Re: Bids Received 08/13/26 – Guaranteed Maximum Price

Mr. Liticker,

MacHill Construction received bids on the above referenced project as designed by Redland Childers Architects, on August 13th, 2026.

After thorough review of all bids received, we recommend proceeding with a Guaranteed Maximum Price of \$18,602,125. The GMP includes the cost of the early site and demo package that was approved on April 20, 2026

The GMP is based on the attached itemized budget which indicates the dollar amount and contractors that were the low and best qualified bids for the project; as well as budgeted items and contingency.

In 2 cases, the 2nd place bidder was accepted because the low bidder did not include the complete scope.

Please let me know if you have any questions in regards to the above.

Thank You,

Michael Barnes
MacHill Construction Management, LLC
