Brad Hays reported on the Committee on American Civics. The committee met prior the board meeting at a public meeting. In the public forum there was no public participation. The main duty of the American Civics Committee is to review all of the Social Studies curriculum.

5. Board and Administrative Comments

Mr. Norgaard stated he has contacted three architectural firms and will have a meeting with them on July 1. The purpose of the meeting is to discuss potential upcoming projects and to prepare them to present to the Board of Education.

He also commented on Summer School. There are 76 Central Elementary Students and 159 McCook Elementary Students at Summer School. There are also 6 students at the Jr High, and 25 at the Sr. High. There are several staff involved. We are thankful for their assistance in providing summer school for our students. Summer school goes for four weeks, four days per week, and three hours per day.

Mr. Brazell provided several updates.

Emergency Paid Sick Leave Act, under the American Rescue Plan provided \$4,482.50 in payroll tax refund to MPS. The refund is based upon staff that were unable to work due to the pandemic.

Summer Lunch Program is off to a good start. MPS is serving approximately 520 students per day.

ESSRS III amounts have been made public. MPS will receive \$1,660,351.

He also reported on several projects in the district.

- o Wieland find drainage project is completed. But still need some sod or seed in specific areas

- Most of the new carpet being installed is completed or will be completed in the near future.
- The remodeling of Mr. Mays old room (new Health room) and Mrs. Janes room are progressing nicely.
- The roof over the theater and English Wing are complete except for the flashing. The junior high south wing roof should be completed this week.
- The District, via W-Design, is advertising for bids for the Junior High air handlers. The bids will be go out soon and are due on July 2.

He also asked the board to approve the transfer of funds to the activity account later in the agenda in the amount of \$40,000. This is to cover lost revenue due to the pandemic.

Mr. Gross reported that the district will be updating our printers and copiers with Eakes. Currently we are in the 4th year of a 5 yr lease. There will be an annual savings of \$3,500.

He also reported the district is taking bids to upgrade and add Audio Visual equipment in several locations in the district. The AV upgrades will be using ESSERII and ESSERIII funds.

Under board comments. Loretta Hauxwell stated she will be absent next month. She also thanked the community members for their comments tonight.

Tom Bredvick also thanked the community members for coming forward with their concerns and addressing the School Board. The items are not on the agenda and therefore cannot take action tonight.

Board of Education:

- I wanted to give one last kudo to Cherie Wallace and Molly Sharp in their leadership of summer school. We continue to get positive feedback from parents/teachers and students. It was a big success.
- Carpet is complete in the foyer area at Central Elementary! It looks wonderful and I can't wait for the staff/kids to see it. Thank you maintenance crew!
- Molly Sharp will be Dean of Students this coming academic year. She possesses many instructional and leadership skills that I want to tap into going forward for Central. Originally, my plan was to split this halftime with Mr. Wiemers, but he has decided to not have that leadership role so he can focus more time on classroom, coaching, teammates, and fatherhood. I'm excited for Mrs. Sharp to take this active role. I'd like to give her experience and responsibility as I think she can become a great building leader in the future.
- We are revamping our WIN time at Central. We are going to do this once a week and put a major emphasis on creating learning experiences based on CRT and other common formative assessments. We are going to utilize our personnel better at these times and provide smaller groups for re-teaching and catching kids up while also challenging our top kids.
- CCR activities handout will be given during the board meeting.

College, Career, and Civic Ready The school provides every student with opportunities that focus on career preparation aligned with the Nebraska Career Education Programs of Study that consider graduation requirements, postsecondary expectations, and career cluster choices.

The school provides opportunities on all of the following topics: career preparation, programs of study that consider graduation, programs of study that consider post-secondary requirements, and career cluster choices. These opportunities are offered to all students throughout the year. There is clear and updated documentation on offering such opportunities.

Narrative:

Health Careers Class is taught to juniors and seniors who have a strong desire to pursue a health career. Along with classroom work, students go to Community Hospital once a week to shadow and interact with a different health professional each week. Second-semester students go once a week to other health-related businesses to receive information on that career. Businesses that have been toured in the past include the following: Red Willow Animal Clinic, The Work Ethic Camp, Lifetime Eye, U Save Pharmacy, McCook Family Planning, Michaelis Chiropractic among others. In March each year the group goes to Lincoln and Omaha to visit educational programs and other health-related facilities that are not available in Southwest Nebraska.

The America's Promise Grant enables students to participate in the Health Careers Tour. Grant money helps to provide for lodging and mileage for students to have exposure to post-secondary options for health career-related fields of study.

Senior students attend a tour of local businesses. This is a great opportunity for students to see what goes on "behind the scenes" in many of the local establishments. This is also another way for students to see careers that are available to students in the local community.

Seniors sign up and attend County Government Day to learn about different roles at the Red Willow County Courthouse.

EducationQuest information about college readiness is presented to all students. An EducationQuest employee also does a web ex program with students and parents regarding financial issues facing college-bound students. EducationQuest representatives also come to McCook and spend two days with parents registering them for FAFSA applications.

National Guard recruiters presented to students about careers in the military and provided students with the opportunity to experience a sample obstacle course. Recruiters are also on campus several times a month to visit with students and answer questions about career options available to them..

Art club classes complete and tour art exhibits both at McCook Community College and the Art Guild in McCook.

We currently have 16 students working in the community to receive approved work-study credit. These jobs help students decide on career paths.

Information Technology I courses are taken by all 9th-grade students and include a career exploration component.

College, Career, and Civic Ready - 2 The school integrates the Nebraska Career Readiness Standards into all content areas.

The school curriculum fully integrates the Nebraska Career Readiness Standards into all content areas. The school is able to provide comprehensive evidence of integration.

Narrative

Nebraska Career Readiness Standards: McCook High School teachers are instructed to integrate the Nebraska Career Readiness Standards into all of their classes. It is a goal of McCook High School that students have the skills to do what they choose when they graduate.

Teacher Lesson Plans: This is a sample collection of lesson plans and assignments taken from courses throughout our high school curriculum. Nebraska Career Readiness Standards are included in aspects of these plans.

McCook High School Rubric: We have students complete a self assessment of where they believe they are on the rubric. This is completed prior to meeting with their counselor each semester. The counselors then go through the rubric with the students and try to identify classes the student could take to help the student address some of their weak areas and expand on some of their strengths.

Writing Across the Curriculum: We have decided to focus on writing in every class at McCook High School. We believe that writing well corresponds with many of the Nebraska Career Readiness Standards. Examples of writing from each course were recorded for each semester of the 2018-2019 school year.

College, Career, and Civic Ready - 3 The school provides students with the opportunity to acquire and demonstrate the knowledge, skills, actions, and dispositions that citizens in a republic need to fulfill obligatory civic rights and responsibilities.

The school always provides extensive opportunities for students to acquire knowledge, skills, actions, and dispositions needed to be responsible citizens. There is clear and updated documentation indicating students are successfully able to demonstrate the knowledge, skills, actions, and dispositions needed to be responsible citizens. The school coordinates with other districts/schools to share best practices and to showcase student learning.

Narrative: Citizenship Exam: Every student that graduates from McCook High School will take the U.S. Citizenship and Immigration Services Test, earning a score of 80% or better. This is in accordance with 79-724.

Voter Registration: Students who take Government and Law as seniors are encouraged to register to vote. Information is presented and multiple opportunities are given through the class to become a registered voter.

County Government Day: Each year members of the Junior Class are selected to go to the Red Willow County Courthouse to interact with locally elected officials. These students spend the day learning about the duties that the different officials must carry out as part of their office.

Student Groups: We offer a variety of student groups at McCook High School to help students grow in their understanding of what it means to be an informed, active citizen. They include the following: Student Council, Teens in the Driver's Seat, Mock Trial, Interact, National Honor Society, County Government Day, Student member of the School Board, Bison Tech Team, FBLA, YCR.

ESU 15 PLC Days: Every year ESU 15 coordinates several days for local schools to come together to collaborate on improving our schools. Typically groups are broken down by age and subjects. Typical topics include instruction, assessment, and behavior.

Statement on Mitigation of Illness for the 2021-2022 School year

7-12-2021

McCook Public Schools will continue to mitigate viral and bacterial transmission in the schools moving forward by continuing to:

1. Sanitize classrooms daily.
2. Washing and sanitizing hands regularly throughout the day.
3. Sending ill students home .
4. Partnering with families to encourage good hygiene practices and to keep their children home when ill.
5. Maximizing space in classrooms and other areas where students congregate .
6. Promoting mitigation strategies such as keeping students home when sick, staying hydrated, healthy sleeping & exercise habits, and proper nutrition .
7. Using mouth coverings on students who come to school ill or have a persistent cough.

McCook Public Schools does not intend to require students to wear masks for the 2021-2022 school year. The District reserves the right to adjust our plans based on health directives as issued by the State of Nebraska.

Statement on NDE's Proposed Health Standards

7-12-2021

The McCook Public Schools Board of Education believes it is important to inform the patrons of McCook that the Board will not adopt health curriculum objectives that do not align with the community's values; therefore, no action will be taken to approve the Nebraska Department of Education's proposed health standards as currently written. It is the belief of the Board of Education that some of the standards found within the proposal are not appropriate for our students, their families, nor our community. When the Nebraska Department of Education releases their revised health standards, the McCook Board of Education will review them to see if the new version has addressed the concerns of the majority of the state, the McCook Board of Education, and the patrons of McCook Public Schools.

McCook Public Schools reserves the right to approve or reject curriculum standards adopted by the Nebraska Department of Education.
