Skyward, Walled Lake Consolidated School District's student information system, is a valuable tool, allowing the District to collect and host student data efficiently and securely. Its comprehensive features provide the ability to track academic progress, attendance, activities participation, and other critical student information necessary for school operations and State and Federal compliance reporting. Administration recommends renewing the contract for year 2 of a 3-year commitment totaling \$145,500.30 from the General Fund.

b. Microsoft 365 Annual Software License Renewal, A3/A5 Faculty, 1-Year Subscription, Inacomp TSG, \$114,750.70 - General Fund

Microsoft 365 (M365) offers a range of tools and features that significantly benefit the Walled Lake Consolidated School District. M365 includes essential apps like Outlook, Word, Excel, PowerPoint, and Teams, which facilitate seamless collaboration and communication. It provides robust security features, including data loss prevention, threat protection, and identity management, ensuring the safety of sensitive information. Administration recommends purchasing the annual software license renewal totaling \$114,750.70 from the General Fund.

c. Google Workspace for Education Plus, Annual Software License Renewal, 3-Year Commitment, \$59,670.00 – General Fund

Google Workspace for Education Plus is designed to support large-scale digital learning environments with advanced tools for teaching, learning, and administration. All user accounts are provided with Drive storage that has search functions enabled to provide easy access to files and information. It supports interactive lesson design and implementation by providing teachers and staff with the learning management system. The Google Classroom administration console centralizes advanced security and analytic tools to manage Chromebooks, monitor accounts and access, and be proactive against threats. Administration recommends entering into a 3-year contract, with year 1 of 3 totaling \$59,670.00, from the General Fund.

d. eduClimber, Renaissance Learning, 3-Year Renewal, \$207,075.99 – 31a Grant Fund

For the last several years, the District has been building our data system for our MTSS process using the eduClimber platform through Renaissance learning. It is an essential component of our system for supporting all students' needs and has been an efficient place for the K-12 building teams to be able to quickly access student academic, attendance, state assessment, benchmark iReady assessment, and intervention planning data. Our building teams utilize eduClimber on a daily basis and have come to appreciate all the features and functions that it offers. Administration recommends a three-year renewal totaling \$207,075.99 from the 31a at-risk grant fund.

e. Teachers College Advancing Literacy - Partner School Work, \$123,750.00 - 31a Grant

The District's partnership with Teachers College, Columbia University, has yielded strong results

and will expand next year to include two additional elementary schools, while creatively structuring services to provide six schools with professional development and coaching for the cost of three. All elementary schools will have access to coaching, and non-partner schools will continue to be supported through Literacy Leader cohorts. The work will also align more closely with district dyslexia resources (UFLI phonics and EL Education), leveraging Teachers College expertise in the Science of Reading. The total cost of \$123,750.00 will be funded through the 31a grant fund.

f. TeachTown enCORE K-12 Student Subscriptions, Annual Renewal, Year 1 of a 2-Year Agreement, \$74,179.69 - General Fund

TeachTown enCORE K-12 is a standard-based alternate curricula utilized in our K-12 ASD, MoCI, and SXI programs. Aligned to the Common Core Essential Elements, TeachTown ensures that our students receiving instruction in our ASD, MoCI, and SXI programs have a standards-based curriculum with a scope and sequence that is vertically aligned for grades K-12. Administration recommends purchasing the annual software license renewal of enCORE K-12 TeachTown Student Subscriptions, and the purchase of grades 6-8 and 9-12 Manipulative Kits, for \$74,179.69, year one of a two-year agreement, from the General Fund.
