AGREEMENT
Between
NORTHEASTERN STATE UNIVERSITY
Acting for and on behalf of its
TEACHER EDUCATION PROGRAM
And
Enter School District Name
For
TEACHER CANDIDATE INTERNSHIP AGREEMENT

THIS AGREEMENT is made and entered into this _____ day of _____, by and between the NORTHEASTERN STATE UNIVERSITY, acting for and on behalf of its Northeastern State University Teacher Education Program, and (Enter Specific Public School) of Enter School District Name in (Enter County Name), OKLAHOMA (hereinafter, "School District").

WITNESSETH:

SECTION 1: School District agrees to provide the authorization, supervision and instruction of student teachers completing their student teaching portion of teacher preparation and to provide pre-student teaching observation and participation activity in the Teacher Education Program.

SECTION 2: School District agrees to accept for assignment to cooperating teachers in the public schools a certain number of students enrolled in the Northeastern State University's (hereinafter, "NSU") Teacher Education Program. School District further agrees the cooperating teacher will give direct supervision to the student teacher assigned and will work with a faculty member assigned by NSU in directing and evaluating the student teacher experience. School District further agrees to provide student teacher supervision, instruction, mentoring or assistance, as needed by various staff members to enhance and develop the student teacher's ability to effectively educate children in an urban educational environment including, but not limited to, identifying and serving children with disabilities, serving children from diverse socio-economical populations, and serving children with foreign language barriers.

SECTION 3: All arrangements for the placement or removal of student teachers will be coordinated through School District's building administrators and NSU's College of Education Director of Clinical Education. If a student teacher fails to comply with the requirements of this Agreement or to perform to School District's satisfaction, NSU will be contacted and so informed. If such issues are not resolved to School District's satisfaction, then NSU will, upon written or verbal request by School District's building administrator, immediately remove that student teacher from the school.

SECTION 4: NSU and its student teachers will comply with all applicable federal and state laws and regulations and will comply with all School District policies, rules and regulations while on School District premises or performing services under this Agreement. NSU and its student teachers will keep confidential and not disclose to any person or entity any records or other documentation, including progress notes which may constitute student records as defined in the Family Educational Rights and Privacy Act unless such disclosure is authorized under the Act or pursuant to court order.

SECTION 5: It is not the intention of the parties to form a joint venture or partnership. This Agreement shall not be construed to create an employment or agency relationship between NSU and School District or any of their respective employees, student teachers or agents. School District and NSU shall, at all times, act and function pursuant to this Agreement and hold themselves out as independent contractors.

SECTION 6: School District and NSU agree that student safety is a top priority. In an effort to protect the students' safety, NSU agrees that it will not place any individual on School District property, whether as a student teacher, officer, agent, employee or contractor if that person has been convicted of a felony or has been convicted of any crime involving moral turpitude. NSU hereby certifies that none of its student teachers and none of its employees working on School District property are currently registered or required to be registered under the provisions of the Oklahoma Sex Offenders' Registration Act. NSU shall submit written proof to School District that all student teachers and faculty supervisors coming on to School District property have passed background checks prior to their entering on School District property. All NSU employees and student teachers must have in their possession, at all times, a current photo ID which identifies them as a student teacher or employee of NSU and, if required by School District, a School District photo ID authorizing access to a specific School District site. If at any time a student teacher or NSU employee demonstrates actions which are inappropriate or create a disruption within a school, the building administrator may require that such person leave School District property and not return without specific permission of the building administrator, School District, and NSU Director of Clinical Education.

SECTION 7: Neither School District, nor its employees, shall receive compensation from NSU for services performed under this Agreement in support of NSU's Teacher Education Program. NSU may, however, with School District's consent, may provide cooperating teachers a tuition waiver to enroll in a NSU course upon completion of their supervision of a student teacher.

SECTION 8: All notices to be made under this Agreement shall be made in writing and delivered by personal delivery by commercial delivery service, or by certified United States mail, return receipt requested, to the following addresses:

If to NSU: Northeastern State University
 Attn: Associate Dean of the College of Education
 600 N. Grand Ave.
 Tahlequah, OK 74464

If to School District: **Enter School Address**

SECTION 9: This Agreement sets forth the entire agreement between the parties as to the subject matter hereof, and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written.

SECTION 10: This Agreement is valid for a period of one (1) year beginning July 1, 2026 and ending June 30, 2029. Either party may terminate this Agreement, without cause, upon sixty (60) days' written notice. Student teachers enrolled in NSU's Teacher Education Program and assigned to a School District site at the time such notice is given will be afforded the opportunity to complete their assignment notwithstanding such early termination.

SECTION 11: NSU, as a component of the Regional University System of Oklahoma, is an agency of the State of Oklahoma. Accordingly, NSU does not have the authority to enter into agreements to waive, compromise, concede, surrender or relinquish the rights, privileges, immunities or remedies of the State of Oklahoma, nor agree to lesser or greater standards of care than would apply in the absence of a special provision; nor agree to modify any applicable statutes of limitations; nor agree to alter the commencement of a statute of limitation; nor agree to insure, indemnify or hold harmless; nor agree to waive subrogation rights; nor agree to shift the burden of proof; nor agree to less than 45 days from receipt of invoice in which to make payment; nor to agree not to enforce any of the rights, privileges, immunities or remedies as provided by law. NSU, as an entity of the State of Oklahoma, does not have the authority to enter into agreements which are contrary to any Federal laws, the Oklahoma Constitution, or Oklahoma Statutes, all as interpreted by the courts and the Oklahoma Attorney General. Nothing contained within this Agreement shall be interpreted in such a way that NSU acted contrary to or outside of its authority to act as an entity of the State of Oklahoma.

IN WITNESS WHEREOF, NSU and School District have executed this Agreement as of the day and year first written above.

Re: OKTLE renewal for 2026-2027 School Year

Dear Ms. Wilson:

Thank you so much for your participation with OKTLE this past year. We have worked hard to make improvements and innovations based upon your feedback and ideas, and look forward to continued advancements. More than 495 school districts across the State depend upon OKTLE for their electronic implementation of the Tulsa Model.

We haven't heard from you yet regarding your district's renewal for next year, so we have enclosed another copy of the agreement to renew OKTLE in your district for the 2026-2027 school year. To maintain uninterrupted access to the system for your administrators, teachers and/or support employees:

- **Fill in your district information and number of certified teachers for OKTLE, the number of principals/leaders to be evaluated if you are using McREL, and the number of support employees if you will be using SEES.**
- **Sign the agreement**
- **Email it to us at info@OKTLE.com. Regular mail and fax information is also included on the cover page.**

Upon receipt of your agreement, we will immediately renew your accounts for the upcoming year.

If you are waiting to renew your agreement until July 1st for next fiscal year, just let us know, or fill in July 1st as the date in the agreement and we will hold off on the invoice until then.

If you have any questions or comments, please contact me at the office or on my cell at 405-229-1555.

Very Truly Yours,

Lou Barlow

Subject: Campus Smart/Prime Vendor Extension Agreement

As per the terms and conditions of the Extension Agreement for the Campus Smart Bid with US Foods for the school year 2026-2027, this is Edmond Schools' Prime Vendor Services bid, and a clause has been written to allow other school districts to "piggy-back" on Edmond's contract. So, in effect, a school can receive the same pricing structure as Edmond. Some districts that piggyback on this bid include Stillwater, Ponca City, McAlester, Moore, and Glenpool. I recommend that our district piggyback off of the Edmond Public Schools Prime Vendor Agreement with US Foods (RFP #25-15) for prime vendor services for SY2026-2027. The fixed fee price per case of \$3.22 will be held firm for the term of this school year (July 1 through June 30). It is updated annually as part of the renewal process.

Given the above terms and conditions, the previous Child Nutrition Director has recommended that the current contract with Campus Smart/US Foods be extended for the 2026-2027 school year.

Prime Vendor - US Foods

Extension Agreement

The term of the extension agreement shall be for the period July 1, 2026 through June 30, 2027.

In consideration for goods and services performed under our agreement for CN Prime Vendor services, Bixby Public Schools as a member of Campus Smart (RFP 25-15) agrees to pay the following amount:

Actual cost (actual cost to the Vendor) of product plus a fixed fee for service per each case as per the attached Fixed Fee per Case Schedule.

The terms of the original agreement will remain in full force and effect except as modified above.

The fixed fee-per-case of \$3.22 will be held firm for the term of each school year (July 1 through June 30). As a part of the renewal process, the fixed fee-per-case schedule will be reviewed annually and adjusted for key inflationary factors that affect the average case cost for K-12 participating members.

Average Drop Size	Fixed Fee per Case 2026-2027 School Year
Less than \$2,499.99	\$3.22
2,500 - 2,999.99	\$3.04
3,000 - 3,999.99	\$2.96
4,000 - 5,499.99	\$2.89
5,500 - 6,999.99	\$2.85
7,000 - 10,999.99	\$2.72
11,000 - 15,999.99	\$2.68
16,000 and up	\$2.58

The Fixed Fee-Per-Case schedule will be reviewed annually and adjusted for key inflationary factors that affect the Average Case Cost for K-12 Participating Members. Culinary Equipment & Supplies (CES) is a subsidiary of US Foods, which offers direct order and online purchasing of supplies and equipment.

IMPORT PRODUCTS/BUY AMERICAN ACT

The 1998 reauthorization of the National School Lunch Act requires school districts participating in the National School Meals Programs in the contiguous 48 states of the United States to buy food products produced in the United States (domestic) when using Federal Funds. Therefore, if there is a domestic and non-domestic product available, you must propose and supply domestic products. You may supply non domestic products only when domestic products are unavailable. As defined in this legislation, a domestic food commodity is an agricultural commodity that is produced in the United States. A domestic food product is processed in the United States using substantially domestic agricultural commodities. Substantially means that over 51 percent of the finished product come from American produced products. Implementing Federal Regulations are 7 CFR 210.21 and 220.16 published on September 20, 1999. You may be required to provide certification of domestic origin and content. You must certify that the majority of products you propose to supply meet the Federal Requirement in the "Buy American Acts" and stipulate which specific products are unavailable domestically. Exceptions to this rule are pineapple, mandarin oranges, olives, tuna fish, tea, spices and coffee. Products not in compliance with this section shall be in violation of the Federal "Buy American" policy. This purchasing requirement does not apply in instances when:

- a) The District/Cooperative has unusual or ethnic food preferences which can only be met through purchases of products not produced in the United States
- b) The product is not produced in the U.S. in sufficient and reasonable quantities of a satisfactory quality
- c) The cost of the US product is significantly higher than foreign products.

Subject: Contract Extension of Current Dine-in Pizza Vendor

As per the terms and conditions of the **2025-2026 Invitation to Bid on Pizza** as follows:

"Awarded bid will be for the 2025-2026 school year, beginning June 30, 2025 through July 31, 2026. Upon mutual agreement between School District and successful supplier, the bid and/or contract may be extended (renewed) for additional one-year periods beyond the awarded period, not to exceed a maximum of three one-year periods beyond the initial period, and provided that there are: (1) no material changes to the terms of the bid or services; (2) no material changes to the pricing, (3) no assignments of the changes in supplier's ownership; and (4) no negative changes in the supplier's performance. The supplier shall not assign the contract without the written approval of the District. If termination of the contract is required, notice will be given in April."

Given the above terms and conditions, the previous child nutrition director has recommended that the current contract with Simple Simon's be extended for the 2026-2027 school year. This will be the second year of Simple Simon's contract extension. Simple Simon's has agreed to the same pricing for the 2026-2027 school year. It will be \$7.29 per pizza, .91 per slice.

IMPORT PRODUCTS/BUY AMERICAN ACT

The 1998 reauthorization of the National School Lunch Act requires school districts participating in the National School Meals Programs in the contiguous 48 states of the United States to buy food products produced in the United States (domestic) when using Federal Funds. Therefore, if there is a domestic and non-domestic product available, you must propose and supply domestic products. You may supply non domestic products only when domestic products are unavailable. As defined in this legislation, a domestic food commodity is an agricultural commodity that is produced in the United States. A domestic food product is processed in the United States using substantially domestic agricultural commodities. Substantially means that over 51 percent of the finished product come from American produced products. Implementing Federal Regulations are 7 CFR 210.21 and 220.16 published on September 20, 1999. You may be required to provide certification of domestic origin and content. You must certify that the majority of products you propose to supply meet the Federal Requirement in the "Buy American Acts" and stipulate which specific products are unavailable domestically. Exceptions to this rule are pineapple, mandarin oranges, olives, tuna fish, tea, spices and coffee. Products not in compliance with this section shall be in violation of the Federal "Buy American" policy. This purchasing requirement does not apply in instances when:

- a) The District/Cooperative has unusual or ethnic food preferences which can only be met through purchases of products not produced in the United States
- b) The product is not produced in the U.S. in sufficient and reasonable quantities of a satisfactory quality
- c) The cost of the US product is significantly higher than foreign products.

Subject: Contract Extension of Current Milk Vendor

As per the terms and conditions of the *Invitation to Bid on Milk*, as follows:

"Awarded bid will be for the 2025-2026 school year, beginning June 30, 2025, through July 31, 2026. Upon mutual agreement between School District and successful supplier, the bid and/or contract may be extended (renewed) for additional one-year periods beyond the awarded period, not to exceed a maximum of three one-year periods beyond the initial period, and provided that there are: (1) no material changes to the terms of the bid or services; (2) no material changes to the pricing, (3) no assignments of the changes in supplier's ownership; and (4) no negative changes in the supplier's performance. The supplier shall not assign the contract without the written approval of the district. If termination of the contract is required, notice will be given in April."

Given the above terms and conditions, the previous Child Nutrition Director has recommended that the current contract with Hiland Dairy Foods be extended for the 2026-2027 school year. This will be the second year of Hiland's contract extension. Hiland Dairy Foods has provided updated pricing for the 2026-2027 school year (see attached letter).

ONE BIDDER - HILAND

Milk Escalator / De-Escalator Pricing Clause (DFA Supplied)

The pricing quoted is based on **March's 2026** Federal Milk Marketing Order for Class I Skim and Class I Butterfat. This pricing is subject to change as the cost of raw milk changes each month according to the USDA Federal Milk Market Price Announcements and Dairy Farmers of America.

The cost of milk fluctuates up and down each month based on the cost changes in raw milk. Changes of a minimum of \$.10 per CWT (up or down) will move the cost of a half pint \$.00054.

Prices will also be adjusted up or down based on cost changes in packaging, ingredients, labor, fuel, juice concentrate, re-sale products (ex. Tropicana, Sport Shake), etc. Supporting documentation will be supplied upon request.

All price changes will become effective on the 1st day of the month following the price announcement.

INSTRUCTIONS FOR CERTIFICATION REGARDING DEBARMENT/SUSPENSION

1. By signing and submitting this form, the prospective lower-tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower-tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower-tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms covered transaction, debarred, suspended, and ineligible, lower-tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower-tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower-tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which the transaction originated.
6. The prospective lower-tier participant further agrees by submitting this form that it will include this clause titled

Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion—Lower-Tier Covered Transactions, without modification, in all lower-tier covered transactions and in all solicitations for lower-tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower-tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith that certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower-tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or

debarment.

In addition to the weeding log that is being submitted, I have boxes of books that were received from a grant in 1990 about three boxes of mostly paperbacks and a VCR. Can you add this to my list for the board?
