Schuyler Community Schools
SAA Meeting
Thursday, May 11, 2023 9:30 AM
Schuyler Community Schools Board Room
120 West 20th Street
Schuyler, NE 68661

I. Discussion Items

Prepared by: Christina Bywater, Secretary to the Board

1. Academic Programs: *Core Curriculum, Vocational and Elective Course Offerings, College Credit/Early Entry, Alternative Education/Credit Recovery, Special Education Programs, Early Childhood Education and Title I, Rural Attendance Centers, Bi-lingual or Dual-language Programs*

Goal: All students meet or exceed state standards in core academic areas.
Goal: K-12 curriculum that supports critical thinking, creativity, 21st century technology & vocational skills, visual & performing arts and bilingual education.

Target Areas:

Core Academic Programs

1	**ECH**	**Participate in community efforts to expand early childhood programs, service, and facilities in Schuyler.**
2023	Action Plan	1. Participate in community planning opportunities to address the early childhood and daycare needs in the community
2023	Action Plan	2. Continue expanding partnerships with program and funding agencies to provide increased services for birth to 3 programs in the community
2023	Action Plan	3. Research funding and program options to provide affordable day care and early childhood programs in the community
2	**K-8**	**Review student achievement and implementation of the Reading/Language Arts curriculum.**
2023	Action Plan	1. Continue and expand improvement plan to address gaps or low achievement assessment results
2023	Action Plan	2. Continue to provide in-class support and evaluate effectiveness of the reading program to reach our goal of all students reading at or above grade level
2023	Action Plan	3. Complete curriculum development plan to ensure alignment of curriculum to new language arts standards.
2023	Action Plan	4. Develop and implement a plan to ensure instruction/instructional materials meet the needs of the foundations of reading at the K-2 level (especially phonemic awareness)
2023	Action Plan	5. Evaluate current curriculum materials to identify needs/gaps with current standards and adopt new materials/supplements where needed.
2023	Action Plan	6. Research professional development opportunities to ensure that the science of reading processes are being used.
3	**SCS**	**Monitor and evaluate the K-8 Discovery Education Science Program**
2023	Action Plan	1. Continue to collaborate with ESU 2 and Raymond Central on an EIR EMPOWER (E_3) Grant on Science Curriculum and STEM Training
2023	Action Plan	2. Provide ongoing support, training, and assessment of the K-8 Discovery Education science program.
4	**SCS**	**Complete the math standards adoption process (since the math intervention program is implemented)**
2023	Action Plan	1. Identify priority standards, supporting standards and nice to know standards and update proficiency scales to align with the new priority standards.
2023	Action Plan	2. Update scope and sequence for the 2023-24 school year to ensure alignment with the new standards.
2023	Action Plan	3. Complete a 6-12 math instructional materials adoption process.
5	**SCS**	**Research and Adopt a K-5 Social Studies Program. See Curriculum Cycle**
2023	Action Plan	1. Evaluate student performance at the end of the year to determine additional resources, modifications or professional development needs.
6	**SCS**	**Continue efforts to support the Schuyler Instructional Model through alignment of curriculum, instruction and assessment.**
2023	Action Plan	1. Expand the orientation program for new teachers and facilitate mentor/coaches to support the success of beginning teachers.
2023	Action Plan	2. Continue to implement the Marzano Focused Evaluation Model in alignment to state frameworks.
2023	Action Plan	3. Continue to offer APL training for new staff and refresher training to returning teachers in the district.
2023	Action Plan	4. Identify critical content from the standards through the use of Standards-Based Learning professional development from Learning Sciences International. Develop and implement standards-based learning targets that demonstrate a progression of learning up to and beyond the level of rigor of the standards.
2022	Action Plan	5. Continue "On to College" ACT Test Prep for 9-11 grade students.
7	**SCHS**	**Review academic options for new arrivals, EL, special needs, at risk students, etc… (Alternative Education Program, Newcomer Program)**
2023	Action Plan	1. Research program alignment and effectiveness as well as certificated and support staff needs for SPED, EL and Newcomer Programs
2023	Action Plan	2. Continue to review assessment data to ensure successful transition of SPED and EL students to general education classrooms and post-secondary education
2023	Action Plan	3. Research and develop a plan to expand K-12 EL professional development in English language instruction
2023	Action Plan	4. Develop a systematic and systemic process for providing interventions for K-12 SPED and EL students (MTSS, RTI)
2023	Action Plan	5. Review current practices to support the transition of K-12 SPED, EL and newcomer students in the regular classroom
2023	Action Plan	6. Expand "Newcomer" program in math, reading and language arts to provide support for struggling high school students in ELPA 21 levels 1-2
2023	Action Plan	7. Research the feasibility of implementing new ELA materials that emphasize phonics and EL at the K-2 level.
2023	Action Plan	8. Implement additional credit and credit recovery through online programs designed to keep SPED and EL students on track for graduation with their peers
2023	Action Plan	9. Review SPED and EL caseloads and program requirements in the district to determine certificated and support staffing needs
2023	Action Plan	10. Research various methods to support K-1 EL students and classroom teachers.
8	**SCHS**	**Expand early entry and college credit classes to improve academic performance and college and career readiness for all students**
2023	Action Plan	1. Continue to offer Algebra I, Spanish I, and other accelerated courses to high performing students in grade 8 at Schuyler Middle School
2023	Action Plan	2. Research the pros and cons of advanced or accelerated classes and AP courses vs. college credit options for our high school students
2023	Action Plan	3. Continue to expand courses through CCC for college credit and vocational licensure courses
2023	Action Plan	4. Research opportunities to expand college course options in nursing, early childhood, and K-12 education courses
2023	Action Plan	5. Pursue options for approval of teachers to provide dual-credit/college credit courses through Wayne State College
9	**SCS**	**Develop a system-wide process for providing intervention and enrichment activities to meet all students' needs.**
2023	Action Plan	1. Create an overall district system that differentiates for specific building needs (MTSS)
2023	Action Plan	2. Determine screening, progress monitoring and data collection tools (SAT-MTSS)
2023	Action Plan	3. Research intervention and enrichment ideas, resources and programs (MTSS)
2023	Action Plan	4. Ensure programing meets the needs of all students (especially SPED and EL students)
2023	Action Plan	5. Participate in community efforts to expand early childhood programs, service, and facilities in Schuyler

Non-Core Academic Programs

10	**SCS**	**Expand Kindergarten through 2nd Grade health and guidance programs.**
2023	Action Plan	1. Continue to contract with the Flippin Group (Capturing Kids Hearts) to provide training for all new K-12 teachers and administrators
2023	Action Plan	2. Contract with the Flippin Group (Capturing Kids Hearts) to implement Process Champions or Campus TrAction for selected K-12 teacher leaders
2023	Action Plan	3. Continue the K-2 program to promote healthy relationships and wellness (ECHD and CHI Behavior Health Coalition)
2023	Action Plan	4. Evaluate and promote family engagement and literacy grant program at the elementary level
2023	Action Plan	5. Research the need and staffing to expand social emotional learning (SEL) options for Preschool, Fisher's, Richland and the Dual Language School at the district office.
11	**SCS**	**Coordinate music schedule to promote efficient use of staff, inclusion of all students, and development of visual and performing arts.**
2023	Action Plan	1. Continue to expand participation in the 7-12 vocal music program (Choir, musical, men's and women's choirs)
2023	Action Plan	2. Continue options to expand strings program.
2023	Action Plan	3. Continue support of the visual and performing arts opportunities (drama, speech, musicals, art, graphic arts, broadcasting)
2023	Action Plan	4. Continue to improve 5-12 Instrumental Music Program (Marching Band, Pep Band, Concert Band, Jazz Band, and ensemble groups)
12	**K-5**	**Continue to expand options for the dual language/bilingual education elementary program**
2023	Action Plan	1. Host informational meeting/spring registration for kindergarten parents to learn more about bilingual/dual language schooling
2023	Action Plan	2. Coordinate staffing, curriculum and textbook selection for the 6th grade expansion
2023	Action Plan	3. Promote the dual language program and conduct recruitment and registration of Kindergarten through 5th Grade Students
2023	Action Plan	4. Participate in ongoing professional development and register NABE 2024 Conference
2023	Action Plan	5. Research pros and cons of expanding dual language to the middle school and high school levels
2023	Action Plan	6. Research K-2 School name for the dual language school at the district office and get approved by the school board.
2023	Action Plan	7. Find ways to involve parents and students of the dual language program within the community.
2023	Action Plan	8. Research the feasibility of implementing new ELA materials that emphasize phonics and EL at the K-2 level.
2023	Action Plan	9. Research the feasibility of having specials at the dual school in the district office building rather than at SES.
13	**7-12**	**Expand 7-12 CTE Programs and improve access college credit and post-secondary program enrollment.**
2023	Action Plan	1. Expand FCS curricula to promote careers in culinary arts, foods/nutrition, nursing, early childhood, education, etc…
2023	Action Plan	2. Research options to expand 7-12 career exploration and college credit through CCC to promote CTE careers.
2023	Action Plan	3. Expand options for implementing career pathways to ensure students have certification options.
2023	Action Plan	4. Research, plan, update and implement increased CTE opportunities for middle school students.
14	**7-12**	**Expand the K-8 Afterschool Program to include options for 9-12 students (Period 9)**
2023	Action Plan	1. Expand the high school afterschool and summer school programs to address learning loss, schedule flexibility, and advanced courses.
2023	Action Plan	2. Develop a schedule, recruit and hire staff interested in providing programs, classes, or clubs, and enroll students interested in participating in the afterschool program.
15	**7-12**	**Develop and implement a plan to improve students' ability to communicate, demonstrate leadership and act responsibly.**
2023	Action Plan	1. Continue leadership classes at the middle and high school levels utilizing "Leadworthy: The Course" from the Flippen Group (Capturing Kids' Hearts)

Action Plans

1. 2023
2. 2022 (13.2) Piloted Capstone school-to-work courses.
3. 2022 SCS Organized academic workshops in the areas of Math, English Language Arts, Social Stud ies, Career and Technical Education, English Learners, and MTSS for January 2023 PD days
4. 2022 (9.1) Created MTSS Building Team to provide support and direction for intervention programs.
5. 2022 (9.3) Implemented Intervention Friday to align with MTSS goals
6. 2022 (9.3) Implemented MTSS grade-level team meetings once a week on Friday
7. 2022 (7.9) Added .5 EL teacher (transfer from part-time Spanish)
8. 2022 7.3) Teachers completed professional development for multilingual learners on Ellevation
9. 2022 (6.4) Teachers completed professional development for writing rigorous lesson plans from grade-level standards
10. 2022 (7.8) Added an EL Biology section to meet the needs of newcomers with educational gaps
11. 2022 (7.9) Added a math teacher to meet the needs of our students with limited or no formal education.
12. 2022 (6.2) Increased classroom visits for classroom coaching and Priority School feedback
13. 2022 13.2) Added a pathways program for students interested in the education field utilizing a cooperative relationship with Central Community College
14. 2022 13.2 Implemented Capstone class in the construction of CTE Pathways
15. 2022 (14.2) Host CPR Certification for all high school and college ASP staff members.
16. 2022 (14.3) ASP staff attended the CCC Career Fair.
17. 2022 (14.2) Expanded program coordination with addition of ASP Director.
18. 2022 (2.1) Continue the implementation and usage of the Accelerated Reader program to promote independent reading.
19. 2022 (2.4; 2.5) Purchased and implemented Heggerty Phonics in K-2; Sadler grammar and writing in 3-5.
20. 2022 (10.2) Hosted Leadership Blueprint with a District Traction Follow-up
21. 2022 (15.1) Implemented Leadworthy Courses at SMS & SCHS (89 students at SMS and 75 students at SCHS)
22. 2022 (2.3; 6-4) Implemented Standards-Based Planning Workshops
23. 2022 (7.4) Implemented Ellevation Strategies
24. 2022 (9.1) Developed Schuyler MTSS Continuous Improvement Plan
25. 2022 (7.6) ELLevation Math programming available for K-12 students to support strong academic vocabulary - upgraded from just the use in EL classrooms
26. 2022 (10.2) SES and SMS recognized at National Showcase Schools through the CKH TrAction Program.
27. 2022 (12.1) Expanded the Dual Language Program with 2 sections of Kindergarten through Grade 1.
28. 2022 (3.1) Continue EIR Grant and research/implementation of K-12 STEM program.
29. 2022 (3.1) Team to attend the EIR Conference Project Lead the Way (PTW) to expand 9-12 program.
30. 2022 (4.1) Implemented K-12 Freckle Math Intervention Program.
31. 2022 (9.3) Implemented K-12 schedule and systems to support enrichment and intervention through MTSS.
32. 2022 (5.1-5.4) Implemented the K-5 Studies Weekly Social Studies Program.
33. 2022 (7.6) Implemented 9-12 professional development in support of ELLevation in all content areas.
34. 2022 (12.2 and 12.3) Expanded the Dual Language Program to include grade 5.
35. 2022 (12.4) Sent a team of Dual Language educators to the NABE Conference.
36. 2022 (6.1) Updated the new teacher orientation program to include additional support and training.
37. 2022 (9.4) The special education department met their TIPs goal for the 2021-22 school year.
38. 2022 (9.2) Developed and implemented the SES walk to intervention block with scaffolding to other grade levels.
39. 2022 (6.4) Host ESU 7 Math Specialist to review alignment of new 6-12 math standards to classroom resources.
40. 2022 (2.2) Implemented and evaluated the accelerated reading program to promote independent reading.
41. 2022 (10.2) Continue Process Champion leadership teams to support monthly activities with staff and students.
42. 2022 SCHS Showed appropriate gains in priority goals to be removed from priority status
43. 2021 Evaluated the implementation of reading programs.

44. 2021 Continued EIR Grant Partnership for Science/STEM
45. 2021 Provided training to elementary staff for Discovery Ed Science
46. 2021 Implemented Freckle Math K-12 and provided training.
47. 2021 Adopted Studies Weekly for Social Studies; Will provide training in the fall.
48. 2021 Developed a district MtSS team and attended training over the summer.
49. 2021 (7-1) Reorganized Newcomer and EL programming through teacher movement and new hires.
50. 2021 (7-2) Revamped the master schedule to allow for common plans in content areas.
51. 2021 (7-2) Identifying concerns with EL students through the use of MAP, Renaissance, and ELPA data.
52. 2021 (7-2) Met with EL students individually, to set goals and explain ELPA data.
53. 2021 (7-6) Piloting Ellevation math program and professional development for 9-12 teachers.
54. 2021 (7-7) Utilized APEX online programming for students who need to gain additional credit or are in need of credit recovery.
55. 2021 2021 (8-3) Started working with CCC on licensure requirements for additional English and Ag course offerings.
56. 2021 (8-4) Added Mechatronics program under the guidance of CCC.
57. 2021 (8-5) Added General Biology as a dual credit option through Wayne State College.
58. 2021 (11-3) Presented our spring musical for school and community.
59. 2021 (13-4) Added Mechatronics program under the guidance of CCC.
60. 2021 (3-1) STEM Leadership core post training check-ins and monitored implementation at SMS
61. 2021 (6-1) New teacher orientation program re-written and expanded at SMS
62. 2021 (6-3) Re-work SMS Schedule to allow for PLC meetings at both Grade Level and Subject area PLC"s to provide for greater collaboration
63. 2021 (9-1) Implement a shared intervention/enrichment program at SMS for all grade levels based upon STAR Data
64. 2021 (10-2) Implementation of CKH process champions to present at all Staff meeting
65. 2021 (1-1) Meetings have been held with community members about feasibility of daycare.
66. 2021 (1-2) Hosted collaboration meetings with Headstart, Kim Parsons, and CWB.
67. 2021 (1.3) Grant was written and submitted, but not awarded in this round for the 3-year old room.
68. 2021 (2-1) Began full Accelerated Reading (AR) implementation at SES
69. 2021 (2-2) Developed a universal instructional planning guide for K-5 focused on standard-based instruction
70. 2021 (3-1) Continuing with training with ESU 2 and Raymond Central on the EIR EMPOWERGrant and Science Curriculum
71. 2021 (3-2) Continuing to meet with Innovator Coaches for classroom teachers and Administrator Coaching with Albert DuPont
72. 2021 (10-3) Purchased and installed water station fillers at SES.
73. 2021 - Rural schools have created a Process Champion leadership team and are doing monthly activities with staff and students.
74. 2021 – DO DL – We held parent meetings for the 2 new K classes at the district office. All classes are full.
75. 2021 – DL staff attend the virtual NABE conference in the spring.
76. 2021 – All curriculum has been ordered for the 4th grade DL class.
77. 2021 – Rural – Have created an Innovators Leadership Team for Discovery Ed. Staff and Administrator are attending monthly coaching sessions.
78. 2020 Adopted a Discovery Education Social Studies Techbook for EL Social Studies Classes that can be translated into Spanish.
79. 2020 Developed family literacy program so that families would have the ability to help young children in school.
80. 2020 Continued to evaluate the effectiveness of the Wonders Program (no state testing data to help with that this year).
81. 2020 Wrote implementation guidelines and provided four sessions of professional development around the implementation of Accelerated Reader.
82. 2020 Aligned curriculum to new Science Standards. Completed adoption of and held PD on DE Techbook.
83. 2020 EIR Grant: K-8 STEM Innovator team created.
84. 2020 Adopted and trained staff in the use of Freckle Math Intervention through Renaissance
85. 2020 Held meeting in the Spring of 2020 with all K-12 curriculum groups to vertically align curriculum, update, and publish curriculum information.
86. 2020 Re-scheduled SPED and ELL teachers to better allow support for in classroom instruction
87. 2020 Opened the Newcomer Academy in the district office building for HS students working in language acquisition levels 1 and 2.
88. 2020 Adopted APEX at 6-12 level to provide credit recovery, expedited coursework for students behind in credits and tutoring for students who need individual interventions.
89. 2020 In the 2019-20 school year, 90 students completed dual enrollment classes.
90. 2020 New teachers attended a virtual workshop on the Marzano Framework at the beginning of the year.
91. 2020 New teachers attended a Schuyler Instructional Model workshop at the beginning of the year.
92. 2020 APL for new teachers and APL refresher for veteran staff held October 2020.
93. 2020 Capturing Kids Hearts and Process champions workshops held October 2020
94. 2020 Continue work to modify 7-12 band/vocal schedule to incorporate new facilities and programs
95. 2020 Received a grant to hire a part-time community liaison to help grow community partnerships with the afterschool program
96. 2020 Applied for a grant from Beyond School Bells to help offset the increased cost of running the afterschool program due to COVID-19.
97. 2020 All dual language teachers attended NABE 2020 in February.
98. 2020 Dual Language uses Imagine Learning.
99. 2020 Fisher's uses OSMO, Bees, and Dash Robots.
100. 2020 Rural Schools - Training and PLC time with ESU7 looking at MAP data and doing a data dig. Using the information gathered to implement interventions.
101. 2020 Richland - Created a PTO team with teachers & parents to help with financing a new playground.
102. 2020 Rural schools had two successful family nights.
103. 2020 Rural school teachers revised proficiency scales.
104. 2020 Continue to host informational meetings for the Dual Language Program
105. 2020 Continue to purchase curriculum materials for the Dual Language Program
106. 2020 Spanish I offered at SMS and aligned to high school Spanish I course.
107. 2020 Revision grant approved in Fall of 2020.
108. 2020 Developed 4-year plan to improve CTE program.
109. 2020 Remodel kitchen for Culinary Arts program.
110. 2020 Hired certified teacher that is bilingual for EL newcomers 9-12.
111. 2020 Hired 3 new para-educators for Newcomer program.
112. 2020 Newcomer program started at district building with the use of the curriculum "Get Ready" aimed specifically at high school newcomer students.
113. 2020 Implemented APL and Capturing Kids' Hearts strategies in all EL classrooms.
114. 2020 Met as an EL department weekly to identify at-risk students.
115. 2020 Began offering APEX courses to students who are behind on credit due to limited or interrupted education.
116. 2020 Sent staff to National Association of Bilingual Education (NABE) Conference February 2020.
117. 2020 Offer Spanish I simultaneous with newcomer English classes to enhance the development of both languages (proven effective per presentations at NABE).
118. 2020 Professional Development offered to teachers district-wide to train on ELLevation (the EL information system) along with strategies to use in their classrooms to help the students feel comfortable and other tech tools the teachers can use to engage EL students.
119. 2020 Develop and implement a dual language, bilingual education school at Richland Elementary.
120. 2020 Action Plan 1. Host informational meeting/spring registration for kindergarten parents to learn more about bilingual/dual language schooling.
121. 2020 Action Plan 2. Coordinate curriculum, textbook selection, program coordination for the 3rd 4th grade expansion.
122. 2020 Action Plan 3. Registration of Kindergarten through 3rd 4th Grade Students.
123. 2020 Action Plan 4. Register NABE 2020 Conference participants and secure travel, lodging.
124. 2019 College Credit: Increased from 33 students enrolled in 43 classes in 2018 to 61 students enrolled in 77 classes in 2019.
125. 2019 Received an EIR Grant to support expanded use of Discovery Education at SES and SMS.
126. 2019 SMS: Continue to offer high school credits (Algebra I, Spanish I, Physical Science)
127. 2019 Implemented spotlight elements in the teacher evaluation (Marzano Focus Model) to promote improvement in instruction.
128. 2019 New teachers participated in the ESU 7 Marzano Workshop.
129. 2019 Hosted workday for staff to work on alignment of standards and scales in the core subject areas.
130. 2019 SES: Conducted several workshops associated with the new reading series.
131. 2019 SMS: Implemented academic enrichment time on Friday's focus supports based STAR 360 data.
132. 2019 SCHS: High school art teacher recognized as Nebraska Art Teacher of the year.
133. 2019 SCHS: State and National Silver and Gold Key Art recipients.
134. 2019 Developed and implemented a common lesson plan format at SCHS.
135. 2019 Professional development on effective English Learner (EL) strategies and programs (Elevation, Language Acquisition)
136. 2019 Nine (9) non-traditional students returned to graduate from SCHS during the 2018-19 school year.
137. 2019 Participated in "On to College" ACT Test Prep for 9-11 grade students.
138. 2019 After school program staff attended training in Kearney for programing.
139. 2019 After school has received a grant to help with staffing high school students as helpers, STEM supplies, and staffing to help with community involvement.
140. 2019 Dual Language teachers have visited DL schools in Omaha, Fremont, and Lexington to see good practices in action.
141. 2019 Team attended the 2019 NABE Conference to prepare for expansion of bilingual program.

142. 2019 Expanded one more grade in the bilingual education program (K-2)
143. 2019 Hired an additional Spanish teacher to the K-2 bilingual education program.
144. 2019 Remodeled Richland Building to accommodate expansion in bilingual program.
145. 2019 Added and additional part-time (.5 FTE) music teacher for the Rural Schools.
146. 2018 Participated in community planning opportunities to address the early childhood and daycare needs in the community.
147. 2018 Developed partnerships with program and funding agencies to provide services for birth to 5 programs in the community.
148. 2018 Hosted meetings with parents interested in sending preschool children to Richland Preschool Program. (No interest)
149. 2018 Host informational meetings with parents interested in sending kindergarten children to Richland Kindergarten Program.
150. 2018 Selected a core group of teachers to visit schools presently using reading programs under consideration for adoption.
151. 2018 Piloted selected reading program to provide evidence of effectiveness.
152. 2018 Adopted selected program for implementation in the fall of 2018-19. (Adopted Wonders Reading Program)
153. 2018 Provided initial and ongoing professional development in support of the new reading program.
154. 2018 Provided in-class support and evaluate effectiveness of the new reading program.
155. 2018 Developed and implemented a plan to orient new staff and substitute teachers in support of instruction and technology.
156. 2018 Contracted Marzano Research Labs to review and re-write scales as necessary. (Purchased scales for all core areas)
157. 2018 Adopted the Focused Evaluation Model and Schuyler Instructional Model to align with NE state frameworks.
158. 2018 Adopted the "ACT Quality Core" and align curriculum and improve student performance on the ACT Test.
159. 2018 Hosted APL training for new staff and refresher training to returning teachers in the district. (October)
160. 2018 Provided training for district leadership and all certified staff for the Marzano "Focused Evaluation Model".
161. 2018 Developed a plan that involves building staff to closely examine staffing needs in each building across the district.
162. 2018 Research and implemented the Elevation Program and E-Workshops through the NE Priority School Team.
163. 2018 Researched and developed a plan/programs and strategies to address highest risk student needs at SCHS.
164. 2018 Review, adopt and implement research-based practices to support the successful transition of newcomer/ ELL students.
165. 2018 Utilize NWEA MAP Benchmark and MAP skills training to provide interventions for students.
166. 2018 Researched historical perspective to evaluate priority school designation response.
167. 2018 Implement Alternative Education Program for SCHS students off track and in need of intensive assistance.
168. 2018 Implemented UNL High School classes for at-risk students.
169. 2018 "Marilyn Friends Workshop" Co-teaching model to support inclusive classroom for students with special needs.
170. 2018 Develop and implement co-teaching model at SES to expand service to students with special needs in the regular classroom.
171. 2018 Developed a plan to increase career academy, college credit and licensure courses for SCHS students.
172. 2018 Improve scheduling to support high student achievement and address student needs in all core academic areas.
173. 2018 Researched and expanded CTE options for STEM Lab for students at SMS.
174. 2018 Hosted informational meeting with teachers interested in pursuing the art grant project through ESU 2.
175. 2018 Recruited and enrolled teachers to participate in the art grant program.
176. 2018 Hired an Art Teacher for SES and implemented an elementary art program.
177. 2018 Contracted the Flippin Group (Capturing Kids Hearts) and Process Champions for selected K-8 teacher leaders.
178. 2018 Coordinated a K-2 program to promote healthy relationships and wellness. (CHI Behavior Health Coalition)

21. 2022 Replaced 35 staff laptops with new MacBook Air M1 chip laptops
22. 2022 Replaced 25 staff laptops with new iPad Pro 12.9" bundle (Apple Pencil, Trackpad Brydge keyboard, & adapter)
23. 2022 Repurposed four-year old staff laptops as loaner laptops, timeclock laptops, and/or security camera laptops
24. 2022 Replaced copier at SES, SMS, and DOB
25. 2022 Added a color copier to Dual Language
26. 2022 Switched content filter vendor from Lightspeed to Linewize
27. 2022 Hired Clarkson TV to dismantle and remove 50' antenna tower at Fishers
28. 2022 Replaced old Apple caching servers with new Mac Mini's
29. 2022 Installed PoE switch at new maintenance shop at SCHS to provide wifi there (formerly the activities building)
30. 2022 For network security purposes, started the process of programming our network with multiple VLANS for all network devices including HVAC, security cameras, access points, servers, staff laptops/iPads, student iPads, plus many more
31. 2022 Replaced tuff switch and also upgraded Preschool bridge antenna on grain elevator
32. 2022 Replaced Preschool antenna on roof with new upgraded antenna to match the new bridge on grain elevator
33. 2022 Purchased Verizon Jetpack and monthly data plan to be utilized by students/families in need of internet at home
34. 2022 Created a scorevision community sponsor program.
35. 2022 Implemented E-Hall Pass system at SMS and SCHS.
36. 2022 Staff attended the 2022 NETA Conference.
37. 2022 Expanded Apptegy App to include "Rooms" to promote a safe environment for staff, student, parent communication.
38. 2022 Expanded implementation of ThoughtExchange to promote staff, parent, student input.
39. 2022 (24.2) Increase the use of social media mass notification system and mobile app.`
40. 2021 Provided content to SectorNow, media player & touch TV vendor, to update all touch screen displays in district
41. 2021 Replaced/upgraded computers on two media player TV's in commons areas at SCHS
42. 2021 Installed TV's in weight room at SCHS
43. 2021 Installed three STRIV wall mount permanent cameras in West gym at SCHS
44. 2021 Installed a STRIV camera behind each of the two main basketball backboards in West gym at SCHS
45. 2021 Installed one STRIV wall mount camera in East gym at SCHS
46. 2021 Purchased STRIV multi-camera controller, video instant replay box, video switcher, & 24" monitor

47. 2021 Renewed district GimKit licenses
48. 2021 Subscribed to SCHED to organize October staff professional development
49. 2021 IT and curriculum staff recruited presenters for October staff PD
50. 2021 IT staff presented several sessions at October staff PD days
51. 2021 Replaced old NVR at Bus Barn with new Ubiquity NVR
52. 2021 ThoughtExchanges for district and individual buildings
53. 2021 Refreshed incoming 6th and 9th grade iPads with 8 Gen iPads
54. 2021 20-1 Developed program to send I-pads home for all students at SM
55. 2021 KG-12th grade 1:1 – purchased iPads for incoming 3rd & 4th grades with 8 Gen iPads.
56. 2021 KG-12th grade 1:1 - repurposed 8th and 12th grade ipads for KG, 1st, 2nd, & 5th grade elementary students at SES, Fishers, & Richland
57. 2021 KG-12th grade 1:1 – setup iPad charging carts for KG-2nd grade classrooms at SES
58. 2021 KG-12th grade 1:1 – setup iPad counter top charging stations for 3-5 grade classrooms at SES, Richland, and Fishers
59. 2021 Upgraded the memory in the AutoCad lab at high school
60. 2021 Provided sets of wired iPad keyboards to all buildings to be available for checkout
61. 2021 Infinite Campus Edfi live syncing to NDE servers of our mandatory state reported data
62. 2021 SmartFind sub programming and training of new hires
63. 2021 Replaced 50 promethean boards/projectors with 70” LED 4K TV’s
64. 2021 Installed Apple TV’s with each new 70” TV
65. 2021 Replaced 25 Teacher laptops with iPad Pro 12.9” bundle (Apple Pencil, Apple Folio keyboard, & adapter)
66. 2021 Replaced 25 Teacher laptops with new MacBook Pro laptop
67. 2021 Repurposed 40 four-year old teacher laptops in various locations in the district
68. 2021 Upgraded Adobe software for broadcasting students at SCHS & SMS
69. 2021 Purchased Adobe Creative Suite licenses for all certified staff across the district
70. 2021 Developed the schedule, agenda, and secured vendors for the Schuyler Tech Fair.
71. 2021 Advertised and recruited 30 local businesses, vendors, and college/military reps to attend the student Tech Fair
72. 2021 Secured and contracted Brad Waid as the featured keynote speaker for Schuyler Tech Fair.
73. 2021 Replaced at least one copier at SMS, SES, Richland, Preschool, and District Office Building
74. 2020 Refreshed incoming 6 th and 9th grade iPads with 7 Gen ipads
75. 2020 Repurposed 8 th and 12th grade ipads to shared carts at KG-5 buildings
76. 2020 Replaced one or more copiers at SMS, SES, & Fishers
77. 2020 Replaced 25 promethean boards/projectors with 70” LED 4k TV’s
78. 2020 Installed new Apple TV’s for every TV installed – allows wireless mirroring of all Apple devices
79. 2020 Refreshed 35 staff laptops with new laptops or iPad Pro 12.9”
80. 2020 Repurposed the 4 year old laptops for remote learning, etc..
81. 2020 Deployed new Apptegy websites for district and buildings
82. 2020 Deployed new SCS Mobile App (Apptegy)
83. 2020 Deployed new mass notification system (Apptegy)
84. 2020 Used apptegy/thrillshare to get mass notifications out to the community involving COVID and alerts from CHI
85. 2020 Programmed the new IR cameras for every building and provided training to paras, admin assistants, & administrators
86. 2020 Integrated Infinite Campus gradebook with Google Classroom
87. 2020 Installed network connectivity in new constructon at SCHS – Kitchen, Commons, & gym
88. 2020 Scorevision – training and programming of new video display boards installed in new gym
89. 2020 Installed two new high def projectors in new gym for graduation and other similar events
90. 2020 Installed new Point of Sale touch screen terminals at SCHS new cafeteria
91. 2020 Installed and programmed new 2D barcode scanners at SCHS and SMS
92. 2020 Installed and programmed new digital sign at District Office Building
93. 2020 Received training on new sound system in new gym at SCHS
94. 2020 Installed new large screen and projector at DOB training room (chapel)
95. 2020 Installed new touch screen TV in east commons area and also in new west commons area at SCHS
96. 2020 Programmed both touch screen TV’s at SCHS to display digital Class composite pictures of all classes dating back many years to present
97. 2020 Installed new media player TV’s in new commons area, new health classroom, new wrestling practice room, and weight room
98. 2020 Installed failover server at SES where if primary server at SCHS fails or disaster occurs at high school, server at SES is exact replica and takes over
99. 2020 Installed touch screen kiosk at SES
100. 2020 IT Department staff collaborated with Curriculum Dept. staff to implement PD Week (Oct. 19-23)
101. 2020 Implemented SCHED to organize and track PD Week sessions
102. 2020 IT Department staff presented several sessions at PD Week
103. 2020 Implemented the new SpeakUp for Safety program
104. 2020 Installed fiber network connectivity to District Office Building, Fishers, and Richland
105. 2020 Increased bandwidth from 400Mb to 1Gb (2.5 x more bandwidth)
106. 2020 Provided training for remote learning (Zoom and Google Meet)
107. 2020 Piloting Infinite Campus Work Flow attendance – Students are considered absent in IC until their barcode is scanned in each of their classes
108. 2020 Per Colfax County Deputy Emergency Manager’s requests we sent numerous COVID safety reminders via mass notification system
109. 2020 Infinite Campus Edfi live syncing to NDE servers of our mandatory state reported data
110. 2020 SmartFind sub programming and training of new hires
111. 2020 Thoughtexchanges for district and individual buildings
112. 2019 Replaced SCHS copiers
113. 2019 Replaced 30 projectors
114. 2019 500 tech-its from January 2019 - October 2019
115. 2019 Respond to non-submitted tech-it issues at all schools - projector issues, computers, iPads, gradebooks, attendance, etc
116. 2019 Hosted tech student & staff fair - Mike Smith-keynote, hosted approx. 50 students from other schools, 26college reps, breakout sessions, Apple, DE, MyOn, etc…
117. 2019 Purchased and implemented ClassLink (SSO); Navigate Prepared (School Safety); OneSync (server automatically sets up A.D. and google email accounts); Sophos (anti-virus); Turnitin (SCHS); Relay (new cloud-based filter server)
118. 2019 Refreshed incoming 6th and 9th grade iPads
119. 2019 Repurposed old 8th and 12th grade ipads to SES/Rural Carts
120. 2019 Refreshed 40 teacher laptops & repurposed 40 old laptops to student carts
121. 2019 Refreshed SCHS Business Cart & repurposed old ones
122. 2019 Refreshed SCHS Business PC Lab & repurposed old ones
123. 2019 Addressed/coordinated Apple recall of 40 laptops
124. 2019 Moved/converted fixed physical servers to virtual servers
125. 2019 Live/sync IC with the NDE, fixing errors, producing numerous reports - Advisor (replaces NSSRS state reporting)
126. 2019 Daily attention to IC enrollment/user accounts & troubleshooting teacher gradebooks
127. 2019 Infinite Campus daily syncing/troubleshooting of instructional data for Destiny, ellevation, MyOn, Pearson, Renaissance, Navigate, Classlink, Apple classroom, Relay filtering server, SCS mobile app, & rSchool calendar
128. 2019 SES Stem Lab
129. 2019 Provided tech support for bond issue
130. 2019 Work with thoughtexchange, high school students, staff exchanges
131. 2019 Added projectors and computers/ipads to Richland and Fishers
132. 2019 Fixed and setup sound/microphone system at Richland and Fishers
133. 2019 Websites- new sports section for coaching, youth sports pages, handbooks, documents updated, central conference sites, updated staff accounts, images,
134. 2019 monitoring and investigating of social media accounts and malicious anonymous accounts
135. 2019 Created 250+Infinite Campus (IC) parent portal accounts
136. 2019 Added IT person at SES to monitor iPad & laptop carts, troubleshoot IT techits, etc…
137. 2019 Added battery backups to each mini wiring closet (20+)
138. 2019 Moved Infinite Campus to Cloud server and install a new point of service on all touch screens and IC lunch laptops.
139. 2019 Installed extended in town Internet to 4R building for cameras and future classrooms

140. 2019 Added Apple updates caching servers to SCHS, SMS, and SES/Fishers/Richland
141. 2019 Moved and updated ipad and laptop carts to SMS for summer school classes
142. 2018 Updated all the flat screen media players to the “cloud” system.
143. 2018 Installed Internet access at the bus barn.
144. 2018 Installed fiber backbone at SCHS and replaced wiring to the west gym, press box, and activity building.
145. 2018 Installed wireless access points at SCHS, Richland, Fisher’s 24, SES, SMS, and Preschool.
146. 2018 Replaced computer hardware (iPads, projectors, teacher laptops, SES iMac Labs)
147. 2018 Added 220 iPads to SES portable labs and purchased 10 additional carts.
148. 2018 Secured funding and installed a broadcasting studio at SCHS.
149. 2018 Developed and adopted a broadcasting program at SCHS.
150. 2018 Coordinate weekly transition time for teachers between SMS and SCHS staff working in the program.
151. 2018 Developed the schedule, agenda, and secured vendors for the 2018 Schuyler Tech Fair.
152. 2018 Advertised and recruited students and staff from area schools to attend the 2018 Schuyler Tech Fair.
153. 2018 Secured contracts with selected speaker/presenters for the 2018 Schuyler Tech Fair.
154. 2018 Hosted a Z-Space workshop with virtual reality as option for SMS science and technology program.
155. 2018 Researched Maker Space programs for K-5 students to promote student engagement and problem-solving skills.
156. 2018 Hosted a pilot from Studies Weekly to expand social studies elementary and afterschool program options.
157. 2017 Hosted the Fall Technology Fair – Four C’s theme. (communication, critical thinking, creativity, & collaboration)
158. 2017 SMS coding students participated at the 2017 NASB State Convention Student Showcase.
159. 2017 Contracted with Blackboard to create new district/building web sites, SCS mobile app, & mass notification system.
160. 2017 Replacement schedule - 50 teacher laptops, classroom projectors, both SMS business labs, SES lab, SCHS CAD lab, & copiers at Fishers, SMS, and SES.
161. 2017 Continued replacement cycle for student iPads – purchased new iPads for all incoming 6th & 9th graders.
162. 2017 Added two more carts of iPads to SES fleet giving them a total of six carts of iPads. (approx. 150 ipads)
163. 2017 Added foodservice “pay online” feature to Infinite Campus portal for parents.
164. 2017 Segmented (vlan) district network & assigned each building it’s own unique IP scheme to improve network performance.
165. 2017 SMS gym projector, large screen, sound system, and speakers. New SCHS classrooms – classroom projectors & wifi.
166. 2017 SMS replaced the intercom/paging system.
167. 2017 Installed camera/microphone system in new SCHS music room to broadcast board meetings live.
168. 2017 Launch new App to connect parents/community to school.
169. 2017 Increase use of social media through new SCS website and app.
170. 2017 SMS has implemented a school wide peer technology team and self-sustaining professional development program to compliment district initiatives.
171. 2016 Host the fall technology conference. (contract speakers, secure vendors, develop schedule, etc…)
172. 2016 Develop and implement iPad replacement program for SMS/SCHS and expand iPad use at K-5 levels,
173. 2016 Replaced teacher computers and iPads and installed file wave to manage all district equipment.
174. 2016 Contract with Gaggle to provide communication management and student safety (Grades 6-12).
175. 2015 Received e-rate support to upgrade WIFI (wiring, access points, new AP’s, new switches) $100,000 investment.
    SES: Completed Preschool: Completed Alternative Ed: Completed
    SMS: Completed SCHS: Completed Richland/Fishers: Completed
176. Moved the Schuyler Resource Center to the Homestead Center, installed and maintain Internet service and lab support.
177. 2015 Hosted SCS Fall Tech Fair to promote digital literacy, technology awareness, and connected learning.
178. 2015 Hosted student/staff/parent technology workshop (Kevin Honeycutt) in January 2015.
179. 2015 Participated in planning sessions for Schuyler Media Network.
180. 2015 Purchased and installed 35 new projectors across the district to replace out-of-date equipment.
181. 2015 Replaced 40 teacher laptops across the district.
182. 2015 SMS Broadcasting Studio: Installed equipment and developed class.
183. 2015 Preschool: All teachers received iPads, 4 classrooms received projectors/whiteboards, moved copier from Richland.
184. 2015 SES: All teachers received new iPads. 50 MBP laptops replaced two netbook carts, new copiers, 3 carts (75 iPads) rolled down from SCHS and SMS students.
185. 2015 Fishers: All teachers received new iPads, new copier, 10 iPads rolled down from SCHS/SMS students.
186. 2015 Richland: All teachers received new iPads, new copier, 10 MBP laptop cart.
187. 2015 SMS: Installed new fiber backbone between wiring closets, new copier.
188. 2015 SCHS: Class of 2019 received new iPad Air 2’s. (130 iPads)
189. 2015 Develop a replacement cycle for technology hardware and software programs.
190. 2015 Develop a replacement/redistribution cycle for copy machines across the district.
191. 2015 Develop a plan and submit an RFP to upgrade building networks (e-rate funded).
192. 2015 Expand computer and iPad access at SES and Rural Attendance Centers.
193. 2014 Implemented STRIV activities video streaming program at SMS and SCHS.
194. 2014 Expanded tech support for Discovery Education Program implementation at SMS.
195. 2014 Expanded tech support for Community Training and Assistance Center (CTAC) at SMS.
196. 2014 SMS Staff attend Spring NETA Conference as per SIG Program (tech team, SMS staff).
197. 2014 Support staff professional development program using the portal and EMC videos.
198. 2014 All 6th and 7th grade SMS students received iPads (SIG Grant).
199. 2014 Relocated technology department to SMS east wing to improve coordination of services
200. 2014 Expanded tech team from a 2-person department to a 5-person department.
201. 2014 Developed and implemented a filemaker database to track and communicate technology maintenance and repairs.

4. Transportation Program: *Vehicles/Fleet, Transportation System, Traffic Management Arrival and Dismissal*

Goal: Safe and efficient transportation system.
Target Areas:

Transportation

25	**SCS**	**Maintain current vehicle and equipment replacement and maintenance programs.**
2023	Action Plan	1. Continue to adjust and maintain the vehicle replacement plan to ensure a quality transportation fleet to meet the demands of the district.
2023	Action Plan	2. Continue to adjust and maintain an equipment replacement plan to manage budget impact and replacement schedule
26	**SCS**	**Conduct a study of transportation costs and reimbursements to determine the most efficient**
2023	Action Plan	1. Research activity, SPED, and route transportation revenue and expenditures to inform budget recommendations for the 2023-24 school year.
27	**SCS**	**Develop a plan to recruit and expand drivers needed to operate bus routes and support activity trips.**
2023	Action Plan	1. Continue to recruit drivers and conduct a study with area schools to review pay and benefit packages.
2023	Action Plan	2. Review SES neighborhood school bus service and Richland morning and afternoon bus service programs.
2023	Action Plan	3. Research feasibility and need to provide morning and afternoon bus service to students attending the Fishers.
2023	Action Plan	4. Research feasibility of contracting a coach bus service for large group activity trips to reduce the number of buses and drivers needed.
2023	Action Plan	5. Continue to review benefits and recommended fees for morning and afternoon bus service to Lonnie's Trailer Park for 2023-24 school year.

Action Plans

1. 2023
2. 2022 (25.2) Equipment replacement cycle replacement: Total Investment: $40,381. (See Filemaker Portal for details)
    a. Building and Grounds: Athletic field paint sprayer, softball field drag
    b. House Keeping: SMS washing machine, Riding scrubber, leaf blower
    c. Lawn Care: Leaf blower, fertilizer spreader, backpack sprayer
    d. Maintenance: Leaf blower, high pressure power washer, air compressor
3. 2022 (27.1) Conducted comparability study and updated the salary schedule to reflect increased pay for bus route and activity drivers.
4. 2022 (27.5) Continued with transportation program with Lonnie’s Trailer Court families
5. 2022 (27.2) Continue neighborhood bus routes to assist families with transportation needs and flow of traffic at SES.
6. 2022 (27.2) Continue AM/PM bus service SES to Richland Dual Language Program Students.
7. 2022 (27.2) Expanded bus service to facilitate K-1 Dual Language Program and Afterschool program transportation needs.
8. 2022 (25.1) Purchased a used 2015 Ford Pickup for the grounds/maintenance department (See Filemaker Portal for details)
9. 2022 (26.1) Completed feasibility review of bus barn rental for storage of supplies, buses, etc…
    a. Estimate $111-$150 per sq. ft. (65X104) ($750,000 to $1,000,000)
    b. Current rental fee is a 31-41 year payback without maintenance costs.
    c. Current estimate from a construction company on Gretna Public Schools Bus Barn.
10. 2021 (24.1) Purchased a new 2021 Lunch Van (received $35,000.00 grant - vehicle replacement plan)
11. 2021 (24.2) Purchased a new air compressor for the buildings and grounds department (equipment replacement plan)
12. 2021 (24.2) Purchased a new Hiniker 8’ snow plow for the buildings and grounds department (equipment replacement plan)
13. 2021 (24.2) Purchased a new push mower for the buildings and grounds department (equipment replacement plan)
14. 2021 (24.2) Purchased a new snow blower for the buildings and grounds department (equipment replacement plan)
15. 2021 (24.2) Purchased a new leaf blower for the buildings and grounds department (equipment replacement plan)
16. 2021 (24.2) Purchased a new fertilizer tow spreader for the buildings and grounds department (equipment replacement plan)
17. 2021 – Richland – busing program continues to bus students to and from Richland School.
18. 2021 – District Office DL – started busing students before and after school at the new building.
19. 2020 Reviewed area school bus driver/route pay. (conducted study of support staff salary comparison for 2020-21)
20. 2020 Replaced the transportation department’s 64 passenger bus.
21. 2020 Purchased 2020 Bluebird 71 passenger bus (received $42,000 grant)
22. 2020 Purchased a new mower and sweeper for the buildings and grounds department (equipment replacement plan)
23. 2020 Purchased a new Echo weed eater for the buildings and grounds department (equipment replacement plan)
24. 2020 Purchased a new wet and dry vacuum for housekeeping department (equipment replacement plan)
25. 2020 Purchased a new Advance rider scrubber for housekeeping department (equipment replacement plan)
26. 2020 Purchased a new flatbed trailer for our scissor lift for the maintenance dept (equipment replacement plan)
27. 2019 Replaced Maintenance Van – (SMS)
28. 2019 Purchased a SUV Ford Edge (2017)
29. 2019 Purchased (new) 2016 handicap accessible van (SES) to transport students with special transportation needs.
30. 2019 Purchased (new) 2019 handicap accessible van (SMS) to transport students with special transportation needs.
31. 2019 Purchased a new tractor and loader for the buildings and grounds department (equipment replacement plan)
32. 2019 Relocated elementary bus pickup/drop off zone at the middle school (St. Mary’s parking lot)
33. 2019 Expanded transportation program for dual language program relocated to Richland Elementary.
34. 2019 Expanded morning and afternoon bus service to include service from Lonnie’s Trailer Court.
35. 2018 Coordinated and updated the vehicle replacement plan.
36. 2018 Developed and implemented an equipment replacement plan.
37. 2018 Developed and implemented a plan to address student management on the morning and after school routes.
38. 2018 Developed and implemented a plan at SMS to improve safety and traffic flow. (Changed K-5 pickup/drop-off area)
39. 2018 Reviewed area school bus driver/route pay. (Conducted study of support staff salary comparison for 2018-19)
40. 2018 Purchased 71 passenger bus (2015)
41. 2018 Replaced the maintenance department’s SES 2013 pickup.
42. 2018 Replaced the maintenance department’s gator
43. 2017 Purchased a 2017 Grasshopper Mower (60” 725DT-6).
44. 2017 Developed a large equipment database with a replacement schedule.
45. 2017 Before and after school busing to Richland Elementary.
46. 2017 Lease a new bus barn (8 buses)
47. 2017 Cleaned our old bus barn and held an auction.
48. 2017 Purchased a scissors lift to improve safety/efficiency for maintenance staff.
49. 2017 Purchased 2013 International Bus (71 Passenger #71A)
50. 2017 Purchased 2016 Ford Taurus (Silver 51)
51. 2017 Purchased a 2010 Maintenance Pickup (Black 47)
52. 2017 A parking map was created for SMS and mailed home to parents
53. 2017 Signage was purchased for SMS parking lots.
54. 2017 Sidewalk added for safe route to SES.
55. 2016 Purchased a 2017 Blue Bird Bus. (Bus 77B)
56. 2016 Purchased a 2016 Ford Taurus. (Car 49)
57. 2016 Purchased a 2011 Maintenance Pickup. (Red Truck)
58. 2016 City of Schuyler, NDOR and SCS: Highway 15 crossing at SMS. (Completed).
59. 2015 Purchased a 2009 Maintenance Pickup. (Blue Truck)
60. 2015 Purchased a 2014 Econoline E350 Van. (Van #6)
61. 2015 Purchased a 2016 Blue Bird Bus. (77A)
62. 2015 Develop transportation management and request system on the portal.
63. 2015 City of Schuyler, NDOR and SCS: Highway 15 crossing at SMS. (Approved, not completed).

64. 2014 Inter-City K-5 before and after school busing program to reduce traffic congestion.
65. 2014 Purchased a 2014 Ford Taurus. (Car 17)
66. 2014 Purchased a 2014 Econoline E350 Van. (Van 8)
67. 2014 Purchased a 2016 Blue Bird Bus. (Bus 77)
68. 2014 Fix north parking lot lights at SES (Safety and Security) (Completed December 2014).
69. 2014 City of Schuyler provided crossing guard at SMS.
70. 2014 Recruit, train and expand the number of licensed route bus drivers in the district.
71. 2014 Changed K-5 building before and after school pickup traffic routes at SES.

5. Building and Grounds Program: *Maintenance Reporting System, New Construction/Remodel Program, and Safety Program*

Goal: Secure, quality, modern educational facilities.

Target Areas:

Buildings and Grounds

28	**SCS**	**Continue efforts to maintain and upgrade current facilities and balance utilization of current district buildings.**
2023	Action Plan	1. Continue efforts to maintain and upgrade current facilities through the maintenance program "fix it".
2023	Action Plan	2. Develop a plan and timeline to improve non-hard surface roads, parking lots, landscaping, lawn care, etc…
2023	Action Plan	3. Review custodial and maintenance staffing to determine adequacy, training needs, and stability of staff at all district buildings.
29	**SCHS**	**Phase V: High School Facility**
2023	Action Plan	1. Pursue options to complete the high school storage project to replace the chair/table storage lost with the remodel of the auditorium.
2023	Action Plan	2. Complete ESSER II Project to complete replacement of classroom windows 1953 building project to include facia and window wrap.
2023	Action Plan	3. Continue plan for the remodel of the 1953 building (Lighting in the Library/Media Center Wing).
2023	Action Plan	4. Review math and science wing classroom needs and develop a plan for the remodel/upgrade of classrooms and adjoining hallway.
2023	Action Plan	5. Continue working with the agriculture/horticulture classes on improving and maintaining landscaping at all building sites.
2023	Action Plan	6. Develop a plan with the City on softball complex improvements (fencing, scoreboard, handicap accessibility, restrooms, bleachers, and concessions area)
