**SUBJECT:** Budget Amendment

**PRESENTER:** Jaime Lopez, Assistant Superintendent for Business and Finance

**BACKGROUND INFORMATION**

In accordance with TEA budget and accounting procedures guidelines, the District's official budget includes the General Fund and Debt Service. The adoption of the budgets associated with these funds, and subsequent amendments, should be approved by the Board of Trustees. The authority to approve a budget or a budget amendment for a grant program, however, lies with the granting agency and not with the District's Board.

**ADMINISTRATIVE CONSIDERATIONS**

All requests for budget amendments have been reviewed and are justified for the programmatic or policy changes and adjustments of original estimates.

**FUNDING SOURCE AND AMOUNT**

This budget amendment reflects the allocation of new state revenues received under **House Bill 2 (HB 2)** for the 2025–2026 school year. The district has been awarded a total of **\$7,362,206** in additional funding across the following allotments:

**Teacher Retention Allotment – \$4,380,000**

**Allotment for Basic Costs – \$1,459,090**

**School Safety Allotment – \$545,385**

**Support Staff Retention Allotment – \$480,731**

**Full Individual & Initial Evaluation Allotment – \$497,000**

Corresponding expenditure adjustments are proposed to begin implementation of the **Teacher Retention Allotment**. At this time, **\$2,823,230** is being budgeted under **Function 11 – Instruction** to support required teacher salary increases as outlined in HB 2.

**RECOMMENDATION**

Approval of budget amendment as presented.

Additionally, the district is seeking approval for the VMHS Region One GEAR-UP strategists to attend the national conference to receive training aligned with GEAR-UP program requirements, including college-readiness strategies, academic frameworks, data-driven program evaluation, and federal compliance updates. Attendees will also have the opportunity to collaborate with other GEAR-UP programs nationwide, gaining insight into best practices that can be applied within the district.

All travel-related expenses, including registration, transportation, lodging, and meals for all participants, will be funded through the GEAR-UP grant in accordance with federal and district guidelines.

**SUBJECT:** Plan of Finance for Maintenance Tax Notes

**PRESENTER:** Jaime Lopez, Assistant Superintendent for Business and Finance

**BACKGROUND INFORMATION**

The District’s Financial Advisors, TRB Capital Markets dba Estrada Hinojosa, presented a financing option for the purchase of school buses at the May 6, 2026 Board Workshop. Maintenance Tax Notes are a financing tool commonly used by school districts to fund bus purchases and certain facility renovations. These notes are typically secured by the District’s maintenance and operations (M&O) tax levy and can be issued without voter approval, allowing for a more streamlined and timely financing process. Estrada Hinojosa presented potential structures, timelines, and cost scenarios to determine whether this option aligns with the District’s needs.

Bus Replacement Plan

- 13 Standard Buses (at \$170,000 each; includes cameras, seat belts, microphones, and speakers): \$2,210,000
- 2 Special Needs Buses: \$327,040

**ADMINISTRATIVE CONSIDERATIONS**

Administration, in coordination with the District’s Financial Advisors, TRB Capital Markets dba Estrada Hinojosa, recommends approval to move forward with the process of Maintenance Tax Notes, a financing tool, for the purchase of school buses. Estrada Hinojosa will come back to present bank bids on June 17, 2026, for the Board to consider approval of final terms with a bank recommendation.

**FUNDING SOURCE AND AMOUNT**

Total Estimated Cost: \$2,537,040

**RECOMMENDATION:**

Administration recommends the approval of the Plan of Finance for Maintenance Tax Notes.

**SUBJECT:** Resolution Declaring Expectation to Reimburse Expenditures with Proceeds of Future Debt

**PRESENTER:** Jaime Lopez, Assistant Superintendent for Business and Finance

**BACKGROUND INFORMATION**

This resolution authorizes the Mission Consolidated Independent School District Board of Trustees to formally declare its intent to reimburse certain capital expenditures using proceeds from future tax-exempt debt issuances.

The resolution pertains to district facility improvement projects involving the maintenance, repair, rehabilitation, or replacement of essential building systems across existing school properties. These systems include heating and air conditioning (HVAC), water and sanitation infrastructure, roofing, flooring, electrical systems, and other related building components.

Under Treasury Regulation §1.150-2, governmental entities must officially declare their expectation to reimburse expenditures with proceeds from future tax-exempt obligations in order to preserve the tax-exempt status of the financing. This resolution fulfills that federal requirement and enables the District to move forward with necessary projects prior to the issuance of debt while maintaining eligibility for reimbursement.

**ADMINISTRATIVE CONSIDERATIONS**

The resolution establishes that the District reasonably expects to issue up to \$2,600,000 in future obligations to reimburse eligible project costs.

In summary, the resolution provides financial and legal flexibility for the District to address critical infrastructure and facility needs while preserving access to future tax-exempt financing mechanisms.

**FUNDING SOURCE AND AMOUNT**

Total Estimated Cost: \$2,600,000

**RECOMMENDATION:**

Administration recommends the approval of the Resolution Declaring Expectation to Reimburse Expenditures with Proceeds of Future Debt.

**SUBJECT:** School Supply Kits for 2026 - 2027 School Year

**PRESENTER:** Cynthia Wilson, Assistant Superintendent for Curriculum & Instruction

**BACKGROUND INFORMATION**

To support academic success for all students, it is essential that they have equitable access to basic school supplies. In response, a committee of district staff reviewed existing school supply lists and developed streamlined, grade-appropriate kits for early and intermediate elementary, as well as secondary grade levels. While not exhaustive, these lists include the fundamental items needed to equip students for a productive start to the school year.

Depending on the grade level, supplies may include pencils, crayons, highlighters, scissors, glue, school boxes, folders, notebooks, and composition books. Based on input from both district and campus staff, it was determined that providing each Mission CISD student with a basic starter school supply kit will help ensure they are ready for instruction from the very first day of school.

**ADMINISTRATIVE CONSIDERATIONS**

The District solicited Requests for Proposals in compliance with TEC Sec 44.031(a), requiring an approved procurement method for expenditures of similar categories valued at an annual aggregate of \$50,000 or greater.
