Agenda Item Memorandum

To: MVISD Board of Trustees
Date: May 14, 2025
Agenda item: Consider approval to Purchase three vehicles for the Medina Valley ISD Police Department.

Background Information
The acquisition of three additional vehicles will increase the Police Department's fleet to a total of five. This purchase has been accounted for in the current budget.

Administrative Consideration
The department acknowledges the operational flexibility that trucks provide. These vehicles are capable of towing the training equipment trailer and transporting cones, barricades, and other essential gear. The addition of new, warrantied trucks will reduce repair and maintenance costs while ensuring reliable transportation for both local and long-distance operations. Furthermore, this purchase supports the department's vehicle replacement strategy.

The proposed vehicles are 2024 Chevrolet Silverado 1500 Crew Cab 2WD trucks, to be purchased from Lake Country Chevrolet, a participating vendor in the TIPS Cooperative Purchasing Program. One of the trucks will be equipped with a cage and is priced at $56,876.25. Two of the trucks, without cages, will cost $54,876.25 each.

Recommendation
District Administration recommends that the Board of Trustees approve the purchase of three vehicles for the Medina Valley ISD Police Department as presented.

Agenda Item Memorandum

To: MVISD Board of Trustees
Date: May 14, 2025
Agenda item: Consider approval of the purchase of classroom furniture

Background Information
To accommodate student growth the district has allocated new teachers and classrooms for the 2025-2026 school year. A review of available classroom furniture has been conducted and quotes have been requested through purchasing cooperatives. This furniture will follow the established district standard for elementary classrooms.

Administrative Consideration
MVISD received two quotes for nine full sets of classroom furniture for Silos ES, Ladera ES, and Potranco ES. In addition, the campus needs assessment identified the need to replace conference room chairs at LaCoste ES.

Administration is recommending the district use the lowest quote and continue with the district standard from Indeco in the amount of $112,809.

Supporting Documents
