No public testimony or school board final action is planned. The meeting is open to the public and is expected to conclude at 2:30 p.m.

Individuals with disabilities and those individuals who may have difficulty attending a board meeting due to issues such as mobility limitations may contact the superintendent's office at 509-526-6715 no later than three days before a regular meeting and as soon as possible in advance of a special meeting, so the district can arrange for them to participate.
