OSSBA records indicate 1035 school employees, for a total annual administrative fee of \$7,245.00.

The administrative fee will be paid in exchange for employment related services provided by OSSBA, including but not limited to:

- 1) Providing complete legal representation by an Oklahoma licensed attorney in all aspects of the unemployment claims process before the Oklahoma Employment Security Commission (hereafter "OESC");
- 2) Auditing the payment of all unemployment claims to ensure the minimum is paid and any overpayments are recovered;
- 3) Providing quarterly reports of unemployment claims and amounts paid by the OESC to Claimants on the School's behalf;
- 4) Providing prudent management of School funds deposited in the School's OSSBA Employment Services Program Account;
- 5) Providing up-to-date Legislative and Administrative Law Updates to keep the School informed of changes that affect unemployment claims and costs; and
- 6) Providing opportunities for employment training and information.

Information Access: The School will grant to OSSBA Third Party Administrator (TPA) access rights to the School's EZ Tax Express Account administered by the Oklahoma Employment Security Commission (OESC) in order for OSSBA to appropriately administer School's unemployment claims and assist with financial accounting and quarterly contribution reporting. Further, the School agrees to provide OSSBA with access to other information systems administered by the OESC if access is deemed necessary to process unemployment claims on School's behalf.

Additional Deposits: In the event that a payment or deduction from the School's OSSBA Employment Services Program Account would deplete the Account to an amount less than zero (0), the School will be required to make an additional deposit to replenish the Account prior to OSSBA making any payment to the OESC.

Withdrawal of Funds from OSSBA Employment Services Program Account: Upon signing an initial Service Agreement, the School will make an initial deposit in order to establish an OSSBA Employment Services Program Account through which the OSSBA will pay any necessary unemployment claim payments and any other necessary payments to the OESC on the School's behalf. The funds in the Account shall at all times remain School funds. Because the funds in the School's OSSBA Employment Services Program Account remain School funds, the School may withdraw any or all funds from the Account upon providing written notice to the OSSBA.

Term of Agreement: This Service Agreement will be effective for the 2025-2026 fiscal year which ends on June 30, 2026. This Service Agreement may be renewed for a subsequent fiscal year by the Board of Education of the School taking such necessary action.

Revision or termination of Agreement: Either party may revise this Service Agreement with 60 days' written notice to the other party. If either party does not fulfill what it has agreed upon in the above terms, then termination may be made within 30 days' written notice to the other party.

The District understands that CCOSA’s District Level Services Program emphasizes assistance in areas that help to create high-quality schools based on the research in *For the People* and seven areas that create a quality system: Culture and Climate; Learning; Teaching, and Assessment; Expanded Learning Opportunities; Governance, Leadership, and Accountability; Human Capital Development; Physical Resources; and Financial Resources.

If consultation and/or professional learning is in the school district, the school district would agree to pay travel expenses that would not be a part of this agreement.

The District understands that CCOSA and/or its partners will be unable to provide assistance in some areas and with some issues. The District understands that, in those situations, CCOSA and/or its partners may recommend that the District seek advice, assistance, and services beyond those offered by this Program, which may cause the District to incur expenses that are not covered by this Program. **This Program is ADVISORY ONLY and CCOSA and/or its partners do not warrant or guarantee any specific outcome related to the advisory services provided. CCOSA reserves the right to refuse participation to school districts and to remove school districts from participation in the Program.**

The term of this Agreement begins on the date it is approved by the District’s Board of Education and ends on June 30, 2026. Either the District or CCOSA may terminate this Agreement upon notice in writing to the other party. However, a delay in contract approval could result in your district missing valued services and workshops!

Memorandum of Understanding
Tulsa Community College
And
Bixby Public Schools

This Memorandum of Understanding (“MOU”) between Bixby Public Schools, Bixby, Oklahoma, (“partner”), and Tulsa Community College (“TCC”), an agency of the State of Oklahoma. Its purpose is to set forth the responsibilities and obligations of the parties with regard to dual credit programs. Tulsa Community College is dedicated to serving high school students while helping to develop a seamless and accessible transition to higher education. Tulsa Community College is a member of the National Alliance of Concurrent Enrollment Partnerships (NACEP). Established in 1999, NACEP provides standards of academic excellence, research, and advocacy. TCC has developed partnership guidelines based on NACEP standards in order to provide a valuable and credible academic experience. The TCC guidelines are available on request from the TCC Office of Dual Credit Programs. NACEP standards can be viewed at www.nacep.org.

TCC enrollment provides high school students an opportunity to earn transferable college credits while also satisfying high school course requirements through dual credit as well as an introduction to college academics and rigor. Additionally, this program provides an economical head-start through the tuition waiver program and reduced fee schedules for courses taught at community campuses, approved off-campus sites, or high school campuses during the regular school day. Through the program, students gain access to TCC writing labs, math labs, academic advisement, career advisement, libraries, clubs, organizations, and fitness centers.

1. Purpose

The purpose of this agreement is to foster increased access to college courses for high school students who have demonstrated the academic ability to complete a rigorous course of study. By using partner facilities to offer TCC courses, eligible students have an opportunity to participate in college courses during regular high school hours in a familiar environment. Students will earn high school academic credit and college credit, referred to as dual credit, as established by the Oklahoma Legislature in 70 O.S. §628.13. Any addendum shall be governed by the terms, provisions, and conditions set forth in this agreement.

2. Term

The agreement will be in continuous effect beginning in the semester in which the memorandum of understanding is signed unless terminated in writing by either institution. Either party shall have the right to terminate this MOU with or without cause by giving ninety (90) days prior written notice of intention to terminate at the end of the college semester during which the notice was provided. If the notice to terminate is received less than 90 days from the end of the college semester, then the agreement will conclude at the end of the following college semester.

AY 2025-2026

The parties agree to work in good faith to avoid any such termination. The rationale for the requested termination should be stated with the request, and the parties will attempt to resolve any disputes in a mutually satisfactory way. Any future agreements will be subject to their own terms for termination, which may differ from this memorandum of understanding.

3. Operations

A. TCC will ensure the following conditions:

- Admit high school students to the college according to the Oklahoma State Regents for Higher Education requirements.
- Offer 1000 level and 2000 level courses to a minimum of fourteen (14) pre-enrolled students.

- Provide TCC student ID cards to each concurrently enrolled student who presents a TCC ID number and photo identification at TCC Student Activities Centers. The ID card will provide students with access to all four (4) TCC libraries and online library access. Students are billed \$5.00 per semester.

Courses will be approved based on the program scope, collective resources, and available support for each course.
- B. The partner high school will ensure the following conditions:
- Ensure that each student has textbooks and instructional materials as required for each course and that no student is denied an opportunity to participate due to the inability to purchase textbooks and instructional materials.

 - Communicate clearly to the parent and student regarding financial responsibilities and the college environment.

 - Include TCC courses in the high school course catalog.
 - Display TCC brochures, guides, posters, and other promotional materials that TCC provides in a designated area such as the high school guidance office.

AY 2025-2026

- Provide program information and enrollment due dates to parents and students prior to registration periods.
- Support the instructor and the student through standards set by TCC.
- TCC campuses, including community campuses, do not close as frequently as high schools. If the high school closes and TCC does not, students will be expected to complete any homework or assigned readings and may be required to complete an online assignment, using Blackboard. Even when TCC is closed, students should keep up with the course agenda and check Blackboard for updated assignment schedules.
- Provide an orientation for TCC faculty prior to the start of the semester if the district or partner campus is hosting TCC faculty. The orientation should include a tour of the campus, information about parking, keys to rooms, introductions to appropriate personnel, computer network passwords, IDs, and other information that may be unique to the site that faculty will need to teach their classes.
- Provide students with adequate time to travel to and participate fully in courses and time to return to their home high school if applicable.
- Provide, when course delivery model requires, qualified (per TCC standards) facilitators in classrooms, access to computer labs, and access to tutoring services. See addenda for specific program requirements.
- Request all course additions or program changes in writing to the TCC Dual Credit Programs office.
 - Fall semester requests should be submitted by January 15th. Spring and summer semesters' requests should be submitted by August 15th.
 - English courses require a minimum of 14 enrollments and a maximum of 20 enrollments per section. All other courses require a minimum of 14 and a maximum set by the discipline and faculty. All enrollment maximums are additionally based on the ability to provide a collegiate environment.
 - Course change requests and program requests should include the rationale for the additional course, any extenuating circumstances surrounding the request; the number of students qualified and expected to enroll in the course, and the availability of specialized equipment/labs if appropriate. The requests will be reviewed and newly approved courses may be offered in the following semester.

MOU Addendum:

College Prep Math (CPM)

In cooperation with the high school mathematics department, Tulsa Community College is offering eligible high school juniors and seniors the opportunity to earn three hours of transferable college Mathematics and satisfy their high school Mathematics requirement. College-Prep Mathematics (CPM) is an intensive preparatory course designed for students aiming to excel in their chosen math pathway during the subsequent semester. This course is tailored to equip students with the fundamental skills necessary for success across various mathematical disciplines. CPM lays the groundwork for three distinct math pathways: Precalculus I – Primarily designed for STEM majors, this pathway delves into advanced mathematical concepts essential for disciplines such as engineering, physics, and mathematics. Math Functions – Geared towards business majors, this pathway emphasizes practical mathematical applications relevant to fields such as economics, finance, and management. Quantitative Reasoning – Tailored for Liberal Arts majors, this pathway focuses on developing critical thinking skills through the application of mathematics in everyday contexts. The goal is for all students who take the CPM class to successfully complete a TCC college-level math course (MATH 1513 – Precalculus I, MATH 1473 – Quantitative Reasoning, or MATH 1483 – Mathematics Functions & Their Uses) the following semester. Recognizing the importance of embedded support, students enrolled in CPM will receive daily assistance from their high school math instructors during the subsequent semester as they navigate their chosen TCC math pathway online.

College Preparatory Math
Letter to parents/guardians

Dear Parent/Guardian,

Your student has been identified as a candidate for the College Prep Math (CPM) course, a high school class that prepares students to succeed in a Tulsa Community College MATH 1473, MATH 1483, or MATH 1513 course. This letter is to inform you about this opportunity.

College Preparatory Math is a class developed by college and high school math faculty with the goal of ensuring high school students are prepared for college-level reading and writing. Data show that many high school students graduate without meeting the standards required to take a college-level math class. These students often must take costly remedial courses at the college and/or may not be able to pass a first-year math class. While taking College Preparatory Math does not guarantee that a student will be taking Math 1473, or Math 1483, or Math 1513 the following semester, the class will challenge all students to improve their math skill so that they graduate high school prepared to succeed in college classes.

The CPM class helps prepare students for the 3 college-level pathways (MATH 1513, MATH 1473, & MATH 1483) by asking students to practice some of the same math concepts they will be asked to complete in these college-level courses. High school teachers will also

- Enforce strict deadlines for late work
- Require students spend time studying outside of class
- Review challenging learning outcomes from the precalculus curriculum
- Focus on time management skills
- Consult with a TCC math professor about learning outcomes and student progress

The high school instructor will continue to help students succeed in an online college-level math class the following semester by providing tutoring, technology support, and encouragement. Although students will have a dedicated class period to work on their TCC math class, they are expected to work independently and to behave as responsible college students. The professor will follow college policies regarding attendance, academic freedom, and grades, and the high school teacher will reinforce college policies (including the professor's syllabus policies), take daily attendance, and ensure that the classroom environment is conducive to studying.

Students will be required to take the mid-term and final exams. (Locations vary: college campus, remote, or high school campus as determined by TCC and the high school.) Students who complete the college-level math class successfully will have three hours of college credit, transferable to most colleges and universities and required of almost all degree programs.

If you would like your student to participate in this opportunity, please discuss the overview of student responsibilities and the project timeline with him or her. If he or she is interested, please sign and return this letter to your high school counselor.

MOU Addenda

TCC Online Courses Embedded into the high school schedule and supported by a high school staff or teacher (English and math) as academic coach.

In cooperation with the high school, Tulsa Community College (TCC) is offering eligible high school juniors and seniors the opportunity to earn college credit while at the same time satisfying their high school graduation requirements. The goal of this collaboration is for all students involved to successfully complete (grade of C or above) a TCC online general education course(s).

TCC Responsibilities

- Meet with the district and high school administrations to review the MOU and addenda.
- Provide the high school with TCC admissions qualifications for concurrent students.
- Provide the high school with TCC qualifications for course enrollment.
- Provide an annual dual credit student orientation at a TCC campus and online.
- Conduct an on-line or on-site student information session, at the beginning of the semester.
- Provide 16-week online sections of general education college courses provided minimum enrollment requirements are met.
- Provide a TCC professor to deliver the online course(s).
- Provide early alerts to high school counselors authorized to receive FERPA information (early alerts sent when faculty reply to bi-weekly early alert requests).
- Provide semester grades to the district staff authorized to accept electronic FERPA reports.
- Meet with potential students and parents at Dual Credit to College Degree information meetings organized by the high school.

TCC Professor Responsibilities:

- Follow college syllabus template and departmental standards.

- Grade and return work in a reasonable amount of time (no more than two weeks for essays, less for other assignments).
- Incorporate best practices for engaging students in online classes.
- Create a column in Blackboard called "Grade to Date" or "Eligibility." This column will help students demonstrate eligibility for extracurricular activities. (Note: this saves faculty time, is not a violation of FERPA, and ensures the high school has accurate information about grades).
- Update the grade book either by indicating each student's letter grade (A, B, C, D, F) or by indicating the student is passing (P) or in danger of failing (F). High school students taking college classes must maintain a C average to continue taking college classes, so high school students earning below a C may be in danger of failing.

AY 2025-2026

High School District Responsibilities

- Identify students who express a desire to go to college, who have sufficient time to complete assignments outside of class time (minimum 9 hours a week per 3 credit hour online course) and who meet admission and enrollment qualifications for concurrent students.
- Communicate student deadlines for admission, enrollment, and payment to students.
- Provide adequate safety and security while faculty and students are at the site. This includes posting and practicing emergency evacuation as well as collaboration with TCC police.
- Provide a dedicated space for 20 to 30 students to support students in the online class during the TCC academic semester.
- Provide a dedicated class period within the regular school day and ensure that students attend the scheduled class time.
- Display physical evidence in a designated area such as outside the door to the TCC classroom that identify the site as a TCC course site. TCC provides brochures, guides, posters, and promotional materials.

AY 2025-2026

High School Support Instructor Responsibilities All Courses

- Become familiar with Blackboard and other TCC technology.

MOU AY 2025-2026
April 22, 2025

Dear partner,

Thank you for your collaboration with Tulsa Community College's Dual Credit Programs. We value your partnership and dedication to Oklahoma high school students. Your students benefit from your passion for education and your partnership with Tulsa Community College.

Your AY 2025-2026 MOU agreements did not have substantive additions or changes this year, minor clarifications are not listed. The addenda for online embedded programs--College Prep English, College Prep Math, and College Prep Psychology--have been updated to reflect lessons learned and feedback from faculty and high school partners. We will review updates at our required district meetings.

If TCC has face-to-face embedded faculty on your campus, your facilities agreement has been reviewed by TCC legal counsel and updated. If you have any questions, please contact us.

Your dual credit MOU agreement will be in continuous effect beginning in the semester in which the memorandum of understanding is signed unless terminated in writing by either institution (see Term).

Project Description

Cooking for Kids is a multi-agency effort aimed at changing the paradigm of school nutrition in Oklahoma by providing training to SFAs to increase capacity for meeting the USDA school meal pattern requirements while assuring the meals are acceptable to students. 3. If training needs to be relocated, the facility will give Cooking for Kids a 30-day notice prior to the training date.
4. Email an invoice for services at the end of the month of training events to the attention of:

Cass Ring
cass.ring@okstate.edu

The amount invoiced will not exceed \$2,500 per week.

In turn, the Cooking for Kids program agrees to:

1. Conduct all registration of and communication with participants.
2. Obtain an *Accident Waiver and Release from Liability* form from all participants.

TERMINATIONS

CRW Consulting E-rate Services, LLC
Program Year 2026 (Year 29)
E-rate Contract

CRW E-rate Consulting, (“Agent” or “CRW”) and **Bixby Independent School District 4** (“Applicant”) each agree to perform the obligations listed below. This contract authorizes the Agent to file any FCC Form (including, but not limited to: FCC Forms 470, 471, 472, 486 and 500) on behalf of the Applicant for Program Year 2026 (services to be discounted generally from 07/01/2026 – 06/30/2027). These FCC forms are necessary to receive Universal Service Fund monies, more commonly known as the “E-rate Program.”

This contract also authorizes an agent of CRW to (1) be listed as the contact person on the above referenced FCC forms; (2) sign, on behalf of the Applicant, any and all of said FCC Forms; (3) sign, on behalf of the Applicant, any and all additional FCC Forms which might become necessary to obtain discounts or stay within FCC Program rules, and (4) order services listed on the application on behalf of the Applicant. The Applicant agrees that the Applicant is strictly liable for any and all certifications and representations made on FCC Forms concerning the E-rate program, regardless of if an agent of CRW submits and signs said Form pursuant to this Contract.

This contract is subject to change based upon program rule changes made by the FCC or the Schools and Libraries Division (SLD) of the Universal Service Administrative Company, as well as any changes in applicable federal or state law. Either party’s failure to fulfill the obligations listed below will discharge, at the option of the other party, such other party’s obligations contained herein upon written notice. Applicant agrees to indemnify, defend, and hold harmless Agent for any and all claims arising hereunder or related to this Contract, including matters within the jurisdiction of state or federal administrative agencies, except for such claims based on Agent’s own fraud, willful injury, gross negligence, or violation of the law. Any waiver by either party of any provision of this Contract shall not operate as, nor be construed to be, a waiver of any subsequent breach thereof. Liability for damages on the part of either party is strictly limited to the ~~“Full Payment for Category One Application”~~ amount listed in the “Payment Terms” section of this Contract. This Contract is governed by the laws and regulations of the State of Oklahoma, regardless of the location of the Applicant, and any disputes arising hereunder shall be resolved in the applicable state or federal court for the County of Tulsa, State of Oklahoma. The parties consent to the jurisdiction of such courts and waive any jurisdictional or venue defenses otherwise available.

Signing below indicates acceptance that both parties will perform the responsibilities and accept the obligations listed therein for the applicable program year, and agree to follow the payment terms as described below. Signing below also indicates that both parties

agree to every provision of this Contract. Furthermore, both parties acknowledge that they had the opportunity to submit this Contract to counsel for review.

TWO IMPORTANT NOTES

- 1. The document retention period for E-rate has changed from five years to ten years past the last day to receive service. For most applicants, this will mean that you will have to keep all of your E-rate related documents, including copies of the bills, proof of payment/POs, packing slips (for equipment) for a time period ending about 6/30/2037 for Category One Funding (this will be at the earliest 9/30/2037 for Category Two Funding).**
- 2. Applicants are required to comply with all State and Local bidding and purchasing rules (such as public notice requirements, bond requirements, etc.). Failure to comply with these State or Local restrictions could result in the loss of funding/mandatory re-payment of funding. If you have these types of rules in place, please make sure you inform us and that you follow those rules.**

Responsibilities and Obligations of the Applicant

1. The Applicant understands that all services or products to be included on FCC Form 471 (The Application) must be competitively bid for a time period of no less than 28 days. **Any service which the Applicant wishes to have discounted by the E-rate program and is covered by a contract must undergo the proper 28 day competitive bidding cycle, and must be signed in the appropriate time period.** Bidding cycles may be longer than 28 days, but 28 days is the minimum bid period.
2. The Applicant agrees to provide a list of services or products to be included in the bidding process to the Agent (including identifying any contracts that may be expiring and need to be re-bid).
3. The Applicant understands that the bidding period begins the day the FCC Form 470 is filed on-line with the SLD's web site, or the date that the applicant posts their Request for Proposal (whichever is the later date begins the minimum 28 day window).
4. The Applicant agrees to inform the Agent of any state or local bidding restrictions and/or regulations before filing of FCC Form 470. These restrictions or regulations include, but are not limited to, newspaper advertisements, bonding requirements and/or other general media or public notification requirements.
5. The Applicant understands that during the bidding cycle that the Applicant must allow potential vendors equal opportunity to bid on the proposed services listed on FCC Form 470. The Applicant may choose to place qualifications on the bidding process, but any vendor who meets such qualifications must be allowed the opportunity to place a bid within the specified time period.
6. The Applicant understands that it is required to make cost-effective bidding decisions and that if the Applicant selects a service provider/bidder that is 2 times more expensive than the lowest bidder, USAC may deem that decision to not be

- cost-effective (and want their funding back).
7. The Applicant understands and agrees that it is the Applicant's responsibility to complete the Competitive Bidding Process by evaluating any valid bids received.
 8. The Agent may attempt to assist the Applicant's bid evaluation process by identifying what the Agent believes to be the cost of eligible goods and services provided on your bids. The Applicant agrees that it is the ultimate responsibility of the Applicant to determine the actual price of eligible goods and services to be evaluated and to verify those amounts listed by the Agent.
 9. The Applicant agrees to notify CRW of any products or services to be included on the Application that are, or will be, purchased or governed by a contract (including contracts that are expiring and need to be re-bid).
 10. The Applicant understands that all contracted services or products (that is, services or products that are purchased or governed by a contract) to be listed on the Application for discounts must be covered under a contract executed in the proper time period (after the bidding cycle is over, but before the close of the application window). The Applicant further understands that funding for services contracted for before the allowable 28 day bidding has ended, or after the 471 Application window has closed, will not be funded.
 11. Applicant understands and will abide by the SLD's competitive bidding rules which state that price must be the primary factor in awarding bids. The Applicant further certifies that, in accordance with the SLD's competitive bidding rules, no bidding evaluation factor will be as heavily weighted as is the "price" evaluation factor.
 12. Applicant agrees to document the bid evaluation process (a list of evaluation factors and how many points each bid received for each factor) for any service requested for which more than one bid is received. Sample bid evaluation sheets are available from CRW.
 13. The Applicant agrees to provide Agent copies of an average month's bill for any services not covered under a contract and to be included on the Application. This may include, but is not limited to Internet access bills, and circuit bills.
 14. The Applicant agrees to provide any information necessary to file any FCC form to the Agent upon request, within five working days. This includes, but is not limited to, free and reduced lunch information, monthly bills, copies of contracts, and letters that authorize the Agent to obtain account information.
 15. The Applicant agrees to retain any records related to the Application or other relevant FCC Forms for a period of ten years past the last day to receive service. This includes, but is not limited to, bids received, contracts, free and reduced lunch documentation, proof of payment for services, asset tracking info (packing slips, work orders, proof of delivery) and monthly bills that were or will be discounted by the SLD.
 16. The Applicant agrees to forward to the Agent any request for information originating from the SLD or USAC within three (3) working days.
 17. The Applicant agrees to provide an authorized signature and date for any necessary FCC Form that has been prepared by the Agent.

18. The Applicant understands that it is the sole responsibility of the Applicant to follow and adhere to any and all relevant FCC, USAC, or SLD rules and regulations, as well as any applicable federal, state, or local laws.
19. The Applicant agrees to authorize and grant "full rights" to employees of CRW Consulting in USAC's EPC filing system.
20. Applicant recognizes and agrees that the Agent does not provide professional legal services nor does the Agent engage in the practice of law.
21. Applicant agrees to review draft copies of FCC Form 471 sent to the Applicant from the Agent for errors and omissions.

Responsibilities and Obligations of the Agent

1. Agent agrees to file on behalf of the Applicant any necessary FCC Form, including, but not limited to, FCC Forms 470, 471, 472, 486, 500, Service Provider Identification Number Change Letters, and Service Substitution Letters.
2. Agent agrees to notify the applicant of relevant program rule changes within a reasonable time period.
3. If desired by the Applicant, the Agent agrees to help determine the scope and details of the types of services or products to be included in the competitive bidding process. These services/products will be listed on FCC Form 470 and must undergo a minimum 28-day competitive bidding cycle.
4. Agent agrees to assist in preparing a Request for Proposal (RFP) or Invitation for Competitive Bids (IFCB) for E-rate eligible services, if desired by the applicant. This RFP/IFCB would supplement the FCC Form 470.
5. Agent agrees to review monthly bills, invoices, and/or contracts that are submitted to Agent in a timely manner for funding eligibility under the FCC rules and guidelines.
6. Agent agrees to submit, after receiving all necessary information from the Applicant, completed FCC Forms 470 and 471 to the SLD, before any relevant deadlines.
7. Agent agrees to answer on behalf of the Applicant any question or inquiry regarding the E-Rate Program or the services to be provided by Agent hereunder from the SLD, USAC, or any other such federal or state administrative agency.
8. Agent agrees to provide on-going E-rate support to the Applicant, as generally described above, and including providing reminders about upcoming deadlines, for a period starting no earlier than the execution date of this contract and ending no earlier than the end of the applicable program year (this will generally be about an 18 month time period).
9. Agent agrees to provide support in the event of a Selective Review, conducted by the SLD or their representatives covering an application filed by the Agent

PAYMENT TERMS: "Category One Applications" are defined as applications including only "Telecommunication Services" and/or "Internet Services" and/or Data Transmission Services" (including "Self-Provisioned Fiber, Leased Dark Fiber or Leased Lit Fiber"), or any other eligible "Wide Area Network service." Full payment to CRW for filing Category One applications on behalf of the client is in the amount of \$3500 payable within 30 days of The Applicant receiving the invoice for payment from the Agent. Wide Area Network (WAN) design services (creating a detailed Request for Proposal) for WANs (possibly included detailed Fiber routes) are available at \$120 per hour, if the Agent is directed to provide those services by the Applicant.

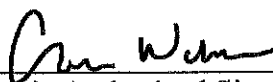

"Category Two Applications" are defined as applications including "Internal Connections and/or "Basic Maintenance of Internal Connections" and/or "Managed Internal Broadband Services." Full payment for Category Two Applications is 3% of the total funded amount featured on the Applicant's "Funding Decision Commitment Letter." The total Category Two Payment for this contract shall not exceed \$20,000. Should no funding be awarded for the Category Two Application, the Applicant has no additional payment obligations beyond the Category One payment listed above.

Failure by the Applicant to perform the obligations and responsibilities listed on this form, and the possible loss of funding as a result thereof, does not discharge full payment obligations of the Applicant.

Payment should be mailed to: CRW Consulting, PO Box 701713, Tulsa, OK 74170-1713.

STUDENT TRANSPORTATION CONTRACT

between
TULSA TECHNOLOGY CENTER SCHOOL DISTRICT NO. 18
and
BIXBY PUBLIC SCHOOLS NO. 4

This Contract is made and entered into this 13th day of August 2025, by and between TULSA TECHNOLOGY CENTER SCHOOL DISTRICT NO. 18 (“TTC”) and BIXBY PUBLIC SCHOOLS No. 18, commonly known as Bixby Public Schools (“District”).

Recitals:

(1) TTC desires to enter into this Contract with District whereby District will provide transportation equipment (“buses”) and bus operators (“drivers”) to transport district students who are enrolled in TTC’s programs from District’s campus (“District Students”) to a TTC campus and return to a District campus.

(2) District has available sufficient buses and drivers to provide the transportation.

NOW THEREFORE, in consideration of the mutual covenants and agreements herein contained and intending to be legally bound, the parties agree as follows:

1. **TRANSPORTATION DATES:** The transportation to be furnished by District under this Contract will commence on August 13, 2025, the date for beginning of classes for TTC students for the 2025-2026 School Year (the “School Year”) and will terminate the last day of TTC classes for the School Year, unless terminated for cause earlier by TTC as provided in this Contract.

2. **COMPENSATION:** TTC agrees to compensate the District for provided transportation services at the rate of \$3.25 per mile driven under this Contract, provided the total amount invoiced for transportation services during the School

Year shall not exceed \$235,007.50 (which is an amount equal to the mileage rate computed at 72,310 miles driven by the District over 175 school days) regardless of the actual mileage performed under this Contract. The amount paid shall constitute complete compensation for all costs and fees incurred, including any expenses for labor, materials, equipment, maintenance of equipment, and rentals, if applicable. The amount may be modified on the basis of a written request for route change or other modifications submitted by TTC and agreed to by the District. Any modifications or additional services must be authorized in writing by TTC prior to performance.

Mileage incurred under this Contract during the first semester will be invoiced to TTC by District at the end of the first semester of the School Year, and the remaining mileage incurred will be invoiced at the end of the second semester of the School Year. Compensation will be paid only to the extent that District presents documented evidence of mileage incurred during the period for which payment is requested. District's invoices will be paid within 15 days after receipt by TTC.

3. **BUSES:** All buses provided by District for the performance of this Contract will comply with all federal and state laws, rules and regulations applicable to transportation equipment used to transport school children, including, but not limited to, the rules of the Oklahoma State Department of Education ("OSDE").

4. **DRIVERS:** All drivers operating the buses will have current unrestricted licenses to operate transportation equipment used to transport school children and will be in compliance with all federal and state laws, rules and regulations, including, but not limited to the rules and regulations of the Oklahoma Department of Public Safety, OSDE,

including but not limited to, the requirement for satisfactory annual physical examination, and the rules and regulations of the Federal Department of Transportation (“DOT”), including drug/alcohol testing. The District will provide TTC with documentation of such licensure and compliance upon request.

5. **OBJECTIONS TO DRIVERS:** District will not permit any driver to operate a bus used in connection with the performance of this Contract if TTC reasonably objects to that driver. Any request for removal of a driver shall be submitted by TTC to the District’s designated liaison in writing and will specify TTC’s objections. The District will promptly remove any driver reasonably objected to by TTC from providing services under this Contract. If any drivers are removed by the District upon TTC’s request, the District shall replace them with drivers approved by TTC.

If TTC has any concerns about any driver’s performance under this Contract, it will submit those concerns in writing to the District’s designated liaison. Any differences concerning TTC’s concerns will be resolved between TTC’s designated representative and District’s designated representative.

6. **INSURANCE:** At all times during this Contract, District will maintain and have in force at its expense public liability and property damage insurance to cover the negligent acts of District’s employees with limits equal to District’s limits of liability under the Oklahoma Governmental Tort Claims Act. In the event of a claim, District’s insurance will be primary over similar insurance carried by TTC.

7. **RESPONSIBILITY FOR ACTIONS:** Each party shall be responsible for its own acts and omissions and the acts and omissions of its employees, officers, and agents. A party shall not be liable for any claims, demands, actions, costs expenses and liabilities —

including reasonable attorneys' fees which may arise in connection with the failure of the other party or its employees, officers, or agents to perform any of their obligations under this Contract. Both TTC and the District are political subdivisions of the State of Oklahoma, and their liability shall be governed by the Oklahoma Governmental Tort Claims Act.

8. **EMPLOYEES OF THE DISTRICT:** The District, and not TTC, shall be the employer of the District's designated representative and the drivers. The District shall be responsible for (a) the compensation and benefits payable and made available to the District's designated representative and the drivers, (b) withholding any applicable federal and state taxes and other payroll deductions as required by law, and (c) any workers' compensation obligations.

9. **DISCLAIMER OF INTENT TO BECOME PARTNERS:** TTC and the District shall not by virtue of this Contract be deemed to be partners or otherwise engaged in a joint venture. Neither party shall incur any financial obligation on behalf of the other.

10. **DESIGNATED REPRESENTATIVES:** TTC's designated representative under this Contract shall be Danielle Schmitt, Transportation Tech. The District's designated representative under this Contract shall be Jon Aven, Transportation Director. In the event either party wishes to alter the representative designated under this Contract, it shall promptly submit to the other party a written designation of a new representative.

11. **NOTICES:** Any notices from one party to the other party concerning the Contract shall be in writing and shall be given by certified mail, return receipt requested, or confirmed telecopy or private courier to the parties as follows:

If to TTC:

12. **TERMINATION FOR CAUSE:** TTC may immediately terminate this Contract for cause upon notice to the District upon the occurrence of any of the following events:

(i) the failure of the District to maintain insurance coverage as required by this Contract; or (ii) the District fails to remove a driver from performing services under this Contract after TTC has submitted reasonable objections to the driver's performance.

13. **FORCE MAJEURE:** Neither party shall be liable under this Contract nor shall such party be considered in breach of this Contract, for days on which the District is unable to provide transportation services under this Contract through no fault of either party, such as the occurrence of adverse weather conditions, any act of God or a public enemy or terrorist, act of any military, civil or regulatory authority, or a change in any law or regulation. Additionally, neither the District nor TTC shall be liable under this Contract or considered in breach of such contract when it is impossible or impractical to perform transportation services due to the cessation or limitation of in-person classes either at the District or at TTC's campuses. Within a reasonable time period following the occurrence of an event that makes performance under this contract impossible or impractical, the

affected party shall notify the other party of the occurrence by sending either (i) an e-mail message, or (ii) a fax message, to the other party.

14. **GOVERNING LAW:** This Contract shall be governed by, and construed in accordance with, the laws of the State of Oklahoma.

15. **SEVERABILITY:** The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision.

16. **MISCELLANEOUS:** This instrument represents the entire understanding between the parties concerning the subject matter hereof and may be modified on the mutually executed written agreement of the parties, which refers to this instrument. Neither party may assign this Contract.

IN WITNESS WHEREOF, the parties have executed this Student Transportation Contract as of the date first above written.

RELEASED TIME COURSES

The board of education will approve released time courses for elective credit. A released time course is defined by law as a period of time during which a student is excused from school to attend a course in religious or moral instruction taught by an independent entity off school property. Any independent entity that would like to offer a course to be considered for elective credit shall discuss the proposal with the superintendent or the superintendent's designee. The proposal shall include a course syllabus, a calendar of when the course will be offered, the methods of assessment utilized in the course, the qualifications of the course instructor, and a template written consent form that will be provided by the independent entity to parents or legal guardians for student's enrollment in the released time program. The school superintendent, principal for the school site where the student is enrolled, or their designees, shall have reasonable discretion over the scheduling and timing of released time courses.

The superintendent shall then present the item to the board of education to consider at a lawfully convened meeting under an appropriately worded agenda item.

At the board meeting, the board of education will evaluate the course in a neutral and secular manner that does not involve any test for religious content or denominational affiliation. The secular criteria utilized to evaluate the released time course are limited to:

1. The amount of classroom instructional time.
2. The course syllabus, which reflects requirements and materials utilized in the course.
3. Methods of assessment that will be utilized in the course.
4. The qualifications of the course instructor.

If a course is approved for elective credit, students may be excused from school to attend the released time course for no more than three class periods per week or a maximum of 125 class periods per school year. In order for the student to be eligible to participate in the released time program and receive an excused absence, the following must occur:

1. The student's parent or legal guardian must provide written consent prior to the student's participation in the released time course.
2. No school funds may be expended, and no school district personnel, equipment, or resources may be involved in providing the instruction.
3. The independent entity must maintain attendance records for students and make them available to the school district and board of education.
4. Transportation provided to and from the place of instruction is the sole responsibility of ~~the independent entity;~~ the student, or the student's parent or legal guardian.
5. The independent entity or the student's parent or legal guardian indemnifies the school district and holds it harmless with regard to any conduct that does not occur on school property under the control or supervision of the school district, and the independent entity maintains adequate insurance for that purpose.

RELEASED TIME COURSES (Cont.)

6. The student assumes responsibility for any missed schoolwork as a result of the excused absence.
7. The student may not be excused to participate in a released time course during any class in which the subject matter being taught is subject to state assessments.

Students who participate in released time courses are considered in attendance in the school district, and the time is calculated as a part of the school day. Upon successful completion of the course, elective credit will be provided to students when the work completed is substantiated by a transcript from the independent entity providing the course.

The school district, board of education, and school employees shall not be liable for any claim arising or occurring as a result of a student's participation in a released time program when the student is not under the control or supervision of the school district.
