College Week:

College Week is coming soon! Seward Elementary enjoys participating with the rest of the district in College Week festivities. This year, Mr. Todd will teach students about all of the levels of schooling, and give them engaging activities to learn more about life after high school. He leads great discussions on the different types of college experiences, and also working after high school. The emphasis at the elementary for College Week is on the importance of education in any career field. Teachers and paras will also get in on the College Week action by sharing information about their college experiences. We also include a few fun dress up days during College Week.

School Improvement Team Meeting:

We are looking forward to sharing progress on our action plans so far this year at our first 2020-2021 School Improvement Team Meeting coming up this month. We have taken many positive steps in each of our plans that we are excited to share. As a reminder, our four strategies are:

1. We will implement enrichment and intervention practices within our school day.
2. We will update existing grading and assessment guidelines, including report cards, to clearly define expectations to all stakeholders.

3. We will research, design, and implement practices to enhance wellness of students and staff.
4. We will continue and expand on the communication practices and community partnerships to support our stakeholders.

Parent Teacher Conferences:

We are looking forward to meeting with parents on October 13th and 15th for Parent Teacher Conferences. We are able to do these conferences like normal because they are staggered in nature. We are asking that parents only attend (no children) and that all who are in the building wear face coverings. If parents do not feel comfortable attending conferences in person, they can schedule a phone conference with their child's teacher. Conferences are always a great opportunity to share how things are going at school and team with parents!

2. Bully Response Team. Mr. Marroquin organizes this group of seventh and eighth grade students which currently has 8 members but they are in the process of expanding that number. Students go through an application process if they want to be on the team and once a group is selected they meet usually once a week to discuss bullying issues. The goals of the team are to present information to the student body about bullying and help students deal with bullying whether they are a victim or a bystander. If any of the members observe bullying taking place they are to step in and stop the bullying and report the incident to an adult. Our intent is that other students will follow their lead.

3. Parent Teacher Conferences took place the 28th of September and as expected the attendance was limited because of the pandemic. Our 5th grade teachers conducted conferences also on the Thursday before (24th of September) and they had limited turnout as well. We did experience much more communication with parents via other non-contact methods.

4. Wellness Day. Our annual event took place as scheduled this year on Friday, 25 Sept. The weather was warmer than usual but the kids really seemed to enjoy being outside and taking mask breaks when appropriate. The primary focus for this day is on the importance of establishing healthy lifestyles.

5. DARE. I have communicated with Officer Sommerfeld of the Seward Police Department as she is the officer who presents this each year to our 5th graders. We are hoping to deliver this program second semester.

6. Happenings at the Middle School.

- 4H After school clubs meeting this month:
 - a. Quilts of Valor is making and presenting a quilt for a local veteran.

School Board Report

College Week

We are excited to have College Week the week of October 12th! During the week we hope to promote a post-secondary atmosphere with fun and prizes, as well as information from colleges to universities to military to trade school. Keeping in mind the need for some training/education after high school, we want to encourage our students to explore the variety of options available to them.

Post-Secondary Testing Day

October 15th is Post-Secondary Test Day! Students have signed up to take the PSAT (pre-SAT test, National Merit Qualifier), ASVAB (military entrance), or PRE-ACT. Seniors may also take the ASVAB or ASSET test. These assessments are excellent tools for us to use as we seek to support the transition from high school to college.

P.R.I.D.E. Recognition Rally Scheduled for October 15th

The second of four quarterly P.R.I.D.E. Recognition Rallies will be held October 15th from 9-10:00 a.m. to recognize and reinforce positive, controllable behaviors during the first term. This will be a virtual rally broadcast on Striv Tv. Stay tuned for more information.

Positive comment from an Opposing Fan!

We are very proud of our students and it is always nice to hear these comments from people outside our district. Our band kids have been great even though they found out before school started that many of their competitions had been cancelled and they were very disappointed, they have worked hard with a positive attitude. Fortunately, they have been able to compete at Columbus and Aurora and have performed at Football games and also one Saturday for our community.

Hi,

My name is Nicole and I have a football player/student at Grand Island Northwest. We weren't able to make it to the game tonight so we watched it through striv.tv. I just have

to let someone know how amazing Seward's band (especially the drum line) and the two commentators were. I am blown away at how professional the two young men commenting were. Regardless of the score of the football game, I'd say the team, school, and band are winning in so many ways. Thank you for a wonderful evening.

Practice ACT Test

On September 22nd, the entire junior class engaged in a practice ACT test. SHS counselors and teachers scored the test and compiled results. Data gleaned from this test is being used to help enhance classroom instruction and assessment practices. Each junior will meet individually with a school counselor, principal, or district administrator to review their test results, set a goal score, and discuss strategies for achieving their personal goal.

SHS School Improvement Update

Teachers met in their Action Teams to develop priorities for the 2019-2024 School Improvement Plan. A few of these were shared with the SHS stakeholder representatives:

1. **Mental Health:** Trained staff and implemented plans for HOPE Squad; prepared Known Survey for staff and students (October 2020); continue to use of Social/Emotional Learning strategies
2. **Positive Culture:** Conducted student survey for P.R.I.D.E. program; formed a Staff Culture committee; promoted PRIDE citizenship grading scale; purchased "Living Above theLine" signage with grant money
3. **A. Instruction:** Evaluated course offerings and elective credits; researched other schools' block schedules and intervention times; surveyed previous and current student regarding the rigor of course schedules
B. Feedback and Assessment: Implemented Citizenship Grading Scale; created feedback/assessment philosophy statements based on research and staff surveys; implemented common language (practice, formative, and summative) and assessment percentage ranges
4. **Community Partnerships:** Compiled list of current community service opportunities for students through school organizations; purchased and implemented MobileServe application to track student hours; started plans to promote the "why" behind community service by adding a paragraph to the student/parent handbook

Activities

The weekly protocols for events continue to evolve as schools each have their own set of expectations for visitors.

Seward hosted the B-7 softball sub-district on October 5 and 6th.

More contests are being lost due to COVID, the opportunity to find a replacement contest is minimal.

Post season is beginning for all fall sports, district dates are: Golf, Oct 2; Softball, Oct 9 (hosted by Seward); Cross Country, Oct 15 (hosted by Seward); Volleyball, Oct 27/28.

**School District of Seward
Board Report
Connie Biaggio, Director of Special Services**

October 6, 2020

It is hard to believe that the first quarter of this school year is almost completed and yet that is a reality.

While September is a settling in month, as I mentioned last month, October brings a rush of NDE reports that are either due on October 15th or October 30th. Some take hours to prep for and then to complete while others just take a few minutes. Regardless, such reporting is vital and timely-ness is essential which means that while day to day business needs to be attended to, much of the next two to three weeks will truly be focused on the completion of four state reports. The count has been eight state reports but last year a new Special Education Final Financial report layout joined together four final reports into one.

Since my September report four new Return to Learn remote learning requests were received and approved. That means that a total of 31 students were approved for remote learning during the first quarter of 20-21. By this Friday, parents of these remote learners are to let me know if their student is going to return to face to face for second quarter. As of todays date only two families have made the choice to change to face to face.

The number of families choosing to homeschool their children has not grown since my last report.

As you review the Special Service Program enrollment numbers listed below It is important to note that the current number of students needing Title One services has now been determined via needs assessments. Additionally, five students moved in that had special education verifications and no verified students moved out of the district. Lastly, the Sixpence number looks small due to the exit of children that reached the maximum age of 3 years. Recruiting for the program has begun and soon there will be a waiting list again.

That's it for this month. Thanks for the continued support!

Respectfully submitted by Connie R. Biaggio

October 2020 Board Report for Curriculum and Staff Development

Board Members,

The first quarter is coming to a close and with the end of the quarter comes an opportunity to reflect and look forward. I am proud of our staff and how they have balanced the needs of our in-person learners with the needs of our remote learners. Heading into the new quarter it will be important that we continue to provide rigorous academic learning while also meeting the social-emotional needs of our staff and students. We will have opportunities to learn more about helping students and staff during our staff development day in October.

SCHOOL DISTRICT OF SEWARD

410 South Street

Seward, NE 68434

Curriculum

We received word that our reVISION grant was approved for \$53,000. Part of this \$53,000 was reserved for Career and Technical Education Curriculum. This will certainly help us as we move into the CTE curriculum cycle with purchasing materials that are high quality and aligned to current workforce needs. We will begin the CTE curriculum review in January.

The other half of the reVISION money is earmarked for a community career liaison. In the age of Covid, we will have to be creative in how we engage this person to build partnerships with businesses and create job shadowing, internships, site visits, and school visits for our students.

Instruction

During the Pandemic, we were awarded funds to purchase an individualized literacy and math computerized program called PathBlazers. PathBlazers directly aligns to the NWEA assessment and as we finished the NWEA test, those scores were added to the program. Our elementary students have access to Pathblazers during their small group math and reading time. Each student continues to have a small-group block of time with the teacher, but instead of a math or reading station, they now have Pathblazers time to meet the student's need at their level.

Staff Development

Our October staff development day has had some recent changes. We were scheduled to have Dr. Winkler, a psychologist who has done a great deal of work with grit come to Seward and speak to our teaching staff. Dr. Winkler lives in New York and did not feel comfortable making the trip. We have rescheduled her time for February. We will now be offering our staff choices in the morning regarding the mental/physical health of our students and staff. We will then be having vertical department meetings where teachers across the grade levels can communicate regarding content concerns. In the afternoon, we will have time for site-based planning and then the teachers will have additional time to plan for their students in multiple learning formats. Some of our coaches and Early Childhood educators will be participating in CPR. We will end the day with a Wellness Meeting. Dr. Fields has arranged for a flu clinic to be on-site throughout the afternoon Monday.

Assessment

Our Seniors took the ACT at no cost to them on September 22nd. We rented the Ag Pavillion at a discounted rate. Using the Ag Pavillion allowed us to create an environment that was most conducive to the ACT test, while the other students were still on campus. At this time, we do not know what reports will be available regarding this assessment. I will be doing a short presentation at our meeting tonight regarding NWEA data and the AQUESTT Plan.

Food Service/Wellness

Attached with this board report, you will find a letter from Governor Ricketts regarding the Governor's Wellness Award. This is the award that I shared information about at our last school board meeting. We will also be recognized this month for our Silver Healthy Schools award.

Thank you for your support.

OCTOBER STAFF DEV. NEWSLETTER

— A NEWSLETTER FOR THE STAFF BY DR. DOMINY —

A GLIMPSE AT THE OCTOBER STAFF DEVELOPMENT DAY

We are at the tail end of the first quarter, the work that you are doing with students should give you a great deal of pride. The life lessons and academic lessons our students have learned over this first quarter will be remembered over a lifetime. A few years ago we had the theme of creating moments for our students. The Heath brothers wrote in their book, *The Power of Moments*, "If you want to be part of a group that bonds like cement, take on a really demanding task that's deeply meaningful. All of you will remember it for the rest of your lives." We are going to remember for the rest of our lives our experiences regarding this pandemic and the bonds that you create in your classrooms, athletics, activities, and with the staff in your buildings will be stronger as we make this journey through the pandemic together.

On October 19th, we will be providing multiple options regarding the mental health of your students and also yourself. We will provide time for a vertical department meeting, as well as a little action team time. We will end the day with individual planning time as you work to create lessons that are applicable for multiple learning environments.

THE PASSION CONNECTION TO GRIT

Passion Is Important

Many people falsely assume that *grit* is a synonym for *effort and hard work*. Perseverance to achieve one's goals is part of the equation, but it's not the only thing that counts. Duckworth argues that passion is just as important as determination, if not more so. This is where many people fall short on the grit scale. A person who wants to achieve great things has to be willing to focus on a consistent goal over an extended period of time. That only happens when the goal is something in which the person is deeply interested and cares about deeply. Grit isn't about grinding away at something that brings no joy—it's about finding that joy and doing everything in one's power to pursue it.

okay. Discovering what one is passionate about isn't easy. It's okay to give up on something if it isn't the right fit and use that energy to explore other avenues.

DEFINING KEY TERMS

Our district has a staff development committee which has three staff members from each school. The purpose of this committee is to provide feedback and guidance regarding all things related to staff development. At our last meeting, I gave them the task of defining key terms that we will use this year in staff development. Below you will find the key terms and the "Seward" definitions:

Resilience: When things don't go as planned, I can refocus and persevere.

Grit: The ability to sustain focus and effort over the long term in the face of challenges.

Growth Mindset: The attitude that one's own abilities can be developed through hard work, good strategies, and input from others. People of a Growth Mindset have a positive focus on the process.

Dr. Matt Dominy
Seward Public Schools
410 South Street
Seward, NE 68434

Dear Dr. Dominy:

Congratulations, your application for the 2020 Governor's Wellness Award has been approved at the Grower Award level. This is no small feat given the circumstances 2020 has brought. Your organization has made a wonderful commitment to the people making up your workforce, which puts you among an elite group of over 350 businesses statewide to earn the Governor's Wellness Award since 2008. In meeting the standards for this award, Seward Public Schools efforts positively affect the health, quality of life, productivity, and bottom line of your organization.

The designation is valid for three years. Grower Award recipients can reapply at the Grower level, but I hope you will consider advancing your program and apply for the Harvester Award, which can be done at any point in the next three years while the Grower Award designation is in place.

You and your team are invited to personally accept the award at the virtual ceremony of your choice. Please select one of the following events and notify Jessica Davies by emailing jdavies@pphd.org of your choice no later than September 28, 2020:

- September 30 - Panhandle Worksite Wellness Council
- October 20 - The Wellbeing Partners
- October 28 - Nebraska Safety Council
- TBD - Educators Health Alliance (EHA)

My office will issue a statewide news release announcing the 2020 winners of the Governor's Wellness Awards in September and we ask that any local announcements come after the official news release.

Congratulations on making a difference in the lives of the people who work at Seward Public Schools. Your efforts are helping Nebraskans "live the good life."

Sincerely,

Homecoming Part Two

Since we were unfortunately unable to have a homecoming dance, we have come up with a Homecoming Part Two: "Friday Night Frights". After the home football game on the 23rd, we will have a projector set up at the high school football field and we will be watching a Halloween movie. Students were sent a Google Form where they could choose which movie they would like to watch.

Covid

Unfortunately, a lot of students have been quarantined because of positive cases at the lunch table. The staff has made announcements to put your mask on after you're done eating so the exposure time is less than 15 minutes. Hopefully, these measures ensure that we can stay in school.

SEPARATION INCENTIVE PROGRAMS

A. PURPOSE:

The Seward Public School District Board of Education (referred to as the District and Board respectively) will annually consider the implementation and funding of a Separation Incentive Program (referred to as the Program) for the certificated teachers of the District (referred to variously as teacher, eligible employee, employee, applicant, or participant). The Program is a Board policy that is intended to benefit certificated teachers who are considering terminating their employment with the District. Its objectives include, but are not limited to providing a balance of employee experience and offering financial incentives to assist long-term employees who are considering separating from employment.

B. QUALIFICATIONS:

1. Eligible Employees: To be eligible, an employee must be employed by the District as of the date of acceptance of his/her application in the position of a fully certificated teacher who is paid in his/her last school year of employment pursuant to the salary schedule negotiated by the Board and the Seward Education Association.
2. Full-Time Equivalency: Both full-time and part-time employees may apply to participate in the Program. A part-time applicant's benefits will be prorated based on his/her FTE (full-time equivalency) as determined by the applicant's actual scheduled salary as of November 1 of his/her last school year of employment. An applicant who is on a part-time leave of absence and who works part-time as of November 1 of his/her last year of employment will be eligible to participate in the Program based on his/her on-duty FTE. An employee who is on a leave of absence in total as of November 1 of a school year will not be eligible to participate in the Program during the year of the leave.
3. Criteria for Eligibility: An applicant must meet the following criteria:
 - a. Years of Service: An applicant must have at least twenty (20) consecutive years of creditable service to the District.
 - b. Minimum Age: An applicant must be fifty-seven (57) years of age on or before August 15 following the last school year of employment.
 - c. An employee must apply for participation in the Program within 5 years of becoming eligible or waive the opportunity to take Program benefits.
 - d. Those employees who are older than age 57 and had 20 years of creditable service at the time of this policy's adoption shall be given five years from the date of the policy's adoption to apply to participate in the Program.
4. Applications and Criteria for Selection: On or about October of each year, the Board, in its sole and absolute discretion, will determine the total number of applicants whom it will approve for participation in the Program based on financial exigencies, availability

of funds, budget, expenses, revenue, and other school financial issues. If there are more applicants than the number the Board has authorized, the selection of the approved applicants shall be based on the following criteria in descending order:

- a. Highest Salary: The applicant(s) with the highest salary on the teacher salary schedule will be given preference for participation.
- b. Years of Experience in the District: If two (2) or more applicants are tied after consideration of criterion “a” above, the applicant(s) with the most years of full-time teaching experience in the district will be given preference.
- c. Date of Application: If two (2) or more applicants are tied after consideration of criterion “b” above, the applicant(s) with the earlier date of application (based on the date stamp from the Superintendent’s Office) will be given preference.
- d. Tie Breaker: If two (2) or more applicants are tied after consideration of criteria “a”, “b”, and “c” above, the names of the applicants who are tied shall be placed in a container and drawn from the container for opening(s) in the Program.

C. ENROLLMENT REQUIREMENTS:

1. Resignation: An approved applicant shall resign his/her employment with the District effective at the close of his/her last year of employment in consideration for the benefits outlined in paragraph “D” below. An applicant’s application to participate in the Program is not, in and of itself, a resignation of his/her contract with the School District. However, the Board’s approval of an application will be considered the approval of the applicant’s voluntary resignation and termination of his/her continuing contract. If the Board does not approve an application, the applicant’s contract will continue in effect, and he/she will remain employed by the District unless he/she otherwise resigns or his/her contract is terminated or cancelled for cause.
2. Notice of Program: On or before September 15th of each year, the Superintendent or Superintendent’s designee shall notify eligible employees of the Program and the Application and Agreement form.
3. Application and Agreement: An employee who wishes to participate must submit a completed Application and Agreement form on or before November 15th of the school year in which he/she intends to resign. The failure to submit an Application and Agreement form by the application deadline shall result in the rejection of the application. An applicant may withdraw his/her Application and Agreement within seven (7) days after the date it was received by the Superintendent’s office. The Superintendent or his/her designee shall review the employee’s record to determine eligibility.
4. Terminated Employee’s Ineligibility: An employee who has received written notice of possible termination for reasons other than reduction in force or who has received written notice of possible cancellation shall NOT be eligible and may NOT participate in the Program, UNLESS after a hearing before the Board, it is determined that said employee’s contract shall not be cancelled or terminated or the decision of the Board to terminate or cancel is subsequently set aside.

D. BENEFITS:

1. **Calculation and Payment of Benefits:** The total benefit for an approved applicant shall be as follows: The total amount cannot exceed \$35,000
 - a. Fifty percent (50%) of the index salary placement of his/her contract in effect in the final year of employment multiplied by the average FTE over his/her last 20 years of employment. This amount shall be paid in two (2) equal installments with the first payment on September 15 of the calendar year separation begins, and the second payment on January 15 of the calendar year after the separation option is taken.
 - b. Twenty-five dollars (\$25) per day for each day of his/her unused accumulated sick leave in the final year of employment, up to a maximum of forty-five (45) days. This amount shall be paid in two (2) equal installments with the first payment on September 15 of the calendar year separation begins, and the second payment on January 15 of the calendar year after the separation option is taken.
2. **Source of Funds:** The School District shall pay the entire cost of the Plan.
3. **Administration:** This plan shall be administered by the Board by and through the District administration.
4. **Beneficiary Designation:** The applicant must designate a beneficiary for the Application and Agreement form to be considered complete. If a participant dies before all benefits are paid, the beneficiary shall receive any remaining benefits.
5. **Income Tax Consequences:** Payments pursuant to the Program have been determined to be taxable income for state and federal income tax purposes and will be treated as such. Any required state or federal withholding will be deducted from each payment.
6. **Health Insurance Rights:** A participant will have the opportunity to continue health insurance benefits as may be permitted by the Comprehensive Omnibus Budget Reconciliation Act, other applicable law, or the Retirees Health Insurance Plan under the insurance carrier's guidelines.

E. TIME FOR CONSIDERATION OF APPLICATION AND AGREEMENT, AND WAIVER AND RELEASE OF CLAIMS:

1. **Time to Consider Application and Agreement:** Employees shall be given at least forty-five (45) days within which to consider the terms of the Program. The Application and Agreement form shall inform applicants that the Program is totally voluntary in nature.
2. **Waiver and Release of Claims:** An employee who participates in the Program will be required to release, waive, acquit, and forever discharge the District, all past, present, and future members of the Board in their official and individual capacities, the administrators, and all other officers, agents, and employees of the District, in their official and individual capacities, from any and all claims, however characterized, whether for damages, costs, expenses, compensation, penalties, wages, benefits, reinstatement, attorneys' fees, which the participant may now have or which may accrue in the future with respect to, arising out of, or in relation to the participant's employment with the District, including, but not limited to, claims or rights under the Age Discrimination in Employment Act (ADEA) and the Older Workers Benefit Protection

Act (OWBPA), 29 USC §621-634, the Employee Retirement Income Security Act of 1974 (ERISA), 29 USC §1001 et. seq., and the Act Prohibiting Unjust Discrimination in Employment on the Basis of Age, NEB. REV. STAT. §48-1001 et seq., Title IX and under Title VII of the Civil Rights Act of 1964, as amended, the Civil Rights Act of 1866 and 1871, as amended from time to time, claims or rights under 42 U.S.C. §1981, through and including 42 U.S.C. §1988, the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, the Family Medical Leave Act of 1993, all claims or rights relating to discrimination on the basis of race, ethnic background, color, religion, sex, age, disability, handicap, marital status or national origin before the state or federal EEOC or NEOC, or any other agency or department or the state or federal courts under any state or federal constitution, law, rule, or regulation, all claims or rights relating to libel, slander, breach of confidentiality or privacy, or any claims or rights of whatsoever nature arising under any other state, federal, or local constitution, statute, regulation, or ordinance arising out of the participant's employment with the District, this Application and Agreement form, the Program, or the participant's resignation from such employment. The participant must covenant not to sue and agree not to institute any proceedings against, and agree to indemnify and hold harmless, the District or any other persons named herein in their official or individual capacities based on any matter relating to the participant's employment by the District, the Application and Agreement, the Program, or the participant's resignation.

This waiver, release, and indemnification agreement will be given in exchange for consideration in addition to that which the participant is already entitled pursuant to law. The participant will acknowledge that he/she has been advised by this Application and Agreement to consult with an attorney before signing it and participating in the Program. The participant will acknowledge that he/she has had sufficient time to decide whether or not to execute the Application and Agreement, including sufficient time to consider the waiver and release of claims and all other matters contained therein.

F. TERM OF PROGRAM:

The Board, in its sole and unfettered discretion, shall determine whether to make the SIP Program available in any particular year and whether to budget and fund any Program payments and to determine the total amount, if any, that will be made available for such payments.

G. 20 YEARS OF SERVICE NON-SIP

If an employee does not otherwise qualify for the early separation program detailed in this policy, the employee is eligible to be paid \$50 per day for unused sick days once an employee leaves or retires from the district, as long as the employee satisfies the following conditions:

1. The employee has at least 20 years of service in the district as defined in this policy;
2. The separation from employment is the result of a voluntary resignation which is not the result of a notice of nonrenewal, termination, or cancellation of the employee's contract, and no

grounds exist at the time of resignation to nonrenew, terminate, or cancel the employee's contract.

The payment will be made in the September payroll of the year the separation from employment occurs.
