Discussion was held by Mr. Wragge and the board members present, to look at increasing the school's base growth percentage by up to 7%, which is used to determine the school's property tax request authority. The budget would not be increased by 7%, nor would property taxes be increased by 7%. By doing so, it also meets the school's goal of protecting the district's financial health.

FFA

Officer Retreat

Chapter officers participated in an officer retreat held at Cedar Tree Cabins on July 29th and 30th. During their time, officers planned the Program of Activities for the upcoming year, set chapter and personal goals, and developed their leadership skills. Overall, it was an extremely productive time. Chapter officers for the current year include: Tyson Jackson, Jazzmyn Wieseler, Madelyn Buschkamp, Cash Culliton, Brynn Hansen, Bethany Arens, Addison Hames, Brady Guenther, & Trace Tramp.

Knox County Fair

Seven members represented Crofton FFA at the Knox County Fair. This is up from the previous year. During the fair, members competed extremely well, including eight Grand or Reserve awards across all entries. Additionally, Crofton FFA is in charge of assisting with the Knox County Horse Show on the Wednesday before the fair starts. Four members and Ms. Lutjelusche assisted in handing out ribbons and recording results.

August Meeting

On August 30th, the FFA year officially kicked off with a Back to School BBQ held at the south park. Following the meeting agenda, approximately 130 members and guests enjoyed a potluck-style meal and

recreational activities, including bounce houses. We are looking forward to a great year! Please reach out anytime with questions or ideas.

Member of the Month

At our August meeting, we recognized Breckin Jansen as the August 2026 Member of the Month (MOM). Breckin competed at an extremely high level at the Knox County Fair. Individually, he exhibited ten exhibits. Additionally, Breckin has been a great leader for our chapter and is extremely competitive in other areas.

FCCLA

Crofton FCCLA is kicking off the school year with our annual Pink Out event. This year, we are rebranding the event as Hope Heroes Night to broaden our cancer awareness efforts and better align with the Hope Fund at Faith Regional Foundation in Norfolk, which receives our event proceeds each year.

This year's shirts highlight three types of cancer through their awareness colors: ovarian cancer (teal), breast cancer (pink), and lung cancer (white). We are expanding our awareness efforts across multiple home athletic events, including the football game on September 18, volleyball game on September 22, and cross country meet on September 25. FCCLA will host a bake sale booth at the football and volleyball games and encourage students and community members to show their support by wearing Hope Heroes shirts at the cross country meet.

In addition to Hope Heroes Night, FCCLA will welcome a State Officer on September 14 to speak with members about STAR Events and project opportunities. Members will also participate in a community service project on September 27, cleaning the Crofton fire trucks as a way to give back to our local first responders.

Crofton Community Schools

Board of Education

Crofton NE 68730

Dear Negotiations Committee:

The Crofton Education Association requests that the school board of the Crofton Community Schools take action to recognize Crofton Education Association as exclusive bargaining agent for the district's non-supervisory certificated staff to begin bargaining next fall for the 2028-2029 contract year.

Please direct your direct response to the undersigned.

NEGOTIATIONS

INTRODUCTION

It is time to begin our work on negotiations. There are mandated deadlines that accompany the required process. I'll keep us on track. If you'd like to know the mandated deadlines, please ask, and I will share them with you.

NEGOTIATIONS COMMITTEE

Craig, Lisa, and Jayne are members of the Finance (Negotiations and Budget) Committee

NEGOTIATIONS

We're required to begin negotiations no later than November 1st. I don't anticipate insurance information being available until just before that (at the earliest). I believe Mr. Gade will act as the chief negotiator for the CEA again. Our goal is to have things settled and approved by our December board meeting.

NEGOTIATING

I would like to follow the same process for negotiating this year....closed sessions during the regular board meetings in October and November to keep the full board informed of our progress. I think it's important and helpful to keep the full board informed and eliminates me having to write emails explaining what is going on, hoping I get all of the information in the email, and hoping the information is accurate.

Last year, I met with the CEA on my own for the first meeting. If the Board Finance Committee wants to follow the same approach I'm fine with that. If you want to change it up, I completely understand and I'm comfortable with whatever approach the Finance Committee would like to use in this regard. There are some benefits with myself hearing the first proposals as they relate to everyone's convenience and the scheduling of that first meeting. I will simply take notes and share them with the committee.

Please let me know what you think or if you need any additional information. Thank you
MW

Cedar – on the ground

Ash – on the corner by the play structure. Super large tree. Taking it down
Both companies that gave quotes said take that tree down
A lot of damage to it from the storm
Requires an electrical line to come down first
Right next to two city sidewalks

Ash – along the fence. Top it off, try to save it
One tree guy said take it down. The other said try to save it

Linden – in the corner of the old elementary school, taking it down. Split and

Re: Project and Plan Update

1. ESI is making progress–

- The classrooms and hallways are completed, and air quality inspections have passed
- ESI is now working on the gym and stage areas
- When ESI is finished, only two areas will remain where asbestos may still be present–
 - The mastic under the carpeting in the unattached elementary building
 - The floor tile in the shop classroom at the HS

2. Construction Updates

- When ESI removed the stage lights, it was discovered that they were all wired using extension cords. Obviously this does not meet code and presents a fire risk
- B&G Committee: Existing holes in the exterior perimeter walls of the Behlen building in the classrooms, \$4,850 to seal
- B&G Committee: Gym ceiling painted \$15,000. We had \$7,500 budgeted for the grid to be painted. Additional construction cost of \$7,500
- B&G Committee: Behlen Gym Roof slope over the gym and classrooms \$82,697 (Contingency Funds)
- **New:** Electrical Tamper Proof switches \$10,330 (Contingency funds) “*With all the work now going on in these rooms, the inspector will probably require existing outlets to be upgraded to code compliant tamper resistant type.*”
- **New:** Classroom 128, 5th grade. The existing concrete slab has 2” to 3” rise and dip. The best option cost wise is to grind the floor \$14,603. Slab removal and disposal is \$9,660. That cost does not include pour back, equipment to get the concrete to the classroom, or additional floor leveling

3. Construction

- Framing is almost done
- Electrical, HVAC, and plumbing rough–ins are ongoing
- Underground piping installation is finishing
- Weatherproofing is ongoing

- Geotechnical boring scheduled for 9/16 (footings for tank)
- No construction delays because of the 9/1 storm
