7. Vision Statment

1. Vision Statement

1. Developed by the school improvement committee, Every McCook Public School graduate will possess the skills to become a responsible, respectful, and productive citizen who is engaged in their community and achieves personal success.

8. Staffing & Recruiting

- The teachers shortage is impacting school districts across the state, and McCook has not been immune to this unfortunate trend.
- The District has attended more than 6 recruiting fairs this year in an attempt to widen our net to attract talent to McCook to teach.
 - We have had some success at the recruiting fairs the past couple of years.
- Although we have sent out several contracts this week to new hires, we are still looking for teachers for several positions. We are also starting the process of looking for teachers internationally.
 - There are potential opportunities to hire teachers from other nations where teachers are more abundant.
- We will also be hiring teachers outside of their endorsed area when it is clear no other options are available.

9.

Science Materials Adoption

- The district is close to finalizing a deal with one of two science material publishers. At this point, we are working through the costs and trying to come to an agreeable price.
- It is our belief that we will have an agreement prepared for board approval by the May board meeting.

1. Call to Order

1.1. Roll Call

	Regular Board	
Attendance Taken on 3/13/2023 at 6:28 PM	Scott Barger Tom Bredvick Brad Hays	Regular Board [None]
Agenda Item: Roll Call	Mike Langan Charlie McPherson Teresa Thomas	

1.2. Recognition of Open Meeting Law

1.3. Pledge of Allegiance

2. Reports, Communications & Public Participation

2.1. Board accepts public comments

No comments

2.2. Student board member report

Samantha Rodewald reported that spring sports have started. Tennis has started challenge matches, track has their 1st meet this upcoming Friday, the choir fundraiser is next week. State FFA is later this month and the interact club is teaching a country swing dance class for a fundraiser

2.3. Presentation from the Industrial Arts Program

Tyler Jedlecki and Tom Sughrue gave a presentation about the new CNC router and projects that they have been using it for. The CNC router was purchased using a McCook Community Foundation grant.

3. Approve the consent agenda, which includes the minutes and financials

3.1. Approval of Expenditures/Payroll for February 2023 I move to approve the consent agenda which includes the minutes, and financials Passed with a motion by Charlie McPherson and a second by Tom Bredvick.

Scott Barger: Yea, Tom Bredvick: Yea, Brad Hays: Yea, Mike Langan: Yea, Charlie McPherson: Yea, Teresa Thomas: Yea

Yea: 6, Nay: 0

4. Reports from Staff Members and Committees

4.1. Facilities Committee Report

Mr. Hays discussed the project at the tennis courts and track, and the process for that facility. He stated that the facility committee toured the JH facility and heard an update from W design concerning the New Junior high building and upcoming bond issue.

Mr. Norgaard reported that any idea of remodeling the JH was a non-starter. The engineers have determined that with a remodel the facility would need to be replaced in 30 years. We must get 80 to 100 years from this build.

He also reported on the potential design and keeping the existing gymnasium. The construction would include a new auditorium and commons area that would join the JH to the current SH facility.

4.2. Finance Committee Report

Mr. Bredvick reported on their meeting and shared that they toured the JH facility and received a report from W design on the process of the bond issue.

He shared that much discussion was held of the legislative agenda this year and how it will impact our schools and school funding.

He discussed state aid, and asked Mr. Gross for an explanation as to why the loss for the 23-24 school year.

Mr. Gross reported that due to increased valuations and decreased mill levies, the equalization formula requires more local funding for our district. We will lose approximately \$320,000.00 in aid.

Mr. Gross also explained the huge loss in poverty dollars. The NDE uses Federal poverty #'s and due to delays from the federal government, they are now using free and reduced #'s from the 21-22 school year.

School food was free for everyone and patrons did not turn the forms in during this school year. So, poverty #'s is down over \$600,000.00

5. Administrator's written reports: Please review prior to the board meeting

6. Superintendent's comments

Parent-teachers conferences

The school district hosted a parent-teacher conference last week. The conference went well.

Safety training

McCook Public School staff went through a safety training last Thursday morning. The focus of the safety training was on student to parent reunification following a crisis event, where students are transferred to a specific location to be reunified with their families.

Legislative Update

I visited with Senator Murman about the Parental Bill of Rights legislation. I addressed some concerns we have with the bill, and he was very receptive to my suggestions. I have heard reports from others in the state legislature that this bill may not progress this year, but it is still good to work on the bill in the event we see it reappear in future legislative sessions.

There are a couple of school funding plans we are in support of. One is referred to as the Nebraska Plan, and the other is referred to as the Pillen Plan. While both plans would benefit

McCook Public Schools tax payers, the Nebraska Plan would result in much lower property taxes. Unfortunately, of the two, the Pillen Plan is more likely to move forward.

LB 753 has moved forward to select file. This piece of legislation has to do with tax credits and donations given to parochial schools.

Other Bills of note:

- LB 178 (Erdman) Require display of the national motto in schools
- LB 679 (Day) Create the Holocaust and Genocide Education Training Grant Program and provide duties for the State Department of Education, State Board of Education, and Commissioner of Education
- LB 372 (Murman) Change provisions relating to part-time enrollment in public schools and extracurricular activities
- LB 635 (Albrecht) Provide requirements regarding access to digital and online resources provided for students by school districts, schools, and the Nebraska Library Commission
- LB 638 (Albrecht) Adopt the Nebraska K-12 Cybersecurity and Data Protection Act
- LB 340 (McKinney) Change provisions related to expelled students under the Student Discipline Act
- LB 690 (Linehan) Change provisions relating to powers and duties of the State Department of Education, State Board of Education, and Commissioner of Education

Constitution Related:

- LR 24CA (Albrecht) Constitutional amendment to eliminate the State Board of Education and provide for the Governor to appoint the Commissioner of Education
- LR 28CA (Linehan) Constitutional amendment to change the membership of the State Board of Education
- LR 29CA (Linehan) Constitutional amendment to provide term limits for the members of the State Board of Education

Mr. Norgaard reported that MPS has been in discussions with the YMCA about continued partnerships. The YMCA is looking at potential new and remodeled space in their facility. They have approached the school about a shared parking lot that would service the West side of the YMCA and the MHS tennis courts and MHS track. This would be on MPS property. The partnership would allow for the continued use of the YMCA pool for the MHS swim team and allow for use of the new gym space for practices for teams and lower level games. This would allow MPS student athletes to never have to have early or late practices. This is a fluid discussion, and more will be reported to the committees and full board.

Projects - Updates

Track work

We are getting real close to being ready for track season.

JH HVAC

Heat exchange unit has been installed. Heat coil has been ordered.

HVAC

3 units that sustained damage from the cold have been ordered at SH. \$22,138

Conference room B needs a new unit. Going with a new coil. \$4000.00

Tennis/Track Concessions

We have arranged work with the following subcontractors: JL Construction, Weathercraft, Heads up Sprinklers. Finalizing bids and some work is getting ready to begin on lines and work away from track.

Upcoming Projects

2021-2021 RFP's

Central Roof Scheduled for July

SH Gym Roof Scheduled for June

Audits

23-24 bid included in new business

Everyone's audit \$\$ went up

State Aid

We will see a \$320,000 reduction in state aid. Valuations went up. Mill levies went down. Therefore state aid went down. We are hopeful that poverty dollars will be recalculated before the final amount is certified this summer. (The NDE is using 21-22 Free and reduced #'s. They usually use Federal poverty rates. This resulted in a \$600,000 negative swing)

Federal/state Reports filed in January:

Completed Reimbursement requests for all IDEA Grants at the 6 month period.

10. Positive Comments

Samantha Rodewald congratulated the 27 people who qualified for the state FFA contest.

Theresa Thomas thanked the board for excusing her last month. She followed that with a huge thanks to everyone that shows up to work and does their job. And appreciates our employees work ethic.

Charlie McPherson thanked the school for honoring Mr. Hosick and the student body for their outstanding support of him and for his service.

Mike Langan thanked all the teachers, paras and administration for their work with students and overcoming the struggles of the aging facilities at MJH.

Scott Barger thanked the school for preparing kids in so many different ways. Keeping kids engaged. He also gave the maintenance staff a shout out.

Tom Bredvick thanked the legislature for the state property tax credit relief. And brought attention to our patrons to please claim your tax credit. He also gave recognition to our Special Olympic state swimming contest participants.

Jeff Gross thanked the patrons for all that they do and for attending so many events for the students.

Brad Hays also thanked Mr. Hosick for his service and reported on outstanding spring participation numbers and all clubs and activities.

Mr. Norgaard wanted to thank Lisa Gonzels, Sharon Wordekemper, Minerba Dimas and Mr. Lyons for going above and beyond the call of duty.

McCook School Board Report
April 10th, 2023
Special Education Dept., John Hanson, Director

- 1) All certified sped staff evaluations are complete for the year. I do the Speech/Language Pathologists, Occupational Therapist(s), School Psychologist(s), Developmental Learning Center (DLC) SPED Teacher, Preschool SPED Teacher and High School Life Skills Teacher. The principals do all other certified resource teachers.
- 2) Thank you to Mr. Joe Vetrovsky, High School Special Education Teacher, for organizing all of the supports to juniors with disabilities/IEPs taking the ACT test with accommodations and in a 1:1 or small group setting.
- 3) Planning Region Team (PRT) 15 brought in Dr. Mark Hald, Clinical Psychologist, to discuss the importance of mental health supports for early childhood age children and their families. It was held Friday, March 24th from 10-3 PM at McCook Community College McMillen Hall and there were 27 people in attendance from all over Southwest Nebraska.
- 4) A team of professionals have updated the McCook SPED Procedures document. First time in 13 years.
- 5) The annual nonpublic sped consultation meeting will be held on Thursday, April 27th at 3:40 at the St. Patrick's school library. Nonpublic schools in McCook include St. Patrick's K-8 Parochial school, various K-12 grade homeschools within the district boundaries, the various preschools at the local churches and Headstart.
- 6) We will continue to contract with Medicine Valley Public Schools to allow one of their high school students with special needs to attend the Life Skills Classroom/Program at the High School. We only do this if there is space available. The total cost is determined by total cost of the program (teacher's salary + benefits + 2 paraeducators salary + benefits / total number of students in the program-currently 8). Usually the annual tuition that MPS bills a neighboring school is around \$15K/year. This is reimbursable for the neighboring district, but currently it's only about a 45ish% reimbursement rate.

Central Elementary:

- We completed our March Madness Step Challenge this past week! Staff split up into teams and participated in a walking competition, hoop shoot, and kindness week. People went above and beyond for this! Champions were not awarded upon typing this up! [Facebook Link](#) Tyra Barger did a ton of work for this wellness competition.
- Craig Dickes and I attended the Northern Colorado Career Fair to try and see what the teacher college produced and see if we could get anyone to take a look at McCook. The teacher shortage is alive and well with many districts across the country attending. We were able to get some insight into better career fairs if we feel it necessary to attend others in the area.
- Molly Sharp (Dean of Students) attended a Women in Leadership conference in Kearney last week. She came back very excited about a specific speaker and we may look to bring her for a Wednesday afternoon next year if it works. I want to give kudos to Molly as she thinks and handles situations very similar to me. She's been growing in her leadership capacity the past two years and is fun to see.
- Mr. Wiemers will be transitioning to McCook Elementary for the PE position there.
- Our 4th grade team will go down to 4 teachers. We are working together as an admin team to put people in spots they want to be in and create fits in relations to strengths of individual teachers.
- N-SCAS season has begun! I'm looking at bringing a magician to school to have some fun after our N-SCAS testing is complete to celebrate the kids' hard work.

Prom was held April 1st, it was a successful night, but we did have to navigate a couple of power outages with the DJ.

I am still searching for a High School Science and Math Teacher for 2023-2024. I have attended several teacher recruitment events, but have not been able to find a suitable replacement at this time. I am interviewing two teachers this week that may be able to fill the roles for us. I have also started communicating with a company that brings in international teachers to work in schools in the United States.

The ACT and Pre-ACT were held on alternative dates because of the weather and the rescheduling of the Leroy Hoehner Track Meet. Staff, students and parents were understanding and did a great job adjusting.

Spring is always very busy, we are gearing up for our Day of Service, District Music, Graduation, and scheduling for next year.

March 15, 2023

Board of Education
Superintendent's Office
700 W. 7th St.
McCook, NE 69001

Dear Board of Education,

Please accept this letter as my official resignation from my position as 2nd grade teacher at McCook Elementary at the end of the school year in May. After a lot of consideration, I have made the decision to focus my attention more on my family's needs.

I really valued and appreciated my time at McCook Elementary these past 12 years. It has been my home away from home, and I have built memories that will last a lifetime. My colleagues have become close friends, and my past and present students will forever be "my kids." Every day they gave me a sense of purpose that was so fulfilling, and they will always have a piece of my heart.

It has been a pleasure and an honor to teach at McCook Elementary, and I am so grateful for the opportunity. Thank you for taking a chance on me 12 years ago, and thank you to Mr. Borland, my team, and staff for believing in me, supporting me, and encouraging me along the way. We are blessed with the best here at McCook Public Schools, and I recognize how fortunate I was to be a part of such a great school district.

I will work hard in my final days of employment to complete all of the required duties assigned to me. I am happy to assist in making the transition as seamless as I can. Thank you again!

Sincerely,

A handwritten signature in cursive script that reads "Stephanie Gaulke".

March 13, 2023

McCook Board of Education,

I am writing this letter to officially notify you that I will be resigning from my current position as a High School Math Teacher at McCook Public Schools. My last day of work will be May 19th, 2023.

My time here at McCook has been very rewarding and I much appreciate all of the support I have received from the staff, students, board of education, and the community.

Thank you for your time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Benjamin Weyeneth', written over a horizontal line.

Mr. Dalton Pettera, Physical Education/Dean of Students

dpettera@mccookbison.org

Ph. (308) 520 - 7090

1500 West 3rd St.

McCook, NE 69001

3/20/2023

Mr. Borland, Mr. Norgaard, and McCook Public Schools Board of Education,

I am writing this letter to inform you that I will be resigning from my position as Physical Education Teacher and Dean of Students at McCook Elementary. I have accepted the position of 7-12 Principal at Perkins County Schools. This position provides a great opportunity for my professional career and also for my family. My final working day for the district will be May 19th, 2023.

It has been a pleasure to work for McCook Public Schools for the last eight years as a Physical Education Teacher. This place has been incredibly important in my development as an educator and I will always be grateful for the opportunities that I was given here. Being able to add the role of Dean of Students for the last four years has given me a great deal of experience in administration and has helped to prepare me for the new challenges that I am about to face.

Thank you,

3/20/2023

Mr. Borland, Mr. Norgaard, and McCook Public Schools Board of Education,

I am writing this letter to inform you that I will be resigning from my position as Kindergarten Teacher at McCook Elementary. My husband has accepted a new position and we will be relocating this summer. My final working day for the district will be May 19th, 2023.

It has been a pleasure to work for McCook Public Schools for the last three years. During my time here, I have been provided with great opportunities to develop my skills as an educator. I will always be grateful for my experiences here and the great relationships that I have built with my students and colleagues.

Thank you for the opportunity,

Rachmi Pettko
