This Notice was posted by 3:00 p.m., on April 16, 2026.

Dr. Cris King, Superintendent of Schools
Mission Consolidated Independent School District

SUBJECT: Approval of Energy Consultant / Electricity Procurement Advisory Services

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

The District seeks to engage a qualified energy consultant to support the development and issuance of an RFP for electricity services and to provide expert guidance throughout the procurement process. In addition, the consultant will provide ongoing energy advisory services, including identifying cost-saving opportunities, recommending efficiency strategies, and supporting District operations in managing and reducing electricity expenses over time. This engagement is intended to support informed decision-making and ensure compliance with applicable procurement requirements prior to selecting an electricity provider.

ADMINISTRATIVE CONSIDERATIONS

The District requested a Request for Qualifications (RFQ) in accordance with Texas Government Code 2254, Professional and Consulting Services.

A summary of the response review and evaluation process is as follows:

1. Number of responses received: 2
2. Number of vendors planning to award: 1

FUNDING SOURCE AND AMOUNT

The commission will be paid by the Retail Electric Provider at a rate of $0.00075 per kWh.

RECOMMENDATION

Administration recommends awarding the contract to Marco Arredondo Inc. This firm ranked higher due to significantly deeper K-12 experience, long-term client performance, and strong in-house engineering expertise, while still demonstrating a competitive procurement process.
