**MEMORANDUM OF UNDERSTANDING
REGARDING DALLAS COUNTY JUVENILE
JUSTICE ALTERNATIVE EDUCATION PROGRAM**

This Memorandum of Understanding (sometimes referred to herein as “Agreement”) is entered into pursuant to the Texas Interlocal Cooperation Act, Texas Government Code, Chapter 791 and Texas Education Code, Chapter 37, and is entered into to be effective August 1, 2021. The Parties to this Agreement are, the Dallas County Juvenile Board (“DCJB”), Region 10 Education Service Center and the following educational entities: Carrollton-Farmers Branch Independent School District, Cedar Hill Independent School District, Coppell Independent School District, Dallas Independent School District, DeSoto Independent School District, Duncanville Independent School District, Garland Independent School District, Grand Prairie Independent School District, Highland Park Independent School District, Irving Independent School District, Lancaster Independent School District, Mesquite Independent School District, Richardson Independent School District, and Sunnyvale Independent School District (hereinafter referred to collectively as the “ISDs”). This agreement shall be effective upon District Board approval.

RECITALS:

WHEREAS:

(1) Chapter 37 of the Texas Education Code requires that in those counties with a population of 125,000 or more, juvenile boards and independent school districts must work cooperatively to provide alternative education programs. The responsibilities of school districts and county juvenile boards as to the operation and funding of such programs must be outlined in a joint memorandum of understanding pursuant to Texas Education Code Section 37.011 (k); and

(2) The educational spectrum available for youth provided under Chapter 37 of the Texas Education Code requires the creation of alternative education programs in each independent school district operating in Dallas County and the creation of a Dallas County Juvenile Justice Alternative Education Program (DCJJAEP). This partnership between the DCJB and the ISDs necessitates a memorandum of understanding defining the Parties' responsibilities to ensure the success of such alternative education programs; and

(3) The ISDs wish to reach an agreement with the DCJB as to the placement of students expelled from school under the provisions of Texas Education Code Sections 37.007 (b), (c), and (f); and

(4) The Dallas County Juvenile Board, Dallas County Schools, Region 10 Education Service Center, and the ISDs agree that the goals of this Memorandum of Understanding are (a) to establish consistency, predictability, and appropriateness of curriculum options and student placement following expulsion from school;

(b) to return students to the school setting when appropriate; (c) to impress upon youth that there are progressive sanctions for misconduct in the public school setting; (d) to provide educational options for the juvenile courts, consistent with the progressive sanctions in the juvenile justice system where appropriate; and (e) to comply with the requirements of Chapter 37 of the Texas Education Code.

NOW THEREFORE, BY THIS MEMORANDUM OF UNDERSTANDING IT IS MUTUALLY UNDERSTOOD AND AGREED BY THE PARTIES AS FOLLOWS:

SECTION ONE: DEFINITIONS

1.1 For purposes of this Agreement, the following definitions shall be used:

- (A) **“Academic review team”** shall mean those persons responsible for reviewing a student’s academic progress in accordance with Texas Education Code Section 37.011(d); that is, the DCJB or its designee, and the parent or guardian of the student.
- (B) **“Discretionary expulsion”** shall refer to any student who is removed from the school setting for conduct for which expulsion is permitted but not required pursuant to the provisions of Texas Education Chapter 37. The term “discretionary expulsion” shall also refer to students who are registered sex offenders and who are removed from the regular educational setting and placed in the DCJJAEP pursuant to this Agreement.
- (C) **“Liaison”** shall be a person designated to act on behalf of a party to this Agreement with authority to bind such party regarding the day-to-day operation of the DCJJAEP. Each party to this Agreement shall designate a primary and alternate liaison and shall notify all other parties of such designation in writing within a reasonable period after execution of this Agreement. In the event no designation is made, the superintendent of schools / county judge shall be the designated liaison for that party for purposes of such communications.
- (D) **“Mandatory expulsion”** shall refer to any student who is removed from the school setting for conduct for which expulsion is required pursuant to the provisions of Texas Education Code Chapter 37.
- (E) **“Student”** shall mean any person age ten years or older and admitted into the public schools of an ISD under this MOU under Texas Education Code 25.001(b).
- (F) The Governance Committee will review and make recommendations to the DCJJAEP Code of Conduct.
- (G) The Governance Committee will review and make recommendations to the DCJJAEP Operating Procedures.

SECTION TWO: STUDENT CODES OF CONDUCT

2.1 The DCJJAEP will be created and operated pursuant to Chapter 37 of the Texas Education Code and this Memorandum of Understanding. Each ISD has developed a Student Code of Conduct, specifying the circumstances under which a student may be removed from a classroom, campus, or alternative education

program.

2.2 The Student Code of Conduct adopted by each ISD shall set forth the circumstances under which youth will be subject to removal from the school setting and placement in the DCJJAEP. Each ISD agrees to adopt, as part of its Student Code of Conduct, the following definition of serious misbehavior that may result in removal from the school district alternative education program under Texas Education Code Section 37.007 (c):

“Serious misbehavior” shall mean:

- (1) Deliberate violent behavior that poses a direct threat to the health or safety of others;
- (2) Extortion, meaning the gaining of money or other property by force or threat;
- (3) Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or
- (4) Conduct that constitutes the offense of:
 - (A) Public lewdness under Section 21.07, Penal Code;
 - (B) Indecent exposure under Section 21.08, Penal Code;
 - (C) Criminal mischief under Section 28.03, Penal Code;
 - (D) Personal hazing under Section 37.152; or
 - (E) Harassment of a student or district employee under Section 42.07(a) (1), Penal Code.

A student may be subject to discretionary expulsion for serious misbehavior only if the student, while placed in a disciplinary alternative education program, engages in such behavior. An ISD may, however, allow a student to be expelled from the regular school program and placed in the JJAEP for violations of Texas Education Code Sections 37.007 (b) or (f) and pursuant to Texas Education Code Section 37.0051. It is understood by the Parties to this Agreement that such expulsions shall be limited to conduct considered by the school district to be of a serious nature, or likely to substantially interfere with the ISD’s educational programs.

2.3 Pursuant to Texas Education Code Section 37.309(b)(1), a student who is a registered sex offender and is removed from the regular educational program pursuant to Subchapter I, Chapter 37, Texas Education Code, shall be placed in the DCJJAEP in the same manner as a discretionary placement student pursuant to Section 4 of this Agreement. Pursuant to Texas Education Code Section 37.310, funding for students placed in the DCJJAEP under this paragraph shall be paid in the same manner as discretionary ~~expulsion~~ expulsion students under Section

12 of this Agreement.

SECTION THREE: GOVERNANCE OF DCJJAEP

3.1 Composition of Governing Body - The DCJJAEP shall operate as a function of the Dallas County Juvenile Board, independent and apart from the other parties to this Memorandum of Understanding. It shall not be an independent political subdivision, nor shall it operate under the direction or control of any party to this Memorandum of Understanding other than the DCJB. All final decisions regarding the operation of the DCJJAEP shall be made by the DCJB, consistent with this Agreement.

3.2 Governance Committee - The role of the DCJJAEP Governance Committee shall be to provide advice and consultation to the DCJB in matters involving the operation of the DCJJAEP. Upon execution of this Memorandum of Understanding, the DCJB will establish a DCJJAEP Governance Committee consisting of one administrative representative from each ISD, said representatives to be chosen by the respective ISD, one representative of the Region 10 Education Service Center, and two additional representatives designated by the DCJB. The DCJJAEP administrator shall serve as an ex-officio member of the Governance Committee. In making appointments to the Governance Committee, all parties to the Memorandum of Understanding agree to make their best effort to appoint representatives that reflect the ethnic and cultural diversity of the student population served by the DCJJAEP.

3.3 Quorum and Voting - A majority of the members of the DCJJAEP Governance Committee shall constitute a quorum. The DCJJAEP Governance Committee shall act by and through resolutions, motions or orders adopted or passed by the DCJJAEP Governance Committee upon the vote of the majority of the members of the DCJJAEP Governance Committee attending the meeting at which the issue was presented.

3.4 Voting Rights - Each member shall be entitled to one vote on each matter submitted to a vote of the members. In the event of a tie vote, the Chair shall have two votes.

3.5 Chair and Vice-Chair - At the initial meeting of the DCJJAEP Governance Committee, the members in attendance shall select a Chair and Vice-Chair by the affirmative vote of a majority of the members. The Chair shall preside over the meetings of the Committee and shall be responsible for scheduling regular and special called meetings of the Committee, including the provision of notice thereof. In the absence or disability of the Chair, his/her duties shall be performed, and his/her powers may be exercised by the Vice-Chair. The Vice-

Chair shall generally assist the Chair and shall have such powers and shall perform such duties and services as shall from time to time be prescribed or delegated to him or her by the Chair of the DCJJAEP Governance Committee.

The Chair and Vice-Chair shall serve in their respective capacities until tendering written resignation(s), or until replacement by a majority vote of the members of the DCJJAEP Governance Committee. The Chair and Vice-Chair shall be entitled to vote on all matters coming before the DCJJAEP Governance Committee.

3.6 Meetings - The DCJJAEP Governance Committee shall hold regular meetings at such time and in such place as shall be determined by the Committee. Meetings shall be held in accordance with the provisions of the Texas Open Meetings Act, and procedures for meetings shall be governed by the most current version of *Robert's Rules of Order*. Special meetings of the DCJJAEP Governance Committee shall be called by the Chair, or by affirmative vote of not less than one-third (1/3) of the members of the Committee.

3.7 Notice of Meetings - Written notice of all meetings of the DCJJAEP Governance Committee shall be posted at the place(s) for posting notice of public meetings of each of the Parties hereto in accordance with the Texas Open Meetings Act. The Chair of the Governance Committee shall transmit to each member of the Governance Committee a notice for the purpose of such posting not less than five (5) days prior to the date of the meeting. Notice shall be given by or at the general direction of Chair of the Committee, or the members calling the meeting.

3.8 Duties - The duties of the DCJJAEP Governance Committee shall include, but not be limited to the following:

- (A) To develop recommended operating policies and review the operations, policies and procedures of the DCJJAEP, and to make advisory recommendations to the DCJB regarding such operations, policies, and procedures including suggested changes or amendments thereto;
- (B) To periodically evaluate and report to the parties regarding the ongoing success of the DCJJAEP in providing alternative education to students within the DCJJAEP;
- (C) To participate in an advisory capacity in the development of the annual operating budget for the DCJJAEP, including adjustments to the annual per student rate charged to each member ISD for discretionary expulsion students served by the DCJJAEP; to recommend the initial criteria for, and thereafter monitor the ISDs' billing and payment schedule for the DCJJAEP; and to monitor reimbursement to the Fiscal Agent (as hereinafter defined) for its administrative expenses in connection with its responsibilities as set forth in Section Twelve herein;

- (D) To review the contractual arrangements of the DCJB with any providers of goods and services in connection with the creation and operation of the DCJJAEP, and to make recommendations to the DCJB in connection with such contracts;
- (E) To advise the local community of all matters within the public interest relating to the creation, operation and performance results of the DCJJAEP;
- (F) To facilitate coordination with the parties to this Memorandum of Understanding on matters relating to the supervision, educational and rehabilitative services available for expelled students and students assigned to the DCJJAEP and the subsequent transition through the ISDs' alternative education programs;
- (G) To assist the Chief Probation Officer or designee, the Deputy Director of Education, in developing a priority system for acceptance of discretionary expulsion student in the DCJJAEP in the event space becomes limited;
- (H) To formulate and recommend other policies or procedures as appropriate to the governance of the DCJJAEP as may be necessary to obtain approval of the Texas Juvenile Probation Commission and DCJB; and
- (I) To appoint a liaison to inform the Governance Committee regarding pending legislative issues and updates.

3.9 Conflict of Interest - No member of the DCJJAEP Governance Committee shall participate in any vote or discussion upon any matter in which the Committee member, or any person related to that member within the second degree of affinity or consanguinity, has a pecuniary interest. In the event of a conflict of interest, the Committee member shall state the nature of such conflict and thereafter shall refrain from further participation in the matter.

SECTION FOUR: STUDENT PLACEMENT IN DCJJAEP

4.1 The parties to this Agreement acknowledge that Texas Education Code Section 37.010(a) requires that every student who is not detained or receiving treatment under an order of the juvenile court must be enrolled in an educational program. It is therefore the intent of the parties that the DCJJAEP provide education services to all students who have been removed from the school setting and who are under the jurisdiction of the juvenile court, subject to the terms and conditions of this Agreement.

4.2 Students who are removed from the school district setting will be afforded due process at the ISD as provided by school district policy and federal and state law.

4.3 Any student who has been removed from a school district setting may be referred for placement in either the DCJJAEP or in the appropriate school district alternative educational program upon recommendation of

the Case Review Committee as further defined in Section Five herein.

4.4 Every party to this Agreement shall designate a Liaison as defined in Section 1.1(C), who shall be the person responsible for day-to-day communications with the other parties to this Agreement concerning the operation of the DCJJAEP.

4.5 Each ISD shall use its best efforts to notify DCJB's designated liaison in writing as soon as practicable upon the ISD's identification of a student who the ISD reasonably believes has engaged in conduct for which the student will be subject to mandatory expulsion. Such notice shall be given in addition to any notice required under Texas Family Code Section 52.041. If the DCJB's designated liaison receives written notice under this section that a student is believed to have engaged in conduct for which the ISD reasonably believes the student will be subject to mandatory expulsion, and the student is under the jurisdiction of the juvenile court, the juvenile court shall be requested to order the student to attend the DCJJAEP as soon as practicable, pending the outcome of any disciplinary proceedings at the ISD.

4.6 It is the intent of the parties to this Agreement to request that every student who has been removed from an ISD as a mandatory expulsion, and for whom information has been provided by the ISD from which the student has been removed to the juvenile court in accordance with Texas Family Code Section 52.041, be ordered by the juvenile court to enroll in the DCJJAEP as soon as reasonably practicable after the juvenile court's receipt of such notice. It is the intent of the parties to the Agreement that every student who has been removed from an ISD as a discretionary expulsion, and for whom information has been provided by the ISD from which the student has been removed to the juvenile court in accordance with Texas Family Code Section 52.041, be ordered by the juvenile court to enroll in the DCJJAEP as soon as reasonably practicable after the juvenile court's receipt of such notice, so long as adequate space is available in the DCJJAEP. Any juvenile court order placing a student in a residential placement during the student's period of assignment to the DCJJAEP may run in concurrence with that assignment unless a local ISD's policy dictates otherwise. In the event that sufficient space is unavailable in the DCJJAEP, a discretionary expulsion student may be ordered by the juvenile court to attend the alternative education program operated by the ISD from which the student was expelled until such time as space becomes available in the DCJJAEP; in the event space later becomes available in the DCJJAEP, it is the intention of the parties that the order shall provide that the student be assigned to the DCJJAEP for the time remaining in the

student's period of removal. It is the intent of the parties that there be no material interruption in the provision of educational services to expelled students under this Memorandum of Understanding.

4.7 Any student who has not been removed from the school setting but is recommended for placement in the DCJJAEP by the juvenile department, or is court-ordered to that placement shall be admitted if space is available. Mandatory and discretionary expulsions from ISDs take priority in such instances.

4.8 Failure of an ISD to timely notify the juvenile court of a student's expulsion pursuant to Texas Family Code Section 52.041 shall result in the ISD's duty to continue to educate that student until such time as the notification to the DCJB is properly made.

4.9 The DCJB shall, for each student taken into custody for conduct that occurred on school property or at a school-sponsored or school-related activity, use its best efforts to ascertain whether the conduct for which the student was taken into custody would subject the student to mandatory expulsion. If the DCJB ascertains that the conduct for which the student was taken into custody is such that it would subject the student to mandatory expulsion, the juvenile court may immediately order the student to attend the DCJJAEP, pending resolution of the disciplinary action, including any due process hearings, at the ISD.

4.10 It is the intent of the Parties hereto that for each expelled student who is placed in the DCJJAEP, the term of such placement will be coterminous with the term of the student's expulsion from school. Students must remain in the DCJJAEP for the full period ordered by the juvenile court unless the student's home school district agrees to accept the student before the date ordered by the juvenile court. The juvenile court shall be requested to consider the term of a student's expulsion in entering any order as to the student, including terms and conditions of release from custody, deferred prosecution, or probation. At the conclusion of the student's term of probation, or any other requirement imposed by the juvenile court, including conditions of a deferred prosecution ordered by the court, and providing the student meets the requirements for admission into the public schools established by law, the school district in which the student resides shall readmit the student, but may assign such student to the school district alternative education program.

4.11 In order to avoid undue disruption in the educational process for students attending DCJJAEP under this Agreement, in assigning a term of expulsion, the ISD expelling the student shall consider a term of expulsion as follows:

- (A) For mandatory placements, a minimum term of 90 days to a maximum term of 180 days; and
- (B) For discretionary placements, a minimum term of 90 days to a maximum term of 180 days with a review at 50 days for possible exit at 60 days, contingent upon the student's academic progress, attendance and adherence to the rules, policies and procedures of the DCJJAEP. The exception to this assignment would be gun - related violations which have a maximum term of 180 days.
- (C) For discretionary placements, enrollment in the DCJJAEP should minimize academic disruption of the DCJJAEP program:
 - i. There will be no admission to or enrollment in the DCJJAEP in the seven-day period preceding the administration of state-mandated assessments;
 - ii. There will be no admission to or enrollment in the DCJJAEP in the ten-day period preceding the last day of classes of either the first or second semester; and
 - iii. A student whose enrollment in the DCJJAEP is delayed under this section shall continue to receive educational services in a disciplinary placement provided at the home district pending enrollment in the DCJJAEP. Days served in the home district's disciplinary placement shall be considered the same as days served in the DCJJAEP.

The term of expulsion will terminate on the Friday following the completion of the assigned days, or at the conclusion of the next six- or nine-week grading period, with the mutual agreement of the expelling ISD and the DCJJAEP.

4.12 In the event a student engages in conduct for which the student may be subject to expulsion, and the student seeks to withdraw from school prior to receiving a hearing and a final order of expulsion, the ISDs agree that all procedural requirements will be completed to finalize an expulsion order before finalizing the student withdrawal.

4.13 Neither student nor parents or guardian of a student placed in the DCJJAEP shall be required to pay a fee, including an entrance fee or supply fee, for participating in the DCJJAEP unless law authorizes such fee.

SECTION FIVE: CASE REVIEW COMMITTEES

5.1 The Case Review Committee is hereby created for the purpose of:

- (A) Verifying the appropriateness of a mandatory or discretionary expulsion;
- (B) Assuring that the documents for enrollment in the DCJJAEP are included in the student's records for each student referred to the DCJJAEP;
- (C) Reviewing the need for related services of expelled special education students as mandated in the ARD / IEP document;

- (D) Requesting that the school district fax any incomplete information to the DCJJAEP within two working days of the CRC meeting; and
- (E) Returning any cases that do not meet the eligibility requirements in this Agreement to the sending ISD and notifying the Governance Committee representative.

5.2 The Case Review Committee shall review and make placement recommendations for those students who have been removed from an ISD's regular educational program and for whom placement in the DCJJAEP under this Agreement is authorized. The Case Review Committee shall be composed of, but not limited to, four members: the ISD representative making the referral, the ISD Special Education representative, one certified teacher from the service provider and two representatives of the DCJB, one of whom is the chairman. It is strongly recommended the ISD provide Special Education representation. The DCJJAEP school administrator or his or her designee will participate as an ex officio member of the Case Review Committee.

5.3 It is the intent of this Memorandum of Understanding that the Case Review Committee shall review, as soon as possible, the placement of all students who are expelled from the school setting. The Case Review Committee shall then make appropriate recommendations to the DCJJAEP, the juvenile court, and/or the ISDs regarding placement recommendations for such students. The Case Review Committee shall review the placement of each student expelled from school as expeditiously as possible to avoid delay in the provision of educational services to students served under this Memorandum of Understanding.

5.4 In making appointments to the Case Review Committee, all parties to the Memorandum of Understanding agree to make best efforts to appoint representatives that reflect the ethnic and cultural diversity of the students served by the DCJJAEP.

SECTION SIX: SPECIAL EDUCATION

6.1 The DCJB shall provide instructional services in compliance with the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act (IDEIA) Amendments of 2004. The ISD in which a student resides retains responsibility for providing and funding related services specified in the Individualized Education Program to eligible students under the Individuals with Disabilities Education Improvement Act.

6.2 The DCJB and the ISDs shall cooperate in the provision of related services to students placed in the DCJJAEP. (See Attachment A – *Procedure for Students Receiving Special Education Services*)

6.3 The ISDs shall provide reasonable notice, preferably five school days, to the administrator of the DCJJAEP to participate in any ISD's Admission, Review and Dismissal Committee (ARD) meeting where placement in the DCJJAEP will be considered or when reviewing or modifying the program of a student in the DCJJAEP. A copy of the student's current individualized education program (IEP) must be provided to the JJAEP administrator or designee with the notice. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means including participation by telephone conference call. The ISDs will be responsible for scheduling and sending notices of ARD meetings during the period of expulsion, and for giving notice to the DCJJAEP Liaison of such ARD meetings. For students receiving services under the Individuals with Disabilities Education Act, the Admission, Review and Dismissal Committee meetings shall satisfy the requirement for academic review team meetings as otherwise required in Section 7.1 herein.

6.4 If, after placement of a student with disabilities in the DCJJAEP under this Agreement, the administrator of the DCJJAEP has concerns that the student's educational or behavioral needs cannot be met in the DCJJAEP, the administrator (or his/her designee) shall immediately provide written notice to the ISD from which the student was expelled. Upon receipt of such notice, the ISD shall convene an ARD committee meeting to reconsider the placement of the student in the program, giving reasonable advance notice to the administrator of the DCJJAEP. A representative of the DCJJAEP may participate in the ARD committee meeting to the extent that the meeting relates to the student's placement or continued placement in the DCJJAEP.

SECTION SEVEN: ACADEMIC REVIEW AND TRANSITION

7.1 The DCJB or its designee, together with the parent or guardian of each student, shall regularly review the student's academic progress. In the case of a high school student, the board or the board's designee, together with the student's parent or guardian, shall review the student's progress towards meeting high school graduation requirements and shall establish a graduation plan for the student. The DCJJAEP is not required to provide a course necessary to fulfill a student's high school graduation requirements other than a course specified under Texas Education Code Section 37.011(d).

7.2 The DCJB shall provide the state - required annual performance reports of all students served by the DCJJAEP. Such evaluation shall reflect the academic performance of students served in the DCJJAEP each

year.

7.3 A teacher employed by the DCJJAEP who holds certification granted under Texas Education Code Section 21.031, *et seq.*, must review all academic work of the student prior to the student's exit from the DCJJAEP and return to the school district, and must certify completion of course work based upon a determination that the student has mastered the essential knowledge and skills for a course at the seventieth percentile pursuant to Texas Education Code Section 28.002,. In accordance with Texas Education Code Section 37.011(d), such certification must be accepted by the school district and all course credit earned by the student while at the DCJJAEP shall be reflected on the student's school district transcript.

7.4 Prior to completion of a student's placement in the DCJJAEP, the DCJJAEP's designee and ISD's representative shall develop, together with the student's parent or guardian, recommendations for the student's transition to the regular school setting.

SECTION EIGHT: ADMINISTRATION OF ALL REQUIRED STATE TESTING

8.1 In accordance with Texas Education Code Section 37.011(d), the parties agree that state-mandated assessment instruments shall be administered to all students enrolled in the DCJJAEP, except where such students are exempt from such testing by an ARD committee or other legal authority. The parties agree that they will cooperate in the acquisition of testing materials, scheduling, and as otherwise necessary in order to facilitate assessment instrument administration. The DCJB shall be responsible for administering assessment instruments to those students enrolled in the DCJJAEP. Prior to scheduled testing dates, the parties will communicate regarding the most efficient method of obtaining secured testing materials for all students placed in the DCJJAEP, and the DCJB and the ISDs will cooperate in the acquisition of such materials for students in the DCJJAEP. Each ISD shall provide to the DCJJAEP administrator the name of a responsible contact person who shall have responsibility, on behalf of each ISD, for coordination of administration of statewide assessment instruments for that ISD's students enrolled in the DCJJAEP. The DCJB shall be responsible for returning all testing material to the appropriate TEA agent.

SECTION NINE: DCJJAEP FACILITIES AND STAFFING

9.1 Facilities and staffing for the DCJJAEP shall be the responsibility of the DCJB and may be provided by the DCJB.

9.2 The DCJB agrees to provide periodic evaluations of the effectiveness of the DCJJAEP.

Such evaluations shall include but not be limited to external evaluation of student performance, fiscal audits, and review of student records, classroom observations, and surveys of students, parents and ISDs.

SECTION TEN: TRANSPORTATION

10.1 Each ISD shall be responsible for providing transportation services for students attending the DCJJAEP, either directly or through an agreement with another provider.

SECTION ELEVEN: RELEASE OF STUDENT AND JUVENILE RECORDS

11.1 The governing body of each party to this Memorandum of Understanding finds that in order to appropriately serve students receiving services under this Memorandum of Understanding, the sharing of information pertinent to the provision of juvenile justice, education and rehabilitation services is essential and in the best interests of the students served. Each party to this Memorandum of Understanding further agrees that any juvenile and/or educational record shared under this Memorandum of Understanding shall be kept strictly confidential and shall only be released to persons with legitimate educational, behavioral and/or treatment-related interests in the student affected.

11.2 Upon referral of a student to the DCJJAEP, the student's home school district shall forward to the DCJJAEP the same records it is required to forward to another public school when a student transfer. The student's home school shall provide the following records to the DCJJAEP:

- (A) For students in middle school, the student's Middle School Plan, which is a list of courses offered, by grade level, and the course credit earned by the student;
- (B) For students in grades 9-12, the student's Graduation Plan, which lists the sequence of courses needed for graduation and the course credit earned by the student;
- (C) The student's current transcript including all achievement test scores recorded on that document;
- (D) The student's current year report card;
- (E) A withdrawal form, which shall indicate the current courses in which the student is enrolled, the current earned grade, and the textbook and other instructional resources being used with that subject;
- (F) The student's records related to State-mandated testing;
- (G) The student's current year attendance record;

- (H) The student's latest Admission, Review and Dismissal (ARD) documents, the Manifestation Determination (MD), the Individualized Education Program (IEP) and the student's Behavior Intervention Plan (BIP), in accordance with Paragraph 6.1 of this Memorandum of Understanding;
- (I) The student's health records;
- (J) The student's home language survey;
- (K) For mandatory expulsions, a police service number must be included; and
- (L) As soon as is practical, the student's home school district shall forward the student's previous year's attendance record.

SECTION TWELVE: FUNDING FOR DCJJAEP AND FISCAL AGENT

12.1 All Districts participating in the MOU must pay a \$3,000.00 annual administrative fee.

12.2 Base Rate - The base rate, as established by DCJB, will be charged for each discretionary expulsion student enrolled in the DCJJAEP. The base rate for those students admitted to the JJAEP for the 2021 – 2022 school year shall be an amount not to exceed One Hundred Fourteen Dollars (\$114.00) per student per day in attendance. The Fiscal Agent shall establish billing, payment, and accounting procedures. The ISDs shall not be charged for mandatory expulsion students enrolled in the DCJJAEP, nor shall any ISD be charged for students placed at the DCJJAEP by order of a Dallas County Juvenile Court Judge. The base rate shall be considered the “actual cost” of the DCJJAEP program for students placed in the DCJJAEP pursuant to Texas Education Code Section 37.0081.

12.3 Student Attendance - Dallas County shall keep accurate records of student attendance at the JJAEP in accordance with TEA guidelines. The County will sign – off, each month on said accuracy. In the event that a student fails to attend school at the JJAEP in accordance with state compulsory attendance laws, Dallas County shall provide the student and the student's parents with a warning notice in compliance with Texas Education Code Section 25.095. A copy of such notice shall be provided to the ISD from which the student was expelled. If a student enrolled in the JJAEP fails to attend school without excuse on 10 or more days or parts of days within a six-month period in the same school year, or if a student fails to attend school without excuse on three or more days or parts of days within a four-week period, the ISD from which the student was expelled may file a complaint against the student or the student's parent or both as provided under Texas Education Code Section 25.0951.

12.4 Fiscal Agent - Region 10 Education Service Center (ESC) shall serve as the Fiscal Agent of the ISDs with respect to payment by the ISDs to the DCJB for DCJJAEP services in accordance with Section 37.012 of the Texas Education Code. In its capacity as Fiscal Agent, ESC shall be responsible for receiving funds from the respective ISDs for the establishment and operation of the DCJJAEP and shall transfer such funds in a timely fashion to the DCJB.

12.5 Assistance to the DCJB - To the extent requested by the DCJB, the ESC shall advise the DCJB regarding the establishment of appropriate record keeping and accounting functions and procedures for the DCJJAEP. DCJB agrees to cooperate with ESC on all matters relating to the ESC's responsibilities as Fiscal Agent for the ISDs concerning the funding for the DCJJAEP.

12.6 Sharing of Financial and Enrollment Information - The DCJB and “the” ESC agree to share information and records, including access to accounting and other non-confidential information, regarding the number of students served by the DCJJAEP and the costs incurred in connection with the establishment and operation of the DCJJAEP, so as to allow ESC to accurately assess and verify the amounts to be paid by the ISDs to the DCJB in connection with the DCJJAEP.

12.7 Maintenance of Depository Account - ESC shall establish and maintain a depository account at its regular depository institution for the deposit of funds from the ISDs, such funds representing the respective ISDs' funding obligations to the DCJB for the DCJJAEP as required by Section 37.012 of the Texas Education Code and as further agreed upon by the parties to this Memorandum of Understanding. All such funds shall be placed in a fully insured depository account, or other insured account as required by law, and any interest accruing from such deposited funds shall be credited to the DCJJAEP to be used for unanticipated or extraordinary expenses of the DCJJAEP and shall not be commingled with the regular operating funds of the ESC. From such funds, ESC shall make payment to the DCJB on behalf of the ISDs for the DCJJAEP as set forth in this Agreement.

12.8 Accounting to ISDs - In its capacity as Fiscal Agent, ESC shall provide accounting to the ISDs on an as-requested basis of the amounts paid to the DCJB in connection with the DCJJAEP, together with supporting documentation.

12.9 Billing - DCJB agrees to establish and coordinate billing arrangements with the ISDs and ESC with respect to the ISDs' funding responsibilities for the DCJJAEP.

12.10 Audit - At least annually, ESC shall provide an audited accounting to the ISDs and DCJB of funds received and paid with respect to the DCJJAEP.

12.11 Budget - In addition to the provision of services as Fiscal Agent, ESC shall provide recommendations to DCJB on budgetary matters relating to the establishment and operation of the DCJJAEP.

12.12 Reimbursement - The ISDs agree to reimburse ESC for its reasonable administrative expenses incurred in its capacity as Fiscal Agent. Such reimbursement responsibility shall be allocated to the ISDs in proportion to their annual funding requirements to the DCJJAEP. ESC shall maintain and provide detailed accounting to the ISDs for all reimbursable administrative expenses incurred in connection with its service as Fiscal Agent and shall submit invoices on a quarterly basis to the ISDs for such services. Revenue that exceeds operating costs will be channeled back into the fund balance for the purpose of operating the JJAEP only.

12.13 Funding Not Required for Certain Students - In the event a juvenile court with jurisdiction over a student who has not been expelled from school orders that the student attend the DCJJAEP as a term or condition of probation, the ISD which the student attended at the time the juvenile court entered such order shall not be required to make any payment to the DCJJAEP under Section 12.1 herein.

SECTION THIRTEEN: TERM OF MEMORANDUM OF UNDERSTANDING

13.1 The initial term of this Memorandum of Understanding shall be for the period from the effective date of this Memorandum of Understanding through July 31, 2021. This Memorandum of Understanding shall be automatically renewed for an additional term of one year on the same terms and conditions, unless one or more of the parties hereto elects to terminate this Memorandum of Understanding by providing written notice to all other parties hereto at least thirty (30) days prior to the expiration of this Memorandum of Understanding, unless terminated sooner. This Memorandum of Understanding may be extended for additional terms of one year upon the mutual consent of the parties evidenced by an extension agreement entered not later than thirty (30) days prior to the termination date of this Memorandum of Understanding, or any extension hereof.

13.2 Any provision of the preceding Section 13.1 to the contrary notwithstanding, this Memorandum of Understanding may be terminated prior to the expiration of the term hereof by written mutual agreement of the DCJB and a participating ISD. In such event, the Memorandum of Understanding will remain in force and effect with respect to the remaining ISDs.

SECTION FOURTEEN: EXPEDITED MAGISTRATE SYSTEM

14.1 The expeditious hearing of all cases related to the DCJJAEP by the juvenile court is crucial to the spirit and the letter of both the Education and the Juvenile Justice Codes. The DCJB and juvenile courts will utilize their best efforts to provide a system whereby all cases related to the DCJJAEP can be heard by the juvenile courts as soon as practicable after the student has been expelled from the school setting.

SECTION FIFTEEN: MISCELLANEOUS

15.1 Amendments - If changed conditions are encountered during the term of this Memorandum of Understanding, the Memorandum of Understanding may be supplemented or amended under terms and conditions mutually agreeable to the parties, provided that all such changes, amendments, supplements or modifications shall be in writing.

15.2 Records and Reporting Requirements - Throughout the term of this Memorandum of Understanding, the Parties agree to establish and maintain detailed records regarding the administration and operation of the ISDs' alternative education programs and DCJJAEP, including information regarding the costs of such programs, including facilities, staffing and administrative expenses.

15.3 Legal Requirements - The Parties agree to comply fully with all applicable federal, state, and local statutes, ordinances, rules, and regulations, in connection with the programs contemplated under this Memorandum of Understanding. This Memorandum of Understanding is subject to all applicable present and future valid laws governing the juvenile justice programs applicable to school districts and/or county juvenile probation departments.

15.4 Notices - Except where oral notice is specifically allowed or required under this Memorandum of Understanding, any notice provided hereunder by any party shall be in writing and may either be (1) delivered by hand to the party or, the party's designated agent; (2) deposited in the United States mail, postage paid; (3) transmitted by telecopy; or (4) delivered by electronic mail transmission, to the addresses that follows, electronic mail address, or telecopy number. Notice deposited in the United States mail in the manner hereinabove described shall be deemed received two (2) business days after such deposit. Notice given in any other manner shall be effective only if and when received by the party to be notified. Any party may designate a different agent or address for notice purposes by giving the other parties ten (10) days written notice in the manner provided above.

15.5 Integration Clause - This Memorandum of Understanding, including attachments, contains the entire agreement of the parties hereto with respect to the matters covered by its terms, and it may not be modified in any manner without the express written consent of the parties. No other agreement, statement, or promise made by or to any party, or made by or to any employee, officer, or agent of any party, that is not contained in this Memorandum of Understanding shall be of any force or effect.

15.6 Partial Invalidity - If any term(s) or provision(s) of this Memorandum of Understanding are held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions of this Memorandum of Understanding shall remain in full force and effect and shall in no way be affected, impaired or invalidated, unless such holding causes the obligations of the parties hereto to be impossible to perform or shall render the terms of this Memorandum of Understanding to be inconsistent with the intent of the parties hereto.

15.7 Non - assignment - No assignment of this Memorandum of Understanding or of any duty or obligation of performance hereunder, shall be made in whole or in part by any party hereto without the prior written consent of the other parties hereto.

15.8 Waiver - No waiver of a breach of any provision of this Memorandum of Understanding shall be construed to be a waiver of any breach of any other provision. No delay in acting with regard to any breach of any provision shall be construed to be a waiver of such breach.

15.9 Immunity - Neither the DCJB, Region 10 Education Service Center nor the ISDs waive or relinquish any immunity or defense on behalf of themselves, their trustees, commissioners, officers, employees, and agents as a result of its execution of this Memorandum of Understanding and performance of the functions and obligations described herein.

15.10 Available Funds - The Parties to this Memorandum of Understanding expressly acknowledge and agree that all monies paid pursuant to this Memorandum of Understanding shall be paid from budgeted available funds for the current fiscal year of each such entity.

15.11 Open Meetings - The meetings at which this Memorandum of Understanding was approved by the Parties' governing boards were posted and held in accordance with the Texas Open Meetings Act, Texas Government Code Chapter 551.

IN WITNESS THEREOF, the undersigned Parties acting under the authority of their respective governing boards have caused this Memorandum of Understanding to be duly executed in multiple counterparts, each of which shall constitute an original, all as of the day and year above first written, which is the date of this Memorandum of Understanding.

Lancaster Independent School District RFQ #2021-02-22 Annual Financial Audit Services

Background Summary

- ❑ There is currently no requirement in Board policy CFC (Legal) that requires the District change/rotate auditing firms.
- ❑ Edgin, Parkman, Fleming & Fleming have been retained as the District auditors since 2013.
- ❑ In 2019 a RFQ was considered, but the Board approved a (1) year extension of the Edgin, Parkman, Fleming & Fleming engagement due to the uncertainty surrounding the roll-out and implementation of HB-3.
- ❑ In 2020 there was a national pandemic and statewide disaster declaration in March. The Board approved a (1) year engagement with Edgin, Parkman, Fleming & Fleming on April 23, 2020.

CFC (Legal)

The district must hire at its own expense an independent auditor to conduct an independent audit of its financial statements and provide an opinion on its annual financial and compliance report.

The independent auditor must:

1. Be associated with a certified public accountancy (CPA) firm that has a current valid license issued by the Texas State Board of Public Accountancy or a state licensing agency from another state;
2. Be a certified public accountant with a current valid license issued by the Texas State Board of Public Accountancy, as required under Education Code 44.008; and
3. Adhere to the generally accepted auditing standards (GAAS), adopted by the American Institute of CPAs (AICPA), as amended, and the generally accepted government auditing standards (GAGAS), adopted by the U.S. Government Accountability Office, as amended.

The CPA firm must:

1. Be a member of the AICPA Governmental Audit Quality Center (GAQC);
2. Adhere to GAQC's membership requirements; and
3. Collectively have the knowledge, skills, and experience to be competent for the audit being conducted, including thorough knowledge of the government auditing requirements and:
 - a. Texas public school district environment;
 - b. Public sector; or
 - c. Nonprofit sector.

If at any time the TEA division responsible for financial compliance reviews an audit firm's working papers and finds that the firm or the quality of the work does not meet the required standards, the division may require the district to change its audit firm.

Government Finance Officers Association (GFOA) Best Practices

- ❑ Governmental entities should enter into multiyear agreements of at least five years in duration when obtaining the services of independent auditors. Such multiyear agreements can take a variety of different forms (e.g., a series of single-year contracts), consistent with applicable legal requirements. Such agreements allow for greater continuity and help to minimize the potential for disruption in connection with the independent audit. Multiyear agreements can also help to reduce audit costs by allowing auditors to recover certain "startup" costs over several years, rather than over a single year.

- ❑ Governmental entities should undertake a full-scale competitive process for the selection of independent auditors at the end of the term of each audit contract, consistent with applicable legal requirements. While there is some belief that auditor independence is enhanced by a policy requiring that the independent audit firm be replaced at the end of each multiyear agreement, unfortunately, the frequent lack of competition among audit firms fully qualified to perform public-sector audits could make a policy of mandatory audit firm rotation counterproductive. In such cases, it is recommended that a governmental entity actively seek the participation of all qualified firms, including the current auditors, assuming that the past performance of the current auditors has proven satisfactory. Where audit firm rotation does not result from this process, governments may consider requesting that senior engagement staff, such as engagement partners and senior managers, be rotated to provide a fresh perspective. Except in cases where a multiyear agreement has taken the form of a series of single-year contracts, a contractual provision for the automatic renewal of the audit contract (e.g., an automatic second term for the auditor upon satisfactory performance) is inconsistent with this recommendation.

RFQ Recap

- ❑ RFQ #2021-02-22 was released February 22, 2021 on the District's website and advertised for (2) weeks in the Daily Commercial Record.
- ❑ The March 11th RFQ deadline was extended 2 weeks after the District only received 2 respondents.
- ❑ The Purchasing department directly reached out to at least (10) accounting firms and individual consultants including minority owned firms and individuals.
- ❑ The RFQ closed on March 25th with a total of (4) respondents.
- ❑ The (4) RFQ proposals were evaluated and scored by a selection committee and the top (2) firms were invited to do a virtual presentation to the committee and the Board.
- ❑ Final scores were tabulated.

May 16, 2021

To the Board of Trustees and Management
Lancaster Independent School District
422 S Centre Ave
Lancaster, TX 75146

You have requested that we audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Lancaster Independent School District (the “District”), as of August 31, 2021 and for the year then ended, and the related notes to the financial statements, which collectively comprise the District’s basic financial statements.

In addition, we will audit the District’s compliance over major federal award programs for the year ended August 31, 2021. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audits will be conducted with the objectives of our expressing an opinion on each opinion unit and an opinion on compliance regarding the District’s major federal award programs.

Accounting principles generally accepted in the United States of America require that *the management’s discussion and analysis* be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation and comparing the information for consistency with management’s responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America:

- 1) Management’s Discussion and Analysis
- 2) Budgetary Comparison Schedule
- 3) Pension Information and Other Post-employment Benefit Information

Supplementary information other than RSI will accompany the District’s basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

- 1) Individual nonmajor fund financial statements
- 2) Texas Education Agency Schedules
- 3) Schedule of Expenditures of Federal Awards

Also, the document we submit to you will include the following other additional information that will not be subjected to the auditing procedures applied in our audit of the financial statements:

Data Collection Form

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, schedule of expenditure of federal awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the federal audit clearinghouse. The financial reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the federal audit clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

The Data Collection Form is required to be submitted within the *earlier* of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. If appropriate, our procedures will therefore include tests of documentary evidence that support the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of cash, investments, and certain other assets and liabilities by correspondence with creditors and financial institutions. As part of our audit process, we will request written representations from your attorneys, and they may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance (whether caused by errors, fraudulent financial reporting, misappropriation of assets, detected abuse, or violations of laws or governmental regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS and *Government Auditing Standards* of the Comptroller General of the United States of America and in accordance with

the Uniform Guidance. Please note that the determination of abuse is subjective, and *Government Auditing Standards* does not require auditors to detect abuse.

In making our risk assessments, we consider internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit. Our responsibility as auditors is, of course, limited to the period covered by our audit and does not extend to any other periods.

We will issue a written report upon completion of our audit of the District's basic financial statements. Our report will be addressed to the governing body of the District. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

We also will issue a written report on the District's compliance with the Uniform Guidance as it related to each of the major federal awards upon completion of our audit.

Audit of Major Program Compliance

Our audit of the District's major federal award program(s) compliance will be conducted in accordance with the requirements of the Single Audit Act, as amended; and the Uniform Guidance, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance and other procedures we consider necessary to enable us to express such an opinion on major federal award program compliance and to render the required reports. We cannot provide assurance that an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the District has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major federal award programs. Our procedures will consist of determining major federal programs and performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the District's major federal programs. The purpose of those procedures will be to express an opinion on the District's compliance with requirements applicable to each of its major federal programs in our report on compliance issued pursuant to the Uniform Guidance.

Also, as required by the Uniform Guidance, we will perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the District's major federal award programs. However, our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the District's major federal programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

Management's Responsibilities

Our audit will be conducted on the basis that management and, when appropriate, those charged with governance acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
2. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
3. For identifying, in its accounts, all federal awards received and expended during the period and the federal programs under which they were received, including federal awards and funding increments received prior to December 26, 2014 (if any), and those received in accordance with the Uniform Guidance generally received after December 26, 2014;
4. For maintaining records that adequately identify the source and application of funds for federally funded activities;
5. For preparing the schedule of expenditures of federal awards (including notes and noncash assistance received) in accordance with the Uniform Guidance;
6. For the design, implementation, and maintenance of internal control over federal awards;
7. For establishing and maintaining effective internal control over federal awards that provides reasonable assurance that the nonfederal entity is managing federal awards in compliance with federal statutes, regulations, and the terms and conditions of the federal awards;
8. For disclosing accurately, currently, and completely the financial results of each federal award in accordance with the requirements of the award;
9. For identifying and ensuring that the District complies with federal statutes, regulations, and the terms and conditions of federal award programs and implementing systems designed to achieve compliance with applicable laws, regulations, grants, and contracts applicable to activities and its federal award programs;
10. For identifying and providing report copies of previous audits, attestation engagements, or other studies that directly relate to the objectives of the audit, including whether related recommendations have been implemented;
11. For taking prompt action when instances of noncompliance are identified;
12. For addressing the findings and recommendations of auditors, for establishing and maintaining a process to track the status of such findings and recommendations and taking corrective action on reported audit findings from prior periods and preparing a summary schedule of prior audit findings;
13. For following up and taking corrective action on current year audit findings and preparing a corrective action plan for such findings;
14. For submitting the reporting package and data collection form to the appropriate parties;
15. For making the auditor aware of any significant contractor relationships where the contractor is responsible for program compliance;
16. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, and relevant to federal award programs, such as records, documentation, and other matters;
 - b. Additional information that we may request from management for the purpose of the audit; and

- c. Unrestricted access to persons within the District from whom we determine it necessary to obtain audit evidence.
17. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole;
 18. For acceptance of nonattest services, including identifying the proper party to oversee nonattest work;
 19. For maintaining adequate records, selecting and applying accounting principles, and safeguarding assets;
 20. For informing us of any known or suspected fraud affecting the entity involving management, employees with significant role in internal control and others where fraud could have a material effect on compliance;
 21. For the accuracy and completeness of all information provided;
 22. For taking reasonable measures to safeguard protected personally identifiable and other sensitive information; and
 23. For confirming your understanding of your responsibilities as defined in this letter to us in your management representation letter.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility (a) for the preparation of the supplementary information in accordance with the applicable criteria, (b) to provide us with the appropriate written representations regarding supplementary information, (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information, and (d) to present the supplementary information with the audited financial statements, or if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

With respect to any nonattest services we perform, the District's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities. Nonattest services could include assistance with the preparation of financial statements including the government-wide conversion entries and note disclosures, assistance with the preparation of the schedule of expenditures of federal award (SEFA) and related notes, and assistance with the preparation of the data collection form and submission to the federal audit clearinghouse.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

If you intend to publish or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

Fees and Timing

The timing of our audit will be scheduled for performance and completion as follows:

Document internal control and preliminary tests	August 2021
Inventory observation (for material balances)	August 31, 2021 or agreed upon date
Perform year-end audit procedures	November/December 2021
Issue audit reports	January 2022

We anticipate meeting these deadlines barring any delays.

Celina Cereceres, CPA is the engagement partner for the audit services specified in this letter. Her responsibilities include supervising Whitley Penn, LLP's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fee for the audit services will be based on the amount of time required and the difficulty of the work involved which we estimate to be \$50,000. The fee estimate for the audit is based on anticipated cooperation from the District's personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will keep you informed of any problems we encounter, and our fees will be adjusted accordingly.

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation and payment is due in Tarrant County. You agree to pay reasonable attorney fees and collection costs incurred relating to collection of fees for services performed under the terms of this engagement. In accordance with Whitley Penn, LLP policy, work may be suspended if your account becomes 30 days or more past due and will not resume until your account is paid in full. In addition, invoices not paid in full by the last day of the month will be assessed interest at a rate of one percent per month. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been complete even if we have not issued our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination. Our final auditors' report will be released upon final payment of any outstanding invoices.

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you concerning the scope of the additional services and the estimated fees. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

We would like to make the following comments regarding the fee estimates:

1. Our fee estimates have not considered the effects of any changes to auditing standards and accounting principles, which may be promulgated by the AICPA, Congress, or any other regulatory body in the future and are unknown to us at this time. If significant additional time is necessary resulting in increased fees, we will endeavor to notify you of any such circumstances as they are assessed.
2. The District's personnel are responsible for the preparation of all items requested in the Prepared by Client ("PBC") listing and received by the date requested. Any delays caused by not preparing the items when requested may result in additional fees, as well as the possibility of postponing our fieldwork. The PBC listing will be provided to you during the planning process of the engagement.
3. Time incurred for audit adjustments identified during our audit and the related additional testing required has not been considered in our fee estimates. Prior to performing any additional testing, we will notify you of the exceptions and obtain approval for any additional fees which may be incurred.
4. Our fee estimates are based on all general ledger sub ledgers being reconciled to the general ledger balance and any adjustment necessary should be recorded to the general ledger prior to our fieldwork start date.

The ethics of our profession prohibit the rendering of professional services where the fee for such services is contingent, or has the appearance of being contingent, upon the results of such services. Accordingly, it is important that our bills be paid promptly when received. If a situation arises in which it may appear that our independence would be questioned because of significant unpaid bills, we may be prohibited from issuing our auditors' report.

In the unlikely event that differences concerning our services or fees should arise that are not resolved by mutual agreement, to facilitate judicial resolution and save time and expense of both parties, the District and Whitley Penn, LLP agree not to demand a trial by jury in any action, proceeding or counterclaim arising out of or relating to our services and fees for this engagement. Any controversy, dispute, or questions arising out of or in connection with this agreement or our engagement shall be determined by arbitration conducted in accordance with the rules of the American Arbitration Association, and any decision rendered by the American Arbitration Association shall be binding on both parties to this agreement. The costs of any arbitration shall be borne equally by the parties. Any and all claims relating to or arising out of this contract/agreement shall be governed by the laws of Texas and any dispute shall be finally resolved by the Texas courts in Tarrant County.

This letter replaces and supersedes any previous proposals, correspondence and understanding, whether written or oral. The agreements contained in this engagement letter shall survive the completion or termination of this engagement.

To ensure that Whitley Penn, LLP's independence is not impaired under the AICPA Code of Professional Conduct, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

Other Matters

During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

In the course of our services, our firm may transmit confidential information that you provided us to third parties in order to facilitate our services. As applicable, we require confidentiality agreements with all our service providers to maintain the confidentiality of your information and additionally the firm will take reasonable precautions to determine that our service providers have the appropriate procedures in place to prevent the unauthorized release of confidential information to others. We will remain ultimately responsible for the work provided by any third-party service providers used under this agreement. By your signature below, you consent to having confidential information transmitted to entities outside the firm. Please feel free to inquire if you would like additional information regarding the transmission of confidential information to entities outside the firm.

Regarding the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

The audit documentation for this engagement is the property of Whitley Penn, LLP and constitutes confidential information. However, we may be requested to make certain audit documentation available to your pass-through regulatory entity and federal agencies and the U.S. Government Accountability Office pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision Whitley Penn, LLP's personnel. Furthermore, upon request, we may provide copies of selected audit documentation to these agencies and regulators. The regulators and agencies may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

The District may wish to include our report on these financial statements in an exempt offering document. The District agrees that the aforementioned auditor's report, or reference to our Firm, will not be included in such offering document without prior permission or consent. Any agreement to perform work in connection with an exempt offering document, including an agreement to provide permission or consent, will be a separate engagement letter. For exempt offerings for which we are not involved, you will clearly indicate that we were not involved with the contents of such offering document and a disclosure as shown below will be included in the exempt offering:

“Whitley Penn, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. Whitley Penn also has not performed any procedures relating to this offering document.”

Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

At the conclusion of our audit engagement, we will communicate to the Board of Trustees the following significant findings from the audit:

- Our view about the qualitative aspects of the District's significant accounting practices;
- Significant difficulties, if any, encountered during the audit;
- Uncorrected misstatements, other than those we believe are trivial, if any;
- Disagreements with management, if any;
- Other findings or issues, if any, arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance regarding their oversight of the financial reporting process;
- Material, corrected misstatements that were brought to the attention of management as a result of our audit procedures;
- Representations we requested from management;
- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

In accordance with the requirements of *Government Auditing Standards*, we have attached a copy of our latest external peer review report of our firm for your consideration and files.

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements compliance over major federal award programs including our respective responsibilities.

We appreciate the opportunity to be your financial statement auditors and look forward to working with you and your staff.

Respectfully,

A handwritten signature in black ink that reads "Whitley Penn LLP". The signature is written in a cursive, flowing style.

Report on the Firm's System of Quality Control

July 19, 2018

To the Partners of Whitley Penn LLP and
the National Peer Review Committee.

We have reviewed the system of quality control for the accounting and auditing practice of Whitley Penn LLP (the firm) applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended April 30, 2018. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act, audits of employee benefit plans, audits performed under FDICIA, an audit of a broker-dealer, and examination of service organization (SOC 1 engagement).

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Whitley Penn LLP applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended April 30, 2018, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Whitley Penn LLP has received a peer review rating of *pass*.

Obviously, fee considerations are an important factor in selecting a firm for professional services such as external audit services. In this regard, we welcome input on our fee estimate during the procurement process. As you are aware, we would very much like to have the opportunity to serve the District and would welcome the opportunity to discuss the appropriateness of our fee estimate.

We would expect to remain within any negotiated fee level unless factors considered by us in estimating the fee level change significantly. Should circumstances dictate that material increases in our time requirements are necessary, we would discuss this with management immediately. We would not bill the District for amounts in excess of our negotiated fees without first discussing the matter and receiving approval from management. Fees for our services are based on our standard hourly rates. We will bill the District for our services on a monthly basis as services are performed.

FY 2021 fees for Lancaster ISD. The fee is based on the hours reflected in the Task/Activity Plan.

	<u>Hours</u>	<u>Standard Hourly Rate</u>	<u>Proposed Rate</u>	<u>Proposed Fee</u>
Partner	40	\$ 360	\$ 250	\$ 10,000
Manager	68	225	165	11,220
Senior	118	200	140	16,520
Associate	114	195	135	15,390
	<u>340</u>			<u>\$ 53,130</u>
Additional discount	-			<u>(3,130)</u>
				<u>\$ 50,000</u>

Fees for our services for fiscal years 2021 through 2023 are as follows:

<u>Fiscal Year</u>	<u>Financial Statement Audit</u>	<u>Single Audit</u>	<u>Annual Audit Fee (All- Inclusive)</u>
2021	\$ 43,000	\$ 7,000	\$ 50,000
2022	\$ 44,000	\$ 7,000	\$ 51,000
2023	\$ 45,000	\$ 7,000	\$ 52,000

Maximum fee increase per year is 2% per year after the initial year. Please note that we welcome the opportunity to discuss our fees and make adjustments as deemed reasonable.
