**Re: Tentative Agreement - AFSCME**

---

## **RECOMMENDATION:**

District Administration is recommending the approval of a two-year American Federation of State, County and Municipal Employees AFSCME) with effective dates of July 1, 2025 through June 30, 2027. The following items have been discussed with both parties.

### **Financial Package**

The salary increase for 2025-2026 will be .5%.

The salary increase for 2026-2027 will be 1%.

Salary increase will be retroactive back to July 1, 2025.

There will be a \$50/month increase to insurance benefits starting in January 2026.

Employees working 200, 210, 225, or 235 day calendars will have two flex days added to their calendar.

Employees working a 260 day calendar will have two floating holidays added to their calendar.

### **Non-Economics**

The articles in red are revisions to the contract. The language that is struck will be removed from the contract.

### **Article I Definitions**

#### **1-3-3**

Category III-A, Early Childhood Secretary.

### **ARTICLE IV - Grievance Procedures**

#### **4-5-3**

##### **Step 3:**

If a satisfactory settlement is not reached at the second level, either party may voluntarily request mediation through the Bureau of Mediation Services. The School Board will receive notice the grievance has reached the third level. Both parties must agree to use this step; otherwise, the unresolved grievance will proceed to the fourth level. If no agreement is reached within twenty (20) days, the unresolved grievance will proceed to the fourth level.

#### **4-5-4**

##### **Step 4:**

Within said five (5) workdays, either the Union or the School Board may voluntarily request mediation through the Bureau of Mediation (BMS). The mediation process will not normally last more than one day. Both parties must agree to use this voluntary step, otherwise an unresolved grievance will proceed to Step 5 (e.g., grievances involving possible financial liabilities may not be appropriate for mediation).

#### **4-5-5**

##### Step 5:

Within said five (5) days, either party may request arbitration. The parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Bureau of Mediation Services to submit a list of five arbitrators, providing such a request is made within twenty (20) days after request for arbitration. The parties shall alternately strike names from the list of five until only one name remains that shall be the agreed-upon arbitrator. Failure to request a list of arbitrators from the Bureau of Mediation Services within the time periods provided herein shall constitute a waiver of the grievance.

#### **Article V - Working Conditions**

##### **5-4 Emergency Closing**

When schools are closed due to inclement weather, or other unforeseen circumstances such as mechanical failure the district will implement an "e-learning day". Early dismissal/staggered release days allow staff to leave the building once their supervision of students has ended.

##### **5-5 Holidays**

~~Easter Monday~~ and add **Juneteenth**

Re: ES and MS Mowing Contract Award Recommendation

---

## Background

The district grounds crew has not been able to consistently meet a 1x/week/school site and a 2x/week/sports field mowing goal for several years. The grounds crew is not able to adequately maintain school site and sports field mowing and grounds care with the current number of sites and the current grounds staffing allotment. This has resulted in our school sites and sports fields regularly being poorly mowed, untrimmed and looking unkempt.

## Proposals

Proposals were solicited for mowing and trimming at all district elementary and middle school sites for 26 weeks, April - October 2026, performed minimally one time per week. District grounds staff would retain the sports field and high schools' mowing and the district-wide landscaping work.

## Quote details

Proposals were received from 2 of the 5 companies who were invited to submit proposals. The low quote is as follows:

- \$382,466.00 (Jenco Property Maintenance, Inc.)

## Considerations

These are some of the items reviewed when considering a recommendation:

- We successfully use a combination of in-house and contracted services for district snow removal.
- Significant savings in fuel, equipment, repair and maintenance costs can be expected.
- We propose to leave 3 out of 4 currently open grounds positions unfilled for FY 26/27, for a savings of approximately \$260,000 to offset contracted costs.
- We propose to leave part time temporary summer grounds positions unfilled for additional savings.
- A one-year contract does not tie us to a long-term commitment, and an extension could be considered if needed or desired.

## Recommendation

The number of sites in the District's portfolio is changing. With the number of sites eventually being reduced, we believe this is a good time to implement a "bridge plan" while the district is being right-sized. A bridge plan would adequately address current grounds care needs while we determine and plan for meeting the district's future grounds care needs and determine a future grounds staffing model.

For the reasons quantified above, I recommend awarding the ES and MS 2026 Mowing Contract to Jenco Property Maintenance, Inc.

The School District entered into an agreement with the City of Robbinsdale on October 1, 2004. This was a gym and site development agreement at the Robbinsdale Area Learning Campus (RALC), currently known as Robbinsdale Middle School.

The agreement dictated that the City of Robbinsdale was to contribute an amount no greater than \$465,000.00 to the school district to cover some of the costs incurred with a gym renovation and site improvement. The agreement also afforded the opportunity for termination and provided a fee schedule should termination become necessary or appropriate.

The school district has voted to close the Robbinsdale Middle School to future programming. Therefore, it must issue the termination cost that remains. Per Exhibit C of the termination fee schedule, the school district must pay the City of Robbinsdale \$124,000 effective year 2026.

Administration seeks a board vote to approve payment to the City of Robbinsdale.
