Areas to Consider

- Additional panic buttons – could include wearable devices for staff
- Direct, electronic communication with law enforcement
- Increase use of student IDs
- Full perimeter fencing - minimum seven (7) feet tall
- Additional bollards to deter vehicular intrusion
- Remove one handle from the exterior of double doors to prevent barricading
- Enhance screening and security at afterschool events

Administrative Buildings

- The assessments are in narrative form and did not contain scores.
- The assessment information is shared in two categories – *Commendable Actions and Practices* and *Vulnerabilities and Options for Consideration*.
- Information included here is a brief summary of the assessments.

Central Services

- **Commendable**
 - Good fencing to protect outdoor areas
 - Staff interested in keeping building secure
 - Entry control
 - Panic buttons (consider expanding)
- **Options for Consideration**
 - Invite first responders for a tour
 - Employees felt they needed more training
 - Safety Team for the building
 - Adjust access control (front and elevator)

Instructional Planning Center

- **Commendable**
 - Entry and access control
 - Planning and drills
 - Lighting
 - Ownership/maintenance
- **Options for Consideration**
 - First Responder tour
 - Alternate site for business continuity
 - Fencing
 - Exterior door handles-remove one
