

AGENDA

**Board of Education Regular Meeting
Enid Public Schools
Independent School District #57, Garfield County, OK
Administrative Services Center Boardroom
500 S. Independence
Enid, OK 73701**

Monday, November 17, 2025 - 6:00 PM

Invocation: Enid Ministerial Alliance

- I. Opening
 - A. Call to Order and Roll Call
 - B. Presentations
 1. Presentation of Colors: Enid High School Air Force JROTC
 - C. Recognitions:
 1. Recognize the American Education Week Representatives:
Garfield Elementary
Waller Middle School
Enid High School
Lincoln Academy
 2. Recognize the Enid Public Schools United Way Campaign Winners.
 3. Recognize the EEA Poster Contest Winners for American Education Week.
 4. Recognize the Enid High School Cross Country State Qualifiers: Matty Diaz, Jose Hernandez, Cassidy Lebeda, Riley Sallee
 5. Recognize the Enid High School Varsity Softball team for receiving the Academic Achievement Award from the OSSAA for having a cumulative grade point average of 3.25 or higher as a team.
 6. Recognize the Enid High School Varsity Volleyball team for receiving the Academic Achievement Award from the OSSAA for having a cumulative grade point average of 3.25 or higher as a team.
 7. Recognize the Enid High School Cheer team for qualifying for the 2025 Game Day State Competition.
- II. Audience to Visitors
- III. Superintendent's Report:
 - A. Strategic Plan Goal Area 2, Objective 1: Recruit, Hire and Retain Quality Staff Members
 - B. Eisenhower Update
 - C. Student Enrollment Numbers
 - D. Discussion then possible action to adopt the school calendar for the 2026-2027 school year.

- E. Discussion then possible action to approve a Memorandum of Agreement with Green Energy Solutions LLC and Enid Public Schools for converting Enid Public Schools assigned vehicles to Compressed Natural Gas and providing CNG station equipment such as compressors, storage vessels and slow fill stations. This will be at zero cost to Enid Public Schools. Minimal expected cost savings of \$36,000.
 - F. Discussion then possible action to approve Two Trees to remove and replace current Smartboards with Newline interactive boards in all of the elementary schools (excluding Eisenhower Elementary) for grades Pre-K through 3rd during the upcoming Thanksgiving break.
- IV. Regular Business
- A. Discussion then possible action to approve the following consent agenda items:
 - 1. Minutes of the Board of Education Regular Meeting of October 13, 2025;
 - 2. Fiscal Year 2026 Encumbrances:
 - a. General Fund Encumbrances for FY 2026 \$740,730.35 (P.O. #'s 1557 - 1767)
 - b. General Fund Change Orders since 10/06/2026 for \$(227,230.87) (P.O. #'s 1 – 1556)
 - c. Building Fund Encumbrances for FY 2026 \$182,892.99 (P.O. #'s 36 - 43)
 - d. Building Fund Change Orders since 10/06/2026 for \$(1,944.50) (P.O. # 5)
 - e. Municipal Tax Levy Fund Encumbrances for FY 2026 \$66,388.00 (P.O. # 1)
 - f. Activity Fund Donations and Gifts for FY 2026 \$1,743.27 (P.O. # 11)
 - 3. Fund raising requests and activity account budgets for the following accounts in the Enid Public Schools Activity Fund for McKinley Elementary, Glenwood Elementary, Hayes Elementary, Emerson Middle School, and Enid High School;
 - 4. Declare numerous items as surplus property for disposal;
 - 5. Approval of a change in wording to Board Policies and Regulations/Procedures as recommended by OSSBA for;
 - a. BBF Code of Ethics for Board Members
 - b. BEC Executive Sessions
 - c. GBA Open Records Request
 - 6. Approval of new Board Policies and Procedures as recommended by OSSBA.
 - a. CKAK Behavioral Threat Assessment
 - b. DOB Due Process for Administrators
 - c. CN-P School Transportation Bus Idling
 - B. Discussion then possible action to approve the District Financial Report for October 2025.
 - C. Discussion then possible action to approve the district Fiscal Year 2026 budget.

- V. New Business: (Any business that has arisen that could not have been foreseen or known about at the time the regular agenda was posted.) 25 O.S. Section 311(A)(9).
- VI. Reports, Items of Information, Board Comments and/or Questions:
 - A. Col. Jans' Comments:
 - B. Board Comments and/or Questions:
- VII. Next Regular Meeting: December 15, 2025 at 6:00 p.m. in the Administrative Services Center boardroom, 500 S. Independence, Enid, OK.
- VIII. Discussion then possible action to approve a proposed executive session in room 123 to discuss the employment of those individuals and/or positions listed on the attached Exhibit "A" [pursuant to 25 O.S. Section 307(B)(1)], negotiations concerning employees and/or representatives of employee groups [pursuant to 25 O.S. Section 307(B)(2)], and possible purchase, appraisal, sale, lease or acquisition of real property [pursuant to 25 O.S. Section 307(B)(3)].
- IX. Return from Executive Session
- X. Discussion then possible action to approve those individuals and/or positions listed on the attached Exhibit "A" [pursuant to 25 O.S. Section 307(B)(1)].
- XI. Notification of Reassignments, Retirements and/or Resignations as Approved by the Superintendent and listed on the attached Exhibit "A" [pursuant to 25 O.S. Section 307(B)(1)].
- XII. Adjournment

Green Energy Solution CNG Diesel Assist School Bus Program

Fiscal Year	Fuel Cost	25% Fuel Savings	ONG Cost \$1 for \$3 saved	Minimal Expected Total
FY25	\$215,758.59	\$53,939.65	\$17,979.88	\$35,959.77
FY24	\$254,579.74	\$63,644.94	\$21,214.98	\$42,429.96
FY23	\$267,943.73	\$66,985.93	\$22,328.64	\$44,657.29

Money Saving Features

Reduced Fuel Costs

Longer Range Capacity

Prolong Maintenance Times

If the CNG/RNG supply is lost or depleted, the GES Assist system automatically changes over from Assist Fuel to diesel-only operation. There is no range anxiety or lost time. When CNG/RNGs pressure is restored, the process seamlessly returns back to Assist Fuel operation. Engines with GES Assist Fuel System will not run exclusively on CNG/RNG natural gas.

The GES ASSIST system operates as a standalone device and requires no alteration to the OEM fuel strategy. Gas injection will enhance the diesel combustion safely and smoothly, liberating more power from the diesel charge. This increased efficiency is derived from a more complete combustion of the diesel charge; thus, reducing waste diesel that normally forms soot (particulate). Throttle response will be crisper and the increased economy is derived from less throttle being required to do the same work as on straight diesel operation. The OEM fuel assembly is not altered; therefore, should the gas cylinder become depleted, the engine will once again run to OEM spec. The system is fully automatic. The driver is not required to switch back and forth.

MEMORANDUM OF AGREEMENT

THIS MEMORANDUM OF AGREEMENT (this “MOA”), dated as of 10/21/2025 sets forth certain nonbinding understandings and binding agreements between Green Energy Solutions, LLC (the “Assignor”), an Oklahoma Limited Liability Company, and Enid Public Schools (the “Assignee”), Enid Schools, relating to the proposed assignment of certain Compressed Natural Gas (CNG) conversion equipment (the “CNG Equipment”).

For purposes of this MOA, CNG Equipment shall mean, collectively:

- “CNG Station Equipment”, including but not limited to compressors, storage vessels, and slow-fill stations; and
- “CNG Conversion Kits”, being the vehicle conversion kits installed on Assignee’s vehicles.

Included in the assignment is the installation of the CNG Equipment stated above (the “**Proposed Transaction**”). The Assignor and the Assignee are sometimes referred to individually as a “**Party**” and collectively as the “**Parties**”.

1. Binding Effect: Future Definitive Agreement. This MOA constitutes a binding agreement between the Parties with respect to the matters expressly set forth herein, including without limitation Sections 2(b)–(d) and Section 3(f)–(m). The Parties acknowledge and agree that they intend to negotiate and execute a more comprehensive definitive agreement (the “**Definitive Agreement**”). Upon execution of the Definitive Agreement, that agreement shall supersede this MOA. Until such time, this MOA shall remain in full force and effect and shall be enforceable in accordance with its terms.

2. Present Intention. It is the present intention of the Parties that Assignee would purchase for no upfront cost but is obligated to upkeep the CNG Equipment in a good faith and workman like manner, and Assignor would provide the certain CNG Equipment including the installation of the CNG Equipment on the stated terms and conditions set forth in this Section 2, while retaining ownership of the CNG Equipment subject to Section 2(d). These terms are based upon information currently available. They do not reflect all the material terms of the Proposed Transaction but provide a basis for negotiating the Definitive Agreement (as defined below).

(a) Definitive Agreement. The Parties intend to negotiate in good faith a formal written Definitive Agreement to further detail and supplement the terms of this MOA. However, the absence or delay of such Definitive Agreement shall not relieve either Party from its obligations expressly stated herein.

(b) Price. The proposed price for the purchase and installation of the CNG Equipment would be \$0, contingent on Assignee's responsibility of keeping the equipment and property in a good and workmanlike manner. Assignee shall show Assignor as owner of the equipment on all tax reports and returns during the period of this Agreement. Assignee shall cooperate with Assignor in obtaining, securing and transferring all Environmental Attributes and Environmental Incentives and the benefit of all Tax Credits & Deductions.

(c) Quantity. The proposed quantity of goods purchased and installed will include, but is not limited to:

45.00 Compressed Natural Gas Kits;

1.00 Compressed Natural Gas Compressor(s);

2.00 Compressed Natural Gas Storage Vessel(s); and

24.00 Compressed Natural Gas Slow-Fill Posts

(d) Ownership. The CNG Equipment shall remain the sole property of the Assignor indefinitely. Ownership shall only transfer to the Assignee if and when both Parties mutually agree in writing to a sale or transfer of ownership at a later date.

(e) Customary Provisions. The Definitive Agreement will contain such covenants, conditions, indemnities, representations and warranties as are customary for this type of transaction and as the Parties would mutually agree.

3. In consideration of the significant expenses that the Parties will incur in pursuing the Proposed Transaction and drafting and negotiating the Definitive Agreement, the Parties agree as follows:

(f) Good Faith Negotiations. The Parties shall negotiate in good faith and use their reasonable and best efforts to bring about the execution and delivery of the Definitive Agreement at the earliest practicable time.

(g) Due Diligence. Conclusion of the Proposed Transaction is subject to completion of a due diligence investigation by the Parties. Each Party agrees to provide representatives of the other Party with reasonable access to such information and such individuals as the other Party may reasonably request in order to carry out its due diligence investigation.

(h) Costs and Expenses. Each Party shall be responsible for all of its costs and expenses associated with pursuing the Proposed Transaction, including without limitation (i) the performance of its obligations under this MOA, (ii) conducting its due diligence investigation, and (iii) drafting and negotiating the Definitive Agreement.

(i) Term and Termination. The rights and obligations of the Parties contained in this MOA shall expire upon the execution of the Definitive Agreement. Either Party may terminate this MOA after 21 calendar days from the date of this MOA without any obligation or liability to the other Party; provided, however, that Section 3(f) and Section 3(g) shall survive such termination. In the event this MOA is terminated prior to the execution of a Definitive Agreement, and absent a mutually agreed upon sale of the CNG Equipment, ownership of the CNG Equipment shall remain with the Assignor.

(j) Governing Law. This MOA shall be governed by and construed in accordance with the internal laws of the state of Oklahoma, without giving effect to any choice or conflict of law provision or rule (whether of the state of Oklahoma or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the state of Oklahoma.

(k) No Third-Party Beneficiaries. Nothing herein is intended or shall be construed to confer upon any person or entity other than the Parties and their successors or assigns, any rights or remedies under or by reason of this MOA.

(l) No Assignment. Neither this MOA, nor any rights or obligations hereunder may be assigned, delegated, or conveyed by either Party without the prior written consent of the other Party.

(m) Counterparts. This MOA may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement.

CODE OF ETHICS FOR BOARD MEMBERS

The Enid Board of Education will be guided by the following Code of Ethics,

As a member of the board of education I will:

1. Remember always that my first and greatest concern must be the educational welfare of all students attending school in our district, and ensuring that they have the opportunity to reach their highest potential;
2. Strive to improve boardsmanship by studying educational issues and participating in board training opportunities;
3. Respect and obey the laws of Oklahoma and the United States, working to bring about desired changes through policies adopted by the board of education and through legal and ethical procedures;
4. Formulate legislative goals, policies, and strategic plans for the district, delegating to administrators the administrative functions of the school(s);
5. Recognize that I, as an individual board member, have no legal authority outside the meeting of the board and will take no private action that will compromise the board, district or administration;
6. Refrain from local board actions ~~locally~~ that would substantially interfere with or injure the program of education elsewhere;
7. Make every effort to be prepared, punctual, and in attendance at every board meeting;
8. Respect the confidentiality of privileged information and refrain from disclosing information that may be injurious to individuals or the school(s);
9. Encourage the free expression of opinion by all board members and staff, seeking systematic communications between board members and the public inside and outside the school district;
10. Be committed to promoting a cooperative atmosphere in order for the board to effectively serve the students;
11. Recognize and reward excellence in student achievement, teacher performance, and administrative leadership;
12. Refrain from using my board position for personal or partisan gain.

EXECUTIVE SESSIONS

The Enid Board of Education may, at its discretion, enter into executive session after the executive session is authorized by a vote in open session only if a proposed executive session is listed on the agenda and the specific section of law authorizing an executive session is also listed on the agenda. If new business arises within the statutory time limitations and otherwise qualifies for an executive session, it may be discussed in executive session.

The board may enter into executive session for any of the following reasons:

1. To discuss the employment, hiring, appointment, promotion, demotion, disciplining, or resignation of any or all of the employees or volunteers of the school district. 25 O.S. §307 (B) (1) [including the appointment of an individual to fill a board vacancy pursuant to 70 O.S. §5-118]
2. To discuss negotiations concerning employees and representatives of employee groups. 25 O.S. §307 (B) (2)
3. To discuss the **sale**, purchase, **lease**, **acquisition** or appraisal of real property **by the public body**. 25 O.S. §307 (B) (3)
4. To have confidential communications with its attorney concerning a pending investigation, claim, or action if the school district, with the advice of its attorney, determines that disclosure will seriously impair the ability of the district to process the claim or conduct a pending investigation, litigation, or proceeding in the public interest 25 O.S. §307 (B) (4)
5. To hear evidence and discuss the expulsion or suspension of a student when so requested by the student, the parent, an attorney, or the legal guardian. 25 O.S. §307 (B) (5)
6. To discuss matters involving a specific handicapped child. 25 O.S. §307 (B) (6)
7. To discuss any other matter where disclosure of information would violate confidentiality requirements of state or federal laws. 25 O.S. §307 (B) (7)
8. To engage in deliberations or to render a final or intermediate decision in an individual proceeding pursuant to Article II of the Administrative Procedures. 25 O.S. §307 (B) (8)
9. Discussing matters involving safety and security at state penal institutions or correctional facilities used to house state inmates. 25 O.S. §307 (B) (9)
10. Discussing contract negotiations involving contracts requiring approval of the Board of Corrections, which shall be limited to members of the public body, the attorney for the public body, and the immediate staff of the public body. No person who may profit directly or indirectly by a proposed transaction which is under consideration may be present or participate in the executive session. 25 O.S. §307 (B) (10)

11. To discuss the following, all of which should be cited 25 O.S. §307 (B) (11):

- A. The investigation of a plan or scheme to commit an act of terrorism;
- B. Assessments of the vulnerability of government facilities or public improvements to an act of terrorism;
- C. Plans for deterrence or prevention of or protection from an act of terrorism;
- D. Plans for response or remediation after an act of terrorism;
- E. Information technology of the public body but only if the discussion specifically identifies:
 - 1. design or functional schematics that demonstrate the relationship or connections between devices or systems;
 - 2. system configuration information;
 - 3. security monitoring and response equipment placement and configuration;
 - 4. specific location or placement of systems, components, or devices;
 - 5. system identification numbers, names, or connecting circuits;
 - 6. business continuity and disaster planning, or response plans; or
 - 7. investigation information directly related to security penetrations or denial of services; or
- F. The investigation of an act of terrorism that has already been committed.

The term "terrorism" means an act of violence resulting in damage to property or personal injury perpetrated to coerce a civilian population or government into granting illegal political or economic demands; or conduct intended to incite violence in order to create apprehension of bodily injury or damage to property in order to coerce a civilian population or government into granting illegal political or economic demands. Peaceful picketing or boycotts and other nonviolent action shall not be considered terrorism (21 O.S. §1268. I).

No action, decision, or vote shall be taken while the board is in executive session. The board shall reconvene the open meeting after an executive session prior to adjourning the meeting.

An executive session for the purpose of discussing the purchase or appraisal of real property shall be limited to members of the public body, the attorney for the public body, and the immediate staff of the public body. No landowner, real estate salesperson, broker, developer, or any other person who may profit directly or indirectly by a proposed transaction concerning real property which is under consideration may be present or participate in the executive session, unless they are operating under an existing agreement to represent the public body.

In the interest of maintaining confidentiality of the information discussed during executive sessions, under no circumstances will audio/video recording or camera photos of executive sessions be permitted. Board members and those persons requested to enter an executive session are required to turn off all cellular

telephones prior to the start of the session, unless there is a legitimate reason of personal health or safety involved.

If Copies of the documents are requested, the undersigned agrees to pay \$_____ per page for copies. If a search is necessary to furnish the documents and if this request is solely for commercial purposes or causes excessive disruption of essential school functions, the undersigned agrees to pay a search fee of \$_____ per hour.

Any copies will be made in accordance with the fee schedule and procedure established by the Oklahoma State Department of Education Pursuant to the Oklahoma Open Records Act, 51 O.S. § 24A.1, et. seq.

Return to: Enid Public Schools
500 S. Independence
Enid, OK 73701
Attn: Dr. Dudley Darrow, Superintendent
(580) 366.7000 FAX (580) 366.8900

The Oklahoma Open Records Act requires that public records be provided in a reasonable amount of time. The district's use of this form is to create a checklist for the material requested with notification of fee requirements. This form is not intended to deter requests for open records. A records request must identify the records that are being sought with reasonable specificity as defined in the Oklahoma Open Records Act. See policy GBA for the definition.

OPEN RECORDS ~~ACT~~ REQUESTS

It is the policy of the Enid Board of Education to recognize and facilitate the public's right of access to and review of public records. The district is not required to release information contained in its education records except in conformity with the provisions of the Open Records Act, Title 51, Oklahoma Statutes, Section 24 A.I. ~~and only to the extent that said act does not violate federal law. (See GBA-R)~~

The superintendent's secretary shall be the district's custodian of public records and shall be responsible for the preservation and care of those public records. At least one person shall be available at all times to release records during the regular business hours of the school district. Additionally, the superintendent may establish reasonable rules of procedure by which public records may be inspected.

The superintendent shall charge a fee to recover the reasonable direct costs of copying district records. The superintendent shall also charge a fee for the direct costs of searching for district records sought for solely commercial purposes or for searches that cause excessive disruption to the district's essential functions. In no case shall a search fee be charged for records sought in the public interest including, but not limited to, release to the news media, scholars, authors, and taxpayers seeking to determine whether officials of the district are honestly, faithfully, and competently performing their duties as public servants. Fees for copies shall be paid in advance before the copies are made. A deposit may be required for search fees. ~~The school district may require advance payment of estimated fees when the estimated cost exceeds Seventy-five Dollars (\$75.00) or if the requestor has outstanding fees from previous requests.~~

The fee schedule for searching for and copying of district records shall be as follows:

Copies:	Research:
8 1/2" X 11" or	\$25.00 per hour
8 1/2" x 14" \$.25 per copy	
11" x 17" ledger \$.50 per copy	
Certified copy \$1.00 per page	

~~The written schedule of fees is posted at the central office and is on file with the county clerk. All confidential student records as defined by state and federal law shall remain confidential and accessible only to authorized personnel. The district may make requested records available online at the school district's website to comply with the obligation of providing prompt, reasonable access to records.~~

~~A requestor must complete a records request form which describes the records that are being requested with reasonable specificity. If the request is not specific, clarification must be provided. To have reasonable specificity, a request must:~~

- ~~a. specify a general time frame within which the requested records would have been created or transmitted,~~
- ~~b. seek identifiable records, rather than general information without any qualifiers or other specifications, and~~
- ~~c. include search terms that are sufficiently specific to assist the public body in identifying the requested records.~~

School personnel may seek additional information from the requestor to fulfill the request and to identify the records sought by the requestor. The request may be denied if it is still not reasonably specific in accordance with state law or if the information that is requested is protected by state or federal law. Any request denied on the basis that a record is not a public record shall include the statutory reference of the law which provides that the information is confidential.

REFERENCE: 51 O.S. §24 A.1, et seq.

NOTE: If regular business hours are not maintained, the school district is required by law to post and maintain a written notice at the main office of the school district and with the county clerk, which notice shall include the following: (1) the hours records are available for inspecting, copying, and reproduction; (2) the name, address, and telephone number of the individual in charge of the records; and (3) detailed procedures for obtaining access to the records at least two days of the week, excluding Sunday.

BEHAVIORAL THREAT ASSESSMENT

Enid Public Schools is committed to providing a safe and secure learning environment for students and staff. This policy establishes a school behavioral threat assessment (BTA) and management program to conduct a fact-based, systematic process designed to gather information about, assess and manage behavior or communication that raises a concern that a person or situation may pose a threat of severe and significant targeted violence against the school community.

Oklahoma law requires an officer or employee of a school district or member of a board of education to notify law enforcement of any verbal threat or act of threatening behavior which reasonably may have the potential to endanger students, school personnel or school property. School district officers or employees of a school district or members of a board of education shall be immune from employment discipline and any civil liability for communicating information in good faith if they reasonably believe a person is making verbal threats or is exhibiting threatening behavior. This report requirement is separate from and should be made prior to the Threat Assessment Team meeting.

Nothing in this policy precludes school personnel from acting immediately to address an imminent threat, including immediately removing a student from school, subject to subsequent due process procedures when the student poses an immediate threat to themselves, others, property, or the educational environment.

The threat assessment process is distinct from and does not supplant the student discipline policy. A behavioral threat assessment will not impose suspension solely for investigating student conduct or conducting a threat assessment. Any action that could result in removal of a student from the student's school environment pending or after a threat assessment will only be carried out in accordance with state and federal law applicable to students with disabilities.

Threat assessment is not intended to refer students to the criminal justice system, but to facilitate the provision of resources and support to a student and to mitigate potential acts of violence. Law enforcement referral is not appropriate in the case of student behavior that is a violation of the school conduct code but that is not also a crime.

This policy applies to all students, staff, and visitors. The policy applies to threats made verbally, in writing, electronically, or through behavior that may indicate a risk of violence or self-harm.

Definitions

Threatening Behavior: Any verbal threat or threatening behavior, whether or not it is directed at another person, which indicates potential for future harm to students, school personnel or school property.

Threat Assessment Team (TAT): A multidisciplinary team tasked with evaluating and managing threats, which may include administrators, counselors, psychologists, law enforcement representatives, and other relevant staff.

Imminent Threat: A threat judged to be immediate or likely to occur in the near future.

Non-Imminent Threat: A threat that is concerning but does not indicate immediate danger.

The Threat Assessment Team shall consist of the principal, school counselor, school security personnel and a teacher or employee familiar with the student. The principal shall oversee the implementation, coordinate meetings, and communicate with the parent//guardians of the student involved. The Threat Assessment Team will assess any threat that is reported to determine severity and any needed interventions.

BEHAVIORIAL THREAT ASSESSMENT (CON'T)

Information related to threat assessments will be kept confidential and disclosed only to individuals with a legitimate educational or safety interest, consistent with applicable law.

Staff shall receive annual training on recognizing warning signs, reporting procedures, and threat assessment protocols.

The Threat Assessment Team shall maintain secure records of all assessments. This policy shall be reviewed annually by the school board or as needed to ensure effectiveness and compliance with state and federal law.

LEGAL REFERENCE: 70 O.S. Section 24-100.8.

DUE PROCESS FOR ADMINISTRATORS

Pursuant to a proposed recommendation that a full-time certified administrator be dismissed or nonreemployed from an administrative position within the school district, the board will follow this procedure:

1. A written statement will be submitted to the administrator before the dismissal or nonreemployment advising of the proposed action, listing the reasons for the action, and notifying the administrator of his right to request a hearing before the board prior to the action.
2. A hearing by the board will be granted upon the administrator's request before the board takes action on the proposal. Such request for a hearing must be submitted to the board by certified mail, restricted delivery with return receipt requested, no later than ten days after the administrator has been notified of the proposed action.
3. Upon receipt of the administrator's request for a hearing, the board will conduct such hearing at its next regularly scheduled meeting or at a special meeting. The failure of the administrator to timely request a hearing after being properly notified will be deemed a waiver of the right to a hearing and the decision of the board will be final.
4. Pending final determination of an administrator's dismissal or nonreemployment, the board or superintendent may suspend the administrator if it believes that the immediate suspension is in the best interest of the school district. Such suspension will not deprive the administrator of any compensation or benefits to which the administrator may be entitled. The board will initiate dismissal action within ten days from the effective date of suspension. However, in cases involving a criminal charge or indictment, the suspension may extend to such time as the administrator's case is finally adjudicated at trial.

After full implementation of the Oklahoma Teacher and Leader Effectiveness Evaluation System (TLE) as set forth in Section 6-101.10 of this title, a principal who has received a rating of "ineffective" as measured pursuant to the TLE as set forth in Section 6-101.16 of this title for two (2) consecutive school years, shall not be reemployed by the school district, subject to the due process procedures of this section.

REFERENCE: 70 O.S. §6-101.13

**SCHOOL TRANSPORTATION
SCHOOL BUS IDLING POLICY**

The Enid School District seeks to eliminate all unnecessary idling by Enid school buses such that idling time is minimized in all aspects of bus operation.

When school bus drivers arrive at loading or unloading areas to drop off or pick up passengers, buses should be turned off as soon as possible to eliminate idling time and reduce harmful emissions. The school bus should not be restarted until it is ready to depart and there is a clear path to exit the pick-up area. Exceptions include conditions that would compromise passenger safety, such as:

- A. Extreme weather conditions
- B. Idling in traffic.

At school bus depots, limiting the idling time during early morning warm-up to what is recommended by the manufacturer (generally 3-5 minutes) in all but the coldest weather.

Buses should not idle while waiting for students during field trips, extracurricular activities or other events where students are transported off school grounds.

TO: Board Members
FROM: Sam Robinson, CFO
RE: District Financial Report

The attached is a series of reports reflecting both receipts and expenditures for the current fiscal year through **31 October 2025**. You will find a single spreadsheet condensing both revenue and expenditures for all appropriated funds onto one at-a-glance report with single lines of entries for each fund. Also included in the District Financial Report is the Activity Fund report reflecting financial transactions for the various activity funds this fiscal year through the month of **October**. These reports are summaries of balances, receipts and expenditures by authorized sub-account.

Notes and definitions:

Collections over/under are the differences, by fund, between estimates and actual collections. Positive numbers indicate overcollections.

Obligations/encumbrances include all recognized contracts, orders or debts to be made against the current year's appropriation (spending limit).

Payments/warrants include all payments, for goods or services received, made as of the report date.

Unencumbered balance is the remainder of the unobligated appropriation. What we have left to spend. (Appropriation - Encumbrances = Unencumbered Balance)

Cash balance is total temporary surplus cash available to register warrants or payments. (Collections - Payments = Cash Balance)

All Garfield County Educational Facilities Authority funds are maintained in a Trustee account in Bank of Oklahoma, Tulsa

Enid Public Schools

ITEM FOR DECISION

IV.D. FY2026 District Budget

Background Information:

The budget indirectly is approved monthly through the approval of revenue and encumbrance as presented in the district financial report and the encumbrance report in the consent agenda. The attached budget represents the proposed expenditures and projected revenues for the current fiscal year.

Administrative Consideration:

Fund 11 overview:

Revenue Changes for 2025-2026:

Local revenue projections show a decrease in local ad-valorem sources of just under \$600,000. Intermediate (County) sources are stable, although we will receive a slightly smaller share of County 4-mill Tax this year due to our student population compared to the rest of the county. Initial Foundation and Incentive Aid Allocations show a decrease in "State Aid" of \$1,288,099.68 from our final FY 2025 allocation, due to a flat budget, increased chargeables, and a reduction of over 400 WADM from FY2025. Total revenue collections are project to be \$2,492,697.89 less than last year with the mid-term allocation to remain flat because of increased local revenues from FY25 and projected flat to reduced student factor. Federal sources of revenue are projected (based upon official allocations) to be flat from FY2025.

Expenditure Changes for 2025-2026:

Our expenditure plan includes all currently known obligations required for this fiscal year. The total decrease in our planned FY 2026 expenditures over the actual expenses for FY 2025 is \$448,089.16. The decreased budget is attributed to a reduction in one-time cost for various improvements and expenditures related to equipment. Expenditures could have been additional \$535,250.00 if additional employee stipends were to be eliminated. Because of the fund balance this should not be a consideration.

Fund Balance:

This budget projects a decrease in fund balance of \$2,045,000 for a total projected carryover of \$23,390,051.96. The EPS fund balance has assisted in withstanding the fluctuations in funding that have occurred across the state as our legislature has historically struggled to deal with stable sources of revenue. The EPS fund balance also allows the fully funded participation in the many federal programs that must be "front funded" with state and local dollars. With this projected decrease EPS is well positioned to withstand the unknown future funding of public education while maintaining funds for improvements to facilities and student learning.

Administrative Recommendation :

Your administration respectfully requests approval of our mid-term adjusted operating budget.

Board Action Required.

Enid Public Schools

Budget

FY 2026

BUDGET NARRATIVE

Introduction to governmental accounting:

The term fund, for the purpose of this discussion, is defined as an accounting entity that is required to maintain its own set of records. Enid Public Schools (EPS) currently operates 13 funds that fall into seven fund categories as detailed below. Each fund is given a two digit numerical designation by the Oklahoma Cost Accounting System, OCAS, which is the statutory classification system we are required to use for identifying and tracking all revenue and expenditures.

General Funds account for all financial resources of the local education agency (LEA) except those required to be accounted for in another fund.

11 General Fund: The largest fund providing for the general operating expenses.

Special Revenue Funds account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes.

21 Building Fund: Exists for the purpose of receiving the proceeds of a dedicated 5 mill tax levy provided for in the Oklahoma Constitution for the specified purpose of building, equipping, operating and maintaining school facilities.

25 Municipal Tax Levy Fund: Exists for the purpose of receiving the excess proceeds of the City of Enid sales tax dedicated partially to the benefit of schools located within city boundaries. Very few Oklahoma school districts are fortunate enough to have the benefit of such revenue. The specified purposes for the monies are essentially identical to the building fund. The last of the proceeds for fund 25 were received in March of 2018.

Capital Projects Funds account for financial resources used to acquire or construct major capital assets or facilities. A bond fund holds the proceeds from the sale of general obligation (G.O.) bonds from which all expenditures for bond projects are paid, as defined in 62 O.S. § 574.

31 2016 General Purpose Bond Fund: The bond fund referendum of 2016 provided for a series of bonds to be sold for the specific purpose of providing funding to retire debt incurred by the **Garfield County Education Facilities Authority** on behalf of the school district. This referendum also provided for some direct expenditure of bond proceeds on school renovation projects, but most of the authorized bond proceeds will be used to make lease-purchase payments to the 'authority', which is financing the majority of our Comprehensive Facilities Plan construction and renovations with revenue bonds. Those G.O. bond proceeds are deposited in Fund 39 described below. Fund 31 was used for direct payment of a portion of the renovation projects (primarily architect fees) and now has a small unencumbered balance (\$56,461.49).

34 2024 Transportation Bond Fund: The bond fund referendum of 2024 provided for a series of bonds to be sold for the specific purpose of providing funding to purchase school buses and other auxiliary transportation equipment. Like the 2016 General Purpose Bonds these are two-year issues, retired through the sinking fund and were scheduled to be issued in nine segments for \$300,000 each for a total of \$2,700,000. The bonds began issuance in June of 2024 and will continue annually until 2032. These funds have and will provided much-needed upgrades in our transportation fleet.

35 2024 General Purpose Bond Fund: A 2024 referendum provided for a series of bonds to be sold for the purpose of improving campus security (\$200,000) and student One to One Devices (\$700,000) (These are general obligation bonds of the school district.) Like the 2016 General Purpose Bonds these are two-year issues, retired through the sinking fund and were scheduled to be issued in nine segments for \$900,000 each for a total of \$8,100,000. The bonds began issuance in June of 2024 and will continue annually until 2032.

38 2010 Revenue-Lease Payment Bond Fund: Lease purchase payments to the **GCEFA** (the Authority) will be made from this fund. The 2010 bond referendum authorized the successive issuance and sale of a series of G.O. bonds to make lease purchase payments to the ‘authority’ through 2024 to retire the debt the **GCEFA** incurred on our behalf for our facilities. Fund 38 now has an unencumbered balance (\$568,675.30).

39 2016 Revenue-Lease Payment Bond Fund: Lease purchase payments to the **GCEFA** (the Authority) will be made from this fund. The 2016 bond referendum authorized the successive issuance and sale of a series of G.O. bonds to make lease purchase payments to the ‘authority’ through 2031 to retire the debt the **GCEFA** incurred on our behalf for our facilities.

Debt Service Funds account for the accumulation of resources for, and the payment of, general long-term debt, principal and interest.

41 Sinking Fund: The sinking fund consists of all money derived from ad valorem taxes or otherwise, as provided by law, for the payment of bonds and judgments and interest thereon. The sinking fund levy provides the funding for the district to ‘retire’ the G.O. bonds we are issuing to repay the **GCEFA**.

Endowment Funds account for the resources that are legally restricted to the extent that only earnings, and not principal, are used for purposes that support the school district’s programs.

50 Endowment Fund: The Board of Education acts as trustee for several irrevocable trusts that provide permanent endowments, most of which are designed to provide funding for scholarships to benefit Enid High School graduates.

School Activity Funds As defined in 70 O.S. § 5-129, the board of education of each school district shall exercise control over all funds on hand or hereafter received or collected, as herein provided, from students or other co-curricular and extracurricular activities conducted in the district. Such funds shall be deposited to the credit of the subaccount maintained for the benefit of the particular activity within the school activity funds.

60 School Activity Fund: This fund contains accounts for all eleven elementary schools, three middle, and Enid High School including for all campus’s organizations, clubs and activities, including numerous parent booster clubs providing financial assistance to certain teams or groups.

67 Activity Fund for Donations and Gifts: This fund is used to handle all financial transactions for expendable gifts and donations (as opposed to non-expendable endowments or trusts from which only interest proceeds are used).

Trust Funds Normally account for assets held by a school district in a trustee capacity or an agent for individuals, private organizations, other governmental units, and/or other funds. However, in this case the **Garfield County Education Facilities Authority** (the Garfield County Commissioners are trustees for the authority) has issued revenue bonds to finance most of our comprehensive facilities plan construction and renovation and will, in turn, lease those newly constructed or renovated facilities back to the district as we make lease-purchase payments from fund 38 and 39 above. This allows the Comprehensive Facilities Plan projects to be completed ‘up front’ even though their combined value far exceeds the school district’s debt limit, since the authority incurred the actual construction debt.

72 GCEFA 2016 Revenue Bond Fund: This fund is being utilized to track all of the construction and renovation projects financed on our behalf by the **Garfield County Education Facilities Authority** through their issuance of 2016 series revenue bonds deposited in trust at BOK, Tulsa and designated as our “Improvement Fund”. These are actually not our expenses, but the authority’s expenditures. Our expenses to acquire or re-acquire these facilities are recorded in Fund 39 as we make lease-purchase payments. The authority, in turn, uses lease-purchase payments to retire the debt (2016 revenue bonds) they have incurred on our behalf.

General Fund Budget Considerations:

Each new fiscal year presents new financial challenges as we adjust to changing economic conditions and to federal and state mandates while at the same time strive to provide the very best education possible for the students of our community. The following are three major considerations to assist in understanding this year's primary operating budget.

1. **Revenue Changes for 2025-2026:**

Local revenue projections show a decrease in local ad-valorem sources of just under \$600,000. Intermediate (County) sources are stable, although we will receive a slightly smaller share of County 4-mill Tax this year due to our student population compared to the rest of the county. Initial Foundation and Incentive Aid Allocations show a decrease in "State Aid" of \$1,288,099.68 from our final FY 2025 allocation, due to a flat budget, increased chargeables, and a reduction of over 400 WADM from FY2025. Total revenue collections are project to be \$2,492,697.89 less than last year with the mid-term allocation to remain flat because of increased local revenues from FY25 and projected flat to reduced student factor. Federal sources of revenue are projected (based upon official allocations) to be flat from FY2025.

2. **Expenditure Changes for 2025-2026:**

Our expenditure plan includes all currently known obligations required for this fiscal year. The total decrease in our planned FY 2026 expenditures over the actual expenses for FY 2025 is \$448,089.16. The decreased budget is attributed to a reduction in one-time cost for various improvements and expenditures related to equipment. Expenditures could have been additional \$535,250.00 if additional employee stipends were to be eliminated. Because of the fund balance this should not be a consideration.

3. **Fund Balance:**

This budget projects a decrease in fund balance of \$2,045,000 for a total projected carryover of \$23,390,051.96. The EPS fund balance has assisted in withstanding the fluctuations in funding that have occurred across the state as our legislature has historically struggled to deal with stable sources of revenue. The EPS fund balance also allows the fully funded participation in the many federal programs that must be "front funded" with state and local dollars. With this projected decrease EPS is well positioned to withstand the unknown future funding of public education while maintaining funds for improvements to facilities and student learning.

SUMMARY

1. We will continue to monitor our revenues and expenditures each month.
2. We will resist making additional unplanned expenditures for 2025-2026.
3. We will work to maximize the efficient use of faculty and staff, at all grade levels. We will utilize attrition to assist us in streamlining faculty and staff all the while making every effort to minimize negative instructional program impact.
4. We will lobby our legislators to increase per capita funding levels of State Aid and avoid enacting any additional unfunded or partially funded mandates.
5. We will strive to maintain an adequate fund balance to allow us to continue to smoothly "forward fund" our numerous federal programs and withstand unforeseen economic fluctuations.

FY2023	\$30,170,749.49	\$0.00	\$30,170,749.49	\$374,357.75
FY2024	\$35,728,436.00	\$0.00	\$35,728,436.00	\$5,932,044.26
FY2025	\$35,618,433.90	\$0.00	\$35,618,433.90	-\$110,002.10
FY2026	\$34,330,334.22	\$0.00	\$34,330,334.22	-\$1,288,099.68

The FY 2026 projection is based on the Initial allocation released by the SDE in August. Our ADM growth has moved to a decrease and our FY 2026 State Aid allocation is now based on our FY 2025 WADM. If we continue on this decline in student population we can expect further State Aid decreases as current statute allows the use of the highest of the current and previous years' WADM.

Decrease to Carryover Funds FY26 Projected		-\$2,045,000.00

Impact for FY25 Budget and Beyond

The cost of doing business for the school district continues to increase. New interactive boards need to be purchased, \$225,000. Spending will need to continue to be reduced as we are looking at reduced student enrollment numbers. Expenditures need to stabilize somewhere between \$74,000,000 and \$76,500,000 for all expenditures to stabilize the budget for the longterm.

Key Factors for funding and budget stabilization

1. Staffing evaluation for reduced student WADM. Evaluate every open position for need.
2. Begin a reduction in one time expenditures and take care of most needed improvements within FY26.

Enid Public Schools

Budget

FY 2026

BUDGET NARRATIVE

Introduction to governmental accounting:

The term fund, for the purpose of this discussion, is defined as an accounting entity that is required to maintain its own set of records. Enid Public Schools (EPS) currently operates 13 funds that fall into seven fund categories as detailed below. Each fund is given a two digit numerical designation by the Oklahoma Cost Accounting System, OCAS, which is the statutory classification system we are required to use for identifying and tracking all revenue and expenditures.

General Funds account for all financial resources of the local education agency (LEA) except those required to be accounted for in another fund.

11 General Fund: The largest fund providing for the general operating expenses.

Special Revenue Funds account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes.

21 Building Fund: Exists for the purpose of receiving the proceeds of a dedicated 5 mill tax levy provided for in the Oklahoma Constitution for the specified purpose of building, equipping, operating and maintaining school facilities.

25 Municipal Tax Levy Fund: Exists for the purpose of receiving the excess proceeds of the City of Enid sales tax dedicated partially to the benefit of schools located within city boundaries. Very few Oklahoma school districts are fortunate enough to have the benefit of such revenue. The specified purposes for the monies are essentially identical to the building fund. The last of the proceeds for fund 25 were received in March of 2018.

Capital Projects Funds account for financial resources used to acquire or construct major capital assets or facilities. A bond fund holds the proceeds from the sale of general obligation (G.O.) bonds from which all expenditures for bond projects are paid, as defined in 62 O.S. § 574.

31 2016 General Purpose Bond Fund: The bond fund referendum of 2016 provided for a series of bonds to be sold for the specific purpose of providing funding to retire debt incurred by the **Garfield County Education Facilities Authority** on behalf of the school district. This referendum also provided for some direct expenditure of bond proceeds on school renovation projects, but most of the authorized bond proceeds will be used to make lease-purchase payments to the 'authority', which is financing the majority of our Comprehensive Facilities Plan construction and renovations with revenue bonds. Those G.O. bond proceeds are deposited in Fund 39 described below. Fund 31 was used for direct payment of a portion of the renovation projects (primarily architect fees) and now has a small unencumbered balance (\$56,461.49).

34 2024 Transportation Bond Fund: The bond fund referendum of 2024 provided for a series of bonds to be sold for the specific purpose of providing funding to purchase school buses and other auxiliary transportation equipment. Like the 2016 General Purpose Bonds these are two-year issues, retired through the sinking fund and were scheduled to be issued in nine segments for \$300,000 each for a total of \$2,700,000. The bonds began issuance in June of 2024 and will continue annually until 2032. These funds have and will provided much-needed upgrades in our transportation fleet.

35 2024 General Purpose Bond Fund: A 2024 referendum provided for a series of bonds to be sold for the purpose of improving campus security (\$200,000) and student One to One Devices (\$700,000) (These are general obligation bonds of the school district.) Like the 2016 General Purpose Bonds these are two-year issues, retired through the sinking fund and were scheduled to be issued in nine segments for \$900,000 each for a total of \$8,100,000. The bonds began issuance in June of 2024 and will continue annually until 2032.

38 2010 Revenue-Lease Payment Bond Fund: Lease purchase payments to the **GCEFA** (the Authority) will be made from this fund. The 2010 bond referendum authorized the successive issuance and sale of a series of G.O. bonds to make lease purchase payments to the ‘authority’ through 2024 to retire the debt the **GCEFA** incurred on our behalf for our facilities. Fund 38 now has an unencumbered balance (\$568,675.30).

39 2016 Revenue-Lease Payment Bond Fund: Lease purchase payments to the **GCEFA** (the Authority) will be made from this fund. The 2016 bond referendum authorized the successive issuance and sale of a series of G.O. bonds to make lease purchase payments to the ‘authority’ through 2031 to retire the debt the **GCEFA** incurred on our behalf for our facilities.

Debt Service Funds account for the accumulation of resources for, and the payment of, general long-term debt, principal and interest.

41 Sinking Fund: The sinking fund consists of all money derived from ad valorem taxes or otherwise, as provided by law, for the payment of bonds and judgments and interest thereon. The sinking fund levy provides the funding for the district to ‘retire’ the G.O. bonds we are issuing to repay the **GCEFA**.

Endowment Funds account for the resources that are legally restricted to the extent that only earnings, and not principal, are used for purposes that support the school district’s programs.

50 Endowment Fund: The Board of Education acts as trustee for several irrevocable trusts that provide permanent endowments, most of which are designed to provide funding for scholarships to benefit Enid High School graduates.

School Activity Funds As defined in 70 O.S. § 5-129, the board of education of each school district shall exercise control over all funds on hand or hereafter received or collected, as herein provided, from students or other co-curricular and extracurricular activities conducted in the district. Such funds shall be deposited to the credit of the subaccount maintained for the benefit of the particular activity within the school activity funds.

60 School Activity Fund: This fund contains accounts for all eleven elementary schools, three middle, and Enid High School including for all campus’s organizations, clubs and activities, including numerous parent booster clubs providing financial assistance to certain teams or groups.

67 Activity Fund for Donations and Gifts: This fund is used to handle all financial transactions for expendable gifts and donations (as opposed to non-expendable endowments or trusts from which only interest proceeds are used).

Trust Funds Normally account for assets held by a school district in a trustee capacity or an agent for individuals, private organizations, other governmental units, and/or other funds. However, in this case the **Garfield County Education Facilities Authority** (the Garfield County Commissioners are trustees for the authority) has issued revenue bonds to finance most of our comprehensive facilities plan construction and renovation and will, in turn, lease those newly constructed or renovated facilities back to the district as we make lease-purchase payments from fund 38 and 39 above. This allows the Comprehensive Facilities Plan projects to be completed ‘up front’ even though their combined value far exceeds the school district’s debt limit, since the authority incurred the actual construction debt.

72 GCEFA 2016 Revenue Bond Fund: This fund is being utilized to track all of the construction and renovation projects financed on our behalf by the **Garfield County Education Facilities Authority** through their issuance of 2016 series revenue bonds deposited in trust at BOK, Tulsa and designated as our “Improvement Fund”. These are actually not our expenses, but the authority’s expenditures. Our expenses to acquire or re-acquire these facilities are recorded in Fund 39 as we make lease-purchase payments. The authority, in turn, uses lease-purchase payments to retire the debt (2016 revenue bonds) they have incurred on our behalf.

General Fund Budget Considerations:

Each new fiscal year presents new financial challenges as we adjust to changing economic conditions and to federal and state mandates while at the same time strive to provide the very best education possible for the students of our community. The following are three major considerations to assist in understanding this year's primary operating budget.

1. **Revenue Changes for 2025-2026:**

Local revenue projections show a decrease in local ad-valorem sources of just under \$600,000. Intermediate (County) sources are stable, although we will receive a slightly smaller share of County 4-mill Tax this year due to our student population compared to the rest of the county. Initial Foundation and Incentive Aid Allocations show a decrease in "State Aid" of \$1,288,099.68 from our final FY 2025 allocation, due to a flat budget, increased chargeables, and a reduction of over 400 WADM from FY2025. Total revenue collections are project to be \$2,492,697.89 less than last year with the mid-term allocation to remain flat because of increased local revenues from FY25 and projected flat to reduced student factor. Federal sources of revenue are projected (based upon official allocations) to be flat from FY2025.

2. **Expenditure Changes for 2025-2026:**

Our expenditure plan includes all currently known obligations required for this fiscal year. The total decrease in our planned FY 2026 expenditures over the actual expenses for FY 2025 is \$448,089.16. The decreased budget is attributed to a reduction in one-time cost for various improvements and expenditures related to equipment. Expenditures could have been additional \$535,250.00 if additional employee stipends were to be eliminated. Because of the fund balance this should not be a consideration.

3. **Fund Balance:**

This budget projects a decrease in fund balance of \$2,045,000 for a total projected carryover of \$23,390,051.96. The EPS fund balance has assisted in withstanding the fluctuations in funding that have occurred across the state as our legislature has historically struggled to deal with stable sources of revenue. The EPS fund balance also allows the fully funded participation in the many federal programs that must be "front funded" with state and local dollars. With this projected decrease EPS is well positioned to withstand the unknown future funding of public education while maintaining funds for improvements to facilities and student learning.

SUMMARY

1. We will continue to monitor our revenues and expenditures each month.
2. We will resist making additional unplanned expenditures for 2025-2026.
3. We will work to maximize the efficient use of faculty and staff, at all grade levels. We will utilize attrition to assist us in streamlining faculty and staff all the while making every effort to minimize negative instructional program impact.
4. We will lobby our legislators to increase per capita funding levels of State Aid and avoid enacting any additional unfunded or partially funded mandates.
5. We will strive to maintain an adequate fund balance to allow us to continue to smoothly "forward fund" our numerous federal programs and withstand unforeseen economic fluctuations.

The FY 2026 projection is based on the Initial allocation released by the SDE in August. Our ADM growth has moved to a decrease and our FY 2026 State Aid allocation is now based on our FY 2025 WADM. If we continue on this decline in student population we can expect further State Aid decreases as current statute allows the use of the highest of the current and previous years' WADM.

GENERAL FUND CARRYOVER PENALTY

Title 70, Chapter 1, Section 18-200.1

G. 1. Notwithstanding the provisions of Section 18-112.2 of this title, a school district shall have its State Aid reduced by an amount equal to the amount of carryover in the general fund of the district as of June 30 of the preceding year, that is in excess of the following standards for two (2) consecutive years.”

2. By February 1 the State Department of Education shall send by certified mail, with return receipt requested, to each School District Superintendent, Auditor and Regional Accreditation Officer a notice of and calculation sheet reflecting the general fund balance penalty to be assessed against that school district. Calculation of the general fund balance penalty shall not include federal revenue. Within thirty (30) days of receipt of this written notice the school district shall submit to the Department a written reply either accepting or protesting the penalty to be assessed against the district. If protesting, the school district shall submit with its reply the reasons for rejecting the calculations and documentation supporting those reasons. The Department shall review all school district penalty protest documentation and notify each district by March 15 of its finding and the final penalty to be assessed to each district. General fund balance penalties shall be assessed to all school districts by April 1.

3. Any school district which receives proceeds from a tax settlement or a Federal Emergency Management Agency settlement during the last two (2) months of the preceding fiscal year shall be exempt from the penalties assessed in this subsection, if the penalty would occur solely as a result of receiving funds from the tax settlement.

4. Any school district which receives an increase in State Aid because of a change in Foundation and/or Salary Incentive Aid factors during the last two (2) months of the preceding fiscal year shall be exempt from the penalties assessed in this subsection, if the penalty would occur solely as a result of receiving funds from the increase in State Aid.

5. If a school district does not receive Foundation and/or Salary Incentive Aid during the preceding fiscal year, the State Board of Education may waive the penalty assessed in this subsection if the penalty would result in a loss of more than forty percent (40%) of the remaining State Aid to be allocated to the school district between April 1 and the remainder of the school year and if the Board determines the penalty will cause the school district not to meet remaining financial obligations.

6. Any school district which receives gross production revenue apportionment during the 2002-2003 school year or in any subsequent school year that is greater than the gross production revenue apportionment of the preceding school year shall be exempt from the penalty assessed in this subsection, if the penalty would occur solely as a result of the gross production revenue apportionment, as determined by the State Board of Education.

7. Beginning July 1, 2003, school districts that participate in consolidation or annexation pursuant to the provisions of the Oklahoma School Voluntary Consolidation and Annexation Act shall be exempt from the penalty assessed in this subsection for the school year in which the consolidation or annexation occurs and for the next three (3) fiscal years.

8. Any school district which receives proceeds from a sales tax levied by a municipality pursuant to Section 22- 159 of Title 11 of the Oklahoma Statutes or proceeds from a sales tax levied by a county pursuant to Section 1370 of Title 68 of the Oklahoma Statutes during the 2003-2004 school year or the 2004-2005 school year shall be exempt from the penalties assessed in this subsection, if the penalty would occur solely as a result of receiving funds from the sales tax levy.

9. For purposes of calculating the general fund balance penalty, the terms "carryover" and "general fund balance" shall not include federal revenue.

GENERAL FUND
FISCAL YEAR 2026
DETAILED ANALYSIS OF
NON-REVENUE

A COMPARISON OF:

FISCAL YEARS 2020-2021, 2021-2022, 2022-2023, 2023-2024, and 2024-2025

AND

PROJECTIONS FOR FISCAL YEAR 2025-2026

The largest item of non-revenue is our previous year's fund balance of \$25,435,519.60

The second largest non-revenue item is the transfer of activity funds for activity fund reimbursements to the General Fund for items such summer camp payrolls, etc.

INTRODUCTION

FY 2026

EXPENDITURES

Enid Public Schools is more than half-way through its twenty-ninth year utilizing the **Oklahoma Cost Accounting System (OCAS)**. Your administration is extremely pleased with the advantages of this accounting system when combined with the financial accounting software we lease from **Municipal Accounting Systems, Inc. (Sylogist Ed.)**. The tracking, summarization and reporting capabilities of these two systems combined provide a powerful management tool equipped with up to the minute financial data for our consideration in the decision-making process.

This year the budget expenditures will be presented in two reporting formats you have become accustomed to viewing. Both of the reports included here are based upon **Budget** estimated revenue available rather than the **Appropriation** made available by the Estimate of Needs.

An **Appropriation** is defined as a group of revenue sources either received or estimated that are certified and approved by the appropriate governing boards for the public entity. The appropriation governing boards for our district are the Board of Education, ISD # 57, Garfield County and the Garfield County Excise Board. Estimates for our primary appropriations (Estimate of Needs) are prepared by Patrick Carroll and normally do not include several highly variable sources of revenue as well as certain State and Federal grants that may not have received official approval prior to the date of its preparation.

Our **Budget Estimates**, on the other hand, attempt to include accurate estimates of all possible sources of revenue and normally exceed the Estimate of Needs by a significant sum.

General Fund Estimate of Needs Appropriation	\$98,314,363.78
General Fund Budgeted Revenue Estimate	<u>\$100,485,519.60</u>
Budget-Appropriation Difference	\$ -2,171,155.82

Our currently planned FY 2026 General Fund Budget Expenditures are \$77,095,000.00, well within the current approved appropriation.

The reporting formats mentioned earlier are designed to summarize data within several of the dimensions of the multi-dimensional OCAS and present detail in others. Our software allows me to develop an almost infinite variety of formats for reporting the same information. Reporting the entire budget in the highest possible detail would create a report requiring several cases of paper. Ultimate detail is only utilized to examine small segments of the whole picture.

EXPENDITURE REPORTING FORMATS

Columns in the following reports labeled Appr. are estimates of expenditures for the respective fiscal years shown, while columns labeled Enc. and Paid are expenses recorded up to the date of the report.

(For definitions of dimensions please refer to the photocopy of page E-1 of OCAS included in the following pages.)

EXECUTIVE SUMMARY BUDGET: This report format condenses all expenditure information into a summarized version of function and object dimensions. The Executive Summary Budget provides a four-page overview of all expenditures in a concise format that allows a quick comparison of FY2025 and FY2026 budget information. These features make this report format excellent for regular monitoring of our budget.

DETAILED BUDGET ANALYSIS: This report summarizes all estimated expenditures into the Project, Function, and Object dimensions, reports detailed information at the Project level, and summary information at the Function and Object dimension levels, and compares FY2025 and FY2026 budget information. The General Fund Detailed Budget Analysis is more than 55 pages in length and will not be presented at regular board meetings.

Project = what kind of money (i.e. Title I)
Function = activity performed (i.e. Instruction)
Object = services or goods purchased (i.e. Salaries)

ADDITIONAL REPORTS FOR FY 2026: Also included with both revenue and expenditure estimates are a three-year analysis of each, in summary form to assist in presenting a manageable overall picture. These will also not be presented at regular board meetings, but are produced as part of this official budget document.

You will receive monthly updates of the EXECUTIVE SUMMARY BUDGET, for each fund, included with treasurer's reports as our monthly financial report. Should you have any questions regarding these or any other reports provided by the Business Office please do not hesitate to call me at 366-7020 or e-mail - sjrobinson@enidk12.org)

The General Fund expenditure plan, proposed here, includes all accruals for known contracts, as well as best estimates for all other categories, based upon historical expenditures within these categories. Our projected fund balance, if we collect all projected revenue as shown in the proposed budget, will be **\$ 23,390,519.60.**

Sam Robinson, CFO

EXPENDITURE DIMENSIONS

FY	FUND	PROJECT REPORTING	FUNCTION	OBJECT	PROGRAM	SUBJECT	JOB CLASS	OPER UNIT
XX	XX	XXX	XXXX	XXX	XXX	XXXX	XXX	XXX

Definitions of Expenditure Dimensions

FY	Fiscal year of the fund involved. Example: FY 2024-2025.
FUND	A fiscal and accounting entity with a self-balancing set of accounts recording cash and other resources together with all related liabilities and residual equities or balances or changes therein. Examples: General, building, school activity, trust.
PROJECT REPORTING	The Project Reporting dimension permits LEAs to accumulate expenditures to meet a variety of specialized management and reporting requirements, regardless of whether the programs receive district, state, federal, or multisource funding. Expenditures may be accumulated under individual projects with the flexibility of accommodating additional projects which LEAs might wish to account for on a permanent or temporary basis. Examples: Summer school program, child nutrition program, vocational program.
FUNCTION	Describes the activity being performed for which a service or material object is acquired. Examples: Instruction, counseling services, library services, operation of building services, and supervision of child nutrition programs operation.
OBJECT	Describes the service or goods obtained. Examples: Salaries, staff travel, electricity, books.
PROGRAM	A plan of activities and procedures designed to accomplish a predetermined objective. Examples: Regular programs, special programs, vocational programs, special students.
SUBJECT	Describes a group of related subjects, allows accumulation of costs in particular subject areas. Examples: Art, business, mathematics, music.
JOB CLASSIFICATION	Used to classify expenditures for salaries and employee benefits by employee's job. Examples: Elementary nonteaching principal, senior high teacher, regular or substitute bus driver.
OPERATIONAL UNIT	Used to identify the accredited instructional site according to grade span or the non-accredited/non-instructional site at which personnel serve the entire district. The Accreditation Section of the State Department of Education must assign all site codes. A district may request the use of specific site codes, but will be authorized to use the code only after verification that the code is within the proper range and does not conflict with any codes previously assigned to the district.

All Other Services	\$144,460.08	0.2%	\$225,208.50	0.3%	\$200,000.00	0.3%
EXPENDITURE TOTALS	\$79,524,682.81	100%	\$77,543,089.16	100%	\$77,095,000.00	100%

Total Instruction - includes all direct classroom instructional expenses

Supp Svcs - Students - includes counseling, testing and student activities expenses

Supp Svcs - Instructional Staff - includes libraries, curriculum development and professional development for instructional staff

Supp Svcs - General Adm. - includes the Board of Education, superintendent and legal expenses

Supp Svcs - School Admin. - includes building level instructional leadership (principals)

Central Services - includes the business office, payroll, purchasing and distributing supplies, public information, professional development for noninstructional staff, personnel office

Operation and Maintenance of Plant - includes custodians, maintenance & utility costs

Student Transportation Svcs - includes all costs connected with transporting students

Supp Svcs - Central - includes accreditation, research, recruiting and community relations costs

Child Nutrition Programs Oper - this is an essentially self supporting school breakfast & lunch program

Community Services Oper - This is EPS CARES employee daycare

Other - includes a wide variety of unrelated activities from debt service to parental support and required reserves for workers' compensation premiums

* Note: Most of this is contingency expenses that will be spread out over other expenditure classes (primarily 1000 series) as expenses can be accrued properly. i.e. workers' comp. premiums are distributed to the proper functions after all payrolls are run

GENERAL FUND
FISCAL YEAR 2026
EXECUTIVE SUMMARY BUDGET

A COMPARISON OF:

FISCAL YEAR 2024-2025, ACTIVITY July 1, 2024 – June 30, 2025

AND

FISCAL YEAR 2025-2026, ACTIVITY July 1, 2025 – November 01, 2026

FY 2026

INTRODUCTION

FY 2026

BUILDING FUND

The **Building Fund (21)**, sometimes referred to as the Constitutional Building Fund, exists primarily to receive and track revenue from the 5-mill ad valorem tax levy constitutionally dedicated specifically for building, equipping, operating and maintaining school facilities. As such this Fund can, in addition to the 5-mill building fund levy, also receive other revenues specifically dedicated for these same purposes.

The reporting format used for this fund is very similar to the ones used for the General Fund. I have shown a four-year historical collections comparison and the current year estimated and collected amounts.

An **Appropriation** is defined as a group of revenue sources either received or estimated that are certified and approved by the appropriate governing boards for the public entity. The appropriation governing boards for our district are the Board of Education, ISD # 57, Garfield County and the Garfield County Excise Board. Estimates for our primary appropriation (Estimate of Needs) are prepared by Patrick Carroll.

EXPENDITURE REPORTING FORMATS

Columns in the following reports labeled Appropriation Amount add up to the expenditure limits established by the appropriation process. Columns labeled Encumbered to Date represent the total of all orders, contracts or other obligations approved through the date of the report. The remaining columns are fairly self-explanatory.

EXECUTIVE SUMMARY BUDGET: This report format condenses all expenditure information into a summarized version of function and object dimensions. The Executive Summary Budget provides a very brief overview of all expenditures in a concise format that allows a quick look at how we are spending these resources. These features make this report format excellent for regular monitoring of our budget.

Project = what kind of money (i.e. Title I)
Function = activity performed (i.e. Instruction)
Object = services or goods purchased (i.e. Salaries)

You will receive monthly updates of the EXECUTIVE SUMMARY BUDGET, for each fund, included with treasurer's reports as our monthly financial report. Should you have any questions regarding these or any other reports provided by the Business Office please do not hesitate to call me at 366-7020 or e-mail - sjrobinson@enidk12.org)

Municipal Tax Levy Fund

25

FY 2026

INTRODUCTION

FY 2026

MUNICIPAL TAX LEVY FUND

Enid is one of only a few communities in Oklahoma that developed a partnership between the school district and city government to benefit both the school district and the community through the provision of financial capital to invest in the school's physical plant. The citizens of Enid approved a quarter cent sales tax for this purpose in 2003 and the City of Enid's Finance Authority sold Revenue Bonds giving the proceeds to the school district for expansion and renovation of Enid High School. These bonds were retired with the sales tax collections. Enid's economy had been strong enough that sales tax collections exceeded the amounts required for bond payments. The **Municipal Tax Levy Fund** was created in accordance with state statutes and the Oklahoma Cost Accounting System rules to receive the excess sales tax revenue collected by the City of Enid above the amounts required to retire the Revenue Bonds sold by the city finance authority to fund the addition and remodeling of Enid High School.

EPS received these excess collections for several years and those receipts added a million or more dollars to this fund each year for several years. According to the Sales Tax Agreement between the City of Enid and the Enid Municipal Authority (that issued the revenue bonds) we continued to receive these excess sales tax receipts through March of 2018. This fund operates as a cash fund in that no obligations are made based upon anticipated revenue with both appropriations and expenditures limited by actual collections in hand.

An **Appropriation** is defined as a group of revenue sources either received or estimated that are certified and approved by the statutory governing boards for the public entity. The appropriation governing boards for our district are the Board of Education, ISD # 57, Garfield County and the Garfield County Excise Board. Our primary appropriation (Estimate of Needs) is prepared by Patrick Carroll and includes, for this fund, only collections already received.

State law requires that funds must be appropriated before they are expended. We are accumulating these collections in order to assist with the capital improvement needs of our district.

The expenditure reporting formats used for this fund are very similar to the ones used for the General and Building Funds.

EXPENDITURE REPORTING FORMAT

Columns in the following reports labeled Appropriation Amount add up to the expenditure limits established by the appropriation process. Columns labeled Encumbered to Date represent the total of all orders, contracts or other obligations approved through the date of the report. The remaining columns are fairly self-explanatory.

(For definitions of OCAS dimensions please refer to the photocopy of page E-1 of OCAS located on page 27 of the General Fund expenditure introduction section—the Gen. Fund Exec. Sum. tab)

EXECUTIVE SUMMARY BUDGET: This report format condenses all expenditure information into a summarized version of function and object dimensions. The Executive Summary Budget provides a very brief overview of all expenditures in a concise format that allows a quick look at how we are spending these resources. These features make this report format excellent for regular monitoring of our budget.

Function = activity performed (i.e. Instruction)
Object = services or goods purchased(i.e. Salaries)

You will receive monthly updates of the EXECUTIVE SUMMARY BUDGET, for each fund, included with treasurer's reports as our monthly financial report. Should you have any questions regarding these or any other reports provided by the Business Office please do not hesitate to call me at 366-7020 or e-mail - sjrobinson@enidk12.org)

A handwritten signature in blue ink, appearing to read 'S R.', is positioned above the typed name.

Sam Robinson, CFO

FY 2026

INTRODUCTION

FY 2026

BOND FUNDS

We currently operate five bond funds (detailed below), authorized by 2010, 2016, and 2024 bond elections.

Our citizens approved, in 2010, the issuance of approximately \$99 million of general obligation bonds and a relatively new concept in financing school facility construction and renovation. This financing method is commonly referred to as the **revenue lease bond approach** and provides far more construction funds in a relatively short construction window, rather than spreading construction out over a long period of time as school district series bonds are sold. The revenue lease bond financing method was designed to overcome the facts that (a) school districts can have outstanding debt of no more than 10% of their net assessed valuation in construction bonds at any time and (b) the construction costs for major school construction or renovation projects frequently exceed this 10% limit. In the revenue lease bond financing method, the school district issues a series of bonds over a period of years but instead of building or renovating the facilities over a long period of time (as series bonds are sold and funds become available) we work with a local governmental financing authority that issues revenue bonds to do the construction (in a reasonably short construction window) and we repay the authority, through a lease purchase agreement, with our bonds as they are sold. The series of general obligation bonds the district issues becomes the lease purchase payments (**tracked in Bond Fund 38**) back to the authority that financed the construction with revenue bonds. The Garfield County Commissioners formed the Garfield County Education Facilities Authority to issue the revenue bonds that financed a large portion of our comprehensive facilities plan.

Our citizens again approved, in 2016, the issuance of approximately \$92 million of additional general obligation bonds in series to repay the Garfield County Education Facilities Authority for revenue bond funds they provided to finance our 2016 Revenue – Lease bond improvements, including the new Enid High School Competition Gymnasium and Performing Arts Center now under construction. The proceeds from the successive annual sale of 2016 G.O. bonds will be tracked in **Bond Fund 39**.

In 2024 EPS taxpayer approved a nine-year series issuance of \$1.2 million annually in General Obligation Bonds. \$300,000 for Transportation, \$200,000 for school safety, and \$700,000 for Student One to One Devices

All bond proceeds are placed into one of two Bond Funds (accounting entities) based upon either the purpose for which the bonds were approved (2010 or 2016 Bond Election).

Fund Description		Source of Funding
2016 Combined Purpose Bond Fund	(31)	2016 EPS G.O. Building Bonds
2024 Transportation Bond Fund	(34)	2024 EPS G.O. Bonds
2024 One to One & Security Bond Fund	(35)	2024 EPS G.O. Building Bonds
2010 G.O. Rev-Lease Pmt Bond Fund	(38)	2010 EPS G.O. Lease Payment Bonds
2016G.O. Rev-Lease Pmt Bond Fund	(39)	2016 EPS G.O. Lease Payment Bonds

The figures shown in the following reports are based upon revenue received and **Appropriations**, for the current fiscal year, made by the Estimate of Needs, rather than a projection of anticipated collections. These funds operate as cash funds in that no obligations are made based upon anticipated revenue with both appropriations and expenditures limited by actual collections in hand.

An **Appropriation** is defined as a group of revenue sources either received or estimated that are certified and approved by the statutory governing boards for the public entity. The appropriation governing boards for our district are the Board of Education, ISD # 57, Garfield County and the Garfield County Excise Board. Our primary appropriation (Estimate of Needs) is prepared by Patrick Carroll and includes, for these funds, only collections already received.

The reporting formats used for this fund are very similar to the ones used for the General and Building Funds. Appropriation amounts shown in the following reports are a combination of prior year's unobligated balances, interest earned and bond proceeds that were received and appropriated since July 1, 2016.

EXPENDITURE REPORTING FORMATS

Columns in the following reports labeled Appropriation Amount add up to the expenditure limits established by the appropriation process. Columns labeled Encumbered to Date represent the total of all orders, contracts or other obligations approved through the date of the report. The remaining columns are fairly self-explanatory.

EXECUTIVE SUMMARY BUDGET: This report format condenses all expenditure information into a summarized version of function and object dimensions. The Executive Summary Budget provides a very brief overview of all expenditures in a concise format that allows a quick look at how we are spending these resources. These features make this report format excellent for regular monitoring of our budget.

DETAILED BUDGET ANALYSIS: This report summarizes all estimated expenditures into the Project, Function, and Object dimensions, reports detailed information at the Project level, and summary information at the Function and Object dimension levels. This report is several pages longer and will not be presented at regular board meetings.

- Project = what kind of money (i.e. Title I)
- Function = activity performed (i.e. Instruction)
- Object = services or goods purchased(i.e. Salaries)

You will receive monthly updates of the EXECUTIVE SUMMARY BUDGET, for each fund, included with treasurer's reports as our monthly financial report. Should you have any questions regarding these or any other reports provided by the Business Office please do not hesitate to call me at 366-7020 or e-mail - sjrobinson@enidk12.org)

Sinking Fund

41

FY 2026

INTRODUCTION

FY 2026

SINKING FUND

The **Sinking Fund (41)**, sometimes referred to as the Debt Service Fund, exists only to receive revenue from the ad valorem tax levy dedicated specifically for retiring the district's debt in the form of General Obligation (G.O.) bonds and interest on those bonds. It is not an appropriated fund and expenditures from this fund are made by direct payments from the school district's treasurer, without purchase orders or encumbrances, to the bond paying agent (a financial institution that transmits payments to the bond investors). Bonds are authorized by school district voters, then issued and sold to investors who earn interest on them.

The repayment schedule for the District's general obligation bonds determines the size of the annual sinking fund levy. This millage levy must generate enough revenue to cover all principal and interest payments to be issued during the fiscal year. The millage may be reduced slightly by any excess receipts left at the end of the yearly payment cycle from the previous fiscal year. The required millage can also be affected by changes in the total assessed valuation of the property within the district. Our target sinking fund millage levy after the authorization of the 2016 series of G.O. bonds is 28.5 mills. However, fluctuations in the total assessed valuation of property within the district mean that this year 32.51 mills will need to be levied to make this year's sinking fund payments.

The following pages are schedules of the debt repayments with highlighting to emphasize the payments due for this fiscal year.

You will receive monthly updates of the EXECUTIVE SUMMARY BUDGET, for each fund, included with treasurer's reports as our monthly financial report. Should you have any questions regarding these or any other reports provided by the Business Office please do not hesitate to call me at 366-7020 or e-mail - sjrobinson@enidk12.org)

Endowment Fund

50

FY 2026

INTRODUCTION

FY 2026

ENDOWMENT FUND

The Enid Board of Education acts as trustee for several permanent endowments entrusted to the school district for the purpose of funding various scholarships to be awarded to Enid High School graduating seniors. The individual perpetual trust endowments vary in size from a little over \$14,000 to nearly \$232,000 and are permanent endowments whose principal is not spent but rather invested to produce income to fund the scholarship awards.

The figures shown in the following reports are based upon revenue available and **Appropriations** made by the Estimate of Needs, rather than a projection of anticipated collections. This fund operates as a cash fund in that no obligations are made based upon anticipated revenue with both appropriations and expenditures limited by actual collections in hand.

An **Appropriation** is defined as a group of revenue sources either received or estimated that are certified and approved by the statutory governing boards for the public entity. The appropriation governing boards for our district are the Board of Education, ISD # 57, Garfield County and the Garfield County Excise Board. Our primary appropriation (Estimate of Needs) is prepared by Patrick Carroll and includes, for this fund, only collections already received. Of course, due to the trust arrangements, we actually spend only the interest earnings from the investment of these endowments rather than the full appropriation amounts.

State law requires that funds must be appropriated before they are expended.

The reporting formats used for this fund are very similar to the ones used for the General and Building Funds. Appropriation amounts shown in the following reports are a combination of prior year's unobligated balances and investment proceeds that were received since May 2025.

EXPENDITURE REPORTING FORMATS

Columns in the following reports labeled Appropriation Amount add up to the expenditure limits established by the appropriation process. Columns labeled Encumbered to Date represent the total of all orders, contracts or other obligations approved through the date of the report. The remaining columns are fairly self-explanatory.

(For definitions of OCAS dimensions please refer to the photocopy of page E-3 of OCAS located on page 27 of the General Fund expenditures section—the Gen. Fund Exec. Sum. Tab)

EXECUTIVE SUMMARY BUDGET: This report format condenses all expenditure information into a summarized version of function and object dimensions. The Executive Summary Budget provides a very brief overview of all expenditures in a concise format that allows a quick look at how we are spending these resources. These features make this report format excellent for regular monitoring of our budget.

DETAILED BUDGET ANALYSIS: This report summarizes all estimated expenditures into the Project, Function, and Object dimensions, reports detailed information at the Project level, and summary information at the Function and Object dimension levels. This report is several pages longer and will not be presented at regular board meetings.

Project = what kind of money (i.e. The individual trust endowment)
Function = activity performed (i.e. Instruction)
Object = services or goods purchased(i.e. Salaries)

You will receive monthly updates of the EXECUTIVE SUMMARY BUDGET, for each fund, included with treasurer's reports as our monthly financial report. Should you have any questions regarding these or any other reports provided by the Business Office please do not hesitate to call me at 366-7020 or e-mail - sjrobinson@enidk12.org)

A handwritten signature in blue ink, appearing to read "S R.", is positioned above the typed name.

\$35,345,662.61

FY26 Projected Revenue 11/01	\$100,485,519.60
FY26 Projected Expenditures	\$77,095,000.00
FY25 Revenue	\$102,978,217.49
FY25 Expenditures	\$77,543,089.16
FY25 Carryover + (FY24 Reserves)	\$25,435,519.60
Projected FY26 Carryover	\$23,390,519.60
Decrease to Carryover Funds FY26 Projected	-\$2,045,000.00

Impact for FY25 Budget and Beyond

The cost of doing business for the school district continues to increase. New interactive boards need to be purchased, \$225,000. Spending will need to continue to be reduced as we are looking at reduced student enrollment numbers. Expenditures need to stabilize somewhere between \$74,000,000 and \$76,500,000 for all expenditures to stabilize the budget for the longterm.

Key Factors for funding and budget stabilization

1. Staffing evaluation for reduced student WADM. Evaluate every open position for need.
2. Begin a reduction in one time expenditures and take care of most needed improvements within FY26.

Exhibit "A"

Approve hiring the following personnel:

A. Recommend Approval to Hire-Certified Temporary Pending Certification Contract (1st Year Temporary) (2025-2026 School Year):

Adina Blackwell, Elementary

B. Recommend Approval to Hire – Support Contract:

Anthony Clardy, Bus driver
Laura Cynor, Food Tech Secondar
Mia Dunlap, ISP
Hannah Ivey, Teacher Assistant, Sped
Rose Jimenez, Food Service Elementary
Griselda Medina-Munoz, Food Tech
Luke Murray, Cafeteria Monitor
Kian Ogg, Crossing Guard
Hannah Stewart, Transitional TA- Para Fed
Juanita Sutton, Bus Driver
Arianna Turner, Teacher Assistant, Sped

Notification of Reassignments, Retirements and/or Resignations as Approved by the Superintendent:

A. Resignation -Certified

Neva Treptau, Elementary Music

B. Resignations – Support:

Misty Best, Teacher Assistant Sped
Michelle Castor-Career Quest Coach
Berenice Hernandez-Rubalcava, Food Tech
Margaret Koffskey- Paraprofessional
Mariana Rodriguez, Food Tech
Joan Parker-ISP
Kari Stuer-Paraprofessional
Christina Walker, Paraprofessional
