

Agenda of Regular Meeting

April 22, 2025

5:30 PM Closed Session / 7:00 PM Open Session

A Regular Meeting of the Board of Trustees of Georgetown ISD is April 22, 2025, beginning at 5:30 PM in the GISD Hammerlun Center for Leadership & Learning Building at 507 E University Avenue. Immediately after opening, the Board of Trustees will convene in Closed Session and will return to Open Session following the completion of Closed Session. The Board will not reconvene in Open Session before 7:00 p.m.

The subjects to be discussed or considered or upon which any formal action may be taken are listed below. Items do not have to be taken in the same order as shown on this meeting notice. Unless removed from the consent agenda, items identified within the consent agenda will be acted on at one time.

If, during the course of the meeting, discussion of any item on the agenda should be held in a closed meeting, the Board will conduct a closed meeting in accordance with the Texas Open Meetings Act, Texas Government Code, Chapter 551, Subchapters D and E or Texas Government Code section 418.183(f). Before any closed meeting is convened, the presiding officer will publicly identify the section or sections of the Act authorizing the closed meeting. All final votes, actions, or decisions will be taken in open meeting. (See TASB Policy BEC Legal).

Prior to consideration of agenda subjects, the Board will hear public comments from any member of the public who has complied with District procedures for signing up to speak.

TMEA All State Band Member

Background Information:

Ian is a Senior, plays Bari Sax, and this is his THIRD time to make the All-State Band. Here's TMEA's official spiel about Ian

Ian McAlister, a member of the Georgetown HS Band performed with the Texas All-State 5A Symphonic Band in San Antonio, Saturday, February 15, 2025, at the Henry B. González Convention Center as part of the 2025 Texas Music Educators Association Clinic/Convention.

Ian was chosen for this prestigious honor through a competitive process held this year across the state at District, Region, and Area levels. Ian is a student of Andrew Hasher

BOARD AGENDA ITEM

and plays Bari Sax at school under the direction of Justin Smith, who is a member of the Texas Music Educators Association, a 20,400+ member organization headquartered in Austin. This is Ian's 3rd time to perform as a member of a TMEA All-State organization. Ian is the child of Alisha and Robert McAlister.

High school students selected to perform in All-State concerts have competed through auditions to qualify at the state level. All-State is the highest honor a Texas music student can achieve. Students are selected through a multi-level adjudication process that begins with about 70,000 students from around the state vying for this honor to perform in one of 18 ensembles.

Texas Music Educators Association sponsors the Texas All-State competition. This competitive process begins throughout the state in auditions hosted by 33 TMEA Regions. Individual musicians perform selected music for a panel of judges who rank each instrument or voice part. From this ranking, a select group of musicians advances from their Region to compete against musicians from other areas in eight TMEA Area competitions. The highest-ranking musicians judged at the TMEA Area competitions qualify to perform in a TMEA All-State music group. Only the top 2.6% of musicians who initially audition become All-State musicians.

Directed by nationally recognized conductors, All-State students participate in four days of rehearsals during the TMEA Clinic/Convention. Their performances for thousands of attendees bring this extraordinary event to a close. For the All-State concert and conductor information, go to the Performances section of www.tmea.org/convention.

About TMEA

Founded in 1920, the Texas Music Educators Association (TMEA) supports music

GHS Student Council TASC State Award Recognition

Background Information:

Every Student Council from every High School who is an active member of the Texas Association of Student Councils may submit reports for consideration for awards in 4 categories: Pride & Patriotism, Energy & Environment, D.A.S.H. [Drugs, Alcohol, Safety & Health], Community Service. In addition, they may choose to meet several more criteria to achieve the distinction of the Outstanding Student Council award. Councils that earn all 5 awards are honored with the Sweepstakes recognition. For the 2nd year in a row, our GHS Student Council earned all 5 awards--a feat only accomplished by a small handful of high schools in our TASC district. Out of thousands of TASC member schools across Texas, few councils earn all 5 awards and a Sweepstakes recognition. This represents hundreds and hundreds of hours of dedicated work by our 32 student leaders, and over \$10,000 donated in goods and money to our campus and community. Besides simply "winning" in all categories, the learning and growth they've experienced throughout the course of the year are invaluable.

FRC SkillsUSA Cosmetology State Competitors

Background Information:

The students started their projects and practice in October. At that time they choose their category. They had until Christmas break to finish and perfect it. We had a mock contest at the Future Ready Complex where the students and staff voted for the best projects and we sent them on to District 10 competition from there. They came back from Christmas break and perfected their job exhibits and we entered 24 in the District 10 contest. We had 17 qualify and advance to state. Only 13 wanted to compete at the State level or redo their projects to have them state ready, they did that from February 8th-April 1st. Then we took them to Corpus Christi to compete. We came home with 9 Superior 1st Place winners and 3 Excellent 2nd Place winners. State is the end of the road for all these competitions except for one and we did not advance to Nationals in that competition, but she said there is always next year, her senior year. The students learned a lot about detail and perfecting their trade as well as meeting important deadlines and following specific guidelines. We had students in 8 different Cosmetology

BOARD AGENDA ITEM

categories and each one has it's own supply list, specifications & rules and we learned to master competing in them together.

Last year we had 8 compete at District 10 and only 1 advance to state, this year we had 24 compete at District 10 and 17 qualified with 1st or 2nd place to advance to state. I am very proud of their hard work and dedication to follow through to completion.

Our FRC Health Science team has achieved a remarkable milestone by placing 2nd in the SkillsUSA State Health Knowledge Bowl competition.

This is particularly impressive as it marks the first time our FRC Health Science team has competed in SkillsUSA. The team, which includes students from both EVHS and GHS, has demonstrated exceptional knowledge and teamwork. The students spent numerous hours and thousands of practice questions to prepare for the event.

The FRC Health Science team will be representing our district at the National SkillsUSA competition in Atlanta this June. Their success is a testament to their hard work, dedication, and the strength of our CTE health science program.

GHS SkillsUSA Automotive State Competitors

Background Information:

We start training at the start of the school year. We spend countless number of hours after school training and studying. They do both hands on training and book study. Automotive is a very competitive field in our district. Most of the local High schools have very strong Automotive programs so to able to advance to state in any field is no small task. In doing the binder projects students have to follow a strict set of guidelines in order to be able to advance to the state level. At state all of our students did a verbal defense of their project to a judge. Most of our projects received perfect scores.

"Our students have truly gone above and beyond in their preparation and performance this year.

For months, they've dedicated themselves to constant practice—whether it was speeches, trial runs, or perfecting their skills after school. The preparation was intense, with each student giving their all to be ready for these competitions. They faced teams from all across Texas, competing at a high level, and their commitment paid off!

Lucas Soria put in countless hours in Sports Nutrition, and it showed when he placed 2nd at Region in Corpus Christi and earned an honorable mention at the State Conference.

Lucas Love also worked tirelessly for the Cupcake Presentation, and his hard work

GHS FCCLA Culinary Arts State Competitors

Background Information:

What did it take to qualify for this competition?

To qualify for Regionals, students had to first select and develop a project in one of the official FCCLA competitive event categories, such as Culinary Arts, Entrepreneurship, Job Interview, or Chapter in Review. This required them to follow rigorous guidelines, prepare a detailed portfolio or presentation, and deliver a professional-level performance at the local or area competition. Their outstanding performance earned them a spot at the Regional level.

How long did the student(s) prepare?

Preparation began several months in advance. Students dedicated time both during and outside of class to research, plan, and practice their projects. Many gave up lunches, attended after-school sessions, and before school sessions. In total, preparation spanned 8–12 weeks of consistent effort.

BOARD AGENDA ITEM

What special skills has the student(s) learned or acquired to prepare them for success?
Through this experience, students sharpened a variety of real-world skills including:

Public speaking and professional presentation

Time management and organization

Critical thinking and problem-solving

Technical skills related to their chosen event (e.g., culinary techniques, resume writing, business planning)

Collaboration and leadership

Is there anything additional that should be shared about you or your students' recognition?

These students have shown extraordinary dedication and personal growth. Their drive to represent our school and FCCLA with integrity and excellence is commendable. Many have balanced their projects with academic and extracurricular responsibilities, proving themselves to be leaders both in and out of the classroom. We're incredibly proud of them and excited to see what they'll accomplish next year—and beyond!

Background Information:

These students have been preparing for this competition since October. We first have tryouts to earn a spot on the competition team. Then in January the competition team competes at Regionals in Corpus Christi. The students will compete with around 40 students in their category for the top 5 spots. If they place in the top 5 in the Region, then they move on to the State Conference in Dallas.

At these timed competition students are expected to produce high quality meals and baked goods that are equal too or above industry standards, while maintaining a professional demeanor. The special skills that students aquire to prepare them to succeed in these culinary competitions are strong fundamental culinary and pastry techniques, organization, time management, perserverance, and the ability to produce high quality food under pressure.

BOARD AGENDA ITEM

I am extremely proud of all of my students. They are all very driven, hardworking and have a real love for what they do. They inspire me to be a better chef every day just by working along side them.

Intruder Detection Finding

Background Information:

Due to a finding during a recent audit of one of our campuses, the school board of trustees is expected to provide the public, at the next regularly scheduled board meeting, with notice that an Intruder Detection Audit was conducted by the TxSSC and corrective action was put into place due to findings, while not releasing any sensitive details regarding the audit in open session. In order to fulfill this requirement, a presentation of a high level information related to the audit finding will be presented at the April 22, 2025, GISD Board Meeting. The plan and timeline on how these findings will be corrected will also be addressed during this presentation.

Specific information related to the finding during the audit will be available to share in closed session.

Custodial Services at Elementary Campuses

Background Information:

Since October 2022, GISD has contracted with SSC Services for Education (SSC) for custodial operations at our elementary campuses. The need for these services was driven by significant staffing shortages that were experienced post-Covid. Our intent has always been to bring these services back in-house when the conditions allowed for it. In late March, we issued a letter to SSC notifying them of GISD's intent to end the contract effective May 31, 2025.

District custodial leadership is currently working with SSC to ensure a successful transition through the end of the 2024-2025 school year, and has begun the hiring process to enable adequate staffing when the change occurs this summer.

Literacy First Update

Background Information:

GISD entered a partnership with the University of Texas Dana Center in order to implement Literacy First Early Reading Intervention at Cooper and Frost. The partnership allows campus and district staff to receive specialized early literacy training and coaching for effective implementation of the intervention. This intervention provides targeted foundational skills in literacy to students in grades K-3. The intervention is open to eligible students in English Language Arts as well as to eligible students in Spanish Language Arts classrooms. As students gain the necessary skills for grade level proficiency, they are graduated from the intervention and another student is then selected to begin the program.

This presentation will provide a brief overview of the program and highlight the progress that has been made at Cooper and Frost thus far. Ultimately, we would like to expand the program to other campuses for the next school year.

Annual Continuing Education Credit Report – Board Members

At the last regular board meeting before an election of trustees, the board president shall announce the name of each board member who has completed the required continuing education, who has exceeded the required hours of continuing education, and who is deficient in meeting the required continuing education as of the anniversary of the date of each board member's election or appointment to the board or two-year anniversary of his or her previous training, as applicable. The announcement shall state that completing the required continuing education is a basic obligation and expectation of any board member under SBOE rule. The minutes of the last regular board meeting held before an election of trustees must reflect whether each trustee has met or is deficient in meeting the training required for the trustee as of the first anniversary of the date of the trustee's election or appointment or two-year anniversary of his or her previous training, as applicable. The president shall cause the minutes to reflect the announcement and, if the minutes reflect that a trustee is deficient in training as of the anniversary of his or her joining the board, the district shall post the minutes on the district's internet website within 10 business days of the meeting and maintain the posting until the trustee meets the requirements. *19 TAC 61.1(j); Education Code 11.159(b)*

The following board member(s) have met or exceeded the required hours of continuing education:

James Scherer
Elizabeth McFarland
Cody Hirt
Stephanie Blanck
Anthony Blankenship
Jen Mauldin
Stacy McLaughlin

The following board member(s) have not met the required hours of continuing education:

None

Board members have until the anniversary date of their election to fulfill any required training.

Title of Agenda Item:

Instructional Materials Adoption

Background Information:

Recently, the Instruction Technology and Materials Allotment (IMTA) Committee convened to review instructional resources. After gathering extensive input from campuses and carefully evaluating the available options, the committee approved the purchase of the primary resources outlined in the attached document. We are asking for consent from the Board of Trustees on the outlined instructional resources.

TEKS Certification

Background Information:

TEA's annual TEKS Certification for resources to be used in the 25-26 school year is up for board approval as well. This required certification involves a comprehensive review of all district-adopted instructional materials to ensure full alignment with the Texas Essential Knowledge and Skills (TEKS) for all core content areas in grades K–12. Following Board approval, the final certification document will be signed by the Board President and Secretary, as required by the Texas Education Agency

Reading Language Arts Scope and Sequence - All Grade Levels:

Are instructional materials for English RLA and phonics managed at the LEA level and generally consistent across classrooms?

- Yes**
- No

For school year 25–26 will your LEA make materials available for use that cover 100% of the **English RLA TEKS grades K–5**? (This includes teacher- or LEA-developed materials. You may select "yes" even if not all classrooms use the same materials).

- Yes**
- No

Powered by Qualtrics 

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **English RLA and/or Phonics grades K–5** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.

Please provide a brief description of the **full-subject and/or supplemental** materials you use for **English RLA grades K–5** that you described as "other."

Please provide publisher and name of product.

Georgetown ISD YAG, curriculum documents, and planning guides

Powered by Qualtrics 

For school year 25–26 will your LEA make materials available for use that cover 100% of the **Spanish RLA grades K–5**? (This includes teacher- or LEA -developed materials. You may select "yes" even if not all classrooms use the same materials).

- Yes**
- No

Powered by Qualtrics [↗](#)

Select **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will regularly use (once a week or more, on average) for **Spanish RLA and/ or Phonics grades K–5** instruction to ensure coverage of 100% of the TEKS (do not include products used to build classroom libraries).

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.

Mathematics Scope and Sequence - All Grade Levels:

Are instructional materials for mathematics managed at the LEA level and generally consistent across classrooms?

- Yes
- No

For school year 25–26 will your LEA make materials available for use that cover 100% of the **Mathematics TEKS grades K–5**? (This includes teacher- or LEA -developed materials. You may select "yes" even if not all classrooms use the same materials).

- Yes
- No

Powered by Qualtrics 

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **mathematics grades K–5** instruction to ensure coverage of 100% of the TEKS. [Single select for each grade band]

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.

Please provide a brief description of the **full-subject and/or supplemental** materials you use for **mathematics grades K–5** that you described as "other."

Please provide publisher and name of product.

Georgetown ISD YAG, curriculum documents, and planning guides

Powered by Qualtrics 

For school year 25–26 will your LEA make materials available for use that cover 100% of the **mathematics TEKS grades 6–8**? (This includes teacher- or LEA -developed materials. You may select "yes" even if not all classrooms use the same materials).

Yes

No

Powered by Qualtrics [↗](#)

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **mathematics grades 6–8** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.

Social Studies Scope and Sequence - All Grade Levels:

Are instructional materials for social studies managed at the LEA level and generally consistent across classrooms?

- Yes
- No

For school year 25–26 will your LEA make materials available for use that cover 100% of the **social studies TEKS grades K–5**? (This includes teacher- or LEA -developed materials. You may select "yes" even if not all classrooms use the same materials).

- Yes
- No

Powered by Qualtrics 

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **social studies grades K–5** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.

For school year 25–26 will your LEA make materials available for use that cover 100% of the **social studies TEKS grades 9–12?** (This includes teacher- or LEA -developed materials. You may select "yes" even if not all classrooms use the same materials).

- Yes**
- No

Powered by Qualtrics [↗](#)

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **social studies grades 9–12** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **science grades 9–12** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.

The Children's Internet Protection Act

The Children's Internet Protection Act (CIPA) was enacted by Congress in 2000 to address concerns about children's access to obscene or harmful content over the Internet. (You may find more information on the FCC website.)

In accordance with Texas Administrative Code 19 TAC §66.105, school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C) [Section 28.0022](#), [Section 43.22](#), Penal Code, and any other law or regulation that protects students from obscene or harmful content.

Does your district or charter school protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C), Section 28.0022, Penal Code, and any other law or regulation that protects students from obscene or harmful content?

Please upload the signature page of the Certification Survey with the final page ratified.

In accordance with [Texas Education Code 31.1011](#), local educational agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA).

Budget Amendment No. 9 for 2024-25

Background Information:

General Fund

The budget amendment for the General Fund is shown by functional category and detailed on the attached summary page. The detailed transfers were requested by District staff to account for increases or decreases to expenditure categories as indicated. These have no effect on fund balance.

The current budget column reflects the adopted budget; the increase/(decrease) column total reflects all of the increases or decreases to revenue/expenditure categories; and the amended budget column reflects the budget revision. With the approval of the budget revisions, the ending unaudited fund balance is expected to be \$35.7 million by June 30, 2025.

Low Attendance Waivers

Background Information:

Attendance reporting has a direct relationship to funding under the current school finance system. School district's general fund revenue is based on average daily attendance (ADA). Texas Education Agency (TEA) allows a district to submit a waiver to excuse ADA if the attendance rate for a day is 10 percentage points below the previous year's attendance rate through the 4th six weeks of the school year.

There were six low attendance days in 2024-2025:

January 13, 15, 16 and 17, 2025 due to illness (Carver Elementary).

January 21, 2025 related to district closure due to bad weather (District Wide).

January 29, 2025 related to a safety threat (GHS and RHS).

Purchasing Cooperative Program Management Fees Report

Background Information:

A law added by Acts 2007, 80th Legislature, requires that school districts disclose the amounts spent on purchasing cooperative fees on an annual basis. Specifically, it states:

Sec. 44.0331. MANAGEMENT FEES UNDER CERTAIN COOPERATIVE PURCHASING

CONTRACTS. (a) A school district that enters into a purchasing contract valued at \$50,000 or more under Section 44.031(a)(5), under Subchapter F, Chapter 271, Local Government Code, or under any other cooperative purchasing program authorized for school districts by law shall document any contract-related fee, including any management fee, and the purpose of each fee under the contract.

(b) The amount, purpose, and disposition of any fee described by Subsection (a) must

BOARD AGENDA ITEM

be presented in a written report and submitted annually in an open meeting of the board of trustees of the school district. The written report must appear as an agenda item.

(c) The commissioner may audit the written report described by Subsection (b).

The fees paid by Georgetown ISD for cooperative purchasing contracts in FY 2023-24 are reported on the attachment.

TCEQ Propane School Bus Grant

Background Information:

Last December, the Board approved a grant offered through the TCEQ (Texas Commission on Environmental Quality) for the purchase of two new propane buses. We were recently contacted regarding an opportunity to purchase three additional buses through the same TCEQ grant.

The grant would provide \$120,000 in funding per bus. The cost of a new propane bus is approximately \$168,000, resulting in a net cost per bus of about \$48,000, (over 70% savings).

The new buses would replace three of our older model (15-plus year old) diesel buses.

Cellular Tower Lease Agreement

Background Information:

Cellular Tower Lease Proposal

GISD has negotiated a lease agreement with a cellular signal service provider to install and

manage cellular network equipment on an already existing cellular tower in GISD. The tower is located on a small parcel of land adjacent to Mitchell Elementary just off of Rock Ride Ln. The terms of the agreement exist for 5 years with 25 years of renewal.

The benefit to GISD is rental revenue in the amount of \$1200/month for the first 5 years. On each 5 year anniversary of the agreement the monthly rental paid to the district will increase by 12%. Over the next 5 years this project will net approximately \$72,000 to GISD.

Consideration and Possible Approval of Construction Material Testing Fees for the High School #4 Project

Background Information:

This Project is part of the 2024 Bond program.

Raba Kistner Consultants will provide professional services for the required construction material testing for this project. Tests include: soils compaction tests, concrete reinforcing steel, concrete placement, structural steel welds, etc.

Raba Kistner Consultants provided the geotechnical soil analysis and reporting early in the design phase of this project. This firm will provide the best value to GISD for this service since they have the historical knowledge of this project from the design phase and will provide consistency through the construction phase of this project.

BOARD AGENDA ITEM

This work will be contracted as a fixed fee in lieu of a percentage of construction cost. The fee is a not-to-exceed amount of: \$867,660.73.

BOARD AGENDA ITEM

Superintendent's Recommendations:

I move that the Board of Trustees adopt the Resolution Authorizing Designated Administrators to Accept Contract Employee Resignations, as presented.

**RESOLUTION OF THE GEORGETOWN INDEPENDENT SCHOOL DISTRICT
AUTHORIZING DESIGNATED ADMINISTRATORS TO
ACCEPT CONTRACT EMPLOYEE RESIGNATIONS**

WHEREAS, the Board of Trustees of the Georgetown Independent School District (“GISD”) is authorized under Chapter 21 of the Texas Education Code to accept the resignation of contract employees or to designate another person to do so; and

WHEREAS, GISD has adopted Board Policy DFE(LOCAL), which governs the resignation of employees and authorizes the Superintendent to accept written resignations of contract employees; and

WHEREAS, under Board Policy DFE(LOCAL), the Board of Trustees may designate other persons to accept the resignation of contract employees; and

WHEREAS, the District has an ongoing need to efficiently process employee resignations in order to ensure timely staffing decisions and maintain continuity of operations; and

WHEREAS, the Board of Trustees wishes to delegate authority to designated administrators to accept the written resignations of contract employees:

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Georgetown Independent School District as follows:

- In addition to the Superintendent, the Assistant Superintendent of Human Resources, the campus principal, and any other administrator with direct supervisory authority over a resigning contract employee is hereby authorized to receive and accept the contract employee’s written resignation submitted or effective at any time.
- An acceptance must be signed and dated by the Superintendent or other designated administrator to be effective.

Approved this 22 day of April 2025.
