Hi Robb-
Thanks for the time yesterday!

Attached is the base Teams Route Elite Package, we discussed yesterday. I've attached a proposal for standard package and just a one year engagement. If you want to look at a bit better pricing we can look at a 3 year deal at \$6,500 per year if you want to go that route).

Additionally some of the schools I'm working with and advising are really trying to double down on the training aspect of this engagement especially focusing on training businesses and sponsors in your community. Below is just an alternative larger option to consider too if you wanted to look at a bigger engagement.

Alternative proposal:

Phase 1 Recommendation (March-June 2026): I really believe you need at least four training sessions (2 sessions for Coaches & Staff, and 2 session for parents and student-athletes) I normally do each session for \$1,250 (see below as part of the Teams Route packages). Potential Total Phase 1 Cost: \$5,000

Phase 2 Recommendation (July 2026-June 2027): I would take a combination of my Teams Route and Teams Route Elite package and have 4 trainings, branded marketplace, newsletter for all athletes, coaches and parents. Total Phase 2 Cost: \$10,000.00 (this we could also make multi-year if you wish and look at discounts for multi-year as well).

Lots of flexibility here for sure. Below are links and high level overviews of each of the packages I'm trying to bundle together based on what you guys are trying to accomplish. If you see something missing or if you want to adjust something, please do let me know.

We are pleased to provide our bid and confirm our understanding of the services we are to provide for Enid Public School District (the District) for the year ended June 30, 2026.

Audit Scope and Objectives

We will audit the financial statements on a regulatory basis of the governmental activities and disclosures, which collectively comprise the basic financial statements of the District as of and for the year ended June 30, 2026. We understand the financial statements will be presented in accordance with a financial reporting model, and prepared using a regulatory basis of accounting, as prescribed by the Oklahoma State Department of Education audit guide format #3. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI) to supplement the District's basic financial statements. Such information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. However, because the District's financial statements are presented in a regulatory format, no RSI is presented.

We have also been engaged to report on supplementary information other than RSI, to include, but not limited to the combining financial statements and the schedule of expenditures of federal awards, which accompany the financial statements. We will subject the supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in our auditor's report on the financial statements.

-Schedule of Expenditures of Federal Awards

-District's Corrective Action Plan (if required)

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects,

in conformity with the prescribed regulatory basis and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

If federal expenditures exceed \$1,000,000 the objectives also include reporting on:

- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; if federal expenditures exceed \$1,000,000, the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the school district or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or

misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit(if required). Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the school district's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories (when applicable) and direct confirmation of receivables (when applicable) and certain assets and liabilities by correspondence with selected funding sources, creditors, and financial institutions. We will also request written representations from your attorneys, when applicable, as part of the engagement.

Audit Procedures—Internal Control

We will obtain an understanding of the school district and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

If federal expenditures exceed \$1,000,000, as required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those

Dr. Sam Robinson
Chief Financial Officer
Enid Public Schools

procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

If federal expenditures exceed \$1,000,000, Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the District's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the District's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the District in conformity with the regulatory basis of accounting and the Uniform Guidance based on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the estimate of needs, financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the estimate of needs, financial statements, schedule of expenditures of federal awards, related notes, and any other non-audit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the estimate of needs, financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the estimate of needs, financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the non-audit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

We will also perform the following services which will not be subjected to any auditing procedures applied in our audit, and for which our auditor's report will not provide an opinion or any assurance.

- State Auditor and Inspector's filing fee for the 25-26 audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring

ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with the regulatory basis of accounting, and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for programming compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and if federal expenditures exceed \$1,000,000, other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the estimate of needs; financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by GAAS and Governmental Audit Standards.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the school district involving (1) management, (2) employees who have significant roles in internal control, and (3) others where fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the school district received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the school district complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report.

Additionally, if federal expenditures exceed \$1,000,000, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review.

Dr. Sam Robinson
Chief Financial Officer
Enid Public Schools

You are responsible for the preparation supplementary information, which we have been engaged to report on, in conformity with the regulatory basis of accounting, as prescribed by the Oklahoma State Department of Education. If federal expenditures exceed \$1,000,000, you are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with a financial reporting model, and prepared using a regulatory basis of accounting as prescribed by the Oklahoma State Department of Education. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to [include the audited financial statements with any presentation of the supplementary information that includes our report thereon OR make the audited financial statements readily available to users of supplementary information no later than the date the supplementary information is issued with our report thereon]. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with regulatory basis of accounting as prescribed by the Oklahoma State Department of Education; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with regulatory basis of accounting as prescribed by the Oklahoma State Department of Education; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

If federal expenditure exceeds \$1,000,000, at the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarize our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the school district; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of S&B CPAs & Associates, PLLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to Oklahoma State Department of Education or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of S&B CPAs & Associates, PLLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Oklahoma State Department of Education, U.S. Department of Education and Office of Management and Budget. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed **\$13,000**. If federal expenditure exceeds \$1,000,000 and thus a single audit is required, there will be an additional **\$4,000** fee. Our standard hourly rates vary according to the degree of responsibility involved and the level of experience of the personnel assigned to your audit. Our invoices for these fees will be rendered as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter, and our fees will be adjusted accordingly.

Reporting

We will issue written reports upon completion of our Audit or if required Single Audit. Our reports will be addressed to the Governing Board of the District. Circumstances may arise in which our report may differ

Dr. Sam Robinson
Chief Financial Officer
Enid Public Schools

from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to the District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Sincerely,

S&B CPAs & Associates, PLLC

(b) Covenant. Recipient hereby agrees that during the Term and at all times thereafter it shall not use, commercialize, or disclose such Confidential & Proprietary Information of the Discloser to any person or entity, except to its own employees and agents having a "need to know" (and who themselves are bound by similar nondisclosure restrictions), and to such other recipients as the Discloser may approve in writing; provided that all such recipients shall have first executed a confidentiality agreement in a form acceptable to Discloser. (c) Injunctive Relief. Recipient acknowledges that violation of the provisions of this Section would cause irreparable harm to Discloser not adequately compensable by monetary damages. In addition to other relief, it is agreed that injunctive relief shall be available without necessity of posting bond to prevent any actual or threatened violation of such provisions.

- 11. Notices. Notices sent to either Party shall be effective when delivered in person or transmitted electronically, one (1) day after being sent by overnight courier, two (2) days after being sent by first class mail postage prepaid to a physical address provided by the Customer, or five (5) days after being sent by email from SylogistEd, Inc. to the address in the Customer account. A copy of this Agreement and notices generated in good form shall be treated as "original" documents admissible into evidence unless a document's authenticity is genuinely placed in question.
- 12. Survival. Termination shall have no effect on the Parties' rights or obligations under Section 8 ("Privacy and Personal Information"); Section 10 ("Confidential & Proprietary Information"), Section 13 ("Independent Contractor Status"), any payment obligations or any provision which by its nature should survive.
- 13. Independent Contractor Status. Each Party and its employees and agents are independent contractors in relation to the other Party with respect to all matters arising under this Agreement. Nothing herein shall be deemed to establish a partnership, joint venture, association, or employment relationship between the Parties. Each Party shall remain responsible and shall, as allowed by Oklahoma constitution or law, indemnify and hold harmless the other Party, for the withholding and payment of all federal, state and local personal income, wage, earnings, occupation, social security, worker's compensation, unemployment, sickness and disability insurance taxes, payroll levies, or employee benefit requirements now existing or hereafter enacted and attributable to themselves and their respective people.
- 14. Miscellaneous. This document and the documents incorporated herein constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all other communications, whether written or oral. SylogistEd, Inc. reserves all rights not specifically granted herein. Neither Party shall be liable for delays caused by events beyond its reasonable control, except non-payment of amounts due hereunder shall not be excused by this provision. Any provision hereof found by a tribunal of competent jurisdiction to be illegal or unenforceable shall be automatically conformed to the minimum requirements of law and all other provisions shall remain in full force and effect. Waiver of any provision hereof in one instance shall not preclude enforcement thereof on future occasions.

MANAGEMENT EMPLOYMENT SERVICE AGREEMENT

This Management Employment Service Agreement is made this 18 day of MAY, 2026, by and between Enid Public Schools (hereafter, "School") and Oklahoma State School Boards Association Employment Services Program (hereafter, "OSSBA").

The Board of Education of the School has voted to join the OSSBA Employment Services Program for the 2026-2027 school year and agrees to pay OSSBA an administrative fee in the amount equal to \$6.50 per employee.

Payment: During the term of this Service Agreement, *at the beginning of each calendar quarter, OSSBA will issue an invoice* to the School for an amount equal to a quarter of the total annual administrative fee. Upon receipt, the School shall pay the full amount invoiced. OSSBA records indicate 1058 school employees, for a total annual administrative fee of \$6,877.00.

Administrative Fee Invoicing: OSSBA will invoice your district quarterly (four times per year) for the administrative fee. Each invoice will be for one quarter of your annual fee (\$6.50 per employee ÷ 4 quarters). The School is responsible for paying these invoices to OSSBA, separate from any payments owed to the Oklahoma Employment Security Commission (OESC). If you have questions about these invoices, please contact the OSSBA Chief Financial Officer.

Services Provided: The administrative fee will be paid in exchange for employment related services provided by OSSBA, including but not limited to:

- 1) Providing complete legal representation by an Oklahoma licensed attorney in all aspects of the unemployment claims process before the Oklahoma Employment Security Commission (hereafter 'OESC'). This representation is limited to claims and administrative hearings directly with the OESC and DOES NOT include representation in judicial reviews or court proceedings. See 'Scope of Legal Representation' section below;
- 2) Auditing the payment of all unemployment claims to ensure the minimum is paid and any overpayments are recovered;
- 3) Providing quarterly reports of unemployment claims and amounts paid by the OESC to Claimants on the School's behalf;
- 4) Providing up-to-date Legislative and Administrative Law Updates to keep the School informed of changes that affect unemployment claims and costs; and
- 5) Providing opportunities for employment training and information.

Scope of Legal Representation: The legal representation provided by OSSBA under this Agreement is limited to claims adjudication and administrative hearings conducted by the Oklahoma Employment Security Commission (OESC). This includes representation in protests of claims, appeals before OESC hearing officers, and related administrative proceedings.

The current membership fee DOES NOT include representation in any judicial review proceedings, appeals to the Oklahoma Court of Appeals, or any other court proceedings. The School is responsible for determining whether additional legal representation is needed for such matters.

The School may discuss with OSSBA the availability and cost of representation beyond the scope of this Agreement on a case-by-case basis, but any such representation would require a separate agreement and additional fee. All requests for representation outside the scope of this Agreement must be submitted in writing to the OSSBA Employment Services Program Director for consideration and approval.

Information Access: The School will grant to OSSBA Third Party Administrator (TPA) access rights to the School's EZ Tax Express Account administered by the Oklahoma Employment Security Commission (OESC) in order for OSSBA to appropriately administer School's unemployment claims and assist with financial accounting and quarterly contribution reporting. Further, the School agrees to provide OSSBA with access to other information systems administered by the OESC if access is deemed necessary to process unemployment claims on School's behalf.

Contact Information: The School shall designate contact personnel for OSSBA Employment Services Program administration. The persons named below will be responsible for providing information to OSSBA regarding unemployment claims and will receive copies of OSSBA correspondence.

terms of the Bond Documents by reason of any default or delay in payment of sums due thereunder, but only if such delay or default results from the default or breach by Sublessee of the terms, conditions and covenants of this Sublease;

(iii) Any sums expended by the Sublessor or Trustee to insure the Premises and Improvements on Sublessee's failure to maintain insurance in accordance with this Sublease or to otherwise cure any defaults by Sublessee under the Sublease;

(iv) The sum of 1/10 of 1% of the amount of the outstanding principal on the Bonds as of each annual anniversary date of this Sublease to defray the administrative costs, and additionally the sum of any pro rata audit costs of Sublessor attributable to the Project, and in addition, the sum of any rebate calculation, rebate determination or rebate payment costs or opinions attributable to the Project, and any fees and expenses, including those incurred by federal and state investigations, examination, or audits of Sublessor attributable to the Project, which payments may be made from interest income derived from accounts or funds created pursuant to the Indenture or from other funds of the Sublessee; and

(v) The sum of the fees and expenses of Trustee as compensation for its services under the Bond Documents, based on a statement for such fees and expenses submitted from time to time by the Trustee to Sublessee, with a copy to Sublessor.

(c) Lease Purchase Acquisition Payments. Sublessee shall pay from its bond fund or other legally available funds to Sublessor the Lease Purchase Acquisition Payments representing the Purchase Price (the "Lease Purchase Acquisition Payments") in accordance with the "Schedule of Lease Purchase Acquisition Payments for Improvements" attached hereto as Exhibit "C" and incorporated herein for all purposes. Prior to Sublessee's payment of the Lease Purchase Acquisition Payments for Improvements, legal title to all Improvements shall be vested in Sublessor. The Improvements are and shall at all times be and remain personal property notwithstanding that the Improvements or any part thereof may be or hereafter become in any manner affixed or attached to or embedded in or permanently rested upon real property or any building thereon or attached in any manner to what is permanent by means of cement, plaster, nails, bolts, screws or otherwise. Upon Sublessee's payment of the Lease Purchase Acquisition Payments, legal title to the Improvements corresponding to a Lease Purchase Acquisition Payment as described on the Schedule of Lease Purchase Acquisition Payments for Improvements shall automatically vest in Sublessee free of the Security Interests, but subject to the remaining Permitted Encumbrances (i), (iii), (v) and (vi). To the extent that legal title to the Improvements does not automatically vest in the Sublessee upon payment of the Lease Purchase Acquisition Payments, within a reasonable period of time after the payment of the Lease Purchase Acquisition Payments by Sublessee, Sublessor agrees to execute and deliver to the Sublessee a deed or bill of sale attached hereto as Exhibit "G" and incorporated herein for all purposes, as appropriate, to convey legal title to the Improvements to the Sublessee. Sublessor further agrees to obtain and deliver to Sublessee within a reasonable period of time after the payment of the Lease Purchase Acquisition Payments by Sublessee a release(s) of the Security

Interests in the Improvements attached hereto as Exhibit "H" and incorporated herein for all purposes, as appropriate, then vested in Sublessee.

(d) Prepayment Option. Throughout the Term of this Sublease, Sublessee shall have the right and option to acquire title to all of the Improvements, free and clear of the Security Interests, and to terminate this Sublease and the Ground Lease on payment in full of all Sublessee's obligations pursuant to Section 3 hereunder and Issuer's payment or provision for payment in full of all indebtedness due under the Bond Documents including the principal balance then outstanding on the Bonds, plus all interest accrued or to accrue on such indebtedness through the date of payment of such indebtedness, whether at stated maturity or upon prior redemption, and all other sums due in accordance with the terms of the Indenture. To exercise its right to prepay its obligations hereunder as provided in this Section 3(d), Sublessee shall deliver to the Sublessor and to the Trustee sixty (60) days prior written notice in accordance with Section 20 hereof and Sublessor shall comply with all requirements for the redemption of the Bonds as provided in the Indenture and as required by the Trustee. All sums due from Sublessee under this Sublease and Sublessee's obligation to pay the same shall not be subject to abatement, deduction, set-off or counterclaim and shall be absolute and unconditional in all events.

SECTION 4. Construction of Improvements.

(a) Construction. On the execution of this Sublease, Sublessee shall promptly commence and complete or cause the completion of the construction, furnishing and equipping of the Improvements in accordance with the "Plans and Specifications for Improvements and Schedule for Completion" as may be prepared at the direction of Sublessee, said Plans and Specifications being incorporated herein for all purposes (the "Plans") and with any requirements in the Indenture. Sublessee shall pursue completion of construction of the Improvements with diligence and without cessation of work and shall complete the construction of the Improvements in accordance with the schedule set forth in the Plans, unless delayed by reason of the occurrence of a Force Majeure event as described in Section 22(r).

(b) Additional Construction Requirements. The Improvements shall be constructed in a good and workmanlike manner using good grades of materials and an appropriately skilled work force and in accordance with all applicable local, state and Federal legal requirements. Sublessee shall promptly pay for all materials and Personal Property incorporated into or to be used in connection with the Improvements and for related labor costs of all contractors and subcontractors and keep the Premises and Improvements free of Liens in accordance with Section 10 hereof. During the course of the construction, Sublessee shall maintain insurance in accordance with Section 7 hereof and provide appropriate security for the job site to avoid damages to or the destruction of the Improvements or personal injury claims arising from the construction of the Improvements. Sublessee shall not materially modify the Plans or construct or cause the constructions of the Improvements except substantially in accordance with the Plans without the prior written consent of the Sublessor and the Trustee.

(i) Progress reports describing the progress of the construction of the Improvements and any problems which could affect the costs or timely completion of the Improvements in accordance with the Plans;

(ii) Copies of invoices verifying the costs of the construction of the Improvements;

(iii) Waivers or releases of mechanics' and materialmen's liens from contractors, subcontractors or suppliers who provide labor or materials for the construction of the Improvements;

(iv) Affidavits of commencement or completion of the Improvements and the payment of all costs in connection with the Improvements; or

(v) As-built plans or surveys on the completion of the construction of the Improvements.

SECTION 5. Maintenance and Operating Expenses.

(a) Maintenance. The Sublessee shall, at its sole cost and expense, maintain, repair and keep in good condition all of the Premises and Improvements during the Term of this Sublease, ordinary wear and tear excepted. Sublessee shall, at its sole cost and expense, promptly make any and all repairs, ordinary or extraordinary, foreseen or unforeseen, to the Premises and Improvements as are necessary to maintain the same in good order and repair. On the expiration or earlier termination of this Sublease, Sublessee shall surrender the Premises and Improvements to Sublessor in good condition, ordinary wear and tear excepted, and free and clear of any claims of creditors of Sublessee. On execution of this Sublease, the Sublessee accepts the Premises in its current condition, "as is" and "with all faults."

(b) Operating Expenses. At all times during the Term of this Sublease, the Sublessee shall initiate, contract for, obtain and timely pay for all utilities for the Premises and Improvements including gas, electricity and telephone service. Sublessee shall also procure, or cause to be procured, at its sole cost and expense, any and all necessary permits, licenses or other authorizations required for the lawful and proper installation and maintenance on the Premises of

wires, cables, pipes, conduits, tubes, fiber optics and other equipment and appliances for use in supplying any such utility service to the Improvements on the Premises.

SECTION 6. Taxes and Assessments.

(a) Payment. During the Term of this Sublease, Sublessee shall be required to operate and maintain the Premises and Improvements only as a public educational facility, and therefore it is anticipated that the Leasehold Estate of Sublessee created by this Sublease will be exempt from ad valorem property taxes. Nothing contained in this Sublease is intended to change the degree to which the interest or estate of Sublessee created in this Sublease is subject to ad valorem property taxes (the "Taxes"); provided, however, to the extent assessed and to the extent permitted by law, Sublessee shall bear and pay to the public officer charged with the collection thereof, before the same shall become delinquent.

(b) Contest. If the imposition of any Taxes shall be deemed by Sublessee or Sublessor to be improper, illegal, or excessive, Sublessee may, in its own name, dispute and contest the same and, in such event and to the extent permitted by law, any such Taxes need not be paid until adjudged to be valid; provided, however, Sublessee shall first notify Sublessor in writing of such dispute and contest and shall comply with the requirements of the Bond Documents and related documents concerning the contest of taxes. Unless so contested, any Taxes shall be paid by Sublessee within the time provided by law, and if contested, any such Taxes shall be paid before the imposition of a lien on the Premises and Improvements with respect thereto. If Sublessor elects to dispute or contest the imposition of any Taxes in its own name, Sublessee agrees to assist Sublessor in such dispute or contest; provided, however, Sublessee shall solely determine the extent and manner of such assistance.

SECTION 7. Insurance.

(a) Required Coverage. At all times during the Term of this Sublease, Sublessee will provide and keep in force the following insurance, unless self-insured and to the extent permitted by applicable law at its sole cost and expense, (i) fire and extended coverage insurance to the full insurable value thereof for any damages to the Premises and Improvements; (ii) liability insurance for liability for property damages and personal injuries in any way related to the Premises, Improvements, or Real Property, and (iii) construction liability insurance at all times when demolition, excavation or construction work is in progress on the Premises and Improvements and any other forms of insurance required by the Indenture. To the extent permitted by applicable law, all required insurance policies must name the Sublessee, the Sublessor and the Trustee as named insured, be issued by one or more insurance companies duly authorized or admitted to transact business in Oklahoma and approved by Sublessor and the Trustee, provide coverage in amounts approved by Sublessor and the Trustee and have waiver of subrogation provisions acceptable to Sublessor and the Trustee. Insurance shall be maintained with carriers rated at least "A" by A.M. Best.

If Sublessee fails to keep insurance in full force, Sublessor may, at its option, take out or pay the premiums on the insurance needed to fulfill Sublessee's obligations. On Sublessor's demand, Sublessee must reimburse Sublessor the full amount of any insurance premiums paid by Sublessor.

(c) Subordination to Bond Documents. Notwithstanding any provision contained herein to the contrary, the provisions of the Bond Documents and, specifically, Section 3.06 of the Indenture shall control in all respects the receipt, handling and application of any and all insurance proceeds, it being acknowledged and agreed that the Trustee shall have a first and prior security interest therein and will determine whether any insurance proceeds will be applied to redeem Bonds in accordance with Section 3.06 of the Indenture or will be otherwise applied.

SECTION 8. Representations and Covenants.

(a) Quiet Enjoyment. Sublessor covenants and agrees that, throughout the Term, Sublessee may peaceably and quietly enjoy the Real Property subject, however, to any applicable zoning and land use restrictions. Permitted Encumbrances. Sublessee's fulfillment of the covenants and agreements contained in this Sublease and to the terms and conditions of the Sublease.

(b) Environmental Condition. Sublessee, as the current owner of the Real Property, represents and warrants that the Real Property has not been the site of any activity that would violate any past or present environmental law or regulation of any governmental body or agency having jurisdiction over the Real Property. Specifically, but without limitation, (i) solid waste, petroleum products have not been handled or stored on the Real Property such that they may have leaked or spilled onto the Real Property or contaminated the Real Property, (ii) there is no on-site contamination resulting from activities on the Real Property or adjacent tracts, and (iii) the Real Property contains no substances defined as "hazardous substances", "hazardous materials", or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980; the Hazardous Materials Transportation Act; and the Resources Conservation and Recovery Act.

(c) Operation as a Public School. Sublessee covenants and agrees that at all times during the Term of this Sublease it will operate and maintain the Premises and Improvements as a public educational facility and such uses as are reasonably and customarily attendant to such use, in compliance with all applicable local, state and federal laws including, but not limited to any applicable environmental laws.

(d) Continuing Disclosure Obligations. Sublessee covenants and agrees that at all times during the Term of this Sublease it shall abide by and comply with in all material respects the Continuing Disclosure Agreement included in the Bond Documents, and Sublessee further covenants and agrees that its compliance with the Continuing Disclosure Agreement shall be

timely and in conformity with the rules of the Securities and Exchange Commission.

(e) Lease Purchase Acquisition Payments. Sublessee covenants and agrees that at all times during the Term of this Sublease shall continue to make its Lease Purchase Acquisition Payments as set forth in attached Exhibit "C", subject to the terms and conditions of this Sublease. Sublessee further covenants and agrees that at all times during the Term of this Sublease that if Sublessee terminates its contract with the Financial Advisor or does not enter into a new contract or renewal of contract with the Financial Advisor or enters into a new contract or agreement with a party acting in a financial advisory capacity to Sublessee that is not the Financial Advisor, Sublessee shall continue to make its Lease Purchase Acquisition Payments as set forth in attached Exhibit "C", subject to the terms and conditions of this Sublease.

SECTION 9. **Title to the Improvements.** Title to all Improvements shall be vested in Sublessor during the Term of this Sublease and upon the Termination Date of this Sublease in accordance with Section 18 hereof, subject to the Sublessee's right to purchase the Improvements in accordance with Section 3(c). Except for Improvements acquired by Sublessee in accordance with Section 3(c), to the extent that legal title to the Improvements does not automatically vest in the Sublessee, the Sublessor agrees to execute and deliver to the Sublessee a deed or bill of sale attached hereto as Exhibit "G" and incorporated herein for all purposes, as appropriate, to convey legal title to the Improvements to the Sublessee on the Termination Date.

SECTION 10. **Liens and Encumbrances.**

(a) No Encumbrances. Except for the Permitted Encumbrances, the Sublessee shall not create or permit to be created any Lien against the Improvements or Real Property. Any Lien against the Improvements or Real Property, other than the Permitted Encumbrances, shall be discharged by the Sublessee. Nothing in this Sublease shall be deemed or construed in any way as constituting the consent or request of Sublessor, express or implied, by inference or otherwise, to the filing of any Lien against the Improvements or Real Property by any contractor, subcontractor, laborer, materialman, architect, engineer, or other person for the performance of any labor or the furnishing of any materials or services for or in connection with the Improvements or any part thereof. Sublessor further agrees to obtain and deliver to Sublessee within a reasonable period of time after the payment of the Lease Purchase Acquisition Payments by Sublessee a release(s) of the Security Interests in the Improvements attached hereto as Exhibit "H" and incorporated herein for all purposes, as appropriate, then vested in Sublessee.

(b) Right to Contest. Sublessee shall not be required to pay, discharge or remove any Lien so long as the Sublessee contests in good faith such Lien or the validity, applicability or amount thereof by an appropriate legal proceeding which operates to prevent the collection of such amounts and the sale of the Premises and Improvements or any portion thereof so long as prior to the date on which such Lien would otherwise have become delinquent, the Sublessee shall have given the Sublessor prior written notice of its intent to contest the Lien. Any such contest shall be prosecuted with due diligence, and the Sublessee shall promptly pay (or cause

SECTION 11. Assignment of Lease.

(a) Sublessee Assignments. Sublessee shall not have the right to assign, pledge, sublease or transfer this Sublease or any interest herein or any right or privilege appurtenant hereto or to sublease the Real Property or any portion thereof, unless the written consent of Sublessor is first obtained. Any assignment or transfer for which consent is required but which is nevertheless made without such written consent shall be void ab initio. The foregoing notwithstanding, the following shall not be construed or deemed to be prohibited transfers or assignments by Sublessee pursuant to this Section 11 and shall not require the prior consent of Sublessor (i) any Security Interests or other transfers or assignments to the Trustee pursuant to the Indenture to secure payment of the Bonds and the performance of the obligations under the Indenture. or (ii) any change of control of Sublessee.

(b) Sublessor Assignments. Except for the grant of the Security Interests created pursuant to the Bond Documents, as long as this Sublease is in full force and effect, Sublessor shall not have the right to assign, pledge or transfer this Sublease or any interest herein or any right or privilege appurtenant hereto or to further sublease the Real Property or any portion thereof, unless the written consent of Sublessee and Trustee is first obtained. Any assignment or transfer for which consent is required but which is nevertheless made without such written consent shall be void ab initio. After the occurrence of an Event of Default by Sublessee hereunder, Sublessor shall have the right to assign, pledge or transfer this Sublease or any interest herein or any right or privilege appurtenant hereto or to further sublease the Real Property without the consent of Sublessee.

SECTION 12. Indemnification by Sublessee. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND NO REPRESENTATION IS MADE THAT APPLICABLE LAW EXISTS ALLOWING FOR INDEMNIFICATION, SUBLESSEE HEREBY RELEASES AND AGREES TO INDEMNIFY AND HOLD HARMLESS SUBLESSOR AND TRUSTEE AND ALL OF ITS OFFICERS, EMPLOYEES, DIRECTORS, AGENTS, AND CONSULTANTS (HEREINAFTER COLLECTIVELY REFERRED TO AS THE "INDEMNITEES") OF AND FROM ANY AND ALL CLAIMS, DEMANDS, LIABILITIES, LOSSES, COSTS, OR EXPENSES FOR ANY LOSS INCLUDING BUT NOT LIMITED TO BODILY INJURY (INCLUDING DEATH), PERSONAL INJURY, PROPERTY DAMAGE, EXPENSES, AND REASONABLE ATTORNEYS' FEES, CAUSED BY, GROWING OUT OF, OR OTHERWISE HAPPENING IN CONNECTION WITH THIS SUBLEASE OR DUE TO ANY NEGLIGENT ACT OR OMISSION ON THE PART OF SUBLESSEE, TRUSTEE, THEIR AGENTS, EMPLOYEES, OR OTHERS WORKING AT THE DIRECTION OF SUBLESSEE OR ON ITS BEHALF, OR DUE TO THE APPLICATION OR VIOLATION OF ANY PERTINENT FEDERAL, STATE, OR LOCAL LAW, RULE, OR REGULATION BY SUBLESSEE, TRUSTEE, THEIR AGENTS, EMPLOYEES OR OTHERS WORKING AT THE DIRECTION OF SUBLESSEE OR TRUSTEE. THIS INDEMNIFICATION EXTENDS TO THE

SUCCESSORS AND ASSIGNS OF SUBLESSOR AND TRUSTEE, AND THIS INDEMNIFICATION SURVIVES THE EXPIRATION OR TERMINATION OF THIS SUBLEASE AND THE DISSOLUTION OR, TO THE EXTENT ALLOWED BY LAW, THE BANKRUPTCY OF SUBLESSEE.

SECTION 13. Fire and Other Casualties.

(a) Risk of Loss. Sublessee shall bear all risk of loss of damage or destruction to the Premises and Improvements and all risk of loss for other liabilities related to the Premises and Improvements arising from any cause other than intentional acts of the Sublessor. Subject to Section 3.06 of the Indenture and to the prior written consent of Sublessor and the Trustee, to the extent that any portion of the Premises and Improvements are damaged or destroyed, Sublessee shall restore such damaged or destroyed portions of the Premises and Improvements with due diligence at Sublessee's expense, as nearly as possible to the Premises' and Improvements' value, condition and character immediately before such damage or destruction. Such restoration shall be in accordance with all applicable laws, completed in a good and workmanlike manner and in accordance with plans and specifications therefore approved in writing by Sublessor and Trustee.

(b) No Termination. No total or partial damage to or destruction of any or all of the Premises and Improvements shall entitle Sublessee to terminate this Sublease, or shall relieve Sublessee from its obligations hereunder, and to the extent permitted by applicable law Sublessee hereby waives any right now or hereafter conferred upon it by statute or otherwise, on account of any such damage or destruction to surrender or terminate this Sublease.

(c) Subordination to Bond Documents. Notwithstanding any provision contained herein to the contrary, the provisions of the Bond Documents and, specifically, Section 3.06 of the Indenture shall control in all respects the receipt, handling and application of any and all insurance proceeds, it being acknowledged and agreed that the Trustee shall have a first and prior security interest therein and shall determine whether such proceeds will be applied for the redemption of the Bonds or the restoration of the Premises and Improvements. To the extent any insurance proceeds are not used to restore the Premises and Improvements, they shall be paid to the Trustee to redeem the Bonds in accordance with Section 3.06 of the Indenture.

SECTION 14. Condemnation.

(a) General. The term "condemnation" as used in this Sublease means the taking or appropriation of the Real Property, or any interest therein, in exercise of the power or right of eminent domain or such taking for public or quasi-public use or any state of facts relating to the taking or appropriation of the Real Property which, without an actual taking or appropriation, shall result in direct or consequential damages to the Real Property or the Leasehold Estate herein. Such term shall also be deemed to include to the extent not otherwise defined in this paragraph, a temporary taking of the Real Property or any part thereof or the Improvements for a period of one year or more, and the taking of the Leasehold Estate created

(b) Total Condemnation. If all or substantially all of the Real Property is so condemned, this Sublease shall terminate on the date title to the Real Property vests in the condemnor: provided, however, that such termination shall be without prejudice to the rights of Sublessor and Sublessee to recover just and adequate compensation from any such condemnor and further provided that all sums owing under the Bond Documents are paid in full as set forth in subsection (c)(i) below.

(c) Division of Award - Total Condemnation. Subject to the controlling provisions of the Bond Documents, if the Real Property is totally condemned as provided in subsection (b) above, the condemnation proceeds shall be paid as follows:

(i) Sublessor first shall be entitled to receive such portion of the condemnation proceeds as shall equal the principal balance and accrued interest on and all other sums owing under the Bond Documents which shall be directly paid to the Trustee for the redemption of the Bonds pursuant to Section 3.06 of the Indenture.

(ii) Sublessee shall then be entitled to receive the balance of the condemnation proceeds.

(d) Partial Condemnation. In the event of a taking of less than a total taking as provided in subsection (b) above, this Sublease shall terminate as to the condemned portion of the Real Property on the date title to the condemned portion of the Real Property vests in the condemnor: provided, however, that such termination shall be without prejudice to the rights of Sublessor and Sublessee to recover just and adequate compensation from any such condemnor. The provisions of this Sublease shall remain in full force and effect as to the portion of the Real Property not condemned.

(e) Division of Award - Partial Condemnation. Subject to the controlling provisions of the Bond Documents, if the Real Property is partially condemned as provided in subsection (d) above, the condemnation proceeds shall be paid as follows:

(i) Sublessor first shall be entitled to receive such portion of the condemnation proceeds as shall equal the Trustee's equitable portion of the principal balance and accrued interest on and all other sums owing under the Bond Documents. Such amount shall be directly paid to the Trustee for the redemption of the Bonds pursuant to Section 3.06 of the Indenture.

(ii) Sublessee shall then be entitled to receive the balance of the condemnation proceeds.

(f) Subordination to Bond Documents. Notwithstanding any provision contained

herein to the contrary, the provisions of the Bond Documents and, specifically, Section 3.06 of the Indenture shall control in all respects the receipt, handling and application of any and all condemnation proceeds, it being acknowledged and agreed that the Trustee shall have a first and prior security interest therein. All condemnation proceeds shall be paid to the Trustee to redeem Bonds in accordance with Section 3.06 of the Indenture.

SECTION 15. Estoppel Certificates.

(a) Sublessor and Sublessee will execute, acknowledge and deliver to the other promptly upon request, an annual certificate certifying as to the following:

(i) Validity of Lease: That this Sublease is unmodified and in full force and effect (or, if there have been modifications, that this Sublease is in full force and effect, as modified, and stating the modifications);

(ii) Defaults by Sublessee: That no notice has been given by Sublessor to Sublessee of any failure to comply under this Sublease that has not been cured and to the best of its knowledge and belief no Event of Default exists (or, if there has been any notice given or an Event of Default exists, describing the same).

(b) Certificates from Sublessor and Sublessee pertaining to the same matters may be relied upon by any prospective successor Trustee or by any prospective assignee of an interest under this Sublease or by any prospective sublessee as to all or any portion of the Real Property.

SECTION 16. Access to Premises and Improvements. Sublessor and Trustee, their authorized representatives, agents, employees, and attorneys may, but shall be under no duty to, enter the Premises and Improvements at reasonable times and hours, upon notification to the Sublessee and during a scheduled time such as not to disrupt educational activities, to inspect the Premises and Improvements in order to determine whether Sublessee is complying with its undertakings, duties, and obligations under this Sublease, to make such necessary repairs, additions, improvements, changes, or alterations to the Premises and Improvements as Sublessor or Trustee may elect to make.

SECTION 17. Events of Default and Remedies.

(a) Events of Default Defined. An "Event of Default" has occurred if (i) Sublessee fails to perform or cause to be performed any term, covenant, condition, or provision hereof or under the Ground Lease, (ii) there is a breach of or material inaccuracy in the representation and warranties of Sublessee, or (iii) Sublessee files a voluntary petition in bankruptcy, and Sublessee fails to correct such default within thirty (30) days after written notice specifying the default is given. In the case of any such default that cannot with due diligence be corrected within such thirty (30) day period, but can be wholly corrected within a period of time not materially detrimental to the rights of Sublessor, it shall not constitute an Event of Default if corrective action is instituted by the Sublessee within the applicable period and diligently pursued until the

(b) Sublessor Remedies. Upon the occurrence of an Event of Default by Sublessee, Sublessor may upon ninety (90) days written notice and opportunity to cure provided to Sublessee and Trustee, with or without additional notice or demand, which are hereby waived by Sublessee, and without limiting the Sublessor's remedies as a result of the Event of Default, do any of the following:

(i) Terminate this Sublease and the Sublessee's right to possession to the Premises and Improvements, subject to any vested right or title of Sublessee in any Improvements acquired pursuant to Section 3(c). In such event, the Sublessor shall be entitled to recover from the Sublessee all damages incurred by the Sublessor by reason of the Event of Default by the Sublessee including, but not limited to, the cost of recovering possession of the Premises and Improvements, subject to any vested right or title of Sublessee in any Improvements acquired pursuant to Section 3(c) and reasonable attorneys' fees;

(ii) Maintain the Sublessee's right to possession and obligation to complete construction of the Improvements, in which case this Sublease shall continue in effect notwithstanding that the Sublessee shall have surrendered, vacated or abandoned the Premises and Improvements. In such event, the Sublessor shall be entitled to enforce all of its rights and remedies under this Sublease, including the right to recover Rent, Additional Rent and Lease Purchase Acquisition Payments, as they become due;

(iii) Compel specific performance by the Sublessee of its obligations under this Sublease, including specifically, the Sublessee's obligation to construct the Improvements; or

(iv) Pursue any other remedy available to the Sublessor under the laws of the State of Oklahoma.

The failure of Sublessor to exercise such rights after one or more Events of Default shall not be a waiver of the rights of Sublessor upon the occurrence of any subsequent Event of Default. In all cases of an Event of Default, the Sublessor agrees to use all reasonable means to mitigate its damages.

SECTION 18. Expiration or Termination. Subject to any vested right or title of Sublessee in any Improvements acquired pursuant to Section 3(c) and the Trustee's rights under the Bond Documents, upon the Termination Date of this Sublease and the Leasehold Estate for any cause, all rights and interests of Sublessee, and all persons whomsoever claiming by, through or under Sublessee shall immediately cease and terminate, and the Premises and Improvements, including all buildings, improvements, engines, machinery, generators, boilers, furnaces, elevators, fire escapes, and all lifting, lighting, heating, cooling, refrigerating, air conditioning,

Sublessee agrees, at the termination of this Sublease, to surrender unto Sublessor, all and singular the Premises and Improvements and Sublessee's interest in the Leasehold Estate. If the obligations secured by the Security Interests have not been satisfied upon the Termination Date of this Sublease, Sublessee's possession of any Improvements not acquired by Sublessee during the Term of this Sublease as provided in Section 3(c), shall be surrendered to Sublessor on the Termination Date.

In accordance with the foregoing, Sublessee hereby acknowledges Sublessor's encumbrance of its interest in this Sublease pursuant to the Assignment of Rents and Lease to the Trustee which shall secure payment of the Bonds. Sublessor agrees, that anything in this Sublease to the contrary notwithstanding, as long as the Indenture or similar security instruments in favor of Trustee are in force and effect, the following provisions shall apply:

(b) Notices to Trustee. Sublessor, upon serving Sublessee with any notice of an Event of Default, failure to comply, or termination, shall simultaneously serve a copy of such notice on the Trustee. If Sublessor shall serve Sublessee with a notice of a failure to comply with any term, covenant, condition, or provision hereof, the Trustee shall then have the same period after service of the notice on it as is given to Sublessee hereunder to remedy or cause to be remedied such failure, and Sublessor shall accept performances by or at the instigation of any Trustee as if it had been done by Sublessee. (j) No Partnership or Agency. Nothing in this Sublease is intended, or shall in any way be construed, so as to create any form of partnership or agency relationship between the parties. The parties hereby expressly disclaim any intention of any kind to create any partnership or agency relationship between themselves. Nothing in this Sublease shall be construed to make either party liable for any of the indebtedness of the other, except as specifically provided herein.

(k) Limitation of Liability. Notwithstanding anything herein to the contrary, the liability of Sublessor hereunder (including, but not limited to any indemnity obligations) under this Sublease shall be non-recourse as to Sublessor and, accordingly, Sublessee's sole source of satisfaction of such obligations shall be limited to Sublessee's interest in the Premises, the Improvements, and Real Property except as to any intentional misconduct or violation of law by Sublessor, to the extent permitted by applicable law. Sublessee shall not seek to obtain payment from any person or entity comprising Sublessor or from any assets of Sublessor other than those described herein, notwithstanding the survival of any obligation of Sublessor beyond the Term. At the beginning of each fiscal year, the board shall approve all school activity fund subaccounts, all subaccount fund raising activities and all purposes for which the monies collected in each subaccount can be expended. The board will approve any activity fund raising events during the fiscal year. This includes any fundraiser that an employee wishes to create utilizing online services. Prior to creating an online fundraiser at sites such as "Donors Choose" ("Go Fund Me" specifically prohibited) similar websites, an employee shall make a formal request to the superintendent or superintendent's designee. The superintendent or designee shall process the request and make a determination as to whether the request will be submitted to the board of education for approval. If approved by the board of education, the employee in consultation with the administration of the school district, shall create an online fundraiser which will be subject to all state laws and district policies. All donated items provided through Donors Choose become the property of Enid Public Schools. **All donated items provided through Donors Choose become the property of Enid Public Schools.**

The school activity fund custodian will be appointed by the board of education. The board shall review on an annual basis the surety bond for the activity fund custodian, which shall be in no case less than one thousand dollars (\$1,000), and such bond shall be filed with the clerk of the board of education.

Donors Choose requests only need to be submitted to the campus principal for approval. Donors Choose request do not require a formal request to the superintendent.

Annually, the board shall approve the various activity funds. Beginning balances, depository bank for fund, authorized signers on the account, **and location where interest will be placed.**

The superintendent shall cause the activity account to be audited annually by a certified public accountant who will be selected by the board. The audit shall be furnished to the board and the cost of the audit shall be paid from the general fund.

All activity fund purchases shall be made by purchase orders encumbered in advance as orders are placed. No expenditures shall be made from activity funds except by check, and other authorized district payment method, never cash and on the authorization of the sponsor of the group to whom the fund belongs. All such checks are to be issued and signed by the custodian of the activity fund and countersigned by a person designated by the board.

All activity monies shall be deposited daily.

The custodian of a school activity fund may provide cash advances to sponsors for travel expenses on behalf of school district students and sponsors of certain school activities. The cash advance may come only from the school activity subaccount directly involved in the travel of such students or sponsor and only if the travel is one of the stated functions or purposes for the establishment of the subaccount. Receipts must be turned in to the custodian.

The principal shall cause to be kept complete and accurate accounts of all activity funds, and shall see that monthly reports are made to appropriate parties.

The school activity fund custodian will be appointed by the board of education. The custodian will provide a surety bond in an amount determined by the board, but not less than one thousand dollars (\$1000.00).

These provisions shall not apply to funds collected by student achievement programs or parent-teacher associations and organizations that are sanctioned by the board of education. Guidelines adopted by the board for the sanctioning of such organizations and associations may include, but not be limited to, examinations of financial and performance audits performed on each such organization and association.

~~The board shall prohibit purchases from the activity fund for materials or equipment unless invoices or are furnished.~~

~~The board alone has the authority to approve the establishment of accounts by whatever name or style it deems best suited to its needs for the revenue collected. This authority is also delegated to the Chief Financial Officer of the District.~~

~~The board shall prohibit purchases from the activity fund for materials or equipment unless invoices or delivery tickets are furnished.~~

The board shall require that receipts for collections by the custodian be given proper internal control by using pre-numbered tickets for admission and providing written reconciliation made of tickets sold to actual revenues collected. Reconciliation documents will be filed and keep as documentation for the activity fund by the duly appointed activity fund custodian.

~~Recognizing that students will also be involved in the collecting and accounting of funds through fund-raising and student activities, the board encourages student participation and instruction in proper account procedures.~~

~~The board shall evaluate and adopt standard forms for the documentation of cash receipts.~~

~~The board shall require the custodian to deposit receipts in the local bank in a timely manner as proscribed by statute.~~

~~Recognizing that students will also be involved in the collecting and accounting of funds through fund-raising and student activities, the board encourages student participation and instruction in proper accounting procedures.~~

~~The board further requires the following procedures for the activity fund account:~~

- ~~1. The accounting system will be under the direction of one individual (activity fund custodian), who is responsible for keeping all accounts and preparing all financial reports. The activity fund custodian may delegate some of these duties to a central bookkeeper or campus financial secretary.~~
- ~~2. Records will be maintained and will include books of original entry, a general ledger, cash receipts records, expenditure records, and subsidiary ledgers.~~
- ~~3. Summary financial reports will be prepared on a monthly and annual basis.~~

ITEM FOR DECISION

IV. C. Temporary Appropriations for the Fiscal Year 2026-2027

Background Information :

Title 68 of Oklahoma Statutes allows for the temporary appropriation of an estimated amount of funds for the ensuing fiscal year to be based upon the collections received in the current fiscal year. This Temporary Appropriation is intended to allow governmental entities to operate from the beginning of the fiscal year until the official Estimate of Needs is prepared and approved. (Usually the Estimate of Needs is ready for approval by October.) You will recall that schools cannot spend any funds until they are appropriated.

Administrative Consideration :

Our Temporary Appropriation is based on the FY 2026 Estimate of Needs of \$98,314,363.78 for the General Fund and then reduced to about 90% for FY2027 Temporary Appropriation for this fund of \$88,482,927 to be very conservative. When one considers that we have essentially obligated 80+% of our budget by simply retaining our employees for next year, it quickly becomes apparent that we must have a sizable temporary appropriation in order to begin the new fiscal year.

Our FY 2026 Building Fund Estimate of Needs was \$5,468,077.17 which is reduced to about 95% for the FY 2027 Temporary Appropriation for this fund of \$4,921,269.

Administrative Recommendation :

Your administration recommends approval of the Temporary Appropriations for FY2026-2027.

Board Action Required.

RE: Temporary Appropriations

Please find attached three (3) copies of your "Temporary Appropriations" for fiscal year 2026-27.

Even though state law allows school districts to appropriate one-hundred percent (100%) of the estimated revenues to be applied to their Temporary Appropriations, in past years your District has approved a percentage. Since valuations and allocations have not yet been determined and due to the uncertainty of cuts to state allocations and fluctuations in gross production we would suggest you stay with the amounts shown on the 2026-27 Temporary Appropriations.

As you are aware, when your 2026-27 Estimate of Needs is completed, these amounts may be adjusted.

If you have any additional Cash Funds which will be utilized at the beginning of FY 27, please list them on the additional lines provided in an amount that will allow for the necessary encumbrances until final appropriations are available.

Have your School Board President and Clerk sign all three (3) copies. **BE SURE THE CLERK APPLIES THE SCHOOL SEAL WHERE "ATTEST" APPEARS.**

After the County Excise Board has signed all three (3) copies, leave one (1) with the County Clerk, file one (1) with your Clerk of the BOE and **RETURN ONE (1) TO OUR OFFICE.**

If you have any questions, please call.

Sincerely,

THE FIRM OF CHAS. W. CARROLL, P.A.
