ARTICLE 1 RECOGNITION

- 1.1 Pursuant to the provisions of SDCL 3-18, the School Board of School District 46- 1, Meade County, South Dakota, hereinafter referred to as the "Board," recognizes Meade Education Association, hereinafter referred to as the "Association," as the sole and exclusive representative for all regularly employed certificated personnel, hereinafter referred to as "Employee," except for the Superintendent, Business Manager, Principals, Assistant Principals, Curriculum and Technology Director, Director of Special Services, Activities Director, and any future position established by the Board where the person filling the position is required by the State of South Dakota, either by law or regulation to have an administrative endorsement.

Regularly employed certificated personnel shall include only those employees who are required to hold a valid teacher certificate issued by the State of South Dakota Department of Education for the position in which they are employed.

- 1.2 The Board agrees not to negotiate with any other employees' organization, individual employee, or group of employees with regard to negotiable items as defined in Article VIII, Section I, unless otherwise provided for in this Agreement or unless mutually agreed to by the parties during the term of this Agreement. No consultation with employees shall occur to circumvent the authority of the Association.
- 1.3 Pursuant to SDCL 3-18-2 this recognition shall be continuous until questioned by the Board, labor or employee organization or employees. Any challenge to recognition must be processed pursuant to the provisions of SDCL 3-18-5.

ARTICLE 2
EMPLOYEE AND ASSOCIATION RIGHTS

- 2.1 Employee Discipline - Rules and regulations governing employee conduct shall be reasonable and enforcement of employee discipline shall be fair and exercised for a just cause.
- 2.2 Right of Representation - When an employee is required to appear before the Board or the administration concerning matters which will adversely affect the employee's employment, the employee's position, or the employee's salary, the employee shall be entitled to have a representative of the Association present.
- 2.3 Personnel File - Each employee shall have the right, upon request, to review the contents of said employee's personnel file and to place therein written reactions to any of its contents. Employees will be provided a copy of any document added to their personnel file which is confidential personal information, disciplinary in nature, or is to be used for employee evaluation, and will sign an acknowledgment that the document is being added to their file (but not that the employee agrees or disagrees with the contents of the document). If the employee refuses to sign the acknowledgment, his or her supervisor will so note on the document, and will place the document with notation in the personnel file. The employee shall have the right to make copies of any item in the file and to be accompanied by a representative of the Association during the review of the file.
- 2.4 Compiled Law Rights - Whenever any rights or benefits accorded employees under the Compiled Laws of the State of South Dakota or under other laws and regulations exceed the benefits accorded employees elsewhere in this Agreement, then such rights and benefits shall be incorporated into and become a part of this Agreement, except that State laws may not be the subject of a grievance, but violation of such would not preclude other legal action.
- 2.5 School Disturbance - When in the judgment of the teacher the continued presence of a parent or other citizen in the teacher's classroom would create a serious distraction or a disruption of the educational process, the teacher shall report the situation to the principal or superintendent. Upon consultation with the parent or citizen, a determination will be made by the principal or superintendent as to the appropriateness of the continued presence in the classroom. The decision of the principal or superintendent will be final but will not preclude legal action by the employee against the parent or other citizen.

South Dakota law makes it a Class 2 misdemeanor to intentionally disrupt the educational process through boisterous conduct, acts of violence, or threatening language or to prevent a teacher or student to perform their duties. (SDCL 13-32-6)

- 2.6 Use of District Copier - The Association shall be allowed use of the district copier system to conduct Association business. The Association will provide all needed paper.

ARTICLE 3 EMPLOYMENT CONDITIONS

- 3.1 Contract Year - The contract year for certified staff shall be 179 days, except for rural certified staff which is 169 days. Newly hired teachers will be required to attend three additional days for bootcamp. These will be in July and August before the regular back-to-school in-service.
- 3.2 Workday - The workday shall not exceed seven and a half (7.5) hours. If an alternate calendar exists for the rural attendance centers, contract time will be similar for all certified staff in the district. Hours per day and number of days may vary but overall hours will remain the same. The school board will continue to set the amount of contact time for all facilities and grade levels. Principals shall have the right to assign a work schedule with a total of not less than one (1) hour preparation time not including recess per day or five (5) hours per week. Any duty time, including lunch duty, shall be considered part of the seven and a half (7.5) hours. Teachers who elect to perform lunch duty beyond the seven and a half (7.5) hour day shall be paid on the same wage scale as comparable support staff employees.

There will be no more than four (4) evening parent-teacher conferences for each school during the school year. Such conferences may not total more than three (3) hours per evening unless mutually agreed to by MEA and the Board. Each evening will be 3.5 contract hours for leave purposes. The high school will have three (3) four-hour evenings for conferences to align with the trimester schedule. Each evening will be five (5) contract hours for leave purposes.

Faculty meetings that go beyond the normal teacher contract day will not comprise more than eighteen (18) per school year. Such faculty meetings shall neither begin earlier than one (1) hour before the teacher's workday nor end later than one (1) hour following the teacher's workday. Meeting may involve the entire faculty of the district, a school or a specific department.

- 3.3 Notification and Assignment - All employees shall be given individual written notice of their tentative assignment for the following school year by May 1 of the current school year. Assignments will include location and subject area and/or grade level as defined by the employee's current teaching certificate. In the event changes in such assignments are proposed, the employee shall be notified promptly and consulted.

If the change in assignment is implemented after June 1 but before August 30, a \$500 payment will be provided to the teacher. If the change of assignment is implemented on or after September 1, a \$1000 payment will be provided to the teacher.

When the teacher feels the assignment is inappropriate, he/she may communicate the concern to the Board in writing; however, the Board's decision will be final.

- 3.4 Vacancies and Transfers
- A. Vacancies – All vacancies or new positions will be posted on the District website. Such postings will include grade, subject, building, and qualifications. Current employees may apply for any listed vacancy.
- B. Involuntary Transfer - If a transfer is deemed necessary by the Board during the term of the employee's current contract, the employee or employees affected shall be given

written notice of their transfer and the employees so affected shall have an opportunity to consult with the Board prior to any transfer being completed; provided, however, that the decision of the Board shall be final in this regard.

- C. The Board has the right to transfer employees without posting the open positions.

3.5 Professional Development –Tuition Reimbursement

The School Board, upon recommendation of the Superintendent, may grant financial assistance to staff members desiring further training or study to become certified and/or qualified in an area in which the district has need.

To be eligible for such assistance, the staff member shall have completed at least three (3) years of successful service to the district as evidenced by their annual performance evaluations.

The staff member, if approved, will receive the actual credit hour cost up to but not to exceed \$120.00 per credit hour for up to 30 credit hours. Reimbursement payment will be made upon the staff member's display of an official transcript demonstrating successful completion of the approved credit hours of study at a grade of B or better.

To be considered for such assistance, the staff member shall submit a plan fully outlining the program of study to be undertaken and evidence that such program of study will meet the needs of the district and any certification requirements established by the State of South Dakota. A written recommendation of the immediate supervisor shall be attached to this plan along with copies of the three most recent performance evaluations. The plan shall be submitted to the Superintendent's Office no later than March 1st of each year for the following fiscal year. The Superintendent may waive the deadline if, in his/her judgment, it would be in the best interest of the district and the teacher to do so.

An amount sufficient to provide for reimbursement of all approved plans shall be budgeted each fiscal year but in no case shall the aggregate total amount exceed \$10,000.

An employee receiving the benefits under this provision shall agree to remain in service to the school district for one (1) year if the benefit was for 1 to 10 credit hours, two (2) years if the benefit was for 11 to 20 credit hours, and three (3) years if the benefit was for more than 20 credit hours. The period of time for obligatory service shall begin in the year following the completion of the approved program of study.

Failure to complete the planned program of study or the required term of service shall result in the repayment of the financial benefit in full, by payroll deduction or by refund.

Article 4 EVALUATIONS

Starting in the 2015-16 school year Article 4 of the negotiated agreement (evaluations) will be eliminated. The evaluation instrument and guidelines will follow SD Administrative Rule and SD Codified Law. New evaluation instrument and guidelines will be part of school board policy (GCNA*) Any future changes in board policy regarding evaluations will reflect changes in codified law or administrative rule and will be reviewed by a committee of administrators and teachers with recommendations to the board.

4.1 Evaluation Instrument (GCNA*)

Counselors and librarians shall be done using the appropriate version of Form B.

4.2 Evaluation of Athletic Coaches

Evaluations of athletic coaches, assistant coaches and advisers of extra duty assignments shall be done using the appropriate versions of Form A.

4.3 Plan of Assistance

A teacher improvement process implemented under the direction of the principal or supervisor and based upon a deficiency or deficiencies in the teaching performance standards as observed by the principal or supervisor (Form I).

4.4 Employment Recommendation

All teachers shall receive written notice from their evaluators by April 15 of each year indicating the evaluator's employment recommendation. This notice shall indicate one of the following three recommendations.

- A. Recommended for continued employment.
- B. Recommended for continued employment with qualifications. A plan of Assistance must be attached.
- C. Not recommended for continued employment. All previous Plans of Assistance must be attached.

**ARTICLE 5
SALARY PROVISIONS**

5.1 A. Salary Structure - Base pay, defined as the salary of a teacher with no prior teaching experience and a Bachelor's degree with fewer than 12 semester (12) hours of graduate credit, shall be established annually by the School Board. The base pay for the 2025-26 contract year shall be \$50,750.00

For the 2025-26 school year, returning teachers will receive a 2% increase in salary minus applicable deduction(s) based on full-time equivalency. Staff members, who are less than 1.0 FTE, will receive a prorated increase.

Base pay, defined as the salary of a teacher with no prior teaching experience and a Bachelor's degree with fewer than 12 semester (12) hours of graduate credit, shall be established annually by the School Board.

B. For teachers with no previous teaching experience, the salary will be base pay plus the appropriate cumulative differential for the number of graduate semester hours successfully completed.

C. A teacher entering the school district with previous teaching may bring years of teaching experience into the district. The superintendent will use a salary/hiring schedule which includes the salaries, years of experience and educational levels of all existing district employees. Teachers entering the district will be paid in alignment with current employees with similar experience and education levels. See note after section 5.13

D. Any vacancy that falls on the US Department of Education Teacher Shortage areas, has less than 3 applicants after two weeks, remains unfilled after July 1st, or any position that is vacated after July 1st, the Board may offer a one-time signing bonus, not to exceed \$2,000, to the successful candidate as an incentive to accept the contract offer. This one-time bonus will be paid half in their September payroll and half in their January payroll. It does not qualify for the maximum use of Sick Leave Bank unless there are complications accompanied by a doctor's note.
 - G. A person withdrawing from membership in the Bank will not be able to withdraw contributed days.
 - H. Persons withdrawing sick leave days from the Bank will not have to replace those days except as a regular contributing member of the Bank.

 - K. On or before September 1st of each year, the Business Office shall provide the Association president an accounting of the Sick Leave Bank. This accounting will include the balance from the previous year, days contributed, days used, and the current balance. ARTICLE 9
REDUCTION IN FORCE, LAYOFF, AND SENIORITY

- 9.1 Nothing contained in this Article shall be interpreted as limiting the Board's authority to determine the number of teaching positions in the School District. Should the Meade District Board deem it necessary to initiate a RIF, the following procedure will be followed:
- A. The situation confronting the District will be communicated to the Meade Education Association (MEA). The MEA may make alternative suggestions to the RIF. The Board shall consider and respond to all such suggestions. A period of no less than 21 days shall elapse from communication of a need for RIF and any RIF notices.
 - B. Teachers identified by the Board as potentially being RIF'ed may be offered the option of terminating their employment with the Meade School District 46- 1 and accepting a payment commensurate to the early retirement schedule (5.11 of this document). A person not yet 55 years of age would be eligible for the specified payment in this instance. The offering of this option shall rest solely with the Board.
 - C. In making staff reductions involving teachers in their fourth or subsequent year of employment in the District, the Board will follow the provisions of SDCL 13-43-6.4.
- 9.2 The School Board shall use the following criteria in determining which teacher or teachers are to be RIF'ed. The Staff Assessment Tool (Appendix F) shall be used to apply these criteria. It shall be the goal of the Board to retain the most effective teachers; those who perform at the highest level of proficiency and contribute most toward providing the highest quality of instruction to the students of the District.
- A. Certification
 - B. Education
 - C. Total Experience and In-district Experience
 - D. Formal Evaluation
 - E. Administrator Recommendation
- 9.3 Recall rights shall be extended to all continuing contract teachers who have been RIF'ed with the exception of those teachers who are currently on a plan of assistance or have been "on notice" within the last three (3) years. Such recall rights shall extend for a period of three years from the first day of the school year succeeding the year in which the teacher was given notice of RIF. Newly created or vacant positions shall be offered to all RIF'ed teachers in the reverse order of their RIF (that is, the last RIF'ed shall be the first to be offered future employment.)

The Board shall maintain a list of RIF'ed teachers and shall provide the MEA with an updated list upon request by the MEA. RIF'ed teachers shall be notified by certified mail of the offer of employment. The teacher shall have fourteen (14) calendar days after receipt of the letter to reply. In the event that a teacher shall refuse an offer of re-employment during the period of recall as specified above, that teacher shall be deemed to have requested his/her name to be removed from the recall list. It is the responsibility of the RIF'ed teacher to maintain a current address with the Board.

Any RIF'ed teacher may request that her/his name be removed from the recall list at any time.

New teachers will not be employed with the District until all RIF'ed teachers have been given an opportunity to accept a new or vacant position for which they are certified and qualified.

- 9.4 Teachers laid off by this policy shall not lose their accumulated benefits or positions in the salary structure. However, such time will not count as time employed for purposes of SDCL 13-43-6.3.

ARTICLE 10
EFFECT OF AGREEMENT

- 10.1 The District retains unto itself the powers and duties vested in it by the laws of the State of South Dakota and the United States. In order to facilitate participation, accommodations will be made on an individual basis. Each disability is unique; the reasonable accommodations principal should be applied on a case by case basis for both students and staff. The 504 Coordinator will work with Meade staff to coordinate who may need additional assistance in the case of an emergency. The ADA Coordinator may refer issues regarding accessibility and accommodations for students to the student services department. If further information is needed, please contact Melissa Pankratz, 504

Coordinator, at 605-347-4770 or Brett Burditt, ADA Coordinator, at 605-347-2523.

USE OF ALCOHOL AND OTHER DRUGS BY EMPLOYEES (DRUG-FREE WORKPLACE POLICY)

The District prohibits the unlawful manufacturing, distributing, selling, dispensing, possessing, using, or being under the influence of alcohol and/or other drugs in the workplace.

Any employee who violates this policy will be subject to disciplinary action which may include dismissal and referral for prosecution. It shall be a condition of employment in the District that each employee must abide by the terms of this policy and shall notify the Superintendent of any criminal alcohol and/or drug statute conviction for any alcohol and/or drug violation no later than five (5) days after conviction. Within thirty (30) days after receipt of such notification, one of the following actions shall be taken:

- a) Appropriate personnel actions, including possible suspension or termination.
- b) Requiring the employee to participate satisfactorily in an alcohol and/or other drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency. An employee who requests assistance shall be provided a listing of the regional treatment facilities or agencies to assist him/her in their choice of a service provider.
- c) Possible referral for prosecution.

A copy of this policy will be provided to each new employee. This policy will be reviewed annually with all employees in each administrative unit and will be incorporated into all employee handbooks.

All convictions of employees for violating any criminal drug statutes shall be reported to the federal agencies that provide grants to the District, as required by law.

When an on-duty staff member has consumed alcohol off school property and/or before a school activity, the staff member will not be allowed on school property or to participate in school activities. Staff members who violate this regulation will be subject to the same disciplinary sanctions as for possession or consumption on school property.

Reasonable Suspicion

A. The District may request an employee to undergo drug and alcohol testing if there is a reasonable suspicion that the employee is under the influence of, or has drugs or alcohol in his or her system during work hours. There shall be no random testing. Circumstances which constitute a basis for determining a reasonable suspicion may include, but are not limited to:

- 1. A pattern of abnormal or erratic behavior which is so unusual that it warrants summoning a supervisor, department head, or someone else for assistance.
- 2. Information provided by a reliable and credible source with personal knowledge.
- 3. Direct observation of drug or alcohol use.
- 4. Presence of the physical symptoms of drug or alcohol use, i.e., glassy or bloodshot eyes, alcohol odor on breath, slurred speech, poor coordination and/or reflexes.
- 5. The possession of substances in violation of the District's drug and alcohol policy.

B. The employee may be asked to submit to blood and urine testing by a qualified medical physician or hospital at District's expense and on District's time. A group representative may be present during the discussion if the employee so requests. Prior to testing, the administrator or supervisor shall secure a signed release statement from the employee to have the hospital/physician release medical information to the District.

The employee who refuses to consent to a drug and alcohol test when reasonable suspicion of drug or alcohol use has been identified may be subject to disciplinary action based upon the facts and circumstances that led to the reasonable suspicion.

C. A positive result from the drug and/or alcohol analysis may result in disciplinary action. The District retains the right to discipline and terminate from employment any employee testing positive for drug/alcohol use, without first having to offer that employee an opportunity for treatment or rehabilitation.

D. Supervisors are required to detail in writing the specific facts, symptoms or observations which form the basis for their determination that a reasonable suspicion existed to warrant the testing of an employee.

Testing Procedures

Drug/alcohol testing will be done within two hours or as soon as possible following request for testing.

Urgent Care of the Black Hills in Rapid City has been selected to provide drug/alcohol testing. The selection of a single laboratory will insure one standard chain of custody procedure and consistency of processing throughout the District. The District may use its discretion to select an alternate laboratory if it feels Urgent Care of the Black Hills cannot meet the requirements of the testing.

The administrator, supervisor, or school liaison officer will escort the employee to the Urgent Care of the Black Hills or alternate facility for testing. If after testing the employee is deemed unfit to continue working, he/she will be suspended pending further investigation and the results of the drug/alcohol testing.

The results of such testing shall be given to the Office of the Superintendent. The Superintendent and the administrator or supervisor will meet with the employee to discuss the situation, test results, and future actions.

Nothing contained herein shall prohibit the District from requiring an employee to submit to a portable breath test and/or a blood test in the case of suspected alcohol use.

The employee may request that re-testing be done at a facility of his/her own choosing. Such re-testing must be done on the same sample as was originally tested and at the employee's own expense.

Any attempt to falsify test samples or results shall be grounds for immediate dismissal.

Confidentiality

Information obtained on individuals as part of the drug screening test or pursuant to this policy will be disclosed only to those persons having legitimate need for it. Medical records pertaining to drug or alcohol use are confidential, and access to such records shall be in accordance with the District policy. Medical records are not kept in the personnel file.

Any person who believes that Meade School District 46-1 or any part of the school organization has inequitably applied the principles and/or regulations of Title VI, Title IX, Title X, Part C, Section 504, ADA, or the Age Discrimination Act may file a grievance. The District coordinators for each of these programs are Title VI and Title IX-Maranda McGillivray, 605-347- 2523, ADA-Brett Burditt, 605-347-2523, Section 504-Melissa Pankratz 605-347-4770, Title X, Part C-Chrissy Peterson, 605-347-4770. Such answer shall a) confirm or deny each fact alleged in the grievance; b) indicate the extent to which the grievance has merit; and c) indicate acceptance or rejection of any desired redress specified by the grievant, or outline an alternative proposal for redress. Within ten (10) business days of the receipt of the written grievance, the coordinator shall submit a written reply to the grievant.

LEVEL II --- If the grievant is not satisfied with the resolution of the grievance at Level I, he/she may submit a written statement of appeal to the Superintendent within five (5) business days of receipt of the written reply of the coordinator. The Superintendent shall meet with all parties involved, formulate a conclusion, and respond in writing to the grievant within ten (10) business days.

LEVEL III -- If the grievant remains unsatisfied, he/she may submit a written statement of appeal to the School Board within five (5) business days of receipt of the written reply of the Superintendent. The School Board shall meet with the concerned parties and/or their representatives no later than the next regular School Board meeting following receipt of the appeal. A copy of the Board's disposition of the appeal shall be sent to the grievant within ten (10) business days of the meeting.

LEVEL IV -- If the grievant still is not satisfied, he/she may appeal to the Kansas City Office, Office for Civil Rights, U. S. Department of Education, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114-3302, 816-268-0550, Fax: 816-823-1404, TDD: 877-521-2172, Email: OCR.KansasCity@ed.gov

If the coordinator or the Superintendent fails to reply within the specified time limits, the grievance shall automatically advance to the next Level.
- 3) The grievant has the right to be represented at his/her expense by knowledgeable persons, organizations, or groups of his/her selection at any point during the initiation, filing, or processing of the grievance. The coordinator shall provide help in identifying such knowledgeable persons or groups.
- 4) The District shall provide assistance to the grievant, including access to copies of the regulations, related guidelines, memoranda, and other relevant materials supplied to the District by the Federal government, and access to public grievance records. In addition, the coordinator and designated representatives shall provide consultation

and assistance in the interpretation of such information and the use of the grievance procedure.

- 5) The grievant and the District shall jointly determine whether any grievance hearing or other grievance procedure shall be open to the public or open only to participants.
- 6) No person shall be subject to discharge, suspension, discipline, harassment, or any form of discrimination for having utilized or having assisted others in the utilization of this grievance procedure.
- 7) It should be understood that a complaint can be made to the Office for Civil Rights without following the District's grievance procedure, but the grievance procedure provides a method for getting a prompt and equitable resolution of a complaint.

I. TERMS OF CONTRACT

Definitions

“Contract Days” means annual contract days.

“Per Diem” means the total salary divided by contract days.

The provisions of this contract shall be effective as of July 1, 2025, and shall continue in effect through June 30, 2026, for all administrators. If terms of a successor contract are not arrived at, the terms of this contract shall remain in effect until a successor contract is established.

Non-probationary administrators will have a rolling two-year contract. Unless either party gives the other party written notice on or before June 30 of each year, the term will automatically be extended for an additional year as of midnight on June 30 of each year. Such one-year extension shall continue indefinitely until one party provides the requisite written notice. If the written notice is given, the contract will continue to the end of the term's most recent extension. The Administrator shall have no recourse if the BOARD chooses to end the automatic renewal of their individual Employment contract.

Probationary administrators are those in their first four (4) years of employment and are not eligible for rolling two-year contracts. Probationary administrators will be notified no later than April 1 of the Board's intent to not renew their contract. A contract will be renewed unless such notice is given on or before April 1.

The District may reduce an Administrator's position for any reason notwithstanding any other applicable laws or rules using Reduction in Force. If the District engages in such reduction in force to reduce the number of Administrator positions as a result of a reduction in force or an Administrator refuses a transfer, the two-year rolling contracts will not apply to such Administrator. If an Administrator's contract is not renewed due to a Reduction in Force, notice must be given before midnight on April 15th.

All administrative positions are considered exempt according to the Federal Labor Standards Act (FLSA).

II. SALARIED POSITIONS and DAYS

Director of Activities (245)
Curriculum Director (245)

The Superintendent and Business Manager shall not be part of group negotiations and individual contracts will reference this contract for leave benefits, health insurance contributions.

III. ASSIGNMENT AND TRANSFER

In order to make the best use of the capabilities of the administrative staff, the Superintendent has the sole and exclusive right to transfer Administrators from one assignment to another and may take place throughout the contract year. The intent of this reassignment shall be to serve the best interest of the students, staff and district. The following guidelines should be observed, if possible, when implementing assignments and transfers.

1. Reassignments should be discussed with Administrators as early in the school year as possible.
2. Administrators considered for transfer shall have full opportunity to express their views about the proposed change and to suggest alternatives.

If an administrator is transferred to a position with a lower salary the administrator

shall be held at the current administrative salary (no raise) until compensation of peer position has risen to the same level. Salary will be adjusted if moved to position with fewer days. Teaching assignments reassigned to, if available, will be given credit for years of experience and education in teaching and administration. The new assignment will be placed accordingly on the teacher seniority list based on years of experience in Meade School District and will include the appropriate teacher salary schedule.

Administrators may be reassigned to the classroom if a position in which they are certified or willing to become certified is available, and the reassignment does not require a Reduction in Force of a teacher. Refusal of transfer will require resignation from all administrative positions.

A voluntary request for transfer to a teaching position must be made in writing to the superintendent. The superintendent will decide on transfer.

IV. HEALTH INSURANCE

Administrators shall be provided district health insurance contributions calculated by using the district annual contribution to teacher health insurance divided by nine (9) months and then multiplied by twelve (12) months. This result will be the district annual health insurance contribution to administrators.

Administrators with a spouse employed by the Meade School District and eligible for district health insurance contribution may choose the district contribution for two (2) single premiums when two (2) district single contributions for teachers is greater than \$16,392.

V. RETIREMENT PAY

Currently employed administrators who have completed a total of ten (10) years of full-time experience (or equivalent part-time experience) in the District as a teacher or administrator, but less than five years as an administrator, shall receive a retirement pay benefit equivalent to the sick leave reimbursement given to teachers who retire. The retirement pay benefit shall not apply to any administrator whose contract is not renewed ~~after the due process procedures specified in Article II have been followed.~~

VI. SICK LEAVE

Administrators may participate in the voluntary Sick Leave Bank.

VII. FAMILY AND MEDICAL LEAVE

IX. UNUSED SICK/PERSONAL LEAVE

On an annual basis, an administrator's unused personal days will be rolled into his/her accumulated sick leave. As an alternative, an administrator may annually request reimbursement for unused personal days at a rate of \$150 per day. Said request must be made by June 1 of the current school year.

X. HOLIDAYS

245 day administrators will follow the calendar for 12 month employees.

XI. VACATION LEAVE

Five (5) days of vacation leave may be directed to SDRS-SRP at per diem rate at district expense. No more than five (5) days of vacation may be taken while students are in session without superintendent permission.

Vacation days may not be used during the first five (5) days of student attendance in the fall or during the last ten (10) days of student attendance in the spring. If such days need to be used during that time, superintendent approval is required.

An Administrator who resigns will be compensated for accumulated vacation days at their per diem rate. If an Administrator resigns after a contract for the next year is signed, he/she will forfeit all accumulated vacation rights unless the resignation is a reason of the Administrator's health or other reasons found acceptable by the Board.

XII. Association Leave

An Administrator serving in a state or national office of a professional organization will be granted professional leave as mutually agreed upon by the administrator and the superintendent.

XIII. FLEX Days

Five (5) flex days per year and cannot be used on student contact days. Flex days are days in which the employee may work away from the district buildings.

XIV. EARLY RETIREMENT INCENTIVE

The Board reserves the right to offer early retirements at the discretion of the school board. School board decisions may include timing of requests, amounts, years of service, and agreement language in which the board chooses.

XV. SURVIVOR BENEFITS

In the event that an administrator dies while in contractual service to the district, an administrator, who has ten (10) years of service as an administrator in the district, will be considered retired and all retirement benefits accrued at the time of death shall be paid to the administrator's surviving spouse or other designated beneficiary in accordance with the established pay-out schedule.

XVII. PROFESSIONAL DUES

The District shall pay one state and one national dues required for membership in the administrator's professional organizations, upon approval of the superintendent.

XVIII. NATIONAL CONFERENCES/PROFESSIONAL DEVELOPMENT

Administrators shall be allocated \$3,000 for expenses to attend national conferences. A rotation system will be established to determine which administrators receive this allocation. Attendance to a national conference shall require superintendent approval.

3

XIX. INTERIM ASSIGNMENT

If an assistant administrator is assigned interim placement as Principal or Director for a period of 2 weeks or longer due to emergency circumstances the interim will receive 75% of the difference in salary based on a daily rate for all days assigned as Interim. Designation of Interim will be at the discretion of the superintendent based on each individual situation.

XX. LIQUIDATED DAMAGES

If the administrator requests to be released from his/her individual contract prior

to its terminal date, and the School Board agrees to the release, the School District may withhold monies due the administrator or collect from the administrator .7% of their current salary as liquidated damages if such termination occurs after June 1st, 1.4% after June 15th, 2.7% after July 1st, 4.1% after August 1st, 5.4% after August 15th.

With two year rolling contracts liquidated damages will apply only to the contract year that is in force and not the second year of the rolling contract.

XXI. Non-binding language to clarify continued effort by both board and administrators.

It is the intent of the school board to use similar school districts in size (SD DOE enrollment 5th – 16th in k-12 enrollment size) as comparable for salary (days and benefits will not be calculated). This will only be done when finances allow with no set time schedule.

- Meade will attempt to be 8th or better in average salary of the comparable schools by position when funding allows.
- When available, prioritization of additional compensation will be focused on 1) base teacher pay (effectively supporting all teacher increases) and hourly employees 2) assistant principals/directors and then administrator pay with positions ranking 9-11 getting additional funding.

XXII. Contract History Notes

In 2024-25, administrators lowered the district contribution to health insurance. Increase in salary is due to the shift from insurance benefit to salary. This was done at no additional cost to the district.

In 2025-26:

SDRS-SRP was added and personal leave was eliminated.

An administrator, upon retirement from the Meade School District and who is eligible for the South Dakota Retirement System, shall receive as retirement pay the number of days of unused sick leave times \$150.00. The payment will be made on the regularly scheduled payroll in July following the retirement to the South Dakota Retirement System Special Pay Plan. Currently employed administrators who have completed a total of ten (10) years of full-time experience (or equivalent part-time experience) in the District as a teacher or administrator, but less than five years as an administrator, shall receive a retirement pay benefit equivalent to the sick leave reimbursement given to teachers who retire. The retirement pay benefit shall not apply to any administrator whose contract is not renewed ~~after the due process procedures specified in Article II have been followed.~~

VI. SICK LEAVE

Administrators shall receive the same sick leave benefits as the teachers. Administrators may participate in the voluntary Sick Leave Bank. At 210 days an additional day of sick leave will be added. At 220 days an additional day will be added. Maximum of 10 sick days per year.

On an annual basis, an administrator's unused personal days will be rolled into his/her accumulated sick leave. As an alternative, an administrator may annually request reimbursement for unused personal days at a rate of \$150 per day. Said request must be made by June 1 of the current school year.

X. HOLIDAYS

Day contract administrators will have all holidays but July 4th.

XI. Association Leave

An Administrator serving in a state or national office of a professional organization will be granted professional leave as mutually agreed upon by the administrator and the Superintendent.

XIII. SURVIVOR BENEFITS

In the event that an administrator dies while in contractual service to the district, an administrator, who has ten (10) years of service as an administrator in the district, will be considered retired and all retirement benefits accrued at the time of death shall be paid to the administrator's surviving spouse or other designated beneficiary in accordance with the established pay-out schedule.

Designation of Interim will be at the discretion of the superintendent based on each individual situation.

XVIII. LIQUIDATED DAMAGES

If the administrator requests to be released from his/her individual contract prior to its terminal date, and the School Board agrees to the release, the School District may

withhold monies due the administrator or collect from the administrator .7% of their current salary as liquidated damages if such termination occurs after June 1st, 1.4% after June 15th, 2.7% after July 1st, 4.1% after August 1st, 5.4% after August 15th.

With two year rolling contracts liquidated damages will apply only to the contract year that is in force and not the second year of the rolling contract.

XIX. Non-binding language to clarify continued effort by both board and administrators.

It is the intent of the school board to use similar school districts in size (SD DOE enrollment 5th – 16th in k-12 enrollment size) as comparable for salary (days and benefits will not be calculated). This will only be done when finances allow with no set time schedule.

- Meade will attempt to be 8th or better in average salary of the comparable schools by position when funding allows.
- When available, prioritization of additional compensation will be focused on 1) base teacher pay (effectively supporting all teacher increases) and hourly employees 2) assistant principals/directors and then administrator pay with positions ranking 9-11 getting additional funding.

XX. Contract History Notes

In 2024-25, administrators lowered the district contribution to health insurance. Increase in salary is due to the shift from insurance benefit to salary. This was done at no additional cost to the district.

In 2025-26:

Added 1 day to all contracts at \$540 per administrator.

Although positions may remain temporarily unfilled, or the number of persons holding the same type of position reduced in event of de-staffing requirements, only the board may abolish a position it has created.

Note: Job descriptions and specifications are available for review in the human resources office.

SUPPORT AND PROFESSIONAL/TECHNICAL STAFF POSITIONS -- PHYSICAL EXAMINATION REQUIRED (GDA*)

All persons applying for a position as custodian, maintenance worker, computer technician or food service worker with the District shall, as a condition of employment, receive a physical examination from a medical doctor chosen by the District to perform said physical examination. The fee for the physical examination and any related costs or tests shall be borne by the District. The medical doctor shall determine if the applicant for the position is physically able to perform the duties of that position as set forth in the job description. The medical doctor shall then report his/her findings to the Superintendent or his/her authorized designee. If the doctor determines that the applicant is physically unable to perform the duties of that position, and the report so indicates, the application for employment may be denied.

PAYROLL PROCEDURES

For hourly employees, payroll will be based on a bi-weekly reporting/pay period and processed every other Friday. Personnel shall complete an electronic/paper timesheet every two weeks, and timesheets shall be due on the Tuesday following the second Friday of the pay period.

Employees that are classified as the Med/Tech trained staff in the building can be paid a stipend up to \$750 annually. This will be based on superintendent approval.

Maintenance employees will rotate through on-call status in months November through April. This will be on a weekly basis, running Monday-Sunday for after-hours and weekend issues that arise. The weekly rate for being on-call is \$200. The employee will be required to be within 30 minutes of Sturgis and able to come in if necessary to deal with issues. All vacation days are earned and accumulated monthly according to the employees' rate of employment. All leave hours shall be taken according to the hours of the individual employee's regular scheduled workday.

Employees who earn vacation can carry over no more vacation days or hours earned in a fiscal year.

An employee's vacation time will be pro-rated from the date of hire to the end of the current fiscal year. After that time, the fiscal year for earning vacation shall be July 1st to June 30th. Vacation time may accrue but may not be used until completion of two (2) months of employment.

12-month staff under all handbooks will have the option to request 1/6 of their annual accrual of vacation balance be paid into their SD Supplemental retirement account at

their daily rate of pay. If this is used, unpaid leave will be unavailable to the employee for that year unless there is an emergency situation in which the superintendent may grant the leave.

If the employee's performance is found to be satisfactory, he/she will be placed on regular employment status at the conclusion of the probationary period. If the employee's performance is found to be unsatisfactory, he/she may be separated without recourse at any time during the probationary period.

The employee shall receive pay for all available earned vacation time as a separation benefit upon the Board's acceptance of the resignation. Failure to comply with the two (2) week deadline may result in the forfeiture of said benefit. Employees who resign and apply for re-employment, if re-employed in the same position, may be placed at the same step of their prior employment, at the discretion of the superintendent.

RETIREMENT BENEFIT FOR PROFESSIONAL/TECHNICAL AND SUPPORT STAFF (GDPC)

The employee must submit their retirement letter to the superintendent with at least two (2) weeks' notice to receive this benefit.

DISCIPLINE

Meade School District professional/technical and support staff will use a disciplinary system that includes, but isn't limited to, a verbal warning, first written warning, and second written warning. The employee's supervisor will use the form found on the district website to document the reason, details and corrective action that need to be taken, up to and including a request for termination. A copy of the disciplinary action form will be placed into the employee's personnel file.

SUSPENSION AND DISMISSAL OF PROFESSIONAL/TECHNICAL AND SUPPORT STAFF MEMBERS (GDPD)

Meade School District is an "at-will" employer and operates under the provision that employees have the right to resign their position at any time, with or without notice and with or without cause. The District has similar rights to terminate the employment relationship at any time, with or without notice and with or without cause. The superintendent may suspend without pay and/or terminate an employee without recourse at any time.

STAFF HEALTH (GBE)

The board may require an employee returning from a leave for health reasons to submit a certification of health from a physician. The employee will not be permitted to return to work if the physical condition would be a hindrance in the performance of assigned duties.

Employees who are injured while acting in the scope of their employment shall receive such compensation and expenses as are prescribed by the worker's compensation law of South Dakota. Such compensation shall be supplemented with an amount sufficient to maintain the employee's regular salary for a period not to exceed the accumulated sick leave reserve.

USE OF ALCOHOL AND OTHER DRUGS BY EMPLOYEES
(DRUG-FREE WORKPLACE POLICY) (GBED*)

The District prohibits the unlawful manufacturing, distributing, selling, dispensing, possessing, using, or being under the influence of alcohol and/or other drugs in the workplace.

Any employee who violates this policy will be subject to disciplinary action which may include dismissal and referral for prosecution. It shall be a condition of employment in the District that each employee must abide by the terms of this policy and shall notify the Superintendent of any criminal alcohol and/or drug statute conviction for any alcohol and/or drug violation no later than five (5) days after conviction. Within thirty (30) days after receipt of such notification, one of the following actions shall be taken:

- a) Appropriate personnel actions, including possible suspension or termination.
- b) Requiring the employee to participate satisfactorily in an alcohol and/or other drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency. An employee who requests assistance shall be provided a listing of the regional treatment facilities or agencies to assist him/her in their choice of a service provider.
- c) Possible referral for prosecution.

Information will be provided to all new employees to advise them about the dangers of alcohol and other drug use in the workplace, the District's policy of maintaining a drug-free workplace, any available drug-counseling, rehabilitation, and employee assistance programs, and the disciplinary sanctions that may be imposed upon employees for alcohol and/or other drug use/abuse violations. A copy of this policy will be provided to each new employee. This policy will be reviewed annually with all employees in each administrative unit and will be incorporated into all employee handbooks.

All convictions of employees for violating any criminal drug statutes shall be reported to the federal agencies that provide grants to the District, as required by law.

When an on-duty staff member has consumed alcohol off school property and/or before a school activity, the staff member will not be allowed on school property or to participate in school activities. Staff members who violate this regulation will be subject to the same disciplinary sanctions as for possession or consumption on school property.

Reasonable Suspicion

A. The District may request an employee to undergo drug and alcohol testing if there is a reasonable suspicion that the employee is under the influence of or has drugs or alcohol in his or her system during work hours. There shall be no random testing. Circumstances which constitute a basis for determining a reasonable suspicion may include, but are not limited to:

- 1. A pattern of abnormal or erratic behavior which is so unusual that it warrants summoning a supervisor, department head, or someone else for assistance.
- 2. Information provided by a reliable and credible source with personal knowledge.
- 3. Direct observation of drug or alcohol use.
- 4. Presence of the physical symptoms of drug or alcohol use, i.e., glassy or bloodshot eyes, alcohol odor on breath, slurred speech, poor coordination and/or reflexes.

5. The possession of substances in violation of the District's drug and alcohol policy.

B. The employee may be asked to submit to blood and urine testing by a qualified medical physician or hospital at District's expense and on District's time. A group representative may be present during the discussion if the employee so requests. Prior to testing, the administrator or supervisor shall secure a signed release statement from the employee to have the hospital/physician release medical information to the District.

The employee who refuses to consent to a drug and alcohol test when reasonable suspicion of drug or alcohol use has been identified may be subject to disciplinary action based upon the facts and circumstances that led to the reasonable suspicion.

C. A positive result from the drug and/or alcohol analysis may result in disciplinary action. The District retains the right to discipline and terminate from employment any employee testing positive for drug/alcohol use, without first having to offer that employee an opportunity for treatment or rehabilitation.

D. Supervisors are required to detail in writing the specific facts, symptoms or observations which form the basis for their determination that a reasonable suspicion existed to warrant the testing of an employee.

Testing Procedures

Drug/alcohol testing will be done within two hours or as soon as possible following the request for testing.

Urgent Care of the Black Hills in Rapid City has been selected to provide drug/alcohol testing. The selection of a single laboratory will insure one standard chain of custody procedure and consistency of processing throughout the District. The District may use its discretion to select an alternate laboratory if it feels Urgent Care of the Black Hills cannot meet the requirements of the testing.

The administrator, supervisor, or school liaison officer will escort the employee to the Urgent Care of the Black Hills or alternate facility for testing. If after testing the employee is deemed unfit to continue working, he/she will be suspended pending further investigation and the results of the drug/alcohol testing.

The results of such testing shall be given to the Office of the Superintendent. The Superintendent and the administrator or supervisor will meet with the employee to discuss the situation, test results, and future actions.

Nothing contained herein shall prohibit the District from requiring an employee to submit to a portable breath test and/or a blood test in the case of suspected alcohol use. The employee may request that re-testing be done at a facility of his/her own choosing. Such re-testing must be done on the same sample as was originally tested and at the employee's own expense.

Any attempt to falsify test samples or results shall be grounds for immediate dismissal.

Confidentiality

Information obtained on individuals as part of the drug screening test or pursuant to this policy will be disclosed only to those persons having legitimate need for it. Medical records pertaining to drug or alcohol use are confidential, and access to such records shall be in accordance with the District policy. Medical records are not kept in the personnel file.

Review

A biennial review of the District's program will be made in order to determine the program's effectiveness and implement changes, if needed, and to ensure that disciplinary sanctions are consistently enforced.

The District coordinators for each of these programs are Title VI and Title IX-Maranda McGillivray, 605-347-2523, ADA-Brett Burditt, 605-347-2523, Melissa Pankratz, Section 504, 605-347-4770, Title X, Part C-Chrissy Peterson, 605-347-4770. Within ten (10) business days of the receipt of the written grievance, the coordinator shall submit a written reply to the grievant.

LEVEL II --- If the grievant is not satisfied with the resolution of the grievance at Level I, he/she may submit a written statement of appeal to the Superintendent within five (5) business days of receipt of the written reply of the coordinator. The Superintendent shall meet with all parties involved, formulate a conclusion, and respond in writing to the grievant within ten (10) business days.

LEVEL III -- If the grievant remains unsatisfied, he/she may submit a written statement of appeal to the School Board within five (5) business days of receipt of the written reply of the Superintendent. The School Board shall meet with the concerned parties and/or their representatives no later than the next regular School Board meeting following receipt of the appeal. A copy of the Board's disposition of the appeal shall be sent to the grievant within ten (10) business days of the meeting.

LEVEL IV -- If the grievant still is not satisfied, he/she may appeal to the Kansas City Office, Office for Civil Rights, U. S. Department of Education, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114-3302, 816-268-0550, Fax: 816-823-1404, TDD: 877-521-2172, Email: OCR.KansasCity@ed.gov

- 2) If the grievant fails to appeal from Level I to Level II or from Level II to Level III within the specified time limits, the grievance shall be considered null and void. If the coordinator or the Superintendent fails to reply within the specified time limits, the grievance shall automatically advance to the next Level.

- 3) The grievant has the right to be represented at his/her expense by knowledgeable persons, organizations, or groups of his/her selection at any point during the initiation, filing, or processing of the grievance. The coordinator shall provide help in identifying such knowledgeable persons or groups.
- 4) The District shall provide assistance to the grievant, including access to copies of the regulations, related guidelines, memoranda, and other relevant materials supplied to the District by the Federal government, and access to public grievance records. In addition, the coordinator and designated representatives shall provide consultation and assistance in the interpretation of such information and the use of the grievance procedure.
- 5) The grievant and the District shall jointly determine whether any grievance hearing or other grievance procedure shall be open to the public or open only to participants.
- 6) No person shall be subject to discharge, suspension, discipline, harassment, or any form of discrimination for having utilized or having assisted others in the utilization of this grievance procedure.
- 7) It should be understood that a complaint can be made to the Office for Civil Rights without following the District's grievance procedure, but the grievance procedure provides a method for getting a prompt and equitable resolution of a complaint.

SEXUAL HARASSMENT (ACAA & ACAA-R(1)*)

I. It is the policy of Meade School District 46-1 to maintain a learning and working environment that is free from sexual harassment. Any subsequent action taken shall be consistent with the results of the investigation and with Section V of this policy should the charges be substantiated. Filing of a Title IX grievance or otherwise reporting sexual harassment will not reflect upon the individual's status nor will it affect future employment, grades, or work assignments. - a. The application for reemployment is timely;
- b. The five-year service limitation has not been exceeded; and separation from service was under honorable conditions.

XIII. GRIEVANCE PROCEDURE

A. Definition - The word "grievance" as used in this Agreement shall mean a complaint by an employee, group of employees or the grievant based upon an alleged violation, misinterpretation or inequitable application of any existing agreements, contracts, policies, rules or regulations of Meade School District 46-1 as they apply to conditions of employment. A grievant is defined as anyone signing a grievance.

B. Immediate Supervisor - Whenever any employee or group of employees has a grievance, they shall meet informally with the immediate supervisor within thirty-five (35) days of the occurrence in an attempt to resolve the issue. If informal procedures do not resolve the matter, and if the grievant wishes to proceed, the grievant must submit a formal written statement of the grievance to the immediate supervisor of the grievant within ten(10) days after the informal meeting. The immediate supervisor shall set a meeting date as soon as possible, but in any event, no later than seven (7) days after the written grievance has been filed. Within seven (7) days after the meeting, the immediate supervisor shall serve a written disposition of the matter upon the party or parties involved.

C. Superintendent of Schools - If the grievance is not resolved by the immediate supervisor, the grievant may refer the grievance to the superintendent or the superintendent's official designee within seven (7) days of the immediate supervisor's written disposition of the grievance. The superintendent shall arrange with the grievant a meeting to take place as soon as possible, but not later than five (5) days of the filing of the grievance. Within five (5) days of the meeting, the grievant shall be provided with the superintendent's written response, including the reasons for the decision.

D. School Board - Within five (5) days after receipt of the above disposition the grievant may, if the grievance remains unsolved, appeal to the School Board. The Board shall hold a formal hearing no later than its next regularly scheduled meeting and serve a written disposition of the matter on the party or parties within five (5) days after the hearing. Should the grievant believe that it is necessary for the Board to hear the grievance prior to its next regularly scheduled meeting, the grievant may request that the Board hold a special meeting for this purpose; the President of the Board shall decide whether to honor this request.

E. Division of Labor and Management Relations - The grievant may, if the grievance remains unresolved after the Board hearing, within 20 days after the delivery of the Board's disposition, appeal in writing on forms prescribed by the Division; and the Division shall conduct a formal hearing and issue a binding order covering the points raised.

F. Time Limits - If the employees fail to file the grievance or appeal within the time limits established, the grievance shall be considered void. Once a grievance has been initiated, the time limits specified herein may be extended by mutual agreement of both Parties. In the event that a grievance is filed at such time that it cannot be processed through all steps of this procedure by the end of the school year, the time limit set forth herein shall be reduced by mutual agreement so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

G. Special Grievances - A grievance involving the actions of an administrator with District-wide responsibilities (such as Curriculum Coordinator or Director of Activities) is to be filed as provided in Section 7.2, and the administrator involved will be considered to be the

immediate supervisor for the purpose of processing the grievance. Class grievances involving more than one immediate supervisor may be initially filed with the superintendent as provided in Section 7.3.

H. No Reprisals Clause - No reprisals shall be taken by the Board or the administration against any employee because of the employee's participation in a grievance.

I. Released Time - Should the investigation or processing of any grievance require that an employee be released from their regular assignment, the employee shall be released without loss of pay or benefits.

J. Filing of Materials - All records related to a grievance shall be filed separately from the personnel files of the employee.

K. Grievance Withdrawal - A grievance may be withdrawn at any level without establishing precedent.

L. Days Defined - "Days" as used in this Article shall mean working days.

M. Waiver of Steps - In the event the requested remedy is beyond the power of the immediate supervisor to grant, the grievance may be filed initially with the superintendent as provided in 7.3 of this Article. If the superintendent does not have the power to grant the requested remedy, the grievance may be filed initially with the Board as provided in 7.4 of this Article.

N. Discovery – The purpose of a grievance hearing is the full and fair presentation of the case by the grievant and the Superintendent to the School Board or Department of Labor ("DOL") without surprise or presentation of previously un-disclosed materials. If a grievance is appealed to the School Board or DOL, the grievant/grievant's representative and the superintendent/superintendent's representative shall fully disclose to the other party at least three (3) working days prior to the School Board/DOL hearing all the materials to be presented.

XIV. EVALUATIONS

Contracted staff will be evaluated on a yearly basis in their first three years in the district. Following that, evaluations will be done every other year. The evaluation model will be determined by the superintendent, administrator, and employee group to be discussed each year during negotiations.

MEA and Administrative representatives agree on the following guidelines for FMLA leave expectations of teachers. During negotiations in the spring of 2026, the group will re-evaluate how this worked and if changes need to be made.

1. Expectation before teachers go on planned FMLA leave.

Example: Pre-Absence(Rough Draft per subject)

- A. Lessons per week(s) absent; time presented; work/practice time for student
- B. 1. Daily Work>3 a week(think report card)
- C. 2 Tests> 2 every 2 weeks(think report card)

2. Communication while on leave
 - a. Email - not required to answer parent emails. You are responsible for staying connected with your employer on information regarding leave, payroll, etc.
 - b. Plan for returning, length of leave, communication with substitute
3. No meetings or grading is required while on leave.
 - a. If a teacher wants to attend IEP, P/T conferences, in-service they may with principal approval. Time will be tracked by the hour and given back to sick leave balance.
 - b. If another teacher helps with report cards, grading, conferences, etc - pay will refer to the overload section in the MEA Negotiated Agreement. This would need to be approved by the principal or superintendent prior to commitment.
