How We Show Up for Each Other and Ourselves in This Conversation

This conversation is different. It's not just about ideas; it's about real decisions that affect real schools and communities. So how we show up matters just as much as what we say.

- STAY GROUNDED IN PURPOSE
- SPEAK FROM YOUR EXPERIENCE, NOT FOR EVERYONE
- HONOR THE WEIGHT OF THIS CONVERSATION
- MAKE SPACE FOR EMOTIONS, STAY GROUNDED IN ENGAGEMENT
- LISTEN TO UNDERSTAND, NOT TO RESPOND
- MAKE ROOM FOR MULTIPLE REALITIES
- NAME IMPACT WITH RESPECT AND CARE
- BALANCE PARTICIPATION
- RESPECT THE SPACE RESPECT ONE ANOTHER
- CONTRIBUTE TO SHARED UNDERSTANDING

TOGETHER, WE RISE

WITH EXCELLENCE. WITH PURPOSE.

Rightsize. **Right** Support. **Right** for Students.

Department Overviews

Learning Lab

Phase I: Learning + Listening

Learning Lab Rotation 1:
Academics + Activities

Dr. Emily Glasgow
