Dear Board of Education,

With this letter I hereby resign from my position as Secondary Principal. I have been offered and accepted the superintendency at Wheeler Central Schools. This resignation is effective at the end of June 2022.

This is a very bittersweet decision for me and my family. We love Hemingford and what it has done for us as a family. We leave here with so many positive memories and lifelong friendships developed over the past 5 years. We will always have a special place in our hearts for Hemingford.

Sincerely,

Dear Board of Education,

With this letter I hereby resign from my position as Spanish Teacher. My husband has been offered and accepted the superintendency at Wheeler Central Schools. This resignation is effective at the end of July 2022.

This is a very bittersweet decision for me and my family. We love Hemingford and what it has done for us as a family. We leave here with so many positive memories and lifelong friendships developed over the past 5 years. We will always have a special place in our hearts for Hemingford.

If my position of Spanish Teacher is not able to be filled and I have not found employment at or around Wheeler Central, I would be interested in continuing delivering Spanish instruction via distance learning.

Sincerely,

Michelle C. Kluver

Mr. Isom and Members of the Board:

Please accept my letter of resignation from my position as a teacher and librarian at Hemingford Public Schools, effective at the end of the 2021-22 contract year. I have enjoyed working at Hemingford over the past eight years and appreciate everything that the board, administrators, faculty, and staff have done for me during this time. Hemingford truly has some of the best students I have ever worked with and I will be sorry to say goodbye to everyone, but I plan to take a position that will allow me to move closer to my family for the 2022-23 school year.

Again, thank you for all of the opportunities that I have been afforded by Hemingford Public Schools.

Dear Hemingford Public Schools Board of Education and Administration,

Please accept my resignation from Hemingford Public Schools at the end of the 2021-2022 school year. After 34 years of service in education it is my wish to retire and take advantage of the Early Retirement Program.

I have thoroughly enjoyed my time here and am honored to have had the opportunity to touch the lives of so many students. I have experienced growth both professionally and personally while working and learning among others at Hemingford Public Schools.

My husband, Scott, and I plan to continue to live in this area. We will enjoy spending more time with family and hopefully more time traveling. I would like to remain part of the school system by being available as a substitute teacher. I am also willing to assist my replacement in any way.

Hemingford Public Schools will always hold many special memories for me. Thank you for allowing me to be a part of this school system for the last 13 years.

Sincerely,

  
Dee Hannaford

**Explanation of the Overall and Category Percentages:**

The Parent Involvement Percentage indicates the percentage of points the parent “awarded” to the school on the items they responded to (maximum of 12 items).

For example, a parent who rated the school "Agree" on each of the 12 items, would receive a 100% score. This parent awarded the school the highest number of possible points. A parent who rated the school "Disagree" on each of the 12 items would receive a 0% score. This parent rated the school the lowest number of points possible. A parent who rated the school "Agree" on 9 of the 12 items and "Disagree" on the other 3 items would receive a 75% score. This parent awarded the school 75% of the total possible points.  
(Note: Scores of "Not Applicable" are eliminated from this analysis.)

To determine a district’s Parent Involvement Percentage, the percentage of parents who had a score of 90% or above was calculated. A 90% score represents someone who, on average, agreed with all but one item.

Scales for the mean parental scores: Relationship (Q2, Q3, Q4, Q5, Q9, Q10); Services (Q1, Q6, Q7, Q8, Q11, Q12)

The number of surveys scored may not be the same as the number of completed surveys if a respondent circled “not applicable” to every question.
