Parks, Rec, and Tree Advisory Committee Sep 14th, 2026

Call to Order: 5:30 pm

Public Comments: Justin Evertson and Logan Hesterman came to invite members of committee to a "Green up Waverly" meeting on the 29th, spoke on what the group is wanting to accomplish.

Directors report: 4 pickleball courts were painted on the tennis courts. Fall soccer has been effected a lot by the rain and High heat index, causing rescheduling of the first 2 weeks of Tuesday night soccer and first and 3rd week of Thursday Soccer.

Flag Football is going good, has had to move the Super Bowl date back a week to October 17th due to canceling most games this past weekend due to Lightning.

Adult volleyball has 5 registrants, registration closes October 9th

New Business:

Presented Waverly Community Recreation facility Survey. Would we be able to continue half cent sales tax from pool bond to raise money for this project. Fear adding any property tax would not be passed by community members. Clayton is going to continue editing and present final survey in October, so we can publish and start getting responses afterwards

Presented RFP and asked for ideas to add to it for the coming Parks and Rec Masterplan. Want to add community walking paths to existing agreements, connecting parks with walking trails, recreation center location and options for project.

Other business:

Trees for Nebraska Towns grant trees arriving September 24th

Next meeting October 5th.
