Dear Honorable State Board of Education,

I am writing this letter to provide you information related to our annual textbook adoptions. I have attached a copy of the bond resolution to document this fact. We provided additional information to our patrons via our website, bruinbond.com, indicating to our voters that textbooks would be purchased over the future years. We explained the need for this since textbook allocation stability has been an issue in the past and we want to ensure we are prepared for the future, regardless of state allocations.

Bartlesville Public Schools has kept current on its state-adopted textbook schedule and, thanks to our patrons, will have sufficient bond funds to adopt current textbooks through this school year. It is, therefore, our intention to use the state textbook money to cover other instructional expenses related directly to our classrooms.

Sincerely,

LaDonna Chancellor, Superintendent
Bartlesville Public Schools

Section 4: Current Adoption Cycle Materials

Please describe how your district will assess the effectiveness of the textbook implementation plan for staff and students. Include metrics such as TLE data, graduation rates, and student performance indicators.

Our bond voters approved annual textbook allocations through the 2026-27 fiscal year, so we can use the State Textbook Allocation amount to reduce class size via funding for staff salaries. If the waiver were denied, we would be forced to decrease our fund balance or reduce the number of employees, and either would have negative impacts.

If the waiver were not approved, we would be forced to decrease our fund balance or reduce the number of employees. Both choices would have negative impacts.

We will continue to evaluate class sizes to determine if a waiver is needed or not. We also plan to ask our bond voters for annual textbook allocations, as part of an upcoming bond election.

Section 5: Prior Waivers and Impacts

1. Has your district previously received this type of waiver?
X Yes ☐ No
2. If yes, describe the educational impact of the waiver, including its effect on student performance and implementation across district sites.

The flexibility of funding usage allows us to retain and hire teachers needed to keep class sizes low, which has a significant benefit to our students and other teachers. Bartlesville has been up to date with annual textbook adoptions and plans to be in the future.

PROCEDURAL AGREEMENT

I. PURPOSE

- 1.1. The Board of Education of the Bartlesville Public Schools and the Bartlesville Education Association recognize the need for a positive, orderly process of communication for administering employer/employee relations which conform with Oklahoma Statutes 05-70-509.1 through 05-70-509.10.

II. RECOGNITION

- 2.1 This Agreement is made and entered into by and between the Bartlesville Education Association, hereinafter termed the "Association" and the Board of Education of the Bartlesville Public Schools, hereinafter termed the "Board".
- 2.2 The Board hereby recognizes the Association as the exclusive representative for the bargaining unit consisting of all certificated and licensed employees, excluding administrators, of the Bartlesville Public Schools. The Board agrees not to recognize any other employee organization as the representative of the members of the bargaining unit for the duration of this Agreement. Further, no individual member of the bargaining unit shall negotiate with the Board except through their duly recognized bargaining representative.
- 2.3 The Board and Association agree not to retaliate against any member of the bargaining unit because of his/her exercise or non-exercise of rights under Oklahoma Statute, 70-509.

III. SCOPE OF BARGAINING

- 3.1 The Board and Association agree to negotiate in good faith on wages, hours, fringe benefits and other terms and conditions of employment.
- 3.2 The Board retains and reserves unto itself, without limitations, all powers, rights and authority conferred upon and vested in it by State and Federal law, including the right to make policy, rules and regulations which are not inconsistent with the Negotiated Agreement.
- 3.3 There shall be no negotiations on inherent managerial policy.

IV. NEGOTIATIONS PROCEDURES

4.1 Negotiation Teams

- 4.1.1 The Board and the Association shall each designate in writing, at the first negotiation session, the names of not more than six (6) persons who shall serve as their respective representatives for negotiations pursuant to the provisions of this Agreement. Each team may also designate up to three (3) alternates who may attend meetings in the place of regular team members. Each party shall also designate the person on its team who will serve as spokesperson.

4.2 Opening Negotiations

- 4.2.1 Between April 1 and April 30 of each ensuing year, either the Association or the Board shall submit a written request for negotiations to commence to the other party, if it desires there to be negotiations for that year. If no such request is made during the time period above, negotiations will not take place for the ensuing year.
- 4.2.2 The first negotiations session shall occur on a mutually agreeable date not more than forty-five (45) days from the date of the written request to open negotiations.
- 4.2.3 The Association and the Board shall submit all negotiation proposals at the first session. Subsequent proposals may only be submitted upon mutual agreement of the parties.

4.3 Negotiations Sessions

- 4.3.1 Only members of the respective negotiation teams may be present during negotiation sessions. Other parties may be permitted to be present only by mutual agreement of the parties. The spokesperson may designate any other person to speak.
- 4.3.2 No official recordings or official transcripts shall be made. An unofficial recording may be made by either party for informational purposes only. These recordings may only be listened to by the Association Executive Committee, Negotiation Team and alternates, and the Board, its Negotiation Team and alternates, and the Superintendent's Executive Staff.
- 4.3.3 Negotiations will be conducted at the times, dates, and places mutually agreed upon by the parties. The time, date, place and agenda of subsequent sessions will be set by mutual agreement of the parties prior to the close of each negotiation session.
- 4.3.4 Negotiations meetings shall be scheduled at times which will not interfere with the teacher work day and the educational programs of the district.

4.3.5 News releases shall be mutually agreed upon by the Board and the Association.

4.3.6 Each party is free to caucus at any time.

4.3.7 All items under negotiations shall be disposed of in one of the following manners:

- (1) tentative agreement;
- (2) withdrawal of items;
- (3) submission to impasse.

4.4 Tentative Agreement

4.4.1 Both parties agree that it is their mutual responsibility to empower their respective representatives with the necessary authority to make proposals, to consider proposals and counter proposals in the course of negotiations, and to reach tentative agreements subject to ratification by the Board and the Association.

4.4.2 When tentative agreement is reached on any item, it shall be reduced to writing, and signed and dated by the spokesperson of each team. When tentative agreement is reached on all items, they shall be submitted first to the membership of the Association for ratification and then to the Board for ratification.

V. IMPASSE

5.1 If negotiations are not successfully concluded by the first day of school an impasse shall exist. At any earlier time following the initial negotiation session, either party may declare an impasse, or, by mutual agreement of the parties, the date for declaring impasse may be extended beyond the first day of school.

5.2 Within two (2) days of such declaration, the parties may, by mutual agreement, request the services of the Federal Mediation and Conciliation Service.

5.3 If the mediation process has been utilized and has failed to bring about agreement on all items, or if the mediation process was not utilized, the unresolved items shall be submitted to fact finding as follows:

5.3.1 A fact finding committee consisting of three (3) members shall be formed. One (1) member shall be selected by the Association, and one (1) member shall be selected by the Board, within five (5) days. The third member shall be selected by the first two (2) members as follows: The parties shall notify the State Superintendent of Public Instruction that a fact finder is needed and request a list of potential fact finders from the State Superintendent. If no name on the list is agreeable to both parties, a coin toss shall occur with the party winning the toss having the right to strike a name from the list. The parties will then continue alternately striking names from the list until only one name remains. The person whose name remains on the list will serve as the chairperson of the

fact finding committee.

- 5.3.2 The committee shall meet with the Board's duly designated representatives and with the Association's representatives for the purpose of fact finding.
- 5.3.3 Within five (5) days after the selection of a chairperson, the representatives of the parties shall meet to exchange written language on each item at impasse. The exchanged documents shall be furnished to the chairperson and other members of the committee. Each item being submitted to fact finding shall show the last position taken by each negotiating team.
- 5.3.4 The cost for the services of the fact finding committee, including per diem expenses, if any, and actual necessary travel expenses shall be shared in the following manner: the Board shall assume the expenses of the representative selected by the Board, the Association shall assume the expenses of the representative selected by the Association, and the expenses of the third member shall be shared equally by the Board and the Association.
- 5.3.5 The fact finding committee shall have authority to establish procedural rules, conduct investigations, and hold hearings during which each party shall be given an opportunity to present its case with supporting evidence.
- 5.3.6 All hearings by the fact finding committee shall be conducted in closed session.
- 5.3.7 The chairperson shall convene the committee for fact finding. The committee shall meet with the representative of both parties and, within twenty (20) days after the fact finding hearing, shall present its written recommendation to the Board and the Association. The report shall set forth findings of fact and recommendations on the issues submitted.
- 5.3.8 If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and the Association. The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the parties shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The representatives shall then resume a good faith effort to resolve differences; provided, after fourteen (14) days after the exchange of written statements, as provided for by this section either party may discontinue such effort.
- 5.3.9 The Board shall file a copy of the fact finding report with the office of the State Superintendent of Public Instruction. If the effort to resolve differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and upon ratification such agreement shall also be forwarded to the State Superintendent. If the effort to resolve differences is unsuccessful, the Board shall forward to the State Superintendent in writing its final disposition of the negotiations impasse

process within thirty (30) days of the effective date of implementation.

VI. SAVINGS CLAUSE

- 6.1 If any provision of this Agreement shall be found contrary to law, it shall be severed from the Agreement, and all other provisions or application of the Agreement shall continue in full force and effect.

VII. DURATION OF AGREEMENT

- 7.1 This agreement shall continue in effect for successive fiscal year periods unless notice is given, in writing, between January 1 and January 31 of any year, by either party, that the party desires to modify, amend or terminate this Agreement. Once such notice is given, negotiations related to changes in this Agreement shall commence on a mutually agreeable date within thirty (30) days of such notice. Negotiations shall be disposed of within thirty (30) days in one of the following manners:
- (1) tentative agreement;
 - (2) withdrawal of items;
 - (3) submission to impasse.
- 7.2 In the event that the Association disbands or otherwise ceases to be the recognized bargaining agent, this Agreement shall be null and void on that date of such disbanding or cessation of representation.

Flexibility of scheduling may be done within the **7 hours and 30 minute work day**. Teachers may be required to stay beyond the work day for faculty meetings, parent/teacher conferences, open house, departmental meetings, grade level meetings, professional growth, collaborative planning, and/or other uses as determined by the principal or requested by the Site Improvement Committee or teachers.

1.2 Planning Time

- A. Full-time classroom teachers in grades six (6) through twelve (12) shall be scheduled for preparation time of one (1) class period each day.

Preparation time shall be scheduled in thirty (30) consecutive minute segments whenever possible. This time shall be provided so long as the district is able to employ sufficient numbers of specialized

teachers, including but not limited to music, media specialists, art, physical education, and foreign language, to provide such preparation time to classroom teachers.

- C. When necessary, teachers may be required to forego scheduled planning time to accept responsibilities related to the proper functioning of the school.

- B. When necessary, teachers may be required to forego duty free lunch time to accept responsibilities related to the proper functioning of the school.

1.4 Assignments

A. General Principle

When assigning teachers, the primary responsibility will be to best meet the needs of the students and the overall responsibilities of the district. All procedures that follow will be guided by the above principle. In addition, individual teacher preferences will also be considered.

- B. Teachers shall be assigned within the scope of their certification as prescribed or authorized by the State Department of Education.
- C. When assigning teachers to extra duties not covered by their teaching or supplemental contracts, the administration shall first attempt to secure volunteers. If a sufficient number of volunteers are not secured, the administration shall assign teachers on an equitable basis.

1.5 Vacancies and Transfers

A. Voluntary Transfer

1. Teachers currently employed in the district who request a transfer to a vacant position shall have their requests reviewed before teachers from outside of the district are hired.
2. Vacancies shall be posted as they occur during the school year. Vacancy announcements shall include certification requirements, subject area and anticipated grade levels. Vacancies shall be posted on the district website. Vacancies arising during the school year will normally be filled by temporary hires for the balance of the school year, and then posted for the ensuing school year if the position continues.

3. Teacher transfer request forms shall be submitted, in writing, to the site principal, who will forward the request to the Executive Director of Human Resources, who will send a copy of the request to each immediate supervisor who may be affected by the transfer.
4. To be considered for transfer during the summer, teachers shall notify the personnel office in writing and include their summer addresses, telephone numbers and areas of interest. The personnel office will attempt to notify teachers of vacancies that occur in the stated areas of interest as they arise between the close of the school year and August 13.
5. When a teacher applies for a transfer, the request shall be considered on the basis of the following criteria:
 - a. Contribution which the teacher could make in the new position.
 - b. Opportunity for professional growth.
 - c. Preference of the teacher and of the immediate supervisors.
 - d. Seniority.
6. Qualified teachers who request a transfer to a vacant position:
 - a. May be interviewed by the immediate supervisor and/or other appropriate personnel.
 - b. Shall be notified, in writing, within two (2) weeks after the final decision has been made.

B. Involuntary Transfer

1. Teachers who must be transferred to another school or to another position within the same school, as a result of curriculum reorganization, enrollment decline, closing schools and/or other district reorganization, shall be provided with written notification within ten (10) days of the decision which includes reasons for the transfer and shall be placed in position before new applicants are hired to fill vacancies for the ensuing school year.
2. The selection of teachers to be transferred shall be made by the immediate supervisor in conjunction with the Superintendent or his/her designee. When practicable the principal will discuss with the teacher before the final decision is made. If in the judgment of the administration, the qualifications of the teachers being considered for transfer are equal, the teacher with the least seniority shall be transferred.
3. Teachers who are being transferred for reasons other than stated in B.1. above shall be provided with written notification which includes reasons for the transfer by June 30, if possible.
4. Once a teacher has been notified of an involuntary transfer, the teacher shall have the options to request an interview with appropriate administrative personnel and/or provide a written

response to the notice of involuntary transfer.

5. Teachers who are being involuntarily transferred shall be provided with notice of all vacancies for which they are qualified as those vacancies occur.
6. When teachers are transferred the school district will assist the teachers with the moving of materials.

1.6 Reduction In Force

A. Needs of the School District and Students

1. When it becomes necessary for the Board to reduce the total number of certificated and/or licensed employees in the bargaining unit, the student and program needs of the district will be the primary priorities. Refer to section B.1 below for the criteria used for a reduction in force.
2. When the Board of Education determines reduction in force is possible, it will notify the Association president in writing that reduction in force is being considered.
3. In implementing a reduction in force, the Board will attempt first to reduce staff by attrition. Thereafter, the position or positions to be eliminated will be determined by the Board first and, thereafter, the following procedures will be used to determine the teacher or teachers to be non-renewed as a result thereof.

B. Displacement and Reassignment and Non-Renewal Sequences

1. The following criteria, in priority order, will be used to determine which teacher or teachers will be displaced and reassigned or non-renewed.
 - a. Average ratings on the TLE over the past three years of available TLE data calculated to the nearest one hundredth (1/100) of a percent.
 - b. Seniority: defined as continuous service under a teaching contract with the district beginning with the earliest official date of hire of this continuous service.
 - c. Total district teaching experience.
 - d. Total teaching experience.
 - e. Superintendent's recommendation.
2. Teachers must have on file in the Personnel Office, at the time of the presentation of the recommendation to reduce force, either the proper certification or evidence of eligibility for such certification, in order for displacement to occur.

C. Recall

1. Teachers who have been released because of a reduction in force, who have at least an average effective rating (2.8+), will be

offered positions, for which they are certified and qualified, during the school year following the date of release. Such teachers will be offered reemployment in reverse order of non-renewal in accordance with the provisions of this policy.

2. Throughout the school year following the date of release, teachers who have been released because of a reduction in force will be placed on a recall list. Teachers on this recall list will be notified by certified mail of position vacancies for which they are certified and qualified and for which they have priority in accordance with the provisions of this policy. A teacher shall remain on the recall list unless the teacher:
 - a. does not accept a position within ten (10) days from the mailing of notice of vacancy as provided above; or
 - b. waives recall in writing; or
 - c. resigns
3. It shall be the teacher's responsibility to see that the district has the teacher's current address on file, and that address will be used for recall purposes.
4. A teacher who has been recalled shall have restored all benefits which had accrued to the date of release.

1.7 Teacher Appraisal

- A. Appraisals of teachers shall be based upon the criteria of the Tulsa Model of the Teacher and Leader Effectiveness (TLE) system attached to this Agreement.

B. Career Teachers

All career teachers will receive an Evaluation at least once, by the end of the second semester each school year, except as noted below. It will be based on at least two observations, one conducted in the first semester and another in the second semester. Each of those observations must be followed by an observation conference with the teacher within five (5) work days of the observation.

An appraiser must conduct a third observation as part of any evaluation cycle if the teacher requests it promptly after the second such observation. As with other observations, the appraiser must conference with the teacher within five (5) work days of the observation.

If a teacher is put on a Personal Development Plan, an additional observation, in addition to the two standard ones, will be required to assess progress on the targeted indicator(s).

For the current school year, the annual Evaluation is NOT required for a career teacher who received a "Superior" or "Highly Effective" rating on the TLE through an Evaluation which was conducted in the prior school year. However, the annual Evaluation will be conducted if either the

teacher or his/her evaluator opts to begin the Evaluation process before the end of the first quarter of the school year.

C. Probationary Teachers

All probationary teachers will receive one Evaluation each year. The evaluation will be based on three (3) observations. Each observation must be followed by an observation conference with the teacher within five (5) work days of the observation. Because the evaluation is intended to be a growth model, the evaluation timeline will span the full year beginning with an observation the first nine weeks, second nine weeks and third nine weeks, concluding with a comprehensive evaluation during the fourth nine weeks.

D. All teachers will be appraised by administrative personnel who have participated in the required training of the State Department of Education. Each teacher will be notified at the beginning of each school year which administrator(s) has been designated as his/her appraiser, will be provided with a copy of the detailed appraisal criteria, and will participate in a meeting with his/her appraiser for the purpose of reviewing the district's appraisal process and appraisal criteria.

E. Left blank intentionally.

F. The annual appraisal of a teacher's performance shall include at least two (2) observations. An appraiser must conduct a third observation if the teacher requests it within three (3) work days after the second conference.

G. Observations for the purpose of appraisal shall be conducted openly with the full knowledge of the teacher.

Principals may issue a Personal Development Plan (PDP) to a teacher as a stand-alone plan in response to a work-related incident or problem occurring outside the context of an observation or evaluation. In such cases, the principal's PDP will still follow the SMART Goals framework and the timeframes of the PDP described in the Tulsa Model of TLE.

H. All appraisals shall be using the state-approved rubrics and forms of the Tulsa Model of the Teacher and Leader Effectiveness system.

I. A teacher has the option to have another Bartlesville Public Schools teacher present as an observer at an Evaluation conference or Personal Development Plan conference with at least twenty-four (24) hours advance notice to the evaluator. Occasionally, the teacher may caucus briefly with the observer. The observer may participate in the conference with the approval of both the teacher being evaluated and the evaluator. Observers, in the same capacity as above, may be present at observation conferences with the approval of the evaluator.

- J. On an observation form, any indicator marked Ineffective or Needs Improvement will include comments and suggestions for improvement. However, a Personal Development Plan with admonishment is allowed for indicators marked Ineffective or Needs Improvement.

On an Evaluation form, Ineffective or Needs Improvement shall not be marked without having been marked on one or more observation form(s) and the concern was not satisfied. Any indicator marked Ineffective or Needs Improvement on an Evaluation form will require a Personal Development Plan with admonishment.

- K. A copy of the Evaluation shall be given to the teacher at a conference held between the teacher and the appraiser. The teacher shall acknowledge receipt of the Evaluation by placing his/her signature thereon.
- L. The teacher may, within 10 working days of the Evaluation conference, respond to the Evaluation in writing, and said response will be attached to the Evaluation.

1.8 Personnel Files

- A. An official personnel file and an official evaluation file shall be maintained in the Personnel office. Unofficial working files may be maintained in the office of each principal.
- B. Material that may adversely affect a teacher's employment status may not be placed in the teacher's official files until the teacher has had the opportunity to read the material and to sign and date the actual copy to be filed. The teacher shall receive a copy of said material, at no cost to the teacher, at the time of filing. The teacher shall have the right, within ten (10) working days, to affix a written response to said material.
- C. A teacher, or upon written authorization, the teacher's designee, may review the contents of the teacher's official file during normal business hours, but not during the duty time of the teacher or designee. The teacher is entitled to receive a copy of any documents contained therein with the teacher paying the cost of reproduction.
- D. Access to a teacher's files will be limited to: the teacher or the teacher's designee, district employees who have a need to review the file in order to complete a job responsibility, members of the Board of Education, public agencies upon official request only as allowed by law.
- E. Any allegation or anonymous charge which is unproven through a thorough documented investigation shall not be placed in a teacher's official file.

1.9 Teaching Facilities

- A. Teachers shall have access to a workroom/lounge and dining area at

each school provided that space is available that does not conflict with the needs of the students.

B. Teachers shall be provided with access to a private telephone at each school.

C. The District will strive to provide and maintain a clean, safe, healthy work environment, and will notify staff of any known hazards.

1.10 Teaching Materials

Teachers may request necessary teaching materials from the principal. The Board will provide materials as soon as it is practicable within budgetary and distribution guidelines and restraints.

1.11 Teacher Contracts

Individual teacher contracts shall be prepared by the Board. Teachers shall be provided with their individual contracts within sixty (60) days of the completion of the negotiation process. Teachers employed after the sixty (60) day period above will receive their contracts within thirty (30) days of employment.

1.12 Right to Representation at Disciplinary Meeting

At a meeting where a teacher will be presented with a written, formal admonishment, the teacher shall be permitted to be represented by a BEA or OEA representative of their choosing.

II. SALARY AND FRINGE BENEFITS

2.1 2026-2027 Compensation Schedule

2.2 Calculations for Salary of Less-Than-Full Time Teachers

A. Half-time Teachers

A ½ time teacher is by definition .60 FTE which includes pay for a planning period

A ½ time teacher works 4.45 hours per day

B. Less than full-time teachers

FORMULA:

Annual Salary/180 days = Daily Rate

Daily Rate/7.5 (7 hours and 30 minutes) = Hourly Rate

Hourly Rate X # of hours worked = New Daily Rate

New Daily Rate X # of days worked = Annual Salary/Year

e.g. \$36000/180 days = \$198.89503 Daily Rate

\$198.89503/7.5 hrs = \$26.817295 Hourly Rate

\$26.817295 X 1 Hour per day = \$26.817295 New Daily Rate

\$26.817295 X 180 Days Worked per Year = Annual Salary/Year

2.3 Salary Schedule Documentation

Horizontal movement on the salary schedule shall be in accordance with the following procedures:

- A. A teacher who has earned additional hours or an advanced degree must file a request along with appropriate documentation by September 1 in order to receive movement on the salary schedule for the current school year. Once coursework hours have been earned and granted for the purpose of movement between degree lanes, the teacher shall be moved to the appropriate interim salary lane on the Compensation Schedule. Once an advanced degree has been completed, the teacher shall be moved to the appropriate salary lane on the Compensation Schedule. Additional movement to another interim salary lane will occur when a teacher has earned additional hours after the last degree held and credited on the Compensation Schedule.
- B. Course work for which a teacher plans to request movement on the salary schedule must be approved in advance by the Executive Director of Personnel and School Support unless such course work is part of an advanced degree program from an accredited college or university. Upon application for movement on the salary schedule, the Executive Director of Personnel and School Support will evaluate the course work submitted and approve it, if it meets the following criteria: courses within the teacher's content area, courses related to educational methods, or other courses which are deemed to be of benefit to the teacher's job performance.
- C. To meet the fifteen (15) credit hour requirement for movement between degree lanes, a teacher may substitute approved in-service training credits earned at the rate of fifteen (15) points per credit hour for up to five (5) of the fifteen (15) credit hours required.

2.4 Payroll Deductions

- A. Upon written authorization, teachers shall be provided with payroll deductions for the following purposes:
 - 1. Credit Union
 - 2. District approved insurance programs
 - 3. Annuities
 - 4. Professional Organization dues
 - 5. OEA-PAC/NEA-PAC contributions
 - 6. Other items as approved by the Board
- B. Guidelines for the use of payroll deductions shall be determined by the Executive Director of Personnel and School Support and made available to all teachers.

2.5 Warrants/Checks

Teachers shall be paid monthly, on or before the fifteenth (15th) day of each month. All compensation shall be paid before the end of the fiscal year in which it is earned.

2.6 Insurance Fringe Benefits

For the current school year, each teacher who purchases major medical health coverage through the District's Health Insurance plan shall receive the monthly Flexible Benefit Allowance (FBA) required by State Law. The District will apply the FBA toward the total premium cost of the District's Health Plan. Any excess FBA allowance over the cost of the major medical coverage purchased by the teacher may be used to purchase additional benefits through the District's Section 125 Cafeteria Plan or may be taken as taxable compensation as provided by law. Part-time teachers shall receive benefits as provided for by state law. If the State mandates FBA changes during the current school year, teachers will receive the appropriate payment as required by law.

2. **Teachers who choose not to participate in Major Medical Coverage offered through the district-sponsored Cafeteria Plan.**

For the current school year, teachers who choose not to participate in the District Health Insurance Plan shall receive, as part of Total Compensation, sixty-nine dollars and seventy-one cents (\$69.71) per month which may be applied to options in the District's Section 125 Cafeteria Plan or may be taken as taxable compensation, in lieu of the flexible benefit allowance provide for in part 1 above.

B. Group Life Insurance

The Board shall provide all full-time teachers who are under contract to work twenty (20) or more hours per week with the following insurance coverage as part of total compensation on behalf of the teacher.

1. Group Term Life and Accidental Death Insurance of \$10,000 for the teacher.

2. Dependent Group Term Life insurance of \$2,000 for the teacher's spouse and \$1,000 for each dependent child.

C. Long Term Disability

The Board shall provide all full-time teachers who are under contract to work twenty (20) or more hours per week with coverage under the district's group plan.

The six (6) weeks of paid maternity leave shall be used immediately following the birth **or adoption** of the school district employee's child **(HB 3467)**. This paid maternity leave provided shall be in addition to and not in place of sick leave due to pregnancy **or adoption**, and the employee shall not be deprived of any compensation or other benefits to which the employee is otherwise entitled (in accordance with ASPIRE Oklahoma Plan; 2023).
- G. **If an employee does not qualify for FMLA**, up to five (5) days of sick leave with pay may be used for the adoption of a child ~~who is over six (6) weeks of age~~.
- H. A teacher desiring to use sick leave shall report his/her anticipated absence to his/her immediate supervisor at the earliest possible time.
- I. Upon request of the immediate supervisor, teachers shall be required to provide appropriate evidence that their absence was necessitated by reasons allowable under the sick leave policy.
- J. After exhausting all accumulated and any shared sick leave, teachers shall be granted twenty (20) additional sick leave days for personal illness or accidental injury with the cost actually or normally paid to a certified substitute teacher deducted from their salary.
- K. Sick leave may be granted in full or half day increments.

3.2 Sick Leave Sharing Policy

- A. If a teacher has exhausted or will likely exhaust only sick leave earned pursuant to 70 O.S. §6-104 of Oklahoma statutes (annual allocation and accumulated sick leave balance) due to pregnancy or recovery from childbirth, or an extraordinary or severe illness or injury, or an extraordinary or severe illness or injury of the teacher's spouse, child, parent, grandparent, grandchild, stepchild, stepparent or household member as these terms are defined in state law, documented as such by a physician, the teacher may request the use of sick leave days to be donated by other teachers. Each year teachers may donate up to one (1) day each, per requesting teacher, from their accumulated sick leave for use by the requesting teacher in accordance with the following procedures:

1. Teachers desiring to donate days shall complete a written authorization transferring days to the ill or injured teacher.
2. Teachers must have a balance of 50 unused sick leave days before they may donate a day.
3. A teacher may initially request up to twenty (20) days from donating teachers. If needed, the teacher may reapply for one additional twenty (20) day period. After that the district personnel office must meet with the teacher to review the long-term disability options available to the teacher.
4. Teachers may only request access to sick leave sharing for no more than two different documented qualifying conditions during any fiscal year.
5. Consecutive year access shall be limited to no more than two consecutive years for the same documented qualifying condition.
6. Solicitations for donated leave shall only be made through designated administrative channels.

3.3 Sick Leave Accumulation Reimbursement

- A. Upon retirement, reduction in force, or death, teachers with at least five (5) years of continuous service in the district shall be compensated for accumulated sick leave. In the instance of death, said compensation shall be paid to the teacher's estate.
- B. The rate of compensation shall be computed at 0.2% of the base salary at the bachelors step zero (0) for each day of accumulated sick leave, provided that:
 1. No teacher shall be compensated for more days of accumulated sick leave than twice the number of total years of service the teacher has in the district.
 2. No teacher who willfully abrogates a valid contract of employment with the district shall receive any such compensation.
 3. No qualified teacher shall receive compensation for fewer than four (4) days of accumulated sick leave.

3.4 Leave of Absence

- A. Teachers may, upon application to and approval of the superintendent or his/her designee, be granted an unpaid leave of absence of up to one (1) year for personal illness, illness in the immediate family, rearing a child, military service or professional study. Documentation from a physician is required for personal illness or illness in the immediate family. A copy of official orders is required for military service. Extensions of leave beyond one (1) year may be granted in exceptional cases.
 1. During a period of a Leave of Absence no benefits will be provided by the District, unless otherwise required by law and only to the extent required by law. A teacher on an approved Leave of Absence is permitted to participate in district-sponsored fringe benefit insurance programs, with the teacher paying the full cost of the premiums.
 2. During the period of a Leave of Absence a teacher will not gain or lose any accumulated benefits or employment status. The amount of accumulated sick leave days will remain constant, without

increase or decrease, and will be available to the teacher upon return from the Leave of Absence. During the Leave of Absence seniority status and compensation schedule placement will neither accrue nor be lost. A teacher returning from a Leave of Absence will be placed on the same step of the compensation schedule as the teacher was on at the time the Leave of Absence was granted.

- B. Requests for reinstatement following a one year leave of absence shall be filed with the superintendent or his/her designee by March 1 during the year of the leave of absence. Requests for reinstatement following a leave of absence for less than a one year period shall be filed with the superintendent or his/her designee no later than thirty (30) days prior to the expiration of the leave of absence. A teacher who fails to submit a request for reinstatement within the timelines above, or who declines an offered position for which the teacher is qualified, shall be deemed to have resigned his/her position with the district effective on the last day of the leave of absence.
- C. A teacher will be granted the right to return from a leave of absence and shall be reinstated without loss of professional or financial status if there is a vacancy for which the teacher is qualified. Sick leave shall not accrue, nor shall accumulated sick leave be lost during the time of the leave.

3.5 Emergency Leave

Upon approval of the immediate supervisor and the superintendent, or his/her designee, teachers may be granted up to five (5) days of paid leave each year for situations or occurrences of a serious nature that develop suddenly and unexpectedly and demand immediate attention. This leave is non-accumulative and may not be used for any reason allowable under another leave category.

3.6 Legal Process Leave

- A. Teachers shall be granted leave to serve on a jury or as a witness subpoenaed in a criminal, civil, or juvenile proceeding.
- B. The teacher serving as a juror or subpoenaed witness shall be paid his/her full, current contract salary.

3.7 Personal Business Leave

Teachers shall be granted four (4) days each year to conduct personal business that demands the teacher's presence at times that school is in session. This leave is noncumulative.

Personal business leave may be used for family obligations. They may not be utilized for vacation, seeking or participating in other employment, or providing a service for compensation. When directed by administration to attend an activity of the teacher's own special needs child, personal business leave will not be charged.

One (1) day may be taken at full pay. Three (3) days may be taken with eighty dollars (\$80) deducted if a non-certified substitute teacher is hired or if no

substitute teacher is hired, or one hundred dollars (\$100) deducted if a certified substitute teacher is hired. If unused, up to three (3) of these days shall be added to the teacher's accumulated sick leave balance.

Requests for personal business leave must be made to the immediate supervisor at least twenty-four (24) hours in advance, if possible. If an advanced request was not possible, the request must be completed within twenty-four (24) hours after the teacher has returned to work. The request will be approved for a date that is the least disruptive of the efficient operation of the district.

Except upon approval of the immediate supervisor and the superintendent, or his/her designee personal business leave will not be granted on days immediately before or after holidays or vacation periods, or during the last two (2) weeks of school.

3.8 Professional Leave

Upon approval of the teacher's immediate supervisor and the Superintendent or his/her designee, a teacher shall be granted professional leave with pay to attend local, state, or national meetings of organizations that represent his/her specific assignment in the Bartlesville Schools, or for legislative advocacy.

Days absent for the attendance at professional meetings shall be reported as "School Business."

3.9 Leave Without Pay and Unauthorized Absences

A. If a teacher finds it necessary to be absent for any reason not allowable under any leave policy, or if a teacher has exhausted all days in an allowable leave category, the teacher may request unpaid leave from his/her immediate supervisor and the superintendent or his/her designee. If such leave is granted, the teacher shall have an amount equal to 1/180th of his/her annual salary deducted for each day of absence.

B. A teacher who is absent as described in A. above, but without the approval of the immediate supervisor and the superintendent or his/her designee, or abuses the leave policies of the district in any other manner, shall be subject to disciplinary action up to and including dismissal.

3.10 Family and Medical Leave

A. Reasons for Leave

Eligible teachers may apply for this leave for the following reasons:

1. In the event of a birth of a child of the teacher, to take care of that child;
2. In the event of placement of a child with the teacher for adoption or foster care;
3. In order to care for the spouse, a child, or parent of the teacher, due

to a serious health condition (see A.4. below for a definition of "serious health condition");

4. In the event of a serious health condition of the teacher that makes the teacher unable to perform the functions of the teacher's job. The term "serious health condition" means one which requires either in-patient care, or continuing treatment by a health care provider. This term is intended to cover conditions or illnesses affecting health to the extent that in-patient care is required, or absences are necessary on a recurring basis for more than just a few days. A "serious health condition" does not cover short-term conditions for which treatment and recovery are very brief. Such conditions would normally be covered by the District's sick leave policies. (A more detailed definition can be found in the full text of the Family and Medical Leave Act.)
5. Because the employee's circumstances qualify for active duty leave due to a spouse, child, or parent being called up for or on active duty in the Armed Forces during a war or national emergency declared by the President or Congress. Qualifying exigencies for this leave include short-notice deployment (leave limited to seven calendar days or less prior to the date of deployment), military events and related activities, childcare and school activities, financial and legal arrangements, counseling, rest and recuperation (leave limited to 5 or fewer days per exigency), post-deployment activities, and additional activities agreed to by the District and employee. Employees should refer to the U.S. Department of Labor's Final Rule on Family and Medical Leave for details on these exigencies.
6. For military caregiver leave to care for a service member who is a spouse, child, parent, or next of kin and becomes seriously ill or injured while serving on active duty in the Armed Forces. "Seriously ill or injured" refers to an injury or illness incurred by the member in the line of duty in the Armed Forces that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.

B. Eligible Teachers

An eligible teacher is one who has (1) been employed by the District for at least one year; (2) is eligible for District benefits; and (3) has worked at least 1,250 hours during the previous twelve-month period. Leave requested under A.1. or A.2. must begin and end within twelve months of the birth or placement.

C. Nature of Leave

If a teacher qualifies for Family and Medical Leave, concurrent use of that leave and the teacher's sick leave would begin on the first day of the Family and Medical Leave. All teachers who meet the Act's requirements may be granted no more than a total of 12 work weeks (60 work days) of unpaid family leave and paid sick leave combined and used concurrently during any twelve month period. Additional accrued sick leave may be

used after FMLA leave has been exhausted. In the case of military caregiver leave, these same rules apply except that the limitation is changed to no more than a total of 26 work weeks in any twelve month period.

D. Procedures

1. A teacher shall apply for Family/Medical Leave by requesting it from his/her supervisor. Upon verification by the District, the leave requested shall be granted. Provided,
 - a. A teacher may not take more than twelve weeks of Family and Medical Leave in any twelve month period; provided, spouses both employed by the District will be limited to a combined total of 15 work weeks of Family and Medical Leave if requested for the following purposes: 1) for the birth and care of a child; 2) for the placement of a child for adoption or foster care, and to care for the newly placed child; or 3) to care for an employee's parent who has a serious health condition. In the case of military caregiver leave, these same rules apply except that the limitation is changed to no more than a total of 26 work weeks in any twelve month period.
 - b. While on leave, the teacher shall suffer no loss in benefits, but neither shall benefits accrue during the period the teacher is on leave, except for coverage the District offers under a group health plan.
2. Leave may be taken intermittently throughout the year. Provided,
 - a. For leave requested under A.1. or A.2., leave may be taken intermittently only with the agreement of the District;
 - b. For leave requested under A.3., A.4., or A.6., leave may be taken intermittently only when medically necessary;
 - c. If planned medical treatment is the basis for the leave, then the District may require the teacher to transfer temporarily to an available alternative position offered by the District for which the teacher is qualified.
3. For leave requested under A.3., A.4., or A.6. that is based upon planned medical treatment, if the teacher would be on leave intermittently more than twenty percent of the semester, the District reserves the right to require the teacher either
 - a. to take leave for periods of a particular duration not to exceed the duration of the treatment, or
 - b. to transfer temporarily to an available alternative position offered by the District for which the teacher is qualified.
4. If a leave of at least three weeks duration begins more than five weeks prior to the end of the semester and the return to employment would occur during the three week period before the end of the semester, the District may require the teacher to

continue taking the leave through the end of the semester. If the District requires the teacher to continue taking leave and the teacher disagrees with that decision, the teacher may appeal that decision to the Superintendent. The decision of the Superintendent shall be final. Upon return, the teacher will be reinstated at full salary in a position designated by the administration;

5. If a leave of more than two weeks duration begins five weeks or less prior to the end of the semester and the return to employment would occur during the two week period before the end of the semester, the District may require the teacher to continue taking the leave through the end of the semester. If the District requires the teacher to continue taking leave and the teacher disagrees with that decision, the teacher may appeal that decision to the Superintendent. The decision of the Superintendent shall be final. Upon return, the teacher will be reinstated at full salary in a position designated by the administration;
6. If a leave of more than five working days begins three weeks or less prior to the end of the semester, the District may require the teacher to continue taking the leave through the end of the semester. If the District requires the teacher to continue taking leave and the teacher disagrees with that decision, the teacher may appeal that decision to the Superintendent. The decision of the Superintendent shall be final. Upon return, the teacher will be reinstated at full salary in a position designated by the administration.

E. Verification

In the case of leave requested under A.3., A.4., and A.6., the District retains the right to require verification by the appropriate health care provider. It is the responsibility of the teacher to provide a copy of such verification to the District when requested.

Proper verification shall state:

1. date on which the condition began;
2. the probable duration of the condition;
3. the medical opinion of the health care provider;
4. for leave requested under A.3. or A.6., a statement that the teacher is needed to care for the appropriate individual;
5. for leave requested under A.4., a statement that the teacher is unable to perform the functions of the position.

At District expense, the District may require the teacher to obtain a second opinion of a healthcare provider designated or approved by the District.

If the two opinions differ, the District may require at District expense that the teacher obtain a third opinion of a health care provider designated or approved jointly by the District and the teacher. The opinion of the third health care provider shall be final and binding.

The District may require subsequent certifications to support FMLA leave but not more often than every 30 days unless 1) the employee requests an extension of leave, 2) changed circumstances occur regarding the illness or injury, or 3) the District receives information that casts doubt on the validity of an existing certification. Certification periods for conditions that are certified as long term and involve no material change in the condition are different than stated in this paragraph – employees should refer to the United States Department of Labor’s Final Rule on Family and Medical Leave in such cases.

In the case of leave requested under A.5. or A.6., the District may require certification as designated in the U.S. Department of Labor’s Final Rule on Family and Medical Leave.

F. Notice

Teachers should apply for leave as soon as the teacher is aware of the need for the leave.

In the case of the birth or placement of a child, application should be made at least thirty days in advance of the day the leave is requested to begin.

In the case of a serious health condition as defined in A.3., A.4., or the case of military caregiver leave in A.6., if planned medical treatment is the basis for the leave the teacher should schedule the treatment in a manner that will not be disruptive to the efficient operation of the District. Application should be made at least thirty days before the date the leave is to begin or as soon as practicable.

G. Return to Work

Upon returning to work from the leave, the teacher shall be guaranteed either the same position previously held by the teacher or an equivalent position.

For leave requested under A.4., the District requires appropriate certification that the teacher is able to resume work.

If the teacher fails to return to work, and the reason is not a serious health condition or other circumstance beyond the teacher's control, then the District may recover from the teacher the premium paid for maintaining the teacher's group health coverage during the leave.

The District may require certification that the teacher is unable to return to work, either that the teacher is unable to perform the functions of the position or that the teacher is needed to care for a spouse, child or

parent.

IV. ASSOCIATION RIGHTS

- 4.1. Upon written request by the Association, the Board shall provide any compiled public information requested.

- 4.6 Whenever district-wide committees are formed that require teacher participation, the Association will be asked to provide a list of teachers eligible to serve on such committees, except for the district Professional Improvement/Development Committee which will be selected in accordance with state statutes. Teachers serving on such committees during the school day shall not lose any pay as a result of such service.
- 4.7 The Association shall be provided leave to attend Association related activities. For each day of leave utilized, the Association shall reimburse the District for the actual cost of a substitute teacher if one is hired, or fifty dollars (\$50.00) if one is not hired.

Procedural Agreement

The Bartlesville Board of Education (hereinafter referred to as “Board”) and the Bartlesville Education Classified Personnel Organization (hereinafter referred to as “Organization”) hereby enter into the following agreement regarding an orderly process which involves dialogue in an effort to find a mutually satisfactory basis for agreement regarding wages, hours, fringe benefits and other terms and conditions of employment. This process is being used by the parties in lieu of a more formal negotiation process.

ARTICLE I – RECOGNITION

The “Board” recognizes the “Organization” as the exclusive bargaining agent for all employees who are not required by their job description to be a principal, licensed or certified teacher, superintendent or other administrator of the District as provided in Oklahoma Statutes.

ARTICLE II – INDIVIDUAL RIGHTS

Support Employees shall have the right to join and participate in and support the “Organization” as well as refrain from such activities. No support employee shall be discriminated against by the “Board” or any administrative officer of the District or the “Organization” because of employee’s membership, participation, or support of the “Organization” or lack thereof.

Article III – SCOPE AND PURPOSE

The “Board” and the “Organization” must “Meet and Confer” (which is a form of informal negotiations) with an open dialogue in an effort to find a mutually satisfactory basis for agreement regarding wages, hours, fringe benefits and other terms and conditions of employment. This agreement shall not abrogate, limit or restrict the legal rights, obligations and powers of the “Board” including the right to make policy rules and regulations. The “Board” and the “Organization” agree that no negotiations will occur on any duty reserved to the “Board” by statute or court order.

Article IV – PROCEDURE

- 4.1 The parties agree to begin the “Meet and Confer” process between May 1 and May 31 unless mutually agreed upon by the parties through the Superintendent or designee(s) and the Organization President. The time and location of each meeting will be established by mutual agreement of the parties.
- 4.2 It is the responsibility of each party to furnish public information on agenda items when asked by the other party.
- 4.3 Either party may utilize the services of outside consultants to assist in the “Meet and Confer” process. Each party shall be responsible for the expense of its consultant.
- 4.4 The parties agree to “Meet and Confer” in good faith regarding wages, hours, fringe benefits and other terms and conditions of employment placed on the agenda in accordance with the procedures above. Good Faith shall mean that the parties will afford each other the opportunity to fully explain and document their point of view in an effort to find a mutually satisfactory basis for agreement.
- 4.5 When final agreement is reached, it shall be submitted by the Superintendent to the “Board” for action. If an agreement cannot be reached, the Superintendent shall forward his/her recommendation and rationale to the “Board” for action.
- 4.6 The “Board” will consider the recommendation(s) at its next regularly scheduled meeting or at a special meeting called for that purpose. The “Board”, if it so desires, may adjourn to executive session in accordance with the provisions of the Open Meeting Law. The “Board” will afford an “Organization” representative the opportunity to address the “Board” before the “Board” takes final action on the Superintendent’s recommendation.
- 4.7 After approval by the “Board” the terms of the agreement shall be implemented.

ARTICLE V – SAVINGS CLAUSE

- 5.1 If any provision of this Agreement shall be found contrary to law, it shall be severed from the Agreement and all other provisions or application of the Agreement shall continue in full force and effect.

ARTICLE VI – PROCEDURAL AGREEMENT STATUS

- 6.1 This Agreement, when adopted and signed by all parties, shall remain in effect for successive fiscal year periods. Either party desiring changes in this Agreement shall notify the other party in writing between January 1 and January 31 of that year. Once such notice is given, the parties shall meet on a mutually agreeable date, within thirty (30) days to begin good faith efforts on a new Procedural Agreement.
- 6.2 In the event that the “Organization” disbands or otherwise ceases to be the recognized bargaining agent, this Agreement shall be null and void on the date of such disbanding or cessation of representation.
- 6.3 This Agreement becomes effective on the date it has been ratified by both parties.

Recommendations from the Superintendent shall be submitted to the Board of Education for approval at the next monthly meeting. The execution of an employment contract constitutes a pledge on the part of the employee to accept the policies of the Board of Education and to cooperate with the Superintendent in the administration of school policies.

NON-DISCRIMINATION

The Bartlesville Public Schools does not discriminate on the basis of race, color, national origin, sex, age, disability, religion or veteran status in their educational programs or activities. The coordinator shall take appropriate steps to notify all employees and applicants for school positions that the school district does not discriminate against disabled individuals in admission to, or employment in, the school district.

Any medical information will be treated as confidential except that:

1. Supervisors may be informed of the work restrictions of disabled employees;
2. First aid and safety personnel may be informed of any condition that might require emergency treatment; and
3. Government officials investigating the district's compliance with federal disability laws may be provided with such information.

A disabled person need not be hired if the medical examination reveals:

1. The applicant's condition might pose threats to the safety of other employees;
2. The disability might be made more severe by a particular job's requirements.

Employment Criteria

The district shall not use any employment test that screens out disabled applicants, unless:

1. The test or criterion used is job-related for the position which the applicant is seeking. "Job-related" means that the test accurately predicts the applicant's ability to perform the essential functions of the particular job.
2. Alternative job-related test or criterion which do not screen out disabled applicants are not available.

General Provisions

The following procedures will be followed:

1. There will be no discrimination against disabled persons in the recruitment, advertising, and processing of applications.

6. Disabled persons shall have the same parking facilities as those provided to other employees.
7. Reasonable accommodations will be made to the known physical and mental limitations of otherwise qualified disabled persons unless such accommodation would impose an undue hardship on the operation of the school district. No structural change need be made in any existing school facility if other methods can effectively accommodate the disabled employee. The district is not required to make each school facility or every part of its facilities accessible to all disabled employees if the school program in its entirety is accessible to disabled employees.

Grievance Procedures

If any applicant or employee feels that discrimination has been made on the basis of a disability, such person shall, as soon as possible, notify the coordinator about the problem. The coordinator shall, within three work days after notification of a complaint, confer with the person about the alleged discrimination. If the coordinator feels that there is discrimination, the coordinator shall take appropriate steps to correct the discriminatory conditions. The coordinator shall inform the person submitting the complaint of what actions are to be made. If the coordinator finds that no discriminatory practice exists, the coordinator shall inform the person of such findings. The person submitting the complaint may ask to be heard at the next school board meeting and the coordinator shall see that this matter is placed upon that meeting's agenda. The disabled person shall have the opportunity to inform the board of education of the basis for the discrimination complaint. The board of education shall take whatever actions are needed to correct any disability problem which it finds to exist.

If the employee's direct administrator or supervisor is the alleged offending person, the report will be made to the next higher level of administration or supervision.
 - b. Employees are also urged to report any unwelcome conduct of a sexual nature by supervisors or fellow employees if such conduct interferes with the individual's work performance or creates a hostile, offensive working environment.

The Bartlesville Board of Education believes that classified school employees should be provided a just procedure by which grievances may be heard and acted upon in a timely and orderly fashion. Therefore, it is the policy of the Board of Education that the administration and representatives of the Bartlesville Education Classified Personnel Organization shall cooperatively develop a grievance procedure which will provide an effective means for both individual employees and a group of employees to express any concern about the interpretation or administration of Board policy and/or administrative regulations.

1. An employee with a grievance may request a conference, in writing, with the employee's immediate supervisor to discuss the problem informally. Any request for a conference shall be filed not later than ten working days following the employee's knowledge of the alleged grievance.
2. If the employee is not satisfied with the results of the discussion with the immediate supervisor, the employee may request a hearing with the immediate supervisor's superior and continue through the proper line of authority to the Superintendent of schools or until the employee is satisfied.
3. If the employee has exhausted the hearing through the Superintendent of schools and is still dissatisfied with the response, the employee may file a written grievance report with the president of the Board of Education.
4. The grievance will be placed on the agenda for the next regular Board of Education meeting provided it reaches the Superintendent's office or the president of the Board of Education at least one week prior to that meeting. If the request is not submitted to the proper destination at least one week prior to the next regular Board of Education meeting, the request will be placed on the agenda at the second regular meeting. The Board's decision shall be final.
5. After step 1, each request for a hearing and each response from the supervisor to the employee following each hearing shall be in writing.
6. After step 1, each request for a hearing must be filed within five working days immediately following the response from the preceding hearing.
7. The written response from each step in the grievance procedure shall be submitted to the employee and the employee's immediate supervisor not later than five working days immediately following the hearing.
8. After step 1, the employee shall have the right to be represented at any requested hearing by a person of the employee's choice.
9. Any group of employees who wish to file a grievance shall also follow steps 1-8.
10. Nothing in this policy shall deprive any employee or employees of any right or privilege granted by any federal, state, or local law or policy or by any written agreement between the employee or employees and the Board of Education.
11. No prejudice or penalty of any kind shall be enacted against an employee or employees because they have availed themselves to the provisions of this policy.

REDUCTION/REEMPLOYMENT OF CLASSIFIED STAFF

(Policy DHD) Revised 8/19/2002 (Regulation DHD-R) Revised 8/19/2002

The following procedures shall govern the reduction in force of classified staff (hereinafter referred to as RIF). Such procedures are subject to revisions when necessary to ensure accomplishment of the educational aims of the school system or to insure compliance with State and Federal laws relating to employment decisions. For the purpose of determining reduction of classified staff, the following will be used in the order listed.

Attrition

The number of persons affected by a reduction-in-force will be kept to a minimum by not employing replacements insofar as practicable for employees who retire or resign. To achieve educational aims, it may be necessary to hire replacements for some positions if other employees in the system do not possess the skills, qualifications, and experience for the position and the position is one that needs to be filled. However, qualified employees within the system will have the opportunity to fill open positions before applicants outside the system are considered. Attrition may not be sufficient to accomplish a reduction-in-force in full.

Seasonal, Temporary, and Non-Contracted Employees

Reduction-in-force not achieved through attrition will be made by first terminating seasonal, temporary, and non-contracted employees. Thereafter, the basis shall be seniority with the Bartlesville school system.

Seniority

District seniority shall be defined as the total length of continuous service as a classified employee within the District commencing on the day employee goes on contract. District and site reduction-in-force will be by seniority within the job position District-wide. (Job position will hereinafter refer to a position that is similar in description; i.e. qualifications, skills, and experience; to the position the RIF'd employee was holding at the time of the RIF. Ex: Bus drivers = bus drivers, elementary attendance officer = elementary attendance officers, etc.) The employee affected by reduction-in-force will be allowed to displace the least senior employee in the job position affected by the RIF. Employees who are laid off due to a reduction-in-force and who are subsequently reinstated shall retain cumulative seniority for all periods worked except for the period of layoff. If seniority is equal, the employee to be reduced shall be determined by administration.

Reinstatement

Reinstatement rights under this policy will exist for the school year following a termination due to a reduction-in-force and will be governed by the following conditions:

1. Reinstatement will also be based on seniority. The reverse order of layoff should be applied, providing that the Superintendent's office is advised in writing of the current telephone number and mailing address for the direct communication.
2. RIF'd employees who are offered and who decline reinstatement shall be deemed to have waived any rights to reinstatement under this policy and will not be offered reinstatement in other such openings that may occur later in the school year. Decline of an offer for reinstatement in a job position other than that from which terminated will not jeopardize the right to be offered other openings of the same job that may occur later in the school year.
3. Employees not offered reinstatement in the course of the school year following their layoff must make application for employment in accordance with established District procedures if they desire to be considered for employment in any school year beyond the school year following their notice of layoff.
4. Classified employees who are recommended not to be rehired for the next school year due to reduction-in-force should be given written notice of that recommendation two (2) weeks (minimum) prior to the last working day of employment unless the District does not have knowledge prior to the legal date of June 1st.

CLASSIFICATION PLAN FOR CLASSIFIED PERSONNEL

1. Human Resources is responsible for the proper classification of all jobs in accordance with the standards established by Board of Education policies.
2. Job descriptions identifying each position shall be written and an analysis made of the duties involved. An annual review of at least one-third of all Job Titles shall be conducted to accurately reflect the current requirements of each job description and to evaluate the relative position of each job on the approved salary schedule.
3. Provisions will be made for receiving recommendations for adjustments by individual supervisors as an immediate need is identified and are subject to the following procedures:
 - A. Changes in the duties and responsibilities of a department involving either the addition or elimination of new positions, or the modification of existing ones (request for reclassification), are requested in writing by the evaluating administrator to the Superintendent's designee accompanied by a letter of justification and a revised job description.
 - B. A Personnel Committee will review each request, arrive at a salary schedule placement, and submit the request to the Superintendent with a recommendation for approval or denial.
 - C. This Personnel Committee consists of the following:
 - Superintendent's designee
 - BECPO President
 - Administration Representative
 - Classified Staff Representative

- D. All final determinations are subject to the acceptance and approval of the Superintendent and the Board of Education.

TEACHER ASSISTANTS

It is the practice of the Bartlesville Board of Education that teacher assistants will be employed for the school term only. Employment will be offered if funds are available, the educational need exists in a particular program, and the applicant possesses the required skills. All TA's are required by Bartlesville Public Schools and the Oklahoma State Department of Education to hold a Paraprofessional Certification (Tier 1 or Tier 2). Tier 1 certification can be gained by submitting the following documents to the Oklahoma State Department of Education:

1. Meet one of the following:

 - b. An associate's degree (or higher), or
 - c. Passed the WorkKeys Test (Bronze+) or ParaPro Assessment (455+)
2. Submit the completed application and pay the fee
3. Complete a background check

3. Cardiovascular Pulmonary Resuscitation (CPR)/First Aid, maintaining current certification

III. REQUIRED TESTING & CONSENT

The following testing is required of all drivers:

PRE-EMPLOYMENT TESTING AND CONSENT

A driver must pass a drug and alcohol use test prior to performing a safety-sensitive function. The test will be conducted during the hiring process or immediately before the driver first performs a safety-sensitive function.

Alcohol Testing

A driver may not commence the performance of duties unless the test shows a concentration of less than 0.04. If the test shows a concentration of between 0.02 and 0.04, no safety-sensitive duties may be performed for at least 24 hours.

A pre-employment alcohol test will not be required if:

1. The driver has undergone an alcohol test required by the Federal Act within the previous six weeks and tested under 0.04; and
2. The driver provides evidence that no prior employer of the driver has any record of alcohol misuse by the driver within the previous six months.

Controlled Substances

The driver must receive a confirmed negative drug use test result from a medical officer, except that no testing is required if:

1. The driver has participated within the previous 30 days in a drug testing program meeting the requirements of the Federal Act; and
2. While participating in the program, the driver either

Preemployment Consent

The School District shall request the driver's written consent to obtain the following information from DOT-regulated employers who have employed the driver during the two (2) years before the date of the driver's application to a position requiring safety-sensitive duties:

1. Alcohol tests with a result of 0.04 or higher alcohol concentration;

8. The School District shall maintain a written, confidential record of the information obtained or of the good faith efforts made to obtain the information. This record shall be maintained for three years from the date of the driver's first performance of safety-sensitive functions.
9. Prior to the driver's first performance of safety-sensitive functions, the School District shall ask the driver whether s/he has tested positive, or refused to test, on any pre-employment drug or alcohol test:

Alcohol

As soon as practical following an accident, an alcohol test will be administered to the following drivers:

1. Each surviving driver who was performing safety-sensitive functions with respect to the vehicle, if the accident involves loss of life.
2. Each surviving driver who received a moving traffic violation arising from the accident, if the accident involved:
 - a. bodily injury to any person that necessitated immediate medical treatment away from the scene of the accident; or
 - b. at least one vehicle incurred disabling damage as a result of the accident that required the vehicle to be transported away from the scene by a tow truck or other vehicle.

The test is to be administered within two hours of the accident. If the test is not administered within that time, the driver's supervisor shall cease attempts to administer an alcohol test and shall prepare a written report explaining why a test was not given.

Drivers shall remain readily available for testing. A driver leaving the scene of an accident without a valid reason prior to submission to the test may be deemed to have refused to submit to testing.

A breath or blood alcohol test conducted by a law enforcement agency will be considered to meet these requirements if the test meets the requirements of the Federal Act and the test results are obtained by the School District.

Controlled Substances

As soon as practical following an accident, a test for controlled substances will be administered to the following drivers:

1. Each surviving driver who was performing safety-sensitive functions with respect to the vehicle, if the accident involved the loss of human life.
2. Each surviving driver who received a moving traffic violation arising from the accident, if the accident involved:
 - a. bodily injury to any person that necessitated immediate medical treatment away from the scene of the accident; or
 - b. at least one vehicle incurred disabling damage as a result of the accident that required the vehicle to be transported away from the scene by a tow truck or other vehicle.

The test is to be administered within thirty-two (32) hours of the accident. If no test is made within that time period, then no test will be made and the driver's supervisor will prepare a written report stating the reasons for not administering a prompt test.

Drivers shall remain readily available for testing. A driver leaving the scene of an accident without a valid reason prior to submission to the test may be deemed to have refused to submit to testing.

A urine test for controlled substances administered by a law enforcement agency will be considered to meet these requirements if the test meets the requirements of the Federal Act and the results are obtained by the School District.

RANDOM TESTING

Random drug and alcohol use testing of drivers will be conducted throughout the year. Selection of the drivers to be tested will be made by a scientifically valid method, such as random-number table or a computer based random-generator matched with drivers' social security numbers, payroll identification numbers or other comparable identifying numbers. Dates for administering unannounced testing shall be unpredictable and spread reasonably throughout a nine (9) month period.

Drivers are to be tested while performing safety-sensitive functions, just before performing those functions, or just after ceasing those functions. A driver who is notified of selection for random drug or alcohol use testing must proceed to the test site immediately, unless the driver is performing a safety-sensitive function other than driving, in which case the driver must cease performing the safety-sensitive function and proceed to the test site as soon as possible.

The minimum annual percentage rate for random alcohol testing will be twenty five percent (25%) of the average number of driver positions, subject to adjustment of the percentage by the Federal Highway Administration. The minimum annual percentage rate for random testing for controlled substances will be fifty percent (50%) of the average number of driver positions.

REASONABLE SUSPICION TESTING

Drug and Alcohol use testing will be conducted when there is reasonable suspicion to believe that a driver has violated a provision in this Policy.

Reasonable suspicion shall be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the driver. Reasonable suspicion for drug use may also be based on indications of the chronic and withdrawal effects of controlled substances.

Alcohol testing is authorized only if the observations are made during, just preceding, or just after the period of the work day that the driver is performing a safety-sensitive function. A written record must

be made as to why an alcohol test was not made within two hours following a determination of reasonable suspicion of misuse. No test is to be made if eight hours passed after the determination.

Persons designated to determine whether reasonable suspicion exists shall receive at least sixty (60) minutes of training on performance indicators of probable alcohol misuse. The required observations shall be made by a supervisor who has received training in detecting the symptoms of alcohol/controlled substance misuse. The supervisor who makes the determination that reasonable suspicion exists shall not conduct the alcohol test.

A written record will be made of the observations leading to a test for reasonable suspicion of drug use. The record will be signed by the supervisor who made the observations. The record will be made within twenty four (24) hours of the observed behavior or before the test results are received, whichever is earlier.

RETURN TO DUTY TESTING

1. Returning after Reasonable Suspicion of Alcohol Abuse Determination.

A driver suspected of being under the influence of or impaired by alcohol will not be permitted to perform a safety-sensitive function until:

- a. an alcohol test shows a concentration of less than 0.02; or
- b. 24 hours have elapsed following a determination that there was reasonable suspicion to believe the driver has violated the rules in this Policy against alcohol misuse.

2. Returning after Violation of Prohibitions in this Policy.

- a. A driver who has engaged in conduct prohibited by this Policy shall not be permitted to perform safety-sensitive functions until s/he first passes a drug use test and/or an alcohol test with an alcohol concentration of less than 0.02.
- b. A driver who has violated a provision in this Policy cannot again perform any safety-sensitive duties for any employer until and unless the driver completes the SAP evaluation, referral, and education/treatment process.

FOLLOW-UP TESTING

A driver who has been identified by a SAP as needing assistance in resolving problems with alcohol misuse or drug use and who has returned to duty involving the performance of a safety-sensitive function will be subject to a minimum of six (6) unannounced follow-up drug and alcohol use tests over the following twelve (12) months. The SAP is the sole determiner of the number and frequency of follow-up tests, as well as whether the tests will be for drugs, alcohol or both. The SAP can direct additional testing during this period or for an additional period up to a maximum of sixty (60) months. The School District must carry out the SAP's follow-up testing requirements.

IV. TEST PROCEDURES

Testing methodology will comply with the requirements of the Oklahoma Act, except that the requirements of the Federal Act stated in this Policy supersede the provisions of the Oklahoma Act. Alcohol testing must be conducted in a location that provides visual and aural privacy to the driver, sufficient to prevent unauthorized persons from seeing or hearing the test.

Alcohol Testing Procedures

Procedures for an Alcohol Screening Test Using an EBT or Non-Evidential Breath ASD.

When the driver enters the testing location, the BAT or STT will require the driver to provide positive identification. If the driver requests, the BAT or STT will provide positive identification. The BAT or STT will explain the testing procedure. An individually-sealed mouthpiece is opened in the view of the driver and attached to the EBT. The driver will then blow into the mouthpiece for at least six (6) seconds. If the EBT does not provide a printed result, the BAT or STT will record the test number,

date, technician's name, location and test result in a log book. The driver will initial the log book. If the EBT provides a printed result, the result is either:

1. printed on the testing form; or
2. affixed to the form with tamper-evident tape.

If the screening test result is less than 0.02, the BAT or STT will transmit the result in a confidential manner to the School District's DER, who is designated by the board of education or the school superintendent to receive and handle alcohol test results in a confidential manner.

If the breath test is 0.02 or higher, a confirmation test is required. The confirmation test must be conducted no less than fifteen (15) and no more than thirty (30) minutes after the screening test. Before a confirmation test is given, the BAT must conduct a "blank" test on the EBT to obtain a reading of 0.00. The remainder of the confirmation test is identical to the screening test for EBTs.

If the confirmation test result is lower than 0.02, nothing further is required of the driver.

If the confirmation test result is 0.02 or higher, the driver must sign and date the ATF. The BAT will immediately transmit the result to the DER in a confidential manner.

Refusal to take a required test has the same consequences as if the driver had tested 0.04 or more. The following constitutes a refusal to take a test:

1. failure to appear for any test within a time required to appear;
2. failure to provide an adequate amount of saliva or breath for testing without a valid medical explanation;
3. failure to cooperate with any part of the testing process;
4. failure to sign the alcohol testing form or ATF certification;
5. failure to remain at the testing site until the testing process is complete, unless the test is a pre-employment test;
6. failure to undergo a medical examination or evaluation due to insufficient breath sampling;
7. leaving the scene of an accident before being tested, except when reasonably necessary to receive medical treatment.

Procedure for an Alcohol Screening Test Using Saliva ASD

When the driver enters the testing location, the STT will require the driver to provide positive identification. If the driver requests, the STT will provide positive identification. The STT will explain the testing procedure. The STT will check the expiration date on the device and show it to the driver. An individually wrapped package containing the device will be opened in the presence of the driver, and the driver will be instructed to insert the device into his or her mouth and use it in the manner described by the manufacturer. If the driver prefers not to use the device, the STT may insert the device into the driver's mouth and gather saliva.

Procedures for Collection of Urine Specimens.

1. All urine collections must be split specimen collections.
2. The School District must direct an immediate urine collection under direct observation with no advance notice to the driver if the laboratory reported to the Medical Review Officer ("MRO") that a specimen is invalid and the MRO has reported that there is not an adequate medical explanation for the result, or the MRO reported that the original positive, adulterated, or substituted test result had to be cancelled because the test of the split specimen could not be performed.
3. The School District may direct a collection under direct observation of a driver if the drug test is a return-to-duty test or a follow-up test.

4. A driver must receive an explanation of the reasons for a directly observed collection. If a driver declines to allow a directly observed collection, that driver will be considered to have refused to test.

Procedures for Testing of Urine Specimens.

1. Testing of urine samples for drug use shall be performed by a laboratory certified by the federal Department of Health and Human Services ("DHHS") under the National Laboratory Certification Program.
2. Drug use testing may only be performed for the following five drugs or classes of drugs:
 - a. marijuana metabolites,
 - b. cocaine metabolites,
 - c. amphetamines,
 - d. opiate metabolites,
 - e. phencyclidine (PCP).
3. If the driver requests a test of a split specimen, the first laboratory will ship the unopened split specimen to a second DHHS-approved laboratory for testing. If the test of the split specimen fails to confirm the presence of a controlled substance, the entire test is cancelled.
4. The driver must request a split specimen test verbally or in writing within 72 hours of being notified of a verified positive drug test or refusal to test because of adulteration or substitution.
5. If a driver does not make a request within 72 hours, the driver may present information to the MRO documenting that serious injury, illness, lack of actual notice of the verified test result, inability to contact the MRO, or other circumstances unavoidably prevented the driver from making a timely request.
6. If a driver makes a timely request for a split specimen test, the School District must ensure that the MRO, first laboratory and second laboratory perform the split-specimen testing functions in a timely manner. If necessary, the School District must pay for the split specimen testing and seek reimbursement from the driver.
7. The MRO will report split specimen test results to the DER and driver.
8. The laboratory will report results directly to the MRO. The laboratory will not report the results to anyone else.
9. When the MRO receives a confirmed positive, adulterated, substituted, or invalid test result from the laboratory, the MRO will attempt to contact the driver to determine whether the driver wants to discuss the test result. If the MRO cannot reach the driver after reasonable efforts to do so, the MRO must contact the DER but cannot tell the DER that the driver has a confirmed positive, adulterated, substituted, or invalid test result. The DER must then attempt to contact the driver. If the DER makes contact with the driver, the DER should simply direct the driver to contact the MRO immediately and inform the driver of the consequences of failing to contact the MRO within the next 72 hours. If the DER is unable to reach the driver after making three (3) attempts, spaced reasonably, over a 24-hour period, then the DER may place the driver on temporary medically unqualified status or medical leave. Documentation must be kept by the DER of any actual and/or attempted contacts with the driver, including the dates and times of the contacts. If the DER is unable to contact the driver within the 24-hour period, the DER must leave a message for the driver by voice mail, e-mail or letter to contact the MRO and inform the MRO of the date and time of this message.
10. Confirmation testing for controlled substances will be performed in accordance with the Oklahoma Act, except when the Oklahoma Act conflicts with Federal law.
11. The MRO must verify a confirmed positive test result for marijuana, cocaine, amphetamines, and/or PCP unless the driver presents a legitimate medical explanation for the presence of the drug(s)/metabolite(s) in her or his system.
12. As part of the verification decision, the MRO must conduct a medical interview that includes reviewing the driver's medical history and any other relevant biomedical factors presented by the driver, as well as directing the driver to undergo further medical evaluation.
13. DOT tests must be completely separate from non-DOT tests in all respects, and DOT tests must take priority over non-DOT tests. DOT tests must be completed before a non-DOT test is

begun. The results of a DOT test shall not be disregarded or changed based on the results of a non-DOT test.

V. PROHIBITIONS

A driver will not be permitted to report to duty or to remain on duty requiring the performance of a safety-sensitive function if:

ALCOHOL

1. The driver has an alcohol concentration of 0.02 or higher as measured on a breath test.
2. The driver displays behavior or appearance characteristics of alcohol misuse.
3. The driver is under the influence of or is impaired by alcohol, as shown by behavioral, speech, and performance indicators of alcohol misuse.
4. The driver possesses alcohol while on duty.
5. The driver uses alcohol during duty performance.
6. The driver has used alcohol within the four hours prior to performing duties.
7. The driver has had an accident within the last eight hours and has not taken a breath test showing clearance from prohibited alcohol levels.
8. The driver has refused to take a breath test for alcohol use.
9. The driver is taking any prescription or non-prescription medication containing alcohol, even if the driver has notified the driver's supervisor of the medication use.

CONTROLLED SUBSTANCES

1. The driver uses any controlled substance, unless the use is pursuant to a physician's written certification stating that the use does not adversely affect the driver's ability to safely operate a motor vehicle.
2. A supervisor or administrative employee has actual knowledge that a driver has used a controlled substance.
3. The driver has a positive confirmed test for a controlled substance.
4. The driver displays behavior or appearance characteristics of drug use.
5. The driver has refused to take a drug use test.

REFUSAL TO TEST

A driver has refused to take a drug or alcohol use test if s/he:

1. Fails to appear for any test as directed by the School District.
2. Fails to remain at the testing site until the testing is complete.
3. Fails to provide a urine specimen.
4. Fails to provide a sufficient amount of urine when there is no adequate medical explanation for the failure.
5. Fails to permit a directly observed or monitored collection.
6. Fails or declines to take a second test the School District or collector has directed.
7. Fails to undergo a medical examination or evaluation as directed by the MRO as part of the verification process or as directed by the DER when the urine sample was insufficient.
8. Fails to cooperate with any part of the testing process (e.g. refuses to empty pockets when directed to do so, behaves in a confrontational way that disrupts the collection process).
9. Has a verified adulterated or substituted test result.

VI. STANDING DOWN EMPLOYEES

Stand-down is "the practice of temporarily removing an employee from the performance of safety-sensitive functions based only on a report from a laboratory to the MRO of a confirmed positive test for a drug or drug metabolite, an adulterated test, or a substituted test, before the MRO has completed verification of the test result." DOT regulations prohibit employers from standing employees down, before the MRO has completed verification of the test result.

A verified test is a drug test result or validity testing result from an HHS-certified laboratory that has undergone review and final determination by the MRO.

The District may assign a driver non-driving duties pending the receipt of a verified test result when the District has reasonable suspicion to believe the employee is impaired.

When the District does remove an employee from service, following verification of the drug test result, it will do so consistent with the confidentiality requirements, within its control, imposed by law.

VII. REFERRAL AND TREATMENT

A driver who violates any of the Prohibitions in this Policy shall be advised of Policy DCAA.

The Employee Assistance Program, a program through which employees may be referred to third party providers who offer, at the employee's expense, a confidential drug and alcohol dependency evaluation and referral service for substance abuse counseling, treatment or rehabilitation.

A driver who violates any of the Prohibitions in this Policy must be evaluated by a SAP who shall determine what assistance, if any, the driver needs in resolving problems associated with drug or alcohol misuse. The driver will not be permitted to perform safety-sensitive duties for any employer until and unless he or she completes the SAP evaluation, referral, and education/treatment process. If the driver is identified as needing assistance in resolving problems associated with drug or alcohol misuse, the driver must be evaluated by a SAP to determine if the driver has properly followed the prescribed rehabilitation program. The driver must be subject to unannounced follow-up drug and/or alcohol use tests upon return-to-duty.

The SAP will provide a written report directly to the DER highlighting the SAP's specific recommendations for a course of education and treatment with which the driver must comply prior to returning to the performance of safety-sensitive functions. Neither the driver nor the School District shall seek a second SAP's evaluation in order to obtain another recommendation. Only the SAP who made the initial evaluation may modify his or her initial recommendations.

If the SAP recommends that the driver continue treatment, aftercare or support group services after returning to safety-sensitive duties, the School District may require the driver to participate in the recommended treatment or services as part of the return-to-duty agreement. These requirements do not apply to drivers refusing to be tested or drivers having a preemployment test of 0.04 or more. The School District is not required to return a driver to safety-sensitive duties just because the driver complies with the SAP's recommendations.

VIII. EDUCATIONAL MATERIALS

Each driver shall receive educational materials that explain:

1. the alcohol misuse prevention requirements;
2. the School District's policies and procedures;
3. the identity of a contact person knowledgeable about the materials;
4. factual information on the effects of controlled substance use and alcohol misuse on personal life, health and safety;
5. where help can be obtained, including information regarding the School District's Employee Assistance Program;
6. categories of employees subject to testing;
7. a description of prohibited conduct and the circumstances that trigger testing;
8. testing procedures and safeguards;
9. what constitutes a refusal to submit to testing and the consequences;
10. signs and symptoms of a drug or alcohol use problem;
11. consequences for drivers with an alcohol test level of 0.02 or more but less than 0.04; and

12. the consequences of violating the rules in this Policy. The District's staff will prepare and distribute appropriate educational materials as provided for in this section.

IX. MAINTENANCE OF RECORDS

Upon written request, a driver is entitled to obtain copies of any School District records concerning the driver's use of alcohol or controlled substances, including test results. The School District shall not release individual test results or medical information about a driver to third parties without the employee's specific written consent to the release of a particular piece of information to a particular person or organization. Notwithstanding this prohibition, the School District may release information pertaining to a driver's drug or alcohol use test without the employee's consent in certain legal proceedings.

X. DISCIPLINARY ACTION

Employees who violate any prohibition in this Policy will be subject to disciplinary measures, including employment termination. Likewise, employees whose test results are positive for alcohol or controlled substances are subject to disciplinary actions, including employment termination. The same disciplinary consequences face individuals who provide false information in connection with the testing process or who fail to cooperate with the District's efforts to fulfill its testing obligations.

XI. OTHER POLICIES AND FORMS

This Policy does not supersede any other School District policy pertaining to alcohol misuse or controlled substance use by School District employees, except to the extent that this Policy is specific to drivers performing safety-sensitive functions. To the extent permitted by federal law, this Policy is to be interpreted consistent with Oklahoma's Act regarding drug and alcohol testing of personnel. Bus driver applicants must complete the "Consent For Release of Information" form and "Bus Driver Questionnaire" that are part of the application for employment.

POLICY ON TESTING EMPLOYEES AND APPLICANTS FOR EMPLOYMENT (OTHER THAN BUS DRIVERS) WITH REGARD TO THE USE OF ALCOHOL AND ILLEGAL CHEMICAL SUBSTANCES

(Policy DCA2) Revised 12/19/2011

The Board of Education, with the intent that all employees have notice and knowledge of the ramifications concerning alcohol and illegal chemical substance use, possession, purchase, sale or distribution when the employee is on duty or on school property, does hereby adopt the following Policy on Testing Employees and Applicants for Employment (Other Than Bus Drivers) With Regard to the Use of Alcohol and Illegal Chemical Substances.

- **Statement of Purpose and Intent**

1.1 The safety of students and employees of the School District is of paramount concern to the School Board.

1.2 Employees who are under the influence of alcohol or an illegal chemical substance when the employee is on duty or on school property pose serious safety risks to students and other employees.

1.3 The use of alcohol and illegal chemical substances has a direct and adverse effect on the safety, personal health, attendance, productivity and quality of work of all employees and the safety of all students.

1.4 Scientific studies demonstrate that the use of alcohol and illegal chemical substances reduces an employee's ability to perform his job beyond the time period of immediate consumption or use.

1.5 The Board recognizes that all employees have certain personal rights guaranteed by the Constitutions of the United States of America and the State of Oklahoma as well as by the Oklahoma Standards for Workplace Drug and Alcohol Testing Act, OKLA. STAT. tit. 40, §§ 551 et seq. as amended. This Policy will not infringe on those rights.

1.6 Due to the devastating impact that the use of alcohol and illegal chemical substances can have on the safety of students and employees and their adverse effect on an employee's ability to perform the employee's job, the Board will not tolerate employees who use, possess, distribute, purchase, sell or are under the influence (as defined in the Policy) of alcohol or illegal chemical substances when on duty or while on school property.

1.7 This Policy will apply to all employees of the School District regardless of position, title or seniority except bus drivers. The testing of bus drivers for alcohol or illegal chemical substances is exclusively governed by the School District's Policy on Alcohol and Drug Testing for Drivers and the federal Omnibus Transportation Act of 1991. Bus drivers whose job assignment involves duties independent of bus driving shall be subject to this policy as to all non-bus driving duties.

1.8 Violations of this Policy will subject the employee to disciplinary action, including termination.

- **Definitions**

2.1 Applicant means a person who has applied for a position with an employer and received a conditional offer of employment.

2.2 "Illegal chemical substance" means any substance which an individual may not sell, possess, use, distribute or purchase under either Federal or Oklahoma law. "Illegal chemical substance" includes, but is not limited to, all scheduled drugs as defined by the Oklahoma Uniform Controlled Dangerous Substances Act, all prescription drugs obtained without authorization and all prescribed drugs and over the counter drugs being used for an abusive purpose. By this policy, applicants and employees are placed on notice that the school district may test individuals for drugs and alcohol.

2.3 "Alcohol" means ethyl alcohol or ethanol.

2.4 "Under the influence" means any employee of the School District or applicant for employment with the School District who has any alcohol or illegal chemical substance or the

metabolites thereof present in the person's body in any amount which is considered to be "positive" for such alcohol or drug or drug metabolites using any scientifically substantiated alcohol or drug use screen test and alcohol or drug use confirm test.

2.5 "Positive" when referring to an alcohol or drug use test administered under this Policy means a toxicological test result which is considered to demonstrate the presence of alcohol or an illegal chemical substance or the metabolites thereof using the cutoff standards or levels determined by the State Board of Health or in the absence of such State Board cutoff levels, the cutoff levels customarily established by the testing laboratory administering the alcohol or drug use test.

2.6 "School property" means any property owned, leased or rented by the School District, including but not limited to school buildings, parking lots and motor vehicles.

2.7 "Drug or alcohol test" means a chemical test administered for the purpose of determining the presence or absence of a drug or its metabolites or alcohol in a person's bodily tissue, fluids or products. Adulteration of a specimen or of a drug or alcohol test shall be considered as a refusal to test;

2.8 "Employee" means any person who supplies labor for remuneration to his or her employer in this state and shall not include an independent contractor, subcontractor or employees of an independent contractor; provided, however, an independent contractor, subcontractor, or employees of an independent contractor, may be subject to a workplace drug or alcohol testing policy under the terms of the contractual agreement when the drug or alcohol testing policy applies to other workers at the job site or workers who are in the same or similar classification or group;

2.9 "On duty" means any time during which an employee is acting in an official capacity for the School District or performing tasks within the employee's job description, including the taking of an annual physical examination.

2.10 "Bus driver" means:

A School District employee who is required to have a commercial drivers' license ("CDL") to perform the employee's duties;

Employees of independent contractors who are required to have a CDL;

Owner-operators;

Leased drivers; and

Occasional drivers.

2.11 To the extent not specifically defined herein, the definition of any term, word or phrase found in this Policy shall be as set forth in the Oklahoma Standards for Workplace Drug and Alcohol Testing Act.

• **Procedures for Alcohol or Illegal Chemical Substance Testing**

3.1 Any alcohol or drug use test administered under the terms of this Policy will be administered by or at the direction of a testing facility licensed by the Oklahoma State Department of Health ("Department") and using scientifically validated toxicological methods that comply with rules promulgated by the Department. Testing facilities shall be required to have detailed written specifications to assure chain of custody of the samples, proper labeling, proper laboratory control and scientific testing. All aspects of the alcohol and drug use testing program, including the taking of samples, will be conducted so as to safeguard the personal and privacy rights of applicants and employees. The test sample shall be obtained in a manner which minimizes its intrusiveness.

In the case of urine samples, the samples must be collected in a restroom or other private facility behind a closed stall or as otherwise permitted by the Department or its Board; a sample shall be collected in sufficient quantity for splitting into two (2) separate samples, pursuant to rules of the State Board of Health, to provide for any subsequent independent analysis in the event of a challenge of the test results of the main sample; the test monitor shall not observe any employee or applicant while the sample is being produced but the test monitor may be present outside the stall to listen for the normal sounds of urination in order to guard against tampered samples and to insure an accurate chain of custody; and the test monitor may verify the normal warmth and appearance of the sample. If at any time during the testing procedure the test monitor has reason to believe or suspect that an employee/applicant is tampering with the sample, the test monitor may stop the procedure and inform the test coordinator. The test monitor shall be of the same gender as the applicant/employee giving the sample.

The test monitor shall give each employee or applicant a form on which the employee or applicant may, but shall not be required to, list any medications he has taken or any other legitimate reasons for his having been in recent contact with alcohol or illegal chemical substances.

3.2 If the initial drug use test is positive for the presence of an illegal chemical substance or the metabolites thereof, the initial test result will be subject to confirmation by a second and different test of the same sample. The second test will use an equivalent scientifically accepted method of equal or greater accuracy as approved by rules of the State Board of Health, at the cutoff levels determined by Board rules. An applicant for employment will not be denied employment or an employee will not be subject to disciplinary procedures unless the second test is positive for the presence of illegal chemical substances or the metabolites thereof.

3.3 If an initial alcohol use test is positive for the presence of alcohol, the initial test result will be subject to confirmation by a second and different test using any scientifically accepted method approved by rules of the State Board of Health, at the cutoff levels determined by Board rules.

3.4 A written record of the chain of custody of the sample shall be maintained from the time of the collection of the sample until the sample is no longer required.

3.5 Any applicant for employment or employee who is subject to disciplinary action as a result of being under the influence of alcohol or an illegal chemical substance, as and for an appeal procedure, will be given a reasonable opportunity, in confidence, to explain or rebut the alcohol or drug use test results. If the applicant or employee asserts that the positive test results are caused by other than consumption of alcohol or an illegal chemical substance by the applicant or employee, then the applicant or employee will be given an opportunity to present evidence that the positive test result was produced by other than consumption of alcohol or an illegal chemical substance. The School District will rely on the opinion of the District's testing facility which performed the tests in determining whether the positive test result was produced by other than consumption of alcohol or an illegal chemical substance.

In the case of drug use testing, the employee or applicant will have a right to have a second test performed on the same test sample at the expense of the employee or applicant. In the case of alcohol testing, the employee or applicant will have a right to have a second test performed on the same test sample using any scientifically accepted method approved by rules of the State Board of Health, at the cutoff levels determined by Board rules. The request for the second test must be made within twenty-four (24) hours of receiving notice of a positive test in order to challenge the results of a positive test and subject to the approval by the School District's testing facility that (a) the facility selected by the applicant or employee for the second test meets the qualifications required for a testing facility under the Oklahoma Standards for Workplace Drug and Alcohol Testing Act and (b) the testing methodology used by the facility selected by the employee or applicant conforms to scientifically accepted analytical methods and procedures, including the cutoff levels, as determined by the State Board of Health. The laboratory performing alcohol or drug use tests for the School District will not report on or disclose to the School District any physical or mental condition affecting an employee or employment applicant which may be discovered in the examination of a sample other than the presence of alcohol or illegal chemical substances or the metabolites thereof. The Bartlesville Board of Education shall provide sick leave benefits to all regular personnel working four (4) or more hours per day in order to promote a sense of security and permit an ease of mind that is essential to the satisfactory performance of professional services. The Board sets forth the following provisions for administering this policy:

1. The Superintendent or the Superintendent's designee shall administer this plan.
2. Employees may be absent from duty because of personal accidental injury, illness or pregnancy, or injury, illness or death in the immediate family without loss of salary not to exceed the amount of accumulated sick leave during each school year. The superintendent or his/her designee may also grant paid bereavement leave days for deaths outside the immediate family.

- 2. Employees must have a balance of 50 unused sick leave days before they may donate a day.
- 3. An employee may initially request up to twenty (20) days from donating employees. If needed, the employee may reapply for one additional twenty (20) day period. After that the district personnel office must meet with the employee to review the long-term disability options available to the employee.
- 4. Solicitations for donated leave shall only made through designated administrative channels.

Note: The term "immediate family" has been defined as those close family members such as a spouse, children, parent, sibling, and corresponding relationships as established by marriage. Sick leave may also be taken for the life-threatening illness or death of non-dependent children, mother, father, sister, brother, grandparents, mother-in-law, or father-in-law.

FAMILY AND MEDICAL LEAVE (Policy DECA)

It is the policy of the District to comply fully with the requirements of the Family and Medical Leave Act of 1993 (FMLA). This Act, as supplemented by the National Defense Authorization Act of 2008 (NDAA), requires that a covered employer provide up to twelve (12) workweeks of unpaid leave to eligible employees or up to twenty six (26) workweeks of leave for service member family leave. "Eligible employees" are those employees who: (1) have been employed for at least one (1) year by

the School District; (2) worked at least twelve hundred and fifty (1,250) hours during the previous twelve (12) month period; and (3) have requested leave for a reason covered by the FMLA or NDAA

Reasons for Leave

All eligible employees who meet FMLA or NDAA requirements may be granted leave as provided in Board Policy DECA and required by law for the following reasons:

1. for the birth of a child and to care for such child, or placement for adoption or foster care of a child;
2. to care for a spouse, child or parent with a serious health condition;
3. for a serious health condition of the employee that makes the employee unable to perform his or her job functions;
4. because the employee's circumstances qualify for active duty leave due to a spouse, child, or parent being called up for or on active duty in the Armed Forces during a war or national emergency declared by the President or Congress; or
5. For military caregiver leave to care for a service member who is a spouse, child, parent, or next of kin and becomes seriously ill or injured while serving on active duty in the Armed Forces.

The term "serious health condition" means one which requires either in-patient care, or continuing treatment by a health care provider. This term is intended to cover conditions or illnesses affecting health to the extent that in-patient care is required, or absences are necessary on a recurring basis or for more than just a few days. A "serious health condition" does not cover short-term conditions for which treatment and recovery are very brief. Such conditions would normally be covered by the School District's sick leave policies.

The term "year" as used in this Policy shall mean a rolling 12-month period measured backward from the date an employee uses any leave.

Procedures for Utilizing FMLA or NDAA

Employees should refer to Board Policy DECA for additional definitions, requirements, and procedures for requesting and utilizing FMLA or NDAA.

The Human Resources/Finance department is available to discuss all aspects of the Acts and assist employees with requesting and utilizing the appropriate leave.

PERSONAL LEAVE

(Regulation DEC-R2) Revised 12/15/2003

The Bartlesville Board of Education urges continuous day-to-day performance and recognizes the value to young people of this uninterrupted performance. However, the Board understands that in some cases it is necessary for an employee to request leave for business or other personal reasons. It is the desire of the Board of Education to cooperate and provide an avenue for relief in these instances.

PAID PERSONAL LEAVE

Classified employees under contract for 20 or more hours per week, but who do not qualify for vacation will be granted one day, not to exceed the number of hours per day for which they are regularly employed, of leave with pay during each school year, hereinafter referred to as PAID PERSONAL LEAVE. PAID PERSONAL LEAVE not used during the contract year will be added to the employee's accumulated sick leave.

PERSONAL BUSINESS LEAVE

Classified employees contracted to work 20 or more hours per week will be granted a maximum of three days leave, not to exceed the number of hours per day for which they are regularly employed, with substitute pay deducted, for personal business matters that cannot be conducted before or after school hours or on weekends. This leave will be referred to as PERSONAL BUSINESS LEAVE. If unused, a maximum of two days shall be added to the employee's accumulated sick leave balance.

LEAVE REQUEST PROCEDURES

Requests for PAID PERSONAL LEAVE or PERSONAL BUSINESS LEAVE shall be made to the immediate supervisor through Absence Management. When possible, the request should be submitted at least 24 hours in advance of the planned absence. Decisions for approval will be based on a time that is the least disruptive for the efficient operation of the school system.

Neither PAID PERSONAL LEAVE or PERSONAL BUSINESS LEAVE will be granted on the school days immediately preceding or following a school holiday, vacation period, or during the last two weeks of school without special permission from the employee's immediate supervisor and the Superintendent or his/her designee.

EMERGENCY LEAVE

(DEC-R3) Revised 8/19/2002

The Bartlesville Board of Education shall provide not more than five days each year for emergency leave. These days shall not be chargeable to sick leave and will be non-cumulative. The term emergency should be construed to mean a situation or occurrence of a serious nature, developing suddenly and unexpectedly, and demanding immediate attention. Emergency leave must be granted at the discretion of the immediate supervisor and Superintendent. The school district will pay for any required substitute.

Note: 70 O.S. §6-104 allows emergency leave to be granted at the discretion of the Board. However, the Board may not provide more than five days.

MILITARY LEAVE

(DEC-R5) Revised 8/19/2002

The Bartlesville Board of Education shall provide leave to employees who are members of any component of the Armed Forces of the United States, including members of the National Guard and the Reserve Forces, when that employee is ordered by proper authority to active duty or service. Military leave shall be without loss of status, efficiency rating, pay, or benefits during the first thirty working days of such leave.

PROFESSIONAL LEAVE

The Bartlesville Board of Education is committed to the principle of providing and approving opportunities for the professional improvement of its staff. In response to this principle, employees may be released from duties without loss of salary or benefits for attendance at meetings of a professional nature which contribute to the basic function of the employee's assignment.

Professional days in the school calendar are a part of the employee's contract. If approved by the employee's principal/administrator, the Professional days absent for attendance will be reported as "School Business".

LEGAL PROCESS LEAVE
(DEC-R4) Revised 12/15/2003

The Bartlesville Board of Education shall grant paid leave to personnel who have been selected for jury duty or who have been subpoenaed in a criminal, civil or juvenile proceeding. Proper documentation from the court is required.

LEAVE OF ABSENCE
(DEC-R6) Revised 12/15/2003

It is the policy of the Bartlesville Board of Education to grant extended leave without pay to all employees with the Bartlesville Public Schools. Leave may be granted to qualified persons for up to one year without loss of tenure, accumulated sick leave, or seniority.

Requests must be made with the Superintendent by April 25 for leave during the following year. Leave of absence may be granted for pregnancy, adoption, ill health, illness on the part of some member of the immediate family, military service, or professional study. Documentation from a physician is required for personal illness or illness in the immediate family. A copy of official orders is required for military service.

The Board, in granting a leave of absence to employees, agrees to reemploy the employee within 30 days of the termination of leave, provided:

1. That the employee has informed the Superintendent prior to the termination of leave or by March 1 of the intention to apply for re-employment, and
2. A vacancy exists for which the employee is qualified, and
3. The employee meets all requirements for employment with the Board of Education.

An employee who fails to submit a request for reinstatement within the timelines above, or who declines an offered position for which the employee is qualified, shall be deemed to have resigned his/her position with the district effective on the last day of the leave of absence.

During a period of a Leave of Absence no benefits will be provided by the District, unless otherwise required by law and only to the extent required by law. An employee on an approved Leave of Absence is permitted to participate in district-sponsored fringe benefit insurance programs, with the employee paying the full cost of the premiums.

During the period of Leave of Absence an employee will not gain or lose any accumulated benefits or employment status. The amount of accumulated sick leave days will remain constant, without increase or decrease, and will be available to the employee upon return from the Leave of Absence. During the Leave of Absence seniority status and compensation schedule placement will neither accrue nor be lost. An employee returning from a Leave of Absence will be placed on the same step of the compensation schedule as the employee was on at the time of the Leave of absence was granted.

All absences in excess of the ones provided for in this policy shall be at full loss of pay. When an employee resigns employment with the Bartlesville Public Schools, all accumulated leave under the provisions of these policies shall be canceled or may be transferred with the employee as provided by Oklahoma law if the employee takes a position with another school District in Oklahoma. Should such an employee return to employment with the Bartlesville Public Schools the employee will receive credit for years of service for vacation and career increments if reemployed within five (5) years.

In order that maximum benefits may be provided to all employees in time of valid need, it is imperative that proper controls be used to eliminate the misuse of the various types of leave in these policies. An employee who abuses a leave policy is subject to dismissal or other disciplinary action.

EXPENSE REIMBURSEMENTS
(Policy DED) Revised 6/19/2023

It is the policy of the Bartlesville Board of Education that official school travel for board members must be approved in advance by the Board of Education at a regular or special Board of Education meeting, and travel for employees will be approved in advance by the building administrator or the superintendent. Requests and arrangements for employee travel will originate from the appropriate building administrator's office. Travel requests will be made as early as possible and placed on the building calendar as well as the master calendar.

Bartlesville Public Schools will reimburse reasonable costs, subject to the availability of funds, for approved and documented travel. Travel status for reimbursement shall be defined as absence from the official's or employee's home area and/or official station area while performing approved official duties related to Bartlesville Public Schools.

Reimbursement for overnight lodging, while in official travel status, may be made in an amount not to exceed that which is authorized by the provisions of the Internal Revenue Code of 1986, as amended, for deductibility of expenses for travel while away from home as authorized. Board of Education members and employees attending meetings, workshops, conferences, or other objectives of trips which are conducted at a designated hotel, motel, or other public lodging place or where lodging has been arranged for by the blocking of rooms or by rate reductions for the participants by the sponsor as evidenced by the announcement or notice of the meeting, workshop, conference, or other objective shall be reimbursed the actual lodging expense not to exceed the single occupancy room rate charged by the designated hotel, motel, or other public lodging place, provided that the officials or employees are in official travel status approved by the supervisor or designee. Provided further, Board of Education members and employees attending meetings, workshops, conferences, or other objectives of trips, which are conducted at a designated hotel, motel, or other public lodging place as provided, who choose to acquire less expensive lodging at another hotel, motel, or other public lodging place shall be reimbursed the actual lodging expense not to exceed the single occupancy room rate charged by the designated hotel, motel, or other public lodging place. Provided further, Board of Education members and employees so choosing this option shall be reimbursed for local transportation costs incurred traveling between such optional lodging and the designated hotel, motel, or other public lodging place not to exceed the difference between the cost of the designated lodging and the cost of the optional lodging. Receipts issued by the hotel, motel, or other public lodging place shall accompany claims for reimbursement. All meals, calls and personal incidentals will be paid for by the individual when checking out.

Meals and incidental expenses for Board of Education members and employees on official District travel will be reimbursed on a per diem basis at the maximum standard rate for continental United States travel as provided for by the Internal Revenue Service Code of 1986, as amended, for deductibility of expenses for travel away from home without additional documentation. This per diem rate will be reduced by 25% on travel days. Provided, however, that no reimbursement for meals shall be made for periods which do not include overnight status. Reimbursement for expenses other than meals and lodging may also be made in accordance with the provisions of this policy. For business calls to be reimbursed, the detailed phone record from the service provider, number called, and purpose of call must be submitted. Expenses for registration, parking, toll charges, and similar expenses will be reimbursed when documented by receipt.

Expenses for students and sponsors involved in authorized school sponsored co-curricular activities may be made from the General Fund. Co-curricular activities are school sponsored activities, under the guidance and supervision of the local educational agency (LEA) staff, designed to provide students with such experiences as motivation, enjoyment, and improvement of skills. Co-curricular activities are offered as credit classes and supplement the regular instructional program.

School vehicles, when available, may be used for official business only. Use of school vehicles is encouraged. If a school gasoline credit card is used, mileage will not be reimbursed. Mileage expenses will be reimbursed at the IRS standard using the most recent map available when a school gasoline credit card is not used. Travel logs for in-district travel will be accepted in lieu of map miles for reimbursement when properly submitted. Required information shall include; date of travel, beginning and ending odometer readings, length of travel, destination, purpose of trip, and total miles driven. If an employee is required to make multiple stops while away from his/her official station area while performing approved official duties related to Bartlesville Public Schools, each stop shall be documented. Both the employee and supervisor must sign and date the travel log for submission for payment. Signatures indicate that the document submitted is accurate and subject to audit.

Reimbursement for fares paid for airplane transportation shall not exceed coach class fare. A copy of the invoice or airline ticket is required. A receipt is required for reimbursement for transportation by railway, bus, Uber, baggage fees, etc. Travel insurance is not an allowable item.

Claim forms for travel expenses are available in the building administrator's office and the ESC. Upon returning from travel, the claimant should complete the request for reimbursement form to be presented to his/her supervisor. Board of Education members submit the completed request for reimbursement to the Superintendent's office. The supervisor shall certify the claim as to compliance and forward the documentation to the business office for payment. All necessary receipts should be attached for full reimbursement of allowable expenses.

Documentary evidence to adequately support all expenditures claimed for reimbursement may include receipts, invoices, travel logs, Reimbursement Claims and any other similar records that together are sufficient to establish each element of every expenditure. Documentary evidence is ordinarily considered adequate if it discloses the following:

1. Reimbursement Claims – Complete with all required information and signatures.
2. Lodging Receipts – The name and location of the hotel, the date or dates the individual stayed there; if more than one occupant, the receipt should indicate the number of people the charge is for. All personal incidentals should be paid for by the individual upon checkout. Other expected expenses shall not be reimbursed if listed only on the lodging receipt without supplemental documentation and without prior authorization.
3. Transportation Costs – The amount and date of each separate expenditure with respect to the transportation costs, the amount and date of each use of transportation (mileage for automobiles and similar modes of transportation, time for rentals, cabs, etc.), and the business purpose of each transportation expenditure.

SALARY SCHEDULE REGULATIONS

The Bartlesville Board of Education recognizes the need for an adequate plan of salary and wage administration for the employees of the Bartlesville School System. Therefore, the Superintendent shall submit recommendations for salary schedules and wage administration. All salary schedules and additional compensation schedules shall be made a part of the policy handbook, subject to annual review and approval of the Board of Education.

1. Recommendations for the classified employee salary schedule shall be made annually.
2. Any additional compensation will be listed separately and added to the base salaries.

SALARY ADMINISTRATION/PREMIUM PAY

1. Starting salaries for all positions should be at least at the minimum of the appropriate salary range providing the employee possesses the minimum qualifications for the position. Exceptions above or below the starting rate should receive careful consideration as outlined below:

 - b. Starting salaries for experienced personnel may not exceed step 5 of the salary range of their classification, unless approved by the Superintendent's designee.
2. Hiring salaries shall be approved in writing by the Superintendent's designee after recommendations by the site manager. The Superintendent's designee shall render final decision in the event there is disagreement at this stage.
3. Official job offers can only be made in writing by the Superintendent's designee.

4. The District needs and will reward individuals for Educational/Certification attainment in their job classification. This procedure is explained in detail on page 63 of the Classified Employee Agreement Manual.
5. The salary schedule for all employees will be reviewed at least annually according to Board Policy.
6. The salary range maximum may be increased for individual employees according to "current career increment" on the salary schedule.
7. Individuals who are maxed out or at the highest level of their grade will be moved to the next lane to a comparable amount equal to or above a step increase.
8. By Board of Education action in December 2002, a retention incentive is offered to Special Education Teacher Assistants who, after completing one contract year of service in this position in BPS, return to the same assignment for the next consecutive year. This incentive of \$500 (x FTE) is to be paid at the end of each first semester to those qualified.

In August 2005, the Board of Education took action to add an incentive requirement to this award to include attendance. This incentive will be paid to qualified Special Education Teacher Assistants based on the following standards.

1. 2 or fewer absences = \$500
2. Up to 3 absences = \$400
3. Up to 4 absences = \$300
4. Up to 5 absences = \$200
5. Up to 6 absences = \$100
6. 7 or more absences = \$0

This incentive is based on FTE, "Full Time Equivalent", and will be prorated
This incentive is based on FTE, "Full Time Equivalent", and will be prorated accordingly.

Attendance for this purpose will be based on the prior year's attendance.

Absences due to Legal Process Leave, Military Leave, Emergency Leave and one day Paid Personal Leave will not be counted for this purpose.

A Personnel Committee will review all additional compensation requests for internal and external equity. The committee will be on-going unless changes in the agreement occur through the Meet and Confer process. Membership of the committee will be comprised of the Superintendent's designee, the BECPO president, and representatives from the Administration and Classified staffs.

Premium compensation requests will be judged by this Personnel Committee based upon the Premium Compensation Schedule, with the decision being approved by the Superintendent's designee. Use of Internet and Social Networks and Other Forms of Communication: School-Approved Messaging Platforms

HB 3958 of the 2024 Legislature required that school personnel engaging in electronic or digital communication with an individual student include the student's parent or guardian in any electronic or digital communication, unless such communication is on a school-approved platform and related to school and academic communications.

For the purposes of HB 3958 and Board Policy ECC, the following are school-approved messaging platforms if a district-provided staff account is utilized:

- Canvas
- District e-mail (Gmail)
- ParentSquare
- Thrillshare

Student Bullying and Harassment

It is the policy of the Bartlesville School District that bullying of students by other students, personnel, or the public will not be tolerated. Students are expected to be civil, polite, and fully engaged in the learning process. Students who act inappropriately are not fully engaged in the learning process. This policy is in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school-sponsored activities, or at school-sanctioned events. Bullying of students by electronic communication is prohibited whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation, or bullying at school. The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

As used in the School Safety and Bullying Prevention Act, "bullying" means any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Isolated action does not meet the state's definition of bullying. However, the administration will investigate isolated incidents or actions and apply appropriate discipline under the student discipline code. This policy addresses bullying which is specifically prohibited.

Reporting Bullying Incidents

Reporting

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. To make a report, students should notify a teacher, counselor, or principal. The employee will give the student an official report form, and will help the student complete the form, if needed. Parents, guardians, volunteers, and community members are encouraged to report acts of harassment, intimidation, or bullying to school personnel.

Students may make an anonymous report of bullying, and such report will be investigated as thoroughly as possible. However, it is often difficult to fully investigate claims which are made anonymously and disciplinary action cannot be taken against a bully solely on the basis of an anonymous report.

No student shall be discouraged or prevented from making a good-faith report of suspected bullying.

Retaliation

Students who report bullying or other inappropriate behavior in good faith, or who participate as witnesses in an investigation, are protected from retaliation. Retaliation of any kind—including threats, intimidation,

exclusion, harassment, cyberbullying, spreading rumors, or any other adverse treatment intended to discourage or punish a student for reporting a concern—is strictly prohibited. Any student found to have engaged in retaliatory behavior will be subject to appropriate disciplinary action in accordance with school policy. Students who believe they have experienced retaliation should report it immediately to a teacher, school counselor, administrator, or other trusted school employee so that the matter can be promptly investigated and addressed. If an employee of the district is found to have engaged in retaliatory action against a student who has reported bullying, appropriate disciplinary action will be taken which could include termination of employment.

False Reporting

Any person who knowingly makes a false report shall receive disciplinary consequences and any accusations found to be false will be removed from the falsely accused student's records.

Staff Reporting

All employees, whether certified or noncertified, are required to promptly report acts or behavior that appears to constitute harassing, intimidating, or bullying to the school principal. Employees must complete and submit an official report form. In addition, staff members will encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form.

Publication of Policy

A full copy of this policy will be posted on the district's website and included in all district handbooks. Parents, guardians, community members, and volunteers will be notified of the availability of this policy through the district's annual written notice of the availability of the district's anti-bullying policy. Written notice of the policy will also be posted at various places in all district school sites.

Students and staff will be periodically reminded throughout the year of the availability of this policy, the district's commitment to preventing bullying, and help available for those affected by bullying. Anti-bullying programs will be incorporated into the district's other violence prevention efforts.

Student and Staff Education and Training

All staff will receive annual training regarding preventing, identifying, reporting, and managing bullying. The district's bullying coordinator and individuals designated as school site investigators will receive additional training regarding appropriate consequences and remedial action for bullies, helping targets of bullies, and the district's strategy for counseling and referral for those affected by Bullying.

Students will receive annual education regarding behavioral expectations, understanding bullying and its negative effects, disciplinary consequences for infractions, reporting methods, and consequences

for those who knowingly make false reports. Parents and guardians may participate in a parent education component.

Review of Policy

The safe schools committee at each site will annually review this policy and provide recommendations to the building principal. The building principal will provide those recommendations to the superintendent. The superintendent shall make a formal recommendation to the board of education to modify the policy at a lawfully convened meeting under an appropriately worded agenda item. After the policy is modified, the policy shall be disseminated to all parents, students, staff and the community.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education. The Bullying Coordinator shall maintain updated contact information on file with the State Department of Education and the school district will notify the State Department of Education within fifteen (15) days of the appointment of a new Bullying Coordinator.

A copy of this policy will be submitted to the State Department of Education by December 10th of each school year as part of the school district's Annual Performance Report.

Bullying Prevention and Investigation Procedures

This Bartlesville School District intends to comply with the mandates of the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. ("Act") and expects students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district's policy on student behavior. Bullies may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

Definition of Terms

Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the terms "bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication; directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student that a reasonable person should recognize will:

- A. Harm another student;
- B. Damage another student's property;
- C. Place another student in reasonable fear of harm to the student's person or damage to the student's property; or
- D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student.

General Display of Bullying Acts

"Threatening behavior" means any pattern of behavior or isolated action, whether or not it is directed at another person, that a reasonable person would believe indicates potential for future harm to students, school personnel, or school property.

"Electronic communication" means the communication of any written, verbal, pictorial information or video content by means of an electronic device, including, but not limited to, social media platforms, text messaging, email, messaging applications, gaming platforms, websites, AI-generated content, images, videos, or other electronic means of communication.

	BARTLESVILLE BOARD OF EDUCATION	Bullying Prevention & Investigation Procedures	FIG-R
	Adopted: July 20, 2026 Revision Date(s):		Page 2 of 7

Note: Bullying by electronic communication is prohibited whether or not such communication originated at school, or with school equipment, if the communication is specifically directed at students or school personnel and concerns bullying at school.

“At school” means on school grounds, in school vehicles, at school-sponsored activities, or at school-sanctioned events.

Bullying, for purposes of this section of the regulation, includes harassment and intimidation, vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts have been described in several different categories.

Types of Bullying

Physical Bullying includes harm or threatened harm to another’s body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

Emotional Bullying includes the intentional infliction of harm to another’s self-esteem, including, but not limited to, insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

Social Bullying includes harm to another’s group acceptance, including, but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement or statements about another student that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

Sexual Bullying includes harm to another resulting from, but not limited to, making unwelcome sexual comments about the student; making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual

nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Bartlesville Public Schools.

The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act placing a student in "reasonable" fear of harm, staff will determine "reasonableness" not only from the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

Discipline of Students

In administering discipline, consideration will be given to alternative methods of punishment to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges

11. Involvement of local authorities
12. Referring student to appropriate social agency or to a delinquency prevention and diversion program administered by the office of Juvenile Affairs
13. Suspension
14. Performing Campus-site services for the school district
15. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

Harassment set forth above may include, but is not limited to, the following:

1. Verbal, physical, or written harassment or abuse.
2. Repeated remarks of a demeaning nature.
3. Implied or explicit threats concerning one's grades, achievements, etc.
4. Demeaning jokes, stories, or activities directed at the student.
5. Unwelcome physical contact.

The superintendent shall develop procedures providing for:

1. Prompt investigation of allegations of harassment.
2. The expeditious correction of the conditions causing such harassment.
3. Establishment of adequate measures to provide confidentiality in the complaint process.
4. Initiation of appropriate corrective actions.
5. Identification and enactment of methods to prevent reoccurrence of the harassment.
6. A process where the provisions of this policy are disseminated in writing annually to all staff and students.

Parental Responsibilities

All parents/guardians will be informed in writing of the district's program to stop bullying and will be given a copy of this policy upon request. An administrative response to a reported act of bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

- Report bullying when it occurs;
- Take advantage of opportunities to talk to their children about bullying;
- Inform the school immediately if they think their child is being bullied or is bullying other students;
- Watch for symptoms that their child may be a target of bullying and report those symptoms; and
- Cooperate fully with school personnel in identifying and resolving incidents.

	Adopted: July 20, 2026 Revision Date(s):		Page 5 of 7

Bullying Report Investigation

Each school site will have a designated individual and an alternate to investigate bullying reports. These individuals will be identified in the site's student and staff handbooks, on the district's website, and in the bullying prevention education provided annually to students and staff. The district's anti-bullying program is coordinated at the district level by its bullying coordinator, the Director of Health and Safety. Any employee who witnesses or receives information indicating a potential risk of serious harm shall also refer the matter immediately to the District Behavioral Threat Assessment Team in accordance with district procedures. A bullying investigation and a behavioral threat assessment serve different purposes and may occur simultaneously when appropriate.

For any alleged incidents of bullying reported to school officials, the designated school official will investigate the alleged incident(s) and determine (i) whether bullying occurred, (ii) the severity of the incident(s), and (iii) the potential for future violence.

In conducting an investigation, the designated official shall interview relevant students and staff and review any documentation of the alleged incident(s). School officials may also work with outside professionals, such as local law enforcement, as deemed appropriate by the investigating official. In the event the investigator believes a criminal act may have been committed or there is a likelihood of violence, the investigator will immediately call local law enforcement and the superintendent.

At the conclusion of the investigation, the designated employee will document the allegations, witness statements, evidence reviewed, findings, discipline, interventions, parent contacts, and all follow-up with the targeted student after the investigation to determine whether additional support or intervention is needed and to ensure retaliation has not occurred. Further, the investigator will notify the district's bullying coordinator that an investigation has occurred and the results of the investigation. In the event the investigation reveals that bullying occurred, the district's bullying coordinator will refer the student who committed the act of bullying to a delinquency prevention and diversion program through the Office of Juvenile Affairs.

Upon completion of an investigation, the school may recommend that available community mental health care or substance abuse options be provided to a student, if appropriate. The school may provide a student with information about the types of support services available to the student bully, target, and any other students affected by the prohibited behavior. These resources will be provided to any individual who requests such assistance or will be provided if a school official believes the resource might be of assistance to the student/family. The district is not responsible for paying for these services. No school employee is expected to evaluate the appropriateness or the quality of the resource provided, nor is any employee required to provide an exhaustive list of resources available. All school employees will act in good faith.

The school may request the disclosure of information concerning students who have received substance abuse or mental health care (pursuant to the previous paragraph) if that information indicates an explicit threat to the safety of students or school personnel, provided the disclosure of the information does not violate the requirements and provisions of the Family Educational Rights and Privacy Act of 1974, the Health Insurance

Portability and Accountability Act of 1996, OKLA. STAT. tit. 12 § 1376, OKLA. STAT. tit. 59 §1376 of the Oklahoma Statutes, or any other state or federal laws regarding the disclosure of confidential information. The school may request the disclosure of information when it is believed that the student may have posed a danger to him/herself and having such information will allow school officials to determine if it is safe for the student to return to the regular classroom or if alternative education arrangements are needed.

Parental Notification

The assigned investigator will notify the parents of a target within one (1) school day that a bullying report has been received. Within one (1) school day of the conclusion of the investigation, the investigator will provide the parents of a target with the results of the investigation and any community resources deemed appropriate to the situation.

If the report of bullying is substantiated, within one (1) school day of the conclusion of the investigation, the investigator will contact the parents of the bully to discuss disciplinary action and any community resources deemed appropriate to the situation.

If the report of bullying is substantiated, within one (1) school day of the conclusion of the investigation, the investigator will contact the parents of the bully to discuss disciplinary action and any community resources deemed appropriate to the situation. The timelines in this parental notification section may be reasonably extended if individual circumstances warrant such an extension.

Investigations should be completed as promptly as reasonably possible and generally within five school days.

Student Transfers

Students who are victims of bullying, and who report the incident(s) to school administrators, may choose to transfer to another school district. Any application for transfer must be made in accordance with the receiving school district's transfer policy.

Safe School Committees

Each Safe School Committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school Safety.

With respect to student harassment, intimidation, and bullying, each Committee shall assist the board in promoting a positive school climate. The committee will make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors.

	BARTLESVILLE BOARD OF EDUCATION	Bullying Prevention & Investigation Procedures	FIC-R
	Adopted: July 20, 2026 Revision Date(s):		Page 7 of 7

The Committee will study the district's policy and currently accepted bullying prevention programs (available on the state department website) to make recommendations regarding bullying. These recommendations must be submitted to the principal and cover: (i) needed staff development, including how to recognize and avoid bullying; (ii) increasing student and community involvement in addressing bullying, (iii) improving individual student-staff communication, (iv) implementing problem solving teams which include counselors and/or school psychologists, and (v) utilizing behavioral health resources.

Memorandum of Understanding (MOU)
Between
GRAND Mental Health (GRAND) and
Bartlesville Public School (School)

THIS MEMORANDUM OF UNDERSTANDING (Agreement) is entered into on this 1st day of August 2026 (Effective Date), by and between GRAND Mental Health (GRAND) and Bartlesville Public School (School).

NOW, THEREFORE, in consideration of the mutual and respective terms, stated obligations and agreements contained herein, GRAND and Bartlesville Public School agree as follows:

Relation of the Parties

In performance of their respective duties and obligations hereunder, and their respective employees and agents, are at all times acting and performing as independent contractors and neither party, nor their respective employees and agents, shall be considered the partner, agent, servant, employee of, or joint venture with the other party. Unless otherwise agreed to herein, the parties acknowledge and agree that neither will be liable for the activities of the other nor the agents and employees of the other, including but not limited to, any liabilities, losses, damages, suits, actions, fines, penalties, claims or demands of any kind or nature by or on behalf of any person. This provision shall survive termination or expiration of this agreement.

PURPOSE

The purpose of this MOU is to establish a working relationship, outlining a plan for GRAND to provide mental health and/or substance use services at Bartlesville Public School for students needing these services. The goals with this MOU include, but are not limited to, providing early intervention for students in need of mental health and/or substance use services to: (1) Prevent and/or decrease the number of students with suicidal behaviors / attempts; (2) Assist school personnel with being able to identify students at risk for emotional or behavioral challenges; (3) Provide targeted interventions with students and their families to provide positive outcomes; (4) Promote a positive school environment; and (5) Decrease student drop outs and increase graduation rates.

Outpatient Services

Obligations of GRAND:

1. If a School official or a GRAND team member believe a student is in need of a referral for GRAND services, the individuals from both parties will meet together (either during a Multidisciplinary Team Meeting (MDT) or at a separate meeting) and shall staff the case.
2. If it is decided that a referral is needed, School official shall discuss the referral with the student's guardian.

3. If student's guardian agrees with a referral to GRAND Mental Health for services, either School official or a GRAND team member will make the referral to GRAND Mental Health using the online referral system through the GRAND website.
4. Once a referral for outpatient mental health or substance use services is made to GRAND Mental Health, an attempt will be made to contact the legal guardian within 24 hours to schedule an outpatient screening appointment within 48 hours.
 - a. NOTE: The family will always be told they can walk into any GRAND office Monday – Friday 8:00 a.m. – 5:00 p.m. and receive a screening if they choose, rather than scheduling a screening.
5. After the screening is scheduled, the referral source will be notified that the screening has been scheduled.
 - a. If the screening is not able to be scheduled within 10 business days, the referral source will be notified.
6. Once the screening is completed, the student / family will be assigned to a GRAND Clinical team that will begin working with the student / family, and they will receive the full array of Certified Community Behavioral Health Center (CCBHC) services provided by GRAND.
7. Individuals on the GRAND team may include an Therapist (a Licensed or Under Supervision for Licensure Mental Health Professional), a Skills Development Professional (Bachelor's Level Clinician), a Behavioral Health Coach (Individual with minimum of 60 college credit hours), and/or a Family Support Provider (a paraprofessional with training and lived experience raising a child that experienced emotional difficulties).
8. Individuals from the GRAND team will provide services for students within the school (only those students that are clients of GRAND). NOTE: GRAND team members will attempt to provide services for students during non-core, elective classes.
9. At the request of School personnel, GRAND team members may participate in parent conferences or other meetings as mutually agreed upon by both parties.
10. GRAND team members shall participate in Multidisciplinary Team Meetings (MDT) with school personnel.
11. At the request of School officials, GRAND team members shall provide trainings and consultations as agreed upon by GRAND administration.
12. GRAND team members will provide support for district wide crisis situations.
13. GRAND shall provide in-service training for District staff as mutually agreed upon by both parties.

14. GRAND will ensure insurance coverage of \$1,000,000.00 per occurrence and \$3,000,000.00 aggregate for abuse / molestation; \$1,000,000.00 per occurrence and \$3,000,000.00 aggregate for professional liability; and an umbrella over professional liability of \$10,000,000.00.
15. GRAND agrees to protect the privacy of student information and educational records in accordance with the Family Educational Rights and Privacy Act of 1974, as amended (FERPA) and Oklahoma Law.

Obligations of School:

1. Provide referrals to GRAND Mental Health for students needing mental health and/or substance use counseling services.
2. Allow school personnel to attend Multidisciplinary Team Meetings (MDT).
3. Provide confidential locations for GRAND team members to meet with students to provide services.
4. Allow GRAND team members access to the school internet only for the purposes of doing collaborative documentation.
5. Provide GRAND team members working in each school with necessary safety drill information and expectations regarding their role in each of these drills.

Crisis Services

Any student experiencing crisis behaviors while at school will have access to crisis screening and assessment services provided by GRAND Mental Health.

Obligations of GRAND:

1. GRAND shall provide crisis screening through in-person assessment or via medical device (*aka iPad*) provided by GRAND, utilizing HIPPA compliant software known as ApexCare.
2. Crisis screenings shall be provided by a Licensed or Under Supervision for Licensure Mental Health Professional.
3. The goal of the crisis screening shall be to de-escalate the crisis situation to prevent the student from entering a higher level of care or from being removed from the school and/or home environment.
4. If the student does require a higher level of care, the clinician will work with school administration and student's legal guardian to coordinate this higher level of care.
5. If the student is able to de-escalate and does not require a higher level of care, the GRAND clinician will develop a thorough, 24-hour safety plan, with action steps for school personnel, legal guardians, student, and any other supports involved in student's life and ensure this plan

is fully communicated with all parties involved to ensure safety of student and all individuals involved.

6. If the GRAND team member or school personnel believe the student may benefit from additional outpatient mental health or substance use services, a referral for outpatient services will be made after consent is obtained from the student's legal guardian.

Obligations of School:

1. School personnel shall contact GRAND Mental Health any time a student is experiencing a mental health or substance related crisis.
2. School personnel shall ensure a confidential location where student can receive crisis screening either via face-to-face with a GRAND clinician or via medical device (*aka iPad*).
3. If crisis screening is to be provided via medical device (*that has been previously provided by GRAND and a GRAND staff member is not on-site to assist with setting up the medical device*), School personnel will assist with setting up the medical device and assisting student with connecting to GRAND clinician for crisis screening assessment.
4. When a student does receive a crisis screening service provided by GRAND, School personnel will be responsible for notifying student's legal guardian that the crisis screening was provided and the rationale for why the screening was necessary.
 - a. If the GRAND clinician determines that a student does need a higher level of care due to being a danger to self or others, School personnel will be responsible for contacting student's legal guardian and informing the legal guardian of this information and requesting their presence at the school.
 - i. The GRAND clinician, school personnel, and legal guardian will all work together to find an appropriate higher level treatment provider.
 - b. If the GRAND clinician determines that a higher level of care is not needed and the student is able to remain safely at school and at home, the GRAND clinician will develop a thorough, 24-hour safety plan, with action steps for school personnel, legal guardians, student, and any other supports involved in students life and ensure this plan is fully communicated with all parties involved to ensure safety of student and all individuals involved.
5. If it is determined that a referral for outpatient services is appropriate, the GRAND clinician will discuss with school personnel and legal guardian (as well as student), and if legal guardian is in agreement, a referral for outpatient services will be made (NOTE: See above related to "Outpatient Services").

Additional and On-Going Obligations of Parties:

1. GRAND will provide de-identified student information from the University of Oklahoma's Evaluation Team - Youth Information System (YIS) to School Administration annually related to crisis services provided for students at the school for the previous year.
 - a. This information will be evaluated to determine the effectiveness of services provided and for continuous quality improvement.
2. Every two years, GRAND and School Administration will review this MOU and the school crisis protocol to consider any updates necessary to better meet the needs to the students. In addition, the Oklahoma Prevention Needs Assessment will be included in the bi-annual meeting review to assist in determining if any additional changes are needed.
3. School Administration shall submit the latest protocol and MOU to the Oklahoma Department of Education.

Term and Termination:

The term of this Agreement shall commence on the Effective Date and shall automatically renew annually unless terminated by either party with 30 day written notice. Thereafter, all changes to the protocol and MOU will need to be revised as needed and signed by the School Board and GRAND officials and submitted to the Oklahoma Department of Education by School Administration.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of first set forth above. Each individual signing below represents and warrants that she/he is a duly authorized individual with authority to bind her/his respective party.
