This contract is made pursuant to Texas Election Code Sections 31.092 and 271.002 and Texas Education Code Section 11.0581 for a joint **MAY 3, 2025** election to be administered by Jenise “Crickett” Miller, Parker County Elections Administrator, hereinafter referred to as “Elections Administrator.”

RECITALS

Each participating authority listed above plans to hold a special or general election **MAY 3, 2025**.

The county owns an electronic voting system, the HART InterCivic Verity DUO Voting System (Version 2.3.1), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The contracting political subdivisions desire to use the County’s electronic voting system and compensate the County for such use and to share in certain other expenses connected with joint elections in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended.

52

NOW THEREFORE, in consideration of the mutual, agreements, and benefits to the parties, IT IS AGREED as follows:

I: ADMINISTRATION

The parties agree to hold a “Joint election” with Parker County and each other in accordance with chapter 271 of the Texas Election Code and this agreement. The Parker County Elections Administrator shall coordinate, supervise, and handle all aspects of administering the joint Election as provided in this agreement. Each participating authority agrees to pay the Parker County Elections Administrator for equipment, supplies, services, and administrative costs as provided in this agreement. The Parker County Elections Administrator shall serve as the administrator for the Joint Election; however, each participating authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each participating authority as necessary.

It is understood that other political subdivisions may wish to participate in the use of the County’s electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes on terms and conditions generally similar to those set forth in this contract. In such cases, costs shall be pro-rated among the participants according to Section XI of this contract.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those polling locations where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is

ineligible to vote. Multiple ballot styles shall be available in those shared polling locations where jurisdictions do not overlap.

II: LEGAL DOCUMENTS

Each participating authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, and other pertinent documents required by the Texas Election Code and/or the participating authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting system testing notices and election notices that are required by the Texas Election Code.

Preparation of the necessary materials for the notices and the official ballot shall be the responsibility of each participating authority, including translation to Spanish. Each participating authority shall provide a copy of their respective election orders and notices to Parker County Elections Administrator.

The Elections Administrator shall prepare a submission, on behalf of all participating authorities, to the United States Department of Justice for preclearance of the joint election procedures and polling locations, pursuant to the Voting rights Act of 1965, as amended. The Elections Administrator will provide to each participating authority a photocopy of the joint submission and correspondence from the Department of Justice. (If Required)

The joint submission prepared by the Elections Administrator will NOT include submissions of information for any special elections held by the participating authorities. Participating authorities are hereby notified and encouraged to prepare their own submissions to the United States Department of Justice for special election procedure, or any changes that are specific to their own political subdivision.

By signing this agreement each participating authority certifies that it has no unresolved preclearance or voting rights issues known to it that would preclude or delay approval by the Department of Justice for the joint election.

The Elections Administrator will file an amended submission to the United States Department of Justice in the event that any polling location is changed after the original submission is filed, including changes resulting from the withdrawal of one or more participating authorities pursuant to Section XII of this contract.

III: POLLING LOCATIONS

The Elections Administrator shall select and arrange for the use of and payment for all Election Day polling locations. Polling locations will be, whenever possible, the usual polling location for each election precinct in elections conducted by the county, and shall be compliant with the accessibility requirements established by Texas Election Code Section 43.034 and the Americans with Disabilities act (ADA). The proposed EARLY VOITNG polling locations are listed in Exhibit A of this Agreement. In the event that a polling location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location with the approval of the affected participating authorities. The Elections Administrator shall notify the participating authorities of any changes from the polling locations listed in Exhibit A.

If polling locations for the **MAY 3, 2025** joint election are different from the polling locations used by a participating authority in its most recent election, the Elections Administrator agrees to post a notice no later than **APRIL 17, 2025** at the entrance to any previous polling

places in the jurisdiction stating that the polling location has changed and stating the political subdivisions' polling location name and address in affect for the **MAY 3, 2025**. This notice shall be written in both English and Spanish languages.

IV: ELECTION JUDGES, CLERKS, AND OTHER PERSONNEL

Parker County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location. The Elections Administrator shall make emergency appointments of the election officials if necessary.

Upon request by the Elections Administrator, each participating authority agrees to assist in recruiting polling location officials who are bilingual (fluent in both English and Spanish). In compliance with the Federal Voting Rights Act of 1965, as amended, each polling location containing more than 5% Hispanic populations as determined by the 2010 Census shall have one or more election officials who are fluent in both English and Spanish languages. If a presiding judge is not bilingual, and is unable to appoint a bilingual clerk, the Elections Administrator may recommend a bilingual worker for the polling location. If the Elections Administrator is unable to recommend or recruit a bilingual worker, the participating authority or authorities served by the polling location shall be responsible for recruiting a bilingual worker for translation services at that polling location.

54

The Elections Administrator shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to ensure that all judges appointed for the Joint Election are eligible to serve.

The Elections Administrator shall arrange for the training and compensation of all election judges and clerks. The Elections Administrator shall arrange for the date, time, and place for presiding judges to pick up their election supplies. Each presiding election judge will be sent a letter form the Elections Administrator notifying him of his/her appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge and clerk will receive compensation at the hourly rate established by Parker County pursuant to Texas Election Code Section 32.091. The election judge will receive an additional sum of \$25.00 for picking up the election supplies prior to the Election Day and for returning the supplies and equipment to the central counting station after the polls close.

Election judges and clerks who attend voting equipment training and /or procedures training shall be compensated at the same hourly rate that they are to be paid on election Day.

The Election Administrator may employ other personnel necessary for the proper administration of the election, including such part time help as is necessary to prepare for the election to ensure the timely delivery of supplies during early voting and on Election Day, and for the efficient tabulation of ballots at the central counting station. Part Time personnel working as members of the Early Voting Ballot Board and/or central counting station on election night will be compensated at the hourly rate set by Parker County in accordance with election Code Sections 87.005, 127.004, and 127.006.

V: PREPARATION OF SUPPLIES AND VOITNG EQUIPMENT

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to, official ballots, sample ballots, voter registration lists, and all forms, signs, maps, and other materials used by the election judge at the poling locations. The Elections

Administrator shall ensure availability of tables, and chairs at each polling place and shall procure rented tables and chairs for those polling locations that do not have tables or chairs.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling locations where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, instructions, and other information needed to enable the election judges in the polling locations that have more than one ballot style to conduct proper elections.

Each participating authority shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner in which the candidate name and/or propositions are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). Each participating authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions.

55

The Elections Administrator shall be responsible for the preparation, testing and delivery of the voting equipment for the election as required by election Code.

The Elections Administrator shall conduct criminal background checks on relevant employees upon hiring as required by Texas Election Code Section 129.051(g).

IV: EARLY VOTING

The participating authorities agree to conduct joint early voting and to appoint the Elections Administrator as the Early Voting clerk in accordance with Sections 31.097 and 271.006 of the Texas Election Code. Each participating authority agrees to appoint the Elections Administrator's permanent county employees as deputy early voting clerks. The participating authorities further agree that the Elections Administrator may appoint other deputy early voting clerks to assist in the conduct of early voting necessary, and that these additional deputy early voting clerks shall be compensated at an hourly rate set by Parker County pursuant to Section 83.052 of the Texas Election Code. Deputy early voting clerks who are permanent employees of the Parker County Elections Administrator or any participating authority shall serve in that capacity without additional compensation.

Early Voting by personal appearance will be held at the polling locations, dates, and times listed in Exhibit "A" of this document and shall be the Early Voting sites to be used in the Parker County GENERAL/SPECIAL ELECTION to be held on **MAY 3, 2025**. Any qualified voter of the Joint Election may vote early by personal appearance at any of the joint early voting locations.

As Early Voting Clerk, the Elections Administrator shall receive applications for early voting ballots to be voted by mail in accordance with Chapters 31 and 86 of the Texas Election Code. Any requests for early voting ballots to be voted by mail received by the participating authorities shall be forwarded immediately by fax or courier to the Elections Administrator for processing.

The Elections Administrator shall provide each participating authority a copy of the early voting report on a daily basis and a cumulative final early voting report following the election. In accordance with Section 87.121 (g) of the Texas Election Code, the daily reports showing the

previous day's early voting activity will be distributed to each authority no later than 5pm each business day if requested in writing.

VII: EARLY VOTING BALLOT BOARD

Parker County shall appoint an Early Voting Ballot Board (EVBB) to process early voting results from the Joint Election. The Presiding Judge, with the assistance of the Elections Administrator, shall appoint two or more additional members to constitute the EVBB. The Elections Administrator shall determine the number of EVBB members required to efficiently process the early voting ballots.

VIII: CENTRAL COUNTING STATION AND ELECTION RETURNS

The elections Administrator shall be responsible for establishing and operating the central counting station to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this agreement.

56

Parker County hereby in accordance with Sections 127.002, 127.003 and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Early Voting Clerk:	Jenise "Crickett" Miller
Central Counting Station Manager/Tabulation:	Debbie Braudaway
Assistant Tabulation Supervisor:	Stacey Bryan
Central Count Assistants:	Lori Williams Angie Hudson

The counting station manager or his/her representative shall deliver timely cumulative reports of the election results as precincts report to the central count station. The manager shall be responsible for releasing unofficial cumulative totals and precinct returns from the election to the joint participants, candidates, press, and general public on the Parker County Elections Website (www.parkercountytexas.com/482/Election-Results). To ensure the accuracy of reported election returns, results printed on the tapes produced by Parker County's voting equipment will not be released to the participating authorities at the remote collection sites or by phone from individual polling locations.

The Elections Administrator will prepare OFFICIAL canvass reports that are necessary for the compliance with Texas Election Code Section 67.004 after all precincts have been counted and will deliver a copy of these OFFICIAL canvass reports to each participating authority as soon as possible after all returns have been tabulated. Each participating authority shall be responsible for the official canvass of its respective election(s).

The Elections Administrator will prepare the electronic precinct by precinct results for uploading to the Secretary of State as required by section 67.017 of the Texas Election Code.

The Elections Administrator shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each participating authority and the Secretary of State's Office.

IX: PARTICIPATING AUTHORITIES WITH TERRITORY OUTSIDE PARKER COUNTY

Each participating authority must contract with every county their territory falls within according to the Texas Election Code.

X: RUN-OFF ELECTIONS

Each participating authority shall have the option of extending the terms of this agreement through its run-off election, if applicable. In the event of such run-off election, the terms of the agreement shall automatically extend unless the participating authority notifies the Elections administrator in writing within 3 business days of the original election.

Each participating authority shall reserve the right to reduce the number of early voting and /or Election Day polling locations in a run-off election. If necessary, any voting changes (polling locations) made by a participating authority between the original election and the run-off election shall be submitted by the authority making the change to the United States Department of Justice for the preclearance required by the Federal Voting Rights Act of 1965, as amended.

Each participating authority agrees to order any run-off election(s) at or before its meeting for canvassing the votes from the **MAY 3, 2025** election and to conduct its drawing for ballot positions at or immediately following such meeting in order to expedite preparations for its run-off election. AGENDA ITEM: Consider Approval of Authorizing the Superintendent to enter into a Joint Election Agreement and Contract for Election Services with Tarrant County Elections Administrator for May 3, 2025 Trustee Election

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- As stated in Board Policy BBB (LEGAL), the Board of Trustees consists of seven members serving terms of three years, with elections held annually.
- The terms of one-third of the Board Members, or as near to one-third as possible, expire each year.
- Election of Board Members is by position or place in accordance with Texas law.
- For the past several years, the District has participated in a “Joint Election” with Tarrant County Elections and other political subdivisions located entirely or partially inside the boundaries of Tarrant County.
- This “Joint Election” is cost effective for all parties and is administered by the Tarrant County Elections Administrator.
- The Joint Election Agreement and Contract for Election Services between Tarrant County Elections Administrator and Political Subdivisions is not available at this time. Tarrant County Elections has informed us the Agreement and Contract will not be available until late March or early April.

FISCAL INFORMATION:

The total projected pro-rata cost of the May 3, 2025 trustee election to the District is approximately \$12,000.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees authorize the Superintendent to enter into a Joint Election Agreement and Contract for Election Services with Tarrant County Elections Administrator for the May 3, 2025 Trustee Election.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 17, 2025

AGENDA ITEM: Consider Approval of Class Size Waiver

PRESENTER: Kimberly Raymond, Deputy Superintendent

BACKGROUND INFORMATION:

- Per Texas law, Kindergarten through Grade 4 are required to have a 22:1 student/teacher ratio. In the spring of 2024, given the serious public school funding shortage in Texas, AISD shared with the community and staff information about likely upcoming changes due to the need to reduce budget. One of those anticipated impacts shared was increased class sizes. Based on this information when staffing at the elementary level, the district's goal has been, to the greatest extent possible, keep K-2 classrooms at 22 students or fewer, and staff grades 3-5 closer to 25 students per classroom.
- At the September 17, 2024 Regular Board meeting, the Board approved the following class size waivers for Annetta, Coder, Stuard, and Vandagriff based on an increase in enrollment:
 - Annetta
 - Third Grade: 1 class at 23 students
 - Fourth Grade: 1 class at 24, 3 classes at 25
 - Coder
 - Third Grade: 1 class at 23, 3 classes at 24
 - Fourth Grade: 3 classes at 23, 1 class at 24
 - Stuard
 - Second Grade: 1 class at 23, 3 classes at 24
 - Fourth Grade: 3 classes at 23, 2 classes at 24
 - Vandagriff
 - Fourth Grade: 1 class at 23
 - Walsh
 - Kindergarten: 1 class at 23
- At the November 18, 2024 Regular Board meeting, the Board approved the following class size waivers for Annetta and Vandagriff based on an increase in enrollment:

- Annetta
 - Third Grade: 1 additional class at 23
- Vandagriff
 - Fourth Grade: 1 additional class at 23
- At the January 21, 2025 Regular Board meeting, the Board approved the following class size waivers for Annetta, Vandagriff, and Walsh:
 - Annetta
 - Third Grade: 2 additional classes at 23
 - Vandagriff
 - Fourth Grade: 1 additional class at 23
 - Walsh
 - Kindergarten: 1 additional class at 24
- The District is seeking the following additional class size waiver due to increased enrollment at the Early Childhood Academy
 - Early Childhood Academy
 - Pre-Kindergarten: 1 class at 23

FISCAL INFORMATION:

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approves the class size waiver as presented.

MEETING DATE: February 17, 2025

AGENDA ITEM: Middle-of-Year (MOY) Screener Data Presentation

PRESENTER: Candace Summerhill: Director of Assessment & Accountability

BACKGROUND INFORMATION:

- Universal screeners are given to all students within the same grade level to determine reading and math proficiency levels. These results are used to determine if a student is on, above or below grade level in foundational skills. Students who are identified as significantly below grade level are further reviewed by the site-based committee for Tier 3 interventions based on multiple data sources.
- Aledo ISD measures academic progress in reading and math utilizing the following universal screeners:
 - Circle Progress Monitoring: Pre-K reading and math
 - mCLASS Texas: K-2 reading
 - IXL Diagnostic: K-2 math
 - MAP Growth: 3-8 reading and math
- Students in grades PK-2 take the universal screeners three times per year (beginning, middle, end of year) to measure students' proficiency levels in math and reading. MAP Growth is given to all students in grades 3-8 at the beginning and middle of the year and to grades 3-5 at the end of the year.
- Assessment results provide teachers and students with data to facilitate meaningful progress.
- Districtwide patterns and trends will be presented to the Board of Trustees comparing assessment results from the beginning of year to middle of year in reading and math.

MEETING DATE: February, 17 2024

AGENDA ITEM: Aledo Middle School Stadium Turf Replacement

PRESENTER: Chris Campbell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- The Aledo Middle School turf was installed in 2012. The general lifespan for field turf is 8-10 years.
- The turf is regularly GMAX tested to ensure performance, playability, and safety.
- The American Society of Testing and Measurements (ASTM) Standard F1936 sets the criteria for the testing. The approved standard measurement is less than or equal to 200.
- In 2017, the field's average measurement was 142. It increases each year the field is used and subjected to general wear and tear.
- The latest test resulted in an average measurement of 199. It is now recommended to replace this turf field.
- In 2019, AISD began the preconstruction process on a major renovation and expansion of Aledo Middle School. During this process, the replacement of the turf at the AMS stadium was value engineered out of the project scope due to cost related concerns of the AMS project. After completion of the 2019 bond projects, there remains in the account interest earnings from the investment of the bonds. If this expenditure is approved, the district will use some of those interest earnings to replace the AMS turf.
- We are working to obtain estimates for this scope of work. We expect the cost for this replacement to be approximately \$500,000.00.

FISCAL INFORMATION:

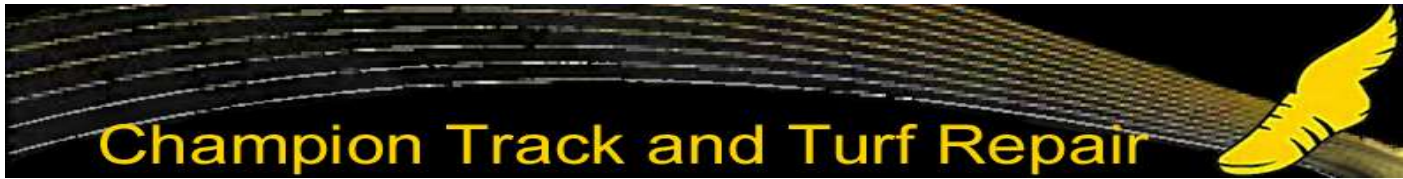

The cost for this replacement will be paid from 2019 Bond Program funds (interest earnings).

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 17, 2025

AGENDA ITEM: Purchase of Chromebooks

PRESENTER: Brooks Moore, Chief Technology Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- When Lynn McKinney Elementary School (LME) opened in August 2024, rather than purchase new Chromebooks at that time as part of the typical campus technology start up costs, the District shifted, or reallocated, Chromebooks from other campuses to LME. This action allowed the District to effectively and efficiently utilize the District's Chromebook inventory throughout the District and to gain another year of useful life.
- In preparation for the 2025-2026 school year, the District is now recommending the purchase of the Chromebooks not purchased with the opening of LME.
- In order to ensure timely delivery of these Chromebooks, this item will be presented to the Board of Trustees for consideration/action at the March 2025 regular board meeting.
- Prior to the March board meeting, district staff will continue to refine quantities needed and finalize a quote.

FISCAL INFORMATION:

The estimated cost is anticipated to be approximately \$200,000 and will be paid from 2023 Bond Program funds allocated for Lynn McKinney Elementary School.

AGENDA ITEM: Purchase of Air Conditioning Units for Technology Networking Closets (MDF/IDF)

PRESENTER: Brooks Moore, Chief Technology Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- Aledo ISD has MDF/IDF closets throughout the district that house critical network communication equipment. The temperature in these closets can rise drastically due to the heat that the equipment produces. A dedicated air conditioning unit is considered a best practice and we have identified 18 closets throughout the district that are in need of an air conditioning unit upgrade.
- High temperatures in these closets can cause degraded network performance, as well as lessen the typical lifespan of the equipment.
- This item will be presented to the Board of Trustees for consideration/action at the March 2025 regular board meeting.

FISCAL INFORMATION:

Administration is conducting a request for proposal (RFP) process for this project and are currently reviewing responses. The current estimated cost for this project is approximately \$250,000 and will be paid from 2023 bond funds related to technology.

AGENDA ITEM: Purchase of Aledo High School Auditorium Audio System Upgrade

PRESENTER: Brooks Moore, Chief Technology Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- The majority of the Aledo High School Auditorium sound system equipment has met its useful lifespan and is in need of an upgrade due to poor sound quality and performance issues. This includes speakers, amplifiers, cabling, and sound boards.
- Administration is currently working with WJHW Consulting to design a modern system that would fit the needs of the students, staff, and programs that use the space.
- In order to ensure the deployment of this new equipment ahead of the 2025-2026 school year, this item will be presented to the Board of Trustees for consideration/action at the March 2025 regular board meeting.

FISCAL INFORMATION:

Administration is conducting a request for proposal (RFP) process for this project. The current estimated cost is approximately \$275,000 and will be paid from 2023 bond funds.

AGENDA ITEM: Purchase of Uninterrupted Power Supplies

PRESENTER: Brooks Moore, Chief Technology Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- The District has had a practice of keeping critical networking equipment on Uninterrupted Power Supplies (UPS) to maintain network communications in the event of a brown-out or short power outage. The UPS also provides an additional layer of protection against power surges that could damage the expensive networking equipment.
- UPS upgrades were included in budgeted amounts in the technology section of the 2023 bond issue.
- Electrical upgrades will also be needed to accommodate the new UPS's and will be included in the presented pricing.
- Administration will be presenting this as an action item at the March 17th Regular Board Meeting.

FISCAL INFORMATION:

Administration is conducting a request for proposal (RFP) process for this project and are currently reviewing responses. The current estimated cost for this project is approximately \$250,000 and will be paid from both ERATE and 2023 bond funds related to technology.

- The committee met again in November and December to discuss additional surrounding district calendars that were made available since the last meeting and based on these findings, made additional suggestions for revisions.
- The revised draft calendar was then shared with all staff and posted on social media and the district website for parent/community feedback from December 10-20.
