Topic: Resolution Adopting a Tax Rate for Tax Year 2026 as Authorized Under the Texas Tax Code §26.042(e)

Submitted by: Kristin Byrd, Chief Financial Officer

Approved for Transmittal:

Board Meeting Date: 8/25/2026

Recommendation:

Administration recommends adoption of a resolution authorizing additional tax effort under Texas Tax Code Section 26.042(e) (the "Disaster Pennies") to address increased expenditures related to the March 4, 2025, declared disaster, without requiring a voter-approval tax rate election.

Rationale:

Administration recommends that the Board of Trustees adopt the proposed resolution finding that Grand Prairie ISD has incurred and continues to incur increased expenditures necessary to respond to the March 4, 2025, severe weather disaster for which federal disaster assistance was requested. This resolution would allow the District, in adopting its 2026 tax rate, to include additional tax effort above the voter-approval tax rate without requiring an election and provides that any such additional amount will not be included in future voter-approval tax rate calculations.

Topic: Resolution on Additional Hazardous Areas for the 2026-2027 School Year

Submitted by: Pablo F. Orozco, Executive Director of Facilities and Maintenance

Approved for Transmittal:

Board Meeting Date: 8/25/2026

Recommendation:

It is recommended that the Board of Trustees approve the resolution declaring additional areas to be hazardous for students walking to and from school and request approval for bus transportation from the commissioner of the Texas Education Agency for the 2026-2027 school year.

Rationale:

The Texas Education Code allows a school district to apply for additional transportation funding from the Texas Education Agency for transporting students to school who live within two (2) miles of their home campus and would have to walk through areas that are deemed hazardous. Prior to applying for this additional transportation funding, the Board must approve a resolution describing the hazardous areas for which funding may be requested.

Budget Information:

After approval, transportation funding will be requested from the Texas Education Agency as allowed by the state statute.
