SUBJECT: Elementary Reading Intervention Program

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

This purchase intends to provide a method to procure the renewal of the i-Ready Reading site license for the 2026-2027 school year to meet the needs for an Elementary Reading Intervention Program.

This program is a comprehensive K-5 literacy software program that brings together assessment data with targeted instruction to support grade-level proficiency and student growth. The program begins with a diagnostic assessment that diagnoses a student's strengths and areas for improvement. It then creates a personalized pathway that adapts to the needs of the student. Additionally, the program provides targeted TEKS-aligned lessons that teachers can use in small group settings to help close achievement gaps.

ADMINISTRATIVE CONSIDERATIONS

The purchase will be made using an Inter-local Purchasing Co-op. Using an Inter-local Purchasing Co-op complies with the purchase requirements of TEC 44.031(a)(4) and local board policy requiring an approved purchasing method for contracts valued at $50,000 or greater.

FUNDING SOURCE AND AMOUNT

Federal Funds

Estimated expenditure **$139,036.50**

Curriculum Associates

Information on Professional Learning Sessions

Protecting the health and safety of the educators we serve and their students, as well as the health and safety of our employees, is of paramount importance to Curriculum Associates. In the event of a (i) government-declared public health emergency or (ii) weather event, that materially impacts in-person instruction, sessions may transition to a virtual format. Curriculum Associates' policy is to only provide PL sessions in person where one of our employees can reach the session site by car and where adequate safety measures are in place to protect the health of our session leaders and participants. Curriculum Associates reserves the right to switch any session from in-person to virtual if we cannot safely reach a session site, or if adequate health safety measures cannot be put in place.

If your school or district will not permit visitors at the time of a scheduled session, Curriculum Associates would be happy to provide an equivalent live, virtual session via videoconference. Similarly, Curriculum Associates will comply with your school or district's health and safety requirements regarding on-site visitors if we are given adequate advance notice.

Any questions regarding scheduling in-person or virtual training sessions should be directed to pdoperations@cainc.com.

Meeting Place and Time

Board meetings shall be held during a time that is outside of typical work hours. [See FA(LEGAL)]

Regular Meetings

Regular meetings of the Board shall normally be held on the second Wednesday of each month at 6:30 p.m. When determined necessary and for the convenience of Board members, the Board President may change the date, time, or location of a regular meeting with proper notice.

Special or Emergency Meetings

The Board President shall call special meetings at the Board President's discretion or on request by two members of the Board.

The Board President shall call an emergency meeting when it is determined by the Board President, the Board Vice President, or any other two members of the Board that an emergency or urgent public necessity, as defined by law, warrants the meeting.

Agenda

Deadline

The deadline for submitting items for inclusion on the agenda is the 10th calendar day before regular meetings and the 10th calendar day before special meetings.

Preparation

In consultation with the Board President, the Superintendent shall prepare the agenda for all Board meetings. The Superintendent shall include on the preliminary agenda of the meeting all topics that have been timely submitted in writing by at least one Board member.

Before the official agenda is finalized for any meeting, the Superintendent shall consult the Board President to ensure that the agenda and the topics included meet with the Board President's approval. In reviewing the preliminary agenda, the Board President shall ensure that any topics the Board or at least one Board member has requested to be addressed are either on that agenda or scheduled for deliberation at an appropriate time in the near future. The Board President shall not have authority to remove from the agenda a subject requested by at least one Board member without specific authorization from that Board member.

Notice to Members

Members of the Board shall be given notice of regular and special meetings at least three business days prior to the scheduled date of the meeting and at least one hour prior to the time of an emergency meeting.

Closed Meeting

Notice of all meetings shall provide for the possibility of a closed meeting during an open meeting, in accordance with law.

The Board may conduct a closed meeting when the agenda subject is one that may properly be discussed in closed meeting. [See BEC]

Order of Business

The order of business for regular Board meetings shall be as set out in the agenda accompanying the notice of the meeting. At the meeting, the order in which posted agenda items are taken may be changed by consensus of Board members.

Rules of Order

The Board shall observe the parliamentary procedures as found in *Robert's Rules of Order, Newly Revised*, except as otherwise provided in Board procedural rules or by law. Procedural rules may be suspended at any Board meeting by majority vote of the members present.

Record Vote

Voting on any item shall be a record vote by show of hands or roll call, as directed by the Board President. Any member may abstain from voting on an item, and a member's vote or failure to vote shall be recorded in the minutes. [See BDAA(LOCAL) for the Board President's voting rights]

Consent Agenda

When the agenda is prepared, the Board President shall determine items, if any, that qualify to be placed on the consent agenda. A consent agenda shall include items of a routine and/or recurring nature grouped together under one action item. For each item listed as part of a consent agenda, the Board shall be furnished with background material. All such items shall be acted upon by one vote without separate discussion, unless a Board member requests that an item be withdrawn for individual consideration. The remaining items shall be adopted under a single motion and vote.

Minutes

Board action shall be carefully recorded by the Board Secretary or clerk; when approved, these minutes shall serve as the legal record of official Board actions. The written minutes of all meetings shall be approved by vote of the Board and signed by the Board President and the Board Secretary.

[See CPC regarding retention of records.]

Discussions and Limitation

Discussions shall be addressed to the Board President and then the entire membership. Discussion shall be directed solely to the business currently under deliberation, and the Board President shall halt discussion that does not apply to the business before the Board.

The Board President shall also halt discussion if the Board has agreed to a time limitation for discussion of an item, and that time limit has expired. Aside from these limitations, the Board President shall not interfere with debate so long as members wish to address themselves to an item under consideration.
