Tom Bredvick, Loretta Hauxwell, Brad Hays, Mike Langan, and Teresa Thomas; Absent:

catch people being good. A kindness ticket will be filled out and put into a drawing for a  
prize.

Dennis Berry:	Yes
Tom Bredvick:	Yes

Motion carried on a 6-0 vote

5. Reports from Staff Members and Committees

The Programs Committee met on February 3 at 7:00 am. They reviewed Social Studies curriculum and materials selection. They also discussed career development, SPED services from ESU, extended learning opportunities and partnering with the community.

6. Board and Administrative Comments

Mr. Norgaard presented two draft calendars for the 21-22 school year for the board to review. The calendars will be made available to staff for their review on Wed after the administrative team meeting. The calendars are very similar to the current year. One of the draft calendars has graduation on Friday May 13, 2022 instead of the traditional Sunday graduation date.

Mr. Norgaard also reported the MPS is in discussions with MCC about expanding the career development opportunities. Discussions were on apprenticeships, construction trades, certification classes, accounting, business, HVAC, health careers, etc... MCC stated they are at least two years from these types of offerings.

Mr. Brazell reported that state aid preliminary numbers are out. If it stays as presented MPS will have an increases in state aid for FY22.

He also reported that air conditioning will be added to the Jr Hi Kitchen, the COPS grant will provide new exterior door controls for Central Elementary, Junior High, and the Senior High. McCook Elementary already has the upgraded door control system.

There is a drainage issue on the south side of Weiland Field. MPS is working with the City of McCook to resolve.

Finally, he stated that school administration needs to review summer projects and present to the facilities committee and possibly the finance committee.

In Board comments Dennis Berry mentioned that the unicameral has bills that will put a cap on the amount of school revenue that can come from local taxes. We need to watch the revenue committee. In southwest Nebraska only 3 of the 44 schools in our local state senator's region receive state aid.

Mike Langan commented that the limited land base for schools is a concern for local taxes and schools with a larger land base can mitigate these concerns.

Teresa Thomas asked if there were recordings of the ESU workshop. Grant said he would send out what he has.

Tom Bredvick appreciated the local patrons coming forward to express their concerns. But the concerns stated were not in the school board lane. These concerns need to be handled by the administration.

## 8. Positive Comments

Mr. Alec Langan commented that he likes all of the administrators. They have always been kind, and always listened.

Mr. Berry stated that sometimes it is good to bring in new people, but he really appreciates the District developing our own leadership and promoting from within.

Mrs. Thomas commented on Mrs. Priebe starting a string ensemble and this is another example of how our teachers are dedicated to our students.

Mr. Langan stated that he likes how the district is hiring. We have several young families moving back into the area and are filling our schools. If we continue to hire great young staff we will continue to get better.

Mrs. Hauxwell likes that we continue to celebrate teachers. She commented on the 4<sup>th</sup> grade teachers and McCook Elementary teachers being praised by the principals.

Mr. Hays congratulated the three new hires that are from MPS. He also wished good luck to Alec Langan at District and State Wrestling.

Mr. Brazell also commented on the great hires the district has made. He noted that two of them are from the class of 2011. The district now has several employees from the class of 2011.

Mr. Bredvick commented that we continue to celebrate success and focus. This can be seen in our schools. Activity achievements are listed right next to the academic achievements. You can aspire to be anything at MPS.

Mr. Norgaard commented on the Wellness Committee and the Walk Across Nebraska Challenge. He thanked the committee for organizing the challenge and all of the participants on the 29 teams.

Mr. Gross commented that we have had a long year and the students have been troopers during all of this. He noted that the students really enjoyed the Color Day Dance and most stayed until the end.

Mr. Bredvick handed out a list of the Board Committees.

Meeting adjourned at 7:51 pm.

The next regularly scheduled board meeting is March 8, 2021.

#### Central Elementary

- We had a scheduling conflict for our music program. We have to move it back to Thursday, April 22.
- 3rd Grade has been great about including us in Spring IEP so we can build relationships with parents and get to know kids before our transition to a new building.
- May 12 will be our official transition day!
- 5th graders will begin rotating to their classes as we have in the past. We feel we can do this safely and efficiently. We feel this is necessary to prepare our students for the Junior High.

#### Curriculum

- SS Adoption is backed up a couple of weeks. I can explain later but we had another company that I would like to take a hard look at as it meets most of our standards at the Junior High. K-5 is looking at smaller units for their curriculum.

March 3, 2021

Mr. Greg Borland, Principal  
McCook Public Schools  
McCook, NE 69001

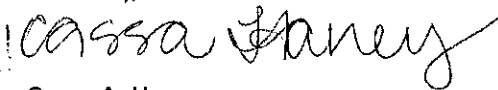

Mr. Borland:

After 31 years as an elementary teacher, I am submitting this letter to inform you of my intent to retire at the end of summer school in June. This is one of the hardest decisions I have had to make. These years have blessed me so much. I am very thankful for having been given the opportunity to work for McCook Public Schools for the past 20 years.

It has been an immense pleasure to serve as a teacher here in McCook, and the relationships I've formed here over the years will never be forgotten. I would like to say that our administration and staff here are awesome, and I leave my position here at our school feeling very fulfilled and confident that our district will continue to succeed and excel at all it does. The leadership and hard-working staff here are second to none and it is with great pride that I tell everyone I was blessed to be a part of this school system.

Thank you to all who have been a part of my successes here. I will miss you ALL.....ALWAYS A BISON!

Sincerely,

A handwritten signature in black ink that reads "Cassa Haney". The signature is written in a cursive style with a large, sweeping flourish at the end.
