  - b. If the Superintendent determines that additional review is appropriate, he/she will refer the request for consideration by the crisis team.
  - c. The crisis team will consider:
    - i. The current research regarding the potential psychological harm that could be caused by a memorial;

  - vi. Any other factor which the crisis team deems relevant to its recommendation.
- d. After consideration of the factors outlined above, the crisis team will make a recommendation as to whether the prohibition against memorials should be waived.
  - e. The Superintendent will communicate the crisis team's recommendation to the individual requesting the memorial.
  - f. If the crisis team recommends waiver of the prohibition against memorials, the individual who made the initial request must inform the Superintendent if he/she wishes to ask the board to approve the memorial.

**Drug Free Workplace**

It is vitally important to have a healthy workforce that is free from the effects of illegal drugs. The use or possession of unlawful drugs in the workplace has a very detrimental effect upon safety and morale of the affected employee, coworkers, and the public at large; and on productivity and the quality of work.

Federal law requires this school district, as a recipient of federal funds, to maintain a drug-free workplace. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in the district's workplace is prohibited. The term "workplace" includes every location where district employees may be found during their working hours or while they are on duty, regardless of whether the location is within the geographic boundaries of the district. Any employee who violates this policy will be disciplined with measures up to and including discharge. The district may, in its sole discretion, require or allow an employee who violates this policy to participate in and satisfactorily complete a drug abuse assistance or rehabilitation program.

The district shall provide every current employee with a copy of this policy, and shall provide each newly hired employee with a copy upon hiring. Every employee shall be required to signify receipt of a copy of the policy in writing. All district employees must abide by this policy, including those who are not directly engaged in the performance of work pursuant to a federal grant.

An employee must notify his/her supervisor of any conviction of a criminal drug statute for a violation occurring in the workplace within five days. The failure to report such a conviction will be grounds for dismissal. If the employee convicted of such an offense is engaged in the performance of work pursuant to the provisions of a federal grant, the district shall notify the grant agency within 10 days of receiving notice of a conviction from the affected employee or of receiving actual notice of such a conviction.

## **4003 Drug Policy Regarding Drivers**

**Policy Statement.** Drivers for the school district must be free from drug and alcohol abuse, and the use of illegal drugs or improper use of alcohol is prohibited. The overall goal of drug and alcohol testing is to insure a drug-free and alcohol-free transportation environment, and to reduce accidents, injuries and fatalities.

**Designated Contact.** The school district has designated the Superintendent as the individual any driver may contact with questions about this policy or the school district's drug testing program and procedures for drivers. This individual further maintains and will provide drivers informational materials concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol or a controlled substances problem (the driver's or a co-worker's); and available methods of intervening when an alcohol or controlled substances problem is suspected, including confrontation, referral to any employee assistance program and/or referral to management.

The Superintendent may be contacted at [kheneger@centuraps.org](mailto:kheneger@centuraps.org).

**Covered Drivers.** Any person who operates a commercial motor vehicle on behalf of the school district is covered by this policy and the school district's drug testing program and procedures for drivers. All covered drivers must provide the school district a signed statement certifying that he or she has received a copy of this policy and related materials.

**Covered Workday.** A driver is required to comply with this policy and the terms of the school district's drug testing program and procedures for drivers at all times they are assigned, or may be assigned, to perform safety-sensitive functions. This includes all time from the time a driver begins to work or is required to be in readiness to work until the time he/she is relieved from work and all responsibility for performing work. Safety-sensitive functions include: (1) all time at a school district facility or property, contractor facility or property, or on any public property, waiting to be dispatched, unless the driver has been relieved from duty by the school district; (2) all time inspecting equipment as required by state or federal law or regulation and any and all other time inspecting, servicing, or conditioning any commercial motor vehicle; (3) all time spent at the driving controls of a commercial motor vehicle in operation; (4) all time, other than driving time, in or upon any commercial motor vehicle; (5) all time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or

receiving receipts for shipments loaded or unloaded; and (6) all time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

**Prohibited Conduct.** No driver shall: (1) report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater; (2) use alcohol while performing safety-sensitive functions; (3) perform safety-sensitive functions within four hours after using alcohol; or (4) refuse to submit to a pre-employment controlled substance, a post-accident alcohol or controlled substance test, a random alcohol or controlled substances test, a reasonable suspicion alcohol or controlled substance test, a return-to-duty alcohol or controlled substances test, or a follow-up alcohol or controlled substance test required under state or federal law or this policy. No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until he/she undergoes a post-accident alcohol test, whichever occurs first.

No driver shall: (1) report for duty or remain on duty requiring the performance of safety sensitive functions when the driver uses any drug or substance identified in 31 CFR 1308.11 Schedule 1; (2) report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any non-Schedule I drug or substance that is identified in the other Schedules in 21 CFR part 1308 except when the use is pursuant to the instructions of a licensed medical practitioner who is familiar with the driver's medical history and has advised the driver that the substance will not adversely affect the driver's ability to safely operate a commercial motor vehicle; or (3) report for duty, remain on duty or perform a safety-sensitive function, if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

**Types of Testing.** Pursuant to regulations promulgated by the Department of Transportation (DOT), the district has implemented four types of testing: (1) pre-employment testing, (2) reasonable cause testing, (3) post-accident testing and (4) random testing.

**Refusal to Submit to Testing.** A driver shall not refuse to submit to testing. A driver will be considered to have refused to submit to testing if the driver fails to provide a sample or specimen necessary for testing upon a lawful request, consistent with the required testing protocols. The refusal to submit to the testing used by the district will be grounds for refusal to hire driver applicants and to terminate the employment of existing drivers.

**Consequences for Violations.** Any driver who becomes unqualified on the basis of violation of the terms of this policy will be subject to disciplinary action which may include termination of the driver's employment, and shall include

the immediate removal from safety-sensitive functions in compliance with federal law. No driver tested pursuant to this policy and the school district's drug testing program and procedures who is found to have an alcohol concentration of 0.02 or greater but less than 0.04 shall perform or continue to perform safety-sensitive functions until the start of the driver's next regularly scheduled duty period, but not less than 24 hours following administration of the test.

**Return to Duty Process.** A driver who has violated this policy or the school district drug testing program and procedures cannot again perform any safety-sensitive functions until and unless the employee completes the return-to-duty process, including the substance-abuse professional's (SAP) evaluation, referral, and recommended education or treatment. The school district will provide employees the relevant contact information for available and acceptable SAPs as necessary, but the school district is not required under the law to provide a SAP evaluation or any subsequent recommended education or treatment for a driver. Any driver completing the return-to-duty process must complete a return-to-duty test and test negatively.

**Disqualification.** Any applicant who tests positive for the presence of the following drugs is medically unqualified to drive and will not be considered for the position of driver: (1) marijuana, (2) cocaine, (3) opiates, (4) amphetamines, or (5) phencyclidine (PCP). Any district driver who tests positive shall be medically unqualified and removed from service immediately.

**Pre-employment Testing.** All applicants for employment must submit to drug and alcohol tests as a condition of being considered for employment.

**Reasonable Cause Testing.** The district shall have reasonable cause to require a driver to submit to drug testing when a driver manifests physical or physiological symptoms or reactions commonly attributed to the use of controlled substances or alcohol.

**Post-Accident Testing.** A driver who has been involved in a reportable accident must submit to drug and alcohol testing as soon as possible. A reportable accident includes any accident in which there is a fatality, a person is injured and must be treated away from the accident site, the driver receives a citation for a moving violation, or a vehicle is towed from the scene. The driver must notify the district immediately regarding any reportable accident.

**Serious Injury to the Driver.** If a driver is so seriously injured that he or she cannot submit to testing at or immediately after the time of the accident, the driver must provide the necessary authorization for the district to obtain

hospital reports or other documents that would indicate whether there were controlled substances or alcohol in the driver's system.

**Random Testing.** All drivers will be subject to unannounced random testing for drugs and alcohol. The district or its agents will periodically select drivers at random for testing. A district official will notify a driver when his or her name has been selected and will instruct the driver to report immediately for testing. By its very nature, random selection may result in one driver being tested more than once in a 12-month period, while another driver may not be selected at all during the same 12 months.

**Frequency of Random Testing.** Under DOT regulations, the district must test at least 50 percent of its average number of driver positions for drugs and 25 percent of its average number of driver positions for alcohol each year. The tests must be unannounced and spread evenly throughout the year. DOT regulations also require that every driver selected at random must have his or her name placed back in the random pool for the next selection period.

**Testing Procedure.** All urine and blood specimens collected under the policy will be submitted to an approved laboratory for testing. Specimens that initially test positive for drugs will be subjected to a subsequent confirmation test before being reported by the laboratory as positive. All such specimens collected and submitted will be maintained securely to safeguard the validity of the test results and maintain the integrity of the testing process while ensuring the results are attributed to the correct driver.

**Medical Resource Officer.** All laboratory test results will be reported by the laboratory to a medical review officer (MRO) designated by the district. Negative test results will be reported as such by the MRO to the district. Before reporting a positive test result to the district, the MRO will attempt to contact the driver to discuss the test result. If the MRO is unable to contact the driver directly, the MRO will contact a district official designated in advance by the district, who shall in turn contact the driver and direct the driver to contact the MRO. Upon being so directed, the driver shall contact the MRO immediately or, if after the MRO's business hours and the MRO is unavailable, at the start of the MRO's next business day. If required by DOT regulations, personal information collected and maintained pursuant to this policy shall be reported to the Clearinghouse by the MRO in the event of: (1) a verified positive, adulterated, or substituted drug test result; (2) an alcohol confirmation test with a concentration of 0.04 or higher; (3) a refusal to submit to any test required by this policy and the school district's drug testing program and procedures; (4) an employer's report of actual knowledge that a driver has used alcohol or controlled substances based on the employer's direct observation of the employee, information provided by the driver's

previous employer(s), a traffic citation for driving a CMV while under the influence of alcohol or controlled substances or an employee's admission of alcohol or controlled substance use; (5) on duty alcohol use as prohibited above; (6) pre-duty alcohol use as prohibited above; (7) alcohol use following an accident as prohibited above; (8) controlled substance use as prohibited above; (9) a substance abuse professional report of the successful completion of the return-to-duty process; (10) a negative return-to-duty test; and (11) an employer's report of completion of follow-up testing.

**Confidentiality.** Pursuant to DOT regulations, individual test results for applicants and drivers will be released to the district and will be kept confidential unless the tested individual consents to their release or release is required by law (such as the release of information to the Clearinghouse.) Any person who has submitted to drug testing in compliance with this policy is entitled to receive the results of such testing upon timely written request.

**Retesting.** An individual who tested positive for the presence of drugs may request that the original sample be retested. The request for a retest must be submitted in writing on a form provided by the district within 3 working days of the district's notification to the individual that he or she has a positive test result. The individual making the request must pay all costs associated with the retest and transfer of the sample to another laboratory before the retest will be performed.

## **4004 Employment of Relatives, Domestic Partners and Significant Others**

It is in the school district's best interest to hire the best qualified candidate for employment. However, the district must use sound judgment in hiring and placing employees who are closely related, reside together as domestic partners, or are involved in close relationships for the following reasons: avoiding conflict of interest and the appearance of a conflict of interest; avoiding favoritism and the appearance of favoritism; promoting collegiality among employees; minimizing lost productivity; easing the task of managing employees; avoiding friction and conflict when marriages or relationships break down; and avoiding claims of sexual harassment.

For the purposes of this policy, the term "relative" refers to a spouse, child, parent, sibling, grandparent, grandchild, aunt, uncle, first cousin, or corresponding in-law or "step" relation. "Domestic partner" refers to individuals who reside in the same household and are involved in a relationship, who may hold themselves out to the public as marital partners, but who are not legally married. "Significant others" refers to individuals who are dating or engaged to be married but may or may not reside together. This policy applies to all categories of employment including regular, temporary, and part-time classifications.

Generally, an employee's relative, domestic partner, or significant other should not be hired to work in the same department as the employee or in any other position in which the district believes a conflict or the appearance of a conflict may exist. Relatives, domestic partners, and significant others are permitted to work at the district provided one does not report directly to, supervise, or manage the other. The superintendent and/or board may make exceptions to this general rule.

Employees in a supervisory-subordinate relationship or employed in the same department who marry, become domestic partners, or become significant others while employed will be treated in accordance with these guidelines, and one of the employees will be transferred at the earliest practicable time. The transfer will be voluntary when possible. When a voluntary transfer is not possible, the superintendent will make the decision based upon the importance of each job, the needs of the district, and the availability of candidates to fill either position. The district shall endeavor to place the transferred employee in a position

which is similar in terms of pay and benefits. The superintendent and/or board may make exceptions to this general rule.

The school district will grant an eligible employee who is the spouse, son, daughter, parent or next of kin of a Covered Servicemember a total of 26 workweeks of ***unpaid*** leave during a 12-month period to care for the service member as permitted under the FMLA. The leave described in this paragraph shall only be available during a single 12-month period.

For purposes of this provision and this policy, "Covered Servicemember" includes both Military Members and covered Veterans, so long as the covered Veteran was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran.

3. During the single 12-month period described in paragraph I(B)(2), an eligible employee shall be entitled to a combined total of 26 workweeks of leave under paragraphs I(B)(1) and I(B)(2). Nothing in this paragraph shall limit the availability of leave under paragraph I(B)(1) during any other 12-month period.

### **C. Limitations on Leave**

1. Leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement.

2. In any case in which a husband and wife both employed by the school district are entitled to FMLA leave:

- a. The aggregate number of workweeks of FMLA leave to which both are entitled is limited to 12 during any 12-month period if such leave is taken (i) because of the birth of a son or daughter of the employee and in order to care for such son or daughter; (ii) because of the placement of a son or daughter with the employee for adoption or foster care; or (iii) to care for a sick parent who has a serious health condition; and

- b. The aggregate number of workweeks of FMLA leave to which both that husband and wife are entitled is

limited to 26 during the single 12-month period in which leave is taken to care for a Covered Servicemember and the husband and wife employees are both either the son, daughter, parent, or next of kin of such Covered Servicemember, if the leave is taken for this reason or a combination of this reason and one of the three reasons described in paragraph I(C)(2)(a). If the leave taken by the husband and wife includes leave described in paragraph I(C)(2)(a), the limitation in paragraph I(C)(2)(a) shall apply to the leave described in I(C)(2)(a).

#### **D. Qualifying Notice and Certification**

Employees seeking to use FMLA leave will be required to provide:

1. 30-day advance notice when the need to take the leave is foreseeable; provided, if (a) the leave is for needed treatment which is required to begin in less than thirty days or (b) the leave is for the reason set forth in paragraph I(B)(1)(e), the employee shall provide such notice to the school district as is reasonable and practical;
2. Medical certification supporting the need for leave due to a Serious Health Condition affecting the employee or family member or to care for a Military Member, and/or due to a Serious Injury or Illness to care for a Veteran;
3. Second or third medical opinions and periodic re-certifications (at the school district's expense);
4. Certification supporting the need for leave because of a qualifying exigency arising out of the fact that the employee's spouse, son, daughter or parent is a Military Member on Covered Active Duty (or has been notified of an

impending call or order to Covered Active Duty) in the National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation;

5. Certification supporting the need for leave to care for a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness; and

6. Periodic reports during leave, at a frequency reasonably requested by the superintendent, regarding the employee's status and intent to return to work.

#### **E. Scheduling Leave**

When leave is needed to care for a family member, for the employee's own illness, or to care for a Covered Servicemember, and such leave is foreseeable based on planned medical treatment, the employee must attempt to schedule treatment so as not to unduly disrupt the school district's operations.

### **II. Relationship with District During Leave**

#### **A. Leave to Be Unpaid**

All leave provided to employees under the provisions of the FMLA and this policy shall be unpaid leave.

#### **B. Substitution of Paid Leave**

1. The school district requires employees to substitute any accrued paid vacation leave, paid personal leave, paid family leave, paid medical leave or paid sick leave for FMLA leave. However, nothing in this policy shall require the school district to provide paid sick or medical

leave in any situation in which the school district would not normally provide such paid leave.

2. If an employee uses paid leave under circumstances which do not qualify as FMLA leave, the leave will not count against the number of workweeks of FMLA leave to which the employee is entitled.

3. Any paid leave which is substituted for FMLA leave will be subtracted from the number of workweeks of unpaid leave provided by the FMLA and this policy.

**C. Group Health Plan Benefits**

1. The school district will continue group health plan benefits on the same basis as coverage would have been provided if the employee had been continuously employed during the FMLA leave period.

2. Any share of health plan premiums which have been paid by the employee prior to FMLA leave must continue to be paid by the employee during the FMLA leave period.

**D. Intermittent or Reduced-Schedule Leave**

1. Leave may be taken under this policy intermittently or on a reduced-leave schedule under certain circumstances.

a. When leave is taken because of a birth or because of a placement of a child for adoption or foster care, an eligible employee may take leave intermittently or on a reduced-leave schedule only with the agreement of the school district. In such a case, the superintendent shall have the authority to approve or disapprove such intermittent or reduced leave schedule, in the superintendent's sole discretion.

b. When leave is taken to care for a sick family member, for an employee's own serious health condition, or to care for a covered Veteran or Military Member, an eligible employee may take leave intermittently or on a reduced-leave schedule when medically necessary.

c. When leave is taken by an eligible employee because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a Military Member on Covered Active Duty (or has been notified of an impending call or order to Covered Active Duty) in National Guard, Reserves, and/or Regular Armed Forces in support of a contingency operation, the employee may take leave intermittently or on a reduced-leave schedule.

d. When leave is taken by an eligible employee to care for a Covered Servicemember, including a Veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered Veteran, and who is undergoing medical treatment, recuperation, or therapy for a Serious Injury or Illness

e. Intermittent or reduced leave shall not result in a reduction in the employee's total amount of leave beyond the amount of leave actually taken.

f. When an instructional employee seeks to take intermittent leave in connection with a family or personal illness (e.g. physical therapy or periodic care for a sick relative) or to care for a

covered Veteran or Military Member, and when such leave would constitute at least 20 percent of the total number of working days in the period during which the leave would extend, the school district may require the employee to elect to take leave in a block, instead of intermittently, for the entire period or to transfer to an available alternative position within the school system that is equivalent in pay, for which the employee is qualified, and which better accommodates the intermittent leave.

2. If an eligible employee requests intermittent leave or leave on a reduced-leave schedule that is foreseeable based on planned medical treatment, including during a period of recovery from a serious health condition, the school district may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. Such alternative position must have equivalent pay and benefits as the employee's permanent position.

3. Leave taken on an intermittent or reduced-schedule basis will be tracked hourly.

### **III. Return from Leave**

#### **A. Restoration to Position**

1. On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.

2. Any leave taken under this policy will not result in the loss of any employment benefits

accrued prior to the date on which the leave commenced.

3. An eligible employee is not entitled to accrual of any seniority or employment benefits during any period of leave, or any right, benefit, or position of employment other than to which the employee would have been entitled had the employee not taken leave.

## **B. Denial of Restoration**

1. The school district reserves the right to deny restoration to any eligible employee who is a "key employee" (that is an employee who is salaried and among the highest paid 10% of the employees of the school district) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the school district.

2. If the school district intends to deny restoration to such an employee, it will:

a. notify the employee of his/her status as a "key employee" in response to the employee's notice of intent to take FMLA leave;

b. notify the employee as soon as the school district decides it will deny job restoration and explain the reasons for this decision;

c. offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and

d. make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

## **C. Failure to Return from Leave**

If an employee fails to return from FMLA leave after the period of leave to which the employee is entitled has expired, the employee shall reimburse the district for any premiums the employer paid for maintaining health insurance coverage for the employee during the employee's FMLA leave unless the reason the employee does not return is due to: (1) the continuation, recurrence, or onset of the serious health condition which entitled the employee to FMLA leave and the employee provides the district with sufficient certification from the proper health care provider of such continuation, recurrence, or onset of the serious health condition or (2) other circumstances beyond the employee's control.

#### **IV. Notice to Employees**

**A.** The school district will post in conspicuous places where employees are employed notices explaining the FMLA and providing information concerning the procedures for filing complaints of FMLA violations with the U.S. Wage and Hour Division.

**B.** To the extent that any provision in this policy is in any manner inconsistent with the provisions of the Act or the regulations promulgated thereunder, the Act and regulations shall prevail over the provisions of this policy. The school district reserves the right to modify this policy from time to time in its sole discretion.

**C.** Employees may direct any questions or concerns regarding FMLA leave to the superintendent.

**4011.1**  
**Nebraska Family Military Leave Act**

The school district shall provide leave to its employees in accordance with the Nebraska Family Military Leave Act (NFMLA). The terms used herein shall have the meaning ascribed to them under the NFMLA. Employees may also qualify for leave under the Family and Medical Leave Act (FMLA), which is detailed in the district's FMLA policy. If an employee qualifies for leave under both the FMLA and NFMLA, any leave taken by the employee will count concurrently toward the leave limits of both.

**I. Qualifying for Leave**

A. Qualified Employees

To be eligible for unpaid leave under the NFMLA, an employee must:

1. Have been working for the school district for at least 12 months prior to the request; and
2. Have worked a minimum of 1,250 hours during the 12-month period immediately preceding the commencement of the leave.

B. Qualified Circumstances for Requesting Leave

The school district will grant a qualified employee up to a total of 30 days of unpaid leave if:

1. The employee is the spouse or parent of a person called to military service lasting 179 days or longer with the state or United States pursuant to orders of the Governor or the President of the United States and;
2. The leave is scheduled to be taken during the time federal or state deployment orders are in effect.

C. Qualifying Notice and Certification

Employees seeking to use the NFMLA will be required to provide:

- a. A consultation with the District to schedule leave so as not to unduly disrupt the operations of the school.
- b. Certification from the proper military authority to verify the employee's eligibility for the family military leave requested.
- c. 14-day advance notice of the intended date upon which the leave will begin, if leave will consist of five or more work days.
- d. As much advance notice as possible of the intended date upon which the leave will commence, if leave will consist of less than five work days.

**II. Relationship with District During Leave**

A. Leave to Be Unpaid

All leave provided to employees under the provisions of the NFMLA and this policy shall be unpaid leave.

B. Benefits

1. Taking leave under the NFMLA shall not result in the loss of any employee benefit accrued before the date on which the leave commenced.
2. Any employee who takes leave under the NFMLA will be permitted to continue their benefits at their own expense.
3. Payment for benefits must be made to the district in advance of the date on which they are due. For example, if health insurance premiums are paid to the carrier by the district on the 1<sup>st</sup> of the month, the employee taking leave under the NFMLA must provide

the full cost of the premium to the district prior to that date. Failure to provide the full costs for all benefits the employee wishes to continue in advance of their due date may result in cancellation of benefits as permitted by law.

### **III. Return from Leave**

#### **A. Restoration to Position**

1. Any employee who exercises the right to leave under the NFMLA shall be restored by the district to the position held by the employee when the leave commenced or to a position with equivalent seniority status, employee benefits, pay, and other terms and conditions of employment.
2. This section does not apply if the district proves that the employee was not restored because of conditions unrelated to the employee's exercise of rights under the NFMLA.

#### **B. Failure to Return**

If an employee fails to return after the period of leave to which the employee is entitled has expired, and no additional qualifications for leave exist, the employee will be subject to the district's policies governing unexcused absences up to and including termination of employment.

## **4012 Staff Internet and Computer Use**

Internet access is an important tool for communicating, keeping up-to-date with current developments in education, and for conducting research to enhance management, teaching and learning skills. The following procedures and guidelines are intended to ensure appropriate use of the Internet at the school by the district's faculty and staff. Staff should also refer to the district's policy on Staff and District Social Media Use.

### **I. Staff Expectations in Use of the Internet**

#### **A. Acceptable Use While on Duty or on School Property**

1. Staff shall be restricted to use the Internet to conduct research for instructional purposes.
2. Staff may use the Internet for school-related e-mail communication with fellow educators, students, parents, and patrons.
3. Staff may use the Internet in any other way which serves a legitimate educational purpose and that is consistent with district policy and good professional judgment.
4. Teachers should integrate the use of electronic resources into the classroom. As the quality and integrity of content on the Internet is not guaranteed, teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter on the Internet.

#### **B. Unacceptable Use While on Duty or on School Property**

1. Staff shall not access obscene or pornographic material.
2. Staff shall not engage in any illegal activities on school computers, including the downloading and reproduction of copyrighted materials.

3. Staff shall not use school computers or district internet access to use peer-to-peer sharing systems such as BitTorrent, or participate in any activity which interferes with the staff member's ability to perform their assigned duties.
4. The only political advocacy allowed by staff on school computers or district internet access is that which is permitted by the Political Accountability and Disclosure Act and complies with district policy.
5. Staff shall not share their passwords with anyone, including students, volunteers or fellow employees.

## **II. School Affiliated Websites**

Staff must obtain the permission of the administration prior to creating or publishing any school-affiliated web page which represents itself to be school-related, or which could be reasonably understood to be school-related. This includes any website which identifies the school district by name or which uses the school's mascot name or image.

Staff must provide administrators with the username and password for all school-affiliated web pages and must only publish content appropriate for the school setting. Staff must also comply with all board policies in their school-affiliated websites and must comply with the board's policy on professional boundaries between staff and students at all times and in all contexts.

Publication of student work or personality-identifiable student information on the Internet may violate the Federal Education Records Privacy Act. Staff must obtain the consent of their building principal or the superintendent prior to posting any student-related information on the Internet.

## **III. Enforcement**

### **A. Methods of Enforcement**

The district owns the computer system and monitors e-mail and Internet communications, Internet usage, and patterns of Internet usage. Staff members have no right of privacy in any electronic

communications or files, which are stored or accessed on or using school property and these are subject to search and inspection at any time.

1. The district uses a technology protection measure that blocks access to some sites that are not in accordance with the district's policy. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.
2. Due to the nature of technology, the filter may sometimes block pages that are appropriate for staff research. The system administrator may override the technology protection measures that blocks or filters Internet access for staff access to a site with legitimate educational value that is wrongly blocked.
3. The district will monitor staff use of the Internet by monitoring Internet use history to ensure enforcement of this policy.

**B. Any violation of school policy and rules may result in that staff member facing:**

1. Discharge from employment or such other discipline as the administration and/or the board deem appropriate;
2. The filing of a complaint with the Commissioner of Education alleging unprofessional conduct by a certified staff member;
3. When appropriate, the involvement of law enforcement agencies in investigating and prosecuting wrongdoing.

#### **IV. Off-Duty Personal Use**

School employees may use the internet, school computers, and other school technology while not on duty for personal use as long as such use is (1) consistent with other district policies, (2) consistent with the provisions of Title 92, Nebraska Administrative Code, Chapter 27 (Nebraska Department of Education "Rule 27"), and (3) is reported as compensation in accordance with the Internal Revenue Code of 1986,

as amended, and taxes, if any, are paid. All of the provisions of Rule 27 will apply to non-certificated staff for the purposes of this policy. In addition, employees may not use the school's internet, computers, or other technology to access obscene or pornographic material, sext, or engage in any illegal activities.

## **4013 Grievance Procedure**

**Definition of Grievance.** A grievance is an allegation by an employee or group of employees that there has been a violation of a provision of the negotiated agreement or a policy of the board of education.

**Procedural Steps.** The procedure for handling grievances is as set forth below.

**Step 1 - Oral Notice to Principal.** The grievant shall initiate the grievance by presenting it to his or her principal or immediate supervisor within seven (7) days from the date that the grievant knew or should have known of the incident giving rise to the grievance.

**Step 2 - Written Grievance to the Principal.** If the grievance is not resolved to the satisfaction of the grievant within five (5) days of the meeting with the principal, the grievant representative may present the grievance in writing to the principal.

The principal shall schedule a meeting within three (3) days of receipt of the written grievance to discuss the elements of the grievance. The principal shall submit his or her determination in writing to the grievant within five (5) days of the meeting.

**Step 3 - Written Appeal to the Superintendent of Schools.** If the determination of the principal is not satisfactory to the grievant, the grievant may appeal it to the superintendent of schools or his or her designated representative. Said appeal shall be presented, in writing, to the office of the superintendent of schools within five (5) days of receipt of the principal's determination.

The superintendent of schools or a designee shall hold a formal meeting within seven (7) days of receiving the written appeal. The superintendent of schools or a designated representative shall make a written determination regarding the grievance within five (5) days of the date of the meeting.

**Step 4 - Appeal to the Board of Education.** If the determination of the superintendent of schools is not satisfactory to the grievant, the grievant may appeal it to the board within five (5) days of receipt of the superintendent's decision. The board

shall hear the grievance within thirty (30) days in open or closed session in accordance with the law. The board shall notify the grievant of its decision within five (5) days of hearing the grievance.

**Written Presentation.** All grievances presented at Step 2 and subsequent steps of the procedure shall set forth in writing all facts giving rise to the grievance, the provision(s) of the Agreement or policy alleged to have been violated, the names of the grievant(s), the names of all witnesses, and the remedy sought by the grievant. All grievances at Step 2 and appeals at Step 3 and Step 4 shall be signed and dated by the aggrieved employee. All written answers submitted by the district shall be signed and dated by the appropriate district representative.

**Grievance Meetings or Hearings.** All meetings and hearings conducted under this procedure up to and including Step 3 shall be conducted in private and shall include only the administration's representatives, the grievant, the grievant's representatives, and witnesses as necessary.

**Association Representation.** A grievant shall have the right to have an Association representative present to represent the grievant at each level of the grievance procedure.

**Reprisals.** No reprisals of any kind shall be taken against any employee who uses this grievance procedure in good faith.

**Withdrawal of a Grievance.** A grievant may withdraw his or her grievance at any level of the procedure without fear of reprisal from any party.

**Advanced Step Filing.** A grievance shall be filed initially at the level at which the decision resulting in the grievance was made.

**Time Limitations.** Time limitations herein are critical. All references to days are to calendar days. No grievance shall be accepted by the district unless it is submitted or appealed within the time limits set forth in this Agreement. If at any time during the grievance process, it is discovered that the grievance was not filed or appealed in a timely manner, the grievance shall be dismissed. If the grievance is not submitted in a timely manner at Step 1 or Step 2, it shall be deemed to be waived. If the grievance is not appealed to Step 3 in a timely manner, it shall be deemed to have been settled in accordance with the

district's Step 2 determination. If the district fails to answer within the time limits set forth in this Agreement, the grievance shall automatically proceed to the next step.

When the deadline for taking an action falls on a Saturday, a Sunday or a legal holiday, the time for taking the action shall be extended to the next working day.

**Requirement to Grieve.** This grievance procedure is not discretionary and cannot be waived except through the express written consent of the board. No administrator or board member, individually, has the authority to waive the requirements of this procedure. Any grievance covered by this procedure but not raised pursuant to the requirements herein, including any grievance abandoned, will be forfeited.

**Bad Faith or Serial Filings.** The purpose of the grievance procedure is to resolve complaints and grievances regarding covered matters at the lowest level possible within the chain of command. Grievances filed without any intention to attempt to resolve the issues raised; for the purpose of adding administrative burden; or for purposes inconsistent with the professional obligations of district staff members may be dismissed by the superintendent without providing final resolution other than noting the dismissal on a basis in this section.

**Prohibition Against Employment of Board Members**

Nebraska statutes recognize the inherent conflict of interest that is created when a member of the board of education serves as a certificated employee of the district. Consequently, section 79-544 of the statutes prohibits a board member from being engaged in a contract to teach pursuant to sections 79-817 through 79-821 with the school district where he or she also serves on the board.

A conflict of interest is also created when a board member serves simultaneously as both a board member and an employee in any capacity, whether certified or non-certified. Therefore, a board member shall not be employed by the school district when serving on the board. If an employee is elected or appointed to the board, his or her employment shall be terminated upon being seated on the board. Because of the conflict that is created by a board member applying for employment while sitting on the board, a board member who wishes to apply for employment shall be required to resign from the board before applying.

This policy does not prohibit the board from contracting with members of the board for services or products when the relationship is not one of employer/employee and such contracts are in compliance with the requirements of statute and board policy regarding conflicts of interest.

To facilitate an amicable relationship between the district and any local employee associations, the district will allow associations to make reasonable use of district facilities for meetings outside the school's and the employees' work hours. With administrative approval, associations may use district resources, post notices of meetings and other information on bulletin boards designated for this purpose, and use district e-mail and mail boxes for delivery of employment-related information. The school district is committed to providing and maintaining a safe work environment, and to taking reasonable precautions for the safety of the students, employees, visitors, and all others having business with this school district. Every employee district should show concern for the safety of fellow employees, students, and members of the public. The district shall have a safety committee as required by Nebraska law. Members of the safety committee shall be established through the collective bargaining process.

The committee shall adopt and maintain a written injury prevention program. The committee shall participate in the development of safety education, training, and the establishment of safety rules, policies and procedures pursuant to this policy, the district's written injury prevention program, or as otherwise provided by law. Training for employees shall be conducted annually.

The workplace injury prevention and safety committee shall maintain minutes of all meetings and file them in the district office. The committee shall meet at least once every three months or more frequently in the event of an employee complaint or of a job-related injury or death. The workplace injury prevention and safety committee shall keep written minutes of all meetings, and provide a copy to the superintendent or designee who shall maintain the minutes in the district's administrative offices for a period of at least three years, unless otherwise instructed by the Department of Labor.

The workplace injury prevention and safety committee shall develop an injury prevention plan and present it to the board. The plan should be developed and presented in the spirit of employees working together in a cooperative, non-adversarial effort to promote safety at the work sites within the district.

The superintendent or designee shall assure that the safety training for employees is reviewed annually or more frequently, if needed. He or she shall provide the following, as set forth in the initial written Employer's Injury Prevention Plan:

1. Initial safety orientation on rules, policies, and job specific procedures for new employees or employees who are assuming new and different duties within the school district, if appropriate.
2. Job specific training for employees before they perform potential hazardous work.
3. Periodic refresher training and dissemination of information on an annual basis, or more frequently if so designated by the administrator, for employees regarding the injury prevention plan of the unit and safety rules, policies, and procedures pertaining to safety within the school district.

In the event of a death in the workplace, the workplace injury prevention and safety committee shall forward to the Department of Labor within 15 working days a copy of any review of the matter made by the workplace injury prevention and safety committee.

The superintendent or designee shall establish or cause to be established record-keeping procedures to control and maintain all accident and injury records pertaining to accidents and injuries within the district or activities under the control of the district. Such records shall be kept for at least three years, or longer if so advised by the Department of Labor.
