The Board recognizes the value of proper nutrition, physical activity, and other health conscious practices and the impact that such practices have on student academic achievement, health, and well-being. In order to provide an environment conducive to overall student wellness, this policy shall be followed by all schools in the district.¹

COMMITMENT TO COORDINATED SCHOOL HEALTH

~~All schools shall implement the Centers of Disease Control and Prevention's (CDC) Coordinated School Health (CSH) approach to managing new and existing wellness-related programs and services in schools and the surrounding community based on State law and State Board of Education CSH standards and guidelines. The school district's Coordinated School Health Coordinator shall be responsible for overseeing compliance with State Board of Education CSH standards and guidelines in the school district.~~

All schools shall implement the Coordinated School Health (CSH) program for wellness related programs and services in schools and the surrounding community based on state law and State Board of Education CSH standards and guidelines. The school district's Coordinated School Health Coordinator or Supervisor shall be responsible for overseeing compliance with State Board of Education CSH standards and guidelines in the school district.

SCHOOL HEALTH ADVISORY COUNCIL^{2,3}

A ~~district-school~~ district health advisory council shall be established to serve as a resource to school sites for implementing policies and programs and develop an active working relationship with the county health council. The council shall consist of individuals representing the school and community, including parents, students, teachers, school administrators, health professionals, school food service representatives, and ~~members of the public and other stakeholders concerned with the health and wellness of students.~~ The primary responsibilities of the council include, but are not limited to reviewing the CSH plan, and as necessary, making recommendations as to procedures and programs.

- ~~1. Developing, implementing, monitoring, reviewing and as necessary, making recommendations as to physical activity and nutrition policies;~~
- ~~2. Ensuring all schools within the district create and implement an action plan related to all School Health Index modules;~~
- ~~3. Ensuring that the results of the action plan are annually reported to the council; and~~
- ~~4. Ensuring that school level results include measures of progress on each indicator of the School Health Index.~~

The State Board of Education's Coordinated School Health and Physical Activity Policies shall be used as guidance by the Council to make recommendations. The Board will consider recommendations of the Council in making policy changes or revisions.

~~Additionally, each school will have a Healthy School Team consisting of teachers, students, parents and administrators.² The Team is shall hold Healthy School Team meetings during the school year to assess needs and oversee planning and implementation of school health efforts. The Director of Schools/designee will ensure compliance with the school wellness policy, to include an assessment of the implementation of the wellness policy and the progress made in attaining the policy goals. The assessment will be available to the public.~~

Additionally, each school shall have a Healthy School Team The team members shall consist of the principal, teachers, staff, students, parents, and community members with at least half of the team members being non-school personnel.² The Team will hold Healthy School Team meetings during the school year to assess needs and oversee planning and implementation of school health efforts. The Director of Schools/designee will ensure compliance with the school wellness policy, to include an assessment of the implementation of the wellness policy and the progress made in attaining the policy goals. The assessment will be made available to the public.

COMMITMENT TO NUTRITION

All schools within the district shall participate in the USDA child nutrition programs, which may include, but not limited to, the National School Lunch Program, the School Breakfast Program, the Summer Food Service Program, and the After School Snack Program.^{4,5,6_3 4 5}

Meals shall be accessible to all students in a non-stigmatizing manner. Students will be given adequate time to enjoy healthy meals and relax in a pleasant environment. Good nutritional habits shall be encouraged. All food **and beverages** including vending machines, fundraising items, and concessions ~~must~~ shall meet guidelines set forth by the Healthy, Hunger-free Kids Act, 2010 Smart Snacks in Schools.^{4,5,6} The school principal/designee shall be responsible for overseeing the school district's compliance with the State Board of Education Rules and Regulations for sale of food items in the school district.^{2,5,6-2,4,5}

Nutrition Marketing

Cheatham County Schools will comply with the 2004 Child Nutrition Reauthorization Act and the 2010 Healthy, Hunger-Free Kids Act. The Food Service Department will provide nutritious breakfast and lunch. School-based marketing will be consistent with nutrition education and health promotion. Schools should engage in nutrition promotion that:

- is offered at each grade level as part of a sequential, comprehensive, standards-based program designed to equip students with the knowledge and skills needed to promote and protect their health.*

- *promotes fruits, vegetables, whole grains, low-fat and fat-free dairy products, healthy cooking methods, and nutrition practices that boost health.*
- *emphasizes the caloric balance between food intake and energy expenditure (physical activity/exercise)*
- *School-based marketing of brands promoting mostly low-nutrition foods and beverages is prohibited.*
- *Food and beverages promoted to students meet the USDA Smart Snacks in School nutrition standards. Additional promotion techniques that the District and individual schools may use are available at <https://www.healthiergeneration.org/>*

FUNDRAISING

Food-and beverages sold that can be consumed on campus during the school day must meet or exceed the USDA Smart Snacks guidelines in school nutrition standards. Schools shall follow the limit on days per semester in which non-healthy foods may be used for fundraisers.^{5,4}

DISTRICT GOALS

The **School** District will promote healthy nutrition through various activities, including nutrition related newsletters, informational links on the district website, healthy eating posters and bulletin boards in dining areas, and informational booths at various community functions. Nutrition Education will be offered as part of a standards based program designed to provide students with the knowledge and skills needed to promote and protect their health as outlined in the State Board of Education Health Education and Lifetime Wellness Standards. Nutrition Education will discourage teachers from using high fat, sugar, and sodium foods as rewards and encourage students to start each day with a healthy breakfast. If a district engages in food or beverage marketing, all marketing shall comply with the Smart Snacks in School nutrition standards.^{7,6}

COMMITMENT TO PHYSICAL ACTIVITY AND PHYSICAL EDUCATION⁸

The Board recognizes that physical activity is extremely important to the overall health of a child. Schools shall support and promote physical activity. Physical activity may be integrated into any areas of the school program. ~~The district shall comply with all physical activity laws.~~

Physical Education classes shall be offered as part of a standards based program designed to provide developmentally appropriate moderate to vigorous physical activity as an integral part of the class. All physical education classes shall comply with the State Board of Education's Physical Education Standards.

Unstructured physical activity periods shall be offered in addition to the school district's physical education program. Elementary school students shall receive a minimum of forty (40) minutes of physical activity each full school day. Middle and high school students shall receive a minimum of ninety (90) minutes of physical activity each full school week.

Physical activity will be conducted outside if weather permits. The following activities shall not be considered physical activity: walking to and from class, time spent on an electronic device, and time spent in a physical education class.

Schools shall continue to offer after school sports and activities. Physical activity shall not be employed as a form of discipline. ~~or punishment. Physical activity shall not be withheld from a student as a form of punishment.~~

COMMITMENT TO CURRICULUM³⁻²

All applicable courses of study should be based on State-approved curriculum standards.

SCHOOL HEALTH INDEX³

All schools within the district shall annually administer a baseline assessment on each of the recommended School Health Index modules. Results shall be submitted to the School Health Advisory Council and reported to the Tennessee Department of Education.

RECORD KEEPING COMPLIANCE

The school district's Coordinated School Health Coordinator shall ensure that records demonstrating compliance with community involvement requirements are maintained. The Coordinated School Health Coordinator shall additionally document that the school wellness policy and triennial assessments are made available to the public.⁹⁻⁸
