Superintendent Goals:

-Student-Centered: work on the Vocational program, more specifically Welding. **Go Big Give** on May 2. The Foundation has committed \$10,000 match if we raise \$10,000 in the 24-hour window on May 2. Last year the whole organization raised \$676,000 and the goal this year is 1M.

What is **Go Big GIVE**?

Go Big GIVE is a 24-hour, online giving event to grow philanthropy. **Go Big GIVE** occurs on the first Thursday in May (Thursday, May 2, 2019). **Go Big GIVE** inspires communities to come together for 24 hours to give as much as possible to support the work of nonprofits in Hall, Hamilton, Howard, and Merrick Counties. The minimum online donation is \$10, but every gift grows with added match pool funds and incentive prizes.

Go Big GIVE is based on other successful giving days hosted by community organizations across the country.

2. **Transportation:**

--Bus drivers are hard to find, and the training is a long process. We continue to advertise and recruit. If the problem continues over the summer months, we will have to re-align our routes to pick points to reduce the time and number of miles. Know someone that can drive, loves kids, and could experience the satisfaction of helping youth while earning money---tell them to be a bus driver for Centura.

3. **School days.** We used our last snow day last week. If we experience any more weather days, we will need to make them up by taking back one of our "off-days." Reminder: the approved calendar for next year has a little over three days in snow day hours built into the schedule.
