1. CALL TO ORDER

Mrs. Melissa Woods, Board President, called the meeting to order at 6:00 p.m.

2. RECOGNITIONS

2.1. 2024 College Board National Recognition Programs Award Recipients (Mrs. Jamie Jackson)

Mrs. Jackson recognized Dobyns-Bennett High School seniors Sarah Arreola, Taylor Davis, and Rhiannon White, who earned academic honors from the College Board National Recognition Programs. They were recipients of the first-ever National First-Generation Recognition Program Award. In addition, Sarah Arreola was also a recipient of the National Hispanic Recognition Award.

The College Board National Recognition Programs celebrate the hard work of thousands of high school students nationwide to help them showcase their strong academic performance. For the first time, the academic honors recognize first-generation students, in addition to rural and small town, Black, Indigenous, and Hispanic/or Latino students. The program opens college access for more students because many institutions use the awards for their recruitment efforts.

2.2. German American Partnership Program (GAPP) Exchange Students and Teacher Chaperones (Dr. Phillip Marshall)

Dr. Marshall recognized students and teacher chaperones from the German American Partnership Program (GAPP) Exchange with a partner school in Berlin, Germany. GAPP Exchange matches German and American partner schools to provide their students with the opportunity to learn more about each other's culture and language through homestay exchanges. Dobyns-Bennett High School has been partnered with Albrecht Dürer Gymnasium in Berlin since 2003, and every other year since then a group of students from each school has traveled with their chaperoning teachers to spend three weeks at their partner school, with hundreds of students participating over the 20 years of the partnership. During the current round of the exchange, fifteen students from Albrecht Dürer Gymnasium were hosted by families with students at D-B. Ms. Jana Engle, D-B World Language Teacher/GAPP Coordinator, hosted Albrecht Dürer's English/Physics teachers Jan Meister and Esther Eckert. Last May, fifteen D-B students, Ms. Engle, and fellow D-B teacher John Good spent three weeks at the partner school in Berlin, where D-B students gave presentations about American life to English classes, visited a concentration camp memorial with the daughter of a survivor, met with the German parliament member who represents our partner school's district, and experienced daily life with their Berlin host families and the students of our partner school.

2.3. Jana Engle - Joyce Ward Teacher of the Year Award Recipient (Mr. Todd Golden)

Mr. Golden recognized Ms. Jana Engle, Dobyns-Bennett High School World Language Teacher, for recently being named the recipient of the Joyce Ward Teacher of the Year Award by the Tennessee World Language Teaching Association (TWLTA). She received the award for her outstanding contributions to the classroom and record of excellence attested by her colleagues. Ms. Engle was honored at an awards dinner held during the TWLTA Annual Conference in Franklin, TN on November 8, 2024.

2.4. Shanna Hensley - Kingsport City Schools 2025 Principal of the Year (Dr. Brandon Fletcher)

Dr. Fletcher recognized Mrs. Shanna Hensley, Principal of D-B EXCEL, for being named the 2025 Principal of the Year for Kingsport City Schools. Mrs. Hensley has been an educator for 22 years, with 21 of those years being with KCS. She has served as a Kindergarten and 4th Grade teacher, an Associate Principal at Johnson Elementary and Lincoln Elementary Schools, the Principal of Kennedy Elementary School, Cora Cox Academy, and D-B EXCEL. Mrs. Hensley developed the vision of what D-B EXCEL is today, a program of choice for Dobyns-Bennett High School students which features blended learning with a one-on-one approach.

2.5. Dr. Holly Flora - Kingsport City Schools 2025 Supervisor of the Year (Mrs. Melissa Woods)

Mrs. Woods recognized Dr. Holly Flora, Chief Academic Officer - Elementary, for being named the 2025 Supervisor of the Year for Kingsport City Schools. Dr. Flora oversees all academic operations for elementary education, including curriculum and instructional programs. Over her 29-year career, she has served as a teacher at Lincoln Elementary and Washington Elementary Schools, the KCS K-12 Literacy Coordinator, and the Principal of Jackson Elementary School and Sevier Middle School. Dr. Flora has been a member of the Tennessee Principals Association (TPA) Board for 13 years, including a term as President. She has also served as a TPA state representative for the National Association of Elementary School Principals (NAESP), and in 2017, she was honored as the National Distinguished Principal by the NAESP. Beyond her K-12 work, Dr. Flora has been an adjunct professor at both Milligan University and East Tennessee State University (ETSU).

Mr. David Frye, Chief Finance Officer, presented Budget Amendment #2 of the 2024-2025 KCS Budget for Board consideration. The amendment included three General Purpose School Funds items and a School Special Projects Fund donation.

General Purpose School Funds:

Item #1: Centegix Safety Platform

The purchase of Centegix Safety Platform and CrisisAlert equipment provides school staff with the ability to push a button to alert emergency personnel in the event of an emergency.

Item #2: Ballad Health donated \$4,500 to KCS to create a "Reset Room" at Robinson Middle School to provide a space for positive mental health and

stress reduction for students and teachers.

Item #3: Niswonger Foundation Project on Track Grant in the amount of \$149,476 to be used to provide a high dosage/low ratio literacy tutoring program for identified students at Adams, Kennedy, Lincoln, and Roosevelt Elementary Schools and Sevier Middle School for the 2024-2025 school year.

School Special Projects Fund:

Sevier Middle School and Dobyons-Bennett High School have each received a donation of \$42,500 from Mr. Nathan Morton on behalf of his sister, Melissa Foshee. These funds will be utilized by both schools to provide professional development, supplies, and equipment to supplement their special education instruction. This is the second donation made by Mr. Morton, with a similar donation made in FY 2024 in the amount of \$200,000. A new project will be established to account for a donation from "Melissa's Hope Foundation."

A motion was made by Mr. Todd Golden and seconded by Dr. Phillip Marshall to approve Budget Amendment #2 as presented. The motion carried by a vote of Yea: 5, Nay: 0.

5.2. Approval to Purchase Centegix Safety Platform and CrisisAlert System from Central Technologies (Mr. Andy Arnold/Mr. David Frye/Mr. Jim Nash)

Mr. Frye presented a recommendation to approve the purchase of a Centegix Safety Platform and CrisisAlert System to be implemented throughout KCS by employees. The safety equipment provides school staff with wearable alert devices, allowing them to activate an emergency alert instantly with the push of a button. When an alert is triggered, administrators, and responders receive precise location information, allowing for a targeted, efficient response. The platform also includes audiovisual signals to inform everyone in the building of the alert. The Centegix system will be purchased utilizing the TIPS-USA Cooperative Purchasing Agreement (TIPS-USA Contract 240101) for a total cost of \$700,560.00, which will cover 14 KCS sites. Funding will be from School General Purpose Funds. The new safety equipment will be installed and ready for use by the start of the 2025-2026 school year.

A motion was made by Mr. Todd Golden and seconded by Dr. Phillip Marshall to utilize the TIPS-USA Cooperative Purchasing Agreement to purchase the Centegix Safety Platform and CrisisAlert System from Central Technologies, Inc. for a total cost of \$700,560.00. The motion carried by a vote of Yea: 5, Nay: 0.

5.3. Approval to Purchase Wrestling Mat and Wall Pad from Resilite Sports Products (Mr. David Frye)

Mr. Frye presented a proposal to purchase a new wrestling mat (\$53,909.79) and wall pad (\$26,294.04) at Dobyns-Bennett High School for a total cost of \$80,203.83. The proposed purchase with Resilite Sports Products would utilize the BuyBoard Cooperative Purchasing Agreement. Funding for the purchase would be from the Dobyns-Bennett Renovation Project (GP2111).

A motion was made by Dr. Brandon Fletcher and seconded by Mr. Todd Golden to utilize the BuyBoard Cooperative Purchasing Agreement to purchase a wrestling mat and wall pad from Resilite Sports Products for a total cost of \$80,203.83. The motion carried by a vote of Yea: 5, Nay: 0.

5.4. Approval of Policies on First Reading (Dr. Andy True)

Dr. Andy True, Assistant Superintendent - Administration, presented five proposed policy revisions from Board Policy Manual Section 4 (Instructional Services) for approval on First Reading. Policy revisions require only one reading for approval.

Revised Policies:

- Policy 4.201 - Class Size Ratios
 - Public Chapter 712 modifies class size requirements to allow greater flexibility in Career and Technical Education class sizes for grades 6-8. TSBA has updated model policy to reflect this change.
- Policy 4.213 - Family Life Education
 - Several changes to state law impact instruction on family curriculum. Public Chapter 571 requires that information on internet crimes against children be incorporated in this instruction and that the name of the instructor be reported to the Department of Children's Services. Separately, Public Chapter 795 requires that family life curriculum that covers human growth, human development, or human sexuality, include a video of fetal development. Finally, Public Chapter 970 prohibits instruction on topics related to sexual activity for students in grades K-5.
- Policy 4.301 - Interscholastic Athletics
 - Per a new state law, Public Chapter 658, home school students will be able to participate in interscholastic athletics in schools that are not members with TSSAA or TMSAA. Essentially, this will allow home school student participation in all sports.
- Policy 4.600 - Grading System
 - A recent change to State Board of Education regulations revises the percentage points for Dual Enrollment courses from 4% to 5% for the purpose of calculating semester average grades beginning in the 2024-2025 school year. TSBA has updated model policy to reflect this change. Additionally, Public Chapter 1005 prohibits creating a local grading policy or procedure that establishes a minimum grade above zero. Based on

questions from districts, TSBA has added a provision to model policy 4.600 noting this requirement.

- Policy 4.603 - Promotion and Retention
 - Two new state laws make further changes to promotion and retention. Public Chapter 829 allows parents/guardians to voluntarily retain their students in grades K-2 if the student has a documented academic or behavior delay and the parent/guardian believes retention may benefit the student. Additionally, Public Chapter 989 creates a new promotion pathway to the 5th grade for students facing possible retention in the 4th grade. Under the new law, when certain students do not meet adequate growth on the ELA portion of the 4th grade TCAP test, a committee including the student's parent/guardian, ELA teacher, and principal will convene to determine whether the student will be promoted or retained. Each category of participants in the committee may make a recommendation to promote or retain the student. For example, if two parents attend the committee meeting, they still only get to contribute one of the three total recommendations. If at least two of the three committee members agree that the student is ready for the 5th grade, then that student may be promoted, provided they participate in mandatory tutoring for the entirety of their 5th grade year.

A motion was made by Dr. Phillip Marshall and seconded by Mrs. Jamie Jackson to approve policies on First Reading as presented. The motion carried by a vote of Yea: 5, Nay: 0.

6. REPORTS

6.1. Quarterly Financial Report for 4th Quarter FY 2023-2024 (Mr. David Frye)

Mr. Frye presented the Quarterly Financial Report for the 4th Quarter of FY 2024, as of June 30, 2024. The report included a review of revenues and expenditures through the last two quarters of the year. He stated Kingsport City Schools ended the year with a surplus of \$1,516,156, which brings the General Purpose School Fund Unreserved Fund Balance to \$13,513,857. TISA state funds received totaled \$47,063,586, which was \$792,286 above the estimate. Current Year Property Taxes collected was \$14,915,585, below the revised estimate by \$1,295,415. This decrease was due to both Sullivan and Hawkins Counties reducing the property tax rate for education and a decrease in the ADA percentage. Sales Tax revenue totaled \$15,016,556, with the amount received being above the estimate by \$216,556. All other county revenues collected were \$1,181,664, which was below the estimate by \$7,336. The total received for regular tuition students was \$418,020 out of the estimated \$420,000 budgeted. However, the amount received in FY 2024 was \$7,984 more than the amount received in FY 2023. Early Childhood Program Fees collected were \$986,002 and the amount spent on these programs was \$1,118,983. This resulted in an operating deficit of \$132,981 from the three combined programs. After-School Programs generated revenue in the amount of \$318,346 and

expenditures totaled \$304,130, which represented a surplus of \$14,216. Other Local Revenue was above the estimate by \$163,238, with the surplus mostly being due to e-rate funding coming in at \$74,267 more than estimated. The year ended with expenditures in very good shape. The budget was 94.6% expended, leaving a surplus of \$5,460,790.

6.2. Internal Audit Report (Mr. David Frye)

Mr. Frye presented the audit results of the Financial Statements for the School Activity Funds for the fiscal year ending June 30, 2024. The audit was for the School Activity Accounts and conducted by Brown Edwards & Company, in conjunction with the City of Kingsport audit. Brown Edwards & Company, LLP has been performing the audit work since June 30, 2012. School secretaries handle these accounts at the elementary level. The middle schools each have a dedicated bookkeeper and the high school has two employees handling the bookkeeping duties. KCS received a clean audit report and all schools received an unqualified opinion. The combined balances of the School Activity Funds, as of June 30, 2024, were \$1,490,971.

SUBJECT: Recommendation to Award BSN Sports with the Athletic Uniforms and Sports Equipment Bid

The City of Kingsport issued a Request for Proposal on September 14, 2024, for the City of Kingsport and Kingsport City Schools Athletic Uniforms and Sports Equipment. The proposals were opened on October 9, 2024.

After reviewing the proposals of the two vendors who responded, the administration finds that BSN Sports is the lowest responsible compliant bidder meeting specification for the particular grade or class of material, work or service desired and is in the best interest and advantage to the city. It is recommended that the City of Kingsport and its Kingsport City Schools enter into an agreement for athletic uniforms and sports equipment from BSN Sports on an as needed basis.

Funding is identified in both city and school budgets for athletic uniforms and sports equipment.

KINGSPORT CITY SCHOOLS
FISCAL YEAR 2024-2025
BUDGET AMENDMENT NUMBER THREE

GENERAL PURPOSE SCHOOL FUNDS

ITEM ONE: CURRICILUM & INSTRUCTION TRANSFER

There are funds that were budgeted in the Curriculum & Instruction budget that were covered with ESSER carryover funds. Due to reductions in Title funding I and II funds, it has been requested to reallocate funds budgeted for Instructional Supplies and Materials to Staff Development and Other Supplies.

It is recommended to transfer \$30,000 from the Curriculum & Instruction, Instructional Supplies and Materials account to the Curriculum & Instruction, Other Supplies account (\$5,000) and the Staff Development account (\$25,000).

ITEM TWO: ROBINSON LOCKER ROOM PROJECT

Robinson Middle School desires to upgrade their locker rooms. These upgrades include new lockers and flooring. Funding for the project will be provided by various sources. There have been fund raising efforts and donations. Robinson will also use some of their internal school athletic funds and their allocation for capital outlay. There will also be \$7,967 provided from the Superintendent's discretionary funds.

It is recommended that the estimated revenue for Other Local Revenue be increased by \$35,900 and \$7,967 be transferred from the Superintendent's Other Contracted Services and the appropriations for Robinson Capital Outlay be increased by \$43,867.

ITEM THREE: FUND BALANCE APPROPRIATION

In order to fund the architectural services for the preliminary design work for the new elementary school to be located on the site of the Lynn View Community Center, it will be necessary to appropriate \$650,000 from the General-Purpose School Fund Unreserved Fund Balance.

At June 30, 2024, the unaudited balance of the Unreserved Fund Balance was \$13,513,857. Budget amendments one and two appropriated to total of \$3,220,160 from the Fund Balance. An additional \$598,079 was appropriated for prior year purchase orders. With the approval of this budget amendment the Unreserved Fund Balance will be \$9,045,618. This represents 9.18% of the original FY 2025 General Purpose School Fund operating budget.

It is recommended that the estimated revenue for Fund Balance Appropriations and the appropriation for Fund Transfers be increased by \$650,000.

GENERAL PROJECT FUND

LYNN GARDEN ELEMENTARY SCHOOL PROJECT

A new project will be established for the design and construction of a new elementary school to be located on the site of Lynn View Community Center. Initial project funding will be established in the amount of \$650,000. This will fund the initial agreement with Thompson & Litton Architects for preliminary design work. These funds will be provided by a transfer from the General-Purpose School Fund. It is anticipated that these funds will be returned to the General Purpose School Fund at a future date, when bonds are sold by the City of Kingsport to fully fund this project.

It is recommended that the estimated revenue for Transfers from the General Purpose School Fund and the appropriation Architect Fees be established in the amount of \$650,000.
