signed by the Comptroller, shall be delivered to the Underwriters or their designee. Upon payment for the Initial Bond, the Registrar shall cancel the Initial Bond and definitive Bonds shall be delivered to DTC.

6. Payment of Principal and Interest. The Registrar is hereby appointed as the paying agent for the Bonds. The principal of the Bonds shall be payable, without exchange or collection charges, in any coin or currency of the United States of America which, on the date of payment, is legal tender for the payment of debts due the United States of America, upon their presentation and surrender as they respectively become due and payable at the principal payment office of the Registrar, in Pittsburgh, Pennsylvania. The interest on each Bond shall be payable on each Interest Payment Date, by check mailed by the Registrar on or before the Interest Payment Date to the Owner of record as of the Record Date, to the address of such Owner as shown on the Register.

If the date for payment of the principal of or interest on any Bond is not a Business Day, then the date for such payment shall be the next succeeding Business Day with the same force and effect as if made on the date payment was originally due.

7. Successor Registrars. The District covenants that at all times while any Bonds are outstanding it will provide a commercial bank or trust company, organized under the laws of the United States or any state, duly qualified to serve as and perform the duties and services of Registrar for the Bonds. The District reserves the right to change the Registrar for the Bonds on not less than 30 days written notice to the Registrar, so long as any such notice is effective not less than 60 days prior to the next succeeding principal or interest payment date on the Bonds. Promptly upon the appointment of any successor Registrar, the previous Registrar shall deliver the Register or copies thereof to the new Registrar, and the new Registrar shall notify each Owner, by United States mail, first class postage prepaid, of such change and of the address of the new Registrar. Each Registrar hereunder, by acting in that capacity, shall be deemed to have agreed to the provisions of this Section.

8. Special Record Date. If interest on any Bond is not paid on any Interest Payment Date and continues unpaid for thirty (30) days thereafter, the Registrar shall establish a new record date for the payment of such interest, to be known as a Special Record Date. The Registrar shall establish a Special Record Date when funds to make such interest payment are received from or on behalf of the District. Such Special Record Date shall be fifteen (15) days prior to the date fixed for payment of such past due interest, and notice of the date of payment and the Special Record Date shall be sent by United States mail, first class, postage prepaid, not later than five (5) days prior to the Special Record Date, to each affected Owner of record as of the close of business on the day prior to the mailing of such notice.

9. Book-Entry Only System. (a) The Initial Bond shall be registered in the name as designated in the Officer's Pricing Certificate. Except as provided in Section 10 hereof, all other Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such DTC Participant holds an interest in the Bonds, except as

provided in this Order. Without limiting the immediately preceding sentence, the District and the Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, the District and the Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal of and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payments of principal, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the District to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Order with respect to interest checks being mailed to the Owner of record as of the Record Date, the phrase "Cede & Co." in this Order shall refer to such new nominee of DTC.

10. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the District, in its sole discretion, determines that the beneficial owners of the Bonds should be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the District shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall not longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

11. Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations.

12. Ownership; Unclaimed Principal and Interest. The District, the Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of

such Bond for the purpose of making and receiving payment of the principal of or interest on such Bond, and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the District and the Registrar upon such Bond to the extent of the sums paid.

Amounts held by the Registrar which represent principal of and interest on the Bonds remaining unclaimed by the Owner after the expiration of three years from the date such amounts have become due and payable shall be reported and disposed of by the Registrar in accordance with the applicable provisions of Texas law including, to the extent applicable, Title 6 of the Texas Property Code, as amended.

13. Registration, Transfer, and Exchange. So long as any Bonds remain outstanding, the Registrar shall keep the Register at its principal payment office in Pittsburgh, Pennsylvania. Subject to such reasonable regulations as it may prescribe, the Registrar shall provide for the registration and transfer of Bonds in accordance with the terms of this Order.

Each Bond shall be transferable only upon the presentation and surrender thereof at the principal payment office of the Registrar in Pittsburgh, Pennsylvania, duly endorsed for transfer, or accompanied by an assignment duly executed by the registered Owner or his authorized representative in form satisfactory to the Registrar. Upon due presentation of any Bond for transfer, the Registrar shall authenticate and deliver in exchange therefor, within three Business Days after such presentation, a new Bond or Bonds of the same type registered in the name of the transferee or transferees, in authorized denominations and of the same maturity and aggregate principal amount and bearing interest at the same rate as the Bond or Bonds so presented.

All Bonds shall be exchangeable upon presentation and surrender thereof at the principal payment office of the Registrar in Pittsburgh, Pennsylvania, for a Bond or Bonds of the same type, maturity and interest rate in any authorized denomination, in an aggregate amount equal to the unpaid principal amount of the Bond or Bonds presented for exchange. The Registrar shall be and is hereby authorized to authenticate and deliver exchange Bonds in accordance with the provisions of this Section. Each Bond delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

The District or the Registrar may require the Owner of any Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Bond. Any fee or charge of the Registrar for such transfer or exchange shall be paid by the District.

14. Mutilated, Lost, or Stolen Bonds. Upon the presentation and surrender to the Registrar of a mutilated Bond, the Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like maturity, interest rate, and principal amount, bearing a number not contemporaneously outstanding. If any Bond is lost, apparently destroyed, or wrongfully taken, the District, pursuant to the applicable laws of the State of Texas and in the absence of notice or

knowledge that such Bond has been acquired by a bona fide purchaser, shall authorize and the Registrar shall authenticate and deliver a replacement Bond of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding.

The District or the Registrar may require the Owner of a mutilated Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including the fees and expenses of the Registrar. The District or the Registrar may require the Owner of a lost, apparently destroyed or wrongfully taken Bond, before any replacement Bond is issued, to:

- (1) furnish to the District and the Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Bond;
- (2) furnish such security or indemnity as may be required by the Registrar and the District to save them harmless;
- (3) pay all expenses and charges in connection therewith, including, but not Unlimited to, printing costs, legal fees, fees of the Registrar and any tax or other governmental charge that may be imposed; and
- (4) meet any other reasonable requirements of the District and the Registrar.

If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the District in its discretion may, instead of issuing a replacement Bond, authorize the Registrar to pay such Bond.

Each replacement Bond delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

15. Cancellation of Bonds. All Bonds paid in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance herewith, shall be cancelled and destroyed upon the making of proper records regarding such payment. The Registrar shall furnish the District with appropriate certificates of destruction of such Bonds.

16. Optional and/or Mandatory Redemption; Defeasance. The Bonds are subject to optional and/or mandatory redemption as set forth in the Form of Bonds and in the Officer's Pricing Certificate.

Notice of any redemption identifying the Bonds to be redeemed in whole or in part shall be given by the Registrar at least thirty days prior to the date fixed for redemption by sending written notice by first class mail to the Owner of each Bond to be redeemed in whole or in part at the address shown on the Register. Such notices shall state the redemption date, the redemption price, the place at which Bonds are to be surrendered for payment and, if less than all Bonds of a particular maturity are to be redeemed, the numbers of the Bonds or portions thereof of such maturity to be redeemed. Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Registrar for payment of the redemption price of the Bonds or portions thereof to be redeemed. When Bonds have been called for redemption in whole or in part and due provision has been made to redeem same as herein provided, the Bonds or portions thereof so redeemed shall no longer be regarded as outstanding except for the purpose of receiving payment solely from the funds so provided for redemption, and the rights of the Owners to collect interest which would otherwise accrue after the redemption date on any Bond or portion thereof called for redemption shall terminate on the date fixed for redemption.

The Bonds may be discharged, defeased, redeemed or refunded in any manner now or hereafter permitted by law.

17. Forms. The form of the Bonds, including the form of Registration Certificate of the Comptroller, which shall be attached or affixed to each Initial Bond, the form of the Registrar's Authentication Certificate, the form of Assignment and the form of Guarantee Endorsement of the Commissioner of Education of the State of Texas, shall be, respectively, substantially as follows, with such additions, deletions and variations as may be required by the Superintendent and/or Deputy Superintendent of Business Services necessary or desirable and not prohibited by this Order:

[Information to be inserted from schedule in the Officer's Pricing Certificate.]

¹⁵ Insert from Officer's Pricing Certificate.

¹⁶ Insert from Officers Pricing Certificate.

18. CUSIP Numbers. CUSIP Numbers may be printed on the Bonds, but errors or omissions in the printing of such numbers shall have no effect on the validity of the Bonds.

19. Debt Service Fund; Tax Levy. A special fund to be designated “Alief Independent School District Unlimited Tax School Building Bonds, Series 2026 Debt Service Fund” is hereby created, and the proceeds from all taxes levied, assessed and collected for and on account of the Bonds authorized by this Order shall be deposited, as collected, in such Fund. While the Bonds or any part of the principal thereof or interest thereon remain outstanding and unpaid, there is hereby levied and there shall be annually assessed and collected in due time, form and manner, and at the same time as other District taxes are assessed, levied and collected, in each year, a continuing direct annual ad valorem tax, without legal limit as to rate or amount, upon all taxable property in the District, sufficient to pay the interest on the Bonds as the same becomes due and to pay each installment of the principal of the Bonds as the same matures, full allowance being made for delinquencies and costs of collection, and said taxes are hereby irrevocably pledged to the payment of the interest on and principal of the Bonds and to no other purpose.

To pay any debt service coming due on any Bonds issued prior to receipt of the taxes levied to pay such debt service, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

Any money received by the District with respect to the Bonds as state assistance pursuant to the instructional allotment or as state assistance with existing debt, each as authorized by Chapter 46, Texas Education Code, shall be deposited in the Debt Service Fund as required by Sections 46.009 and 46.035, Texas Education Code, respectively. The District will take into account the balance in the Debt Service Fund when it sets its debt service tax rate each year.

20. Application of Chapter 1208, Government Code. Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the District under Section 19 of this Order, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the taxes granted by the District under Section 19 of this Order is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Upon registration of the Initial Bond, the Comptroller (or the Comptroller’s bond clerk or an assistant bond clerk lawfully designated in writing to act for the Comptroller) shall manually sign the Comptroller’s Registration

Certificate prescribed herein and the seal of said Comptroller shall be impressed, or placed in facsimile, thereon.

22. Covenants to Maintain Tax Exempt Status.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the regulations and rulings thereunder, the District shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, Gross Proceeds are considered to be "loaned" to a person or entity if (1) property acquired, constructed or improved with Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes, (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output, or similar contract or arrangement, or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or such property are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the regulations and rulings thereunder, the District shall not, at any time prior to the earlier of the final stated maturity or final payment of the Bonds, directly or indirectly invest Gross

Proceeds of the Bonds in any Investment (or use such Gross Proceeds to replace money so invested), if as a result of such investment the Yield of all Investments allocated to such Gross Proceeds whether then held or previously disposed of, exceeds the Yield on the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the regulations and rulings thereunder, the District shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the regulations and rulings thereunder.

(g) Information Report. The District shall timely file with the Secretary of the Treasury the information required by Section 149(e) of the Code with respect to the Bonds on such forms and in such place as such Secretary may prescribe.

(h) Payment of Rebate Amount. Except to the extent otherwise provided in Section 148(f) of the Code and the regulations and rulings thereunder, the District shall:

(i) account for all Gross Proceeds of the Bonds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of such accounting for at least nine years after the final Computation Date. The District may, however, to the extent permitted by law, commingle Gross Proceeds of the Bonds with other money of the District, provided that the District separately accounts for each receipt and expenditure of such Gross Proceeds and the obligations acquired therewith,

(ii) calculate the Rebate Amount with respect to the Bonds not less frequently than each Computation Date, in accordance with rules set forth in Section 148(f) of the Code, Section 1.148-3 of the Regulations, and the rulings thereunder. The District shall maintain a copy of such calculations for at least three years after the final Computation Date,

(iii) as additional consideration for the purchase of the Bonds by the initial purchasers thereof and the loan of the money represented thereby, and in order to induce such purchase by measures designed to ensure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, pay to the United States the amount described in paragraph (2) above at the times, in the installments, to the place, in the manner and accompanied by such forms or other information as is or may be required by Section 148(f) of the Code and the regulations and rulings thereunder, and

(iv) exercise reasonable diligence to assure that no errors are made in the calculations required by paragraph (2) and, if such error is made, to discover and promptly to correct such error within a reasonable amount of time thereafter, including payment to the United States of any interest and any penalty required by the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the regulations and rulings thereunder, the District shall not, at any time after the Issue Date of the Bonds and prior to the earlier of the final stated maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Not Hedge Bonds. The District did not invest more than 50 percent of the Proceeds of the Bonds, and will not invest more than 50 percent of the proceeds of the Bonds, in Nonpurpose Investments having a guaranteed yield for four years or more. On the Issue Date, the District will reasonably expect that at least 85 percent of the Net Sale Proceeds of the Bonds would be used to carry out the governmental purpose of such series within three years after the Issue Date of such series.

23. Permanent School Fund Guarantee. The District has applied to the Texas Commissioner of Education (the "Commissioner") for approval, subject to compliance with the Commissioners rules and regulations, for payment of the principal of and interest on the Bonds to be guaranteed by the Permanent School Fund of the State of Texas. In the event that the Bonds are guaranteed by Permanent School Fund of the State of Texas, the District covenants to comply timely with all applicable requirements and procedures under Article VII, Section 5 of the Texas Constitution, Subchapter C of Chapter 45, Texas Education Code and the Rules of the State Board of Education relating to the guarantee of the principal of and interest on the Bonds by the Permanent School Fund of the State of Texas. Upon defeasance of the Bonds, either at or prior to maturity in accordance with applicable law, the guarantee of the principal of and interest on the Bonds by the Permanent School Fund of the State of Texas shall be removed in its entirety. If the District is unable to pay the principal of or interest on a guaranteed Bond, the amount necessary to pay the principal or interest will be transferred to the Registrar for the Bonds from the Permanent School Fund of the State of Texas, and the amounts so transferred, plus interest, will be withheld by the Comptroller from the first State money payable to the District, first from the Foundation School Fund and, if necessary, from the Available School Fund.

Additionally, to the extent the Permanent School Fund Guarantee may not be available for any Bonds issued hereunder, the District hereby delegates the authority to the Pricing Officer to purchase a municipal bond insurance policy to insure the Bonds.

24. Continuing Disclosure Undertaking. As used in this Section, the following terms have the meanings ascribed to such terms below:

"MSRB" means the Municipal Securities Rulemaking Board.

"Rule" means SEC Rule 15c2-12, as amended from time to time.

"SEC" means the United States Securities and Exchange Commission.

(a) Annual Reports. The District shall provide annually to the MSRB, (1) within six (6) months after the end of each fiscal year, financial information and operating data with respect to

the District of the general type included in Appendix A, Tables 1 through 12, in the final Official Statement authorized by Section 28 herein, and (2) if not provided as part of such financial information and operating data, audited financial statements of the District, if and when available. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles prescribed by the Texas State Board of Education or such other accounting principles as the District may be required to employ from time to time pursuant to State law or regulation and (ii) audited, if the District commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within 12 months after any such fiscal year end, then the District shall file unaudited financial statements within such 12-month period and audited financial statements for the applicable fiscal year, when and if the audit report on such financial statements becomes available.

If the District changes its fiscal year, it will submit a notice of such change to the MSRB, and the date of the new fiscal year end prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB).

(b) The District shall notify the MSRB in an electronic format prescribed by the MSRB, in a timely manner (not in excess of ten (10) days after the occurrence of the event), of any of the following events with respect to the Bonds:

- (i) Principal and interest payment delinquencies;
- (ii) Non-payment related defaults, if material;
- (iii) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) Substitution of credit or liquidity providers or their failure to perform;
- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) Modifications to rights of holders of the Bonds, if material;
- (viii) Bond calls, if material, and tender offers;
- (ix) Defeasances;
- (x) Release, substitution, or sale of property securing repayment of the Bonds, if material;
- (xi) Rating changes;
- (xii) Bankruptcy, insolvency, receivership, or similar event of the District;
- (xiii) The consummation of a merger, consolidation, or acquisition

- involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) Appointment of a successor or additional trustee or the change of name of a trustee, if material;
 - (xv) Incurrence of a financial obligation of the District, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the District, any of which affect security holders, if material; and
 - (xvi) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the District, any of which reflect financial difficulties.

For these purposes, any event described in (xii) in the immediately preceding paragraph is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the District in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District. The District shall notify the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with this Section by the time required by this Section.

As used in clauses (xv) and (xvi) above, the term “financial obligation” means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule. The District intends the words used in the above clauses (xv) and (xvi) and in the definition of financial obligation above to have the meanings ascribed to them in SEC release No. 34-83885 dated August 20, 2018.

The District shall notify the MSRB in an electronic format prescribed by the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with this Section by the time required by such Section.

All documents provided to the MSRB shall be accompanied by identifying information, as prescribed by the MSRB.

(c) The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the District in any event will give the notice required by this Section of any Bond calls and defeasance that cause the District to be no longer such an “obligated person.”

The provisions of this Section are for the sole benefit of the Registered Owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall constitute a breach of or default under the Order for purposes of any other provision of this Order.

Nothing in this Section is intended to or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

(d) The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell the Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Registered Owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Registered Owners and beneficial owners of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in

accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The District may also amend or repeal the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the District also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in any case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule.

25. Official Statement. The District hereby approves the form and content and distribution of the Preliminary Official Statement prepared in the initial offering and sale of the Bonds and hereby authorizes the preparation of a final Official Statement reflecting the terms of the Official Bid Form and other relevant information. The use of such final Official Statement by the Underwriter is hereby approved and authorized and the proper officials of the District are authorized to sign such Official Statement.

26. Power to Revise Form of Documents. Notwithstanding any other provision of this Order, the President of the Board is hereby authorized to make or approve such revisions, additions, deletions, and variations to this Order and in the form of the documents attached hereto as exhibits as, in the judgment of the President, and in the opinion of Bond Counsel to the District, may be necessary or convenient to carry out or assist in carrying out the purposes of this Order, the Preliminary Official Statement, the final Official Statement, or as may be required for approval of the Bonds by the Attorney General of Texas; provided, however, that any changes to such documents resulting in substantive amendments to the terms and conditions of the Bonds or such documents shall be subject to the prior approval of the Board.

27. Related Matters. To satisfy in a timely manner all of the District's obligations under this Order, the President or Vice President, the Secretary or the Assistant Secretary and all other appropriate officers and agents of the District are hereby authorized and directed to do any and all things necessary and/or convenient to carry out the terms of this Order.

28. Registrar. The form of agreement setting forth the duties of the Registrar is hereby approved, and the appropriate officials of the District are hereby authorized to execute such agreement for and on behalf of the District.

29. No Personal Liability. No recourse shall be had for payment of the principal of or interest on any Bonds or for any claim based thereon, or on this Order, against any official or employee of the District or any person executing any Bonds.

30. Open Meeting. It is hereby officially found and determined that the meeting at which this Order was adopted was open to the public, and that public notice of the time, place and purpose of said meeting was given, all as required by the Texas Open Meetings Act.

PASSED AND APPROVED this 7th day of April, 2026.

ALIEF INDEPENDENT SCHOOL DISTRICT

BOARD DOCUMENT

MEETING DATE: April 7, 2026

AGENDA ITEM: Consider Approval of Library Materials for Acquisition (Dr. Charles Garcia, Deputy Superintendent of Curriculum, Instruction, and School Leadership)

Board Goal #1 Student Achievement: Alief ISD will close the achievement gap to ensure all students reach their academic potential and improve student preparation for college and career.

Alief ISD librarians and staff reviewed and submitted library materials for procurement approval in accordance with the district's collection development policy. A list of these materials was posted for public review at least 30 days prior to the board's scheduled vote.

On March 4, 2026, the Alief ISD School Library Advisory Council (SLAC) approved the posted list and recommends Board approval of the requested materials.

In accordance with Board Policy EFB (Local), the Board shall consider the SLAC's recommended list of library materials that have been donated or proposed by the SLAC for procurement. Each Board member may propose changes before the Board takes action on the list of donated or proposed library materials. The Board shall either approve or reject the library materials that have been donated or proposed for procurement.

RECOMMENDATION: It is recommended that the Alief ISD Board of Trustees consider and approve the library materials that were posted for public review on February 5, 2026 and subsequently recommended for approval by the School Library Advisory Council on March 4, 2026.

Dr. Anthony T. Mays
Superintendent

Dr. Charles Garcia
Deputy Superintendent of Curriculum,
Instruction, and School Leadership
