CENTENNIAL PUBLIC SCHOOL

COURSE APPROVAL FORM

The negotiated agreement between the CEA and Board of Education requires, in part, teacher to obtain advance approval from the administration/Board of Education for courses applicable to horizontal movement on the salary schedule.

Please complete this form and return to Tim DeWaard at your earliest convenience. Forms must be received the Wednesday prior to the Board meeting in order to be considered by the Board that month.

TO: The Centennial Administration and Board of Education

I hereby request advance approval of the following course(s). It is understood that said approval would allow me to apply this course(s) for horizontal movement on the salary schedule.

<u>Course No.</u>	<u>Course Title</u>	<u>Hrs.</u>	<u>College</u>	<u>Undergrad. or Grad. Level</u>	<u>Planned Grad. Program Applies</u>
EDAD 846	Jr High/MS Administration	3	UNK	Graduate	EDU Administration (7-12)

Course Description:

Focused on Program design, implementation and evaluation at the middle grade level. It is designed primarily to meet the needs of elementary and/or secondary trained administrators who plan to become administrators at the middle grade level.

<u>Course No.</u>	<u>Course Title</u>	<u>Hrs.</u>	<u>College</u>	<u>Undergrad. or Grad. Level</u>	<u>Planned Grad. Program Applies</u>
EDAD 869	The Principalship	3	UNK	Grad.	EDU Administration (7-12)

Course Description:

This is a foundation course in Secondary School administration that places emphasis on the responsibilities of the Principal. It is designed to serve the interests and needs of certified personnel who plan to become Principals

<u>Course No.</u>	<u>Course Title</u>	<u>Hrs.</u>	<u>College</u>	<u>Undergrad. or Grad. Level</u>	<u>Planned Grad. Program Applies</u>
-------------------	---------------------	-------------	----------------	----------------------------------	--------------------------------------

Course Description:

The addition of this course(s) would make me eligible for horizontal movement effective with the 2014-2015 school year. (BA +18)

Thank you for considering this request.

Sincerely,

Mark R. EA

Introduction

Schoolology proposes to work closely with Centennial Public Schools to implement a digital learning environment that promotes learning, communication, and collaboration inside and outside of the classroom.

Schoolology is a dynamic, user-centric learning management solution that adjusts to any educational environment. Schoolology's versatility derives from three key components: learning management, enhanced communication, and third-party integration. Using Schoolology's engaging tools, educators can create custom courses, pace students individually, and differentiate instruction. Schoolology also facilitates improvement by providing educators access to globally shared resources. Finally, Schoolology seamlessly integrates third-party software via its advanced API. This award-winning, comprehensive approach ensures engagement and magnifies achievement worldwide.

After launching in 2009, Schoolology is now in more than 25,000 schools and organizations across more than 132 countries worldwide. Schoolology is transforming learning by making academic improvement more accessible. Thousands of schools around the world are working together to engage students more effectively, and this is just the beginning.

Implementation Project Plan

After we have received Centennial Public Schools's signed Sales Order, Centennial Public Schools's dedicated Client Consultant will send a brief questionnaire to gather all of the necessary account information and project goals. Upon receiving the questionnaire, the Client Consultant will schedule a kickoff call to begin the implementation process. During the kickoff call, the Client Consultant will review all of the initial setup steps that Centennial Public Schools will need to get

started, as well as address any potential questions or needs that Centennial Public Schools might require.

After the kickoff call, Centennial Public Schools will have access to Schoolology's consulting services, which includes weekly check-in and support during implementation. During this process, we look for specific milestone objectives that include setup for users, courses, single sign-on integration, branding (custom domain, logos etc.) and product training. Schoolology will provide continual support throughout the implementation process through our dedicated Client Consultants and tiered support system.

Enterprise Subscription

Schoolology offers a complete cloud-based solution. All hardware, database, and maintenance costs are included in the pricing. Centennial Public Schools will **not** incur costs associated with system upgrades or releases that improve the current features.

1. LDAP/Single Sign-On (SSO) Integration

Schoolology will make available a SSO script that can be used to establish SSO with third party applications and directories. This will mean that all users will be able to use their school assigned username and password to access the Schoolology environment. Centennial Public Schools will still maintain all usernames, passwords, user groups, roles, and account names locally.

2. Advanced User Management

Centennial Public Schools will have access to Schoolology's Advanced User Management Interface which allows administrators to manage user roles, permissions, privacy, and overall

system settings. This also affords administrators the ability to bulk-add users either using import files or, for more advanced users, programmatically via our REST API.

3. Enterprise Management Interface

Centennial Public Schools will be able to create multiple buildings using the Enterprise Management Interface. Administrators can organize users into individual buildings, and they can designate different users as administrators. The system administrator is able to then manage all users and schools from the main parent account while certain administrators will be responsible for a particular group of users across different buildings.

4. School Site Branding

Schoolology will provide custom branding services to the Schoolology interface for Centennial Public Schools. Schoolology will brand the top banner and links with Centennial Public Schools's desired color scheme, and Schoolology will also replace the Schoolology logo with Centennial Public Schools's organization logo. In addition, Centennial Public Schools will receive domain customization (e.g. `lms.schoolname.org`) or subdomain customization (e.g. `schoolname.schoolology.com`).

5. Support Services

Schoolology offers two levels of support:

- a. The first level is community-based support that is available to all administrators and instructors via a "Feedback/Support" button located in the dropdown menu in the upper right corner of Schoolology. Community support is helpful for finding frequently asked questions and for posting new ideas. As part of your support management practices, you may choose to recommend this level of support for teachers and other staff or faculty at your school.

- b. The second level is dedicated support. As an enterprise client you have access to our dedicated support. You may choose up to three (3) dedicated support contacts from your school/district, whose role is to relay any questions, concerns or ideas to the Schoolology team. These three (3) main support contacts can contact Schoolology by:
 1. Phone: Support contacts may contact a Schoolology representative by using a support code listed in the "Feedback/Support" button (only visible to support contacts).
 2. Email: Support contacts may email a Schoolology representative by emailing help@schoolology.com.
 3. Ticketing System: Support contacts may create their own support tickets by going directly to support.schoolology.com.

Services

6. System Configuration

Centennial Public Schools's Client Consultant will support you in training a small group of Schoolology power users and project leaders. This group will be given the opportunity to review key Schoolology features in depth, discuss best practices and utilize support and training materials with their client consultant.

Schoolology will assist in the configuration of Centennial Public Schools's system including items such as account creation/management, system settings, single sign-on, product training and overall implementation strategy. After the kickoff call, the Client Consultant will provide a launch pack that serves as a resource guide for setting up the Schoolology system and providing product training for your faculty.

7. Train-the-Trainer Web Delivered*

Schoology offers additional web delivered product training to Centennial Public Schools's support staff via a train-the-trainer approach. This training is often utilized mid-year to provide additional support on intermediate and/or advanced features. The Client Consultant will train a select group of designated users that will ultimately train the end users. This in-depth product training will demonstrate how to organize classroom content, administer and grade assessments, track overall student performance, and how to use Schoology's collaborative tools.

*Training services will expire one (1) year from date of purchase

Master Services Agreement

By accepting this Sales Order, you are agreeing to the terms of the Schoolology Master Subscription Agreement, which is located here:

SUPERINTENDENT'S REPORT

May 12, 2014

1. The 2014 Nebraska School Law Seminar will be held on Friday, June 6th in Kearney at the Holiday Inn. Registration begins at 8:00 a.m. and it should be finished up around 4:00 p.m. If anyone would like to attend, please let me know.
2. The last day of school is scheduled for May 21st with a dismissal at noon. Another year has flown by and I want to again thank the staff and school board for their work in making a difference in student's lives.
3. It's never too early to start planning to attend the National School Boards Association Conference which will be held in Nashville on March 21-23, 2015. I would try to fly out on March 20th and back on March 24th. Registration opens on September 1st and housing opens November 1st.
4. Three years ago, we bid out our garbage service for the first time. It was very successful, so we will be re-bidding out the service again within the next month.

ELEMENTARY PRINCIPAL'S REPORT
May 12, 2014

1. FINAL SPRINT Activities yet to come
