*The top priority of Bowie ISD and the State of Texas is keeping students and staff safe every day. The Texas School Safety Center recently conducted an Intruder Detection Audit at one or more of our campuses. The audits test whether a campus is accessible to an unauthorized individual. This audit, conducted as part of Governor Abbott's school safety directives for all school systems following the tragedy in Uvalde, seeks to help districts identify how campuses can improve safety for students, such as ensuring exterior doors are locked. The auditor provided us with a report of no findings at this point.*
