### **Laude System**

The purpose of the Laude System is to recognize students for the rigor of their academics and their success in high level classes. The Laude System also reduces competition for GPA and encourages collaboration among students and encourages academic risk taking. In a Laude System, the focus is on learning and not on GPA.

### **Award Levels**

There are three levels of awards

- Summa Cum Laude (With Highest Distinction)
- Magna Cum Laude (With Great Distinction)
- Cum Laude (With Distinction)

### **Laude Score**

A student's Laude Score will be determined by multiplying the student's cumulative GPA after the second trimester of their senior year by the number of recognized Cum Laude Recognition courses completed in all four years.

### **Cut Off Scores**

50	Summa Cum Laude
35-49.99	Magna Cum Laude
20-34.99	Cum Laude
Below 20	No Laude Status

### **Cum Laude Recognition Courses**

The courses listed below are used in the calculation for Laude Points. Students only earn Laude Points for courses that they complete with a passing grade. Three trimester courses count as 1.5 points each. Two trimester courses count for 1.0 point each. One trimester courses count as .5 points each. The following are courses considered as Laude Recognition Courses:
