Clinton School - General Fund Cash Position By Month

LAUNCHOK – The STEM and Aerospace Education Fund

Partner School Memorandum of Understanding

This bilateral Memorandum of Understanding (MOU) is entered into between LaunchOK – The STEM and Aerospace Education Fund (LaunchOK), a 501(c)(3) nonprofit registered with the Oklahoma Tax Commission as an Educational Improvement Grant Organization under 68 O.S. §2357.206, and:

Partner District/School: _____

Authorized Organization Rep (AOR): _____ Date of Agreement: _____

Title: _____

1. PURPOSE

LaunchOK raises sustainable funding from Oklahoma taxpayers with state income tax liability, who may receive Oklahoma state income tax credits in return for their contribution, and converts those dollars into grants for eligible Oklahoma public schools to fund STEM and Aerospace programs. This MOU sets out the commitments each party makes to support a successful partnership. The LaunchOK Partner School Operating Guide and Grant Administration Handbook (the Handbook) explains how the partnership works in practice and is part of this MOU by reference.

2. WHAT LAUNCHOK PROVIDES

- Processes qualifying donations designated to the school or district, issues donor receipts, and files required Oklahoma Tax Commission reports.
- Deducts a 10% management fee from each donation and holds the net amount in the school's LaunchOK Fund, reserved for that school.
- Provides monthly statements showing the available balance, fund aging by tax year, and advance notice before funds expire.
- Reviews each Grant Request and issues written approval before any funds are released.
- Disburses or reimburses approved grant funds to the school's designated account by ACH.
- Provides onboarding, training, and donor materials, and during the first two years presents the program to the school's community at the school's invitation. LaunchOK's role is to help the school build its own donor pipeline, not to serve as its ongoing fundraiser.
- LaunchOK's funding obligation is limited to donations actually received and designated to the school, net of the 10% fee. LaunchOK does not guarantee any amount of funding.

3. WHAT THE PARTNER SCHOOL PROVIDES

- Provides proof of eligible status as an Oklahoma public school district serving students in pre-K through 12th grade, including current accreditation. If the applicant is a CareerTech or technology center system, it identifies the specific division or entity applying and provides evidence that division is both legally recognized as an independent public school district by the Oklahoma Department of Education and serves students in that pre-K through 12th grade range.
- Designates a three-person team, authorized in writing by the district, before fundraising begins: an Authorized Organization Rep (AOR) with authority to bind the district, an Authorized Financial Rep who provides and maintains the school or district ACH account, and a STEM/Aerospace Coordinator. The school represents that the information and bank account it provides are accurate and belong to the district.
- Provides a current organizational chart identifying the three team members and their roles, cooperates with LaunchOK's verification of their authority, and promptly notifies LaunchOK of any change to the team or its authorization.
- Develops a documented STEM, Aerospace, workforce, CareerTech-aligned, or innovative educational strategy and roadmap, and provides LaunchOK a copy. LaunchOK keeps the copy for its records, and the school must provide it before grant funds can be accessed.
- Ties each Grant Request to that strategy, and does not spend or obligate funds before receiving written approval.
- Uses grant funds only for eligible STEM and Aerospace purposes under 68 O.S. §2357.206, to expand opportunity beyond regular coursework, and not to supplant existing school funding.
- Creates opportunities during the first two years for LaunchOK to present the program to the school's families, businesses, vendors, sponsors, and civic partners, so community members can redirect existing Oklahoma tax liability to the school's programs. This supports, and does not replace, existing school fundraising.
- Does not provide tax advice to donors, and refers all tax questions to the donor's own advisor or LaunchOK's designated tax professional.

- Submits an After-Action Report with receipts within 30 days after each grant-funded activity ends. One 15-day extension is available by written request.
- Cooperates with recapture of any unspent or ineligible funds, and keeps grant records for at least three years.
- Remains solely responsible for student safety, supervision, insurance, and vendor management, and confirms that any student information or images shared with LaunchOK are cleared under district policy and applicable privacy law.

4. HOW FUNDS ARE HELD, USED, AND RETURNED

Holding. Designated gifts are placed in the school's LaunchOK Fund, net of the 10% fee, and held on the school's behalf, subject to the 24-Month Use Window below. Allowing donors to designate a school or district is a choice LaunchOK makes as an EIGO to build sustainable school funding; the statute does not require it. LaunchOK honors designations in good faith and administers all funds under 68 O.S. §2357.206."

24-Month Use Window. Each gift is assigned to the tax year LaunchOK receives it. The school then has the two full tax years that follow to use those funds. For example, a gift received any time in 2026 must be used by December 31, 2028. Funds not used within the window transfer to the LaunchOK Kick Start Fund for Underfunded Schools.

Recapture. If reconciliation shows that awarded funds exceeded documented spending, LaunchOK recaptures the difference by ACH, or by check within 14 days of written notice if ACH is not available. Recaptured funds return to the school's LaunchOK Fund at no charge.

5. GENERAL TERMS

Amendments. Any change to this MOU must be in writing and signed by both parties.

Term and Termination. This MOU takes effect on the date signed and continues until either party terminates with 60 days written notice.

Suspension and Termination for Cause. LaunchOK may suspend disbursements or terminate this MOU immediately on written notice if the school misuses funds, fails to comply with this MOU or the Handbook, or loses eligibility under 68 O.S. §2357.206.

Survival. Regardless of how or why this MOU ends, open grant, reporting, recapture, and recordkeeping obligations continue until complete

Relationship of the Parties. LaunchOK is the funder and grant administrator only. Nothing here creates an employment, agency, or joint-venture relationship, and LaunchOK does not operate programs, supervise students, or give legal, tax, or financial advice. Each party is responsible for its own acts and omissions. LaunchOK is not liable for program operation, student safety, or vendor performance.

No Third-Party Beneficiaries. This MOU creates no rights in donors, students, families, or any other person who is not a party.

Governing Law. This MOU is governed by 68 O.S. §2357.206. If this MOU and the Handbook conflict, this MOU controls. If either conflict with the statute, the statute controls.

The Handbook. The Handbook governs day-to-day program operations and is part of this MOU by reference. The school may request a copy at any time. LaunchOK may update the Handbook and will give reasonable notice of changes that affect the school's obligations.

6. SIGNATURES

By signing, both parties agree to the terms of this MOU and confirm they have the ability to request a copy of the LaunchOK Partner School Operating Guide and Grant Administration Handbook.

Together we grow, together we shine

- New teachers spoke highly of our New Teacher Inservice, the Clinton community, and all of the support they have received!
- We are piloting a Special Education class for students who need behavior supports. They will be taught grade-level standards and work on behavior goals by a Special Education teacher outside of the regular classroom.
- During inservice we hosted a short rotational Professional Development for our teachers led by teachers that included a quick 15-minute lesson for a writing strategy, test-taking strategies, fluency, and AR! We had a blast!

What makes you feel most valued as a staff member?

17 responses

People showing they truly care!

April says "Good Morning" to me whenever I enter the gym while she is on car duty.

The encouragement from my admin and the overall mindful feedback I receive from them makes me feel most valuable. I feel we are on the same page in our goals, putting the students' and staff's learning and safety as our first priority, knowing God is in charge and He will guide our steps as long as we seek Him first.

My team

A warm smile in the hallway while passing other coworkers and feeling like my voice is heard in every conversation!

Any questions I have being answered in an encouraging way. Clear expectations and support provided to help achieve them.

The feeling of loyalty/support from my SW family

When people take the time to listen and consider my ideas and also just asking how I am doing

That I'm appreciated.

Communication, support

Amazing administration and coworkers

Communication

Fellow staff wishing me good morning or saying hi when they see me.

Celebrating our hard work and positive comments about how I am doing. I also like receiving feedback that will help me grow as an educator.

When I am thanked for helping out. When people around me treat me positively.

Always knowing there is someone to talk to if we have an concerns

What is one thing that helps you enjoy coming to work each day?

17 responses

My team!

I enjoy coming to work whenever the students are eager to learn.

The positive atmosphere and relationships with the staff and students.

The kids!

Thigpen, Cummings, and Adams do a great job of making each day fun and inviting.

Positive and encouraging work environment.

All the hugs and smiles from not just the kiddos but the teachers :)

I love the kiddos so are always my motivation

The students.

Students of course but having a plan mapped out for my day.

Knowing the amazing kids I will get to work with and love on everyday.

Friends and students

Camaraderie and building relationships with the kiddos.

My students and my team.

My co-workers and seeing students smiling faces.

My teammates!

I feel communication from administration is clear and timely?

What can the administration do to better support collaboration among staff?

17 responses

Not sure! I feel like admin does a good job already!

Collaboration has been great whenever the staff speaks positive of each other. Sometimes, I feel like there is favoritism with some staff when the administration laughs with and carries on a conversation with them. The staff that doesn't get this attention gets jealous and doesn't feel as important.

I believe having the expectation that collaboration is our culture at SES.

The PLC's are great

I think setting the tights and clear expectations for ALL staff will help our team collaborate better this year.

This will be my first year at SES, so I can not contribute to this conversation yet.

Well idk bc I feel like they do a solid job already

Just continue to be present in PLC and support teachers

I really don't know right now.

Collaboration as in PLC(T) meetings. Simmer or keep those who have a big head humbled in a kind way. They might have valuable input or great things to offer, but when it is relayed in a bossy, entitled, intimidating, "I'm the rude/mean teacher" mentality, condescending way no one cares. Promise this happens in and out of our meetings. This is what separates and discourages the team from being their best. I hate saying this but it happens often...acting or saying one thing when admin is around (for an atta girl or approval) and saying other things when they're not. With lots of newbies this can change the dynamics of the whole year completely. Everyone is important on the team and lowkey bullying shouldn't happen among teachers. It hasn't happened to me personally because I'll speak up and have done so in the past. I don't want the new ones to feel this is something they have to accept and that this is what we allow at our school. Individually, everyone is great but together it's a race to be seen and validated by admin. I hate saying all of this but we are better than this at SWE and I wanted to give you all a valuable/valid response. I know we can definitely make this the best year ever and look forward to see how well we all work together this year!

Have us work together!

I think collaboration for my team is well supported.

Just listening supportively.

Let them collaborate freely without too much supervision.

have communication to enhance coordinated efforts, but we do this well at SES

N/A

What is one area where you'd like additional support this year?

17 responses

I'm not sure

To get the most out of class, the lesson plan should not be interrupted by discipline problems for it takes away from the students who want to learn. We owe our time and energy to the eager learners. The students causing the discipline problems probably need a counselor to work through their distractions. If I call the principal after redirecting, calling a parent, meeting with a parent, I need the student to know there is a consequence that they want to avoid. This year, that could be virtual learning. They would need to know that there is a person other than their teacher that will make them accountable for their work during virtual learning. In the past, I never received any work done from students sent home after I spent the time collecting the work and delivering it to the office.

Coaching me in ways to improve communication with other staff, reminding me of best practices, collaboration in student behaviors, any shortcuts to work smarter, not harder

Getting kids to AR goals

I love feeling like/being a leader for my team, and I think admin backing up this belief in team meetings will help it seem more like a reality for my other teammates.

Just support in learning the expectations and tools of my new position.

Just keep the candy bowls filled (which you already do) :)

I can't think of anything, but I will share if I come up with something.

I'm not sure right now.

Discipline strategies. We can't walk the line and detention might not always be reasonable for every circumstance. Just some ideas would be great!

I think I am always offered all the support I need.

I appreciate the support I receive.

Brain storming challenges

Feedback. The good and bad.

What professional learning topic would benefit you the most?

17 responses

not sure..maybe RTI or learning stations

I would like to learn how the mind developments in related to academics.

Behavior management/procedures strategies, student engagement strategies

Writing

I loved my science of reading PD this summer! I would love more PD on spelling, writing, phonics, fluency, etc.

This 1st year back - any and all.

I want to go to the OOAPHERD convention again! :)

I am always interested in any kind of learning that fosters students learning to read for pleasure

I'm not sure right now.

Writing, AR

I can benefit from professional development in high-impact intervention strategies, higher-order thinking and problem-solving, and differentiated instruction to support struggling, gifted, and high-achieving learners.

Maybe a book study.

Small group instructional practices and whole group independent work practices that work.

Reading strategies.

Trauma informed practice and understanding different ways students learn

Small group

During stressful times, what support from administration is most meaningful?

17 responses

Admin being proactive and responsive whether it's hands on or just a listening ear!

During stressful times, prayers help or time to myself.

Personal Check-ins have been great, providing necessary resources have been helpful, assistance with behavior management of struggling students has been amazing

Notes

A cheerful card or quick text! Sometimes it just feels good to know that the stressful time is being acknowledged.

When the administration lead through engagement and providing tangible help - not just verbal advice/encouragement.

The personal check ins and hugs are my fave!

Maybe a hug! lol or finding a way to take something extra off my plate

A kind word of appreciation goes a really long way with me.

Always been pretty on point here

Listening and understanding and letting me know they have my back and they support me.

Listening supportive ear

Support in the form of listening, or advice.

Just knowing that they support me and can take some stress off of my plate.

Taking something off my plate

Just being there to ask for help or listen.

Is there anything that tends to drain your energy during the school day that we might be able to improve?

17 responses

When everyone is at a 10 and it takes forever to come down from it..

Not that I can think of

Our attendance must improve to ensure that the teacher is not spending extra time getting the absent student caught up. It is a lose-lose situation.

Uncooperative/selfish staff members, staff negativity-low morale, students with consistent behavior issues

So many ways of communication: text, emails, alerts, etc. I feel like I'm trying to teach and its a distraction. Does the intercom work? I know it's necessary but frustrating that we have to have the phone on us at all times.

I can't think of anything right now.

1st year back, so can't answer this question yet.

I can't think of anything honestly.

No

Mainly what I said in the collaboration portion and really depends on what students I have and their behaviors. But not too much to say here.

Nope I am great. Just seeing yalls face!

None at this time.

Not that I can think of.

What is one thing we can do as your principals to help you be successful this year?

17 responses

Not sure

See the answer about discipline and attendance.

Keep up the good work and intentionality! I see all you do!

You're fantastic just like you are :D

Continue the amazing communication and feedback!

Provide clear expectations for all staff, provide in person guidance and assistance when we are struggling, provide honest feedback so that we know what we need to work on and aren't guessing if we are doing well or not.

Keep doing what you're doing. Keep holding me accountable and calling me out when I'm not on point. Sucks to hear sometimes, but it always motivates me and gets me back on my A Game.

I always appreciate your help especially with students maybe having a difficult time.

Words of encouragement every now and then when things get a bit overwhelming.

I can't think of anything at the moment because y'all are pretty great all the time.

Continue to communicate openly, support teachers consistently, and trust us as professionals while being available when we need guidance or assistance. Y'all are amazing!

I feel supported and I appreciate it.

I like it when y'all listened when I explained how I met different kids at different places with what they needed to help them be successful and cheered me on.

Continue being supportive.

You already make us feel good about coming to work.

Keep doing everything you are already doing!

If you could change one thing about our school environment, what would it be?

17 responses

Not sure

I want students to try their best because it is an unmeasurable soft skill.

More passion for staff and student learning, less , "I don't get paid enough for this!" attitude

Nothing comes to mind

I'd love to interact more with other grade levels during the school day. The socials are great, but I don't get to build many relationships outside of 3rd grade. It would be fun to do some kind of "buddy" program to match up the different grades for different projects.

1st year back, so can't answer yet.

These are hard questions bc I love our SW environment!!

More time together at school. It is impossible, I know.

I really don't know.

It's pretty great here!

I wouldn't change much. I would just continue building on the positive culture we've created while always looking for ways to support students and staff.

Can't think of anything.

Positivity and being marigolds.

I try to be really positive, so I think I would like less negativity from teachers.

Create a culture of care and relational trust.

Being able to see all the grades more often

What is one thing the administration can do this year that would make the biggest positive impact in your daily work?

17 responses

Not sure

See the answer about discipline and attendance.

Clear, concise expectations for all

Give us bathroom breaks :D Our duty schedule is going to be alot this year.

Truly..just continue being the amazing, Godly women that you are!

1st year back, so can't answer yet.

Already done ✓

Already scheduled less double classes!!!!

It isn't possible, but fewer duties would make a big impact.

I really don't know.

I couldn't ask for more honestly of you both personally.

Continue partnering with teachers to address student behavior consistently so we can maximize instructional time and student success.

I can't think of anything. I appreciate all you do.

Just saying good morning or hi when we see each other really uplifts my day and reminds me I'm not alone.

Being supportive and sharing resources if needed.

I feel supported in my daily work.

I like that you both check in daily walking around our rooms!

Our theme is "No Challenge, No Change." What challenge are you personally embracing this year, and how can we support you?

17 responses

I'd like to be a better communicator with parents

My challenge is to make the students accountable for their learning while having fun.

Teaching 5th Science for the first time, balancing home and work without guilt on either end, getting my Masters

Working out with Olguin to get stronger (for my grandson).

My personal challenge is to stay in my lane. I have to remember that anything that doesn't pertain to the students is just extra noise and distraction!

Personal Challenge: returning to the profession and catching up on the last 5 years worth of educational technology and professional discourse during this year or two as an aide.

Dig deeper. Step outside the box as far as my lessons and "how I've always done it".

My personal challenge this year and the last 5 years for sure is my health. This year I am really focusing on my glucose.

To start the day on a positive note, and when things get overwhelming at times, to re-focus and stay positive. Not to sweat the small stuff.

It's not a really a challenge for me but I am ensuring to be more assertive and in a leadership role in whatever way that will look for me. If I don't love how things are I can only help by being apart of the change. And maybe giving me some feedback on what I can do that would make a positive impact for my team.

My next steps growing in my profession and personal life. Can support me by continuing to do what you are already doing.

Working to make the library a more positive place - being more present when possible.

Higher expectations for my students and more structured routines.

I am going to challenge myself to get really good with small groups. Any resources shared would be helpful.

Be healthier. Be there for others who need me. Those are on me.

Being better at small group instruction

If our staff had a theme song this year, what would it be?

CMS VISION

"Empowering every student to achieve excellence through a dedicated staff, supportive community, and a culture of high expectations, collaboration, and lifelong learning."

“

CMS VALUES

"At CMS, we value respect, responsibility, and resilience. We are committed to academic excellence, personal growth, and fostering a safe and inclusive environment where students, staff, and families work together to support every learner's success."

Message From Mr. Ray:

It's always exciting to start a new school year. Our teachers have been hard at it since the end of last school year. Our teacher in-service went great, and our teachers are excited to get started. Our fall sports are off and running and doing great. Please feel free to stop by and see all of the great things going on at CMS!!!

CHS August 11th, 2026 Board Report

Academic Advisors-CHS Students have each been assigned an Academic Advisor / Champion. Prior to schedule pickup, this certified staff member interviewed the student with their parents to review the [Student Success Profile](#) data, discuss Oklahoma's Promise, and student interests and successes. They also covered the students strengths, study habits, power skills, and goals for their year, education, and career. This will be a continued connection throughout the student's educational journey and will have a new set of questions to guide monthly discussions.

The advisor is paired until the student's graduation and will have monthly meetings to further the student's individual path to success. Through this process the student will practice their communication skills, be encouraged to fully engage in their education, and have a personal connection with an educator vested in their success. Each certified CHS staff member has been paired with approximately 12 students of varying grades, interests, and abilities. We will use these connections to build capacity and confidence in both staff and students, lifting the broader community in the process.

NEW Graduation requirements for the Class of 2030 -[New State Graduation Standards and Pathways for the Class of 2030 and Beyond](#)-Adds a 4th math to graduation requirements, allows for flexible pathways to meet those requirements, as well as creates career clusters for students to pursue their interests in a more direct fashion. *CHS's currently offered Pathways are listed near mid second page in the above linked Student Success Profile. Each Pathway lists specific plans of study geared toward a student's desired career.*

[2026 Junior Spring ACT & 25/26 Achievement Notes](#)-increase in average superscores of junior class as well as increase in average scores of students self identified as "college bound", Class of 2026 stats, attendance rate, and standards mastery.

Dear Gene Ray,

Please accept this letter as my formal resignation from my position with Clinton Public Schools.

This has been an incredibly difficult decision, and it was not made lightly. After much prayer and careful consideration, I have decided that I need to step away from my position to focus on my mental and physical health. While this decision is necessary for me at this time, it is also one that comes with a heavy heart.

Working for Clinton Public Schools has been one of the greatest privileges of my career. I have truly loved being a part of this school district and the wonderful community it serves. I am especially grateful to have worked in a district that values and supports the fine arts so wholeheartedly. The encouragement, respect, and investment shown toward both the arts and its teachers have made this an exceptional place to teach and grow as an educator.

I am deeply thankful for the support, kindness, and opportunities I have been given throughout my time here. The relationships I have built with my colleagues, students, administrators, and families are ones that I will always cherish. Clinton Public Schools has had a lasting impact on both my professional and personal life.

Although I am stepping away at this time, it is my sincere hope that our paths will cross again in the future. I would be honored to have the opportunity to re-enter the Clinton Public Schools family one day when I am in a place to do so.

Thank you again for the trust, encouragement, and support you have shown me throughout my time in the district. I wish Clinton Public Schools continued success, and I look forward to seeing the incredible things that the students and staff continue to accomplish. Once a Red Tornado, Always a Red Tornado!

With sincere gratitude,

MaryKathryn Daugherty

Mr. Meget, please consider this letter my official resignation from my position as 4th Grade Assistant/Coach for Clinton Public Schools. My final day will be August 3rd. I am resigning for personal reasons. I did not come to this decision lightly, and I appreciate the opportunity to work for the students, families, and staff of the district. It has been a privilege to contribute to the school community, and I appreciate the support, encouragement, and professional experiences I have received during my time here. Thank you for the opportunity to be a part of Clinton Public Schools. I wish the district, its staff, and its students continued success in the years ahead.

Sincerely, Devon Mitchell.

OKLAHOMA DEPARTMENT OF CAREER AND TECHNOLOGY EDUCATION
CONTRACT FOR SECONDARY CAREER AND TECHNOLOGY EDUCATION PROGRAM(S) FOR SCHOOL YEAR 2026-2027

It is understood and agreed that Oklahoma Career and Technology Education funds will be used to assist in the development and maintenance of a Career and Technology Education program that meets the standards, provisions, and requirements contained in the State Plan for Career and Technology Education, the CareerTech state rules and regulations, and policies pertaining to Career and Technology Education, state laws, and federal policies pertaining to Career and Technology Education. The aforementioned district will provide the funds necessary for quality programs and report such expenditures to the Oklahoma Department of Career and Technology Education (ODCTE). All programs supported under this contract have been coordinated with other training agencies and institutions in the area.

It is also understood and agreed that necessary records shall be kept, and all reports required by the State Board shall be submitted to the appropriate area of ODCTE by the established due date. The **Salary and Teaching Schedule due on September 30**, is one of these reports and is considered a part of this contract in addition to **CESI Enrollment due October 31** and the **Follow-up Reports due November 30**. Those programs delinquent in submitting accurate reports are subject to having reimbursement withheld or withdrawn by ODCTE.

The program(s) on the listed attachment shall have an established local advisory committee to assist in their development and/or direction.

The teacher(s) of the program(s) listed herein shall have a valid teaching certificate in the specific subject matter area. Other Career and Technology Education personnel involved in the delivery of the programs listed shall meet the minimum requirements for the duties and responsibilities for which funds are requested.

It is understood that program(s) provided for in this contract, as indicated on the list of programs included with this contract, and the Salary and Teaching Schedule, shall be operated for ten or twelve calendar months. Ag Education is a twelve (12) month program. All other CTE programs follow the school calendar. Should any program(s) not be operational for the entire period and led by a certified instructor(s) as indicated on this contract, it is understood that funding will be reduced proportionately.

Program assistance funds received from ODCTE shall be spent on CareerTech programs and will be coded to 412. Salary supplement received from ODCTE shall be coded to 411.

Furthermore, the aforementioned school district certifies that all such program(s) listed in this contract are open with respect to equal access to males and females and that disabled students who, under the direction of a planning committee, apply for admission, are provided Career and Technology Education as specified in the Individual Education Plan (IEP) as appropriate.

If you have any questions, contact Katha Cinnamon at Katha.Cinnamon@careertech.ok.gov or (405) 743-5195.

This signed contract should be returned to secondarycontracts@careertech.ok.gov no later than **September 30**.

To Whom it May Concern,

I am writing to you about an incredible opportunity for Mock Trial Students to attend Empire as part of Team Oklahoma, with members of the OBA Committee and the team from Jenks. We are currently planning our Par Fore the Bar golf tournament, selling school spirit items, and seeking donations for the trip, all of these fundraisers were previously approved by our principal & school board. Below are the tentative details about the events as well as a tentative timeline of the travel plans.

Who: CHS Mock Trial Students (This could change based on class enrollment.)

- Victoria Nemtan
- Felipe Acosta Sandoval
- Ace Elizondo
- Alexandra Fuentes
- Ashley Garcia
- Alexis Nolasquez
- Whitney Salazar
- Atlee Fuller
- Joshua Armstrong
- Jaxon Black
- Aryanna Bland
- Kira Rhoads
- Brayden Williams
- Elizabeth Zuniga

What: Main Purpose: Compete at the Empire Philly Mock Trial Competition representing Clinton High School and Oklahoma.

When: October 14-19, 2026 (6 Days & 5 Nights) October 20, 2026 (this is a placeholder for a travel day, in case we can't fly out Monday evening.) As a national competition, students will miss no more than 2 district activity absence days.

Where: Philadelphia, Pennsylvania

How: We will travel via plane to Washington, D.C. We will spend 1 day in Washington D.C., then travel by train to Philadelphia, PA, for the Empire Philly Mock Trial Competition. We will fly home either out of Washington, D.C. or Philadelphia. There will be seven sponsors traveling with the students, Mock Trial Coach Ms. Ashley Kelley, additional Clinton Public Schools employee and trip chaperone Mrs. Tracy McCullough, and volunteers Assistant Team Advisor Mr. Chase Maxwell, and parents Ms. Ashley Underwood, Mr. Jake Guttermuth, Mrs. Chelle Guttermuth, & Ms. Devina Perez. Sponsors are aware that they will need a background check to work with and travel with the team.

Why: Students have the opportunity to perform at a national level in the Empire Mock Trial Competition, while honing in on and developing skills to improve their knowledge and skills during Mock Trial Competitions at both the state and National levels. They will actively test their courtroom skills against 35 other teams from across the country. Other teams from Oklahoma who have participated in Empire, and the Oklahoma Bar foundation Mock Trial competition, have placed well in the competitions and competed at the National High School Mock Trial Competition. The CHS Mock Trial Team is one of 36 schools accepted into Empire Philly, and the only team attending Empire in person this fall representing the state of Oklahoma (1 out of 231 schools across the nation & 6 countries for all 3 in person sites)!! This is a true honor and an experience that will help these students grow as a team, develop trial skills they haven't experienced yet, and give them an educational opportunity to last them a lifetime!!

Itinerary: The following is what we have tentatively scheduled for the trip.

- Wednesday, 10-14-26:
 - Depart Clinton, OK in the early morning. This time is dependent on flights.
 - Travel to Washington D.C. via Southwest Airlines
 - Travel to Philadelphia, PA via train.
 - AmTrak - Reservation
 - Take a shuttle/walk from the train station to the hotel.
 - Via Metro/walking
 - Check into the hotel, then go get some dinner!
 - Practice throughout the day while traveling.
- Thursday, 10-15-26:
 - Breakfast
 - 6:00 am - Scrimmages and check-in. Actual time TBD.
 - LUNCH

- Afternoon sightseeing in Philadelphia, including but not limited to Independence Hall Tour & Liberty Bell.
- Dinner
- 6:30pm - 9:30 pm - Opening Ceremony @ The Franklin Institute
- Practice & case work.
- 10:00 pm - Lights out!
- Friday, 10-16-26:
 - Breakfast
 - 6:00 am - Scrimmages begin, practice, & case work. Actual time TBD.
 - 9:00 am - 12:00 pm (come & go) - Public Service Project
 - 10:00 am - 1:00 pm - AMERICA 250 Day
 - National Constitution Center Visit
 - Speaker on Constitutional issues
 - 2:00 - 5:00 pm: Mock Trial Seminar & Law School Programming
 - 5:00pm - Team Oklahoma Dinner
- Saturday, 10-17-26:
 - 7:00 am - Breakfast & Team Meeting
 - Students are to be dressed and ready for competition at the start of breakfast.
 - 9:00 am - 1:30 - Round 1
 - 1:15 pm - Lunch
 - 2:00 pm - 6:45 pm - Round 2
 - 7:15 pm - Dinner
 - 7:30 pm - Volunteer appreciation night.
- Sunday, 10-18-26:
 - 7:00 am - Breakfast & Team Meeting
 - Students are to be dressed and ready for competition at the start of breakfast.
 - 9:00 am - 1:30 - Round 3
 - 1:15 pm - Lunch
 - 2:00 pm - Round 4
 - 7:15 pm - Dinner
 - 8:00 pm - Closing Ceremony @ Sonesta Rittenhouse Square
- Monday, 10-19-26
 - 9:45 am - Philly Sightseeing Tour
 - 10:15 am - 2:00 pm: Championship Round (Top 2 Teams)
 - Travel from Philadelphia, PA to Oklahoma City, OK, then back to Clinton (depending on flights.),
- Tuesday, 10-20-26

- Travel from Philadelphia, PA to Oklahoma City, OK, then back to Clinton (depending on flights.)

Lodging: Sonesta Rittenhouse Square

Room Assignments:

- Room 1:
 - Kelley
- Room 2 & 3:
 - Girls
- Room 4 & 5:
 - Boys
- Room 6, 7, & 8:
 - Sponsors

Food: We will find places to eat as a group. The following meals are provided by Empire:

- Friday Night Pizza
- Saturday Lunch
- Sunday Lunch

Weather: Weather looks to be lows in the 40s and highs between 60-70 degrees.

Expectations: Students understand that they will be representing Clinton High School and the Oklahoma Mock Trial Program for our District while we are traveling. Students will be respectful of others while we are in the hotel, this includes behavior and sound volume. Students know and understand that the expectations they have in class do not change when we are not in a school setting.

This is an exciting opportunity for our Mock Trial students, as it will allow them to work with other students in the program from across the nation, as well as show them how different teams practice for competition. This will also allow students the opportunity to network with professionals from the legal community. Thank you for your time and consideration of this exciting opportunity!
