CAPITAL IMPROVEMENT PROGRAM

As a growing community, the Town of Horizon City (the “City”) desires to incorporate capital planning and budgeting into its annual processes. Capital planning and budgeting will allow staff to review the infrastructure and facility needs of the community in a comprehensive manner, in accordance with the approved Comprehensive Plan, subdivision ordinance and other policies and agreements as approved by the City Council and plan for orderly implementation. Capital planning and budgeting will also allow the City to review its capital needs in conjunction with its annual budget and estimated revenues to approve a plan that is financially feasible.

Definitions

Capital projects are construction, rehabilitation, or reconstruction projects that extend the useful life of a permanent City asset or change the use of a City asset.

City assets are those buildings or infrastructure facilities that the City owns in fee simple, have been dedicated to the City or that the City leases or otherwise has a contractual interest in.

Eligible costs primarily include professional fees to acquire rights-of-way or property for a municipal facility; appraise real estate, property and permanent improvements; survey real estate or inspect property and permanent improvements; conduct studies resulting in plans for further projects; construction costs; landscaping costs; construction management fees; and costs for furnishings and equipment including technology for municipal facilities.

Policies and Procedures

Departments may submit the attached capital request and description form attached to present information for candidate projects. Departments should provide as much information as possible in the form including regulatory or contractual requirements associated with the project request. Photographs and aerial depictions of the location may also be attached. Pending issues or questions may also be included in the form for further research as part of the project evaluation process.

The Planning Director will review the project requests, consult with the requesting department, the Town Engineer and other staff to finalize the project request, estimate project costs,

potential funding sources and recommend inclusion into the City's Capital Improvement Program (CIP).

The CIP will be presented to the City Council on an annual basis as part of the budget review and approval process along with a status report on the funded CIP.

CAPITAL ACQUISITION

The City desires to incorporate capital acquisitions budgeting into its annual processes. Capital acquisition budgeting will allow staff to review the City's major equipment needs and budget for them in an orderly manner. The capital acquisition budget will be reviewed by the City Council on an annual basis and adopted as part of the annual budget.

Definitions

Capital acquisitions include office furniture and equipment, vehicles, shop equipment, or other maintenance equipment. Communication and computing systems including hardware and software are also considered capital acquisitions.

Policies and Procedures

The City will consider capital acquisitions meeting the above criteria and having an estimated unit cost of \$10,000 or more.

Departments may submit a request for capital acquisitions indicating the equipment type, unit cost and number of units requested in the format as determined by the Mayor and/or designee. Departments should provide as much information as possible in their request including:

- whether the unit replaces an existing piece of equipment or vehicle;
- age of equipment proposed for replacement;
- useful life of requested equipment; and
- justification for replacement or new equipment.

The Mayor and/or designee will review the capital acquisition requests, consult with the requesting department, and other staff to finalize the request, estimate acquisition costs, potential funding sources and recommend inclusion into the City's Capital Acquisition Budget. The Consultant shall cause appropriate provisions to be inserted in all subcontracts relative to the work to bind subconsultants to the Consultant by the terms of this Agreement insofar as applicable to the work of subconsultants (including but not limited to the indemnification and insurance), and to give the Consultant the same power as regards to the termination of any subcontract that the City may exercise over the Consultant under this Agreement.

Nothing contained in this Agreement shall create any contractual relation between any subconsultant and the City. Nothing contained herein, or elsewhere in this Agreement shall require the City to pay for any services that are not in compliance with the terms of this Agreement and its attachments.

4.2.2 TERMINATION BY EITHER PARTY It is further understood and agreed by the Consultant and City that either Party may terminate this Agreement in whole or in part. Such a termination may be made for failure of one Party to substantially fulfill its contractual obligations, pursuant to this Agreement, and through no fault of the other Party.

However, the City retains the right to immediately terminate this Agreement for default if the Consultant violates any local, state, or federal laws, rules or regulations that relate to the performance of this Agreement. In the event of termination by the City pursuant to this subsection, the City may withhold payments to the Consultant for the purpose of set-off until such time as the exact amount due the Consultant from the City is determined.

4.2.3 TERMINATION SHALL NOT BE CONSTRUED AS RELEASE. Termination by either Party shall not be construed as a release of any claims that the terminating Party may be lawfully entitled to assert against the terminated Party. Further, the terminated Party shall not be relieved of any liability for damages sustained by the terminating Party by virtue of any breach of this Agreement. The provisions set forth in Section 5.2 shall survive the termination of this Agreement and continue to be applicable to the Agreement, unless otherwise specifically agreed to by the Parties.

The Consultant shall provide the City with copies of the Instruments of Service in both electronic form and in hard copy.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this Employee Benefit Liability Coverage, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when c. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph b. below.

b. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

c. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis that is insurance purchased by you to cover damages for acts, errors or omissions that occurred prior to the "first effective date".

1. Section II - Who Is An Insured is amended to include as an additional insured any person or organization you have agreed in writing in a contract or agreement to add as an additional insured on this Coverage Part. Such person(s) or organization(s) is an additional insured only with respect to liability for:

a. "Bodily injury", "property damage" or "personal and advertising injury" *caused, in whole or in part, by* the performance of your ongoing operations by you or on your behalf, under that written contract or written agreement. Ongoing operations does not apply to "bodily injury" or "property damage" occurring after:

a. *Arising out of* your ongoing operations or *arising out of* "your work"; or

then the phrase *caused, in whole or in part, by* in Paragraph **A.1.a.** and/or Paragraph **A.1.b.** above, whichever applies, is replaced by the phrase *arising out of*.

3. With respect to the insurance afforded to the additional insureds described in Paragraph **A.1.**, the following additional exclusion applies:

- a. The preparing, approving or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.

4. This Paragraph **A.** does not apply to additional insureds described in Paragraph **B.**

B. Additional Insured - State Or Governmental Agency Or Subdivision Or Political Subdivision - Automatic Status When Required In Written Permits Or Authorizations

1. **Section II - Who Is An Insured** is amended to include as an additional insured any state or governmental agency or subdivision or political subdivision you have agreed in writing in a permit or authorization to add as an additional insured on this Coverage Part. Such state or governmental agency or subdivision or political subdivision is an additional insured only with respect to operations performed by you or on your behalf for which the state or governmental agency or subdivision or political subdivision has issued, in writing, a permit or authorization.

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the written contract, written agreement, written permit or written authorization described in Paragraphs **A.** and **B.** For the purpose of determining the required amount of insurance only, we will include the minimum amount of any Umbrella Liability or Excess Liability coverage required for that additional insured in that written contract, written agreement, written permit or written authorization; or
2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

2. For any other valid and collectible insurance available to the additional insured as an additional insured on another insurance policy that is written on an excess basis. In such case, this insurance is also excess.

- G. The following is added to **Section IV - Commercial General Liability Conditions, Other Insurance**, and supersedes any provision to the contrary:

Primary Insurance When Required By Written Contract, Agreement, Permit Or Authorization

Except when wrap-up insurance applies to the claim or "suit" on behalf of the additional insured, this insurance is primary to any other insurance available to the additional insured described in Paragraphs **A.** and **B.** provided that:

1. The additional insured is a Named Insured under such other insurance; and
2. You have agreed in writing in a contract, agreement, permit or authorization de-

scribed in Paragraph **A.** or **B.** that this insurance would be primary to any other insurance available to the additional insured.

As used in this endorsement, wrap-up insurance means a centralized insurance program under which one party has secured either insurance or self-insurance covering some or all of the contractors or subcontractors performing work on one or more specific project(s).

Primary And Noncontributory Insurance When Required By Written Contract, Agreement, Permit Or Authorization

- H. **Section IV - Commercial General Liability Conditions, Transfer Of Rights Of Recovery Against Others To Us** is amended by the addition of the following:

Waiver of Subrogation

We waive any right of recovery against any additional insured under this endorsement, because of any payment we make under this endorsement, to whom the insured has waived its right of recovery in a written contract, written agreement, written permit or written authorization. COMMERCIAL UMBRELLA LIABILITY COVERAGE FORM

Various provisions in this Coverage Part restrict this insurance. Read the entire Coverage Part carefully to determine rights, duties and what is and is not covered.

Throughout this Coverage Part the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this Coverage Part. The words "we", "us" and "our" refer to the Company providing this insurance.

The word "insured" means any person or organization qualifying as such under **SECTION II - WHO IS AN INSURED**.

Other words and phrases that appear in quotation marks have special meaning. Refer to **SECTION V - DEFINITIONS**.

SECTION I - COVERAGE

A. Insuring Agreement

1. We will pay on behalf of the insured the "ultimate net loss" which the insured is legally obligated to pay as damages for "bodily injury", "personal and advertising injury" or "property damage" to which this insurance applies:
 - a. Which is in excess of the "underlying insurance"; or
 - b. Which is either excluded or not insured by "underlying insurance".
2. If any limit of insurance, such as a sublimit, is specified in the "underlying insurance", this insurance does not apply to "bodily injury", "personal and advertising injury" or "property damage" arising out of that exposure unless that limit of insurance is specified in the Schedule of Underlying Insurance.
3. This insurance applies to "bodily injury", "personal and advertising injury" or "property damage" only if:
 - a. The "bodily injury", "personal and advertising injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory"; and
 - b. The "bodily injury" or "property damage" occurs during the policy period shown in the Declarations; or
 - c. The "personal and advertising injury" results from an "occurrence" that takes place during the policy period shown in the Declarations; and
- d. Prior to the "coverage term" no insured listed under Paragraph 1. of Section II - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part, or that the "personal and advertising injury" offense had been committed, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the "coverage term", that the "bodily injury" or "property damage" occurred, or that the "personal and advertising injury" offense had been committed, then any continuation, change or resumption of such "bodily injury", "personal and advertising injury" or "property damage" during or after the "coverage term" will be deemed to have been known prior to the policy period.
4. "Bodily injury" or "property damage" which occurs during the "coverage term" and was not, prior to the "coverage term", known to have occurred by any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the "coverage term".
5. "Personal and advertising injury" caused by an offense which was committed during the "coverage term" and was not, prior to the "coverage term", known to have been committed by any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "personal and advertising injury" offense after the end of the "coverage term".
6. "Bodily injury" or "property damage" will be deemed to have been known to have occurred, or a "personal and advertising injury" offense will be deemed to have been known to have been committed at the earliest time when any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- a. Reports all, or any part, of the "bodily injury", "personal and advertising injury" or "property damage" to us or any other insurer;
 - b. Receives a written or verbal demand or claim for damages because of the "bodily injury", "personal and advertising injury" or "property damage"; or
 - c. Becomes aware by any other means that "bodily injury" or "property damage" had occurred or has begun to occur, or that the "personal and advertising injury" offense had been committed or has begun to be committed.
7. The amount we will pay for damages is limited as described in **SECTION III - LIMITS OF INSURANCE.**

No other obligation or liability to pay sums or perform acts or services is covered, unless expressly provided for under **SECTION I - COVERAGE, C. Defense and Supplementary Payments.**

Paragraph **b.** of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs **a.(2), c., d., e.** and **f.** of this exclusion do not apply to liability assumed under a sidetrack agreement.

Paragraphs **c.** and **d.** of this exclusion do not apply to liability assumed under a written Trailer Interchange agreement.

6. Damage to Your Product

"Property damage" to "your product" arising out of it or any part of it.

7. Damage to Your Work

However, this exclusion does not apply:

- (1) To liability for damages because of "bodily injury"; or
- (2) When such insurance is provided by valid and collectible "underlying insurance" listed in the Schedule of Underlying Insurance, or would have been provided by such listed "underlying insurance" except for the exhaustion by payment of claims of its limits of insurance, and then only for such hazards for which coverage is provided by such "underlying insurance", unless otherwise excluded by this Coverage Part.

11. Employer's Liability Limitation

Any liability arising from any injury to:

- a. An "employee" of the insured sustained in the "workplace";
- b. An "employee" of the insured arising out of the performance of duties related to the conduct of the insured's business; or
- c. The spouse, child, parent, brother or sister of that "employee" as a consequence of **a.** or **b.** above.

This exclusion applies:

- a. Whether the insured may be liable as an employer or in any other capacity; and
- b. To any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply when such insurance is provided by valid and collectible "underlying insurance" listed in the Schedule of Underlying Insurance, or would have been provided by such listed "underlying insurance" except for the exhaustion by payment of claims of its limits of insurance, and then only for such hazards for which coverage is provided by such "underlying insurance", unless otherwise excluded by this Coverage Part.

- b. The spouse, child, parent, brother or sister of that person as a consequence of any injury to that person at whom any of the employment-related practices described in Paragraphs 12.a.(1), (2), or (3) above is directed.

This exclusion applies:

- a. Whether the injury-causing event described in Paragraphs 12.a.(1), (2), or (3) above occurs before employment, during employment or after employment of that person;

- c. To any obligation to share damages with or repay someone else who must pay damages because of the injury.

13. Expected or Intended Injury

"Bodily injury" or "property damage" which may reasonably be expected to result from the intentional or criminal acts of the insured or which is in fact expected or intended by the insured, even if the injury or damage is of a different degree or type than actually intended or expected.

However, this exclusion does not apply to:

- a. "Bodily injury" resulting from the use of reasonable force to protect persons or property; or
- b. "Bodily injury" or "property damage" resulting from the use of reasonable force to prevent or eliminate danger in the operation of "autos" or watercraft.

14. Falsity, Prior Publication, Criminal Act and Media and Internet Type Businesses

For the purposes of Paragraph d., the placing of frames, borders or links, or advertising, for you or others anywhere on the Internet, is not by itself, considered the business of advertising, broadcasting, publishing or telecasting.

15. Infringement of Copyright, Patent, Trademark or Trade Secret

"Personal and advertising injury" arising out of the infringement of copyright, patent, trademark, trade secret or other intellectual property rights. Under this exclusion, such other intellectual property

rights do not include the use of another's advertising idea in your "advertisement".

However, this exclusion does not apply to infringement in your "advertisement", of copyright, trade dress or slogan.

16. Pollutant - Auto

a. "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release, emission or escape of "pollutants":

(1) That are, or that are contained in any property that is:

(b) Otherwise in the course of transit by or on behalf of the insured; or

(c) Being stored, disposed of, treated or processed in or upon an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion;

(2) Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by the insured for movement into or onto an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion; or

(3) After the "pollutants" or any property in which the "pollutants" are contained are moved from an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion to the place where they are finally delivered, disposed of or abandoned by the insured.

Paragraph (1) above does not apply to "bodily injury" or "property damage" arising from fuels, lubricants, or other operating fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal

electrical, hydraulic or mechanical functioning of an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion or its parts, if:

(a) The "pollutants" escape, seep, migrate, or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and

(b) The "bodily injury" or "property damage" does not arise out of the operation of any equipment listed in Paragraphs f.(2) and (3) of the definition of "mobile equipment".

However, this exception to Paragraph (1) does not apply if the fuels, lubricants, or other operating fluids, exhaust gases or other similar "pollutants" are intentionally discharged, dispersed, emitted or released.

Paragraphs (2) and (3) above do not apply to an "occurrence" that occurs away from premises owned by or rented to an insured with respect to "pollutants" not in or upon an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion if:

(a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion; and

(b) The discharge, dispersal, seepage, migration, release, emission or escape of the "pollutants" is caused directly by such upset, overturn or damage.

b. Any liability caused by "pollutants" and arising from the operation, maintenance, use, "loading or unloading" of an "auto", for which insurance coverage is excluded by "underlying insurance".

17. Pollutant - Other Than Auto

seepage, migration, release, emission or escape of "pollutants":

- (1) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured.

However, Paragraph **a.(1)** of this exclusion does not apply to the following if such liability is covered by "underlying insurance" listed in the Schedule of Underlying Insurance, but only to the extent insurance is provided at the "underlying limit" specified in the Schedule of Underlying Insurance for the "underlying insurance" listed and subject to all its terms, limitations and conditions:

- (a) "Bodily injury", if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use by the building's occupants or their guests;
 - (b) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor, and the owner or lessee of such premises, site or location has been added to your "underlying insurance" as an additional insured with respect to your ongoing operations or "your work" performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
 - (c) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";
- (2) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

- (3) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for any insured or any person or organization for whom you may be legally responsible;

- (4) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations, if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor.

However, Paragraph **a.(4)** of this exclusion does not apply to the following if such liability is covered by "underlying insurance" listed in the Schedule of Underlying Insurance, but only to the extent insurance is provided at the "underlying limit" specified in the Schedule of Underlying Insurance for the "underlying insurance" listed and subject to all its terms, limitations and conditions:

- (a) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

- (b) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

- (5) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations, if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of, "pollutants".
- b. "Personal and advertising injury" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release, escape or emission of "pollutants" at any time.
 - c. Any loss, cost or expense arising out of any:

 - (2) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this Paragraph c. does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

- d. Any liability caused by "pollutants", for which insurance coverage is excluded by "underlying insurance".

18. Recall of Products, Work or Impaired Property

if such product, work or property is withdrawn or recalled from the market or from use by any person or organization because of a known or suspected defect, deficiency, inadequacy or dangerous condition in it.

19. Unauthorized Use of Another's Name or Product

"Personal and advertising injury" arising out of the unauthorized use of another's name or product in your e-mail address, domain name or metatag or any other similar tactics to mislead another's potential customers.

C. Defense and Supplementary Payments

- 1. We will have the right and duty to defend the insured against any "suit" seeking

damages because of "bodily injury", "personal and advertising injury" or "property damage" to which this insurance applies. We will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "personal and advertising injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result when:

- a. The applicable limits of the "underlying insurance" and any other insurance have been exhausted by payment of claims; or
 - b. Damages are sought for "bodily injury", "personal and advertising injury" or "property damage" which are not covered by "underlying insurance" or other insurance.
2. Our right and duty to defend ends when the applicable Limit of Insurance, as stated in the Declarations, has been exhausted by payment of claims.
 3. We have no duty to investigate, settle or defend any claim or "suit" other than those circumstances described in Paragraph C.1. However, we do have the right to participate in the investigation, settlement or defense of any claim or "suit" to which this insurance applies. If we exercise this right, we will do so at our expense.
 4. If there is no underlying insurer or other insurance obligated to do so, we will pay the following when we provide a defense:
 - a. All expenses we incur.
 - b. The cost of bail bonds up to \$3,000 (including bonds for related traffic law violations) required because of an "occurrence" we cover. We do not have to furnish these bonds.

 - d. Reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including the actual loss of earnings.
 - e. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys'

fees or attorneys' expenses taxed against the insured.

5. If there is no underlying insurer obligated to do so, we will pay the following for an "occurrence" to which this insurance applies, even if we have no duty to provide a defense:
 - a. Prejudgment interest awarded against the insured on that part of the judgment we become obligated to pay and which falls within the applicable Limit of Insurance. If we make an offer to pay the applicable Limits of Insurance, we will not pay any prejudgment interest based on the period of time after the offer.
 - b. All interest awarded against the insured on the full amount of any judgment that accrues:
 - (1) After entry of the judgment; and
 - (2) Before we have paid, offered to pay or deposited in court the part of the judgment that is within the applicable Limit of Insurance.
6. The payments described in Paragraphs 4. and 5. above will not reduce the Limits of Insurance provided by this Coverage Part when defense or supplementary payments provided by the "underlying insurance" do not reduce their Limits of Insurance. However, when defense or supplementary payments provided by the "underlying insurance" reduce their Limits of Insurance then such expense payments paid by us will reduce the Limits of Insurance provided by this Coverage Part.
7. If we are prevented by law or otherwise from carrying out any of the provisions of **SECTION I - COVERAGE, C. Defense and Supplementary Payments**, we will pay any expense incurred with our written consent.

SECTION II - WHO IS AN INSURED

 - (1) The owner or any other person or organization (except your "executive officers" or principals) from whom you hire or borrow an "auto", unless such persons or organizations are insureds in your "underlying insurance" listed in the Schedule of Underlying Insurance, and then only for such hazards for which coverage is provided by such "underlying insurance". This exception does not apply if the "auto" is a trailer or semi-trailer connected to an "auto" you own.
 - (2) Your "employee", if the "auto" is owned by that "employee" or a member of his or her household, unless:
 - (a) Such "employee" is an insured with respect to that "auto" in the "underlying insurance" listed in the Schedule of Underlying Insurance, and then only for such hazards for which coverage is provided by such "underlying insurance"; or

SECTION III - LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made, "suits" brought or number of vehicles involved or insured; or
 - c. Persons or organizations making claims or bringing "suits".
2. The Aggregate Limit is the most we will pay for all damages:
 - a. Included in the "products-completed operations hazard";
 - b. Because of "bodily injury" by disease sustained by your "employees" arising out of and in the course of their employment by you; or
 - c. Because of "bodily injury", "personal and advertising injury" or "property damage" not included within a. or b. above. However, this Aggregate Limit will not apply to damages which are not subject to an Aggregate Limit in the "underlying insurance".

The Aggregate Limit applies separately to a., b. and c. The Aggregate Limit described in c. will apply only to damages not subject to a. or b. above.

3. Subject to the Limit of Insurance described in 2.c. above:
 - a. Only in the event that "underlying insurance" specifically listed in the Schedule of Underlying Insurance provides an annual Aggregate Limit of Insurance for damages that would not be subject to 2.a. or b. above that is applicable separately to each:
 - (1) Location owned by, or rented or leased to you solely with respect to damages which are the result of a claim or "suit" for "bodily injury" or "property damage" which can be at-

tributed to operations at only a single location, then the Aggregate Limit described in 2.c. above applies separately to each location owned by, or rented or leased to you.

- (2) Of your construction projects solely with respect to damages which are the result of a claim or "suit" for "bodily injury" or "property damage" which can be attributed only to ongoing operations and only at a single construction project, then the Aggregate Limit described in 2.c. above applies separately to each of your construction projects.

- b. Only with respect to the application of Limits of Insurance described in 3.a. above, the following terms location and construction project will have the following meanings:

- (1) Location means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.
- (2) Construction project means a location you do not own, rent or lease where ongoing improvements, alterations, installation, demolition or maintenance work is performed by you or on your behalf. All connected ongoing improvements, alterations, installation, demolition or maintenance work performed by you or on your behalf at the same location for the same persons or entities, no matter how often or under how many different contracts, will be deemed to be a single construction project.

4. Subject to the limits described in 2. and 3. above, the Each Occurrence Limit is the most we will pay for the "ultimate net loss":

- a. In excess of the applicable limits of "underlying insurance"; or
- b. If an "occurrence" is not covered by "underlying insurance", but covered by the terms and conditions of this Coverage Part,

for all "bodily injury", "personal and advertising injury" and "property damage" arising out of any one "occurrence".

We will not pay more than the Limit of Insurance shown in this Coverage Part's Declarations for each "occurrence" because any Personal Umbrella Liability Policy(ies) is/are attached to this policy.

5. Subject to, and included within, the Limit of Insurance described in 4. above, we will not pay more than the limit of insurance required for the layer of insurance provided by this Coverage Part on behalf of:

 - b. A party you have agreed to indemnify in an "insured contract".
6. Subject to the limits described in 2., 3., 4. and 5. above and to the terms and conditions of the "underlying insurance":
 - a. If the limits of "underlying insurance" have been reduced by payment of claims, this Coverage Part will continue in force as excess of the reduced "underlying insurance"; or
 - b. If the limits of "underlying insurance" have been exhausted by payment of claims, this Coverage Part will continue in force as "underlying insurance".
7. The Limits of Insurance of this Coverage Part apply separately to each "coverage term".

SECTION IV - CONDITIONS

1. Appeals

If the insured or any insurer who provides the applicable "underlying insurance" elects not to appeal a judgment which exceeds the "underlying limit", we may elect to do so at our own expense. We shall be liable for the taxable costs and disbursements and interest incidental thereto, but in no event shall this provision increase our liability beyond:

- a. Our applicable Limits of Insurance for all "ultimate net loss";
- b. Our applicable Defense and Supplementary Payments as described in **SECTION I - COVERAGE, C. Defense and Supplementary Payments**; and
- c. The expense of such appeal.

2. Audit

If this Coverage Part is subject to Audit, as indicated in the Declarations, then the following Condition applies:

- a. The premium shown in the Premium Computation Endorsement as Advance Premium is a deposit premium. At the close of each audit period, we will compute the earned premium for that period. If:

- (1) The earned premium is less than the deposit premium, we will return the excess to the first Named Insured; or
- (2) The earned premium is greater than the deposit premium, the difference will be due and payable to us by the first Named Insured upon notice from us. The due date for audit and retrospective premiums is the date shown as the due date on the bill.

However, in no event will the earned premium be less than the Minimum Premium stated in the Premium Computation Endorsement.

- b. The first Named Insured must keep records of the information we need for premium computation and send us copies at such times as we may request.

3. Bankruptcy

Bankruptcy or insolvency of the insured or the insured's estate shall not relieve us of any obligations under this Coverage Part.

4. Duties in the Event of Occurrence, Claim or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" which may result in a claim or "suit". To the extent possible, notice should include:

- (1) How, when and where the "occurrence" took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence".

This requirement applies only when the "occurrence" is known to an "authorized representative".

- b. If a claim is made or "suit" is brought against any insured you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

This requirement will not be considered breached unless the breach occurs after such claim or "suit" is known to an "authorized representative".

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

5. First Named Insured

The person or organization first named in the Declarations will act on behalf of all other insureds where indicated in this Coverage Part.

6. Legal Action Against Us and Loss Payments

- a. No legal action may be brought against us unless there has been full compliance with all the terms of this Coverage Part nor until the amount of the insured's obligation to pay has been finally determined as provided below. No person or organization has any right under this Coverage Part to bring us into any action to determine the liability of the insured.
- b. We shall be liable for payment of the "ultimate net loss" for any "occurrence" to which this Coverage Part applies:
 - (1) For "occurrences" not covered by "underlying insurance"; or
 - (2) In excess of the "underlying limit" applicable to the "occurrence" only after the insurers who provide the applicable "underlying insurance" have paid or become obligated to pay the amount of the "underlying limit" applicable to the "occurrence".

Our payment will be made following final determination of the amount of the insured's obligation to pay either by final judgment against the insured or by written agreement with the insured, the claimant, the underlying insurers and us.

7. Liberalization

If, within 60 days prior to the beginning of this Coverage Part or during the policy period, we make any changes to any forms or endorsements of this Coverage Part for which there is currently no separate premium charge, and that change provides more coverage than this Coverage Part, the change will automatically apply to this Coverage Part at the latter of:

- a. The date we implemented the change in your state; or
- b. The date this Coverage Part became effective; and

will be considered as included until the end of the current policy period. We will make no additional premium charge for this additional coverage during the interim.

8. Maintenance of Underlying Insurance

- a. While this Coverage Part is in effect, the insured shall maintain in force the "underlying insurance" listed in the Schedule of Underlying Insurance as collectible insurance. The terms, conditions and endorsements of "underlying insurance" will not materially change and renewals or replacements of "underlying insurance" will not be more restrictive in coverage.
- b. Limits of "underlying insurance" will not be reduced, except for any reduction or exhaustion in the aggregate limits of insurance due to payment of claims which are in accordance with **SECTION I - COVERAGE, A. Insuring Agreement**, Paragraph 2. of this Coverage Part.
- c. In the event you fail or neglect to maintain "underlying insurance" as required, this Coverage Part will apply as though such "underlying insurance" was in force and collectible at the time a claim is presented to us which is in accordance with **SECTION I - COVERAGE, A. Insuring Agreement**, Paragraph 2. of this Coverage Part.
- d. The limits of "underlying insurance" shall be deemed applicable, regardless of any defense which the insurer who provides the "underlying insurance" may assert because of the insured's failure to comply with any Condition of the policy or the inability of the insurer to pay by reason of bankruptcy or insolvency.
- e. You must notify us in writing as soon as practicable when any "underlying insurance" is no longer in effect or the limits or scope of coverage of any "underlying insurance" is changed.

9. Other Insurance

- a. This insurance is excess over, and shall not contribute with any other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends and coverage is otherwise applicable, we will have the right, but not the duty to undertake to do so, provided that whomever we agree to defend and the Named Insured assign their rights to us under the policies of the insurers who did not defend. Such assignment must be in writing.

- b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:
 - (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (2) The total of all deductible and self-insured amounts under all that other insurance.

10. Premium

The premium for this Coverage Part shall be as stated in the Declarations. The advance and anniversary premiums are not subject to adjustment, except as stated in the Declarations, or as stated in an endorsement issued by us to form a part of this Coverage Part.

You shall maintain records of such information as is necessary for premium computation, and shall, if requested by us, send copies of such records to us at the end of the "coverage term" and at such times during the policy period as we may direct.

11. Representations

- a. By acceptance of this Coverage Part, you agree that the statements in the Declarations are your agreements and representations, that this Coverage Part is issued in reliance upon the truth of such representations and that this Coverage Part embodies all agreements existing between you and us or any of our agents relating to this insurance.
- b. However, to the extent that the following applies in the "underlying insurance" listed specifically in the Schedule of Underlying Insurance, it will also apply to this Coverage Part:

Based on our reliance upon your representations as to existing hazards, if unintentionally you should fail to disclose all such hazards at the inception date of this Coverage Part, we will not reject coverage under this Coverage Part based solely on such failure.

12. Separation of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

13. Transfer of Rights of Recovery Against Others to Us

- a. If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.
- b. Any recoveries shall be applied as follows:
 - (1) First, we will reimburse anyone, including the insured, the amounts actually paid by them that were in excess of our payments;
 - (2) Next, we will be reimbursed to the extent of our actual payment; and
 - (3) Lastly, any amounts left after meeting the obligations outlined in (1) and (2) above will be distributed to anyone else known to us at the time a recovery is made and who is legally entitled to such recovery.

Expenses incurred in the recovery shall be apportioned among all interests in the ratio of their respective recoveries as finally settled. If there is no recovery as a result of our attempts, we shall bear all of the recovery expenses.

- c. If prior to an "occurrence" to which this Coverage Part would apply, you and the issuer of your applicable "underlying insurance" listed specifically in the Schedule of Underlying Insurance waive any right of recovery against a person or organization for injury or damage, we will also waive any rights we may have against such person or organization.

14. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

- STRUCTURAL GENERAL NOTES:**
- ALL CONCRETE SHALL CONFORM TO ASTM C84 AND SHALL REACH A MINIMUM STRENGTH OF 3000 P.S.I. AT 28 DAY TEST. CONCRETE SHALL NOT BE PLACED IN EXCESS OF 4' SLUMP WITHOUT PRIOR APPROVAL OF THE ENGINEER.
 - REINFORCING STEEL TO BE ASTM A615 GRADE 60.
 - NO BOIL CAPACITY ANALYSIS PRODUCED. THE ALLOWABLE BEARING CAPACITY USED FOR THE DESIGN OF FOUNDATION ELEMENTS WAS 1500 PSF FOR CONTINUOUS FOOTINGS. THE OWNER IS RESPONSIBLE FOR RETAINING THE SERVICE OF A GEOTECHNICAL ENGINEER TO PROVIDE RECOMMENDATIONS FOR STRUCTURAL FILL AND SUB-GRADE PREPARATION TO ACHIEVE THE ASSUMED BEARING CAPACITY.
 - ALL CONCRETE WORK TO BE DONE IN ACCORDANCE WITH ACI & CITY OF EL PASO REQUIREMENTS.
 - PRIOR TO CONCRETE PLACEMENT, ALL FORMS SHALL BE WELL BRACED AND STRAIGHT.
 - ALL STEEL SHALL BE FREE OF GREASE, SCALE AND DIRT.
 - ALL REINFORCING STEEL SHALL CONFORM TO ASTM A-615. ALL #3 BARS SHALL BE 40 GRADE STEEL, ALL #4 OR LARGER BARS SHALL BE GRADE 60.
 - ALL BARS SHALL BE TIED AT EVERY INTERSECTION. ALL STEEL SHALL BE SUPPORTED TO PROHIBIT LATERAL OR VERTICAL MOVEMENT.
 - CONTRACTOR SHALL USE CHAIRS TO SUPPORT REINFORCING STEEL AT CENTER OF SLAB THICKNESS.
 - CONTRACTOR SHALL VERIFY ALL DIMENSIONS, DROP AREAS AND BLOCK OUT LOCATIONS WITH ARCHITECTURAL PLANS.
 - VERIFY SLAB RECESSES AND LOCATION OF FLOOR DRAINS. COORDINATE WITH ARCHITECTURAL DRAWINGS FOR SLEEVES AND PENETRATIONS THROUGH SLAB AND ROOF.
 - ALL PLUMBING, DUCT WORK, CONDUITS, ETC. SHALL BE COMPLETE AND PROPERLY TIED PRIOR TO PRE-POUR INSPECTION.
 - THIS DESIGN IS FOR A PARTICULAR LOCATION ONLY. RE-USE IN A DIFFERENT LOCATION IS PROHIBITED AND THE DESIGN IS VOID.
 - CONCRETE POUR SHALL NOT BE STARTED UNLESS THE SITE TEMPERATURE IS ABOVE 40 DEGREES FAHRENHEIT AND RISING FOR THE NEXT 12 HOURS.
 - CONTRACTOR SHALL PROVIDE CORNER BARS AS SHOWN IN "TYPICAL CORNER BAR DETAILS" IN ALL PERIMETER BEAMS.
 - PROVIDE POSITIVE DRAINAGE AWAY FROM THE SLAB PERIMETER. REFER TO CIVIL DRAWINGS FOR SURROUNDING SLABS AND PAVEMENT SLOPES.
 - SAW-CUTTING OF CONTROL JOINTS (AS REQUIRED) SHALL START AS SOON AS THE CONCRETE HAS HARDENED SUFFICIENTLY TO PREVENT AGGREGATES FROM BEING DISLOOGED BY THE SAW AND SHALL BE COMPLETED BEFORE DRYING SHRINKAGE STRESSES BECOME LARGE ENOUGH TO PRODUCE CRACKING.
 - ALL DETAILING, FABRICATION AND ERECTION OF REINFORCING BARS, UNLESS OTHERWISE NOTED MUST FOLLOW THE ACI "MANUAL OF STANDARD PRACTICE FOR DETAILING REINFORCED STRUCTURES" (ACI 315).
 - THE CONTRACTOR SHALL COMPARE THE STRUCTURAL DRAWINGS WITH THE ARCHITECTURAL DRAWINGS AS TO LAYOUT, DIMENSIONS, AND ELEVATIONS. ALL DISCREPANCIES, IF ANY, SHALL BE REPORTED TO THE ARCHITECT FOR PROPER ADJUSTMENT BEFORE PROCEEDING WITH THE WORK.

ALL DRAWINGS SUBMITTED IN RELATION TO THIS PROJECT, ARCHITECTURAL, CIVIL, MECHANICAL, STRUCTURAL, ELECTRICAL, LANDSCAPING, ETC., ARE INTERRELATED. THE CONTRACTOR AND SUBCONTRACTORS SHALL REVIEW AND COORDINATE THE ENTIRE SET OF DRAWINGS AND PROJECT SPECIFICATIONS. THE CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFYING ALL DATA SHOWN ON THE PLANS, IF DISCREPANCIES ARE FOUND. THE CONTRACTOR SHALL NOTIFY THE OWNER OR ENGINEER IMMEDIATELY SO THAT PROPER CORRECTIONS CAN BE MADE.
