ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 18, 2026

AGENDA ITEM: Consider Approval of Renewal of Request for Proposal #2505-02 for Delivered Pizza for Child Nutrition Operations

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- During each school year, the Child Nutrition Department will conduct taste tests on multiple campuses to gauge student's preferences regarding potential items that may be served in our cafeterias.
- As a result of these taste tests, in May 2025, the District issued Request for Proposal (RFP) #2505-02 for Delivered Pizza for Child Nutrition Operations. A significant component of this RFP was the requirement that included products must comply with United States Department of Agriculture and Texas Department of Agriculture nutritional requirements.
- After review, analysis, and scoring of the response received, the recommendation to accept the proposal received from Lonestar Pizza, LLC, dba Domino's, was approved by the Board of Trustees at the June 16, 2025 board meeting. As a point of interest, Domino's was the pizza of choice during a "blind" student taste test.
- The original contract period is from August 1, 2025 through May 31, 2026. The RFP also provided for the option of renewing the contract for one (1) additional year through May 31, 2027.
- During the original contract period, the local franchisee provided great product quality and timely delivery and the students loved the pizza.
- Therefore, we are recommending the renewal of the contract for the one (1) additional year through May 31, 2027.

FISCAL INFORMATION:

The cost of purchases made pursuant to this RFP are paid from available funds in Child Nutrition Fund 240. The RFP included a price per delivered pizza. The ultimate cost paid will be determined by the quantity of product actually purchased.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve the renewal of Request for Proposal #2505-02 for Delivered Pizza for Child Nutrition Operations to Lonestar Pizza, LLC, dba Domino's as presented.

INTERLOCAL AGREEMENT

STATE OF TEXAS §

COUNTY OF PARKER §

This Interlocal Agreement (“**Agreement**”) is made and entered into by and between the Town of Annetta, Texas (“**Town**”), and the Aledo Independent School District (“**Aledo ISD**”). Town and Aledo ISD may sometimes hereafter be referred to collectively as the “parties” and individually as a “party.”

RECITALS:

WHEREAS, Chapter 791 of the Texas Government Code authorizes local governments to contract with each other to provide a governmental function or service that each party to the contract is authorized to perform individually and in which the contracting parties are mutually interested; and

WHEREAS, each party has sufficient funds available from current revenues to perform the functions contemplated by this Agreement; and

WHEREAS, both parties find it mutually desirable to enter into this Agreement, and that the performance of the Agreement is in the best interest of both parties and that the undertaking will benefit the public.

NOW, THEREFORE, in consideration of the mutual benefits and promises each to the other made herein, the parties named above do hereby agree as follows:

Section 1. Operational Provisions.

The amounts of such insurance shall not be less than \$1,000,000 for property damage, personal injury or death, each occurrence, and \$1,000,000 aggregate. Town shall be named as an additional or co-insured under the above-described policies, and each such policy shall contain endorsements waiving subrogation rights against Town and providing that such policies may not be cancelled unless Town is provided with written notice of such intent to cancel at least thirty (30) days prior to any such cancellation. Each such insurance policy shall be procured from a company authorized to do business in the State of Texas and shall be satisfactory to Town. If Aledo ISD fails to provide the policies to Town, or fails to maintain coverage throughout the term of this Agreement, Town may terminate this Agreement upon written notice, and Aledo ISD must immediately return the UTV to Annetta. In addition to the foregoing, Aledo ISD will carry workers compensation insurance in accordance with law.

McCall Elementary
Carrie Young
2nd Grade/Math

Second grade students put their math skills into action during a Free Throw Frenzy and Bowling Bonanza. After competing in their team challenges, students organized their results into bar graphs and pictographs to compare scores. A designated “press team” interviewed classmates, asking questions about the data and encouraging others to analyze and explain their findings. This engaging activity combined movement, teamwork, and real-world data analysis in a fun and meaningful way.

Stuard Elementary
Michelle McGuire, Katie Harbour,
Rebekah Getz, and Denise Hudson
1st Grade RLA

First grade students used WIN time to refine their reading fluency skills. Each student was assigned a differentiated role in a fairy tale read-aloud and practiced with their teacher and peers before recording their performance. After recording the read-aloud, students were able to access the recordings through SeeSaw and listen to one another’s fluent reading.

Stuard Elementary
Zan Banks & Shannon Matuni
4th Grade RLA/SS

Battleship Style Review! Students were divided into 2 groups to benchmark passages and their corresponding answer choices. Each team took turns asking a question and the other side tried to determine the best answer. If the correct answer was selected, the team got to make an attempt to "hit" the other team's ship.

McAnally Middle
Amanda Runnels
6th Grade/RLA

To mirror the memoir they are reading, students created timelines⁸⁰ of their 6th grade journeys in Canva. First they brainstormed and evaluated which events were most influential. Then they determined visual markers that best represent each event to include on the timeline.

Annetta Elementary

Taylor Hendrix, Madison Heppel, Brittany Evans, Taylor Macias, and Abby Clark
2nd Grade Math

Second grade hosted a Market Day for 1st graders as part of their financial literacy unit. 2nd graders learned about goods and services and what it means to be both a producer and a consumer. They created business plans, made a product or service, and designed commercials to advertise to their audience. First graders earned coins through positive LEAD behavior and used their counting skills to purchase items at the market. Second graders used their earnings to shop from one another, completing the full producer-to-consumer experience.

Aledo High School

Students applied their understanding of functions to design a digital image using Desmos Graphing Calculator. Students selected and manipulated equations to create specific shapes, adjusting parameters and domain restrictions to achieve their intended design. Throughout the process, students engaged in problem-solving, testing, and refining their work, demonstrating both conceptual understanding and creativity.

DNG
Meghan Roberson
9th / Biology

Mrs. Roberson's 9th grade Biology students at Aledo DNG are bringing anatomy and physiology to life this week through fetal pig dissections! Students are investigating how animal body systems work together and seeing science beyond the textbook.

Annetta
Kim Riser
Kindergarten / Science

As students work through their study of plants, they have been carefully tending to their "front lawns" and monitoring growth. They document their findings.

McKinney Elementary

Linda Capps and Olivia Ulmer
4th Grade / RLA/SS

McKinney 4th graders researched influential Texans and created Texas Tater Town! They designed slides to inform town visitors about the impact their Texans had on our state, nation, and society. Then they created a "tater" representation of their Texan to display in Texas Tater Town.

Aledo High School

Jordan Huemoeller and William Smith
11th Grade / AP US History

AP US History students attended Saturday AP exam review sessions. Students engaged in activities to review major learning objectives by using significant US Supreme Court cases as a timeline. Students were challenged to remember the surrounding circumstances and the connection between the cases and legislation of the time period.

Culture Building in Math Class

A problem of practice for most mathematics teachers at all levels is that their students often view mathematical mistakes negatively, which can cause anxiety or fear about mathematics. This fear of making mistakes in mathematics inhibits the learning experience.

Creating Academic Safety within Academic Discussion

WHAT TO SAY INSTEAD OF "IDK"

- * May I please have some more information?
- * May I please have some time to think?
- * Would you please repeat the question?
- * Where could I find some more information about that?
- * May I please ask a friend for help?

Before anyone is called on randomly, we will:

- Have a lot of think time
- Have one or more more sentence stems
- Have the opportunity to talk with a partner or group
- Only answer open-ended questions (there are no wrong answers)

How does making content comprehensible help build mathematical language?

Making Content Comprehensible	Building Mathematical Language
Activate prior knowledge	Engage in accountable conversations
Use gestures	Model and use sentence stems
Model examples of problem-solving	Use cognates when applicable
Use graphic organizers, including diagrams	Provide multiple opportunities in all four language domains
Use visuals and visual representations	Incorporate wait time
Give step-by-step directions	Apply mathematical language to visual representations

Sociomathematical Norms

- Errors are opportunities, they promote discussion & learning
- Making sense is important, not just the answer
- Ask questions until it makes sense
- Think with language and use language to think
- Use multiple strategies and multiple representations

Eliciting Mistakes from Exit Tickets

Favorite No

- Choose your Favorite No (one that shows a common mistake, usually one where they have done part of the problem correct).
- Post student work re-written or typed. Start with what is correct.
 - Phrases such as, "We have some very interesting Nos", "My favorite No is...", "They did some things that I like/What did this person do right?", "What evidence do I have that shows that? What let's you know...?"
- Ask the group what the mistake is and how you would fix it.
 - After concentrating on the positive... "What is incorrect? What does this person not understand?" "Can someone convince me of that?"
- Prompt students to justify their thinking and corrections.

Error Analysis

- After 3 stack of exit tickets, identify 1-2 conceptual mistakes.
 - Give the same problem from the exit ticket as the warm up with the misconception(s) shown.
 - Ask students to find the error and fix it.
 - You can then pass back their exit ticket from the day before and ask them to find any errors on their own exit ticket and to address them.
- Lead a class discussion around the errors and why these were common mistakes or misconceptions.

Designed Around the TEKS

Amplify Desmos Math (K-5) is designed to align with the Texas Essential Knowledge and Skills (TEKS) for Mathematics. The Texas state curriculum framework provides a clear, consistent, and comprehensive set of standards for mathematics. Amplify Desmos Math (K-5) is designed to align with the TEKS for Mathematics and provide a rich, engaging, and differentiated learning experience for all students.

Alignment of Units Order to Amplify Desmos Math (K-5), Grade K

Key Features:

- Engaging Narrative Contexts:** Real-world stories and problems that engage students and provide a meaningful context for learning.
- Understanding Addition and Subtraction:** Focus on the relationship between addition and subtraction, and the use of number lines and base ten blocks to model operations.
- Number Lines:** Use of number lines to represent addition and subtraction, and to understand the relative size of numbers.
- Base Ten Blocks:** Use of base ten blocks to model addition and subtraction, and to understand the relationship between the units and the tens.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 18, 2026

AGENDA ITEM: Region 11 Contracts

PRESENTER: Kim Raymond, Deputy Superintendent

BACKGROUND INFORMATION:

- The Region 11 Service Center provides numerous services to our district in multiple areas including items such as Instructional Solutions and Support, Eduphoria student data system, and Ascender support services.
- Each year the service contracts are carefully reviewed and the necessary costs are included in our annual budget.
- The administrative team and appropriate departmental personnel have closely reviewed the use, value, services, and all specifics of each area of the individual contracts before making this recommendation to the Board of Trustees.
- The 2025-2026 school year had a total cost of \$310,330.43 for the Region 11 contracts. This year, the costs have increased by \$21,325.78 due to an increase in enrollment based services.

FISCAL INFORMATION:

The total contract cost of \$331,656.51 will be added to the 2026-2027 proposed budget.

MEETING DATE: May 18, 2026

AGENDA ITEM: Consider Approval of Aledo High School Kitchen HVAC Upgrades

PRESENTER: Caleb Bell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- For several years the district has experienced persistent elevated temperatures in the Aledo High School kitchen and serving line, especially during August and September, with certain areas unable to be cooled below 85 °F despite normal system operation.
- In 2024 professional assessment AISD engaged EMA Engineering & Consulting (in partnership with Complete System Balance) to perform a full HVAC study that included comprehensive airflow measurements at all diffusers, equipment inspections through the building automation system, and direct field observations.
- The existing system was not balanced to original design intent; core equipment installed in 1999 has reached the end of its useful service life; and modifications outside the original design (incorrectly sized wall-mounted canopy hood plus newly added cooking appliances) have significantly increased the overall heat and ventilation load.
- We have revisited the EMA proposals and engaged the consultant to lead the improvement phase; preliminary construction estimates are now available, and additional site assessments are pending final approval to support detailed design and implementation.
- Preliminary Equipment recommendations include 12 Foot Vent Hood, and two HVAC rooftop units that are at end of life.

FISCAL INFORMATION:

The project will be funded out of Bond Interest and will not exceed \$250,000 without additional board approval.

The data from these assessments help guide the teacher in planning targeted intervention for students.
- For the 2026-2027 school year, the district is recommending the use of MAP Growth assessments as the district reading and math screeners for students in grades 3-8 and for targeted students in grades 9-12.
- The costs associated with purchasing MAP Growth for the 2026-2027 school year is as follows:
 - MAP Growth Student Licenses (4200 students) \$51,233

MEETING DATE: May 18, 2026

AGENDA ITEM: Consider All Matters Incident and Related to the Issuance and Sale of Aledo Independent School District Unlimited Tax Refunding Bonds, Series 2026, Including the Adoption of an Order Authorizing the Issuance of Such Bonds and Establishing Procedures and Delegating Authority for the Sale and Delivery of Such Bonds

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Periodically Aledo ISD staff and the District's financial advisory firm, BOK Financial Securities, Inc. (BOK), review the District's financial and debt position to ensure the District is taking advantage of current market conditions.
- Based upon these current market conditions, the District is able to realize a financial savings by "refinancing" or "refunding" a portion of the District's outstanding bonds at a lower interest rate.
- As discussed with the Board of Trustees during the April 27 board workshop, the following memorandum, Overview of Proposed 2026 Refunding Program - Issuance of Unlimited Tax Refunding Bonds, Series 2026, was prepared by BOK and provides explanation and insight into the savings available to the District and the preliminary financing plan to achieve these savings.
- To ensure the most advantageous timing of the bond sale, the Board of Trustees is being asked to approve a Parameters Bond Order (the Order). The Order delegates the ability to approve the issuance of the bonds to the District's Superintendent and/or Chief Financial Officer if certain parameters are met as specified in the Order.
- Although the recommended parameters for this bond sale are different, the District has used this method many times in prior years with bond refinancings and sales.
- Also provided for your review is a copy of the Order prepared by the District's bond attorneys, McCall, Parkhurst, & Horton L.L.P.

 - 3) Maximum “All-In” True Interest Rate (must not exceed) – **4.00%**;
 - 4) Final maturity of the Series 2026 Refunding Bonds – **February 15, 2041** (i.e., the same final maturity as the eligible Series 2016 Bonds to be refunded at a savings); and
 - 5) The Refunding Program must be completed prior to **November 14, 2026** (i.e., 6-months).

 - ❑ Unless each parameter listed above can be achieved, the Series 2026 Refunding Bonds will not be issued until additional direction is received from the District.

The Bonds shall be in the respective denominations and principal amounts, shall be numbered, shall mature and be payable on the date or dates in each of the years and in the principal amounts or amounts due at maturity, as applicable, and shall bear interest to their respective dates of maturity or redemption, if applicable, prior to maturity at the rates per annum, as set forth in the Pricing Certificate.

Section 3. DELEGATION TO PRICING OFFICER. (a) As authorized by Section 1207.007, Texas Government Code, as amended, the Superintendent of Schools and/or the Chief Financial Officer of the District are each individually hereby authorized to act on behalf of the District in selling and delivering the Bonds (of which officers, the officer executing the Pricing Certificate shall be hereinafter referred to as, and shall for all purposes be, the "Pricing Officer"), determining which of the Eligible Refunded Obligations shall be refunded and carrying out the other procedures specified in this Order, including determining the principal amount of Bonds to be issued, how any premium on the Bonds will be utilized, determining the date or dates of the Bonds, any additional or different designation or title by which the Bonds shall be known, the price at which the Bonds will be sold, the years in which the Bonds will mature, the principal amount to mature in each of such years, the rate of interest to be borne by each such maturity, the interest payment and record dates, the price and terms, if any, upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the District, as well as any mandatory sinking fund redemption provisions, whether the Bonds shall be designated as "qualified tax-exempt obligations" as defined in section 265(b)(3) of the Code, approving modifications or additions to the Rule 15c2-12 continuing disclosure undertaking, approving modifications to the term Defeasance Securities, selecting the paying agent/registrars for the Bonds, and all other matters relating to the issuance, sale, and delivery of the Bonds and the refunding of the Refunded Obligations, including without limitation establishing the redemption dates for and effecting the redemption of the Refunded Obligations, determining any amounts to be contributed to the refunding by the District and obtaining the Permanent School Fund guarantee for the Bonds, if available, and/or procuring municipal bond insurance and approving modifications to this Order and executing such instruments, documents and agreements as may be necessary with respect

thereto, if it is determined that such insurance would be financially desirable and advantageous, all of which shall be specified in the Pricing Certificate, provided that:

- (i) the aggregate original principal amount of the Bonds shall not exceed \$37,240,000;
- (ii) no Bond shall mature after February 15, 2041;
- (iii) the true interest cost for the Bonds shall not exceed 4.00%; and
- (iv) the refunding must produce actual debt service savings of at least \$10,000,000, with such savings to be net of any District contribution to the refunding.

(b) In establishing the aggregate principal amount of the Bonds, the Pricing Officer shall establish an amount not exceeding the amount authorized in Subsection (a) above, which shall be sufficient in amount to provide for the purposes for which the Bonds are authorized and to pay costs of issuing the Bonds. The delegation made hereby shall expire if not exercised by the Pricing Officer by November 14, 2026. The Bonds shall be sold at such prices, with and subject to such terms as set forth in the Pricing Certificate.

(c) The Bonds may be sold by public offering (either through a negotiated or competitive offering) or by private placement. If the Bonds are sold by private placement, the Pricing Certificate shall so state, and the Pricing Certificate may make changes to this Order to effect such private placement of such Bonds, including the provisions hereof that pertain to the book-entry-only procedures (including eliminating the book-entry-only system of registrations, payment and transfers) and to the provisions relating to the Rule 15c2-12 undertaking (including eliminating or replacing such undertaking with an agreement to provide alternative disclosure information).

(d) It is hereby found and determined that the refunding of the Refunded Obligations is advisable and necessary in order to restructure the debt service requirements of the District, and that the debt service requirements on the Bonds will be less than those on the Refunded Obligations, resulting in a reduction in the amount of principal and interest which otherwise would be payable. The Refunded Obligations are subject to redemption, at the option of the District, and the Pricing Officer is hereby authorized to cause all of the Refunded Obligations to be called for redemption on the respective date or dates consistent with the parameters set forth above, and the proper notices of such redemption to be given, and in each case at a redemption price of par, plus accrued interest to the date fixed for redemption. In furtherance of authority granted by Section 1207.007(b), Texas Government Code, each Pricing Officer and the President of the Board are each further authorized to enter into and execute on behalf of the District with the escrow agent or deposit agent named therein, an escrow agreement or deposit agreement, as shall be approved by the Pricing Officer or the President of the Board, which escrow agreement or deposit agreement will provide for the payment in full of the Refunded Obligations (the "Escrow Agreement"). In addition, the Pricing Officer is authorized to purchase such securities with proceeds of the Bonds, to execute such subscriptions for the purchase of the United States Treasury Securities, State and Local Government Series and to transfer and deposit such cash from available funds, as may be necessary or appropriate for the escrow or deposit fund described in the Escrow Agreement.

(e) In satisfaction of Section 1201.022(a)(3)(B), Texas Government Code, the Board hereby determines that the delegation of the authority to the Pricing Officer to approve the final terms of the Bonds set forth in this Order is, and the decisions made by the Pricing Officer pursuant to such delegated authority and incorporated into the Pricing Certificate will be, the most advantageous reasonably available, and the Pricing Officer is hereby authorized to make and include a finding to that effect in the Pricing Certificate.

Section 4. CHARACTERISTICS OF THE BONDS. (a) Registration, Transfer, Conversion and Exchange. The District shall keep or cause to be kept at the designated office of the bank named in the Pricing Certificate as the paying agent/registrar for the Bonds (the "Paying Agent/Registrar"), books or records for the registration of the transfer, conversion and exchange of the Bonds (the "Registration Books"), and the District hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the District and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided within three days of presentation in due and proper form. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The District shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The District shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Bond or Bonds. Registration of assignments, transfers, conversions and exchanges of Bonds shall be made in the manner provided and with the effect stated in the FORM OF BOND set forth as **Exhibit A** of this Order. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond.

(b) Authentication. Except as provided in Section 4(e) hereof, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign said Bond, and no such Bond shall be deemed to be issued or outstanding unless such Bond is so executed. The Paying Agent/Registrar promptly shall cancel all paid Bonds and Bonds surrendered for conversion and exchange. No additional ordinances, orders or resolutions need be passed or adopted by the governing body of the District or any other body or person so as to accomplish the foregoing conversion and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Bonds in the manner prescribed herein. Pursuant to Subchapter D of Chapter 1201, the duty of conversion and exchange of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Bond, the converted and exchanged Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which initially were issued and delivered pursuant to this Order, approved by the Attorney General and registered by the

Comptroller.

(c) Payment of Bonds and Interest. The District hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, all as provided in this Order. The Paying Agent/Registrar shall keep proper records of all payments made by the District and the Paying Agent/Registrar with respect to the Bonds, and of all conversions and exchanges of Bonds, and all replacements of Bonds, as provided in this Order. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each registered owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(d) Substitute Paying Agent/Registrar. The District covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the District will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Order, and that the Paying Agent/Registrar will be one entity. The District reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 50 days written notice to the Paying Agent/Registrar, to be effective not later than 45 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the District covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Order. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the District. Upon any change in the Paying Agent/Registrar, the District promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Order, and a certified copy of this Order shall be delivered to each Paying Agent/Registrar.

(e) General Characteristics of the Bonds. The Bonds (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the Registered Owners thereof, (ii) may be redeemed prior to their scheduled maturities (notice of which shall be given to the Paying Agent/Registrar by the District at least 35 days prior to any such redemption date), (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Bonds shall be payable, and (viii) shall be

administered and the Paying Agent/Registrar and the District shall have certain duties and responsibilities with respect to the Bonds, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND set forth as **Exhibit A** of this Order. The Bonds initially issued and delivered pursuant to this Order are not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Order the Paying Agent/Registrar shall execute the Paying Agent/Registrar's Authentication Certificate, in the FORM OF BOND set forth as **Exhibit A** of this Order.

(f) Book-Entry-Only System. Unless the Bonds are sold by private placement, the Bonds issued in exchange for the Bonds initially issued to the Underwriter shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York ("DTC"), and except as provided in subsection (g) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the registered owners, as shown in the Registration Books as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the District to make payments of principal and interest pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new

nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the registered owner at the close of business on the Record Date, the words "Cede & Co." in this Order shall refer to such new nominee of DTC.

(g) Successor Securities Depository; Transfers Outside Book-Entry-Only System. If the Bonds are subject to the DTC book-entry system, and in the event that the District determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the District to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

(h) Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the District to DTC.

(i) Cancellation of Initial Bond(s). On the Delivery Date, one initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the order of the Underwriter or its designee, executed by manual or facsimile signature of the President and Secretary of the Board, approved by the Attorney General, and registered and signed by the Comptroller in the manner prescribed by law, will be delivered to the Underwriter or its designee. If the Bonds are sold subject to the book-entry system of DTC, then upon payment for the initial Bond(s), the Paying Agent/Registrar shall insert the Delivery Date on the initial Bond(s), cancel each of the initial Bond(s) and deliver to DTC on behalf of the Underwriter one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all of the Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

(j) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by this Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice

of redemption, such notice may state that said redemption may, at the option of the District, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

Section 5. FORM OF BONDS. The form of the Bond, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller to be attached only to the Bonds initially issued and delivered pursuant to this Order, shall be, respectively, substantially in the form provided in **Exhibit A**, with such appropriate variations, omissions, or insertions as are permitted or required by this Order. The Form of Bond as it appears in **Exhibit A** shall be completed, amended and modified by Bond Counsel to incorporate the information set forth in the Pricing Certificate, but it is not required for the Form of Bond to be reproduced as an exhibit to the Pricing Certificate.

Section 6. TAX LEVY. (a) A special Interest and Sinking Fund (the "Interest and Sinking Fund") is hereby created solely for the benefit of the Bonds, and the Interest and Sinking Fund shall be established and maintained by the District at an official depository bank of the District. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the District, and shall be used only for paying the interest on and principal of the Bonds. All ad valorem taxes levied and collected for and on account of the Bonds, plus accrued interest on the Bonds from the dated date thereof to the Delivery Date, if any, shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds or interest thereon are outstanding and unpaid, the governing body of the District shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of its Bonds as such principal matures; and said tax shall be based on the latest approved tax rolls of the District, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the District for each year while any of the Bonds or interest thereon are outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Bonds as such interest comes due and such principal matures are hereby pledged for such payment, without limit as to rate or amount.

(b) Chapter 1208 applies to the issuance of the Bonds and the pledge of the taxes granted by the District under this Section, and is therefore valid, effective, and perfected. Should State law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the taxes granted by the District under this Section is to be

subject to the filing requirements of Chapter 9, Business and Commerce Code, in order to preserve to the registered owners of the Bonds a security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under State law to comply with the applicable provisions of Chapter 9, Business and Commerce Code, and enable a filing of a security interest in said pledge to occur.

Section 7. FACILITIES ALLOTMENT FUNDS; STATE ASSISTANCE FUNDS. (a) In connection with the issuance of the Bonds, the District may receive financial assistance from the Texas Education Agency in accordance with the instructional facilities allotment program established pursuant to Chapter 46, Texas Education Code, as amended (the "Program"). In each fiscal year in which the District receives funding under the Program or any other State funding program which provides a debt service subsidy for the Bonds and, in either case, which requires the District to deposit such debt service subsidy into the Interest and Sinking Fund for the Bonds (such funds being collectively referred to herein as "Debt Subsidy Funds"), the District shall deposit immediately upon receipt the Debt Subsidy Funds received to the credit of the Interest and Sinking Fund for the Bonds created pursuant to Section 6 of this Order. Notwithstanding the requirements of Section 6, if Debt Subsidy Funds are actually on deposit in the Interest and Sinking Fund for the Bonds in advance of the time when ad valorem taxes are scheduled to be levied for any fiscal year, then the amount of ad valorem taxes which otherwise would have been required to be levied pursuant to Section 6 shall be reduced to the extent and by the amount of the Debt Subsidy Funds then on deposit in the Interest and Sinking Fund for the Bonds.

(b) To the extent that the District demonstrates to the Attorney General that the District's ability to comply with the requirements of Section 45.0031(a), Texas Education Code, as amended, is contingent on receiving State assistance, the District covenants, to the extent required, and for so long as required, to comply with the provisions of said Section 45.0031(a), and to not set a tax rate for a year until the District has credited to the account of the Interest and Sinking Fund for the Bonds the amounts of State assistance received or to be received in accordance with the terms of said Section 45.0031(a).

Section 8. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Order, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the District with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time

as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities, and thereafter the District will have no further responsibility with respect to amounts available to the Paying Agent/Registrar (or other financial institution permitted by applicable law) for the payment of such Defeased Bonds, including any insufficiency therein caused by the failure of the Paying Agent/Registrar (or other financial institution permitted by applicable law) to receive payment when due on the Defeasance Securities. Notwithstanding any other provision of this Order to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection 8(a)(i) or (ii) shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the District expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the District also be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the District, or deposited as directed in writing by the District. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection 8(a)(i) or (ii). All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the District or deposited as directed in writing by the District.

(c) Unless defined otherwise in the Pricing Certificate, the term "Defeasance Securities" means any securities and obligations now or hereafter authorized by State law that are eligible to refund, retire or otherwise discharge obligations such as the Bonds.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Order.

(e) In the event that the District elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 9. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the District and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the registered owner shall furnish to the District and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the District may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the District whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) Authority for Issuing Replacement Bonds. In accordance with Subchapter B of Chapter 1206, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the District or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in this Order for Bonds issued in conversion and exchange for other Bonds.

Section 10. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION, CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION OR PERMANENT SCHOOL FUND GUARANTEE PROVISION, IF OBTAINED. The President of the Board is hereby authorized to have control of the Bonds initially issued and

delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General and their registration by the Comptroller. Upon registration of the Bonds, the Comptroller (or a deputy designated in writing to act for the Comptroller) shall sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of the Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the District's Bond Counsel and the assigned CUSIP numbers may, at the option of the District, be printed on the Bonds issued and delivered under this Order, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. If bond insurance is obtained or if the Bonds are guaranteed by the Texas Permanent School Fund, the Bonds may bear an appropriate legend as provided by the insurer or the Texas Education Agency, respectively.

Section 11. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS. (a) Covenants. The District covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire

investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings)

(9) to pay to the United States of America at least once during each five-year period (beginning on the Delivery Date) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(10) to establish reasonable expectations to prevent using the proceeds of the Bonds in contravention of the requirements of section 149(g) of the Code (relating to hedge bonds).

(b) Rebate Fund. In order to facilitate compliance with the above covenant (9), a "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The District understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the Refunded Obligations expended prior to the date of issuance of the Bonds and any replacement funds administered by the Texas State Board of Education as part of the Permanent School Fund. It is the understanding of the District that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations

or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the District hereby authorizes and directs the President of the Board and each Pricing Officer to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Disposition of Project. The District covenants that the property constituting the project financed with the Refunded Obligations will not be sold or otherwise disposed in a transaction resulting in the receipt by the District of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Bonds. For purpose of the foregoing, the District may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 12. SALE OF BONDS; OFFICIAL STATEMENT. (a) The Bonds shall be sold and delivered subject to the provisions of Section 1 and Section 3 and pursuant to the terms and provisions of the Purchase Contract, which the Pricing Officer is hereby authorized to execute and deliver and in which the Underwriter of the Bonds shall be designated. The Bonds shall initially be registered in the name of the Underwriter or its designee, as set forth in the Pricing Certificate.

(b) The Pricing Officer is hereby authorized, in the name and on behalf of the District, to approve the distribution and delivery of a preliminary official statement and a final official statement relating to the Bonds to be used by the Underwriter in the marketing of the Bonds.

Section 13. FURTHER PROCEDURES; ENGAGEMENT OF BOND COUNSEL; ATTORNEY GENERAL FILING FEE; APPROPRIATION. (a) The Authorized Officials shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the District a Blanket Issuer Letter of Representations with DTC regarding the Book-Entry-Only System, a Paying Agent/Registrar Agreement with the Paying Agent/Registrar, the Purchase Contract between the District and the Underwriter, if any, all forms and documents necessary to ensure the interest on the Bonds is exempt from federal income taxation, and all other instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Order and the Bonds. In addition, prior to the Delivery Date, the Authorized Officials are each hereby authorized and directed to approve any changes or corrections to this Order or to any of the documents authorized and approved by this Order: (i) in order to cure any ambiguity, formal defect

or omission in this Order or such other document, or (ii) as requested by the Attorney General or his representative to obtain the approval of the Bonds by the Attorney General. Notwithstanding anything to the contrary contained herein, while the Bonds are subject to DTC's Book-Entry-Only System and to the extent permitted by law, the Blanket Issuer Letter of Representation is hereby incorporated herein and its provisions shall prevail over any other provisions of this Order in the event of conflict. The President and Secretary of the Board shall sign each Bond, including the initial Bond(s), with their manual or facsimile signatures, and the official seal of the District shall be duly impressed, or placed in facsimile, on each Bond. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

(b) The obligation of the Underwriter to accept delivery of the Bonds is subject to the Underwriter being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the District, which opinion shall be dated as of and delivered on the Delivery Date. The engagement of such firm as bond counsel to the District in connection with issuance, sale and delivery of the Bonds is hereby approved and confirmed.

(c) To pay the debt service coming due on the Bonds, if any (as determined by the Pricing Certificate) prior to receipt of the taxes levied to pay such debt service, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

(d) In accordance with the provisions of Section 1202.004, Texas Government Code, in connection with the submission of the Bonds by the Attorney General for review and approval, a statutory fee (an amount equal to 0.1% principal amount of the Bonds, subject to a minimum of \$750 and a maximum of \$9,500) is required to be paid to the Attorney General upon the submission of the transcript of proceedings for the Bonds. The District hereby authorizes and directs that a check in the amount of the Attorney General filing fee for the Bonds, made payable to the "Texas Attorney General," be promptly furnished to the District's Bond Counsel, for payment to the Attorney General in connection with his review of the Bonds.

Section 14. PERMANENT SCHOOL FUND GUARANTEE PROGRAM. If the Bonds qualify for guarantee by the Permanent School Fund of Texas, the District covenants as follows:

(a) To timely comply with all applicable requirements and procedures under Article VII, Section 5 of the Texas Constitution, Subchapter C of Chapter 45, Texas Education Code and the Rules of the State Board of Education relating to the guarantee of the principal and interest on the Bonds by the Texas Permanent School Fund.

(b) Upon defeasance of such Bonds prior to maturity in accordance with applicable law, the guarantee of the principal and interest on such Bonds by the Texas Permanent School Fund shall cease and no longer be available.

(c) In case of a default in the payment of principal or interest on the Bonds, and in accordance with Section 45.061, Texas Education Code, the Comptroller shall be authorized to withhold from the District amounts equal to the amounts paid by the Permanent School Fund on

account of such default, plus interest thereon, from the first state money payable to the District from the following sources and in the following order, to wit: foundation school fund, available school fund.

Section 15. COMPLIANCE WITH RULE 15c2-12. (a) If the Bonds are sold by public offering, and are subject to the Rule (as defined below), the following provisions shall apply, unless modified by the Pricing Officer in the Pricing Certificate:

(i) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

"Financial Obligation" means a: (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) a guarantee of the foregoing (a) and (b). The term Financial Obligation does not include any municipal securities as to which a final official statement has been provided to the Municipal Securities Rulemaking Board consistent with the Rule.

"MSRB" means the Municipal Securities Rulemaking Board or any successor to its functions under the Rule.

"Rule" means SEC Rule 15c2 12, as amended from time to time.

"SEC" means the United States Securities and Exchange Commission.

(ii) Annual Reports. (A) The District shall provide annually to the MSRB, within the timeframe set forth in the Pricing Certificate, in the electronic format prescribed by the MSRB, certain updated financial information and operating data pertaining to the District, being the information described in the Pricing Certificate.

(B) Any financial information described in the Pricing Certificate to be provided shall be (i) prepared in accordance with the accounting principles described in the financial statements of the District appended to the Official Statement, or such other accounting principles as the District may be required to employ from time to time pursuant to state law or regulation, and (ii) audited, if the District commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not completed within the period set forth in the Pricing Certificate, then the District shall provide unaudited financial information of the type described in the Pricing Certificate within such period, and audited financial statements for the applicable fiscal year to the MSRB, when and if the audit report on such statements becomes available.

(C) If the District changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this Section.

(D) All financial information, operating data, financial statements and notices required by this Section to be provided to the MSRB shall be provided in an electronic format and be accompanied by identifying information prescribed by the MSRB. Financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official

statement or other offering document) available to the public on the MSRB's Internet Web site or filed with the SEC.

(iii) Event Notices. The District shall notify the MSRB, in a timely manner not in excess of ten business days after the occurrence of the event, of any of the following events with respect to the Bonds:

- (1) Principal and interest payment delinquencies;
- (2) Non-payment related defaults, if material;
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the District in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers of the District in possession but subject to the supervision and orders of a court or governmental

authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District, and (b) the District intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The District shall notify the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with subsection (a)(ii) of this Section by the time required by subsection (a)(ii).

(iv) Limitations, Disclaimers and Amendments. (A) The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice of any deposit made in accordance with this Order or applicable law that causes the Bonds no longer to be outstanding.

(B) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(C) UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(D) No default by the District in observing or performing its obligations under this Section shall comprise a breach of or default under the Order for purposes of any other provision of this Order. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

(E) The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any

amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The District may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

(b) If the Bonds are sold by private placement, the Pricing Officer may agree to provide for an undertaking in accordance with the Rule or may agree to provide other public information to the Underwriter as may be necessary for the sale of the Bonds on the most favorable terms to the District.

Section 16. METHOD OF AMENDMENT. The District hereby reserves the right to amend this Order subject to the following terms and conditions, to-wit:

(a) The District may from time to time, without the consent of any Registered Owner, except as otherwise required by paragraph (b) below, amend or supplement this Order to (i) cure any ambiguity, defect or omission in this Order that does not materially adversely affect the interests of the Registered Owners, (ii) grant additional rights or security for the benefit of the Registered Owners, (iii) add events of default as shall not be inconsistent with the provisions of this Order and that shall not materially adversely affect the interests of the Registered Owners, (iv) qualify this Order under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (v) make such other provisions in regard to matters or questions arising under this Order as shall not be materially inconsistent with the provisions of this Order and that shall not, in the opinion of nationally-recognized bond counsel, materially adversely affect the interests of the Registered Owners.

(b) Except as provided in paragraph (a) above, the Registered Owners of a majority of the aggregate principal amount of then outstanding Bonds that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the District; provided, however, that without the consent of 100% of the Registered Owners in aggregate principal amount of the then outstanding Bonds, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Order or in any of the Bonds so as to:

- (1) make any change in the maturity of any of the outstanding Bonds;
- (2) reduce the rate of interest borne by any of the outstanding Bonds;

- (3) reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Bonds;
- (4) modify the terms of payment of principal or of interest or redemption premium on outstanding Bonds or any of them or impose any condition with respect to such payment; or
- (5) change the minimum percentage of the principal amount of the Bonds necessary for consent to such amendment.

(c) If at any time the District shall desire to amend this Order under this Section, the District shall send by U.S. mail to each registered owner of the affected Bonds a copy of the proposed amendment.

(d) Whenever at any time within one year from the date of mailing of such notice the District shall receive an instrument or instruments executed by the Registered Owners of at least a majority in aggregate principal amount of all of the Bonds then outstanding that are required for the amendment (or 100% if such amendment is made in accordance with paragraph (b)), which instrument or instruments shall refer to the proposed amendment and which shall specifically consent to and approve such amendment, the District may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Order pursuant to the provisions of this Section, this Order shall be deemed to be modified and amended in accordance with such amendatory Order, and the respective rights, duties, and obligations of the District and all Registered Owners of such affected Bonds shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the Registered Owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of such consent and shall be conclusive and binding upon all future Registered Owners of the same Bond during such period. Such consent may be revoked at any time after six months from the date of said consent by the Registered Owner who gave such consent, or by a successor in title, by filing notice with the District, but such revocation shall not be effective if the Registered Owners the required amount of the affected Bonds then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

(g) For the purposes of establishing ownership of the Bonds, the District shall rely solely upon the registration of the ownership of such Bonds on the Registration Books kept by the Paying Agent/Registrar.

Section 17. REDEMPTION OF REFUNDED OBLIGATIONS. (a) Subject to execution and delivery of the Purchase Contract with the Underwriter, the District hereby directs that the Refunded Obligations be called for redemption on the dates and at the prices set forth in the Pricing Certificate. The Pricing Officer is hereby authorized and directed to issue or cause to be issued the Notice of Redemption of the Refunded Obligations in substantially the form set forth in **Exhibit B** attached hereto to the paying agent for the Refunded Obligations. The Notice of Redemption of the Refunded Obligations as it appears in **Exhibit B** shall be completed, amended and modified by Bond Counsel to incorporate the information set forth in the Pricing Certificate,

but it is not required for the Notice of Redemption of the Refunded Obligations to be reproduced as an exhibit to the Pricing Certificate.

(b) The paying agent/registrars for the Refunded Obligations is hereby directed to provide the appropriate notice of redemption as required by the Refunded Obligations and is hereby directed to make appropriate arrangements so that the Refunded Obligations may be redeemed on the redemption date.

(c) If the redemption of the Refunded Obligations results in the partial refunding of any maturity of the Refunded Obligations, the Pricing Officer shall direct the paying agent/registrars for the Refunded Obligations to designate at random and by lot which of the Refunded Obligations will be payable from and secured solely from ad valorem taxes of the District pursuant to the order of the District authorizing the issuance of such Refunded Obligations (the "Refunded Obligation Order"). For purposes of such determination and designation, all Refunded Obligations registered in denominations greater than \$5,000 shall be considered to be registered in separate \$5,000 denominations. The paying agent/registrars shall notify by first-class mail all registered owners of all affected bonds of such maturities that: (i) a portion of such bonds have been refunded and are secured until final maturity solely with cash and/or investments maintained by the Escrow Agent in the Escrow Fund, (ii) the principal amount of all affected bonds of such maturities registered in the name of such registered owner that have been refunded and are payable solely from cash and/or investments in the Escrow Fund and the remaining principal amount of all affected bonds of such maturities registered in the name of such registered owner, if any, have not been refunded and are payable and secured solely from ad valorem taxes of the District as described in the Refunded Obligation Order, (iii) the registered owner is required to submit his or her Refunded Obligations to the paying agent/registrars, for the purposes of re-registering such registered owner's bonds and assigning new CUSIP numbers in order to distinguish the source of payment for the principal and interest on such bonds, and (iv) payment of principal of and interest on such bonds may, in some circumstances, be delayed until such bonds have been re-registered and new CUSIP numbers have been assigned as required by (iii) above.

(d) The source of funds for payment of the principal of and interest on the Refunded Obligations on their respective maturity or redemption dates shall be from the funds deposited with the Escrow Agent, pursuant to the Escrow Agreement, or pursuant to such other arrangement determined by the Pricing Officer in the Pricing Certificate.

Section 18. GOVERNING LAW. This Order shall be construed and enforced in accordance with the laws of the State and the United States of America.

Section 19. SEVERABILITY. If any provision of this Order or the application thereof to any circumstance shall be held to be invalid, the remainder of this Order and the application thereof to other circumstances shall nevertheless be valid, and this governing body hereby declares that this Order would have been enacted without such invalid provision.

Section 20. EVENTS OF DEFAULT. Each of the following occurrences or events for the purpose of this Order is hereby declared to be an event of default (an "Event of Default"):

(i) the failure to make payment of the principal of or interest on any of the Bonds when the

same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the District, the failure to perform which materially, adversely affects the rights of the Registered Owners, including, but not limited to, their prospect or ability to be repaid in accordance with this Order, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the District.

Section 21. REMEDIES FOR DEFAULT. (a) Upon the happening of any Event of Default, then and in every case, any Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the District for the purpose of protecting and enforcing the rights of the Owners under this Order, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 22. REMEDIES NOT EXCLUSIVE. (a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Order, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Order.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(c) By accepting the delivery of a Bond authorized under this Order, such Owner agrees that the certifications required to effectuate any covenants or representations contained in this Order do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or trustees of the District or the Board.

REGISTERED OWNER:

PRINCIPAL AMOUNT:

ON THE MATURITY DATE specified above, ALEDO INDEPENDENT SCHOOL DISTRICT, in Parker and Tarrant Counties, Texas (the "District"), being a political subdivision of the State of Texas, hereby promises to pay to the Registered Owner set forth above, or registered assigns (hereinafter called the "registered owner") the principal amount set forth above, and to pay interest thereon from the [Delivery Date], on [February 15, 2027, and semiannually thereafter on each August 15 and February 15] to the maturity date specified above, or the date of redemption prior to maturity, at the interest rate per annum specified above; except that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged or converted from is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full.

THE PRINCIPAL OF AND INTEREST ON this Bond are payable in lawful money of the

United States of America, without exchange or collection charges. The principal of this Bond shall be paid to the registered owner hereof upon presentation and surrender of this Bond at maturity, or upon the date fixed for its redemption prior to maturity, at the designated corporate trust office of [_____, _____], Texas, which is the "Paying Agent/Registrar" for this Bond. The payment of interest on this Bond shall be made by the Paying Agent/Registrar to the registered owner hereof on each interest payment date by check or draft, dated as of such interest payment date, drawn by the Paying Agent/Registrar on, and payable solely from, funds of the District required by the order authorizing the issuance of the Bonds (the "Bond Order") to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such interest payment date, to the registered owner hereof, at its address as it appeared on the [last business] day of the month next preceding each such date (the "Record Date") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described. In addition, interest may be paid by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each owner of a Bond appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

ANY ACCRUED INTEREST due on this Bond shall be paid to the registered owner upon presentation and surrender of this Bond for payment at the principal corporate trust office of the Paying Agent/Registrar. The District covenants with the registered owner of this Bond that on or before each principal payment date and interest payment date for this Bond it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Bond Order, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due.

IF THE DATE for any payment due on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the principal corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is dated as of _____, 2026, authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$_____ for the purpose of providing funds to (i) refund a portion of the District's outstanding unlimited tax bonds and (ii) pay the costs incurred in connection with the issuance of the Bonds.

ON [_____, 20__], OR ON ANY DATE THEREAFTER, the Bonds may be redeemed prior to their scheduled maturity, at the option of the District, with funds derived from any available

and lawful source, as a whole, or in part, and, if in part, the particular Bonds, or portions thereof, to be redeemed shall be selected and designated by the District (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000), at a redemption price equal to the principal amount of the Bonds to be redeemed, plus accrued interest to the date fixed for redemption.

IN ADDITION TO THE FOREGOING OPTIONAL REDEMPTION, THE BONDS scheduled to mature on [February 15] in each of the years 20__ and 20__ (the "Term Bonds") are subject to scheduled mandatory redemption by the Paying Agent/Registrar by lot, or by any other customary method that results in a random selection, at a price equal to the principal amount thereof, plus accrued interest to the redemption date, out of moneys available for such purpose in the interest and sinking fund for the Bonds, on the dates and in the respective principal amounts, set forth in the following schedule:

Term Bond Maturity: [February 15], 20__		Term Bond Maturity: [February 15], 20__

[February 15], 20__*		[February 15], 20__*	

* Stated maturity.

The principal amount of Term Bonds required to be redeemed on any mandatory redemption date pursuant to the operation of the mandatory sinking fund redemption provisions shall be reduced, at the option of the District, by the principal amount of any Term Bonds which, at least 45 days prior to a mandatory redemption date (1) shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase, or (3) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory redemption requirement.

WITH RESPECT TO ANY OPTIONAL REDEMPTION OF THE BONDS, unless certain prerequisites to such redemption required by the Bond Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption may, at the option of the District, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in

which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

AT LEAST 30 days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, to the registered owner of each Bond to be redeemed at its address as it appeared at the close of business on the day of mailing such notice; provided, however, that the failure of the registered owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond. By the date fixed for any such redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof which are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the registered owner, and in aggregate amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Bond Order.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Bond Order, this Bond may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate registered owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the District. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to

make any such transfer or exchange of Bonds during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date or, with respect to any Bond or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of the District, issued on the full faith and credit thereof; and that ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due, and as such principal matures, have been levied and ordered to be levied against all taxable property in the District, and have been pledged for such payment, without legal limit as to rate or amount.

THE DISTRICT ALSO HAS RESERVED THE RIGHT to amend the Bond Order as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the registered owners of a majority in aggregate principal amount of the outstanding Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Order, agrees to be bound by such terms and provisions, acknowledges that the Bond Order is duly recorded and available for inspection in the official minutes and records of the governing body of the District, and agrees that the terms and provisions of this Bond and the Bond Order constitute a contract between each registered owner hereof and the District.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual or facsimile signature of the President of the Board of Trustees of the District and countersigned with the manual or facsimile signature of the Secretary of the Board of Trustees of the District, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 18, 2026

AGENDA ITEM: Consider Approval of Request for Qualifications #2604-05 External Financial Auditing Services and Audit Firm Engagement Letter for 2025-2026 Fiscal Year Audit

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Pursuant to Education Code 44.008(a),(b), the District's fiscal accounts are required to be audited annually at District expense by a certified or public accountant holding a permit from the Texas State Board of Public Accountancy.
- The annual financial audit must be completed following the close of each fiscal year and must meet at least the minimum requirements and be in the format prescribed by the State Board of Education, subject to review and comment by the State Auditor.
- The auditing firm of Pattillo, Brown & Hill, LLP has completed the District's annual financial audit for the prior five (5) fiscal years.
- Due to the expiration of the prior five-year agreement, the District issued a Request for Qualifications (RFQ) for External Financial Auditing Services on February 20, 2026. Four (4) responses to the RFQ were received by the time/due date of 3:00 PM on March 13, 2026.
- Based on evaluation criteria included in the RFQ, the Evaluation Committee reviewed and scored/ranked each response received. Based on these rankings, the top two (2) ranked firms were selected for the final step in the RFQ process.
- The final step in the RFQ process provided for each of the top two (2) ranked firms to submit a proposed fee for conducting the District's annual financial audit for the 2025-2026 fiscal year and each of the following four (4) fiscal years. The RFQ provides for the option for renewal in one-year extensions for up to four (4) additional years.
- Based on the information learned from the steps outlined above, the Administration recommends engaging the firm of Pattillo, Brown & Hill, LLP to conduct the District's 2025-2026 fiscal year financial audit.

FISCAL INFORMATION:

The not to exceed fee of \$38,944 will be included in the 2026-2027 General Fund budget.

Aledo Independent School District
Attention: Earl Husfeld, Chief Financial Officer
1008 Bailey Ranch Road
Aledo, TX 76008

Board of Trustees and Management:

You have requested that we audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Aledo Independent School District (the "District"), as of August 31, 2026, and for the year then ended, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In addition, we will audit the entity's compliance over major federal award programs for the period ended August 31, 2026. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audits will be conducted with the objectives of our expressing an opinion on each opinion unit and an opinion on compliance regarding the entity's major federal award programs. The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The objectives of our compliance audit are to obtain sufficient appropriate audit evidence to form an opinion and report at the level specified in the governmental audit requirement about whether the entity complied in all material respects with the applicable compliance requirements and identify audit and reporting requirements specified in the governmental audit requirement that are supplementary to GAAS and *Government Auditing Standards*, if any, and perform procedures to address those requirements.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, and pension and other postemployment benefit related information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussion and Analysis.
- Budgetary Schedules.
- Schedule of District's Proportionate Share of Net Pension Liability and Net Other Postemployment Benefits (OPEB) Liability, and Related Ratios.
- Schedule of District Pension and OPEB Contributions.

Supplementary information other than RSI will accompany the District's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

- Combining Statements.
- Required Texas Education Agency Schedules.

Schedule of Expenditures of Federal Awards

We will subject the schedule of expenditures of federal awards to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on whether the schedule of expenditures of federal awards is presented fairly in all material respects in relation to the financial statements as a whole.

Data Collection Form

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, schedule of expenditure of federal awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the federal audit clearinghouse. The financial

reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the federal audit clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

The Data Collection Form is required to be submitted within the earlier of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide*.

As part of an audit of financial statements in accordance with GAAS, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide* we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

Although we are currently in the planning stage of our audit, we have identified the following significant risks during our audit to date that require special audit consideration:

- Management override of controls is considered an inherent risk according to GAAS.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS, *Government Auditing Standards* of the Comptroller General of the United States of America, and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide*. Please note that the determination of abuse is subjective, and *Government Auditing Standards* does not require auditors to detect abuse.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We will issue a written report upon completion of our audit of the District's basic financial statements. Our report will be addressed to Board of Trustees of the District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

Audit of Major Program Compliance

Our audit of the District's major federal award program(s) compliance will be conducted in accordance with the requirements of the Single Audit Act, as amended; and the Uniform Guidance, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance and other procedures we consider necessary to enable us to express such an opinion on major federal award program compliance and to render the required reports. We cannot provide assurance that an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether material noncompliance with applicable laws and regulations, the provisions of contracts and grant agreements applicable to major federal award programs, and the applicable compliance requirements occurred, whether due to fraud or error, and express an opinion on the entity's compliance based on the audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal programs as a whole.

As part of a compliance audit in accordance with GAAS, *Government Auditing Standards* of the Comptroller General of the United States of America, and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide*, we exercise professional judgment and maintain professional skepticism throughout the audit. We also identify

and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Our procedures will consist of determining major federal programs and, performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs, and performing such other procedures as we consider necessary in the circumstances. The purpose of those procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Also, as required by the Uniform Guidance, we will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design and perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the entity's major federal award programs. Our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report. However, we will communicate to you regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we have identified during the audit.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the entity's major federal award programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

Management's Responsibilities

Our audit will be conducted on the basis that management and those charged with governance acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.

7. 8. For disclosing accurately, currently, and completely the financial results of each federal award in accordance with the requirements of the award.

10. For taking prompt action when instances of noncompliance are identified.

 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.
 - d. A written acknowledgement of all the documents that management expects to issue that will be included in the annual report and the planned timing and method of issuance of that annual report, if one is issued. This document would include more than an annual comprehensive financial report (ACFR) or annual financial report (AFR).
 - e. If applicable, a final version of the annual report, (including all the documents that, together, comprise the annual report) in a timely manner prior to the date of the auditor's report.
16. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole.
17. For acceptance of non-attest services, including identifying the proper party to oversee non-attest work.
18. For maintaining adequate records, selecting and applying accounting principles, and safeguarding assets.

19. For informing us of any known or suspected fraud affecting the entity involving management, employees with significant role in internal control and others where fraud could have a material effect on compliance.
20. For the accuracy and completeness of all information provided.
21. For taking reasonable measures to safeguard protected personally identifiable and other sensitive information.
22. For confirming your understanding of your responsibilities as defined in this letter to us in your management representation letter.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited basic financial statements, or if the supplementary information will not be presented with the audited basic financial statements, to make the audited basic financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

If you intend to publish or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

Non-attest Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the District in conformity with U.S. generally accepted accounting principles and the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) based on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with

Government Auditing Standards. These services are limited to preparing the financial statements, schedule of expenditures of federal awards, and related notes of the District as previously outlined.

We will not assume management responsibilities on behalf of the District. However, we will provide advice and recommendations to assist management of the District in performing its responsibilities.

The District’s management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) designing, implementing, and maintaining the system of internal control, including the process used to monitor the system of internal control.

Our responsibilities and limitations of the engagement is limited to our preparation of the financial statements and related note disclosures and the schedule of expenditures of federal awards previously outlined. Our firm in its sole professional judgment, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities, including determining account coding and approving journal entries. Our firm will advise with regard to financial reporting, but the District must make all decisions with regard to those matters.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

Engagement Administration, Fees and Timing

We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If for whatever reason your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate.

The timing of our audit will be scheduled for performance and completion as follows:

Document internal control and preliminary tests	August 2026
Mail confirmations	September 2026
Perform year-end audit procedures	December 2026
Issue audit reports	January 2027

Kent Willis is the engagement partner for the audit services specified in this letter. His responsibilities include supervising Pattillo, Brown & Hill, LLP’s services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fees for these services will be at our standard hourly rates plus out-of-pocket cost (such as reports reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed \$38,944. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we

elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional cost.

During the course of the engagement, we may communicate with you or your personnel via fax or email, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications. In addition to fax and email, our firm also exchanges data over the internet using other methods (such as portals) or store electronic data via software applications hosted remotely through a third-party vendor's secured portal and/or cloud.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

You authorize us to disclose any and all information you furnish to us in connection with the services provided under this engagement, including audit procedures, to third-party service providers who assist us in fulfilling our professional responsibilities. Please feel free to inquire if you would like additional information regarding the transmission of confidential information to entities outside the firm.

The audit documentation for this engagement is the property of Pattillo, Brown & Hill, LLP and constitutes confidential information. However, we may be requested to make certain audit documentation available to the Texas Education Agency, federal agencies and the U.S. Government Accountability Office pursuant to authority given to it by law or regulation, or to peer reviewers. Furthermore, upon request, we may provide copies of selected audit documentation to these agencies and regulators. The regulators and agencies may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

At the conclusion of our audit engagement, we will communicate to management and Board of Trustees the following significant findings from the audit:

- Our view about the qualitative aspects of the entity's significant accounting practices.
- Significant difficulties, if any, encountered during the audit.
