Board of Education  
Ansley Public School

February 6, 2026

To begin, I'd like to thank the Ansley community and the Ansley Public School. My family and I have been truly and richly blessed to have been raised and educated in this community and school. My family has always been treated with kindness, care, and respect. I value that very much.

I have thoroughly enjoyed my time spent here as an educator. I truly enjoy what I do and I cherish the people I've worked with over the years. I have very much enjoyed working with the students of this school and community, and I will be forever grateful for the time I've been given to work with them.

I am, however, ready to begin a new chapter in my life. I plan to retire from my position as secondary math teacher at the Ansley Public School, at the close of this school year. Again, words cannot express how grateful I am to have held this position for the time that I have been given. I will forever cherish this time and the memories that I will forever keep.

Sincerely,

A handwritten signature in cursive script that reads "Jody Schirmer".

Jody Schirmer
