RESOLUTION 2025/09-01
A RESOLUTION REQUESTING THE CREATION OF A TASK FORCE TO EVALUATE
AND REDUCE THE NUMBER OF LEGISLATIVE REGULATIONS FOR PUBLIC
SCHOOLS

WHEREAS, The number of legislative requirements and regulations for public schools in Tennessee has significantly increased in the last decade; and

WHEREAS, A number of current legislative requirements and regulations are outdated and archaic or are no longer relevant; and

WHEREAS, The Tennessee Education Freedom Scholarship Act, Chapter 7 of the Public Acts of 2025, 1st Extraordinary Session (“TN Education Freedom Act”) was signed into law on February 12, 2025; and

WHEREAS, TN Education Freedom Act funds are utilized to fund student enrollment in private schools that do not have to adhere to the same requirements as public schools in Tennessee; and

WHEREAS, The reduction or elimination of outdated, archaic, and irrelevant requirements would allow public school educators to focus more on the core work of teaching and learning;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE LAKELAND SCHOOL SYSTEM: The Board of Education of Lakeland School System requests that the Tennessee General Assembly enact legislation to create a task force charged with evaluating legislative regulations impacting public schools in Tennessee with the goal of recommending ways to reduce the regulatory burden on Tennessee public school educators and school systems.

RESOLUTION 2025/09-03
A RESOLUTION REQUESTING FUNDING FOR SPECIAL EDUCATION PRESCHOOL
STUDENTS IN THE TENNESSEE INVESTMENT IN STUDENT ACHIEVEMENT ACT
(TISA) FORMULA

- WHEREAS, The education of our eligible preschool students with special needs between the ages of three and five, though required by federal law and monitored by the Tennessee Department of Education, is completely unfunded by the TISA funding formula; and
- WHEREAS, Lakeland School System, which currently educates approximately 2700 students in grades K-11, has four special education preschool classrooms which currently serve 34 special needs students; and
- WHEREAS, Federal and state guidelines require Lakeland School System to serve 25 “typical peers” in these classrooms, in addition to the 34 special needs students, in order to provide an inclusive setting; and
- WHEREAS, Many of the children in these classes require extra therapies like speech and occupational therapy at school and in the community; and
- WHEREAS, Lakeland School System is, therefore, required by federal law and State guidelines to pay for four classroom teachers and eight teacher assistants; and
- WHEREAS, These special needs preschool classrooms currently require more than \$617,000 per year to fund and Lakeland School System must divert those funds from other programs because there is no funding allocated for the special needs preschool classrooms; and
- WHEREAS, TISA funding is intended to fund Local Education Agencies (LEAs) on a “student based” formula but does not currently account for these special needs students or the typical peers that LEAs are required by law to educate;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE LAKELAND SCHOOL SYSTEM: The Board of Education of Lakeland School System requests that funding for preschool special needs students and the required typical peers be included in the TISA funding formula.

PASSED AND ADOPTED by the Lakeland Board of Education, Lakeland, Tennessee on this 8^h day of September, 2025, public welfare requiring it.
