ADMINISTRATORS REPORT:
Dani Beerbohm & Kristin Fangmeyer

MEETING DATE: February 19, 2024

Academic Engagement

- The Middle School English Language Arts teachers went to visit two schools to view two different curricula for students. This opportunity allows them to see the materials used within a classroom and ask questions to teachers about the pros and cons of the curriculum. It's an important step within the adoption process that allows teachers to see students engaged within the text and how it impacts their learning.

Personnel

- The interview process for the three Special Education positions were successful. Administrators and teachers from the Primary, Intermediate and High School served as team members.

Environment

- Dates have been set for district Unified events for the remainder of the school year. This includes celebrating Spread the Word Day for grades K-12 on March 6th, Unified Track & Field Invite for 6th-12th grade participants on May 1st, and our spring elementary event for grades K-5 on May 14th. AG has also been asked to host the Special Olympics Nebraska Youth Summit, which is on Saturday, April 20th.

Pride

- The staff that are taking on some additional reading training at the primary level have been putting forth so much effort to complete the modules and in person training over the course of

the semester. Their enthusiasm and passion for learning in order to help our students is evident in their commitment to the training. I am very excited for them to put their learning into action through classroom instruction and see how it positively impacts our students.

ADMINISTRATORS REPORT: Amanda Moon & Megan Poell	MEETING DATE: February 19, 2024
-------------------------------------------------------------	----------------------------------------

Academic Engagement

- This past week, we held our S/E/B (Social-Emotional-Behavior) grade-level meetings. During these meetings, we utilize results from a screening tool completed by our classroom teachers to determine if students need additional support in the area of social-emotional.
- All elementary students participate in the Young Authors Program during the third quarter. The program is designed to celebrate and support student writing. All students submitted a piece of writing to their teacher. Each classroom then selected one student’s story to represent their room. Twenty-four young authors will be recognized at a Young Authors Celebration on February 21st!
- High Ability Learners in 3rd-8th grade have been invited to participate in “Special Ops” enrichment lessons through the ESU with a focus on topics such as robotics, creative problem-solving, STEM, and the arts. Intermediate REACH students attended the creative problem-solving session on February 5th, supervised by Mrs. Manion. They will continue to attend future events.

Environment

- Our Sunshine and Smiles Team has created several activities for Random Acts of Kindness Month to do with our staff. These activities included staff members posting positive post-it notes around the building, a day where staff invite a colleague to go for a walk around the building during their plan time or before/after school, Random Act of Kindness day, and small snacks provided by the Sunshine and Smiles Team.

Fiscal

- Our Bluejay Boogie Bash Dance-a-thon was a success! We raised around \$38,000 to be used in our Student Council Accounts over the next two years. We plan to utilize the funds to support Reading Rockstars, guest speakers, celebrations, our Academic and Attendance Incentive Program (AAIP), materials for the Intermediate Collaborative Learning Space, and more!

Personnel

- Recently, the Primary, Intermediate, and High School teams collaborated with Mrs. Fangmeyer to hold interviews for the Special Education Certified staff openings. The candidates were impressed by the facilities and were excited about the opportunity to join the staff at Ashland-Greenwood Public Schools.

Pride:

- Our preschool staff organized a Baking Buddies Day on February 13th! Families joined their students in this fun event, including designing their own aprons and chef hats. Additionally, a local photographer took photos for families to capture memories of the day. This was just one of the many events organized by our Preschool Team that build partnerships and connections between the families and school.

- Our first event (7-12 Band Concert) in the Performing Arts Center on March 4th.

ADMINISTRATORS REPORT: Jason Libal/Jill Finkey

MEETING DATE: February 19, 2024

Academic Engagement

- Finance Workshop: Once again, I would encourage the board to attend the NASB Finance workshop that will be held on March 5th, in Lincoln. The workshop will be held at the Embassy Suites and it will start at 5:30 p.m. Please let me know if you want me to register you.

Environment

- SRO & Safety Update: I will give the board a full update. Our safety committee continues to collaborate with local law enforcement related to an SRO position and funding through federal and state grants. In addition, we are exploring state safety grants as well.

Fiscal

- Final Payments: We are working towards our final pay applications related to the middle school project. In addition, the city of Ashland has been provided invoicing related to the development agreement and infrastructure. Hausmann and DLR will be in attendance at our March meeting to give a final budget presentation.
- Facility Update - Middle School Practice Field: As you may be aware, construction at the middle school has greatly impacted our football practice facility, especially as it relates to middle school football. Thus, we are leaning towards adding a green space/practice field to the north of the track. We believe this will take minimal work - seed and the addition of "basic/residential" sprinklers. We have tapped into local support to help offset the cost of the project. I will keep the board informed as things progress.

Personnel

- 2024-24 Negotiations: We continue to work through the negotiation process for 2024-25. We will keep the board informed as things progress.

Pride

- Thankful: Our winter sports and activity seasons have gone extremely well. Not only am I proud of the overall success, and I am equally proud of how our students and coaches handle themselves. We are fortunate to have strong staff members leading our programs.

B) Summary of cost and funding source

- a. Costs Include (est):
 - i. Registration (56 students * \$71 = \$3,976; 1 adviser * \$71; 3 chaperones * \$138 = \$4,114)
 - ii. Hotel Rooms (20 rooms * \$125/room (2 Nights) = \$5,000)
 - iii. Bus
- b. The trip is financed through FBLA's fundraising activities. Students must fundraise to attend.
 - i. 4 Season's Fundraising - Direct Sales \$4,000 (est)
 - ii. Booster Club Concessions \$1,500 (est)
 - iii. Additional Donations - Amt Varies

C) Mode of Transportation

- a. Transportation will be by school bus to the hotel on Thursday morning and from the hotel Saturday at noon. No one will leave the hotel during the conference unless picked up by a parent for another excused activity.

D) List of students traveling- See Attachment B

E) Sponsors-

- a. Mrs. Dutcher, FBLA Adviser; Kristin Fangmeyer, Tyler Craven, and Jackie Starr

F) Plan for supervision- See Attachment C (Permission/Conduct Forms)

- a. General-All sponsors will have a complete list of students and cell phone numbers. During the day, all students are competing in different rooms throughout the hotel in which we are staying. There are several general sessions and workshops where the supervisors will meet with the students throughout the day (As seen in the itinerary). While at the hotel, students will need to use the buddy system to complete simple tasks such as going to get ice, swimming, and going down to the front desk. Students will not be allowed to have students of the opposite gender in their rooms unless I am in my room, and the door MUST remain open to the hallway for the entire time of the visit.
- b. Nights- Students have a specific bed check time each night; it varies depending on activities done that day. Once each room is checked the doors will be shut. There will be random room checks throughout the night. Sneaking out of rooms is unacceptable and could result in a trip home at their cost.

G) Eligibility

- a. The district eligibility policy applies to all FBLA events and competitions.

Ashland-Greenwood Hires New Special Education Teacher

There will be a new addition to the Bluejay family for the 2024-2025 school year. Derek Dishman, a special education teacher with two subject endorsements, originally from Blair, Nebraska will be joining the teaching staff at Ashland-Greenwood High School. We at the Ashland Gazette were able to talk to Mr. Dishman about where he is coming from, and his plans as an educator here in Ashland.

Derek Dishman comes from Columbus High School with two years of experience where he held the same title he will have here in Ashland. In Columbus, Mr. Dishman held the title of a Special Education teacher, but was also tasked with other duties. Specifically in the social studies field. Mr. Dishman, along with his daily duties of writing IEPs, conducting IEP meetings, and helping students succeed also taught his own sections of a couple of different subjects. Mr. Dishman taught his own section of U.S. History for Juniors, his own section of Geography for Freshman, and was able to co-teach in Economics and American Government for Seniors. When we asked him about handling the duties of both a classroom teacher, and a special education teacher he said: "I have always had a passion for two things: Helping others, and Social Studies. I am thankful that my career choice as a teacher has allowed me to combine both of my passions. It has made me more organized as a person, as well as helping me as an educator to help students who are struggling."

The Bluejay family is getting an educator that not only is able to teach multiple groups of students in the classroom, but he also has a goal for his time here in Ashland. Mr. Dishman told us: "I come from a school that is larger than Ashland-Greenwood, but I see that as a positive. I have always seen myself teaching at a school smaller than my alma mater of Blair. As a Bluejay I will be able to build close relationships with students that allow me to help them be the best students that they can be. It will also allow me to build closer relationships with other staff members that will also help me help them with students who may have higher needs than others." Mr. Dishman hopes to be an advocate for his students in the classroom, while also doing his best to guide fellow staff on helping students succeed to the best of their ability.

Ashland-Greenwood is getting an educator who has experience, patience, drive and can adapt well to any situation that is thrown his way. If you see Mr. Dishman around town at Cherios, Blend, Farinier Bakery, or the grocery store make sure to say hello!

Mrs. Kenzie Lambert has recently accepted a position as the new Primary Special Education teacher at Ashland-Greenwood Public Schools! She says, "I am so excited to return to my alma mater and to be a Bluejay again!"

Mrs. Lambert recently graduated in May of 2023 with her Bachelor's Degree in Elementary Education and Special Education from Concordia University-Nebraska. Starting this April, she shares that she will work to earn her Master's Degree in Curriculum and Instruction with an emphasis in Trauma/Resilience.

Mrs. Lambert has seven years of experience assistant teaching at a former daycare, Our Corner Clubhouse, in Ashland. Additionally, she has lots of experience working with children from completing practicums in schools around Seward County, substitute teaching at Elmwood-Murdock Public Schools, and finishing three different student teaching placements within Lincoln Public Schools. Kenzie is currently finishing up her first year teaching at Kooser Elementary as a 2nd and 4th grade special education teacher.

You may recognize Mrs. Lambert from her previous experience as a substitute teacher/paraprofessional at Ashland-Greenwood Public Schools or from wrestling events. Her husband has coached wrestling for many years in the AGPS district. She looks forward to attending many more extracurricular activities now that she's also an employee here!

Mrs. Lambert expressed that Ashland-Greenwood Public Schools is known for doing what's best for students and that she is honored to be a part of it. Kenzie shares, "I cannot wait to build relationships and to help make a lasting impact on the students here at AG. It's always a great day to be a Bluejay!"

Application Writing Task:

Excitement buzzes through the hallways of Ashland-Greenwood Public Schools as they proudly introduce their newest addition to the teaching family, Ms. Alexis Arens. With a bright smile and a passion for nurturing young minds, Ms. Arens is set to take on the role as the elementary special education teacher.

Ms. Arens is a Crofton, Nebraska native. She grew up on her family farm just on the outskirts of her hometown. Ms. Arens has a love for all outdoor activities, such as fishing and camping, and anything sports related! She attended Mount Marty University in Yankton, South Dakota where she received an outstanding education. This May she will graduate from Mount Marty with her Bachelor of Arts in Elementary and Special Education.

As a special education teacher, Ms. Arens understands the importance of laying a strong foundation for academic success. Her teaching philosophy revolves in the belief that every student can learn with an adequate amount of support and with positive learning environment.
