NDE is saying it needs to come from the district where he lives. The school will need to accept him as a student then release him as a dropout. Mr. Shepard contacted KSB law said the BOE needs to accept his enrollment by a motion, and we will exit him and sign the NDE required form Withdrawal from Attendance

V. Public Comment & Recognition of Guests

Jaylon LaPlante asked the board for permission to use the school van as backup for the Vegas Basketball Tournament next week.

Lizzie Swalley - letter submitted to the Board by Chris Swalley. A discussion was held on the hiring process.

Questioning directed towards Mr. Shepard as to why the letter was not added to the Board agenda. President LaPlante commented that he and Mr. Shepard discussed it, and it was decided that this would be presented by an individual during public comment. Mr. Shepard did say he felt making a letter addressed to him and the Board would be inappropriate in regards to employee names being a part of this discussion and may or may not be present. The Board stated the questions were inappropriate and discriminatory. Mr. Shepard stated he didn't feel the questions were inappropriate. It was stated that in the past, the Board discussed having two members as a part of their interview process and should this be reconsidered?

It was asked **who** was the recruiter and how that is determined? By which Mr. Shepard explained **that** Raya was **chosen due to availability and ability**. Susan Pike brought a letter to the Board discussing student, teacher and parent interactions. Mr. Shepard also asked if we were to have all the letters and complaints added to the board agenda in the future. The Board directed Mr. Shepard to send letter from Mr. Swalley to attorneys to determine whether questioning was appropriate.

It was moved by Larry Thomas and seconded by Susan Pike to approve the minutes of the March 19, 2025 Special Board meeting and March 11, 2025 Regular Board meeting with corrections concerning names and recruiting..
