# Superintendent's Report

March 9, 2026

## BUDGET/FINANCIAL UPDATE

- On Friday, February 27 we received our certified State Aid for the 2026-2027 school year. This year we will receive \$498,940 which is \$85,537 more than we received last year. We also received our Certified Budget Authority for the 26-27 school year. Last year our budget authority was \$6,147,148 with an increase of \$153,527. Our Certified Budget Authority for the 26-27 school year is \$6,300,675. This is a 2.5% increase from last year.
- The 2026-2027 Budget process is underway. I will continue working on next year's budget and have some preliminary numbers later this spring or early summer.

## BUILDING AND GROUNDS

- We have an initial draft of the summer maintenance list. In addition I am creating a Google Sheet that identifies timelines, who will complete, and much more to keep us on track to complete the items on the list.
- We are currently working on elongating the long jump pits (the 2 that are not regulation) and pouring a 2nd discuss pad (west end). We have a 2nd discus net and poles that have never been installed. I believe it was a project from previous years.

## INFORMATIONAL ITEMS

- Legislative Updates: The Education Committee met in executive session and unanimously advanced LB 937 (8-0), one of its committee priority bills. Originally introduced as a technical cleanup measure, LB 937 updates several administrative and reporting requirements within the Nebraska Department of Education (NDE), including aligning reporting practices, removing outdated statutory language, adjusting reporting timelines, and clarifying eligibility for the Teacher Recruitment and Retention Act high-need retention grant. Provisions related to dyslexia reporting were removed from the bill during the amendment process.

LB 937 was also amended into a package bill incorporating several additional measures:

- Prior Learning Act (LB 1164): Establishes a framework for prior learning examinations and minimum scores required for students to receive college credit.
- School Employee Background Screening (LB 1241): Requires screening of applicants for prior disciplinary actions or separation from employment related to investigations of child abuse, neglect, or sexual misconduct within the previous seven years.
- Student Absence Reporting (LB 1146): Increases the threshold for required referral to the county attorney to 20 unexcused absences per school year and clarifies which absences do not count as unexcused. Amendments require documentation from licensed medical or mental health professionals to support certain absences.

# Superintendent's Report

March 9, 2026

- Extracurricular Participation for Homeschool/Non-Accredited Students (LB 1243): Expands opportunities for participation in certain extracurricular activities not governed by an activities association, with amendments addressing FFA membership.

The committee also advanced LB 507 separately from the package bill. This legislation clarifies that school districts must provide transportation for students with disabilities when required by law or an Individualized Education Program (IEP), even if the student resides outside the district. An amendment limits the bill's application to Omaha Public Schools (OPS).

A second committee priority bill, LB 1050, remains in committee and was not advanced at this time.

- District Evaluation Tool - On February 13, the leadership team met with Marc Doss, Network for Educator Effectiveness, via zoom. We will meet with the full staff on April 2 to take a look at the NEE Evaluation system.
- Staff renewal agreements (which are binding) were sent out on Monday, March 2 and due back on March 15 (Monday, March 16).

## **SUPERINTENDENT'S CONTRACT OF EMPLOYMENT SHELTON PUBLIC SCHOOLS**

THIS CONTRACT is made by and between the **Board of Education of Shelton Public Schools**, legally known as **Buffalo County School District 10-0019**, and referred to as "the Board" and "the District" respectively, and **Rodney Engel**, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

**Section 1. Term of Contract.** The Superintendent shall be employed for a period of two year(s) beginning on July 1, 2025, and expiring on June 30, 2027. References to "contract year" shall mean the period from July 1<sup>st</sup> through June 30<sup>th</sup> and shall consist of all days except Saturdays and Sundays and any holidays included on the School District calendar or leave days listed in Section 11.

**Section 2. Renewal of Contract.** If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular January 2026 board meeting (and each January thereafter)** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than **its regular December meeting** of each year of this contract and shall make the renewal of the Superintendent's employment contract an agenda item for the regular **January** board meeting during each year of this contract. At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to ensure that the District has complied with the Superintendent Pay Transparency Act.

**Section 3. Salary.** The Superintendent's salary for the 2025-26 contract year shall be \$138,000.00 which shall be paid in 12 equal monthly installments beginning in the month of August 2025. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

**Section 4. Deductions.** This contract shall conform to the statutes and regulations governing deductions from compensation and shall be

subject to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The District shall withhold other deductions as the Superintendent and Board may agree.

**Section 5. Professional Status.** The Superintendent affirms that the Superintendent is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, the Superintendent will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which the Superintendent will register and maintain on file in the District's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that the Superintendent registers the certificate. The Superintendent represents that: (1) all information provided in connection with the Superintendent's application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, the Superintendent will advise the Board immediately; (2) the Superintendent has never been convicted of or plead no contest to a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) the Superintendent has not had any professional licenses or certificates suspended or revoked.

**Section 6. Superintendent's Duties.** The Superintendent's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Superintendent agrees to devote the Superintendent's time, skill, labor and attention to all required duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns. By agreement with the Board, the Superintendent may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out the Superintendent's duties and obligations to the District.

**Section 7. Board-Superintendent Relationship.** The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the District and

shall be responsible for implementing Board policy. The Superintendent shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. The Superintendent is responsible for administering the instruction of students and the business affairs of the District. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

**Section 8. Cancellation or Mid-Term Amendment.** The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

**Section 9. Disability.** If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period longer than his or her accumulated sick leave, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be

paid to the Superintendent under any insurance coverage furnished by the District.

**Section 10. Transportation.** The Board shall provide the Superintendent with transportation or reimburse the Superintendent for mileage required in the performance of official duties at the rate approved by the Board.

**Section 11. Fringe Benefits.** The Board shall provide the Superintendent with the following fringe benefits:

- a. Health Insurance.** Health insurance that is available to certificated staff through the District's health insurance carrier at the level for which the Superintendent qualifies.

- e. Sick Leave.** The Superintendent shall be entitled to thirteen (13) days of sick leave per year which may accumulate to a total of forty (40) days. Sick leave may only be used for personal illness or as otherwise provided in District policy. If the Superintendent qualifies for disability pay under the long-term disability policy, the Superintendent shall be required to take the disability pay instead of sick leave pay. The Superintendent shall keep complete and accurate records of sick days accrued and used and shall provide the Board with a report of accumulated sick days at least quarterly and upon request. The Superintendent shall not be compensated for unused days of sick leave upon the ending of employment with the District.
- f. Vacation.** The Superintendent shall have twenty (20) vacation days for the initial contract year which the Superintendent may use at times the Superintendent

chooses so long as the absence does not interfere with the proper performance of the Superintendent's duties. Any extended vacation period while school is in session will require advance approval by the Board, and the parties will cooperate in arranging vacation time so as to cause the least inconvenience to the normal operation of the District. After the initial contract year, the Board shall give the Superintendent the number of vacation days necessary to restore the total to twenty (20) days. For example, if the Superintendent uses 12 days of vacation one year, the Board will provide the Superintendent with 12 days the following year to bring the total vacation days back to 20. The Superintendent shall develop a system for recording use of vacation days and shall keep such records current and on file in the District's central office. The Superintendent shall keep complete and accurate records of all vacation days and shall provide the Board of Education with a report of accumulated vacation days at least quarterly and upon request. The Board may require the Superintendent to use vacation days and shall compensate the Superintendent for unused vacation days upon the conclusion of employment at a rate of **\$100.00** per day.

- g. Professional Development.** The Superintendent is expected to continue and seek professional development and to participate in relevant learning experiences. With the approval of the Board, the Superintendent may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Superintendent attends a national convention and does not return following the initial year of employment as Superintendent, the Superintendent agrees to repay the District in full for national convention expenses paid by the District.
- h. Professional Dues.** The District will pay the annual dues for the Superintendent's membership in the following organizations: Nebraska Council of School Administrators (NCSA).
- i. Expense Reimbursement.** The Board shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending

educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$750.00 or more.

- j. Housing Incentive.** The superintendent shall receive a one-time housing incentive of \$5000 for moving into the district if done within the first two years of his or her contract.

**Section 12. No Penalty for Release or Resignation.** There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

**Section 13. Compensation Upon Termination and Credit for Accrued Vacation.** Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary paid but not earned prior to the date of termination of this contract.

**Section 14. Evaluation.** The Board shall evaluate the Superintendent twice during the Superintendent's first year of employment and at least once each year thereafter. The first evaluation during the first year of employment and the yearly evaluations after the first year of employment shall occur no later than the **regular December meeting**. The Superintendent shall remind the Board members in writing of this provision no later than its **regular November meeting** and provide the Board members with the written evaluation instrument that is on file with the Nebraska Department of Education.

**Section 16. Legal Actions.** The Board will support the Superintendent if there is a legal dispute caused by carrying out the Superintendent's duties properly. If a legal action, including a professional

practice complaint, is threatened or filed against the Superintendent as a result of the Superintendent's performance of duties or position as the Superintendent of the District, the Board will provide the Superintendent with a legal defense to the maximum extent permitted by law so long as the Superintendent acted in good faith and in a manner which the Superintendent reasonably believed to be in or not opposed to the best interests of the District and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the Superintendent's conduct was unlawful.

**Section 17. Physical or Mental Examination.** The Superintendent agrees that, at the request of the Board, the Superintendent will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this contract. In deference to the requirements of state and federal law, the physician's report to the Board must address whether the Superintendent is able to perform the "essential functions" of the position.

**Section 18. Disciplinary Action.** The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the District to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting. The Board may suspend the Superintendent without pay for a period not to exceed thirty (30) working days. Prior to suspending the Superintendent without pay, the Board president or secretary shall deliver a written notice to the Superintendent advising the Superintendent of the alleged reasons for the proposed action and provided the opportunity to present the Superintendent's version of the facts. Within seven calendar days after receipt of such notice, the Superintendent may make a written request to the secretary of the school board for a due process hearing under section 79-832. If such a request is not delivered within such time, the action of the Board shall become final.

**Section 19. Governing Laws.** The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

**Section 20. Amendments to be in Writing.** This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

## SUPERINTENDENT'S CONTRACT OF EMPLOYMENT SHELTON PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Shelton Public Schools**, legally known as **Buffalo County School District 10-0019**, and referred to as "the Board" and "the District" respectively, and **Rodney Engel**, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

**Section 1. Term of Contract.** The Superintendent shall be employed for a period of two year(s) beginning on **July 1, 2025, and expiring on June 30, 2027**. References to "contract year" shall mean the period from July 1<sup>st</sup> through June 30<sup>th</sup> and shall consist of all days except Saturdays and Sundays and any holidays included on the School District calendar or leave days listed in Section 11.

**Section 2. Renewal of Contract.** If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular January 2026 board meeting (and each January thereafter)** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than **its regular December meeting** of each year of this contract and shall make the renewal of the Superintendent's employment contract an agenda item for the regular **January** board meeting during each year of this contract. At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to ensure that the District has complied with the Superintendent Pay Transparency Act.

**Section 3. Salary.** The Superintendent's salary for the 2025-26 contract year shall be **XXXXXXXXXX** which shall be paid in 12 equal monthly installments beginning in the month of August 2025. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

**Section 4. Deductions.** This contract shall conform to the statutes and regulations governing deductions from compensation and shall be

subject to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The District shall withhold other deductions as the Superintendent and Board may agree.

**Section 5. Professional Status.** The Superintendent affirms that the Superintendent is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, the Superintendent will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which the Superintendent will register and maintain on file in the District's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that the Superintendent registers the certificate. The Superintendent represents that: (1) all information provided in connection with the Superintendent's application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, the Superintendent will advise the Board immediately; (2) the Superintendent has never been convicted of or plead no contest to a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) the Superintendent has not had any professional licenses or certificates suspended or revoked.

**Section 6. Superintendent's Duties.** The Superintendent's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Superintendent agrees to devote the Superintendent's time, skill, labor and attention to all required duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns. By agreement with the Board, the Superintendent may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out the Superintendent's duties and obligations to the District.

**Section 7. Board-Superintendent Relationship.** The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the District and

shall be responsible for implementing Board policy. The Superintendent shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. The Superintendent is responsible for administering the instruction of students and the business affairs of the District. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

**Section 8. Cancellation or Mid-Term Amendment.** The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

**Section 9. Disability.** If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period longer than his or her accumulated sick leave, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be

The Superintendent shall keep complete and accurate records of sick days accrued and used and shall provide the Board with a report of accumulated sick days at least quarterly and upon request. The Superintendent shall not be compensated for unused days of sick leave upon the ending of employment with the District.
- f. Vacation.** The Superintendent shall have twenty (20) vacation days for the initial contract year which the Superintendent may use at times the Superintendent
