Board of Education

After many discussions with family and for personal reasons, I am resigning my position as superintendent effective June 2022.

When I accepted this position in 2018, the plan was to be at Hemingford until you told me to leave. A series of events has put me in a position that I feel I am not effective in the leadership role.

Thank you for the opportunity to lead the district. It is time for the district to find a leader that can guide the district in the direction you need to go.

My resignation is effective June 30, 2022.
