIVE CONSIDERATIONS

In order to meet the guidelines listed above, the attached proposed calendar has been developed by the Office of Human Resources.

RECOMMENDATION:

To approve the attached T-TESS Appraisal Timeline for the 2025-2026 school year

SUBJECT: Approval of 2025-2026 Texas Teacher Evaluation and Support System (T-TESS) Appraiser List

PRESENTER: Edilberto Flores, Assistant Superintendent for Human Resources and Support Services

BACKGROUND INFORMATION

Board Policy DNA(LOCAL) and Board Policy DNA(LEGAL) stipulate that a list of qualified appraisers who may appraise a teacher shall be approved by the Board of Trustees. In order to be a qualified appraiser, one must meet the following requirements:

- Must hold a Supervisor, Mid-Management, or Principal Certificate;
- Must have completed the Texas Teacher Evaluation and Support System (T-TESS) Appraiser Training;
- Must have passed the T-TESS certification examination; and
- Must have received an Instructional Leadership Training (ILT), Instructional Leadership Development (ILD), or Advanced Educational Leadership (AEL) Certificate

ADMINISTRATIVE CONSIDERATIONS

Attached is an initial list of appraisers that is being recommended by the Superintendent to the Board of Trustees for approval. These administrators meet the qualifications to be T-TESS appraisers for the 2025-2026 school year. These appraisers may also be called upon to serve as the second appraiser of a teacher upon request. Policy authorizes the Superintendent to appoint the second appraiser.

SUBJECT: 2025-2026 Internal Audit Charter

PRESENTER: Rebecca Magee, CPA, Internal Auditor

BACKGROUND INFORMATION

Internal Auditing is an independent appraisal activity established within the district to examine and evaluate its activities. The objectives of internal auditing are to assist the Board, Superintendent, and management of the district in the effective discharge of their responsibilities by furnishing them with analysis, recommendations, and information concerning the activities reviewed.

Internal auditing is a management control which functions by examining and evaluating the adequacy and effectiveness of other internal controls.

ADMINISTRATIVE CONSIDERATIONS

The internal audit charter is a document that sets forth the requirements and expectations from the Board of Trustees of the internal audit department. The internal audit charter includes information such as the roles and responsibilities of the internal audit function and describes the types of internal audits. It authorizes full and complete unrestricted access to records, physical properties and personnel relevant to a review. The charter also describes the process of reporting the internal audit results to the appropriate administrators and the Board of Trustees.

RECOMMENDATION

We are recommending approval of the Internal Audit Charter for Mission CISD as presented.

Internal Audit Charter

2025-2026

INTRODUCTION

Internal Auditing is an independent appraisal activity established within the district to examine and evaluate its activities. The objectives of internal auditing are to assist the Board, Superintendent, and management of the district in the effective discharge of their responsibilities by furnishing them with analysis, recommendations, and information concerning the activities reviewed.

Internal auditing is a management control which functions by examining and evaluating the adequacy and effectiveness of other internal controls.

ROLE OF THE INTERNAL AUDIT DEPARTMENT

The internal audit department is established by the Board of Trustees, and its responsibilities are defined by the Board of Trustees. Responsibilities include, but are not limited to, the following:

- Establishing policies for the auditing activity and directing its technical and administrative functions.
- Developing an annual audit plan for anticipated audit coverage for the year.
- Examining the effectiveness of all levels of management in their stewardship of district resources and their compliance with policies and procedures.
- Evaluating the economy and efficiency with which resources are employed, identify opportunities to improve operating performance, and recommend solutions to problems where appropriate.
- Recommending improvement of management controls designed to safeguard district resources, and ensure compliance with government laws and regulations.
- Authorizing the publication of reports on the results of audit examinations, including recommendations for improvement.
- Performing and reporting on special reviews as requested by the Superintendent, the Board of Trustees, or other agencies such as Texas Education Agency, external auditors, or the school attorney.

The Internal Auditor will report administratively to the Superintendent of Schools and functionally to the Board of Trustees. Administrative issues include personnel leaves such as sick leave, vacation, and other type of leave. Functional issues include the carrying out of specific internal audit duties as requested by the Board of Trustees or Superintendent.

TYPES OF INTERNAL AUDITS

Financial - to determine whether financial operations are conducted properly and whether financial reports are fairly stated.

Compliance - to determine whether operations have been carried out in compliance with applicable laws, regulations, and established policies.

Efficiency, Economy, Effectiveness – to determine whether allocated resources are managed and used in an economical, effective and efficient manner.

Special Review – Special review is a miscellaneous category and can include reviews such as advisory reviews, random records review, and fraud audits. Fraud audits are performed where there is primary evidence of fraud or at least a strong possibility that fraudulent activity has occurred.

AUTHORIZATION AND RESPONSIBILITES

Authorization is granted for full and complete unrestricted access to any of the district's records, physical properties, and personnel relevant to a review. Documents and information given to internal auditors during a periodic review will be handled in the same prudent manner as by those employees normally accountable for them.

Internal auditors have no direct responsibility or any authority over any of the activities or operations that they review. They should not prepare records or engage in activities which would normally be reviewed by internal auditors.

DEFINITION OF AUDIT SCOPE

The scope of internal auditing encompasses the examination and evaluation of the adequacy and effectiveness of the organization's system of internal control and the quality of performance in carrying out assigned responsibilities.

- Reviewing the reliability and integrity of financial and operating information and the means used to identify, measure, classify, and report such information
- Reviewing the systems established to ensure compliance with those policies, plans, procedures, laws, and regulations which could have a significant impact on operations and reports and whether the organization is in compliance.
- Reviewing and appraising the economy and efficiency with which resources are employed.
- Reviewing operations or programs to ascertain whether results are consistent with established objectives and goals and whether the operations or programs are being carried out as planned.

PROFESSIONAL STANDARDS

The operating practices and procedures of the internal audit department will be in accordance with the Standards for the Professional Practice of Internal Auditing, established by the Institute of Internal Auditors. These five general standards are as follows:

1. **Independence** - Internal auditors should be independent of the activities they audit and be objective in performing audit assignments.

2. **Professional Proficiency** - Internal audits should be performed with proficiency and due professional care.
3. **Scope of Work** - The scope of internal audit should encompass the examination and evaluation of the adequacy and effectiveness of the organization's system of internal control and the quality of performance in carrying out assigned responsibilities.
4. **Performance of Audit Work** - Audit work should include planning the audit, examining and evaluating information, communicating results, and following up.
5. **Management of the Internal Audit Department** - the Internal Auditor should properly manage the internal auditing department and supervising assistants, if applicable.

REPORTING ACCOUNTABILITIES

A written report will be prepared and issued by the Internal Auditor following the conclusion of each audit and will be distributed to the appropriate principal or department manager. The principal or department manager will be provided an opportunity to respond to the report, and that response will indicate what actions were, or will be, taken in regard to the specific findings and recommendations in the internal audit report.

A written report will be submitted to the Superintendent and Board of Trustees on a quarterly basis on the progress of the audit plan and results of internal audits.

SUBJECT: E-Rate 28 Round Cyber Security Pilot Program #342-26-0

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

This contract intends to provide a method to procure cyber security software supported by the Schools and Libraries Division E-Rate Cyber Security Pilot program. Mission CISD has been awarded a $200,000 grant per year for the next three years to support the Cyber Security Pilot Program. The intent of this proposal is to provide the following: zero trust network access VPN software, an intrusion prevention system, endpoint security suite, and vulnerability management solution for servers, security automation and phishing response platform, and asset visibility, threat, and anomaly detection and response software. The Education Rate (E-Rate) is the common name for the School and Libraries Universal Service program that is the result of a regulatory decision by the Federal Communications Commission to implement the Telecommunications Act of 1996. E-Rate discounts range from 10 to 90 percent based on a school's economically disadvantaged population. For this cyber security pilot, Mission CISD is eligible for a discount of 85%.

Once contracts are awarded, Mission CISD will need to complete the necessary applications and submit them to the Schools and Libraries Division Universal Service Program (E-Rate). In order for Mission CISD to receive this support, it must a) self-certify that it has a plan for securing access to all necessary resources, b) comply with all state and local laws and policies governing the procurement, and c) show proof of compliance.

ADMINISTRATIVE CONSIDERATIONS

The District solicited Requests for Proposals in compliance with TEC Sec 44.031(a), requiring an approved procurement method for expenditures of similar categories valued at an annual aggregate of $50,000 or greater.

A summary of the response review and evaluation process is as follows:

1. Number of responses received: 6
2. Number of vendors planning to award: 2

FUNDING SOURCE AND AMOUNT

This proposal does not currently require a funding source. The estimated costs are being used solely to submit the E-Rate Cyber Security Pilot application. Once the application is approved, funding will be allocated, with Mission CISD's share covered by local maintenance funds.

RECOMMENDATION

Administration recommends awarding the contract to Sequel Data Systems and Free IT Data Solutions.

SUBJECT: LASO Cycle 3 Math Strong Foundations Implementation #230-26-2

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

In October 2024, TEA offered the third cycle of streamlined, consolidated grant applications under Learning Acceleration Support Opportunities (LASO) Cycle 3 Grants; the district submitted and was awarded two of the LASO Cycle 3 grants (Strong Foundations Literacy Planning and Instructional Leadership).

In May 2024, MCISD was informed of two additional LASO grant awards for Strong Foundations Implementation for 6-8 Math in the following amounts:

- $87,000 Strong Foundations Implementation for MCISD
- $200,000 Strong Foundations Implementation for RCJHS

Strong Foundations Implementation (SFI) provides direct grant funds to local educational agencies (LEAs) for technical assistance to support high-fidelity implementation of the Bluebonnet Learning instructional materials, including high-quality professional learning (HQPL) for teachers, coaches, school leaders/campus administrators, and district leaders on effectively implementing Bluebonnet Learning. Strong Foundations Implementation is the OER Instructional Material Support program established by Chapter 31 of the Texas Education Code.

MCISD is required to use:

- 50% of grant funds to contract with a single Approved Provider per instructional material from the LASO Cycle 3 Approved Provider List for Strong Foundations Implementation to support grant activities
- 20% of grant funds for additional support from the Approved Provider and/or salaries or partial salaries for instructional coaches or other positions directly supporting implementation of the instructional materials
- 30% of grant funds for other allowable expenses (e.g., print materials, digital licenses, assessment licenses, teacher stipends, instructional coaches)

In-kind print materials are not included in the grant. LEAs will need to provide all print materials for teachers and students.

ADMINISTRATIVE CONSIDERATIONS

For the Strong Foundations Implementation grant, a committee made up of junior high and high school administrators (since Algebra I is taught both at the junior high and high school, high school is included as part of this grant) and a teacher was assembled in order to choose from the five TEA-approved providers who submitted proposals. Those who submitted proposals were Engage2Learn, Carnegie Learning, Great Minds, The Meadows Center, and Region One ESC. The committee selected Carnegie Learning as the provider. All documentation is included for final approval at the August 13, 2025, Board of Trustees meeting.

SUBJECT: Secondary (6th-8th) Reading Intervention Program #210-26-2

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

This contract intends to provide a method to procure an adaptive, software-based Reading Intervention Program to meet the District's needs for junior high campuses.

ADMINISTRATIVE CONSIDERATIONS

The District solicited Requests for Proposals in compliance with TEC Sec 44.031(a), requiring an approved procurement method for expenditures of similar categories valued at an annual aggregate of $50,000 or greater.

A summary of the response review and evaluation process is as follows:

1. Number of responses received: 5
2. Number of responses planning to award: 1

FUNDING SOURCE AND AMOUNT

Respective campus and departmental budgets

Estimated Expenditure $30,114

This cost is for year one. The cost for years two and three will be based in part on whether the district continues with IXL as the supplemental math provider.

RECOMMENDATION

Administration recommends awarding contract to IXL.

SUBJECT: Renewal of Google Workspace Software TIPS #230105

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

This contract intends to provide a method to procure Google Workspace software to meet the District's needs. Google Workspace for Education provides a comprehensive suite of tools that empower teachers to create engaging learning environments, streamline administrative tasks, and foster effective communication and collaboration among students and colleagues. Main reasons why a teacher needs Google Workspace for Education:

- Collaborative Learning
- Communication
- Classroom Management
- Online Assessments
- Resource Sharing
- Virtual Meetings

ADMINISTRATIVE CONSIDERATIONS

The purchase will be made using an Inter-local Purchasing Co-op. Using an Inter-local Purchasing Co-op complies with the purchase requirements of TEC 44.031(a)(4) and local board policy requiring an approved purchasing method for contracts valued at $50,000 or greater.

A summary of the response review and evaluation process is as follows:

1. Number of responses received: 2
2. Number of vendors planning to award: 1

FUNDING SOURCE AND AMOUNT

Respective department budget

Estimated Expenditure **$65,313**

RECOMMENDATION

Administration recommends awarding the purchase to CDW Education.

Expecting a quote from Amplified IT? Amplified IT is now a part of CDW! We're moving all of the Amplified IT's products on to CDW's systems. This means quotes and invoices will come from CDW and Purchase Orders need to be made out to CDW. Unfortunately we will no longer be able to accept Purchase Orders made out to Amplified IT for these products. If you have any questions ask your Account Manager or GCS rep.

Student Enrollment Verification Letters are required for all first time Education Standard and Education Plus orders. These letters confirm the number of students at your institution. This must align with the number of licenses you intend to buy, and must be returned with your PO before we complete your order.

Please note as required by Google you must purchase Google Workspace for Education and Google Voice from the same Reseller. All quotes are subject to Google confirmation of staff or student population size.

Terms:

1. TERMS AND CONDITIONS - Customer's obligations under this Customer Service Order Form, including its payment obligations are subject to the current Third Party Cloud Services Terms and Conditions on Seller's website at Third Party Cloud Services Terms and Conditions, unless Customer has entered into a written agreement with Seller covering Customer's purchase of products and services from Seller ("Existing Customer Agreement"), in which case Customer's obligations shall be subject to the terms of such Existing Customer Agreement, which shall be identified on Sellers' ordering documents.

2. PAYMENT – Customer will pay all Fees (as defined herein), including regulatory fees and taxes, for the use of the Google Workspace for Education as set forth in Seller's invoice, within 30 days after the date of the invoice, or in accordance with such other payment terms that may have been negotiated between Customer and Seller. In addition to the Service Fee for the Google Workspace for Education, Customer will also be responsible for all additional fees for any subscription renewals and extensions, metered usage components consumed by Customer, and other subscriptions, features, products, services, or add-ons that Customer uses within the Google Workspace for Education. Seller will invoice Customer in advance for the monthly or prepaid charges due for the Google Workspace for Education purchased. Seller will invoice Customer in arrears for any metered usage or overage components (e.g., capacity overages, third party content, etc.). The Service Fee for the Google Workspace for Education and all additional fees due hereunder are collectively referred to as "Fees".

3. ADD-ON ORDERS - Any orders submitted by Customer to Seller for Google Workspace for Education over the next twelve (12) months (the "Add-On Order(s)") will be governed by the terms and conditions of this Customer Service Order Form. All Add-On Order(s) must include the name of the applicable Google Workspace for

Education, the Licensed User Quantity and the length of the initial term (e.g., 1, 2, or 3 years). The Initial Subscription Term for any Add-On Order(s) will commence on the date Seller provisions the new Google Workspace for Education on behalf of Customer.

4. SERVICE SUSPENSION – In addition to any other rights Seller may have, Seller may suspend or terminate the Google Workspace for Education if Customer fails to pay any Fees within ten (10) business days after the applicable due date.

5. CANCELLATION POLICY FOR GOOGLE VOICE – To cancel the Google Voice services Customer must fill out and submit the form at Google Voice Cancellation Form sixty (60) days prior to service cancellation. Customer will be responsible for all Google Voice service fees incurred up through the effective date of termination, including any applicable taxes and regulatory fees.

6. NON-CANCELLABLE/NON-REFUNDABLE – Except as set forth above for the Google Voice services, the Google Workspace for Education purchased under this Customer Service Order Form are non-cancellable and all Fees paid to Seller are non-refundable.

7. GOOGLE REQUIRED TERMS:

(a) Seller, Google, and Customer are independent contractors with respect to the resale of the Google Workspace for Education.

(b) Customer will either accept the Google TOS prior to accessing or using the Google Workspace for Education, or hereby expressly authorizes Seller to accept the Google TOS on Customer's behalf.

(c) Customer acknowledges and agrees that Seller is the processor of any personal data processed by it on Customer's behalf, and Customer is the controller of any such data, as the terms "controller", "processed", "processor" and "personal data" are defined in the EU Directive;

(d) Customer is responsible for obtaining and maintaining any consents required from End Users to allow Seller to perform its obligations under this Agreement;

(e) If Google fails to comply with the SLAs, Customer will only be eligible to receive those remedies set out under the Google TOS and must request such remedies directly from Seller; and

(f) Google will only provide customer support to Customers in accordance with the Google TOS.

BY SIGNING BELOW, Customer acknowledges and agrees that it is receiving the Google Workspace for Education directly from Google, Inc. ("Google") pursuant to Google's standard terms and conditions or such other terms as agreed upon by Customer and Google. Customer further acknowledges that Google and not Seller will be responsible for performance of the Google Workspace for Education.

License Seat Verification Letter

Student Enrollment Verification Letters are required for all Education Standard and Education Plus orders.

This approach allows customers to act as the source of truth for current information and partners to license according to the institution's accurate full-time student enrollment numbers.

This product is licensed on a per-user basis, and thus every user needs a license to ensure full functionality. If customers intend to purchase more student licenses than enrolled students (to provide a buffer throughout the subscription term), please use that total number in the letter below.

Receive 1 free faculty license for every 4 paid student licenses you purchase.

There are two options for creating this letter and sending it back to us:

Option A:

1. Confirm all pre-filled information on the next page is accurate. Please contact Danielle Rivera at danielle.rivera@amplifiedit.cdw.com if you need to make changes.
2. Type your name and title, then print out, sign it, and put this on your district's letterhead. You can print the next page using the **Other Actions** menu above.
3. DO NOT click "Finish" until after you complete the next step.
4. Make a PDF copy of your signed document, and return to this document and upload below.

Option B:

If it is easier for you, can also find a copy of the letter here. Follow the instructions on that document to place the letter on your organization's letterhead.

You can email me a copy of the completed PDF - danielle.rivera@amplifiedit.cdw.com or use the **Upload PDF** option below.

IMPORTANT - Do not click "Finish" until you come back and upload your PDF document.

SUBJECT: Renewal of Property and Casualty Insurance with Property Casualty Alliance of Texas (PCAT)

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

On August 26, 2013, MCISD entered into an interlocal Agreement with the Property Casualty Alliance of Texas (PCAT) pursuant to the interlocal Cooperation Act, Chapter 791, Title 7, of the Texas Government Code. The goal of the agreement is for MCISD and PCAT to collectively and cooperatively provide a plan to efficiently and effectively administer the District's property/casualty program.

MCISD's property and casualty insurance coverage renews on September 1, 2025. Currently, MCISD's property and casualty insurance includes coverage for property, equipment breakdown, cyber suite, general liability, educators' legal liability, crime, auto liability, and auto physical damage.

ADMINISTRATIVE CONSIDERATIONS

PCAT has submitted the 2025-2026 plan year renewal for Mission CISD. The renewal came at $1,916,038. The premium decreased by $220,025 or 10.3005% from the prior year $2,136,063.

SUBJECT: Renewal of Security Services #182-26-0

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

This contract intends to provide a method to procure Security Services to meet the District's needs. Security Services will be used to provide substitute security officers during the absences of MCISD security staff and to meet any additional needs of the district. During the 2024-2025 school year, the Security Services contractor provided additional security officers to ensure compliance with the safety of students at elementary campus gyms.

ADMINISTRATIVE CONSIDERATIONS

On October 9, 2024, the Board of Trustees awarded Bid No. 182-25-0 Security Services for one year, with the option to renew for two additional years. This will be the first renewal (year 2).

The Purchasing Department reviewed last year's purchases.

The review process reached the following conclusions:

(1) The District would benefit from renewing this contract.
(2) All equipment, supplies, and services are purchased as needed.

SUBJECT: Renewal of Workers Compensation Solutions

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

On September 1, 2004, Mission CISD entered into an Interlocal Agreement, pursuant to Chapter 791 of the Texas Government Code, with Workers' Compensation Solutions (WCS) to provide workers' compensation benefits to its employees. The idea behind the WCS program is to allow various participants to band together in order to share the risks of providing Workers' Compensation Insurance. WCS provides member districts with a modified self-insurance workers' compensation program that allows schools to proactively manage long-term costs associated with providing care and recovery for employees with on-the-job injuries. WCS helps achieve the lowest long-term cost for schools by providing a comprehensive loss prevention program to eliminate physical and policy exposures while providing expert claims analysis and stop-loss limits to manage claims expenses. WCS is composed of 43 Texas school districts. The duration of the agreement will continue in existence for 30 years expiring on August 31, 2031. MCISD can terminate the agreement by giving a 30-day written notice to the Program.

ADMINISTRATIVE CONSIDERATIONS

On July 17, 2025, Workers' Compensation Solutions submitted a renewal proposal for the 2025-26 program year.

This renewal will fulfill the third year of the 3-year agreement.

FUNDING SOURCE AND AMOUNT

General Fund and Special Revenue Funds

Fixed Cost:	*$284,000 (Fixed for Three Years)*
Maximum Loss Fund:	*$513,000 (Fixed for Three Years)*

RECOMMENDATION

SUBJECT: Budget Amendment

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

In accordance with TEA budget and accounting procedures guidelines, the District's official budget includes the General Fund and Debt Service. The adoption of the budgets associated with these funds, and subsequent amendments, should be approved by the Board of Trustees. The authority to approve a budget or a budget amendment for a grant program, however, lies with the granting agency and not with the District's Board.

ADMINISTRATIVE CONSIDERATIONS

All requests for budget amendments have been reviewed and are justified for the programmatic or policy changes and adjustments of original estimates.

FUNDING SOURCE AND AMOUNT

General Fund $10,817,510 increase in expenditures for purchase order carryovers from prior fiscal year. Detail is attached.

RECOMMENDATION

Approval of budget amendment as presented.

SUBJECT: Donations

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

In accordance with Board Policy CDC (Legal), all bequest of property for the benefit of the public schools shall, when not otherwise directed by the grantor, vest the property in the Board. Funds or other property donated, or the income therefrom, may be expended:

1. For any purpose designated by the donor that is in keeping with the lawful purposes of the schools that are to benefit from the donation; or
2. For any legal purpose if the donor designated no specific purpose.

The District receives donations from various sources throughout the school year. The majority of donations are given to the student activity funds to be used for student travel and awards. Some donations are in cash and some are non-cash, such as equipment, food, and services.

ADMINISTRATION CONSIDERATION

For the period reported, total donations were $18,460. The largest cash donation received was $10,000. The largest non-cash donation received was $100. These donations benefit our students.

FUNDING SOURCE AND AMOUNT

Not applicable.

RECOMMENDATION:

Approval of donations.

V. Awards and Recognitions

1. The Texas Way – Texas Pride in Sportsmanship District Recognition

Mrs. Dimitra Trejo, Public Relations Director, presented The Texas Way–Texas Pride in Sportsmanship District Recognition to Athletic Director Thomas Lee. Mission CISD proudly recognized Coach Thomas Lee for leading our district to earn the prestigious Texas Way District of Distinction honor for the 2024-2025 school year! Thanks to his leadership and the dedication of our coaches and student-athletes, Mission CISD is one of only 19 districts in the state to receive this recognition - a true win off the field! The Texas Way celebrates excellence in sportsmanship, integrity, and character, values that Coach Lee exemplifies every day. Congratulations, Coach Lee, and thank you for building champions on and off the field!

VI. Superintendent's Report

Dr. Cris Valdez, Superintendent of Schools, informed the Board of the following. She stated, “This is the Superintendent's Report.” We know that school is over for the 2024-2025 school year, but we did have some honorees, and the children are off for summer already, but we do have some recognitions with some of our students in the Fine Arts Department. Congratulations to the Veterans Memorial High School Band Members who are in the prestigious "Outstanding Performer" recognition at the UIL Concert & Sightreading Contest held in Pflugerville on May 26, 2025. This honor is awarded to only 2% of student musicians across the entire State of Texas. So, this is the best of the best, and there you see David Leal, who plays clarinet, and Fernando Barsenas, who plays tuba for VMHS. Congratulations to David and Fernando!

Next slide, you see our Secondary Science Folks, and you see some children who're engaging in some authentic learning opportunities. So, you see, Mission CISD seventh-grade students from Alton Memorial Jr. High and K. White Jr. High attended the Region One Education Service Center Youth Empowerment Summit (Y.E.S.) at the Edinburg Scenic Wetlands and World Birding Center. This helps our incoming 8th-grade students develop an explorer mindset through outdoor learning. The students engaged in TEKS-aligned activities, project-based learning, and interacted with Kelly Koller from National Geographic to learn about local STEM career paths.

Our Bilingual/ESL Department has been busy. Our Elementary Dual Language Teachers are leveling their teaching with powerful, hands-on strategies from Dr. Almaguer during the Initial and Refresher Sessions. They get a bonus; they walk away with free teacher supplies at the end of the session. Our PK-K bilingual students are thriving at Cavazos Summer School, fully engaged in dynamic learning experiences—thanks to the passion and excellence of our Dual Language Teachers!

The next slide is Public Relations. We have some recognitions, which happened at the end of the school year. We want to highlight the Mission High School Baseball Team and their All-District Performers. They demonstrated greatness both in the game and in character. Congratulations to our coaches: Leo Salinas, Mercy Salinas, David Mann, Eligio Leanos, and Joe Cavazos. Earning 1st Team All-District honors, we have Jeremy Aleman, Aaron Luna, and Valentin Cortez. Congratulations to you, Eagles!

Our Veterans Memorial High School Baseball Team won the District Runner-Up, Bi-District Champions, and Area Finalist Titles. They showed excellence this season on and off the field. Congratulations to coaches Ben Gonzales, Alfredo Uribe, Eric Klippel, Jaime Sandoval, and Steven Gutierrez. You see our players Jason Sandoval, Jase Hernandez, Roman Reyna, Ryan Guerra, Richard Garcia, Ryan Guzman, Joel Gutierrez, Quinten Valverde, Evan Longoria, Camilo Lopez, Mario Garcia, Raul Reyna, Adrian Ramirez, Nick Hernandez. I got to know these student athletes. I followed them for their playoffs. It's fun to watch them, and just their tenacity and their relentless desire to play till the end, and play to win. We did have some highlights here as far as all-district players. We have Chris Ramos here as our catcher, and he is the offensive player of the year, Gabriel Cantu-1st team all-district, Jazhiel Trevino-1st team all-district, all-district academic, Jeremiah Vela-1st team all-district, Jorge De Leon-1st team all-district, Abel Garza-2nd team all-district, Carter Handy-2nd team all-district, Jose Enriquez Honorable Mention all-district. Also, Carlos Flores and Dustin Pollard earned honorable mention. So, congratulations to our Patriots; they had an outstanding season. They were fun to watch. I'll tell you that.

In our next slide, Business and Finance. Vendor Learning Seminar, kudos to our Purchasing Department, led by Anabel Garza. Proactively hosting a Vendor Education Session on June 12, 2025, to help our community of vendors better understand the District’s Purchasing Procedures. Their efforts promote transparency, collaboration, and stronger partnerships!

2025 Rio Grande Valley Risk Champion Award! Congratulations to Veronica Garcia from the Employee Benefits Department. She received the 2025 Rio Grande Valley Risk Champion Award! This honor recognizes individuals who have demonstrated exceptional leadership and achievement in risk management and safety. Everyone’s hard work and

dedication truly make a difference, and there, you see the correspondence from the City of McAllen honoring Ms. Garcia. So, congratulations to Veronica.

This was like hot off the press, our Mission High School FFA President, Benny Garza, won the Champion Auctioneer, which we're in the advanced High School Division, and that was sponsored by the National Auctioneers Association, Texas FFA Association, and the Texas Auctioneers Association. He's an outstanding student from Mission High, actively engaged in AG and FFA. So, congratulations to Benny.

Mission High School District Champions and Area Finalists. Then, we had a State Champion, Christopher Kirk, who participated in the Long Jump in the State Track Meet. I was so excited. I watched it live on UIL. If you're so much into track and field like I am. UIL puts the live events; you can't see the video, but they're actually tracking the results. So, I was watching his jumps. Jump one, jump two, it only takes one jump right to win it, to win gold. And so, I don't know what meeting I was in, but I followed his jumps, one at a time, and he brought home the bronze medal. He was third in the State of Texas Division 5A. That is amazing; it's so hard to get to that level. You can see the excitement. Can you imagine how I was that day? I think Cabinet saw me, and I was like, " Oh my gosh, it's jump number 3rd." I was so happy for him. So, proud of Mission High School Track and Field Boys. That's fuel for the soul when it comes to school leadership and district leadership. When you see the children excel and win district titles, those are hard to get. Those are hard to come by, so, they put together such a great team and brought home the District Championship. You see all the boys listed. It was a team effort. I was happy for them and their parents when they grabbed that District Championship Trophy and did their 400-meter Championship Lap. I was so happy for all of them. Congratulations to our Coaches, Mike Fernandez, Brian Garza, Chad Butler, Ricardo Martinez, William Proctor, and Robert Galvan. They did an outstanding job this past season. So, congratulations to our Eagles!

VII. Presentation(s) to the Board of Trustees

1. 2025 Preliminary STAAR Data

Dr. Cris Valdez stated, "Our 2025 Preliminary STAAR Data. This is very raw; the final accountability ratings for campuses and districts will be highlighted in August, but we do have data for you. We provided a report I sent you all last week, and those are preliminary campus ratings."

Mrs. Cynthia Wilson, Assistant Superintendent for Curriculum and Instruction, presented the Preliminary STAAR District by Subject. Reading: Approaches and Above 73%, Meets and Above 50%, and Masters 19%. Math: Approaches and Above 67%, Meets and Above 38%, and Masters 15%. Science: Approaches and Above 73%, Meets and Above 38%, and Masters 9%. Social Studies: Approaches and Above 69%, Meets and Above 38%, and Masters 17%.

2025 Projected Accountability Ratings Overall Summary. District Rating: Overall Rating 82, Letter Grade B, Domain I-76, Domain IIA-72, Domain IIB-83, Domain III-80.

2. Self–Funded Health Insurance Benchmark and Performance Review

Mr. Zach Gingrich, Consultant for Mission CISD, presented the Self-Funded Health Insurance Benchmark and Performance Review, highlighting comparisons to Region 1 and surrounding ISDs. Mission CISD offers three medical plans through Blue Cross Blue Shield of Texas, with competitive benefits and costs relative to regional averages.

Key cost drivers included pharmacy, outpatient services, and high-cost claimants, with 51 members accounting for 40% of total spend. Despite a 3.3% decrease in membership, the plan's paid PMPM increased 16% year-over-year but remained 20.5% below benchmark costs, reflecting efficient cost management and favorable network discounts.

Mrs. Sylvia Cruz, Executive Director for Business & Finance, presented the Combined Statement of Revenues, Expenses and Changes in Fund Net Position Internal Service Funds for the Period Ending April 30, 2025.

The district maintained a strong financial position, ending the reporting period with a net gain of over $2 million and a total net position of approximately $5.13 million.

VIII. Discussion and Possible Action

1. Approval of the Mission Consolidated Independent School District Budget for the Fiscal Year beginning July 1, 2025 and ending June 30, 2026

Mr. Jaime Lopez, Assistant Superintendent for Business and Finance, stated, "Again, like I said in the actual hearing, we are here to ask for approval of the Mission CISD Budget for the Fiscal Year beginning July 1, 2025, and ending June 30, 2026."

Recent renewal rates show a 7% increase for dental and a 20% increase for disability coverage. In light of that renewal, the district decided to go out for bids."

Mr. Zach Gingrich presented the bid analysis and the RFP submissions, Dental Tabulation, and Disability Tabulation.

Mrs. Sylvia Cruz stated, "The administration is making a recommendation to renew the Dental with Met Life and the Disability Insurance with the Standard."

A Motion was made by Mrs. Dolores Reyna to approve the recommendation. Motion seconded by Mrs. Petra Ramirez. Motion passed. Vote 6-0

3. Discussion and Consideration of Board Approval of a Delegate and Alternate to the 2025 Texas Association of School Boards (TASB) Delegate Assembly

Dr. Cris Valdez stated, "Item number three, we bring forward Discussion and Consideration of Board Approval of a Delegate and Alternate to the 2025 Texas Association of School Boards (TASB) Delegate Assembly."

A motion was made by Mrs. Natividad Sosa to nominate and approve Dolores Reyna as Delegate and Natividad Sosa as the Alternate. Motion seconded by Mrs. Dolores Reyna. The motion passed. Vote 6-0

4. Discussion and Approval to Endorse a Candidate to the TASB Board of Directors Region 1, Position B

Dr. Cris Valdez stated, "Item number four is Discussion and Approval to Endorse a Candidate to the TASB Board of Directors Region 1, Position B."

The Board of Trustees selected and voted on one candidate.

A motion was made by Mrs. Natividad Sosa to endorse candidate Dr. Sylvia Sanchez Garza to the TASB Board of Directors, Region I, Position B. The Motion was seconded by Mrs. Petra Ramirez. The motion passed. Vote 6-0

Mrs. Iris Iglesias announced and stated, "Dr. Sylvia Sanchez Garza will be our candidate."

IX. Items to Consider: The Board will consider and may act on the following items under a CONSENT AGENDA Any Trustee may request the removal of an item from the CONSENT AGENDA for Individual consideration and action

SUBJECT: Internal Audit Quarterly Report

PRESENTER: Rebecca Magee, CPA, Internal Auditor

BACKGROUND INFORMATION

Internal Auditing is an independent appraisal activity established within the District to examine and evaluate its activities. The objective of internal auditing is to assist the Board of Trustees, Superintendent, and management of the District in the effective discharge of their responsibilities by furnishing them with analysis, recommendations, and information concerning the activities reviewed. Types of internal audits that may be conducted include 1) financial, 2) compliance, 3) efficiency, economy, effectiveness, and 4) special reviews.

ADMINISTRATIVE CONSIDERATIONS

This report summarizes the internal audit activities for the period beginning April 1, 2025 and ending June 30, 2025. The Internal Audit department conducts independent and objective reviews of the District's operations and procedures and reports findings and recommendations to management, the Superintendent, and the Board of Trustees. Financial information on Activity Funds is included in the report and power point presentation.

Re: Internal Audit Quarterly Report

This report summarizes the internal audit activities from April 1, 2025 through June 30, 2025.

Internal Auditing is an independent appraisal activity established within the District to examine and evaluate its activities. The objective of internal auditing is to assist the Board of Trustees, Superintendent, and management of the District in the effective discharge of their responsibilities by furnishing them with analysis, recommendations, and information concerning the activities reviewed. Types of internal audits that may be conducted include 1) financial, 2) compliance, 3) efficiency, economy, effectiveness, and 4) special reviews.

ACTIVITY FUNDS

Activity funds, which include both campus and student activity funds, are considered an area of high risk because the majority of the revenues are received in the form of actual cash, the number of individuals (employees and students) handling collections and the perception of the community. During the period covered by this report, I reviewed fundraiser applications, fundraiser reports, the monthly income statement reports, and journal entries related to Activity Funds. There was a total of 105 fundraiser applications approved this quarter, for a grand total of 805 for the year.

Activity Funds Income Statement

The Finance Department prepares a monthly income statement report for all campus and student activity funds. This report reflects columns for the beginning balance, receipts, encumbrances, expenditures and the ending balance. Each campus receives a report for the activity of their campus. I assist each month in generating and creating the reports that Finance Department needs for preparation of the monthly income statement. As of the date of this report, the income statement report for the year ending June 30, 2025 had not yet been prepared pending the year-end closing. However, based on the general ledger as of the due date of this report, preliminary

amounts include a beginning balance at July 1, 2024 of $1,102,360, year-to-date receipts of $2,290,197, disbursements of $2,181,118 and an ending balance of $1,211,439 excluding encumbrances. After the fiscal year is finalized and closed out, any encumbrances (outstanding purchase orders) will be closed out, expensed as liabilities or re-encumbered in the next year. Attached is a summary report of the preliminary balances of campus and student activity funds.

Activity funds should typically be spent in the year earned or collected. The bank account used for these funds is an interest-bearing account that is pooled with other District funds. In past years, excess balances were sometimes invested in certificates of deposit, however, currently there are no investments. Interest earned on campus and student activity funds for the year ending June 30, 2025 was $21,618. It has already been allocated to the individual campuses based on their ending balances and is included in the campus balances as reported.

Internal Audits of Activity Funds

Internal audits are performed on evidence selected on a test basis to determine compliance with District policies and procedures. An audit will not necessarily disclose all instances of non-compliance. A report format that uses a scoring system is used for the Activity Fund internal audits. The internal audit consists of testing in five main categories with a maximum of 100 points allocated to each category for a total of 500 points. The five categories include: *Basic Records, Fundraisers, Receipts, Disbursements,* and *Sales Tax and Other Issues.* The campus principal is required to submit a written corrective action plan that addresses any audit findings.

I conducted internal audits of the Activity Funds of seven campuses during this quarter and issued separate reports. Below is a summary of my findings for each campus.

Bryan Elementary

This campus received the maximum score in all five categories for a total of 500 points. There were no reported findings based on the items tested.

O'Grady Elementary

This campus received less than the maximum score in only two categories for a total of 487 points. The finding under the category of *Fundraisers w*as that there were several fundraiser reports submitted late. Under the category of *Receipts*, the first finding was that several receipts were not deposited at the bank timely. Additionally, a few receipts were not submitted timely to the Finance Department for posting to the general ledger.

Mims Elementary

This campus received less than the maximum score in three categories for a total of 493 points. Under the category of *Receipts*, the finding was that there was one bank deposit that was not made timely. The findings under the category of *Disbursements* was that there were several purchase orders coded to incorrect account numbers. Corrections have since been made. Under the category

of *Sales Tax and Other Issues*, the finding was that the campus had deficit balances in two accounts during the year.

Waitz Elementary

This campus received less than the maximum score in three categories for a total of 489 points. The finding under the category of *Fundraisers w*as that there were a few fundraiser reports submitted late. Under the category of *Receipts*, the finding was that several receipts were not deposited at the bank timely. The finding under the category of *Disbursements* was that there were several purchase orders coded to incorrect account numbers. Corrections have since been made.

Alton Memorial Jr. High School

This campus received less than the maximum score in only two categories for a total of 496 points. The finding under the category of *Receipts* was that there were two deposits not taken to the bank for overnight deposit. Under the category of *Disbursements*, the finding was that merchandise was ordered and received by a club sponsor prior to obtaining an approved purchase order.

Mission Jr. High School

This campus received less than the maximum score in three categories for a total of 492 points. The finding under the category of *Fundraisers w*as that there were a few fundraiser reports submitted late. Under the category of *Receipts*, the first finding was that two bank deposits were not made timely or taken to the bank for overnight deposit. Additionally, a few receipts did not have supporting student collection reports. The finding under the category of *Disbursements* was that a purchase order for a fundraiser was not obtained in advance.

Veterans Memorial High School

This campus received less than the maximum score in only one category for a total of 497 points. Under the category of *Receipts*, the first finding was that there were several deposits were not made timely or taken to the bank for overnight deposit. Additionally, a few receipts did not have supporting student collection reports.

INVENTORY TESTING

In April, I conducted testing of the Child Nutrition Program and Central Warehouse inventory. My procedures for testing consisted of selecting a sample of inventory items, recounting those items, and reviewing pricing for some of the items. I also reviewed inventory controls and procedures. All of the inventory items that I selected to recount agreed with the inventory counts per the inventory reports. Based on my review of pricing, the cost averaging appears reasonable and the extended values appear to be calculated correctly based on the quantity and unit value.

ANNUAL FINANCIAL STATEMENT AUDIT

In May, I scheduled planning meetings for the District's annual financial statement audit. I also assisted in updating the list of requested items for the audit with due dates and staff assignments. The list was provided to the staff along with an audit calendar that I also updated.

In June, the district's external auditors, Carr, Riggs, & Ingram, LLC, began interim work on the annual financial statement audit. Interim work completed by the auditors consisted of evaluating internal controls and IT general controls, performing walkthrough testing of various accounting processes, reviewing bid files, and fraud interviews. I assisted in updating some of the internal control narratives and obtaining requested information.

The District maintains inventory in the following four departments: Central Warehouse, Child Nutrition Program, Maintenance Department, and Transportation Department. I accompanied the external auditors to each of these locations so they could conduct test counts of the inventory on hand for comparison to the physical inventory. Based on the final inventory reports, the District will have a total of $1,904,391 reflected as inventory on their annual financial statements as of June 30, 2025.

MISCELLANEOUS

During the quarter, I attended the TASBO Internal Audit Academy Express held virtually and another webinar hosted by Carr, Riggs, & Ingram that provided an overview of recently issued GASB Statements. I also attended a two-day webcast of the *Texas School District Accounting and Auditing Conference* held in June that was sponsored by the Texas Society of Certified Public Accountants. Some of the topics presented included: school finance update; TEA financial compliance updates; new GASB standards; AI in accounting: Single Audit updates; fraud examinations; budget compliance/cost reduction; and federal program compliance for: CNP, Title I, and IDEA B.

If you have any questions or need additional information regarding this report, please don't hesitate to contact me.

SUBJECT: Annual Internal Audit Plan for 2025-2026

PRESENTER: Rebecca Magee, CPA, Internal Auditor

BACKGROUND INFORMATION

The Internal Audit department conducts independent and objective reviews of the District's operations and procedures and reports findings and recommendations to management, the Superintendent, and the Board of Trustees. An Annual Internal Audit Plan is developed to provide a schedule of audit activities for the year prioritized based on potential risk and liability to the District.

Re: 2025-2026 Annual Internal Audit Plan

The development of the annual internal audit plan is an integral part of the internal audit function of the District. The objective of the audit plan is to provide a schedule of audit activities for the year to help minimize internal and external distractions. The audit plan has been developed with the awareness of the limitations of resources in personnel and dollars, and therefore, audits are prioritized based on potential risk and liability to the District.

Campus and Student Activity Funds

Over $2 million flowed through the District's Activity Funds this past fiscal year and that amount will likely increase this current year. The potential risk in the area of Activity Funds is greater than other areas because the majority of the revenues are received in the form of actual cash, the number of individuals (employees and students) handling collections, and the perception of the community. Other risk factors include the elimination of the elementary activity clerk positions at most campuses a few years ago and staff turnover. However, there are some factors that minimize the potential risk. The District uses centralized accounting versus non-centralized, therefore, one bank account is used and all expenditures are processed through the Business Office. Also, the District has a detailed Activity Funds Manual which provides well-defined responsibilities and procedures. The manual is updated every year and training sessions are provided for principals, secretaries, activity clerks and secondary campus sponsors at least annually.

During the year, I will review all Fundraising Applications and Fundraiser Reports as they are submitted. Each month I will review the monthly income statement reports prepared by the Finance Department. I will also continue to assist with generating the reports necessary to prepare the monthly income statement reports. Additionally, throughout the year I will review interdepartmental charges and journal entries related to Activity Funds.

Depending on the volume of activity and available time, internal audits may be performed for the activity funds of the following campuses: Mission High School, Mission Collegiate High School, R. Cantu Jr. High School, K. White Jr. High School, Alton Elementary, Castro Elementary, Cantu Elementary, Cavazos Elementary, Marcell Elementary, Midkiff Elementary, Leal Elementary, Escobar Rios Elementary, Salinas Elementary, and Pearson Elementary. Unscheduled safe audits or cash counts may be performed at other campuses not listed.

I will also assist in the continued evaluation of Student Activity Fund club accounts to determine proper accounting and financial reporting under GASB Statement No. 84, *Fiduciary Activities.* This governmental accounting standard establishes criteria for identifying fiduciary activities. Student Activity Fund accounts not meeting the criteria may need to be reported as special revenue funds.

External Audit / Annual Comprehensive Financial Report

Each school district in the State of Texas is required to have an annual financial statement audit and submit the audited financial statements to TEA within 150 days after the fiscal year-end. I will assist in coordinating the audit process by obtaining requested information from the various departments for the auditors. Also, I will assist in the audit process by reviewing schedules prepared by the finance department as well as preparing some of the schedules and end-of-year adjustments. Additionally, I will prepare the notes to the financial statements and some of the financial statements for review by the external auditors. I will also assist in the review of the Data Collection Form, which reports federal expenditures, and the PEIMS reports, which include the audited financial data.

The District will also submit their annual financial report to the Government Finance Officers Association (GFOA) for consideration for the Certificate of Achievement for Excellence in Financial Reporting Program. Additional items required by this award program include: a transmittal letter, combining statements by fund type that include individual funds, and numerous statistical schedules that include historical information. I will assist with updating the statistical schedules and complete the checklist to ensure that the report meets all other the requirements.

SAS 99 – Fraud Hotline

Statement of Auditing Standards No. 99, Consideration of Fraud in a Financial Statement Audit applies to all entities that are audited by an independent auditor. The purpose of this standard is to prompt entities to take proactive steps to diminish the risk of fraud. SAS 99 recommends that entities have an anonymous reporting process for employees to report suspected or actual fraud. The District has established a 24 hours a day, 7 days a week telephone hotline administered by an outside company. Time spent evaluating and providing assistance as requested in investigating the reports received through the hotline will vary depending on the number of reports.

Other

In addition to year-end inventory testing in conjunction with the external audit, my audit plan also includes testing of the Warehouse, Child Nutrition Program, Transportation and Maintenance

Department inventories during the year. Other internal audits or reviews included in my plan are: the afterschool child care programs (Bryan, Mims, Cavazos, Midkiff, and Marcell), Fixed Assets and Payroll, Purchasing or Finance Departments as time allows. Additionally, I will assist administration with efficiency reviews as needed to determine whether allocated resources are managed in an economical, effective and efficient manner.

Attached is a schedule of the internal audits, activities and tasks that are planned to be completed during the school year. This schedule is also subject to change as needed to accommodate special reviews or investigations.

SUBJECT: General Fund and Debt Service Financial Report

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

As per Board Policy CFA (LEGAL), The Board shall prepare an annual financial statement that shows the following for each fund subject to its authority during the fiscal year:

1. The total receipts of the fund, itemized by the source of revenue, including taxes, assessments, service charges, grants of state money, gifts, or other general sources from which funds are derived.
2. The total disbursements of the fund, itemized by the nature of the expenditure.
3. The balance in the fund at the close of the fiscal year.

Monthly financial reports are prepared throughout the year by Administration for information purposes only.

ADMINISTRATIVE CONSIDERATIONS

The General Fund Financial reports compare the budgeted revenues and expenditures.

Actual revenues through May 2025 totaled $147,982,253, and actual expenditures totaled $174,153,477. The net excess total expenditures over revenues is $26,171,224.

These numbers do not include outstanding encumbrances for payroll and supplies. Budget by function is sufficient to meet expenditures.

The Debt Fund financial report is also attached.

SUBJECT: Tax Collection Report

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

The Hidalgo County Assessor & Collector has been collecting the District's taxes since December 1999. Both current and delinquent taxes are collected by Hidalgo County on our behalf.

ADMINISTRATIVE CONSIDERATIONS

Tax roll adjustments due to corrections, rollbacks, homesteads, dropped years, etc., resulted in a net decrease of $40,540. Adjustments are reviewed and posted to the general ledger on a monthly basis. These modifications are included as part of the monthly tax report. Collections for May and June 2025 totaled $432,267 and $312,280, respectively. The monthly fee for this service is $6,584.00.

Attached are the May and June 2025 Tax Collection Reports

FUNDING SOURCE AND AMOUNT

Local Maintenance Levy Modification ($129,028)
Debt Service Levy Modification ($50,945)
Rollbacks $139,433
