Dr. Flanary said Mr. Brian Sangid and Mr. Joe Wilson of the Brokers Realty are standing by for a phone call if needed by the board to answer questions related to the sale of the old Boones Creek Middle property. Mr. Sangid and Mr. Wilson joined the meeting via conference call.

Mr. Wilson said they had done work to come up with reasonable askings. Mr. Wilson shared the different groups who had looked at the property. He said all the feedback is that too much of undertaking to purchase and the work that would be required to the building. Mr. Wilson and Mr. Sangid said \$1.2 million is the recommended asking price.

Mr. Ganger asked if it benefit for the WCDE to demolish the building.

Mr. Wilson estimated \$200,000-300,000 to dispose of the building.

Mr. Wilson said another avenue would be to put property up to auction.

Mr. Ganger said this was an administrative position and should not be in Board policy. Mr. Hammond said the policy presented came from the Board's Attorney, Scott Bennett. Mr. Hammond continued many systems are starting to implementing human resources director job description into policy as well as director of finance. He continued it was encouraged because of lawsuits - would declare the person has certifications and met job requirements.

Mr. McLain said it was setting a new standard for the position and gives guideline for hiring new human resources director. Mr. McLain commended Dr. Kiernan and the job she has done. He said it will be tough to fill the position.

Jason Day move to approve on first reading and for the current human resources director to be grandfathered in. Mary Beth Dellinger seconded the motion which carried on roll call vote: Keith Ervin: no, Todd Ganger: no, Mitch Meredith: no, Annette Buchanan: yes, Jason Day: yes, Mary Beth Dellinger: yes, Chad Fleenor: yes, David Hammond: yes, Phillip McLain: yes

Following a brief recess, Mr. Ervin called meeting back to order.

Mr. Ervin turned the meeting over to Finance Director, Brad Hale.

Mr. Hale said the County Commission Budget Committee rejected the FY21 budget proposal and told he and Dr. Flanary no new funds would be allocated to the school system.

Mr. Hale said the Board would need to find \$450,000 if the Board decided to leave the budget as is.

Mr. Hale presented the scenarios with different raise options.

Mr. Hale then presented a budget option Chairman Ervin had discussed with Dr. Flanary and himself. The option eliminated the behavioral therapist, social/emotional psychiatrist, PowerSchool Unified Classroom program, and reduce the CTE money to \$200,000 from the optional budget items requested by the Director. The proposed option offered a 1/2% raise for all school system employees. Mr. Hale noted the option would pull approximately \$3.2 million from the fund balance.

Mr. Ganger said he would like to still do the 1% raise and for the Board to dwindle down the requested items.

Mr. Day made motion #1.

Dr. Flanary said it would possible to delay spending any of the CTE money received until it is known how the sales tax will come in the next few months.

Jason Day move to accept revised FY21 budget proposal with addition of 200,000 for CTE (total \$250,000) and 1% raise for all school system employees. Chad Fleenor seconded the motion which carried on roll call vote:

Mary Beth Dellinger: no, Todd Ganger: no, David Hammond: no, Annette Buchanan: yes, Jason Day: yes, Keith Ervin: yes, Chad Fleenor: yes, Phillip McLain: yes, Mitch Meredith: yes

Director Flanary presented a facilities update from Maintenance Director, Phillip Patrick. (see attached)

Dr. Flanary said the Board had previously discussed they could receive a discount on insurance premium if the system became a Drug Free Workplace. Dr. Flanary explained the Drug Free Workplace program is coordinated by Tennessee Bureau of Workers Compensation.

Participation in the program requires application and review process. Attorney Scott Bennett had two observations. He said the Board's current policy, 5.403, is satisfactory for the system's purposes. He also said becoming a Drug Free Workplace would require random drug testing for employees, which could become an issue. The Board requested Insurance Broker, Mark Sizemore to attend the next Board meeting for further explanation and to answer questions.

Dr. Flanary referred to energy proposals status. Mr. Patrick said the companies had halted to COVID-19. He said their travel bans have been lifted and tours are scheduled for the end of May.

Director Flanary reported the amount of \$448,408 had been received in grants for the current FY, from the work of Grant writer, Twana McKinney. He said another \$30,000 is planned for the remaining FY. Mr. Ganger asked the Director to please pass on this information to the County Commission so they will know how well this (grant writer position) has went. It was a new position created and has saved the system some money by receiving the amount of grants. Mr. Fleenor echoed Mr. Ganger's comments and thanked Twana McKinney for her hard work.

Director Flanary shared statement from parent Kathleen Petretta on scheduling upcoming graduation events in relation to COVID-19 pandemic. Assistant Director Dr. Ashley Keys, David Crockett High Principal, Peggy Wright, and Daniel Boone High Principal, Tim Campbell joined the meeting electronically.

Dr. Keys shared the preliminary plans the Administrators along with a school leadership team from each high school had put together, all following state guidance for safety. (see attached)

The floor was opened for discussion.

Ms. Buchanan asked if the graduation proposed was similar to that of Dobyns-Bennett?

Director Flanary said yes. He said he had been in conversations with area Directors and no system was planning for a traditional graduation. He continued no two school systems are doing the same plan and many are waiting into the summer for ceremonies.

Mr. Fleenor asked about a stipend for Bob St. John, who is instrumental with the graduation programs.

Director Flanary said it would be appropriate to establish a stipend for Mr. St. John.

Ms. Dellinger asked the principals if they are wanting a more traditional or not comfortable with such ceremony.

Ms. Wright said she had mostly been contacted by students wanting to know what is going to be planned. She said she would looking at what Dr. Keys and Dr. Flanary are looking at - restrictions in regards of number of attendees that are permitted in order to stay within safety guidelines. I know students and families would like to have more people to attend - could require holding the event outdoors.

Ms. Buchanan asked Dr. Flanary the recommendations from the Health Department.

Dr. Flanary said he has been in contact with Dr. David Kureski, the medical doctor of the Regional Health Department. He said he asked Dr. if a public event was scheduled for July, what would need to happen between now and then. He answered if scheduled for July - virtual is the safest option. In regards to a drive-thru graduation and handing a diploma into a car, would

require that person to be in ppe. He said ppe would not be required of the Board or others as long as social distancing was practice. He continued it is unclear if large gatherings would be recommended even by July. Would need to see what happens when social distancing is relaxed. Director Flanary said a surge of COVID is expected in six weeks from now.

Board members expressed wanting to have a close of a traditional ceremony as possible.

Mr. Campbell said of course everyone would want to have a traditional ceremony, but Dr. Keys, Ms. Wright, and myself put together a list of things that would have to happen and there are many obstacles. For example - if we scheduled for the football stadium, a maximum number for families to attend would be there - what if the immediate family consists of more. We are in it for our kids, that's why we are in this business, we love our kids. It will ultimately be the Board's and Dr. Flanary's decision. We will make whatever you decide work.

Dr. Keys added in David Crockett High's case in using the football stadium would only allow for two guests per graduate.

Mr. Fleenor showed appreciation for all those involved in creating a plan for the high schools.

Mr. Fleenor said he would like to proceed with virtual graduation and plans for live graduation at the end of July, the 24th and 25th. And for us to decided moving forward with July graduations at our July Board meeting based on safety guidelines.

Mr. Meredith said he had reached out to surrounding systems who did surveys with their families as to their preference for a virtual or live graduation. He said it was in excess of 80% for a live graduation. I feel our demographics would be similiar. I think we should move forward with creating the video (virtual graduation) with those in mind who may be leaving the area and would not be available in June or July. Still plan for a live graduation in June or July - as supported by safety guidelines.

Mr. Fleenor moved to move forward with the parade, virtual graduation, and create plans for a live graduation on July 24th and July 25th and to make a final decision at the Board meeting in July for the live graduations.

Dr. Flanary said some decisions would be difficult if not made until the July Board meeting such as number of guests allowed.

Mr. Hammond expressed concern of the late July dates putting more on teachers and administrators right when everyone is returning to work for the new school year. He suggested looking at an earlier date.

Mr. Ganger said he thought the idea for late July was to provide a greater chance to have the more traditional ceremony.

Ms. Buchanan suggested scheduling a date in June and July. This would allow families to reserve the dates in their calendars. July would be a back up if things were not opened back up in June.

Mr. Hammond asked if the Board could wait on making a decision regarding a live graduation to provide more time to see what happens as things open up in the community.

Dr. Flanary said in accordance with Board policy, the parade and virtual graduation could proceed and would not require Board action. A live graduation would require the Board's approval.

Ms. Dellinger moved to postpone making decisions regarding a live graduation. Ms. Buchanan seconded the motion.

Mr. Fleenor and Mr. Ganger expressed families are wanting to know a decision and dates now and what to plan for.

Ms. Dellinger and Ms. Buchanan withdrew their motion and second.

Ms. Buchanan moved to amend the motion to add June 19-20 and July 24-25. Ms Dellinger seconded.

Mr. Fleenor asked again regarding a stipend for Mr. St. John.

Mr. McLain said he would request Dr. Flanary to come back to the Board at a future Board meeting with a recommendation on a stipend for Mr. St. John.

Chad Fleenor moved to have virtual graduation and parade scheduled for May and have live graduation on July 24 and 25 to schedule graduation for June 19 and 20 and July 24 and 25.

Mary Beth Dellinger seconded the motion which carried on roll call vote:

Annette Buchanan: yes, Jason Day: yes, Mary Beth Dellinger: yes, Keith Ervin: yes, Chad Fleenor: yes, Todd Ganger: yes, David Hammond: yes, Phillip McLain: yes, Mitch Meredith: yes

Dr. Flanary shared a recommendation from Joe Wilson of The Brokers Realty & Auction, the group responsible for the selling of the retired Boones Creek Middle School and property. Mr. Wilson had shown the property several times and received no offers. Mr. Wilson asked the Board to reconsider the asking price.

Mr. Ganger questioned the property being shown and had not received any offers.

Dr. Flanary said nine prospective buyers had toured the building and after touring the building, showed interest in renovating the building. He said the buyers said at the current asking price (2 million) , renovation would be too costly.

Mr. Hammond asked if Mr. Wilson had a recommendation for an asking price.

Dr. Flanary answered yes, \$1.2 million.

Dr. Flanary confirmed that Mr. Wilson would be available by phone call.

Mr. Ganger requested for Mr. Wilson to join the meeting via phone call to answer questions.

The attempt to have Mr. Wilson join the meeting by phone failed.

Mr. Ganger requested for Mr. Wilson to be on the next Board meeting agenda to answer questions.

Mr. Meredith moved to defer the property discussion to the next Board meeting. Ms. Buchanan seconded the motion.

Director Flanary said a motion was not required.

Mr. Meredith and Ms. Buchanan withdrew their motion and second.

Following a brief recess, Chairman Ervin called the meeting back to order.

Director Flanary said Mr. Patrick had obtained requested information on the Radco company who had submitted a bid for the roofing project at Daniel Boone High.

Mr. Patrick said the architect had made contact with individuals in North Carolina regarding Radco and received positive references.

Mr. Meredith asked if a completion time was known from Barnard Roofing.

Mr. Patrick said yes, August 1st.

Mr. Ganger referred to prolonged length of time it has taken for Barnard Roofing to complete the roofing project at Jonesborough Elementary. He said maybe the Board should request more frequent updates in future projects.

Mr. Meredith suggested for contracts to include date certain and liquidated damages.

Mr. Patrick said he was not positive that we could that now, since bids already went out with specifications.

David Hammond moved for approval to award Barnard Roofing for Daniel Boone High roofing project. Jason Day seconded the motion which carried on roll call vote:

Annette Buchanan: no, Jason Day: no, Mary Beth Dellinger: no, Keith Ervin: yes, Chad Fleenor: yes, Todd Ganger: yes, David Hammond: yes, Phillip McLain: yes, Mitch Meredith: yes

2020-21 Differentiated Pay Plan Submission

On May 24, 2017, the State Board of Education passed the new Strategic Compensation Policy which provides greater clarity on the qualifications for differentiated pay plans. Each LEA shall report annually on the implementation of its differentiated pay plan. Implementation of differentiated pay requires that districts compensate eligible educators as outlined by the approved district plan for the year in which they are reporting. Creating a plan in which there are no eligible educators to meet the criteria will not be considered for approval. When determining funding scenarios, districts should examine all applicable federal, state, and local funding received to determine what sources will fund the differentiated pay plan.

Each differentiated pay plan submitted to the department shall include compensation for educators based on, at minimum, one of the following criteria:

- High-needs subject areas and schools, sometimes referred to as hard-to-staff subjects or schools
- Instructional roles and/or responsibilities
- Performance

Each district should submit their plans by **5 p.m. CT, Friday, July 3**. Submission includes:

- 2020-21 Differentiated Pay Plan (this complete form)
- Implementation Update on 2019-20 Differentiated Pay Plan (based on payouts to teachers during the 2019-20 school year)
- 2020-21 Salary Schedule (upload in excel format)

The following items are optional, but do not meet the above-differentiated pay criteria:

- Responsibilities that support student organizations or extracurricular activities
- Attendance bonuses
- National board certification
- School and district administrator compensation

Submission tips and guidelines:

1. You may advance through the application without completing all required fields on a page.
2. You may use the "Save and Resume Later" function to save your work and come back later. However, any file uploads will not be saved.
3. All required fields must be completed in order to submit the application.

The deadline for submission is 5 p.m. CT, Friday, July 3.

The Athletics Committee met July 30, 2020 at 4:30 p.m. in the conference room of the Central Office. Under the continued provisions of the State Executive Order to protect the safety and welfare of the public, the meeting was closed to the public. In order to maintain transparency, the meeting was livestreamed and audio recorded. Some members attended the meeting electronically. Those present were Chairman Todd Ganger, David Hammond (virtual), Chad Fleenor (virtual), Jason Day, Director William Flanary, Brandon McKee, Danny Good, and Josh Kite (virtual). Also present were Athletic Trainers Bryon Grant & Craig Moorhouse, Daniel Boone High Football Coach Jeremy Jenkins, David Crockett High Football Coach Hayden Chandley (virtual), and Daniel Boone High Principal Tim Campbell. The purpose of the meeting was to discuss return to play plans for fall sports due to COVID-19.

Mr. Ganger called the meeting to order.

Mr. Kite urged for a decision to be made as a group whether to move forward in allowing fall sports competition.

Mr. Good said he and Mr. Kite had met earlier in the day with the Athletic Directors from surrounding systems. They had also attended the Superintendent Study meeting on behalf of Dr. Flanary. Mr. Good said the Athletic Directors jointly developed a plan for fall sports to present to the Superintendents, for consideration, on Monday.

Mr. Ganger asked if the teams could proceed with full contact practice next week without Board approval.

Dr. Flanary answered yes.

Mr. Ganger said middle school athletic programs also needed reviewed.

Mr. Kite said a modified schedule was in consideration for the middle schools.

The committee discussed attendance to events and concessions protocol. Dr. Flanary and Mr. Good noted TSSAA had provided guidance on events, concessions, etc.

All agreed the details could be decided by the Administration.

Mr. Ganger said the committee needs to have a recommendation to present to the full Board as to whether the school system moves forward with fall athletics or not.

Mr. Day made a motion to move forward with fall sports to compete at the middle school and high school level. Mr. Fleenor seconded the motion. The motion carried without opposition on roll call vote: yes votes – Hammond, Fleenor, Day, Kite, Good, McKee, and Ganger.

Mr. Good made the committee aware the gym floor at Gray Elementary had been deemed unsafe to use. He said there had been a leak creating severe damage and cause for the floor to be replaced.

The meeting was adjourned.
