Dear David City Public Schools' Board of Education,

Please accept this letter as my official resignation effective Wednesday, June 30, 2027. My last day in the office will be Thursday, June 24, 2027.

I can't thank the current board members (Stephanie Summers, Marcus Thoendel, Kasey Kuhlman, Donnie Moravec, Justin Krafka, and Klay Kasik) enough for your support. With that being said, I also want to thank former board members (Mark Otte, Julie Danielson, Eric Betzen, Linda Vandenberg, Mark Kirby, Darrell Allen, and Nathan Olson) as well. Former superintendent Jerry Phillips was very instrumental in the transition upon his retirement. He even allowed me to make my first unofficial hire when we selected Cortney Couch as our assistant principal in the high school.

When I arrived more than thirteen years ago, my goal was to leave this place in a better position than when I arrived. It is my hope that the community will agree that has happened. With that being said, it is now time for new leadership. I am excited for a new superintendent to continue the work with their own special talents and hope to help make the transition a smooth process.

All three of our sons received a wonderful education and I am proud of the fact all three are David City alumni and will forever be part of Scout Nation. David City Public Schools is blessed with a very caring, quality staff that is second to none. There are way too many staff to acknowledge and credit their efforts so I won't even try. However, I do want to give a big shout out to my office ladies and my admin team. The saying is true, surround yourself by good people and stay out of their way and the organization will be successful.

I would like to thank Chantel, who is not only my wife, but my life partner and best friend. She raised our boys which allowed me to chase my dream of being a school superintendent. I would also like to thank Clayton, Caden, and Cohen, our three boys. It wasn't always easy being known as the administrator's son, but each of you handled the pressure and criticism very well.

My professional journey started in February of 1994 as a teacher and coach at Crete High School. After more than 33 years of spending time in five different school districts, it is time to find a new career path as rewarding as the field of education.

Professionally,

Dr Chad Denker, DCPS Superintendent

David City Public Schools Board Members,

Thank you for considering the Nebraska Rural Community Schools Association (NRCSA) Superintendent Search Service for your Superintendent search. We look forward to sending two of our experienced search consultants to meet with you and believe that you will find NRCSA's search process to be diligent, complete, transparent, and tailored to the needs of David City Public Schools.

NRCSA prides itself on the quality of its search consultants and we will assign two to your search for the same or less cost that other firms charge for assigning one. Our consultants are retired successful rural school Superintendents. They know what it takes for a Superintendent to be successful in dealing with a rural community, rural patrons, rural students and staff, and a rural Board of Education. They understand what is entailed in being a successful leader in a rural community. We believe that the increased attention and effort provided by our consultant team will provide your Board with the best information and guidance available as you make the critical selection of your district's future leader.

NRCSA's consultants and staff will help your Board plan an effective search process, relieve you of the paperwork burden that a complete search entails, actively recruit and screen for high quality candidates, and assist you in the finalist selection and interview phases.

Our consultants, all former Nebraska Superintendents, do the detailed work of a leadership search personally. We do not outsource the reference-checking and fact-finding that effective candidate screening requires, and we make every effort to provide you with accurate and practical recommendations on avoiding the legal pitfalls that can plague the search process. Our goal is to be the Board's hands-on partner in all phases of its Superintendent search and we bring years of collective educational experience to that effort.

Again, thank you for considering NRCSA's Superintendent Search Service. We hope we can have an opportunity for our consultants to visit with you personally in the near future. Best wishes for a very successful leadership search.

Sincerely,

Paul Sheffield, Executive Director

Why Partner with NRCSA for Search Services

August 12, 2026

As an experienced Board of Education, you recognize that finding the right Superintendent is perhaps the most important task your Board will undertake. But, finding the right Superintendent is not a simple task. Your Board must clearly define your district's needs, find and attract top quality candidates, screen applicants carefully, interview effectively, select with sound judgment, and engage staff and other stakeholders in order to build support for the new leader as he or she joins your district and community.

Fortunately, you don't have to tackle these tasks alone. You can have a partner at your side with more than 40 years of serving the needs of Nebraska's schools: the **Nebraska Rural Community Schools Association.**

Why NRCSA? We believe we can offer our members unparalleled assistance in selecting the right leader. Here are some reasons why:

- NRCSA has a unique understanding of school leadership from our members' perspective as Board members and Superintendents/Administrators. Our consultants will come to you from a background as local rural school leaders. As experienced Superintendents, they have first hand experience in what it takes to be a successful educational leader in Nebraska's rural communities.
- NRCSA is a very successful Superintendent Search Service. In the five-year period from 2019-20 through 2023-24, NRCSA consultants conducted 48 permanent Superintendent Searches. 37 of those districts have a NRCSA-placed Superintendent still serving there, an 77.1% longevity rate.Since 1980, NRCSA has represented Nebraska's rural community schools and ESU's.
- Since 1980, NRCSA has represented Nebraska's rural community schools and ESU's.
- NRCSA's focus is solely on local schools and communities and the agencies, such as ESU's, which serve them. They are the reason for NRCSA's existence and we are dedicated as an organization to serving them as effectively as possible.
- NRCSA is committed to helping our local schools and communities be successful. We do not view you as simply a dues-paying member, but more as a partner.
- NRCSA isn't done with you when the leadership search is completed. We want to continue to be your partner in providing high quality education to rural Nebraska's students and their communities.

Services Proposal for David City Public Schools

NRCSA offers three different types of Superintendent searches – a full, permanent search, a discounted search, and interim Superintendent searches. The charts on the following pages provide points of comparison. This page outlines the NRCSA services for a full, permanent search.

Our Consultants--For a full-service Superintendent Search, NRCSA will provide the services of two outstanding Superintendent Search consultants, both former experienced rural school Superintendents and community leaders.

Search Phases--NRCSA's consultants will work with your Board to conduct a successful full-service Superintendent Search in five phases:

Planning Phase. NRCSA's consultants will:

- Develop a comprehensive plan and timeline for the search. (A sample timeline can be found on **p. 8**.)
- Develop your school district and candidate profiles.
- Develop a stakeholder engagement plan to involve staff and community leaders in the search process. **This step will be modified for a discounted search.**
- Develop a NRCSA Announcement of Vacancy (AOV), which highlights your school and community. (A sample AOV is found on **p. 9.**)
- Develop the advertising campaign. The consultants will discuss with the Board whether to use paid advertising. This decision rests with the Board.
- Provide information on comparable compensation packages and contract language. Contract comparisons and suggestions are offered for full searches.

Recruiting/screening Phase. NRCSA's consultants will:

- Distribute the Announcement of Vacancy to a wide audience and advertise in appropriate media.
- Actively seek out candidates that meet your district's profile.
- Compile applicant data and keep track of the status of each candidate
- Conduct extensive reference calls on your applicants. NRCSA consultants make these detailed calls **personally**; we do not use e-mail questionnaires or hired assistants.
- Analyze applicants' materials and categorize candidates for the Board's consideration.

Finalist Selection Phase. NRCSA's consultants will:

- Meet with the Board to review ALL applicants' files.
- Inform the Board of Nebraska's open meeting requirements for finalist selection. Recommend potential finalists to the Board.
- Arrange for One Source background checks on finalists at NRCSA's expense. **Background checks are at the District's expense for Discounted Searches**.

Interview Phase. NRCSA's consultants will:

- Assist the Board and staff in establishing interview and candidate visitation.
- Meet with the Board and staff/community committees to review interview questions, including avoiding questions that are illegal or inappropriate.
- Schedule finalists' interviews and attend **all** interview sessions.

- Work with the Board to establish a rubric to evaluate each candidate.
- Make contact with the candidates who were not selected.

Transition Phase. NRCSA's consultants will:

- Meet with the new Superintendent and Board to plan a successful transition.
- Assist the new Superintendent in creating initial performance goals.
- Coordinate with NRCSA to provide additional transition services, such as a Superintendent-Board Planning Workshop, if desired.
- The Superintendent-Elect and the Board President will be invited to the NRCSA Spring Conference with registration fees waived.

The Transition Phase is not included in a discounted search.

What Does It Cost?

The full set of services listed in the five Phases above, except for additional planning services, are included in NRCSA's base fee of **$5,500** for member schools. The cost for non-member schools is **$6,500**. NRCSA membership dues are $850 per district annually.

- Reimbursable expenses are limited to actual **advertising expenses** as selected by the Board and **consultant travel expenses.** For each Superintendent Search meeting with a district, mileage is determined using the average of the mileage to the district from each consultant's home. That round trip mileage total will be multiplied by the State of Nebraska's mileage reimbursement rate. Lodging expenses for night meetings when distance or weather require overnight stays will be approved by the Board.
- There is NO charge for the on-site meeting with the Board prior to their selection of the search firm, or for telephone calls, copies, or other office expenses.
- Additional services are available to NRCSA members, such as a Superintendent-Board Planning Workshop. Costs are set by the NRCSA Executive Director.

How Long Will It Take? In general, a thorough search can be done in approximately a two-month period of time although each search is customized to district needs and that may require an expedited search or additional time. A Sample timeline is included in this booklet, but the final timeline will be worked out with the Board at our initial planning meeting.

Is There A Warranty? NRCSA provides this warranty: If the new Superintendent resigns because of expressed dissatisfaction with the position, or if the new Superintendent is asked by the Board to resign, or if the Board implements non-renewal procedures within the first **two years** of employment, NRCSA will conduct a new search for the resulting vacancy with payment limited to reimbursable expenses only. Declining to participate in the NRCSA transition meeting after the initial search will void the warranty. **The warranty is not offered for discounted searches.**

Does NRCSA Offer Other Search Options. Yes, a discounted search with more limited services at a cost of **$3,000** for member schools ($4,000 for non-members) is offered as well as two options for Interim Superintendent Searches. NRCSA membership dues are $850 per district annually.

Getting the Word Out for David City Public Schools

Finding top quality Superintendent candidates for David City Public Schools requires a broad advertising strategy that reaches both free and optional paid media.

First, NRCSA consultants actively recruit highly qualified candidates for your Superintendent Search through their **network of contacts** with college and university faculty and the alumni of Superintendent training programs such as UNL's Superintendent Academy and NCSA's Emerging Superintendent Workshops.

Second, NRCSA will distribute your Superintendent Vacancy Announcement through a variety of **free media sources**, including:

- NRCSA Website
- NRCSA Facebook Page
- NRCSA X (formerlyTwitter) Page
- Teach In Nebraska
- I'm A Rural Teacher (NREA Job Board)
- Handshake (formerly Husker Hire)
- NCSA
- Schoolsuperintendentjobs.com
- E-mailed to all NRCSA member schools and ESU's
- E-mailed to all NRCSA Superintendents and ESU Administrators
- E-mailed to NRCSA Principals
- E-mailed to NRCSA-sized schools and ESU's that may not be members
- E-mailed to the Educational Administration Departments at Nebraska colleges and universities that prepare Principals and Superintendents.
- E-mailed to a vast number of colleges, universities, and organizations in neighboring states
- E-mailed to your consultants' networks of colleagues throughout the state and region.

Third, we help you devise a **paid media strategy**, if you wish to use one, to expand the reach of your Superintendent search. Comprehensive advertising plans that include on-line and print job ads are offered by the **Omaha World-Herald**, covering eastern Nebraska, several regional Nebraska newspapers, and outlets in nearby states.

The World-Herald's Basic on-line job advertising plan costs $335 for a 30-day placement. It includes placement on Omaha.com, more than 30 on-line job boards (such as Indeed and Zip Recruiter), social networks to access Twitter and LinkedIn job seekers, and Featured Jobs on the owhjobs home page. Advanced ($485) and Premium ($605) 30-day on-line plans are also available.

World-Herald print advertising plans can accompany an on-line plan. The cheapest is a 1/8-page (roughly 5"x5") color ad priced at $223 per day. This must be coupled with one of the on-line plans above putting the minimum cost for a single Sunday print ad and 30-day on-line ad at $558.

NRCSA can also inform you of advertising options for central Nebraska and nearby states if you want to explore additional paid advertisements.

NEBRASKA RURAL COMMUNITY SCHOOLS ASSOCIATION
440 South 13th Street, Suite B
Lincoln, NE 68508

AGREEMENT FOR SUPERINTENDENT SEARCH SERVICES:

This agreement is entered into between the Nebraska Rural Community Schools Association (hereinafter "NRCSA") and the Board of Education of David City Public Schools (hereinafter "the Board").

TERMS OF AGREEMENT

I. Through its consultants, NRCSA will provide the Superintendent Search Services described below:

A. Planning Phase. <u>NRCSA's consultants will:</u>

1. Meet with the Board of Education to develop a comprehensive plan for the search process.
2. Develop a school district profile, which includes the district's strengths and challenges.
3. Develop a candidate profile, which includes desired characteristics and expectations for the district's Superintendent.
4. If desired by Board, develop a stakeholder engagement plan, which allows district staff and community members to participate in creating the district profile, assist in developing characteristics and expectations for the Superintendent, and/or participate in the interview process.
5. Identify initial elements of the Board's proposed salary and benefit package for the new Superintendent and research Superintendent compensation packages in comparable districts.
6. Develop a vacancy notice, which includes community demographics, an overview of the school's features and performance, desired characteristics and expectations for the Superintendent, and outlines application procedures.
7. Develop a timeline with key target dates for each step of the selection process.

B. Recruiting and Screening Phase. NRCSA's consultants will:

1. Distribute the vacancy notice to school districts, colleges, ESU's, professional organizations, and other sources of applicants.
2. Advertise in the Omaha World-Herald and/or other appropriate media.
3. Actively seek out candidates that meet the district's selection criteria.
4. Instruct candidates to complete a NRCSA application form and submit specified materials.
5. Compile applicant data including cover letter, application form, letters of reference, transcripts, etc.
6. Keep track of the status of each applicant.
7. Conduct initial reference checks on all applicants and more detailed reference checks on candidates being considered for recommendation as finalists.
8. Analyze each applicant's materials based on the district's candidate profile. Categorize candidates for Board consideration based on the extent to which they fit the district's candidate profile.

C. Finalist Selection Phase. NRCSA's consultants will:

1. Meet with the Board to review all applicants' files.
2. Prepare an applicant summary form for the Board which includes data for all applicants who have completed the application process. In addition, the application files of all candidates who have completed the process will be made available to the Board.
3. Make recommendations to the Board of potential finalists based on the results of the consultants' analysis of application materials and screening process.
4. Arrange for a qualified vendor, currently OneSource, to conduct background checks on finalists. NRCSA will arrange with the vendor to conduct a basic criminal background check (Check Plus level) and Department of Motor Vehicles check and provide a summary of the results to the Board.
5. Review comparable salary and benefit information with the Board.
6. If desired, share model Superintendent contract language with the Board for its consideration. However, an employment contract should be approved by the school district's attorney before being offered.

D. Interview Phase. NRCSA's consultants will:

1. Assist the Board in establishing interview and candidate visitation procedures.
2. In coordination with district staff, contact the finalists to schedule interviews.
3. Coordinate the interview day(s) with district staff.
4. Assist the Board, employee committee, and community committee in developing interview questions.
5. Review appropriate interview procedures, including avoiding questions that are illegal or inappropriate.
6. Work with the Board to establish a means to evaluate each candidate.
7. Establish a process for employee and community committees to submit appropriate input to the Board.
8. After the Board has made selection, contact non-selected candidates. Notify all applicants once the final selection is made.

E. Transition Phase. NRCSA's consultants will:

1. Meet with new Superintendent and Board to plan a successful transition.
2. Assist the new Superintendent in creating performance goals.
3. Coordinate with NRCSA to provide additional transition services, such as a Superintendent-Board Planning Workshop. These optional services are available for NRCSA members only.

II. Fees and Expenses.

A. Services listed in Phases A through E with the exception of additional transition services are included in the base fee of **$5,500.**

B. Expenses reimbursable to NRCSA include all actual **vacancy advertising expenses** and consultant **travel expenses**. For each Superintendent Search meeting with a district, mileage is determined using the average of the mileage to the district from each consultant's home. That round trip mileage total will be multiplied by the State of Nebraska's mileage reimbursement rate. This includes travel to the district for profile meeting or meetings, finalist selection meeting, interviews, and transition services meetings. Lodging expenses for night meetings or when distance, or weather require overnight stays will be approved by the Board. No travel expense will be charged for the initial proposal meeting with the Board. Reimbursement for other unexpected expenses will only be sought with the approval of the Board.

C. Additional transition and/or planning services may be customized to the district's needs and a fee for such services, which are available to NRCSA members only, must be negotiated with the NRCSA Executive Director.

D. Payment to NRCSA will be in two installments: One-half of the base fee is due within 30 days after the agreement is signed; the remaining base fee and all expense reimbursement except those associated with transition services is due within 30 days of the hiring of the new Superintendent.

III. **Warranty.** NRCSA provides the following warranty of its services. If the new Superintendent resigns because of expressed dissatisfaction with the position, or if the new Superintendent is asked by the Board to resign after expressed dissatisfaction, or if the Board implements non-renewal procedures within the first **two years** of employment, NRCSA and consultants will conduct a new search for the resulting vacancy with payment limited to reimbursable expenses only. Declining to participate in the follow-up transition meeting will void the warranty.

IV. **Legal Services:** NRCSA's consultants will endeavor to render services **in** full compliance with applicable law but will not undertake to provide legal advice to the Board. The Board is encouraged to involve its legal counsel with respect to issues arising under the Nebraska Open Meetings Act, the Nebraska Public Records Act, and the Superintendent's contract.

V. **Non-Discrimination**: The Association and the Consultants shall comply with all applicable local, state, and federal statutes and regulations regarding civil rights and equal opportunity employment in connection with all services rendered under the provisions of this Agreement. Neither the Association nor the Consultants shall discriminate against, or assist any client school district in discriminating against, any employee or applicant for employment because of his or her race, color, religion, sex, disability or national origin.

VI. **Signatures. In witness whereof the parties have signed and entered into this agreement.**

This agreement is entered into between the Nebraska Rural Community Schools Association (hereinafter "NRCSA") and the Board of Education of David City Public Schools (hereinafter "the Board").

TERMS OF AGREEMENT

I. Through its consultant, NRCSA will provide the limited Superintendent Search Services described below:

A. Planning Phase. NRCSA's consultant will:

1. Meet with the Board of Education to develop a comprehensive plan for the search process.
2. Develop a school district profile, which includes the district's strengths and challenges.
3. Develop a candidate profile, which includes desired characteristics and expectations for the district's Superintendent.
4. Identify initial elements of the Board's proposed salary and benefit package for the new Superintendent and research Superintendent compensation packages in comparable districts.
5. Develop a vacancy notice, which includes community demographics, an overview of the school's features and performance, desired characteristics and expectations for the Superintendent, and outlines application procedures.
6. Develop a timeline with key target dates for each step of the selection process.

B. Recruiting and Screening Phase. NRCSA's consultant will:

1. Distribute the vacancy notice to school districts, colleges, ESU's, professional organizations, and other sources of applicants.
2. Advertise in the Omaha World-Herald and/or other appropriate media at client expense.
3. Actively seek out candidates that meet the district's selection criteria.
4. Instruct candidates to complete a NRCSA application form and submit specified materials.
5. Compile applicant data including cover letter, application form, letters of reference, transcripts, etc.
6. Keep track of the status of each applicant.
7. Conduct initial reference checks on all applicants using support of a second consultant and more detailed reference checks on candidates being considered for recommendation as finalists.
8. Analyze each applicant's materials based on the district's candidate profile. Categorize candidates for Board consideration based on the extent to which they fit the district's candidate profile.

C. Finalist Selection Phase. NRCSA's consultants will:

1. Meet with the Board to review all applicants' files.
2. Prepare an applicant summary form for the Board which includes data for all applicants who have completed the application process. In addition, the application files of all candidates who have completed the process will be made available to the Board. The client District will be asked to copy and distribute some candidate materials.
3. Make recommendations to the Board of potential finalists based on the results of the consultants' analysis of application materials and screening process.
4. Arrange for a qualified vendor, currently OneSource, to conduct background checks on finalists. NRCSA will arrange with the vendor to conduct a basic criminal background check (Check Plus level) and Department of Motor Vehicles check and provide a summary of the results to the Board at the client's expense.

D. Interview Phase. <u>NRCSA's consultant will:</u>

1. Assist the Board in establishing interview and candidate visitation procedures. Client will be asked to copy and distribute finalist materials and interview packets.
2. In coordination with district staff, contact the finalists to schedule interviews.
3. Coordinate the interview day(s) with district staff via telephone.
4. Apprise Board of open meetings/open records requirements.
5. Conduct one pre-interview meeting with the faculty/staff and community committees to develop interview questions and procedures.
6. Review appropriate interview procedures, including avoiding questions that are illegal or inappropriate.
7. Work with the Board to establish a rubric to evaluate each candidate.
8. Establish a process for employee and community committees to submit appropriate input to the Board.
9. After the Board has made selection, contact non-selected candidates. Notify all applicants once the final selection is made.

II. Fees and Expenses.

A. Services listed in Phases A through D are included in the base fee of **$3,000**.

B. Expenses reimbursable to NRCSA include all actual **vacancy advertising expenses** and consultant **travel expenses.** For each Superintendent Search meeting with a district, mileage is determined using the average of the mileage to the district from each consultant's home. That round trip mileage total will be multiplied by the State of Nebraska's mileage reimbursement rate. This includes travel to the district for profile meeting or meetings, finalist selection meeting, interviews, and transition services meetings. Lodging expenses for night meetings or when distance, or weather require overnight stays will be approved by the Board. No travel expense will be charged for the initial proposal meeting with the Board. Reimbursement for other unexpected expenses will only be sought with the approval of the Board.

C. Payment to NRCSA will be in two installments: One-half of the base fee is due within 30 days after the agreement is signed; the remaining base fee and all expense reimbursement except those associated with transition services is due within 30 days of the hiring of the new Superintendent.

III. Warranty. No warranty is provided with reduced search services.

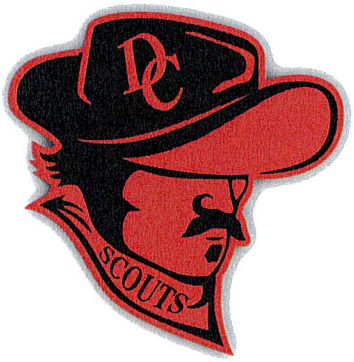

IV. Legal Services: NRCSA's consultant will endeavor to render services in full compliance with applicable law but will not undertake to provide legal advice to the Board. The Board is encouraged to involve its legal counsel with respect to issues arising under the Nebraska Open Meetings Act, the Nebraska Public Records Act, and the Superintendent's contract.

V. **Non-Discrimination**: The Association and the Consultant shall comply with all applicable local, state, and federal statutes and regulations regarding civil rights and equal opportunity employment in connection with all services rendered under the provisions of this Agreement. Neither the Association nor the Consultants shall discriminate against, or assist any client school district in discriminating against, any employee or applicant for employment because of his or her race, color, religion, sex, disability or national origin.

VI. Signatures. In witness whereof the parties have signed and entered into this agreement.

David City Board of Education,

We appreciate the opportunity to share information on the NASB Superintendent Search Service with the Board of Education. The Nebraska Association of School Boards provides a multitude of services to our members, including superintendent search services.

My name is Shari Becker, and I am the Director of the Nebraska Association of School Boards Education Leadership Search Service. I have been the Director of the Search Service since April of 2013 and worked for the Service for six years prior to becoming the Director.

Hiring a superintendent is one of the most important decisions a school board will make. The NASB Search Service looks at the process through the eyes of a board member. We ensure a highly professional search process that will attract quality applicants but will also bring credit to the board for the manner in which the search is conducted.

The NASB search process is a cost conscious, comprehensive package which covers all details of the search process including the opportunity for NASB to continue to support the superintendent, board, and district after the hire is final.

Please contact me at the number below if you have any questions. The team at NASB would value the opportunity to work with the school district, through the search process.

Respectfully submitted,

Shari L. Becker

Education Leadership Search Proposal

Search Firm Profile

The Nebraska Association of School Boards (NASB) is a private, nonprofit organization that provides programs, services and advocacy to strengthen public education for all Nebraskans since 1918. We provide consultation, board development and training, as well as district support service programs for our 260 member school districts and educational service units across Nebraska. The programs are managed by a professional staff, and governance oversight is carried out by a statewide Board of Directors consisting of local school board and ESU board members from across the state, elected by you as peer board member.

Our Mission: The Nebraska Association of School Boards provides programs, services, and advocacy to strengthen public education for all Nebraskans. Our mission is assembled upon the thought that:

- Every public school board will govern effectively and with integrity.
- Every public school board member will understand the importance, and emphasize increased student achievement.
- Every public school board will practice good stewardship of resources.

NASB has been conducting leadership searches in Nebraska for over 30 years as a service directly offered by the Nebraska Association of School Boards. The key attribute that makes NASB most qualified to conduct this search is our experience and expertise working directly with boards of education. We are extremely knowledgeable with the Open Meetings Law in Nebraska. Our search protocol and procedures on presenting applicants to the board is a process we have shared with the Attorney General's office to ensure compliance.

NASB has a full staff of professionals who are focused on serving public boards of education in Nebraska. Our goal is to find the individual who best fits what the district needs. To find this individual, the staff at NASB will work with the board to develop a specific set of attributes and a Leadership Profile to guide the search. Upon direction from the board, NASB staff will engage other education partners, including staff, administrators, parents, and community in the input process.

Search Service Protocol

In the following section, you will see a detailed outline of the NASB Search Protocol. We typically conduct two to three meetings during the search process. The meetings can be with the full board or a combination of a committee and the board.

NASB Preliminary Work

- Distribute board survey to learn about district strengths and challenges from the board perspective
- Begin creation of marketing brochure
- Advertise vacancy on NASB and other applicable sites

Board Work Session

- Collaborate with the board to design a timeline to guide the search process
- Review and discuss board survey results and Leadership Profile document

NOTE: Leadership Profile is developed from input directly from board members. The Board will review the Profile and NASB will alter, as necessary. The Profile is then used to guide the Board in selecting interview questions, selecting interview candidates, and assessing interview candidates. The Profile will guide a board retreat once the superintendent begins.

- Discuss NASB Statewide Superintendent Salary Survey and compensation package
- Discuss interview questions and procedures
- Discuss interview schedule structure including participants and logistics
- Review and discuss superintendent related documents: job description, evaluation tool, and contract

Note: The Association stipulates in the Search agreement that, following discussion of the contract, the board will communicate and work with the district's school attorney to authorize any and all changes as the Board deems appropriate to the contract

NASB Duties

- Recruit to identify quality applicants
- Receive, process, and screen all completed online applications and supporting documentation
- Conduct comprehensive professional and personal reference checks including internet search, criminal background search, adult/child abuse check and credit check

District Staff and Education Partners

- Engage administration, staff, parents, patrons and community leaders through an electronic survey
- Compile survey comments and provide for board review prior to final meeting

Search Service Protocol (Continued)

Final Special Meeting

- NASB presents all applicant names and screening results to the Board of Education for review and consideration (unless board requests otherwise)
- Upon request, NASB provides a Candidate Assessment document for the board's use during the interview and deliberation process to compare candidate materials and candidate interview
- Finalize interview schedule and questions
- Discuss final interview details and protocol
- Discuss candidate selection and negotiations protocol

Board Final Duties

- Interview candidates for the position
- Negotiate with the candidate of choice (NASB will assist at the board's request)
- Ratify the contract at an advertised meeting of the board

NASB Final Duties

- Handle communications with all applicants and interview candidates
- Coordinate travel arrangements for candidates
- Attend interviews at the request of the board
- Conduct post-interview conference with interview candidates and communicate information to the board

Transition

- Continue communications with board president and incoming superintendent to ensure a smooth transition
- Provide transition document to incoming superintendent to prepare for role
- Arrange mentoring for new superintendent if needed
- Conduct Transition retreat with new superintendent/board prior to new superintendent start date (extra fee may apply)
- Conduct Board Retreat with the board once the new superintendent begins
    - This session fee is included in the search fee except for travel to the district

- Provide a two-year guarantee for boards who complete the Retreat by December of the first contract year.
    - If the superintendent leaves during the first year of their contract, NASB will do the search again with no fee. Expenses will be billed back to the district for travel, background checks, and any fee -based advertising.
    - If the superintendent leaves at the end of the 2nd year of their contract, the guarantee is considered fulfilled. NASB will conduct a new search with a 50% reduced fee plus expenses.

Application Process

The Nebraska Association of School Boards Search Service has an online application process developed to streamline the applicant's ability to apply for positions through the Association. The process provides a vantage point of the applicant's technology skills, and provides secure confidential retention of applicant's records and information. In addition to the application, NASB also requires a letter of application, resume, three reference letters, college transcripts, NE Administrator Certificate and NASB release form. The full packet of completed applicant materials will be provided for Board review as determined by the board.

Applicant Screening Process

It is essential the board understands the experience and qualities each applicant brings to the position. NASB will process and screen all completed applications and supporting documentation. The Association protocol for applicant reference checks and background screenings are qualities that set us apart from competing search consultants.

Our typical screening process involves contacting numerous individuals who have worked with the applicant in their current and past positions. This is in addition to the references provided on the application materials. Our screeners will personally contact these individuals.

We will complete an internet search for each applicant, a check of their certificate with NDE, and a OneSource background check for finalists, as time allows. The OneSource background check includes adult/child abuse, criminal and credit history.

NASB will take their direction from the board regarding what manner the board would like the applicants presented. Consultants will lead the board through a verbal summary of the strengths of candidates and any areas of growth. We will utilize both open and closed session for this process.

Summary of Screening Process

- Screen all completed applications/supporting documentation
- Contact numerous references per applicant for verbal questionnaire
- Provide verbal summary of all applicant information to the board
- Share strengths and areas of growth
- Utilize open and closed session for this process
- OneSource background check

Engaging District Staff and Education Partners

The Association will engage district staff and education partners in a variety of ways throughout the search process. An electronic survey link will be distributed to staff, administration, community and parents. The participants will be asked to provide feedback through the electronic survey, regarding strengths, challenges and preferred attributes for the new superintendent.

In addition to eliciting feedback through the electronic survey, the board may also want to engage staff and education partners in the interview process. During our planning session with the board, we will discuss the specifics of the interview schedule. Each interview schedule is unique to the needs of the district. Generally, boards invite a small number of staff members, administrators and community members to meet with the interview candidates. NASB will provide interview questions and training for these interview team members. The groups will then provide feedback to the board, in written format, as to the strengths and potential weaknesses of the interview candidates. The board will review the feedback as they deliberate about the candidates.

Two Year Guarantee

The Association provides a **two-year** guarantee for boards who complete the final step of the superintendent search process with NASB. This includes completing a Board Retreat or Gallup StrengthsFinder Retreat with NASB. This session fee is covered in the base search fee with the exception of travel. The guarantee protects the district if a superintendent leaves in the first year of the two-year contract. NASB will do the search again with no fee. Expenses will be billed back to the district for travel, background checks, and any additional fee-based advertising. If the superintendent leaves at the end of the 2nd year of their contract, the guarantee is considered fulfilled. NASB will conduct a new search at a negotiated fee.

NOTE: If the board would like to conduct the planning meetings virtually to save travel expenses, this may be arranged after discussion with NASB.

October 8, 2025

Dear School Board Member:

When you work with the Nebraska Association of School Boards (NASB), you get more than a Superintendent Search Service. You get a team of dedicated, quick to communicate, and very knowledgeable individuals. It's without hesitation that I'd highly recommend them for your Superintendent Search Service. Over the past two years now, Yutan Public Schools utilized their search services to help find both an excellent interim and now a full-time Superintendent and continue to utilize their services.

Once NASB is engaged, they take the lead in guiding the entire search process and help put you at ease. Before initiating any steps, they ensure they have a clear understanding of what the full Board envisions in an ideal candidate and then crafts the search. From there, they establish a structured timeline, provide thoughtful recommendations, and always remain available to answer questions and offer support at every stage.

Because of NASB, our Board had a clear understanding of what was needed and how the search process would unfold. NASB was consistently responsive and always willing to adjust their approach to meet any evolving needs of the Board. They were very professional with our District staff and administration and helped the Board navigate all the unknowns. Their guidance, organized and in-depth materials, and knowledge were extremely valuable and without doubt afforded our district a very positive experience in going through the challenges of finding the right fit.

Best Regards,

Adam Wacker
Board President
Yutan Public Schools

To Whom It May Concern,

Our school district had the opportunity to work with the Nebraska Association of School Boards (NASB) during our superintendent search. I am writing this letter in full support of NASB and the services they provided throughout this important process.

From the very beginning, NASB was there to assist and educate us. As a board member who had never participated in a hiring search before, it was incredibly valuable to partner with an organization that brought such knowledge and experience. Their transparency, responsiveness, and willingness to answer any question—big or small—helped put our entire board at ease.

NASB supported us every step of the way. They guided us in selecting appropriate interview questions, identifying qualified candidates, and assisted us on the day of interviews. Their communication with all board members was timely, professional, and efficient. As a first-term board member, I greatly appreciated their insight, advice, and commitment to helping us make informed decisions.

I firmly believe our search was successful because of NASB's involvement. Finding the right superintendent is vital to the success of any district, and NASB's partnership made that possible for ours. While I hope to never go through another superintendent search, I know that if we do, having NASB at our side is essential.

Sincerely,

Laura Robbins
Board Secretary
Sumner – Eddyville – Miller Schools

Dear school board member,

First of all, Thank you! Thank you for being willing to serve your community by being a member of your local school board. It is a very important, often overlooked and many times thankless job, that you have taken on. You don't hear it enough, so, thank you.

I am writing this letter to recommend that you consider NASB as your search firm, as you embark upon the difficult task of finding the superintendent that is right for your school district. For the past eight years I have worked closely with many of the employees of NASB, and the most impressive thing that I have noticed is how well they all work together as a team. When you hire NASB as your search firm, you don't just get Shari Becker, who is excellent at her job, you get everyone she works with. There has never been a time, I did not get a satisfactory answer to a question, though the answer doesn't always come directly from the person I asked. All the staff knows their team members strengths, and use those strengths to best fit the needs of the district they are working with, in whatever capacity they are serving that district at the time.

I have been through two superintendent searches now, both with NASB. Both searches have been as smooth and easy as I could have wanted them to be. Both searches ended with our district hiring well qualified, dedicated professionals that served/serve our district very well. Shari did such an amazing job, in both cases, of providing us with excellent candidates, and all of the information that we needed to make an informed decision. In the first search, I was a board member, and was impressed with all of the information that was provided. At the time of our second search, I was the board chair, and Shari answered ALOT of phone calls, and questions from me. She was always very professional, caring, and easy to talk to, as well as being informative.

In conclusion, NASB has provided quality services in every aspect to our district and comes highly recommended.

Sincerely,

Justin Ansley
School Board President

Our Approach

Inclusive. Proven. Transparent.

Our Search Protocol

McPherson & Jacobson utilizes a structured, comprehensive, and collaborative approach to superintendent searches that is grounded in stakeholder engagement, transparency, and a deep commitment to identifying high-quality leadership. Our process is designed to support the board through each phase of the search while allowing board members to focus on the most critical responsibilities, interviewing and selecting the successful candidate. Through a consensus-driven process, we work closely with the board to define the leadership profile, establish timelines, and ensure alignment with the district's unique needs and priorities.

Central to our approach is meaningful stakeholder involvement and intentional recruitment. We actively engage diverse stakeholder groups to gather input on the strengths, challenges, and desired characteristics of the next superintendent, ensuring the process reflects the voices of the community. At the same time, our consultants leverage a nationwide network to recruit a diverse and highly qualified candidate pool, including individuals who may not be actively seeking new positions. Each candidate is thoroughly screened, evaluated against board-identified criteria, and supported through a confidential and professional process. This comprehensive approach ensures the board is presented with candidates who are not only highly qualified, but also aligned with the district's vision and goals.

5 Phases of a McPherson & Jacobson Search

Phase I
Designing the Search Process

During Phase I, McPherson & Jacobson works closely with the board to establish a strong foundation for a successful search. Key activities include:

- **Defining Leadership Priorities**

We guide the board through a collaborative process to identify the most important characteristics and qualifications for the next superintendent. These criteria serve as the foundation for recruitment and candidate evaluation.

- **Establishing the Search Timeline**

We develop a detailed search calendar outlining key milestones, including advertising, application deadlines, interview dates, selection, and the anticipated start date for the new superintendent.

- **Determining Recruitment Strategy**

In partnership with the board, we identify appropriate advertising venues and outreach strategies to ensure a broad and high-quality candidate pool. Recommended options, including associated costs, are provided for consideration.

- **Identifying Stakeholder Groups**

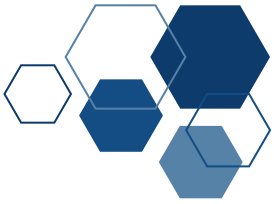

The board identifies key stakeholder groups to participate in the input process. We assist in structuring engagement opportunities to ensure meaningful and inclusive participation.

- **Reviewing Compensation Parameters**

To support recruitment of top candidates, we provide comparative compensation data from similar districts and recent searches. This information assists the board in establishing a competitive salary range. Final compensation decisions remain with the board.

- **Establishing District Coordination**

The board designates a point of contact to coordinate logistics throughout the search, including scheduling, communication, and stakeholder engagement support.

Phase II
Stakeholder Input & Recruiting Applicants

During Phase II, McPherson & Jacobson facilitates stakeholder engagement and implements a comprehensive recruitment strategy to attract a strong and diverse candidate pool.

- **Coordinating Stakeholder Engagement**

We work with the district's point of contact to schedule stakeholder meetings and coordinate communication to ensure strong participation.

- **Facilitating Stakeholder Input**

We meet with stakeholder groups identified by the board to gather input on district strengths, leadership priorities, and key challenges for the next superintendent. Common groups include administrators, teachers, staff, students, and community members.

For those unable to attend, we provide an online survey, with multi-language options available upon request. All input is summarized in a comprehensive report and presented to the board.

- **Developing Recruitment Materials**

We collaborate with the district to develop a compelling announcement of vacancy that highlights the strengths of the school system and community to attract high-quality candidates.

- **Advertising the Position**

We prepare and place the vacancy announcement in selected national, state, and professional venues. The position is also posted on our website, where candidates can access materials and apply online.

- **Designing the Application Process**

We develop a customized application aligned to the board's selection criteria, allowing candidates to demonstrate their experience and qualifications.

- **Managing Applications and Communication**

Our team manages all application materials and communicates directly with applicants throughout the process, ensuring completeness and timeliness without requiring district staff support.

- **Active Recruitment of Candidates**

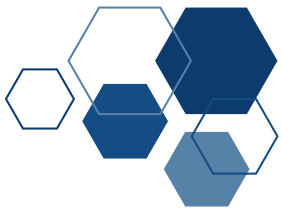

Using our national network, we actively recruit candidates who match the district's desired profile. This includes outreach to both active applicants and highly qualified individuals who may not be actively seeking a new position.

- **Maintaining Confidentiality and Transparency**

We balance transparency with candidate confidentiality. Applicant identities remain confidential until finalists are selected, unless the Board prefers an alternative approach.

- **Ongoing Communication**

We provide regular updates to the board and maintain consistent communication throughout the search process to ensure transparency and alignment.

Phase III
Evaluating and Screening Applicants

During Phase III, McPherson & Jacobson conducts a thorough and comprehensive evaluation of all applicants, providing the board with the information needed to confidently identify candidates for interviews.

- **Comprehensive Application Review**

We review all completed application materials and evaluate each candidate against the board's established selection criteria to identify strengths, experience, and overall alignment with district priorities.

- **In-Depth Reference Checks**

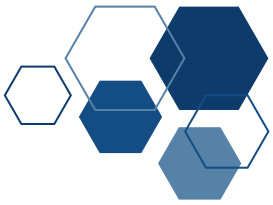

We conduct extensive reference checks that go beyond provided references. In addition to initial contacts, we seek input from additional professional connections often multiple levels removed to ensure consistent, reliable insight into each candidate's performance, strengths, and areas for growth. We also conduct an online review of publicly available information.

- **Pre-Interviews and Candidate Videos**

We conduct pre-interviews with selected applicants and provide video submissions for shortlisted candidates, allowing the board to gain early insight into each candidate's communication style and leadership presence.

- **Interview Development and Preparation**

We assist the board in developing interview questions aligned to the identified selection criteria. If multiple rounds of interviews are conducted, we support the development of questions and structure for each stage of the process.

Phase IV
Selecting and Interviewing Candidates

During Phase IV, McPherson & Jacobson supports the Board through candidate selection, interview coordination, and the final decision-making process.

- **Candidate Review and Selection of Interviewees**

We provide the board with a complete list of applicants, along with a recommended shortlist of candidates who most closely align with the established criteria. Each shortlisted candidate includes a reference profile summarizing consistent feedback. We assist the board in determining which candidates to invite for interviews.

- **Background Checks**

We conduct criminal, financial, and degree verification background checks for candidates selected to be interviewed.

- **Interview Planning and Structure**

We assist the board in determining interview procedures, including the structure for semi-finalist and finalist interviews. If desired, semi-finalist interviews may remain confidential and conducted solely with the board, while finalist interviews may include stakeholder engagement.

- **Interview Coordination and Candidate Experience**

We coordinate all aspects of the interview process, including scheduling, candidate communication, and logistics. This may include stakeholder meetings, district and community tours, and formal interviews with the board.

- **Stakeholder Participation in Interviews**

If the board chooses to involve stakeholders, we assist in organizing representative groups, preparing facilitators, and providing structured feedback tools to ensure consistent and meaningful input for the board's consideration.

- **Candidate Visitation and Logistics**

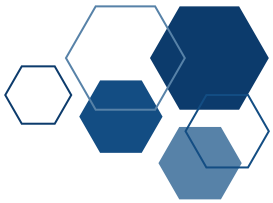

We coordinate candidate visits, including travel and lodging arrangements, and assist in planning optional visits for spouses or significant others to explore the community.

- **Finalist Communication and Scheduling**

We serve as the primary point of contact for finalists, coordinating interview schedules and ensuring clear, consistent communication throughout the process.

- **Applicant Notifications**

We notify all applicants not selected for interviews and, following the Board's final decision, personally contact finalists who were not selected.

Phase V
Transition for Success

During Phase V, McPherson & Jacobson supports a successful transition by strengthening the working relationship between the board and the new superintendent and establishing a clear focus for the first year.

- **Establishing Performance Objectives**

We work with the board and the new superintendent to identify two to three key performance objectives for the first year, focused on priorities beyond day-to-day operations. The board defines what successful progress looks like, and the superintendent develops an action plan aligned to these expectations.

- **Supporting a Successful Transition**

This process promotes clarity, alignment, and accountability, helping to build a strong foundation for the superintendent's leadership and long-term success in the district.

- **Two-Year Guarantee**

We stand behind our work with a two-year guarantee. If the selected candidate leaves the position for any reason during this period, we will conduct a new search at no additional professional fee, with the district responsible only for actual expenses.

Advertising

The consultants and board will discuss with the commercial advertising options available and the pricing for them. The minimum premium (paid) advertising venues we recommend are online with AASA: The School Superintendents and Organization.

McPherson & Jacobson will not place any media advertising without approval from the board.

Additional advertising/recruiting tools provided at no additional cost to the district include:

- The McPherson & Jacobson website which averages 225,000 hits per month
- Notice to over 120 McPherson & Jacobson consultants nationwide asking for names of potential applicants
- Electronic distribution to over 5,000 potential applicants registered with McPherson & Jacobson with an invitation to apply.
- McPherson & Jacobson's social media accounts: Facebook, LinkedIn, and X (Twitter)

Recruitment Strategies

We are committed to intentional, equitable, and bias-free recruitment strategies that ensure well qualified and diverse candidate pools.

With a team of over 120 consultants, we offer breadth, expertise, and authentic representation. Our consultants are actively engaged with major organizations across the country that actively seek and develop quality leaders. The qualities you identify for the next superintendent will be shared with this vast network of consultants as part of our efforts to recruit the best talent available, regardless of location.

While we never represent individual candidates, we maintain a dynamic database of outstanding leaders and, once your board defines its superintendent criteria, our consultants conduct a nationwide, targeted recruitment process ensuring alignment with your needs.

Recruiting Previous Candidates

At McPherson & Jacobson, we take pride in supporting lasting leadership. Our consultants uphold a firm commitment: we never actively recruit administrators who have been placed through our searches. This ethical approach directly drives our remarkable retention rates and the long-term stability our clients experience.

Screening, Reference Checks, Interviews of Final Applicants

McPherson & Jacobson consultants thoroughly review all completed applications, carefully measuring each candidate's materials against the district's selection criteria. Our vetting process includes both traditional and advanced reference checks: after interviewing listed references, we request additional contacts and continue outreach until we have a robust, multi-perspective understanding of each applicant's strengths, weaknesses, and reputation. Should we uncover any biases or concerns, we share these transparently with the board.

We enhance our vetting of candidates by leveraging specialized technology tools and third-party background investigations for civil or criminal history, credential validations, credit checks, and professional profiles. These tools enable us to quickly identify any discrepancies, potential red flags, or additional insights that may not be apparent through manual processes, ensuring a comprehensive and timely evaluation of each candidate.

We present a complete list of all applicants the board, along with a detailed shortlist of the top individuals most closely aligned to your criteria, including written analyses. Our consultants assist the board with selecting candidates to interview, coordinate interview scheduling, organize district and community tours, and arrange meetings with key stakeholder groups. Throughout, we manage both formal and informal steps and serve as the main contact for all candidate logistics.

Once the final candidate accepts the position, we promptly notify and thank other finalists, maintaining candidate confidentiality until a contract is signed—ready to ensure continuity should your top choice change.

Stakeholder Engagement:
Transparent Feedback That Drives The Search Process

Stakeholder engagement is a cornerstone of McPherson & Jacobson's search process. Since 1991, we have conducted over 1,000 superintendent searches for districts of all sizes, consistently facilitating meaningful stakeholder engagement. Through both in-person sessions and online input opportunities, we ensure the perspectives of the board, staff, and community are clearly reflected throughout the search process. Following these efforts, the board receives a comprehensive written report summarizing key themes and priorities.

Stakeholder Input Sessions

The consultants will meet with stakeholder groups identified by the board to gather input regarding:

- The strengths of the district and community
- The challenges and opportunities facing the next superintendent
- The leadership qualities and characteristics desired in the new superintendent

Common stakeholder groups include central office administrators, building administrators, teachers, classified staff, students, parents, community members, and business leaders. The consultants will assist the board in determining which groups should participate.

To ensure broad participation, an online survey will also be made available for stakeholders who are unable to attend the meetings. Following the input process, the consultants will provide the board with a comprehensive written summary of stakeholder feedback.

Meeting the Candidates

If desired by the board, representative stakeholder groups may have the opportunity to meet finalist candidates. These groups typically consist of 8–12 individuals representing the various stakeholder constituencies.

The consultants will provide orientation and guidance regarding the purpose of the meetings, appropriate interview practices, and legal interviewing guidelines. Stakeholder groups will provide written feedback to the board, allowing board members to consider stakeholder impressions as part of the final selection process.

Scheduling and Accessibility

McPherson & Jacobson works with the district to maximize participation by scheduling meetings at convenient times and locations. Staff meetings are typically held immediately following the school day, student meetings are conducted outside instructional time, and parent/community meetings are generally scheduled during evening hours.

Inclusion of Diverse Communities

McPherson & Jacobson is committed to ensuring all stakeholder voices are heard. We will work with the district to identify effective strategies for engaging ethnically and culturally diverse communities. When needed, translation services will be arranged for stakeholder meetings, and online surveys may be provided in multiple languages to encourage broad participation.

Process for Obtaining Online Stakeholder Input

McPherson & Jacobson will create an online input survey to allow stakeholders unable to attend scheduled meetings to submit their input. At the request of the district, surveys for multiple languages can be developed and posted.

Timeline

Specific dates in the search timeline are established during the first meeting with the board so we can address the unique needs of the district.

The time from our first meeting with the board until the finalist is selected is typically 8 to 12 weeks

At the beginning of the search (Weeks 1–2)

- The qualities for the new superintendent are identified
- A formal timeline is established
- Advertising decisions are made
- Application information is posted
- Promotional materials are developed to advertise the district and the vacancy

At the time designated by the Board (Weeks 2–4)

- Stakeholder group meetings are held, and online stakeholder input is gathered
- A summary of stakeholder input is presented to the board

As applications are received (Weeks 3–6)

- Applications are monitored
- Applicants are notified of deadlines and any missing materials

After the closing date (Weeks 6–7)

- All completed applicant files are forwarded to the consultants
- Consultants begin review, reference checks, and pre-interviews

Timeline

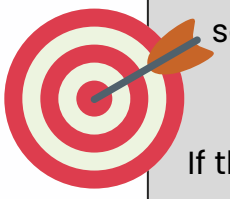

Throughout the process, our consultants work hand-in-hand with the Board, delivering clear progress updates, prompt communication, and the flexibility to meet every critical deadline—ensuring your search stays on track from start to finish.

Approximately 2–3 weeks after the closing date (Weeks 7–9)

- Consultants present applicant summaries and candidate profiles to the board
- Video interviews of selected candidates are provided
- The board selects candidates for interviews
- Background checks are conducted on selected candidates
- Applicants not selected are notified

Following candidate selection (Weeks 9–12)

- Semi-finalist interviews are conducted (if applicable)
- Finalist interviews are conducted, including stakeholder engagement if desired
- The board selects the new superintendent
- Consultants notify all candidates of their status

We understand how crucial a timely appointment is for your district's success. Every milestone - from stakeholder engagement to candidate screening to final interviews - will be completed on schedule, with our team adapting seamlessly to the districts timeline.

If the board does not select a candidate in the initial round, McPherson & Jacobson will extend the search, at no extra cost, guaranteeing a successful outcome and the right leadership fit for your community.

Price Match

McPherson & Jacobson, L.L.C. will match the search fee for a comparable level of services provided by the competitive bid.

Additional Services

Expertise. Excellence. Performance.

Premium Services

Designed and implemented to help school boards and superintendents lead with clarity, confidence, and impact. These customized offerings sharpen governance practices, strengthen the board–superintendent partnership, and keep student success at the center of the work. Through focused coaching, powerful retreats, and strategic planning support, boards and superintendents gain practical tools to communicate clearly, make better decisions, and build public trust. Together, these services create a high-performing leadership team that drives meaningful, systemwide improvement.

Personality/Strengths Assessments

Our optional premium leader evaluation process includes multi-science behavioral assessments, providing a three-dimensional view of how individuals behave, why they're motivated, and how they think. This deeper insight by trained McPherson & Jacobson consultants helps ensure candidates are aligned with your leadership needs, culture, and expectations. It's a smart, research-backed investment in long-term leadership success.

Included in this service are the administration, analysis, and comprehensive reporting of the following assessments:

- DISC™ (Behavioral Style)
- 12 Driving Forces™ (Motivation)
- Acumen Capacity Index™ (Thinking Style)
- DNA 25 Competencies™ (Key Soft Skills)
- Emotional Intelligence Assessment (Understanding the Role of Emotions)

Board Governance and Leader Development

In addition to our Phase V, Establishing Superintendent Objectives, we can assist the district leadership team through additional services and workshops, including:

- Creating Board Operating Principles
- Goal Setting/Long-Range Planning
- Executive Coaching
- Meaningful Superintendent Evaluations

Strategic Planning

McPherson & Jacobson has partnered with Innovate K12™ to offer districts a dynamic, comprehensive, strategic planning service. Innovate K12™ has developed cutting-edge technology to deliver a timely (6 months or less) and cost-effective strategic planning process in conjunction with district leadership and the board. This process includes:

- SWOT Analysis involving both internal and stakeholders.
- Evaluating previous/current strategic plans for successes and challenges
- Data analytics reporting to identify priorities of stakeholders
- Integration of continuous improvement processes.
- Defining strategic priorities/challenges/objectives.
- Crafting the strategic plan

Superintendent Evaluation

This service guides boards in designing a superintendent evaluation process that is fair, focused, and firmly anchored in the AASA Superintendent Standards. The support includes helping the board identify priority AASA competencies, translate them into clear, observable indicators, and align them with district goals and strategic priorities. Boards are coached to create a user-friendly evaluation document that blends quantitative metrics with qualitative evidence, so feedback is both data-informed and narrative-rich. Attention is given to timelines, evidence collection, and feedback protocols to ensure the process is cyclical rather than a one-time event. The result is a coherent evaluation system and tool that strengthens the board–superintendent partnership, clarifies expectations, and supports continuous growth in the superintendent's leadership practice.

Searches for Other Leadership Positions

McPherson & Jacobson can assist a district in filling additional leadership (principals, central office administrators, etc.). For these searches, we offer either a full search process, or we can assist a district with selected parts of the search.
